PUBLIC ACT 101-0230
(House Bill No. 0348)

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Legislative intent. It is the intent of the General Assembly that this Act further the intent of Section 5 of Article VII of the Illinois Constitution, which states, in relevant part, that townships "may be consolidated or merged, and one or more townships may be dissolved or divided, when approved by referendum in each township affected". Transferring the powers and duties of one or more dissolved McHenry County townships into the county, as the supervising unit of local government within which the township or townships are situated, will

reduce the overall number of local governmental units within our State. This reduction is declared to be a strong goal of Illinois public policy.

Section 5. The Election Code is amended by changing Section 28-7 as follows:

(10 ILCS 5/28-7) (from Ch. 46, par. 28-7)
Sec. 28-7. Except as provided in Article 24 of the Township Code, in any case in which Article VII or paragraph (a) of Section 5 of the Transition Schedule of the Constitution authorizes any action to be taken by or with respect to any unit of local government, as defined in Section 1 of Article VII of the Constitution, by or subject to approval by referendum, any such public question shall be initiated in accordance with this Section.

Any such public question may be initiated by the governing body of the unit of local government by resolution or by the filing with the clerk or secretary of the governmental unit of a petition signed by a number of qualified electors equal to or greater than at least 8% of the total votes cast for candidates for Governor in the preceding gubernatorial election, requesting the submission of the proposal for such action to the voters of the governmental unit at a regular election.

If the action to be taken requires a referendum involving 2 or more units of local government, the proposal shall be submitted to the voters of such governmental units by the election authorities with jurisdiction over the territory of the governmental units. Such multi-unit proposals may be initiated by appropriate resolutions by the respective governing bodies or by petitions of the voters of the several governmental units filed with the respective clerks or secretaries.

This Section is intended to provide a method of submission to referendum in all cases of proposals for actions which are authorized by Article VII of the Constitution by or subject to approval by referendum and supersedes any conflicting statutory provisions except those contained in Division 2-5 of the Counties Code or Article 24 of the Township Code.

Referenda provided for in this Section may not be held more than once in any 23-month period on the same proposition, provided that in any municipality a referendum to elect not to be a home rule unit may be held only once within any 47-month period.

(a) 2 1/2 cents per gallon of the tax collected on special fuel under paragraph (b) of Section 2 and Section 13a of this Act shall be transferred to the State Construction Account Fund in the State Treasury;

The annual project plan shall identify projects for the succeeding fiscal year and the 5-year project plan shall identify projects for the 5 directly succeeding fiscal years. The moneys received under this subparagraph shall be used in the geographic area of the dissolved township. If a township is reconstituted as provided under Section 24-45 of the Township Code, McHenry County or a municipality shall no longer be distributed moneys under this subparagraph.

As soon as may be after the first day of each month the Department of Transportation shall allot to each municipality its share of the amount apportioned to the several municipalities which shall be in proportion to the population of such municipalities as determined by the last preceding municipal census if conducted by the Federal Government or Federal census. If territory is annexed to any municipality subsequent to the time of the last preceding census the corporate authorities of such municipality may cause a census to be taken of such annexed territory and the population so ascertained for such territory shall be added to the population of the municipality as determined by the last preceding census for the purpose of determining the allotment for that municipality. If the population of any municipality was not determined by the last Federal census preceding any apportionment, the apportionment to such municipality shall be in accordance with any census taken by such municipality. Any municipal census used in accordance with this Section shall be certified to the Department of Transportation by the clerk of such municipality, and the accuracy thereof shall be subject to approval of the Department which may make such corrections as it ascertains to be necessary.

apportioned to the several counties of the State as herein provided. Each
allotment to the several counties having less than 1,000,000 inhabitants
shall be in proportion to the amount of motor vehicle license fees received
from the residents of such counties, respectively, during the preceding
calendar year. The Secretary of State shall, on or before April 15 of each
year, transmit to the Department of Transportation a full and complete
report showing the amount of motor vehicle license fees received from the
residents of each county, respectively, during the preceding calendar year.
The Department of Transportation shall, each month, use for allotment
purposes the last such report received from the Secretary of State.

As soon as may be after the first day of each month, the
Department of Transportation shall allot to the several counties their share
of the amount apportioned for the use of road districts. The allotment shall
be apportioned among the several counties in the State in the proportion
which the total mileage of township or district roads in the respective
counties bears to the total mileage of all township and district roads in the
State. Funds allotted to the respective counties for the use of road districts
therein shall be allocated to the several road districts in the county in the
proportion which the total mileage of such township or district roads in the
respective road districts bears to the total mileage of all such township or
district roads in the county. After July 1 of any year prior to 2011, no
allocation shall be made for any road district unless it levied a tax for road
and bridge purposes in an amount which will require the extension of such
tax against the taxable property in any such road district at a rate of not
less than either .08% of the value thereof, based upon the assessment for
the year immediately prior to the year in which such tax was levied and as
equalized by the Department of Revenue or, in DuPage County, an amount
equal to or greater than $12,000 per mile of road under the jurisdiction of
the road district, whichever is less. Beginning July 1, 2011 and each July 1
thereafter, an allocation shall be made for any road district if it levied a tax
for road and bridge purposes. In counties other than DuPage County, if the
amount of the tax levy requires the extension of the tax against the taxable
property in the road district at a rate that is less than 0.08% of the value
thereof, based upon the assessment for the year immediately prior to the
year in which the tax was levied and as equalized by the Department of
Revenue, then the amount of the allocation for that road district shall be a
percentage of the maximum allocation equal to the percentage obtained by
dividing the rate extended by the district by 0.08%. In DuPage County, if
the amount of the tax levy requires the extension of the tax against the

taxable property in the road district at a rate that is less than the lesser of (i) 0.08% of the value of the taxable property in the road district, based upon the assessment for the year immediately prior to the year in which such tax was levied and as equalized by the Department of Revenue, or (ii) a rate that will yield an amount equal to $12,000 per mile of road under the jurisdiction of the road district, then the amount of the allocation for the road district shall be a percentage of the maximum allocation equal to the percentage obtained by dividing the rate extended by the district by the lesser of (i) 0.08% or (ii) the rate that will yield an amount equal to $12,000 per mile of road under the jurisdiction of the road district.

Prior to 2011, if any road district has levied a special tax for road purposes pursuant to Sections 6-601, 6-602 and 6-603 of the Illinois Highway Code, and such tax was levied in an amount which would require extension at a rate of not less than .08% of the value of the taxable property thereof, as equalized or assessed by the Department of Revenue, or, in DuPage County, an amount equal to or greater than $12,000 per mile of road under the jurisdiction of the road district, whichever is less, such levy shall, however, be deemed a proper compliance with this Section and shall qualify such road district for an allotment under this Section. Beginning in 2011 and thereafter, if any road district has levied a special tax for road purposes under Sections 6-601, 6-602, and 6-603 of the Illinois Highway Code, and the tax was levied in an amount that would require extension at a rate of not less than 0.08% of the value of the taxable property of that road district, as equalized or assessed by the Department of Revenue or, in DuPage County, an amount equal to or greater than $12,000 per mile of road under the jurisdiction of the road district, whichever is less, that levy shall be deemed a proper compliance with this Section and shall qualify such road district for a full, rather than proportionate, allotment under this Section. If the levy for the special tax is less than 0.08% of the value of the taxable property, or, in DuPage County if the levy for the special tax is less than the lesser of (i) 0.08% or (ii) $12,000 per mile of road under the jurisdiction of the road district, and if the levy for the special tax is more than any other levy for road and bridge purposes, then the levy for the special tax qualifies the road district for a proportionate, rather than full, allotment under this Section. If the levy for the special tax is equal to or less than any other levy for road and bridge purposes, then any allotment under this Section shall be determined by the other levy for road and bridge purposes.

Prior to 2011, if a township has transferred to the road and bridge fund money which, when added to the amount of any tax levy of the road district would be the equivalent of a tax levy requiring extension at a rate of at least .08%, or, in DuPage County, an amount equal to or greater than $12,000 per mile of road under the jurisdiction of the road district, whichever is less, such transfer, together with any such tax levy, shall be deemed a proper compliance with this Section and shall qualify the road district for an allotment under this Section.

In counties in which a property tax extension limitation is imposed under the Property Tax Extension Limitation Law, road districts may retain their entitlement to a motor fuel tax allotment or, beginning in 2011, their entitlement to a full allotment if, at the time the property tax extension limitation was imposed, the road district was levying a road and bridge tax at a rate sufficient to entitle it to a motor fuel tax allotment and continues to levy the maximum allowable amount after the imposition of the property tax extension limitation. Any road district may in all circumstances retain its entitlement to a motor fuel tax allotment or, beginning in 2011, its entitlement to a full allotment if it levied a road and bridge tax in an amount that will require the extension of the tax against the taxable property in the road district at a rate of not less than 0.08% of the assessed value of the property, based upon the assessment for the year immediately preceding the year in which the tax was levied and as equalized by the Department of Revenue or, in DuPage County, an amount equal to or greater than $12,000 per mile of road under the jurisdiction of the road district, whichever is less.

As used in this Section the term "road district" means any road district, including a county unit road district, provided for by the Illinois Highway Code; and the term "township or district road" means any road in the township and district road system as defined in the Illinois Highway Code. For the purposes of this Section, "township or district road" also includes such roads as are maintained by park districts, forest preserve districts and conservation districts. The Department of Transportation shall determine the mileage of all township and district roads for the purposes of making allotments and allocations of motor fuel tax funds for use in road districts.

Payment of motor fuel tax moneys to municipalities and counties shall be made as soon as possible after the allotment is made. The treasurer of the municipality or county may invest these funds until their use is
required and the interest earned by these investments shall be limited to the same uses as the principal funds.

(c) Whenever a child has been placed in foster or substitute care by court order and the court later determines that the child can return to the custody of his or her parent or guardian, the Department must complete, prior to the child's discharge from foster or substitute care, a home safety checklist to ensure that the conditions of the child's home are sufficient to ensure the child's safety and well-being, as defined in Department rules and procedures. At a minimum, the home safety checklist shall be completed within 24 hours prior to the child's return home and completed again or recertified in the absence of any environmental barriers or hazards within 5 working days after a child is returned home and every month thereafter until the child's case is closed pursuant to the Juvenile Court Act of 1987. The home safety checklist shall include a certification that there are no environmental barriers or hazards to prevent returning the child home.

(d) When a court determines that a child should return to the custody or guardianship of a parent or guardian, any aftercare services provided to the child and the child's family by the Department or a purchase of service agency shall commence on the date upon which the child is returned to the custody or guardianship of his or her parent or guardian. If children are returned to the custody of a parent at different times, the Department or purchase of service agency shall provide a minimum of 6 months of aftercare services to each child commencing on the date each individual child is returned home.

If the family refuses to cooperate or refuses access to the home or children, then a child protective services investigation shall be initiated if the facts otherwise meet the criteria to accept a report.

As used in this Section, "child welfare services referral" means an assessment of the family for service needs and linkage to available local community resources for the purpose of preventing or remedying or assisting in the solution of problems which may result in the neglect, abuse, exploitation, or delinquency of children, and as further defined in Department rules and procedures.

Section 5. The Juvenile Court Act of 1987 is amended by changing Section 5-705 as follows:

(705 ILCS 405/5-705)

Sec. 5-705. Sentencing hearing; evidence; continuance.

(1) In this subsection (1), "violent crime" has the same meaning ascribed to the term in subsection (c) of Section 3 of the Rights of Crime Victims and Witnesses Act. At the sentencing hearing, the court shall determine whether it is in the best interests of the minor or the public that he or she be made a ward of the court, and, if he or she is to be made a ward of the court, the court shall determine the proper disposition best serving the interests of the minor and the public. All evidence helpful in determining these questions, including oral and written reports, may be admitted and may be relied upon to the extent of its probative value, even though not competent for the purposes of the trial. A crime victim shall be allowed to present an oral or written statement, as guaranteed by Article I, Section 8.1 of the Illinois Constitution and as provided in Section 6 of the Rights of Crime Victims and Witnesses Act, in any case in which: (a) a juvenile has been adjudicated delinquent for a violent crime after a bench or jury trial; or (b) the petition alleged the commission of a violent crime and the juvenile has been adjudicated delinquent under a plea agreement of a crime that is not a violent crime. investigation, which has been completed within the previous 60 days, is presented to and considered by the court.

(2) Once a party has been served in compliance with Section 5-525, no further service or notice must be given to that party prior to proceeding to a sentencing hearing. Before imposing sentence the court shall advise the State's Attorney and the parties who are present or their counsel of the factual contents and the conclusions of the reports prepared for the use of the court and considered by it, and afford fair opportunity, if requested, to controvert them. Factual contents, conclusions, documents and sources disclosed by the court under this paragraph shall not be further disclosed without the express approval of the court.

(3) On its own motion or that of the State's Attorney, a parent, guardian, legal custodian, or counsel, the court may adjourn the hearing for a reasonable period to receive reports or other evidence and, in such event, shall make an appropriate order for detention of the minor or his or her release from detention subject to supervision by the court during the period of the continuance. In the event the court shall order detention hereunder, the period of the continuance shall not exceed 30 court days. At the end of such time, the court shall release the minor from detention unless notice is served at least 3 days prior to the hearing on the continued date that the State will be seeking an extension of the period of detention, which notice shall state the reason for the request for the extension. The extension of detention may be for a maximum period of an additional 15 court days or a lesser number of days at the discretion of the court. However, at the expiration of the period of extension, the court shall release the minor from detention if a further continuance is granted. In scheduling investigations and hearings, the court shall give priority to proceedings in which a minor is in detention or has otherwise been removed from his or her home before a sentencing order has been made.

(4) When commitment to the Department of Juvenile Justice is ordered, the court shall state the basis for selecting the particular disposition, and the court shall prepare such a statement for inclusion in the record.

(5) Before a sentencing order is entered by the court under Section 5-710 for a minor adjudged delinquent for a violation of paragraph (3.5) of subsection (a) of Section 26-1 of the Criminal Code of 2012, in which the minor made a threat of violence, death, or bodily harm against a person, school, school function, or school event, the court may order a mental health evaluation of the minor by a physician, clinical

AN ACT concerning local government.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Park District Code is amended by changing Section 10-7 as follows:

(70 ILCS 1205/10-7) (from Ch. 105, par. 10-7)
Sec. 10-7. Sale, lease, or exchange of realty.
(a) Any park district owning and holding any real estate is authorized (1) to sell or lease that property to the State of Illinois, with the State's consent, or another unit of Illinois State or local government for public use, (2) to give the property to the State of Illinois if the property is contiguous to a State park, or (3) to lease that property upon the terms and at the price that the board determines for a period not to exceed 99 years to any corporation organized under the laws of this State, for public use. The grantee or lessee must covenant to hold and maintain the property for public park or recreational purposes unless the park district obtains other real property of substantially the same size or larger and of substantially

the same or greater suitability for park purposes without additional cost to the district. In the case of property given or sold under this subsection after the effective date of this amendatory Act of the 92nd General Assembly for which this covenant is required, the conveyance must provide that ownership of the property automatically reverts to the grantor if the grantee knowingly violates the required covenant by allowing all or any part of the property to be used for purposes other than park or recreational purposes. Real estate given, sold, or leased to the State of Illinois under this subsection (1) must be 50 acres or more in size, (2) may not be located within the territorial limits of a municipality, and (3) may not be the site of a known environmental liability or hazard.

(b) Any park district owning or holding any real estate is authorized to convey such property to a nongovernmental entity in exchange for other real property of substantially equal or greater value as determined by 2 appraisals of the property and of substantially the same or greater suitability for park purposes without additional cost to such district.

Prior to such exchange with a nongovernmental entity the park board shall hold a public meeting in order to consider the proposed conveyance. Notice of such meeting shall be published not less than three times (the first and last publication being not less than 10 days apart) in a newspaper of general circulation within the park district. If there is no such newspaper, then such notice shall be posted in not less than 3 public places in said park district and such notice shall not become effective until 10 days after said publication or posting.

(c) Notwithstanding any other provision of this Act, this subsection (c) shall apply only to park districts that serve territory within a municipality having more than 40,000 inhabitants and within a county having more than 260,000 inhabitants and bordering the Mississippi River. Any park district owning or holding real estate is authorized to sell that property to any not-for-profit corporation organized under the laws of this State upon the condition that the corporation uses the property for public park or recreational programs for youth. The park district shall have the right of re-entry for breach of condition subsequent. If the corporation stops using the property for these purposes, the property shall revert back to ownership of the park district. Any temporary suspension of use caused by the construction of improvements on the property for public park or recreational programs for youth is not a breach of condition subsequent.

