Reduced-Fee LICENSE PLATES

Jesse White
Illinois Secretary of State

As Secretary of State, I am pleased to offer a substantial discount on license plates fees to those who need it most — Circuit Breaker recipients.

The discount allows eligible vehicle owners a little relief in their budgets while continuing to enjoy the freedom that comes with owning a vehicle. The program is aimed toward senior citizens and persons with disabilities with specific qualifications. In addition to passenger, B-Truck and RV plate categories, most military license plates are eligible for the reduced fee.

If you or someone you know qualifies for reduced-fee license plates, I encourage you to take advantage of this money-saving opportunity.

Jesse White

Jesse White
Illinois Secretary of State

Eligibility

For eligibility requirements for reduced-fee license plates, please visit the Illinois Department of Aging at web site www.cbrx.il.gov.

Application

After you have been approved for the Circuit Breaker Program through the Illinois Department on Aging, you will receive a letter from Secretary of State Jesse White. When you buy license plates or renew your license plate sticker, submit the letter to verify that you are eligible for the discounted rate of \$24.

Types of Plates

The discount may be applied to the following plate categories:

- Passenger
- B-Truck
- Persons with Disabilities
- Military (Congressional Medal of Honor, POW/MIA, West Point Bicentennial, Afghanistan, Iraq and Ex-POW plates are not eligible.)
- Recreational Vehicle (up to 8,000 pounds)

Cost

The reduced fee of \$24 only applies to the applicable registration fee. Additional fees for vanity, personalized or military plates must still be paid.

The discount may be used for one set of plates per household per year.