(d) Real estate, not subject to such covenant or which has not been conveyed and replaced as provided in this Section, may be conveyed in the manner provided by Sections 10-7a to 10-7d hereof, inclusive.

(e) In addition to any other power provided in this Section, any park district owning or holding real estate that the board deems is not required for park or recreational purposes may lease such real estate to any individual or entity and may collect rents therefrom. Such lease shall not exceed 4 and one-half times the term of years provided for in Section 8-15 governing installment purchase contracts.

(f) Notwithstanding any other provision of law, if (i) the real estate that a park district with a population of 3,000 or less transfers by lease, license, development agreement, or other means to any private entity is greater than 70% of the district's total property and (ii) the current use of the real estate will be substantially altered by that private entity, the real estate may be conveyed only in the manner provided for in Sections 10-7a, 10-7b, and 10-7c.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Mental Health Early Action on Campus Act.

Section 5. Intent. This Act is intended to address gaps in mental health services on college campuses across Illinois, including both 2-year and 4-year institutions, through training, peer support, and community-campus partnerships.

Section 10. Findings. The General Assembly finds all of the following:

1. Mental health is a pressing and growing issue on college campuses across this State and the country. A recent national survey found that one in 4 college students are treated for or diagnosed with a mental health condition and one in 5 has considered suicide.

2. About 75% of all mental health conditions start by age 24, with higher rates of diagnosed disorders in college-aged students. College counseling center directors believe mental health conditions among students on their campuses are increasing, signaling a growing issue that must be addressed.

3. Students who come from low-income households are more likely to have a mental health condition.

4. Between 2007 and 2017, the diagnosis rate of college students increased from 22% to 36%, indicating a higher need for services. Treatment rates over the same period increased by 15%.

5. Young adults are less likely to receive mental health support than any other age group. College campuses can play a big role in addressing this challenge. Over 70% of Illinois high school graduates enroll in a postsecondary program shortly after graduation.

6. College-aged students are more accepting of mental health services than the general population, but most struggle accessing them. An overwhelming 96% of college students reported they would provide support to peers whom they knew were thinking about suicide.

New matter indicated by italics - deletions by strikeout
Many students lack knowledge of mental health signs and symptoms and do not know how to help or where to refer their friends for services.

Services offered by most college campuses are limited in scope and capacity, with 67% of campus counseling center directors saying that their campus psychiatric service capacity is inadequate or does not meet student demand.

Combined with a dearth of available services, the vast majority of students do not seek out services, and many students who complete a suicide never received on-campus services. Paying for community-based services is an issue for about half of students. Combining insufficient on-campus services with unaffordable community resources leaves students on their own.

Section 15. Purpose. The purpose of this Act is to accomplish all of the following:

(1) Further identify students with mental health needs and connect them to services.

(2) Increase access to support services on college campuses.

(3) Increase access to clinical mental health services on college campuses and in the surrounding communities for college students.

(4) Empower students through peer-to-peer support and training on identifying mental health needs and resources.

(5) Reduce administrative policies that put an undue burden on students seeking leave for their mental health conditions through technical assistance and training.

Section 20. Definitions. As used in this Act:

"Advisor" means a staff member who provides academic, professional, and personal support to students.

"Campus security" means a law enforcement officer who has completed his or her probationary period and is employed as a security officer or campus police officer by a public college or university.

"Linkage agreement" means a formal agreement between a public college or university and an off-campus mental health provider or agency.

"Mental health condition" means a symptom consistent with a mental illness, as defined under Section 1-129 of the Mental Health and Developmental Disabilities Code, or a diagnosed mental illness.

"Public college or university" means any public community college subject to the Public Community College Act, the University of Illinois,

Southern Illinois University, Chicago State University, Eastern Illinois University, Governors State University, Illinois State University, Northeastern Illinois University, Northern Illinois University, Western Illinois University, and any other public university, college, or community college now or hereafter established or authorized by the General Assembly.

"Recovery model" means the model developed by the federal Substance Abuse and Mental Health Services Administration that defines the process of recovery and includes the 4 major dimensions that support a life in recovery, which are health, home, purpose, and community.

"Resident assistant" means a student who is responsible for supervising and assisting other, typically younger, students who live in the same student housing facility.

"Telehealth" means the evaluation, diagnosis, or interpretation of electronically transmitted patient-specific data between a remote location and a licensed health care professional that generates interaction or treatment recommendations. "Telehealth" includes telemedicine and the delivery of health care services provided by an interactive telecommunications system, as defined in subsection (a) of Section 356z.22 of the Illinois Insurance Code.

Section 25. Awareness. To raise mental health awareness on college campuses, each public college or university must do all of the following:

1. Develop and implement an annual student orientation session aimed at raising awareness about mental health conditions.
2. Assess courses and seminars available to students through their regular academic experiences and implement mental health awareness curricula if opportunities for integration exist.
3. Create and feature a page on its website or mobile application with information dedicated solely to the mental health resources available to students at the public college or university and in the surrounding community.
4. For any action commenced under item (2) of subsection (a) of this Section, dismissal of the conjoined case (or a finding of not guilty) shall not require dismissal of the action for a stalking no contact order; instead, it may be treated as an independent action and, if necessary and appropriate, transferred to a different court or division.

(c) No fee shall be charged by the clerk of the court for filing petitions or modifying or certifying orders. No fee shall be charged by the sheriff for service by the sheriff of a petition, rule, motion, or order in an action commenced under this Section.

Sec. 95. Emergency stalking no contact order.

(a) An emergency stalking no contact order shall issue if the petitioner satisfies the requirements of this subsection (a). The petitioner shall establish that:

(1) the court has jurisdiction under Section 50;
(2) the requirements of Section 80 are satisfied; and
(3) there is good cause to grant the remedy, regardless of prior service of process or of notice upon the respondent, because the harm which that remedy is intended to prevent would be likely to occur if the respondent were given any prior notice, or greater notice than was actually given, of the petitioner's efforts to obtain judicial relief.

An emergency stalking no contact order shall be issued by the court if it appears from the contents of the petition and the examination of the petitioner that the averments are sufficient to indicate stalking by the respondent and to support the granting of relief under the issuance of the stalking no contact order.

An emergency stalking no contact order shall be issued if the court finds that items (1), (2), and (3) of this subsection (a) are met.

(a-5) When a petition for an emergency stalking no contact order is granted, the order shall not be publicly available until the order is served on the respondent.

(c) Emergency orders; court holidays and evenings.

(1) When the court is unavailable at the close of business, the petitioner may file a petition for a 21-day emergency order before any available circuit judge or associate judge who may grant relief under this Act. If the judge finds that there is an immediate and present danger of abuse against the petitioner and that the petitioner has satisfied the prerequisites set forth in subsection (a), that judge may issue an emergency stalking no contact order.

(2) The chief judge of the circuit court may designate for each county in the circuit at least one judge to be reasonably available to issue orally, by telephone, by facsimile, or otherwise, an emergency stalking no contact order at all times, whether or not the court is in session.

(3) Any order issued under this Section and any documentation in support of the order shall be certified on the next court day to the appropriate court. The clerk of that court shall immediately assign a case number, file the petition, order, and other documents with the court, and enter the order of record and file it with the sheriff for service, in accordance with Section 60. Filing the petition shall commence proceedings for further relief under Section 20. Failure to comply with the requirements of this paragraph (3) does not affect the validity of the order.

Sec. 213. Civil no contact order; remedies.

(a) If the court finds that the petitioner has been a victim of non-consensual sexual conduct or non-consensual sexual penetration, a civil no contact order shall issue; provided that the petitioner must also satisfy the requirements of Section 214 on emergency orders or Section 215 on plenary orders. The petitioner shall not be denied a civil no contact order because the petitioner or the respondent is a minor. The court, when determining whether or not to issue a civil no contact order, may not require physical injury on the person of the victim. Modification and extension of prior civil no contact orders shall be in accordance with this Act.

(a-5) When a petition for a civil no contact order is granted, the order shall not be publicly available until the order is served on the respondent.

(4) order the respondent to stay away from any property or animal owned, possessed, leased, kept, or held by the petitioner and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the property or animal; and

(5) order any other injunctive relief as necessary or appropriate for the protection of the petitioner.

(b-6) When the petitioner and the respondent attend the same public or private elementary, middle, or high school, the court when issuing a civil no contact order and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed to the petitioner and respondent under federal and State law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent to or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. In the event the court order results in a transfer of the minor respondent to another attendance center, a change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the transfer or change.

(b-7) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. In the event the court orders a transfer of the respondent to another school, the parents or legal guardians of the respondent are responsible for transportation and other costs associated with the change of school by the respondent.

(c) Denial of a remedy may not be based, in whole or in part, on evidence that:

(1) the respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article 7 of the Criminal Code of 2012;
(2) the respondent was voluntarily intoxicated;
(3) the petitioner acted in self-defense or defense of another, provided that, if the petitioner utilized force, such force was justifiable under Article 7 of the Criminal Code of 2012;
(4) the petitioner did not act in self-defense or defense of another;
(5) the petitioner left the residence or household to avoid further non-consensual sexual conduct or non-consensual sexual penetration by the respondent; or

Section 15. The Illinois Domestic Violence Act of 1986 is amended by changing Sections 202 and 217 as follows:

(750 ILCS 60/202) (from Ch. 40, par. 2312-2)

Sec. 202. Commencement of action; filing fees; dismissal.

(a) How to commence action. Actions for orders of protection are commenced:

(1) Independently: By filing a petition for an order of protection in any civil court, unless specific courts are designated by local rule or order.

(2) In conjunction with another civil proceeding: By filing a petition for an order of protection under the same case number as another civil proceeding involving the parties, including but not limited to: (i) any proceeding under the Illinois Marriage and Dissolution of Marriage Act, Illinois Parentage Act of 2015, Nonsupport of Spouse and Children Act, Revised Uniform Reciprocal Enforcement of Support Act or an action for nonsupport brought under Article X of the Illinois Public Aid Code, provided that a petitioner and the respondent are a party to or the subject of that proceeding or (ii) a guardianship proceeding under the Probate Act of 1975, or a proceeding for involuntary commitment under the Mental Health and Developmental Disabilities Code, or any proceeding, other than a delinquency petition, under the Juvenile Court Act of 1987, provided that a petitioner or the respondent is a party to or the subject of such proceeding.

(3) In conjunction with a delinquency petition or a criminal prosecution as provided in Section 112A-20 of the Code of Criminal Procedure of 1963.

(a-5) When a petition for an emergency order of protection is filed, the petition shall not be publicly available until the petition is served on the respondent.

(b) Filing, certification, and service fees. No fee shall be charged by the clerk for filing, amending, vacating, certifying, or photocopying...
petitions or orders; or for issuing alias summons; or for any related filing service. No fee shall be charged by the sheriff for service by the sheriff of a petition, rule, motion, or order in an action commenced under this Section.

(c) Dismissal and consolidation. Withdrawal or dismissal of any petition for an order of protection prior to adjudication where the petitioner is represented by the State shall operate as a dismissal without prejudice. No action for an order of protection shall be dismissed because the respondent is being prosecuted for a crime against the petitioner. An independent action may be consolidated with another civil proceeding, as provided by paragraph (2) of subsection (a) of this Section. For any action commenced under paragraph (2) or (3) of subsection (a) of this Section, dismissal of the conjoined case (or a finding of not guilty) shall not require dismissal of the action for the order of protection; instead, it may be treated as an independent action and, if necessary and appropriate, transferred to a different court or division. Dismissal of any conjoined case shall not affect the validity of any previously issued order of protection, and thereafter subsections (b)(1) and (b)(2) of Section 220 shall be inapplicable to such order.

(d) Pro se petitions. The court shall provide, through the office of the clerk of the court, simplified forms and clerical assistance to help with the writing and filing of a petition under this Section by any person not represented by counsel. In addition, that assistance may be provided by the state's attorney.

(e) As provided in this subsection, the administrative director of the Administrative Office of the Illinois Courts, with the approval of the administrative board of the courts, may adopt rules to establish and implement a pilot program to allow the electronic filing of petitions for temporary orders of protection and the issuance of such orders by audio-visual means to accommodate litigants for whom attendance in court to file for and obtain emergency relief would constitute an undue hardship or would constitute a risk of harm to the litigant.

(1) As used in this subsection:

(A) "Electronic means" means any method of transmission of information between computers or other machines designed for the purpose of sending or receiving electronic transmission and that allows for the recipient of information to reproduce the information received in a tangible medium of expression.

New matter indicated by italics - deletions by strikeout
(B) "Independent audio-visual system" means an electronic system for the transmission and receiving of audio and visual signals, including those with the means to preclude the unauthorized reception and decoding of the signals by commercially available television receivers, channel converters, or other available receiving devices.

(C) "Electronic appearance" means an appearance in which one or more of the parties are not present in the court, but in which, by means of an independent audio-visual system, all of the participants are simultaneously able to see and hear reproductions of the voices and images of the judge, counsel, parties, witnesses, and any other participants.

(2) Any pilot program under this subsection (e) shall be developed by the administrative director or his or her delegate in consultation with at least one local organization providing assistance to domestic violence victims. The program plan shall include but not be limited to:

(A) identification of agencies equipped with or that have access to an independent audio-visual system and electronic means for filing documents; and

(B) identification of one or more organizations who are trained and available to assist petitioners in preparing and filing petitions for temporary orders of protection and in their electronic appearances before the court to obtain such orders; and

(C) identification of the existing resources available in local family courts for the implementation and oversight of the pilot program; and

(D) procedures for filing petitions and documents by electronic means, swearing in the petitioners and witnesses, preparation of a transcript of testimony and evidence presented, and a prompt transmission of any orders issued to the parties; and

(E) a timeline for implementation and a plan for informing the public about the availability of the program; and

New matter indicated by italics - deletions by strikeout
(F) a description of the data to be collected in order to evaluate and make recommendations for improvements to the pilot program.

(3) In conjunction with an electronic appearance, any petitioner for an ex parte temporary order of protection may, using the assistance of a trained advocate if necessary, commence the proceedings by filing a petition by electronic means.

(A) A petitioner who is seeking an ex parte temporary order of protection using an electronic appearance must file a petition in advance of the appearance and may do so electronically.

(B) The petitioner must show that traveling to or appearing in court would constitute an undue hardship or create a risk of harm to the petitioner. In granting or denying any relief sought by the petitioner, the court shall state the names of all participants and whether it is granting or denying an appearance by electronic means and the basis for such a determination. A party is not required to file a petition or other document by electronic means or to testify by means of an electronic appearance.

(C) Nothing in this subsection (e) affects or changes any existing laws governing the service of process, including requirements for personal service or the sealing and confidentiality of court records in court proceedings or access to court records by the parties to the proceedings.

(4) Appearances.

(A) All electronic appearances by a petitioner seeking an ex parte temporary order of protection under this subsection (e) are strictly voluntary and the court shall obtain the consent of the petitioner on the record at the commencement of each appearance.

(B) Electronic appearances under this subsection (e) shall be recorded and preserved for transcription. Documentary evidence, if any, referred to by a party or witness or the court may be transmitted and submitted and introduced by electronic means.

(750 ILCS 60/217) (from Ch. 40, par. 2312-17)
Sec. 217. Emergency order of protection.

(a) Prerequisites. An emergency order of protection shall issue if petitioner satisfies the requirements of this subsection for one or more of the requested remedies. For each remedy requested, petitioner shall establish that:

(1) The court has jurisdiction under Section 208;
(2) The requirements of Section 214 are satisfied; and
(3) There is good cause to grant the remedy, regardless of prior service of process or of notice upon the respondent, because:

(i) For the remedies of "prohibition of abuse" described in Section 214(b)(1), "stay away order and additional prohibitions" described in Section 214(b)(3), "removal or concealment of minor child" described in Section 214(b)(8), "order to appear" described in Section 214(b)(9), "physical care and possession of the minor child" described in Section 214(b)(5), "protection of property" described in Section 214(b)(11), "prohibition of entry" described in Section 214(b)(14), "prohibition of firearm possession" described in Section 214(b)(14.5), "prohibition of access to records" described in Section 214(b)(15), and "injunctive relief" described in Section 214(b)(16), the harm which that remedy is intended to prevent would be likely to occur if the respondent were given any prior notice, or greater notice than was actually given, of petitioner's efforts to obtain judicial relief;

(ii) For the remedy of "grant of exclusive possession of residence" described in Section 214(b)(2), the immediate danger of further abuse of petitioner by respondent, if petitioner chooses or had chosen to remain in the residence or household while respondent was given any prior notice or greater notice than was actually given of petitioner's efforts to obtain judicial relief, outweighs the hardships to respondent of an emergency order granting petitioner exclusive possession of the residence or household. This remedy shall not be denied because petitioner has or could obtain temporary shelter elsewhere while prior notice is given to respondent, unless the hardships to respondent from exclusion from the home substantially outweigh those to petitioner;

New matter indicated by italics - deletions by strikeout
(iii) For the remedy of "possession of personal property" described in Section 214(b)(10), improper disposition of the personal property would be likely to occur if respondent were given any prior notice, or greater notice than was actually given, of petitioner's efforts to obtain judicial relief, or petitioner has an immediate and pressing need for possession of that property.

An emergency order may not include the counseling, legal custody, payment of support or monetary compensation remedies.

(a-5) When a petition for an emergency order of protection is granted, the order shall not be publicly available until the order is served on the respondent.

(b) Appearance by respondent. If respondent appears in court for this hearing for an emergency order, he or she may elect to file a general appearance and testify. Any resulting order may be an emergency order, governed by this Section. Notwithstanding the requirements of this Section, if all requirements of Section 218 have been met, the court may issue a 30-day interim order.

(c) Emergency orders: court holidays and evenings.

(1) Prerequisites. When the court is unavailable at the close of business, the petitioner may file a petition for a 21-day emergency order before any available circuit judge or associate judge who may grant relief under this Act. If the judge finds that there is an immediate and present danger of abuse to petitioner and that petitioner has satisfied the prerequisites set forth in subsection (a) of Section 217, that judge may issue an emergency order of protection.

(1.5) Issuance of order. The chief judge of the circuit court may designate for each county in the circuit at least one judge to be reasonably available to issue orally, by telephone, by facsimile, or otherwise, an emergency order of protection at all times, whether or not the court is in session.

(2) Certification and transfer. The judge who issued the order under this Section shall promptly communicate or convey the order to the sheriff to facilitate the entry of the order into the Law Enforcement Agencies Data System by the Department of State Police pursuant to Section 302. Any order issued under this Section and any documentation in support thereof shall be certified on the next court day to the appropriate court. The clerk of that court shall

immediately assign a case number, file the petition, order and other
documents with the court, and enter the order of record and file it
with the sheriff for service, in accordance with Section 222. Filing
the petition shall commence proceedings for further relief under
Section 202. Failure to comply with the requirements of this
subsection shall not affect the validity of the order.

The authorized organization may charge a fee to offset the cost of producing and distributing the decal, but that fee shall be retained by the authorized organization and shall be separate and distinct from any registration fees charged by the Secretary. No decal, sticker, or other material may be affixed to a Universal special license plate other than a decal authorized by the General Assembly in this Section or a registration renewal sticker. The Secretary of State must make a version of the special registration plates authorized under this Section in a form appropriate for motorcycles and autocycles.

When necessary, the authorizing language shall create a special fund in the State treasury into which fees may be deposited for an authorized Universal special license plate. Additional fees may only be charged if the fee is to be paid over to a State agency or to a charitable entity that is in compliance with the registration and reporting requirements of the Charitable Trust Act and the Solicitation for Charity Act. Any charitable entity receiving fees for the sale of Universal special license plates shall annually provide the Secretary of State a letter of compliance issued by the Attorney General verifying that the entity is in compliance with the Charitable Trust Act and the Solicitation for Charity Act.

All fees collected shall be transferred to the State agency on whose behalf the fees were collected, or paid into the special fund designated in the law authorizing the organization to issue decals for Universal special license plates. Sec. 17-131. Administration of payroll deductions.

(a) An Employer or the Board shall make pension deductions in each pay period on the basis of the salary earned in that period, exclusive of salaries for overtime, extracurricular activities special services, or any employment on an optional basis, such as in summer school.

(b) If a salary paid in a pay period includes adjustments on account of errors or omissions in prior pay periods, then salary amounts and related pension deductions shall be separately identified as to the adjusted pay period and deductions by the Employer or the Board shall be at rates in force during the applicable adjusted pay period.

(c) If members earn salaries for the school year, as established by an Employer, or if they earn annual salaries over more than a 10-calendar month period, or if they earn annual salaries over more than 170 calendar days, the required contribution amount shall be deducted by the Employer in installments on the basis of salary earned in each pay period. The total amounts for each pay period shall be deducted whenever salary payments represent a partial or whole day's pay.

(d) If an Employer or the Board pays a salary to a member for vacation periods, then the salary shall be considered part of the member's pensionable salary, shall be subject to the standard deductions for pension contributions, and shall be considered to represent pay for the number of whole days of vacation.

(e) If deductions from salaries result in amounts of less than one cent, the fractional sums shall be increased to the next higher cent. Any excess of these fractional increases over the prescribed annual contributions shall be credited to the members' accounts.

(f) In the event that, pursuant to Section 17-130.1, employee contributions are picked up or made by the Board of Education on behalf of its employees, then the amount of the employee contributions which are picked up or made in that manner shall not be deducted from the salaries of such employees.

(b) An Employer that fails to timely certify and submit payroll records to the Fund is subject to a statutory penalty in the amount of $100 per day for each day that a required certification and submission is late.

An Employer in possession of member contributions deducted from payroll checks is holding Fund assets, and thus becomes a fiduciary over those assets.

(c) The payroll records shall report (1) all pensionable salary earned in that pay period, exclusive of salaries for overtime, extracurricular activities special services, or any employment on an optional basis, such as in summer school; (2) adjustments to pensionable salary, exclusive of salaries for overtime, extracurricular activities special services, or any employment on an optional basis, such as in summer school, made in a pay period for any prior pay periods; (3) pension contributions attributable to pensionable salary earned in the reported pay period or the adjusted pay period as required by subsection (b) of Section 17-131; and (4) any salary paid by an Employer if that salary is compensation for validated service and is exclusive of salary for overtime, extracurricular activities special services, or any employment on an optional basis, such as in summer school. Section 5. The Illinois Pension Code is amended by changing Sections 17-116 and 17-125 as follows:
(40 ILCS 5/17-116) (from Ch. 108 1/2, par. 17-116)
Sec. 17-116. Service retirement pension.
(a) Each teacher having 20 years of service upon attainment of age 55, or who thereafter attains age 55 shall be entitled to a service retirement pension upon or after attainment of age 55; and each teacher in service on or after July 1, 1971, with 5 or more but less than 20 years of service shall be entitled to receive a service retirement pension upon or after attainment of age 62.

In the case of a member who commenced employment before August 31, 1979 and who receives salary during any year after September 1, 1983 which exceeds the annual full-time salary rate for the preceding year by more than 20%, an Employer and other employers of eligible contributors as defined in Section 17-106 shall pay to the Fund an amount equal to the present value of the additional service retirement pension resulting from such excess salary. "HOME REPAIR: KNOW YOUR CONSUMER RIGHTS

As you plan for your home repair/improvement project, it is important to ask the right questions in order to protect your investment. The tips in this fact sheet should allow you to protect yourself and minimize the possibility that a misunderstanding may occur.

AVOIDING HOME REPAIR FRAUD

Please use extreme caution when confronted with the following warning signs of a potential scam:

(1) Door-to-door salespersons with no local connections who offer to do home repair work for substantially less than the market price.

(2) Solicitations for repair work from a company that lists only a telephone number or a post-office box number to contact, particularly if it is an out-of-state company.

(3) Contractors who fail to provide customers references when requested.

(4) Persons offering to inspect your home for free. Do not admit anyone into your home unless he or she can present authentic identification establishing his or her business status. When in doubt, do not hesitate to call the worker's employer to verify his or her identity.

(5) Contractors demanding cash payment for a job or who ask you to make a check payable to a person other than the owner or company name.

(6) Offers from a contractor to drive you to the bank to withdraw funds to pay for the work.

CONTRACTS

(1) Get all estimates in writing.

(2) Do not be induced into signing a contract by high-pressure sales tactics.

New matter indicated by italics - deletions by strikeout
(3) Never sign a contract with blank spaces or one you do not fully understand. If you are taking out a loan to finance the work, do not sign the contract before your lender approves the loan.

(4) Remember, you have 3 business days (or as provided in Section 22 if you are age 65 or older) from the time you sign your contract to cancel any contract if the sale is made at your home. The contractor cannot deprive you of this right by initiating work, selling your contract to a lender, or any other tactic.

(5) If the contractor does business under a name other than the contractor's real name, the business must either be incorporated or registered under the Assumed Business Name Act. Check with the Secretary of State to see if the business is incorporated or with the county clerk to see if the business has registered under the Assumed Business Name Act.

(6) Homeowners should check with local and county units of government to determine if permits or inspections are required.

(7) Determine whether the contractor will guarantee his or her work and products.

(8) Determine whether the contractor has the proper insurance.

(9) Do not sign a certificate of completion or make final payment until the work is done to your satisfaction.

(10) Before you pay your contractor, understand that the Mechanics Lien Act requires that you shall request and the contractor shall give you a signed and notarized written statement (known as a "Sworn Statement") that lists all the persons or companies your contractor hired to work on your home, their addresses along with the amounts about to be paid, and the total amount owed after the payment to those persons or companies.

Suppliers and subcontractors have a right to file a lien against your home if they do not get paid for their labor or materials. To protect yourself against liens, you should demand that your contractor provide you with a Sworn Statement before you pay the contractor. You should also obtain lien waivers from all contractors and subcontractors if appropriate. You should consult with an attorney to learn more about your rights and obligations under the Mechanics Lien Act.

6. 2 physician assistants.
7. 2 podiatrists.

1. Minority students pursuing medicine or healthcare as a career option. The goal is to diversify the health care workforce by engaging students, parents, and the community to build an infrastructure that assists students in developing the skills necessary for careers in healthcare.

2. Establishing a mentee/mentor relationship with current healthcare professionals and students, utilizing social media to communicate important messages and success stories, and holding a conference related to diversity and inclusion in healthcare professions.

3. Early employment and support, including (i) researching and leveraging best practices, including recruitment, retention, orientation, workplace diversity, and inclusion training, (ii) identifying barriers to inclusion and retention, and (iii) proposing solutions.

4. Healthcare leadership and succession planning, including:

(c) The Task Force may collaborate with policy makers, medical and specialty societies, national minority organizations, and other groups to achieve greater diversity in medicine and the health professions.

The Task Force's priorities are:

1. Affirmative action programs should be designed to promote the entry of racial and ethnic minority students into medical school, as well as other specialized training programs for other health professions.

2. Recruitment activities should support and advocate for the full spectrum of racial, ethnic, and cultural diversity, including language, national origin, and religion within the healthcare profession. These activities should maintain the high quality of the health care workforce and encourage individuals from all backgrounds to enter careers in healthcare.

3. Recruitment and academic preparations of underrepresented minority students should begin in elementary school and continue through the entire scope of their education and professional formation. Efforts to recruit minority students into the various health care professions should be targeted appropriately at each educational level.

4. Financial incentives should be increased to minority students, including federal funding for diversity programs, such as Title VII funding, loan forgiveness or repayment programs, and tuition reimbursement.

5. Enhancing diversity within the healthcare workforce will require a commitment at the highest levels. To put this commitment into practice, educational and healthcare institutions, medical organizations, and other relevant bodies should hire staff who are responsible solely for the implementation, management, and evaluation of diversity programs and who are accountable to the organizational leadership. These programs should be integrated into the organization's operations and provided with an infrastructure adequate to implement and measure the effectiveness of their activities.

6. Institutional commitments to improve workforce diversity must include a formal program or mechanism to ensure
that racial, ethnic, and cultural minority individuals rise to leadership positions at all levels.

(7) Organizations with a stake in enhancing workforce diversity should implement systems to track data and information on race, ethnicity, and other cultural attributes.

(e) The Department of Public Health shall provide administrative and other support to the Task Force.

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, mental health, substance abuse, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are
required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers’ Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

elected or appointed to the county board, impose a tax upon all persons engaged in the county in the business of selling motor fuel, as now or hereafter defined in the Motor Fuel Tax Law, at retail for the operation of motor vehicles upon public highways or for the operation of recreational watercraft upon waterways. Kane County may exempt diesel fuel from the tax imposed pursuant to this Section. The proceeds from the tax shall be used by the county solely for the purpose of operating, constructing and improving public highways and waterways, and acquiring real property and right-of-ways for public highways and waterways within the county imposing the tax.

A tax imposed pursuant to this Section, and all civil penalties that may be assessed as an incident thereof, shall be administered, collected and enforced by the Illinois Department of Revenue in the same manner as the tax imposed under the Retailers' Occupation Tax Act, as now or hereafter amended, insofar as may be practicable; except that in the event of a conflict with the provisions of this Section, this Section shall control. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the Comptroller the amount so retained by the State Treasurer, which shall be transferred into the Tax Compliance and Administration Fund.

An ordinance or resolution imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the second calendar month next following the month in which the ordinance or resolution is adopted and a certified copy thereof is filed with the Department of Revenue, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county as of the effective date of the ordinance or resolution. Upon a change in rate of a tax levied hereunder, or upon the discontinuance of the tax, the county board of the county shall, on or not later than 5 days after the effective date of the ordinance or resolution discontinuing the tax or effecting a change in rate, transmit to the Department of Revenue a certified copy of the ordinance or resolution effecting the change or discontinuance.

(2.1) Pursuant to paragraph (a) of subsection (6) of this Section, the Secretary shall adopt rules that ensure consistency and due process in the examination process. The Secretary may also establish guidelines that (i) define the scope of the examination process and (ii) clarify examination items to be resolved. The rules, formal guidance, interpretive letters, or opinions furnished to State banks by the Secretary may be relied upon by the State banks.

(2.5) Whenever any State bank, any subsidiary or affiliate of a State bank, or after May 31, 1997, any branch of an out-of-state bank causes to be performed, by contract or otherwise, any bank services for itself, whether on or off its premises:

(a) that performance shall be subject to examination by the Commissioner to the same extent as if services were being performed by the bank or, after May 31, 1997, branch of the out-of-state bank itself on its own premises; and

(b) the bank or, after May 31, 1997, branch of the out-of-state bank shall notify the Commissioner of the existence of a service relationship. The notification shall be submitted with the first statement of condition (as required by Section 47 of this Act) due after the making of the service contract or the performance of the service, whichever occurs first. The Commissioner shall be notified of each subsequent contract in the same manner.

For purposes of this subsection (2.5), the term "bank services" means services such as sorting and posting of checks and

deposits, computation and posting of interest and other credits and charges, preparation and mailing of checks, statements, notices, and similar items, or any other clerical, bookkeeping, accounting, statistical, or similar functions performed for a State bank, including but not limited to electronic data processing related to those bank services.

(3) The expense of administering this Act, including the expense of the examinations of State banks as provided in this Act, shall to the extent of the amounts resulting from the fees provided for in paragraphs (a), (a-2), and (b) of this subsection (3) be assessed against and borne by the State banks:

(a) Each bank shall pay to the Secretary a Call Report Fee which shall be paid in quarterly installments equal to one-fourth of the sum of the annual fixed fee of $800, plus a variable fee based on the assets shown on the quarterly statement of condition delivered to the Secretary in accordance with Section 47 for the preceding quarter according to the following schedule: 16¢ per $1,000 of the first $5,000,000 of total assets, 15¢ per $1,000 of the next $20,000,000 of total assets, 13¢ per $1,000 of the next $75,000,000 of total assets, 9¢ per $1,000 of the next $400,000,000 of total assets, 7¢ per $1,000 of the next $500,000,000 of total assets, and 5¢ per $1,000 of all assets in excess of $1,000,000,000, of the State bank. The Call Report Fee shall be calculated by the Secretary and billed to the banks for remittance at the time of the quarterly statements of condition provided for in Section 47. The Secretary may require payment of the fees provided in this Section by an electronic transfer of funds or an automatic debit of an account of each of the State banks. In case more than one examination of any bank is deemed by the Secretary to be necessary in any examination frequency cycle specified in subsection 2(a) of this Section, and is performed at his direction, the Secretary may assess a reasonable additional fee to recover the cost of the additional examination. In lieu of the method and amounts set forth in this paragraph (a) for the calculation of the Call Report Fee, the Secretary may specify by rule that the Call Report Fees provided by this Section may be assessed
semiannually or some other period and may provide in the rule the formula to be used for calculating and assessing the periodic Call Report Fees to be paid by State banks.

(a-1) If in the opinion of the Commissioner an emergency exists or appears likely, the Commissioner may assign an examiner or examiners to monitor the affairs of a State bank with whatever frequency he deems appropriate, including but not limited to a daily basis. The reasonable and necessary expenses of the Commissioner during the period of the monitoring shall be borne by the subject bank. The Commissioner shall furnish the State bank a statement of time and expenses if requested to do so within 30 days of the conclusion of the monitoring period.

(a-2) On and after January 1, 1990, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) shall be borne by the banks for which the services are provided. An amount, based upon a fee structure prescribed by the Commissioner, shall be paid by the banks or, after May 31, 1997, branches of out-of-state banks receiving the electronic data processing services along with the Call Report Fee assessed under paragraph (a) of this subsection (3).

(a-3) After May 31, 1997, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) at or on behalf of branches of out-of-state banks shall be borne by the out-of-state banks, unless those expenses are borne by the state regulatory authorities that chartered the out-of-state banks, as determined by cooperative agreements between the Commissioner and the state regulatory authorities that chartered the out-of-state banks.

(b) "Fiscal year" for purposes of this Section 48 is defined as a period beginning July 1 of any year and ending June 30 of the next year. The Commissioner shall receive for each fiscal year, commencing with the fiscal year ending June 30, 1987, a contingent fee equal to the lesser of the aggregate of the fees paid by all State banks under engineering.
paragraph (a) of subsection (3) for that year, or the amount, if any, whereby the aggregate of the administration expenses, as defined in paragraph (c), for that fiscal year exceeds the sum of the aggregate of the fees payable by all State banks for that year under paragraph (a) of subsection (3), plus any amounts transferred into the Bank and Trust Company Fund from the State Pensions Fund for that year, plus all other amounts collected by the Commissioner for that year under any other provision of this Act, plus the aggregate of all fees collected for that year by the Commissioner under the Corporate Fiduciary Act, excluding the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act, and the Foreign Banking Office Act. The aggregate amount of the contingent fee thus arrived at for any fiscal year shall be apportioned amongst, assessed upon, and paid by the State banks and foreign banking corporations, respectively, in the same proportion that the fee of each under paragraph (a) of subsection (3), respectively, for that year bears to the aggregate for that year of the fees collected under paragraph (a) of subsection (3). The aggregate amount of the contingent fee, and the portion thereof to be assessed upon each State bank and foreign banking corporation, respectively, shall be determined by the Commissioner and shall be paid by each, respectively, within 120 days of the close of the period for which the contingent fee is computed and is payable, and the Commissioner shall give 20 days' advance notice of the amount of the contingent fee payable by the State bank and of the date fixed by the Commissioner for payment of the fee.

(c) The "administration expenses" for any fiscal year shall mean the ordinary and contingent expenses for that year incident to making the examinations provided for by, and for otherwise administering, this Act, the Corporate Fiduciary Act, excluding the expenses paid from the Corporate Fiduciary Receivership account in the Bank and Trust Company Fund, the Foreign Banking Office Act, the Electronic Fund Transfer Act, and the Illinois Bank Examiners' Education Foundation Act, including all salaries.
and other compensation paid for personal services rendered for the State by officers or employees of the State, including the Commissioner and the Deputy Commissioners, communication equipment and services, office furnishings, surety bond premiums, and travel expenses of those officers and employees, employees, expenditures or charges for the acquisition, enlargement or improvement of, or for the use of, any office space, building, or structure, or expenditures for the maintenance thereof or for furnishing heat, light, or power with respect thereto, all to the extent that those expenditures are directly incidental to such examinations or administration. The Commissioner shall not be required by paragraphs (c) or (d-1) of this subsection (3) to maintain in any fiscal year's budget appropriated reserves for accrued vacation and accrued sick leave that is required to be paid to employees of the Commissioner upon termination of their service with the Commissioner in an amount that is more than is reasonably anticipated to be necessary for any anticipated turnover in employees, whether due to normal attrition or due to layoffs, terminations, or resignations.

(d) The aggregate of all fees collected by the Secretary under this Act, the Corporate Fiduciary Act, or the Foreign Banking Office Act on and after July 1, 1979, shall be paid promptly after receipt of the same, accompanied by a detailed statement thereof, into the State treasury and shall be set apart in a special fund to be known as the "Bank and Trust Company Fund", except as provided in paragraph (c) of subsection (11) of this Section. All earnings received from investments of funds in the Bank and Trust Company Fund shall be deposited in the Bank and Trust Company Fund and may be used for the same purposes as fees deposited in that Fund. The amount from time to time deposited into the Bank and Trust Company Fund shall be used: (i) to offset the ordinary administrative expenses of the Secretary as defined in this Section or (ii) as a credit against fees under paragraph (d-1) of this subsection (3). Nothing in Public Act 81-131 this amendatory Act of 1979 shall prevent continuing the

practice of paying expenses involving salaries, retirement, social security, and State-paid insurance premiums of State officers by appropriations from the General Revenue Fund. However, the General Revenue Fund shall be reimbursed for those payments made on and after July 1, 1979, by an annual transfer of funds from the Bank and Trust Company Fund. Moneys in the Bank and Trust Company Fund may be transferred to the Professions Indirect Cost Fund, as authorized under Section 2105-300 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

Notwithstanding provisions in the State Finance Act, as now or hereafter amended, or any other law to the contrary, the sum of $18,788,847 shall be transferred from the Bank and Trust Company Fund to the Financial Institutions Settlement of 2008 Fund on the effective date of this amendatory Act of the 95th General Assembly, or as soon thereafter as practical:

Notwithstanding provisions in the State Finance Act, as now or hereafter amended, or any other law to the contrary, the Governor may, during any fiscal year through January 10, 2011, from time to time direct the State Treasurer and Comptroller to transfer a specified sum not exceeding 10% of the revenues to be deposited into the Bank and Trust Company Fund during that fiscal year from that Fund to the General Revenue Fund in order to help defray the State's operating costs for the fiscal year. Notwithstanding provisions in the State Finance Act, as now or hereafter amended, or any other law to the contrary, the total sum transferred during any fiscal year through January 10, 2011, from the Bank and Trust Company Fund to the General Revenue Fund pursuant to this provision shall not exceed during any fiscal year 10% of the revenues to be deposited into the Bank and Trust Company Fund during that fiscal year. The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(d-1) Adequate funds shall be available in the Bank and Trust Company Fund to permit the timely payment of administration expenses. In each fiscal year the total administration expenses shall be deducted from the total fees collected by the Commissioner and the remainder transferred into the Cash Flow Reserve Account, unless the balance of the Cash Flow Reserve Account prior to the transfer equals or exceeds one-fourth of the total initial appropriations from the Bank and Trust Company Fund for the subsequent year, in which case the remainder shall be credited to State banks and foreign banking corporations and applied against their fees for the subsequent year. The amount credited to each State bank and foreign banking corporation shall be in the same proportion as the Call Report Fees paid by each for the year bear to the total Call Report Fees collected for the year. If, after a transfer to the Cash Flow Reserve Account is made or if no remainder is available for transfer, the balance of the Cash Flow Reserve Account is less than one-fourth of the total initial appropriations for the subsequent year and the amount transferred is less than 5% of the total Call Report Fees for the year, additional amounts needed to make the transfer equal to 5% of the total Call Report Fees for the year shall be apportioned amongst, assessed upon, and paid by the State banks and foreign banking corporations in the same proportion that the Call Report Fees of each, respectively, for the year bear to the total Call Report Fees collected for the year. The additional amounts assessed shall be transferred into the Cash Flow Reserve Account. For purposes of this paragraph (d-1), the calculation of the fees collected by the Commissioner shall exclude the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act.

(e) The Commissioner may upon request certify to any public record in his keeping and shall have authority to levy a reasonable charge for issuing certifications of any public record in his keeping.

(f) In addition to fees authorized elsewhere in this Act, the Commissioner may, in connection with a review,
approval, or provision of a service, levy a reasonable charge
to recover the cost of the review, approval, or service.
(4) Nothing contained in this Act shall be construed to limit
the obligation relative to examinations and reports of any State
bank, deposits in which are to any extent insured by the United
States or any agency thereof, nor to limit in any way the powers of
the Commissioner with reference to examinations and reports of
that bank.

(5) The nature and condition of the assets in or investment
of any bonus, pension, or profit sharing plan for officers or
employees of every State bank or, after May 31, 1997, branch of an
out-of-state bank shall be deemed to be included in the affairs of
that State bank or branch of an out-of-state bank subject to
examination by the Commissioner under the provisions of
subsection (2) of this Section, and if the Commissioner shall find
from an examination that the condition of or operation of the
investments or assets of the plan is unlawful, fraudulent, or unsafe,
or that any trustee has abused his trust, the Commissioner shall, if
the situation so found by the Commissioner shall not be corrected
to his satisfaction within 60 days after the Commissioner has given
notice to the board of directors of the State bank or out-of-state
bank of his findings, report the facts to the Attorney General who
shall thereupon institute proceedings against the State bank or out-
of-state bank, the board of directors thereof, or the trustees under
such plan as the nature of the case may require.

(6) The Commissioner shall have the power:

(a) To promulgate reasonable rules for the purpose
of administering the provisions of this Act.

(a-5) To impose conditions on any approval issued
by the Commissioner if he determines that the conditions
are necessary or appropriate. These conditions shall be
imposed in writing and shall continue in effect for the
period prescribed by the Commissioner.

(b) To issue orders against any person, if the
Commissioner has reasonable cause to believe that an
unsafe or unsound banking practice has occurred, is
occurring, or is about to occur, if any person has violated, is
violating, or is about to violate any law, rule, or written
agreement with the Commissioner, or for the purpose of

(b-1) To enter into agreements with a bank establishing a program to correct the condition of the bank or its practices.

(c) To appoint hearing officers to execute any of the powers granted to the Commissioner under this Section for the purpose of administering this Act and any rule promulgated in accordance with this Act and otherwise to authorize, in writing, an officer or employee of the Office of Banks and Real Estate to exercise his powers under this Act.

(d) To subpoena witnesses, to compel their attendance, to administer an oath, to examine any person under oath, and to require the production of any relevant books, papers, accounts, and documents in the course of and pursuant to any investigation being conducted, or any action being taken, by the Commissioner in respect of any matter relating to the duties imposed upon, or the powers vested in, the Commissioner under the provisions of this Act or any rule promulgated in accordance with this Act.

(e) To conduct hearings.

(7) Whenever, in the opinion of the Secretary, any director, officer, employee, or agent of a State bank or any subsidiary or bank holding company of the bank or, after May 31, 1997, of any branch of an out-of-state bank or any subsidiary or bank holding company of the bank shall have violated any law, rule, or order relating to that bank or any subsidiary or bank holding company of the bank, shall have obstructed or impeded any examination or investigation by the Secretary, shall have engaged in an unsafe or unsound practice in conducting the business of that bank or any subsidiary or bank holding company of the bank, or shall have violated any law or engaged or participated in any unsafe or unsound practice in connection with any financial institution or other business entity such that the character and fitness of the director, officer, employee, or agent does not assure reasonable promise of safe and sound operation of the State bank, the Secretary may issue an order of removal. If, in the opinion of the Secretary, any former director, officer, employee, or agent of a

An order issued pursuant to this subsection shall be served upon the director, officer, employee, or agent. A copy of the order shall be sent to each director of the bank affected by registered mail. A copy of the order shall also be served upon the bank of which he is a director, officer, employee, or agent, whereupon he shall cease to be a director, officer, employee, or agent of that bank. The Secretary may institute a civil action against the director, officer, or agent of the State bank or, after May 31, 1997, of the branch of the out-of-state bank against whom any order provided for by this subsection (7) of this Section 48 has been issued, and against the State bank or, after May 31, 1997, out-of-state bank, to enforce compliance with or to enjoin any violation of the terms of the order. Any person who has been the subject of an order of removal or an order of prohibition issued by the Secretary under this subsection or Section 5-6 of the Corporate Fiduciary Act may not thereafter serve as director, officer, employee, or agent of any State bank or of any branch of any out-of-state bank, or of any corporate fiduciary, as defined in Section 1-5.05 of the Corporate Fiduciary Act, or of any other entity that is subject to licensure or regulation by the Division of Banking unless the Secretary has granted prior approval in writing.

(9) The Commissioner may impose civil penalties of up to $100 against any person for the first failure to comply with reporting requirements set forth in the report of examination of the bank and up to $200 for the second and subsequent failures to comply with those reporting requirements.

The borrowed funds shall be paid back within 3 years and shall not exceed the total funding appropriated to the Agency in the previous year.

(14) In addition to the fees authorized in this Act, the Secretary may assess reasonable receivership fees against any State bank that does not maintain insurance with the Federal Deposit Insurance Corporation. All fees collected under this subsection (14) shall be paid into the Non-insured Institutions Receivership account in the Bank and Trust Company Fund, as established by the Secretary. authorized organization from which the applicant will obtain a decal to place on the plate. The Secretary shall make a record of that organization and that organization shall remain affiliated with that plate until the plate is surrendered, revoked, or otherwise cancelled. The authorized organization may charge a fee to offset the cost of producing and distributing the decal, but that fee shall be retained by the authorized organization and shall be separate and distinct from any registration fees charged by the Secretary. No decal, sticker, or other material may be affixed to a Universal special license plate other than a decal authorized by the General Assembly in this Section or a registration renewal sticker. The special plates issued under this Section shall be affixed only to passenger vehicles of the first division, including motorcycles and autocycles, or motor vehicles of the second division weighing not more than 8,000 pounds. Plates issued under this Section shall expire according to the multi-year procedure under Section 3-414.1 of this Code.

The Secretary of State must make a version of the special registration plates authorized under this Section in a form appropriate for motorcycles and autocycles.

(c) When authorizing a Universal special license plate, the General Assembly shall set forth whether an additional fee is to be charged for the plate and, if a fee is to be charged, the amount of the fee and how the fee is to be distributed. When necessary, the authorizing language shall create a special fund in the State treasury into which fees may be deposited for an authorized Universal special license plate. Additional fees may only be charged if the fee is to be paid over to a State agency or to a charitable entity that is in compliance with the registration and reporting requirements of the Charitable Trust Act and the Solicitation for Charity Act. Any charitable entity receiving fees for the sale of Universal special license plates shall annually provide the Secretary of State a letter of

The fees shall be collected on behalf of the organization designated by the applicant when applying for the plate. All fees collected shall be transferred to the State agency on whose behalf the fees were collected, or paid into the special fund designated in the law authorizing the organization to issue decals for Universal special license plates. When necessary, the authorizing language shall create a special fund in the State treasury into which fees may be deposited for an authorized Universal special license plate. The fees shall be collected on behalf of the organization designated by the applicant when applying for the plate. All fees collected shall be transferred to the State agency on whose behalf the fees were collected, or paid into the special fund designated in the law authorizing the organization to issue decals for Universal special license plates. Section 10. The Illinois Vehicle Code is amended by changing Section 6-106 as follows:

(625 ILCS 5/6-106) (from Ch. 95 1/2, par. 6-106)
Sec. 6-106. Application for license or instruction permit.
(a) Every application for any permit or license authorized to be issued under this Code shall be made upon a form furnished by the Secretary of State. Every application shall be accompanied by the proper fee and payment of such fee shall entitle the applicant to not more than 3 attempts to pass the examination within a period of one year after the date of application.

(b) Every application shall state the legal name, social security number, zip code, date of birth, sex, and residence address of the applicant; briefly describe the applicant; state whether the applicant has theretofore been licensed as a driver, and, if so, when and by what state or country, and whether any such license has ever been cancelled, suspended, revoked or refused, and, if so, the date and reason for such cancellation, suspension, revocation or refusal; shall include an affirmation by the applicant that all information set forth is true and correct; and shall bear the applicant's signature. In addition to the residence address, the Secretary may allow the applicant to provide a mailing address. In the case of an applicant who is a judicial officer or peace officer, the Secretary may allow the applicant to provide an office or work address in lieu of a residence or mailing address. The application form may also require the statement of such additional relevant information as the Secretary of State shall deem necessary to determine the applicant's competency and eligibility. The Secretary of State may, in his discretion, by rule or regulation, provide that an application for a drivers license or permit may include a suitable photograph of the applicant in the form prescribed by the Secretary, and he may further provide that each drivers license shall include a photograph of the driver. The Secretary of State may utilize a photograph process or system most suitable to deter alteration or improper reproduction of a drivers license and to prevent substitution of another photo thereon. For the purposes of this subsection (b), "peace officer" means any person who

by virtue of his or her office or public employment is vested by law with a

c) The application form shall include a notice to the applicant of
the registration obligations of sex offenders under the Sex Offender
Registration Act. The notice shall be provided in a form and manner
prescribed by the Secretary of State. For purposes of this subsection (c),
"sex offender" has the meaning ascribed to it in Section 2 of the Sex
Offender Registration Act.

d) Any male United States citizen or immigrant who applies for
any permit or license authorized to be issued under this Code or for a

requirements of the federal Military Selective Service Act. The Secretary
of State must forward in an electronic format the necessary personal

Selective Service System. The applicant's signature on the application
serves as an indication that the applicant either has already registered with
the Selective Service System or that he is authorizing the Secretary to
forward to the Selective Service System the necessary information for
registration. The Secretary must notify the applicant at the time of
application that his signature constitutes consent to registration with the
Selective Service System, if he is not already registered.

e) Beginning on or before July 1, 2015, for each original or
renewal driver's license application under this Code, the Secretary shall
inquire as to whether the applicant is a veteran for purposes of issuing a

Section 5. The Rights of Crime Victims and Witnesses Act is amended by changing Sections 4.5 and 6 as follows:

(725 ILCS 120/4.5)
Sec. 4.5. Procedures to implement the rights of crime victims. To afford crime victims their rights, law enforcement, prosecutors, judges, and corrections will provide information, as appropriate, of the following procedures:

(a) At the request of the crime victim, law enforcement authorities investigating the case shall provide notice of the status of the investigation, except where the State's Attorney determines that disclosure of such information would unreasonably interfere with the investigation, until such time as the alleged assailant is apprehended or the investigation is closed.

(a-5) When law enforcement authorities *reopen* a closed case to resume investigating, they shall provide notice of the *reopening* of the case, except where the State's Attorney determines that disclosure of such information would unreasonably interfere with the investigation.

(b) The office of the State's Attorney:

(1) shall provide notice of the filing of an information, the return of an indictment, or the filing of a petition to adjudicate a minor as a delinquent for a violent crime;

(2) shall provide timely notice of the date, time, and place of court proceedings; of any change in the date, time, and place of court proceedings; and of any cancellation of court proceedings. Notice shall be provided in sufficient time, wherever possible, for the victim to make arrangements to attend or to prevent an unnecessary appearance at court proceedings;

(3) or victim advocate personnel shall provide information of social services and financial assistance available for victims of crime, including information of how to apply for these services and assistance;

(3.5) or victim advocate personnel shall provide information about available victim services, including referrals to programs, counselors, and agencies that assist a victim to deal with trauma, loss, and grief;

(5) or victim advocate personnel shall provide appropriate employer intercession services to ensure that employers of victims will cooperate with the criminal justice system in order to minimize an employee's loss of pay and other benefits resulting from court appearances;

(6) shall provide, whenever possible, a secure waiting area during court proceedings that does not require victims to be in close proximity to defendants or juveniles accused of a violent crime, and their families and friends;

(7) shall provide notice to the crime victim of the right to have a translator present at all court proceedings and, in
compliance with the federal Americans with Disabilities Act of 1990, the right to communications access through a sign language interpreter or by other means;

(8) (blank);

(8.5) shall inform the victim of the right to be present at all court proceedings, unless the victim is to testify and the court determines that the victim's testimony would be materially affected if the victim hears other testimony at trial;

(9) shall inform the victim of the right to have present at all court proceedings, subject to the rules of evidence and confidentiality, an advocate and other support person of the victim's choice;

(9.3) shall inform the victim of the right to retain an attorney, at the victim's own expense, who, upon written notice filed with the clerk of the court and State's Attorney, is to receive copies of all notices, motions, and court orders filed thereafter in the case, in the same manner as if the victim were a named party in the case;

(9.5) shall inform the victim of (A) the victim's right under Section 6 of this Act to make a statement at the sentencing hearing; (B) the right of the victim's spouse, guardian, parent, grandparent, and other immediate family and household members under Section 6 of this Act to present a statement at sentencing; and (C) if a presentence report is to be prepared, the right of the victim's spouse, guardian, parent, grandparent, and other immediate family and household members to submit information to the preparer of the presentence report about the effect the offense has had on the victim and the person;

(10) at the sentencing shall make a good faith attempt to explain the minimum amount of time during which the defendant may actually be physically imprisoned. The Office of the State's Attorney shall further notify the crime victim of the right to request from the Prisoner Review Board or Department of Juvenile Justice information concerning the release of the defendant;

(11) shall request restitution at sentencing and as part of a plea agreement if the victim requests restitution;

(12) shall, upon the court entering a verdict of not guilty by reason of insanity, inform the victim of the notification services available from the Department of Human Services, including the

statewide telephone number, under subparagraph (d)(2) of this Section;

(13) shall provide notice within a reasonable time after receipt of notice from the custodian, of the release of the defendant on bail or personal recognizance or the release from detention of a minor who has been detained;

(14) shall explain in nontechnical language the details of any plea or verdict of a defendant, or any adjudication of a juvenile as a delinquent;

(15) shall make all reasonable efforts to consult with the crime victim before the Office of the State's Attorney makes an offer of a plea bargain to the defendant or enters into negotiations with the defendant concerning a possible plea agreement, and shall consider the written statement, if prepared prior to entering into a plea agreement. The right to consult with the prosecutor does not include the right to veto a plea agreement or to insist the case go to trial. If the State's Attorney has not consulted with the victim prior to making an offer or entering into plea negotiations with the defendant, the Office of the State's Attorney shall notify the victim of the offer or the negotiations within 2 business days and confer with the victim;

(16) shall provide notice of the ultimate disposition of the cases arising from an indictment or an information, or a petition to have a juvenile adjudicated as a delinquent for a violent crime;

(17) shall provide notice of any appeal taken by the defendant and information on how to contact the appropriate agency handling the appeal, and how to request notice of any hearing, oral argument, or decision of an appellate court;

(18) shall provide timely notice of any request for post-conviction review filed by the defendant under Article 122 of the Code of Criminal Procedure of 1963, and of the date, time and place of any hearing concerning the petition. (c) The court shall ensure that the rights of the victim are afforded.

(c-5) The following procedures shall be followed to afford victims the rights guaranteed by Article I, Section 8.1 of the Illinois Constitution:

(1) Written notice. A victim may complete a written notice of intent to assert rights on a form prepared by the Office of the Attorney General and provided to the victim by the State's Attorney. The victim may at any time provide a revised written notice to the State's Attorney. The State's Attorney shall file the written notice with the court. At the beginning of any court proceeding in which the right of a victim may be at issue, the court and prosecutor shall review the written notice to determine whether the victim has asserted the right that may be at issue.

(2) Victim's retained attorney. A victim's attorney shall file an entry of appearance limited to assertion of the victim's rights. Upon the filing of the entry of appearance and service on the State's Attorney and the defendant, the attorney is to receive copies of all notices, motions and court orders filed thereafter in the case.

(3) Standing. The victim has standing to assert the rights enumerated in subsection (a) of Article I, Section 8.1 of the Illinois Constitution and the statutory rights under Section 4 of this Act in any court exercising jurisdiction over the criminal case. The prosecuting attorney, a victim, or the victim's retained attorney may assert the victim's rights. The defendant in the criminal case has no standing to assert a right of the victim in any court proceeding, including on appeal.

(4) Assertion of and enforcement of rights.

(A) The prosecuting attorney shall assert a victim's right or request enforcement of a right by filing a motion or by orally asserting the right or requesting enforcement in open court in the criminal case outside the presence of the jury. The prosecuting attorney shall consult with the victim and the victim's attorney regarding the assertion or enforcement of a right. If the prosecuting attorney decides not to assert or enforce a victim's right, the prosecuting attorney shall notify the victim or the victim's attorney in sufficient time to allow the victim or the victim's attorney to assert the right or to seek enforcement of a right.

(B) If the prosecuting attorney elects not to assert a victim's right or to seek enforcement of a right, the victim

New matter indicated by italics- deletions by strikeout
or the victim's attorney may assert the victim's right or request enforcement of a right by filing a motion or by orally asserting the right or requesting enforcement in open court in the criminal case outside the presence of the jury.

(C) If the prosecuting attorney asserts a victim's right or seeks enforcement of a right, and the court denies the assertion of the right or denies the request for enforcement of a right, the victim or victim's attorney may file a motion to assert the victim's right or to request enforcement of the right within 10 days of the court's ruling. The motion need not demonstrate the grounds for a motion for reconsideration. The court shall rule on the merits of the motion.

(D) The court shall take up and decide any motion or request asserting or seeking enforcement of a victim's right without delay, unless a specific time period is specified by law or court rule. The reasons for any decision denying the motion or request shall be clearly stated on the record.

(5) Violation of rights and remedies.

(A) If the court determines that a victim's right has been violated, the court shall determine the appropriate remedy for the violation of the victim's right by hearing from the victim and the parties, considering all factors relevant to the issue, and then awarding appropriate relief to the victim.

(A-5) Consideration of an issue of a substantive nature or an issue that implicates the constitutional or statutory right of a victim at a court proceeding labeled as a status hearing shall constitute a per se violation of a victim's right.

(B) The appropriate remedy shall include only actions necessary to provide the victim the right to which the victim was entitled and may include reopening previously held proceedings; however, in no event shall the court vacate a conviction. Any remedy shall be tailored to provide the victim an appropriate remedy without violating any constitutional right of the defendant. In no event shall the appropriate remedy be a new trial, damages, or costs.
(6) Right to be heard. Whenever a victim has the right to be heard, the court shall allow the victim to exercise the right in any reasonable manner the victim chooses.

(7) Right to attend trial. A party must file a written motion to exclude a victim from trial at least 60 days prior to the date set for trial. The motion must state with specificity the reason exclusion is necessary to protect a constitutional right of the party, and must contain an offer of proof. The court shall rule on the motion within 30 days. If the motion is granted, the court shall set forth on the record the facts that support its finding that the victim's testimony will be materially affected if the victim hears other testimony at trial.

(8) Right to have advocate and support person present at court proceedings.

(A) A party who intends to call an advocate as a witness at trial must seek permission of the court before the subpoena is issued. The party must file a written motion at least 90 days before trial that sets forth specifically the issues on which the advocate's testimony is sought and an offer of proof regarding (i) the content of the anticipated testimony of the advocate; and (ii) the relevance, admissibility, and materiality of the anticipated testimony. The court shall consider the motion and make findings within 30 days of the filing of the motion. If the court finds by a preponderance of the evidence that: (i) the anticipated testimony is not protected by an absolute privilege; and (ii) the anticipated testimony contains relevant, admissible, and material evidence that is not available through other witnesses or evidence, the court shall issue a subpoena requiring the advocate to appear to testify at an in camera hearing. The prosecuting attorney and the victim shall have 15 days to seek appellate review before the advocate is required to testify at an ex parte in camera proceeding.

The prosecuting attorney, the victim, and the advocate's attorney shall be allowed to be present at the ex parte in camera proceeding. If, after conducting the ex parte in camera proceeding, the court determines that due process requires any testimony regarding confidential or privileged information or communications, the court shall provide to

New matter indicated by italics- deletions by strikeout
the prosecuting attorney, the victim, and the advocate's attorney a written memorandum on the substance of the advocate's testimony. The prosecuting attorney, the victim, and the advocate's attorney shall have 15 days to seek appellate review before a subpoena may be issued for the advocate to testify at trial. The presence of the prosecuting attorney at the ex parte in camera proceeding does not make the substance of the advocate's testimony that the court has ruled inadmissible subject to discovery.

(B) If a victim has asserted the right to have a support person present at the court proceedings, the victim shall provide the name of the person the victim has chosen to be the victim's support person to the prosecuting attorney, within 60 days of trial. The prosecuting attorney shall provide the name to the defendant. If the defendant intends to call the support person as a witness at trial, the defendant must seek permission of the court before a subpoena is issued. The defendant must file a written motion at least 45 days prior to trial that sets forth specifically the issues on which the support person will testify and an offer of proof regarding: (i) the content of the anticipated testimony of the support person; and (ii) the relevance, admissibility, and materiality of the anticipated testimony.

If the prosecuting attorney intends to call the support person as a witness during the State's case-in-chief, the prosecuting attorney shall inform the court of this intent in the response to the defendant's written motion. The victim may choose a different person to be the victim's support person. The court may allow the defendant to inquire about matters outside the scope of the direct examination during cross-examination.

If the court allows the defendant to do so, the support person shall be allowed to remain in the courtroom after the support person has testified. A defendant who fails to question the support person about matters outside the scope of direct examination during the State's case-in-chief waives the right to challenge the presence of the support person on appeal. The court shall allow the support person

New matter indicated by italics- deletions by strikeout
to testify if called as a witness in the defendant's case-in-chief or the State's rebuttal.

If the court does not allow the defendant to inquire about matters outside the scope of the direct examination, the support person shall be allowed to remain in the courtroom after the support person has been called by the defendant or the defendant has rested. The court shall allow the support person to testify in the State's rebuttal.

If the prosecuting attorney does not intend to call the support person in the State's case-in-chief, the court shall verify with the support person whether the support person, if called as a witness, would testify as set forth in the offer of proof. If the court finds that the support person would testify as set forth in the offer of proof, the court shall rule on the relevance, materiality, and admissibility of the anticipated testimony. If the court rules the anticipated testimony is admissible, the court shall issue the subpoena. The support person may remain in the courtroom after the support person testifies and shall be allowed to testify in rebuttal.

If the court excludes the victim's support person during the State's case-in-chief, the victim shall be allowed to choose another support person to be present in court.

If the victim fails to designate a support person within 60 days of trial and the defendant has subpoenaed the support person to testify at trial, the court may exclude the support person from the trial until the support person testifies. If the court excludes the support person the victim may choose another person as a support person.

(9) Right to notice and hearing before disclosure of confidential or privileged information or records. A defendant who seeks to subpoena records of or concerning the victim that are confidential or privileged by law must seek permission of the court before the subpoena is issued. The defendant must file a written motion and an offer of proof regarding the relevance, admissibility and materiality of the records. If the court finds by a preponderance of the evidence that: (A) the records are not protected by an absolute privilege and (B) the records contain relevant, admissible, and material evidence that is not available through other witnesses

New matter indicated by italics- deletions by strikeout
or evidence, the court shall issue a subpoena requiring a sealed copy of the records be delivered to the court to be reviewed in camera. If, after conducting an in camera review of the records, the court determines that due process requires disclosure of any portion of the records, the court shall provide copies of what it intends to disclose to the prosecuting attorney and the victim. The prosecuting attorney and the victim shall have 30 days to seek appellate review before the records are disclosed to the defendant. The disclosure of copies of any portion of the records to the prosecuting attorney does not make the records subject to discovery.

(10) Right to notice of court proceedings. If the victim is not present at a court proceeding in which a right of the victim is at issue, the court shall ask the prosecuting attorney whether the victim was notified of the time, place, and purpose of the court proceeding and that the victim had a right to be heard at the court proceeding. If the court determines that timely notice was not given or that the victim was not adequately informed of the nature of the court proceeding, the court shall not rule on any substantive issues, accept a plea, or impose a sentence and shall continue the hearing for the time necessary to notify the victim of the time, place and nature of the court proceeding. The time between court proceedings shall not be attributable to the State under Section 103-5 of the Code of Criminal Procedure of 1963.

(11) Right to timely disposition of the case. A victim has the right to timely disposition of the case so as to minimize the stress, cost, and inconvenience resulting from the victim's involvement in the case. Before ruling on a motion to continue trial or other court proceeding, the court shall inquire into the circumstances for the request for the delay and, if the victim has provided written notice of the assertion of the right to a timely disposition, and whether the victim objects to the delay. If the victim objects, the prosecutor shall inform the court of the victim's objections. If the prosecutor has not conferred with the victim about the continuance, the prosecutor shall inform the court of the attempts to confer. If the court finds the attempts of the prosecutor to confer with the victim were inadequate to protect the victim's right to be heard, the court shall give the prosecutor at least 3 but not more than 5 business days to confer with the victim. In ruling

New matter indicated by italics- deletions by strikeout
on a motion to continue, the court shall consider the reasons for the requested continuance, the number and length of continuances that have been granted, the victim's objections and procedures to avoid further delays. If a continuance is granted over the victim's objection, the court shall specify on the record the reasons for the continuance and the procedures that have been or will be taken to avoid further delays.

(12) Right to Restitution.

(A) If the victim has asserted the right to restitution and the amount of restitution is known at the time of sentencing, the court shall enter the judgment of restitution at the time of sentencing.

(B) If the victim has asserted the right to restitution and the amount of restitution is not known at the time of sentencing, the prosecutor shall, within 5 days after sentencing, notify the victim what information and documentation related to restitution is needed and that the information and documentation must be provided to the prosecutor within 45 days after sentencing. Failure to timely provide information and documentation related to restitution shall be deemed a waiver of the right to restitution. The prosecutor shall file and serve within 60 days after sentencing a proposed judgment for restitution and a notice that includes information concerning the identity of any victims or other persons seeking restitution, whether any victim or other person expressly declines restitution, the nature and amount of any damages together with any supporting documentation, a restitution amount recommendation, and the names of any co-defendants and their case numbers. Within 30 days after receipt of the proposed judgment for restitution, the defendant shall file any objection to the proposed judgment, a statement of grounds for the objection, and a financial statement. If the defendant does not file an objection, the court may enter the judgment for restitution without further proceedings. If the defendant files an objection and either party requests a hearing, the court shall schedule a hearing.

(13) Access to presentence reports.

New matter indicated by italics- deletions by strikeout
(A) The victim may request a copy of the presentence report prepared under the Unified Code of Corrections from the State's Attorney. The State's Attorney shall redact the following information before providing a copy of the report:

(i) the defendant's mental history and condition;

(ii) any evaluation prepared under subsection (b) or (b-5) of Section 5-3-2; and

(iii) the name, address, phone number, and other personal information about any other victim.

(B) The State's Attorney or the defendant may request the court redact other information in the report that may endanger the safety of any person.

(C) The State's Attorney may orally disclose to the victim any of the information that has been redacted if there is a reasonable likelihood that the information will be stated in court at the sentencing.

(D) The State's Attorney must advise the victim that the victim must maintain the confidentiality of the report and other information. Any dissemination of the report or information that was not stated at a court proceeding constitutes indirect criminal contempt of court.

(14) Appellate relief. If the trial court denies the relief requested, the victim, the victim's attorney, or the prosecuting attorney may file an appeal within 30 days of the trial court's ruling. The trial or appellate court may stay the court proceedings if the court finds that a stay would not violate a constitutional right of the defendant. If the appellate court denies the relief sought, the reasons for the denial shall be clearly stated in a written opinion. In any appeal in a criminal case, the State may assert as error the court's denial of any crime victim's right in the proceeding to which the appeal relates.

(15) Limitation on appellate relief. In no case shall an appellate court provide a new trial to remedy the violation of a victim's right.

(16) The right to be reasonably protected from the accused throughout the criminal justice process and the right to have the safety of the victim and the victim's family considered in denying

or fixing the amount of bail, determining whether to release the defendant, and setting conditions of release after arrest and conviction. A victim of domestic violence, a sexual offense, or stalking may request the entry of a protective order under Article 112A of the Code of Criminal Procedure of 1963.

(d) Procedures after the imposition of sentence.

(1) The Prisoner Review Board shall inform a victim or any other concerned citizen, upon written request, of the prisoner's release on parole, mandatory supervised release, electronic detention, work release, international transfer or exchange, or by the custodian, other than the Department of Juvenile Justice, of the discharge of any individual who was adjudicated a delinquent for a crime from State custody and by the sheriff of the appropriate county of any such person's final discharge from county custody. The Prisoner Review Board, upon written request, shall provide to a victim or any other concerned citizen a recent photograph of any person convicted of a felony, upon his or her release from custody. The Prisoner Review Board, upon written request, shall inform a victim or any other concerned citizen when feasible at least 7 days prior to the prisoner's release on furlough of the times and dates of such furlough. Upon written request by the victim or any other concerned citizen, the State's Attorney shall notify the person once of the times and dates of release of a prisoner sentenced to periodic imprisonment. Notification shall be based on the most recent information as to victim's or other concerned citizen's residence or other location available to the notifying authority.

(2) When the defendant has been committed to the Department of Human Services pursuant to Section 5-2-4 or any other provision of the Unified Code of Corrections, the victim may request to be notified by the releasing authority of the approval by the court of an on-grounds pass, a supervised off-grounds pass, an unsupervised off-grounds pass, or conditional release; the release on an off-grounds pass; the return from an off-grounds pass; transfer to another facility; conditional release; escape; death; or final discharge from State custody. The Department of Human Services shall establish and maintain a statewide telephone number to be used by victims to make notification requests under these provisions and shall publicize this telephone number on its website and to the State's Attorney of each county.

(3) In the event of an escape from State custody, the Department of Corrections or the Department of Juvenile Justice immediately shall notify the Prisoner Review Board of the escape and the Prisoner Review Board shall notify the victim. The notification shall be based upon the most recent information as to the victim's residence or other location available to the Board. When no such information is available, the Board shall make all reasonable efforts to obtain the information and make the notification. When the escapee is apprehended, the Department of Corrections or the Department of Juvenile Justice immediately shall notify the Prisoner Review Board and the Board shall notify the victim.

(4) The victim of the crime for which the prisoner has been sentenced has the right to register with the Prisoner Review Board's victim registry. Victims registered with the Board shall receive reasonable written notice not less than 30 days prior to the parole hearing or target aftercare release date. Sec. 3-3-9. Violations; changes of conditions; preliminary hearing; revocation of parole or mandatory supervised release; revocation hearing.

(a) If prior to expiration or termination of the term of parole or mandatory supervised release, a person violates a condition set by the Prisoner Review Board or a condition of parole or mandatory supervised release under Section 3-3-7 of this Code to govern that term, the Board may:

(1) continue the existing term, with or without modifying or enlarging the conditions; or
(2) parole or release the person to a half-way house; or
(3) revoke the parole or mandatory supervised release and reconfine the person for a term computed in the following manner:

(i) (A) For those sentenced under the law in effect prior to this amendatory Act of 1977, the recommitment shall be for any portion of the imposed maximum term of imprisonment or confinement which had not been served at the time of parole and the parole term, less the time elapsed between the parole of the person and the commission of the violation for which parole was revoked;

New matter indicated by italics- deletions by strikeout
(B) Except as set forth in paragraph (C), for those subject to mandatory supervised release under paragraph (d) of Section 5-8-1 of this Code, the recommitment shall be for the total mandatory supervised release term, less the time elapsed between the release of the person and the commission of the violation for which mandatory supervised release is revoked. The Board may also order that a prisoner serve up to one year of the sentence imposed by the court which was not served due to the accumulation of sentence credit;

(C) For those subject to sex offender supervision under clause (d)(4) of Section 5-8-1 of this Code, the reconfinement period for violations of clauses (a)(3) through (b-1)(15) of Section 3-3-7 shall not exceed 2 years from the date of reconfinement;

(ii) the person shall be given credit against the term of reimprisonment or reconfinement for time spent in custody since he or she was paroled or released which has not been credited against another sentence or period of confinement;

(iii) (blank);

(iv) this Section is subject to the release under supervision and the reparole and rerelease provisions of Section 3-3-10.

(b) The Board may revoke parole or mandatory supervised release for violation of a condition for the duration of the term and for any further period which is reasonably necessary for the adjudication of matters arising before its expiration. The issuance of a warrant of arrest for an alleged violation of the conditions of parole or mandatory supervised release shall toll the running of the term until the final determination of the charge. When parole or mandatory supervised release is not revoked that period shall be credited to the term, unless a community-based sanction is imposed as an alternative to revocation and reincarceration, including a diversion established by the Illinois Department of Corrections Parole Services Unit prior to the holding of a preliminary parole revocation hearing. Parolees who are diverted to a community-based sanction shall serve the entire term of parole or mandatory supervised release, if otherwise appropriate.
(b-5) The Board shall revoke parole or mandatory supervised release for violation of the conditions prescribed in paragraph (7.6) of subsection (a) of Section 3-3-7.

(c) A person charged with violating a condition of parole or mandatory supervised release shall have a preliminary hearing before a hearing officer designated by the Board to determine if there is cause to hold the person for a revocation hearing. However, no preliminary hearing need be held when revocation is based upon new criminal charges and a court finds probable cause on the new criminal charges or when the revocation is based upon a new criminal conviction and a certified copy of that conviction is available.

(d) Parole or mandatory supervised release shall not be revoked without written notice to the offender setting forth the violation of parole or mandatory supervised release charged against him or her.

(e) A hearing on revocation shall be conducted before at least one member of the Prisoner Review Board. The Board may meet and order its actions in panels of 3 or more members. The action of a majority of the panel shall be the action of the Board. A record of the hearing shall be made. At the hearing the offender shall be permitted to:

1. appear and answer the charge; and
2. bring witnesses on his or her behalf.

(f) The Board shall either revoke parole or mandatory supervised release or order the person's term continued with or without modification or enlargement of the conditions.

(g) Parole or mandatory supervised release shall not be revoked for failure to make payments under the conditions of parole or release unless the Board determines that such failure is due to the offender's willful refusal to pay.

Sec. 5-4.5-115 5-4.5-110. Parole review of persons under the age of 21 at the time of the commission of an offense.
(a) For purposes of this Section, "victim" means a victim of a violent crime as defined in subsection (a) of Section 3 of the Rights of Crime Victims and Witnesses Act including a witness as defined in subsection (b) of Section 3 of the Rights of Crime Victims and Witnesses Act; any person legally related to the victim by blood, marriage, adoption, or guardianship; any friend of the victim; or any concerned citizen.
(b) A person under 21 years of age at the time of the commission of an offense or offenses, other than first degree murder, and who is not serving a sentence for first degree murder and who is sentenced on or after June 1, 2019 (the effective date of Public Act 100-1182) shall be eligible for parole review by the Prisoner Review Board after serving 10 years or more of his or her sentence or sentences, except for those serving a sentence or sentences for: (1) aggravated criminal sexual assault who shall be eligible for parole review by the Prisoner Review Board after serving 20 years or more of his or her sentence or sentences or (2) predatory criminal sexual assault of a child who shall not be eligible for parole review by the Prisoner Review Board under this Section. A person under 21 years of age at the time of the commission of first degree murder who is sentenced on or after June 1, 2019 (the effective date of Public Act 100-1182) shall be eligible for parole review by the Prisoner Review Board after serving 20 years or more of his or her sentence or sentences, except for those subject to a term of natural life imprisonment under Section 5-8-1 of this Code or any person subject to sentencing under subsection (c) of Section 5-4.5-105 of this Code.
(c) Three years prior to becoming eligible for parole review, the eligible person may file his or her petition for parole review with the Prisoner Review Board. The petition shall include a copy of the order of commitment and sentence to the Department of Corrections for the offense or offenses for which review is sought. Within 30 days of receipt of this...
petition, the Prisoner Review Board shall determine whether the petition is appropriately filed, and if so, shall set a date for parole review 3 years from receipt of the petition and notify the Department of Corrections within 10 business days. If the Prisoner Review Board determines that the petition is not appropriately filed, it shall notify the petitioner in writing, including a basis for its determination.

(d) Within 6 months of the Prisoner Review Board's determination that the petition was appropriately filed, a representative from the Department of Corrections shall meet with the eligible person and provide the inmate information about the parole hearing process and personalized recommendations for the inmate regarding his or her work assignments, rehabilitative programs, and institutional behavior. Following this meeting, the eligible person has 7 calendar days to file a written request to the representative from the Department of Corrections who met with the eligible person of any additional programs and services which the eligible person believes should be made available to prepare the eligible person for return to the community.

(e) One year prior to the person being eligible for parole, counsel shall be appointed by the Prisoner Review Board upon a finding of indigency. The eligible person may waive appointed counsel or retain his or her own counsel at his or her own expense.

(f) Nine months prior to the hearing, the Prisoner Review Board shall provide the eligible person, and his or her counsel, any written documents or materials it will be considering in making its decision unless the written documents or materials are specifically found to: (1) include information which, if disclosed, would damage the therapeutic relationship between the inmate and a mental health professional; (2) subject any person to the actual risk of physical harm; (3) threaten the safety or security of the Department or an institution. In accordance with Section 4.5(d)(4) of the Rights of Crime Victims and Witnesses Act and Section 1035 of the Open Parole Hearings Act, victim impact statements provided to the Board shall be confidential and privileged, including any statements received prior to the effective date of this amendatory Act of the 101st General Assembly, except if the statement was an oral statement made by the victim at a hearing open to the public. Victim statements either oral, written, video-taped, tape recorded or made by other electronic means shall not be considered public documents under the provisions of the Freedom of Information Act. The inmate or his or her attorney shall not be given a copy of the statement, but shall be informed of the existence of a

victim impact statement and the position taken by the victim on the inmate's request for parole. This shall not be construed to permit disclosure to an inmate of any information which might result in the risk of threats or physical harm to a victim. The Prisoner Review Board shall have an ongoing duty to provide the eligible person, and his or her counsel, with any further documents or materials that come into its possession prior to the hearing subject to the limitations contained in this subsection.

(g) Not less than 12 months prior to the hearing, the Prisoner Review Board shall provide notification to the State's Attorney of the county from which the person was committed and written notification to the victim or family of the victim of the scheduled hearing place, date, and approximate time. The written notification shall contain: (1) information about their right to be present, appear in person at the parole hearing, and their right to make an oral statement and submit information in writing, by videotape, tape recording, or other electronic means; (2) a toll-free number to call for further information about the parole review process; and (3) information regarding available resources, including trauma-informed therapy, they may access. If the Board does not have knowledge of the current address of the victim or family of the victim, it shall notify the State's Attorney of the county of commitment and request assistance in locating the victim or family of the victim. Those victims or family of the victims who advise the Board in writing that they no longer wish to be notified shall not receive future notices. A victim shall have the right to submit information by videotape, tape recording, or other electronic means. The victim may submit this material prior to or at the parole hearing. The victim also has the right to be heard at the parole hearing.

(h) The hearing conducted by the Prisoner Review Board shall be governed by Sections 15 and 20, subsection (f) of Section 5, subsections (a), (a-5), (b), (b-5), and (c) of Section 10, and subsection (d) of Section 25, and subsections (a), (b), and (c) of Section 35 of the Open Parole Hearings Act and Part 1610 of Title 20 of the Illinois Administrative Code. The eligible person has a right to be present at the Prisoner Review Board hearing, unless the Prisoner Review Board determines the eligible person's presence is unduly burdensome when conducting a hearing under paragraph (6.6) of subsection (a) of Section 3-3-2 of this Code. If a psychological evaluation is submitted for the Prisoner Review Board's consideration, it shall be prepared by a person who has expertise in adolescent brain development and behavior, and shall

take into consideration the diminished culpability of youthful offenders, the hallmark features of youth, and any subsequent growth and increased maturity of the person. At the hearing, the eligible person shall have the right to make a statement on his or her own behalf.

(i) Only upon motion for good cause shall the date for the Prisoner Review Board hearing, as set by subsection (b) of this Section, be changed. No less than 15 days prior to the hearing, the Prisoner Review Board shall notify the victim or victim representative, the attorney, and the eligible person of the exact date and time of the hearing. All hearings shall be open to the public.

(j) The Prisoner Review Board shall not parole the eligible person if it determines that:

(1) there is a substantial risk that the eligible person will not conform to reasonable conditions of parole or aftercare release; or
(2) the eligible person's release at that time would deprecate the seriousness of his or her offense or promote disrespect for the law; or
(3) the eligible person's release would have a substantially adverse effect on institutional discipline.

In considering the factors affecting the release determination under 20 Ill. Adm. Code 1610.50(b), the Prisoner Review Board panel shall consider the diminished culpability of youthful offenders, the hallmark features of youth, and any subsequent growth and maturity of the youthful offender during incarceration.

(k) Unless denied parole under subsection (j) of this Section and subject to the provisions of Section 3-3-9 of this Code: (1) the eligible person serving a sentence for any non-first degree murder offense or offenses, shall be released on parole which shall operate to discharge any remaining term of years sentence imposed upon him or her, notwithstanding any required mandatory supervised release period the eligible person is required to serve; and (2) the eligible person serving a sentence for any first degree murder offense, shall be released on mandatory supervised release for a period of 10 years subject to Section 3-3-8, which shall operate to discharge any remaining term of years sentence imposed upon him or her, however in no event shall the eligible person serve a period of mandatory supervised release greater than the aggregate of the discharged underlying sentence and the mandatory supervised release period as sent forth in Section 5-4.5-20.
(l) If the Prisoner Review Board denies parole after conducting the hearing under subsection (j) of this Section, it shall issue a written decision which states the rationale for denial, including the primary factors considered. This decision shall be provided to the eligible person and his or her counsel within 30 days.

(m) A person denied parole under subsection (j) of this Section, who is not serving a sentence for either first degree murder or aggravated criminal sexual assault, shall be eligible for a second parole review by the Prisoner Review Board 5 years after the written decision under subsection (l) of this Section; a person denied parole under subsection (j) of this Section, who is serving a sentence or sentences for first degree murder or aggravated criminal sexual assault shall be eligible for a second and final parole review by the Prisoner Review Board 10 years after the written decision under subsection (k) of this Section. The procedures for a second parole review shall be governed by subsections (c) through (k) of this Section.

(n) A person denied parole under subsection (m) of this Section, who is not serving a sentence for either first degree murder or aggravated criminal sexual assault, shall be eligible for a third and final parole review by the Prisoner Review Board 5 years after the written decision under subsection (l) of this Section. The procedures for the third and final parole review shall be governed by subsections (c) through (k) of this Section.

(o) Notwithstanding anything else to the contrary in this Section, nothing in this Section shall be construed to delay parole or mandatory supervised release consideration for petitioners who are or will be eligible for release earlier than this Section provides. Nothing in this Section shall be construed as a limit, substitution, or bar on a person's right to sentencing relief, or any other manner of relief, obtained by order of a court in proceedings other than as provided in this Section.

Section 5. The School Code is amended by changing Section 10-22.20 as follows:

(105 ILCS 5/10-22.20) (from Ch. 122, par. 10-22.20)

Sec. 10-22.20. Classes for adults and youths whose schooling has been interrupted; conditions for State reimbursement; use of child care facilities.

(a) To establish special classes for the instruction (1) of persons of age 21 years or over and (2) of persons less than age 21 and not otherwise in attendance in public school, for the purpose of providing adults in the community and youths whose schooling has been interrupted with such additional basic education, vocational skill training, and other instruction as may be necessary to increase their qualifications for employment or other means of self-support and their ability to meet their responsibilities as citizens, including courses of instruction regularly accepted for graduation from elementary or high schools and for Americanization and high school equivalency testing review classes.

The board shall pay the necessary expenses of such classes out of school funds of the district, including costs of student transportation and such facilities or provision for child-care as may be necessary in the judgment of the board to permit maximum utilization of the courses by students with children, and other special needs of the students directly related to such instruction. The expenses thus incurred shall be subject to State reimbursement, as provided in Section 2-12.5 of the Public Community College Act this Section. The board may make a tuition charge for persons taking instruction who are not subject to State reimbursement, such tuition charge not to exceed the per capita cost of such classes.

In the approval of programs and the determination of the cost of instruction, the Illinois Community College Board shall provide for the maximum utilization of federal funds for such programs. The Illinois Community College Board shall also provide for:

1. For adult basic education, the maximum reimbursement per credit hour or per unit of instruction shall be equal to (i) through fiscal year 2017, the general state aid per pupil foundation level established in subsection (B) of Section 18-8.05, divided by 60, or (ii) in fiscal year 2018 and thereafter, the prior fiscal year reimbursement level multiplied by the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor;

2. The maximum reimbursement per credit hour or per unit of instruction in subparagraph (1) above shall be weighted for students enrolled in classes defined as vocational skills and approved by the Illinois Community College Board by 1.25;

If the amount appropriated to the Illinois Community College Board for reimbursement under this Section is less than the amount required under this Act, the apportionment shall be proportionately reduced.

It may make the facilities available before and after as well as during regular school hours to school age and preschool age children who may benefit thereby, including children who require care and supervision pending the return of their parent or other person in charge of their care from employment or other activity requiring absence from the home.

The Illinois Community College Board shall pay to the board the cost of care in the facilities for any child who is a recipient of financial aid under the Illinois Public Aid Code.

The board may charge for care of children for whom it cannot make claim under the provisions of this Section. The charge shall not exceed per capita cost, and to the extent feasible, shall be fixed at a level which will permit utilization by employed parents of low or moderate income. It may also permit any other State or local governmental agency or private agency providing care for children to purchase care.

New matter indicated by italics- deletions by strikeout
(b-5) In this subsection (b-5), "virtual-schooling" means a cyber school where students engage in online curriculum and instruction via the Internet and electronic communication with their teachers at remote locations and with students participating at different times.

From April 1, 2013 through December 31, 2016, there is a moratorium on the establishment of charter schools with virtual-schooling components in school districts other than a school district organized under Article 34 of this Code. This moratorium does not apply to a charter school with virtual-schooling components existing or approved prior to April 1, 2013 or to the renewal of the charter of a charter school with virtual-schooling components already approved prior to April 1, 2013.

On or before March 1, 2014, the Commission shall submit to the General Assembly a report on the effect of virtual-schooling, including without limitation the effect on student performance, the costs associated with virtual-schooling, and issues with oversight. The report shall include policy recommendations for virtual-schooling.

(c) A charter school shall be administered and governed by its board of directors or other governing body in the manner provided in its charter. The governing body of a charter school shall be subject to the Freedom of Information Act and the Open Meetings Act. In each subsequent year of his or her term, a voting member of a charter school's board of directors or other governing body shall complete a minimum of 2 hours of professional development leadership training to ensure that each member has sufficient familiarity with the board's or governing body's role and responsibilities, including financial oversight and accountability of the school, evaluating the principal's and school's performance, adherence to the Freedom of Information Act and the Open Meetings Acts, and compliance with education and labor law.
development training in these same areas. The training under this subsection may be provided or certified by a statewide charter school membership association or may be provided or certified by other qualified providers approved by the State Board of Education.

"Non-curricular health and safety requirement" does not include any course of study or specialized instructional requirement for which the State Board has established goals and learning standards or which is designed primarily to impart knowledge and skills for students to master and apply as an outcome of their education.

A charter school shall comply with all non-curricular health and safety requirements applicable to public schools under the laws of the State of Illinois. On or before September 1, 2015, the State Board shall promulgate and post on its Internet website a list of non-curricular health and safety requirements that a charter school must meet. The list shall be updated annually no later than September 1. Any charter contract between a charter school and its authorizer must contain a provision that requires the charter school to follow the list of all non-curricular health and safety requirements promulgated by the State Board and any non-curricular health and safety requirements added by the State Board to such list during the term of the charter. Nothing in this subsection (d) precludes an authorizer from including non-curricular health and safety requirements in a charter school contract that are not contained in the list promulgated by the State Board, including non-curricular health and safety requirements of the authorizing local school board.

(e) Except as otherwise provided in the School Code, a charter school shall not charge tuition; provided that a charter school may charge reasonable fees for textbooks, instructional materials, and student activities.

(f) A charter school shall be responsible for the management and operation of its fiscal affairs including, but not limited to, the preparation of its budget. An audit of each charter school's finances shall be conducted annually by an outside, independent contractor retained by the charter school. To ensure financial accountability for the use of public funds, on or before December 1 of every year of operation, each charter school shall
submit to its authorizer and the State Board a copy of its audit and a copy of the Form 990 the charter school filed that year with the federal Internal Revenue Service. In addition, if deemed necessary for proper financial oversight of the charter school, an authorizer may require quarterly financial statements from each charter school.

(g) A charter school shall comply with all provisions of this Article, the Illinois Educational Labor Relations Act, all federal and State laws and rules applicable to public schools that pertain to special education and the instruction of English learners, and its charter. A charter school is exempt from all other State laws and regulations in this Code governing public schools and local school board policies; however, a charter school is not exempt from the following:

The change made by Public Act 96-104 to this subsection (g) is declaratory of existing law.

(h) A charter school may negotiate and contract with a school district, the governing body of a State college or university or public community college, or any other public or for-profit or nonprofit private entity for: (i) the use of a school building and grounds or any other real property or facilities that the charter school desires to use or convert for use as a charter school site, (ii) the operation and maintenance thereof; and (iii) the provision of any service, activity, or undertaking that the charter school is required to perform in order to carry out the terms of its charter. However, a charter school that is established on or after April 16, 2003 (the effective date of Public Act 93-3) and that operates in a city having a population exceeding 500,000 may not contract with a for-profit entity to manage or operate the school during the period that commences on April 16, 2003 (the effective date of Public Act 93-3) and concludes at the end of the 2004-2005 school year. Except as provided in subsection (i) of this Section, a school district may charge a charter school reasonable rent for the use of the district's buildings, grounds, and facilities. (i) In no event shall a charter school that is established by converting an existing school or attendance center to charter school status be required to pay rent for space that is deemed available, as negotiated and provided in the charter agreement, in school district facilities. However, all other costs for the operation and maintenance of school district facilities that are used by the charter school shall be subject to negotiation between the charter school and the local school board and shall be set forth in the charter.

(j) A charter school may limit student enrollment by age or grade level.

(k) If the charter school is approved by the Commission, then the Commission charter school is its own local education agency.

Section 1. Short title. This Act may be cited as the Limited Worker Cooperative Association Act.

Section 5. Findings. The General Assembly finds and declares all of the following:

(1) the cooperative form of doing business provides an efficient and effective method for persons to transact business, offer, and obtain goods and services, and it is in the best interests of the people of the State of Illinois to promote, foster, and encourage the utilization of cooperatives in appropriate instances;

(2) the Co-operative Act and Agricultural Co-Operative Act have provided for the promotion, fostering, and encouragement of consumer and producer cooperatives; have made distribution of agricultural products between producer and consumer more efficient; have stabilized the marketing of agricultural products; and have provided for the organization and incorporation of cooperative corporations, all as contemplated at the time of the original adoption;

(3) it is in the best interests of the people of the State of Illinois to preserve the provisions of the Co-operative Act as it has been in force and interpreted in the State and to continue the provisions thereof for agriculture, but also to expand the provisions of Illinois cooperative law to provide greater direction and flexibility in its provisions and to enable all types of industries and enterprises to avail themselves of the benefits of the cooperative form of doing business in accordance with the provisions of this Act;

(a) A limited cooperative association must be organized by one or more organizers. Organizers need not be members or worker-members of the worker cooperative.
(b) To form a limited cooperative association, one or more organizers of the association shall deliver or cause to be delivered articles to the Secretary of State for filing.

Section 30. Organization of limited cooperative association.
(a) After a limited cooperative association is formed:
   (1) if initial directors are named in the articles, the initial directors shall hold an organizational meeting to adopt initial bylaws and carry on any other business necessary or proper to complete the organization of the association; or
   (2) if initial directors are not named in the articles, the organizers shall designate the initial directors and call a meeting of the initial directors to adopt initial bylaws and carry on any other business necessary or proper to complete the organization of the association.

(h) A limited cooperative association shall notify each member of the time, date, and place of a members' meeting at least 10 and not more than 60 days before the meeting; except that, if the notice is of a meeting of the members in one or more districts or classes of members, the notice shall be given only to members in those districts or classes.

   (1) one member, one vote;
   (2) if a member is a cooperative, the number of its members; or
   (3) on the basis of use or patronage unless the cooperative has elected to be a worker cooperative.

(b) If the articles or bylaws allocate voting power on the basis of use or patronage and a member would be denied a vote because the member did not use the limited cooperative association or conduct patronage with it during the period on which the allocation of voting power is determined, the articles or bylaws must provide that the member shall nevertheless be allocated a vote equal to at least the minimum voting power allocated to members who used the association or conducted patronage with it during the period.

(c) The articles or bylaws may provide for the allocation of member voting power by districts or class or any combination thereof.

(d) Community investors are not entitled to vote unless the articles or bylaws provide otherwise.

(e) At no time shall the members have less than a majority of the voting power of the limited cooperative association.

(c) An individual is not an agent for a limited cooperative association solely by being a director.

(d) A debt, obligation, or other liability of a limited cooperative association is solely that of the association and is not a debt, obligation, or liability of a director solely by reason of being a director. An individual is not personally liable, directly or indirectly, for an obligation of an association solely by reason of being a director.

(e) Directors shall be elected for terms determined by the bylaws by a majority vote of the assembly.

An individual is not personally liable, directly or indirectly, for an obligation of an association solely by reason of being a voting member.

Section 60. Dissolution. A limited cooperative association may be dissolved only by either (1) a two-thirds vote of the assembly, or (2) a vote of the assembly of a supermajority threshold stated in the bylaws that is more than two-thirds. The vote shall be in accordance with Section 55, and upon dissolution its business and activities must be wound up in the manner provided under the Limited Liability Company Act for a limited liability company.

Section 65. Conversion. A limited cooperative association may convert into any form of entity permitted if the board of directors of the limited cooperative association adopts a plan of conversion and the assembly adopts such a plan by a two-thirds majority vote.

In the Chicago and St. Louis switching districts, every railroad dispatcher or other person responsible for the movement of railroad equipment in a specific area who receives notification that railroad equipment is obstructing the movement of an emergency vehicle at any crossing within such area shall immediately notify the train crew through use of existing communication facilities. Upon notification, the train crew shall take immediate action in accordance with this paragraph.

(2) Other operational requirements.

(a) Bell and whistle-crossings. Every rail carrier shall cause a bell, and a whistle or horn to be placed and kept on each locomotive, and shall cause the same to be rung or sounded by the engineer or fireman, at the distance of at least 1,320 feet, from the place where the railroad crosses or intersects any public highway, and shall be kept ringing or sounding until the highway is reached; provided that at crossings where the Commission shall by order direct, only after a hearing has been held to determine the public is reasonably and sufficiently protected, the rail carrier may be excused from giving warning provided by this paragraph.

(a-5) The requirements of paragraph (a) of this subsection (2) regarding ringing a bell and sounding a whistle or horn do not apply at a railroad crossing that has a permanently installed automated audible warning device authorized by the Commission under Section 18c-7402.1 that sounds automatically when an approaching train is at least 1,320 feet from the crossing and that keeps sounding until the lead locomotive has crossed the highway. The engineer or fireman may ring the bell or sound the whistle or
horn at a railroad crossing that has a permanently installed audible warning device.

(b) Speed limits. Each rail carrier shall operate its trains in compliance with speed limits set by the Commission. The Commission may set train speed limits only where such limits are necessitated by extraordinary circumstances affecting the public safety, and shall maintain such train speed limits in effect only for such time as the extraordinary circumstances prevail.

The Commission and the Department of Transportation shall conduct a study of the relation between train speeds and railroad-highway grade crossing safety. The Commission shall report the findings of the study to the General Assembly no later than January 5, 1997.

(c) Special speed limit; pilot project. The Commission and the Board of the Commuter Rail Division of the Regional Transportation Authority shall conduct a pilot project in the Village of Fox River Grove, the site of the fatal school bus accident at a railroad crossing on October 25, 1995, in order to improve railroad crossing safety. For this project, the Commission is directed to set the maximum train speed limit for Regional Transportation Authority trains at 50 miles per hour at intersections on that portion of the intrastate rail line located in the Village of Fox River Grove. If the Regional Transportation Authority deliberately fails to comply with this maximum speed limit, then any entity, governmental or otherwise, that provides capital or operational funds to the Regional Transportation Authority shall appropriately reduce or eliminate that funding. The Commission shall report to the Governor and the General Assembly on the results of this pilot project in January 1999, January 2000, and January 2001. The Commission shall also submit a final report on the pilot project to the Governor and the General Assembly in January 2001. The provisions of this subsection (c), other than this sentence, are inoperative after February 1, 2001.

(d) Freight train crew size. No rail carrier shall operate or cause to operate a train or light engine used in connection with the movement of freight unless it has an operating crew consisting of at least 2 individuals. The minimum freight train crew size indicated in this subsection (d) shall remain in effect until a federal law or rule encompassing the subject matter has been adopted.

New matter indicated by italics- deletions by strikeout
The Commission, with respect to freight train crew member size under this subsection (d), has the power to conduct evidentiary hearings, make findings, and issue and enforce orders, including sanctions under Section 18c-1704 of this Chapter. As used in this subsection (d), "train or light engine" does not include trains operated by a hostler service or utility employees.

(3) Report and investigation of rail accidents.

(a) Reports. Every rail carrier shall report to the Commission, by the speediest means possible, whether telephone, telegraph, or otherwise, every accident involving its equipment, track, or other property which resulted in loss of life to any person. In addition, such carriers shall file a written report with the Commission. Reports submitted under this paragraph shall be strictly confidential, shall be specifically prohibited from disclosure, and shall not be admissible in any administrative or judicial proceeding relating to the accidents reported.

(b) Investigations. The Commission may investigate all railroad accidents reported to it or of which it acquires knowledge independent of reports made by rail carriers, and shall have the power, consistent with standards and procedures established under the Federal Railroad Safety Act, as amended, to enter such temporary orders as will minimize the risk of future accidents pending notice, hearing, and final action by the Commission.

AN ACT concerning local government.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:
Section 5. The Counties Code is amended by changing Section 3-
5010.8 as follows:
(55 ILCS 5/3-5010.8)
(This Section may contain text from a Public Act with a delayed
effective date)
(Section scheduled to be repealed on January 1, 2022)
Sec. 3-5010.8. Mechanics lien demand and referral pilot program.
(a) Legislative findings. The General Assembly finds that expired
mechanics liens on residential property, which cloud title to property, are a
rapidly growing problem throughout the State. In order to address the
increase in expired mechanics liens and, more specifically, those that have
not been released by the lienholder, a recorder may establish a process to
demand and refer mechanics liens that have been recorded but not litigated
or released in accordance with the Mechanics Lien Act to an
administrative law judge for resolution or demand that the lienholder
commence suit or forfeit the lien.
(b) Definitions. As used in this Section:
"Demand to Commence Suit" means the written demand specified
in Section 34 of the Mechanics Lien Act.
"Mechanics lien" and "lien" are used interchangeably in this
Section.
"Notice of Expired Mechanics Lien" means the notice a recorder
gives to a property owner under subsection (d) informing the property
owner of an expired lien.
"Notice of Referral" means the document referring a mechanics
lien to a county's code hearing unit.
"Recording" and "filing" are used interchangeably in this Section.
"Referral" or "refer" means a recorder's referral of a mechanics lien
to a county's code hearing unit to obtain a determination as to whether a
recorded mechanics lien is valid.
"Residential property" means real property improved with not less
than one nor more than 4 residential dwelling units; a residential
condominium unit, including, but not limited to, the common elements

New matter indicated by italics- deletions by strikeout
allocated to the exclusive use of the condominium unit that form an integral part of the condominium unit and any parking unit or units specified by the declaration to be allocated to a specific residential condominium unit; or a single tract of agriculture real estate consisting of 40 acres or less that is improved with a single-family residence. If a declaration of condominium ownership provides for individually owned and transferable parking units, "residential property" does not include the parking unit of a specified residential condominium unit unless the parking unit is included in the legal description of the property against which the mechanics lien is recorded.

(c) Establishment of a mechanics lien demand and referral process. After a public hearing, a recorder in a county with a code hearing unit may adopt rules establishing a mechanics lien demand and referral process for residential property. A recorder shall provide public notice 90 days before the public hearing. The notice shall include a statement of the recorder's intent to create a mechanics lien demand and referral process and shall be published in a newspaper of general circulation in the county and, if feasible, be posted on the recorder's website and at the recorder's office or offices.

(d) Notice of Expired Lien. If a recorder determines, after review by legal staff or counsel, that a mechanics lien recorded in the grantor's index or the grantee's index is an expired lien, the recorder shall serve a Notice of Expired Lien by certified mail to the last known address of the owner. The owner or legal representative of the owner of the residential property shall confirm in writing his or her belief that the lien is not involved in pending litigation and, if there is no pending litigation, as verified and confirmed by county court records, the owner may request that the recorder proceed with a referral or serve a Demand to Commence Suit.

For the purposes of this Section, a recorder shall determine if a lien is an expired lien. A lien is expired if the lien is unenforced by the lienholder or a counterclaim has not been filed by the lienholder (within 2 years after the completion date of the contract as specified in the recorded mechanics lien. The 2-year period shall be increased to the extent that an automatic stay under Section 362(a) of the United States Bankruptcy Code stays a suit or counterclaim to foreclose the lien. If a work, the completion of extra or additional work, or furnishing of extra or additional material under Section 9 of the Mechanics Lien Act, if a completion date is not

specified in the recorded lien, then the work completion date shall be deemed the date of recording of the mechanics lien) and if an automatic stay under Section 362(a) of the United States Bankruptcy Code does not prohibit a suit or counterclaim to foreclose.

(e) Demand to Commence Suit. Upon receipt of an owner's confirmation that the lien is not involved in pending litigation and a request for the recorder to serve a Demand to Commence Suit, the recorder shall serve a Demand to Commence Suit on the lienholder of the expired lien as provided in Section 34 of the Mechanics Lien Act. A recorder may request that the Secretary of State assist in providing registered agent information or obtain information from the Secretary of State's registered business database when the recorder seeks to serve a Demand to Commence suit on the lienholder. Upon request, the Secretary of State, or his or her designee, shall provide the last known address or registered agent information for a lienholder who is incorporated or doing business in the State. The recorder must record a copy of the Demand to Commence suit in the grantor's index or the grantee's index identifying the mechanics lien and include the corresponding document number and the date of demand. The recorder may, at his or her discretion, notify the Secretary of State regarding a Demand to Commence suit determined to involve a company, corporation, or business registered with that office.

When the lienholder commences a suit or files an answer within 30 days or the lienholder records a release of lien with the county recorder as required by subsection (a) of Section 34 of the Mechanics Lien Act, then the demand and referral process is completed for the recorder for that property. If service under this Section is responded to consistent with Section 34 of the Mechanics Lien Act, the recorder may not proceed under subsection (f). If no response is received consistent with Section 34 of the Mechanics Lien Act, the recorder may proceed under subsection (f).

(f) Referral. Upon receipt of an owner's confirmation that the lien is not involved in pending litigation and a request for the recorder to proceed with a referral, the recorder shall: (i) file the Notice of Referral with the county's code hearing unit; (ii) identify and notify the lienholder by telephone, if available, of the referral and send a copy of the Notice of Referral by certified mail to the lienholder using information included in the recorded mechanics lien or the last known address or registered agent received from the Secretary of State or obtained from the Secretary of State's registered business database; (iii) send a copy of the Notice of Referral by mail to the physical address of the property owner associated

with the lien; and (iv) record a copy of the Notice of Referral in the
grantor's index or the grantee's index identifying the mechanics lien and
include the corresponding document number. The Notice of Referral shall
clearly identify the person, persons, or entity believed to be the owner,
assignee, successor, or beneficiary of the lien. The recorder may, at his or
her discretion, notify the Secretary of State regarding a referral determined
to involve a company, corporation, or business registered with that office.

No earlier than 30 business days after the date the lienholder is
required to respond to a Demand to Commence Suit under Section 34 of
the Mechanics Lien Act, the code hearing unit shall schedule a hearing to
occur at least 30 days after sending notice of the date of hearing. Notice of
the hearing shall be provided by the county recorder, by and through his or
her representative, to the filer, or the party represented by the filer, of the
expired lien, the legal representative of the recorder of deeds who referred
the case, and the last owner of record, as identified in the Notice of
Referral.

If the recorder shows by clear and convincing evidence that the lien
in question is an expired lien, the administrative law judge shall rule the
lien is forfeited under Section 34.5 of the Mechanics Lien Act and that the
lien no longer affects the chain of title of the property in any way. The
judgment shall be forwarded to all parties identified in this subsection.
Upon receiving judgment of a forfeited lien, the recorder shall, within 5
business days, record a copy of the judgment in the grantor's index or the
grantee's index.

If the administrative law judge finds the lien is not expired, the
recorder shall, no later than 5 business days after receiving notice of the
decision of the administrative law judge, record a copy of the judgment in
the grantor's index or the grantee's index.

A decision by an administrative law judge is reviewable under the
Administrative Review Law, and nothing in this Section precludes a
property owner or lienholder from proceeding with a civil action to resolve
questions concerning a mechanics lien.

A lienholder or property owner may remove the action from the
code hearing unit to the circuit court as provided in subsection (i).

(g) Final administrative decision. The recorder's decision to refer a
mechanics lien or serve a Demand to Commence Suit is a final
administrative decision that is subject to review under the Administrative
Review Law by the circuit court of the county where the real property is

located. The standard of review by the circuit court shall be consistent with the Administrative Review Law.

(h) Liability. A recorder and his or her employees or agents are not subject to personal liability by reason of any error or omission in the performance of any duty under this Section, except in the case of willful or wanton conduct. The recorder and his or her employees or agents are not liable for the decision to refer a lien or serve a Demand to Commence Suit, or failure to refer or serve a Demand to Commence Suit, of a lien under this Section.

(i) Private actions; use of demand and referral process. Nothing in this Section precludes a private right of action by any party with an interest in the property affected by the mechanics lien or a decision by the code hearing unit. Nothing in this Section requires a person or entity who may have a mechanics lien recorded against his or her property to use the mechanics lien demand and referral process created by this Section.

A lienholder or property owner may remove a matter in the referral process to the circuit court at any time prior to the final decision of the administrative law judge by delivering a certified notice of the suit filed in the circuit court to the administrative law judge. Upon receipt of the certified notice, the administrative law judge shall dismiss the matter without prejudice. If the matter is dismissed due to removal, then the demand and referral process is completed for the recorder for that property. If the circuit court dismisses the removed matter without deciding on whether the lien is expired and without prejudice, the recorder may reinstitute the demand and referral process under subsection (d).

(j) Repeal. This Section is repealed on January 1, 2022.

Section 5. The Illinois Drainage Code is amended by adding Section 10-7.3 as follows:

(70 ILCS 605/10-7.3 new)

(a) In addition to the other methods of dissolution provided in this Article, if one or more municipalities account for at least 75% of a drainage district's territory, the drainage district may be dissolved if each

municipality that has territory within the drainage district and the county in which the drainage district lies adopt a resolution or ordinance dissolving the drainage district that states:

(1) that there are no outstanding debts of the district that have been filed with the county clerk; and

(2) that federal or State permits or grants will not be impaired by dissolution of the district.

(b) Upon adoption of the required resolutions or ordinances under subsection (a), the county shall file a petition for dissolution of the drainage district with the circuit court. The court shall set a time for an initial hearing on the petition for dissolution with written notice to be provided to all municipalities that have territory within the drainage district and to the commissioners of the drainage district. If the court is satisfied after conducting the initial hearing that the conditions required for dissolution have been met, the court shall enter an order providing:

(1) that the commissioners of the district shall file within 60 days a final financial report of commissioners. If a final financial report of commissioners is not timely filed, the county shall file a verified statement indicating the amount of any funds held by the county treasurer belonging to the drainage district; and

(2) that the commissioners of the district shall file a report within 60 days to the court listing all property of the district, both real and personal, including the title to any drains, levees, rights-of-way, or other works upon which the district's drainage system is located. Should the commissioners of the drainage district fail to file a report listing all property, the county shall file its own report based on information available to the county and from public records.

(c) After all reports have been filed, the court shall set a hearing to determine and enter requested transfer orders and enter an order dissolving the drainage district.

(d) On the date of dissolution of the district, all drains, levees, and other works constituting the drainage system of the district and the rights-of-way, if any, on which the same are situated shall be deemed to be for the mutual benefit of the lands formerly in the district as provided in Section 10-11. Additional powers of the former district, except those in Article V, shall be exercised by the respective municipalities where the various parts of the former district are located and by the county for any areas contained in the former district outside of municipalities. Any

property owned by the former district becomes property of the county to be used for the benefit of the drainage system of the former district unless the county, by resolution, gives it to one or more of the municipalities that will be exercising the powers of the former district.

(e) If the former district had levied an assessment that is still effective on the date of dissolution, then the county and municipality in which the drainage district lies has the authority to continue to collect, receive, and expend the proceeds of the assessment within the boundaries of the former drainage district, in a proportionate share to the area of the dissolved drainage district contained within the county or municipality, and the proceeds shall be expended or disposed of by the county or municipality in the same manner as the proceeds may have been expended or disposed by the former drainage district. No later than 60 days after the date of dissolution, the county board or city council shall, by ordinance or resolution:

(1) reduce the assessment to an amount necessary to continue operation of the former drainage district's drainage structures and drainage system until the levy expires; or

(2) eliminate the assessment if the county board or city council determines the municipality or municipalities and county have sufficient revenue to operate the drainage structures and drainage system within each respective unit's boundaries.

(f) No later than 60 days after the date of dissolution of the district, the county shall notify the Illinois Environmental Protection Agency of the dissolution of the district.

(g) If (1) the former drainage district is located in a county with a county stormwater committee operating under Section 5-1062 of the Counties Code, (2) the municipalities accounting for at least 75% of the territory of the former drainage district agree that the county stormwater committee shall exercise the powers of the former drainage district within the municipalities and county for the drainage system of the former drainage district, and (3) delegation of authority to the county stormwater committee is included in the resolution or ordinance to dissolve the drainage district by each municipality and county accounting for at least 75% of the territory of the former drainage district, then the county shall have the authority to continue to levy the former drainage district assessment in the territory of the former drainage district to be used by the county stormwater committee for the benefit of the former drainage district's drainage system. Funds from this levy shall be budgeted and

appropriated separate from the county stormwater committee's other operations. If resolutions or ordinances are adopted as provided in this subsection, the former drainage district levy shall not expire and, if extended, the county shall not exceed the rate of the last assessment of the former drainage district.

(h) This Section only applies to drainage districts: (1) wholly or partially contained within the Lake Michigan Watershed, Chicago/Calumet Watershed, Des Plaines River Watershed, or Fox River Watershed; and (2) wholly contained within a county with a stormwater management planning committee operating under Section 5-1062 of the Counties Code.

Sec. 8. Rabies inoculation.

(a) Every owner of a dog 4 months or more of age shall have each dog inoculated against rabies by a licensed veterinarian. Every dog shall have a second rabies vaccination within one year of the first. Terms of subsequent vaccine administration and duration of immunity must be in compliance with USDA licenses of vaccines used.

(b) Every owner of a cat that is a companion animal and is 4 months or more of age shall have each cat inoculated against rabies by a licensed veterinarian. Every cat that is a companion animal shall have a second rabies vaccination within one year of the first. Terms of subsequent vaccine administration and duration of immunity must be in compliance with USDA licenses of vaccines used. This subsection (b) does not apply to feral cats; however, if a feral cat is presented to a licensed veterinarian for sterilization, the feral cat shall be inoculated against rabies, unless the person presenting the feral cat for care provides an inoculation certificate.
showing that the feral cat has been inoculated against rabies, and the cost of the inoculation shall be paid by the person presenting the feral cat to a licensed veterinarian for care.

(c) A veterinarian immunizing a dog, cat, or ferret against rabies shall provide the Administrator of the county in which the dog, cat, or ferret resides with a certificate of immunization. Evidence of such rabies inoculation shall be entered on a certificate the form of which shall be approved by the Board and which shall contain the microchip number of the dog, cat, or ferret if it has one and which shall be signed by the licensed veterinarian administering the vaccine. Only one dog, cat, or ferret shall be included on each certificate.

(d) Veterinarians who inoculate a dog shall procure from the County Animal Control in the county where their office is located serially numbered tags, one to be issued with each inoculation certificate. The Board shall cause a rabies inoculation tag to be issued, at a fee established by the Board for each dog inoculated against rabies.

(e) A veterinarian who inoculates a cat that is a companion animal shall issue an inoculation certificate to the owner which shall comply with any registration requirements adopted by the county under Section 3 of this Act. The owner shall pay any fee imposed by the county under Section 3 of this Act. A veterinarian who inoculates a feral cat shall issue an inoculation certificate to the person who presented the feral cat for veterinary care. The registration requirements or any fee imposed by the county under Section 3 of this Act shall not apply to feral cats.

(f) Rabies vaccine for use on animals shall be sold or distributed only to and used only by licensed veterinarians. Such rabies vaccine shall be licensed by the United States Department of Agriculture.

(g) If a licensed veterinarian determines in writing that a rabies inoculation would compromise an animal's health, then the animal shall be exempt from the rabies inoculation requirement, however, the owner is still responsible for the tag fees.

(h) If a bite occurs from an exempt animal, the exempt animal shall be treated as an unvaccinated animal. If the animal is exempt, the animal shall be re-examined by a licensed veterinarian on no less than an annual basis and be vaccinated against rabies as soon as the animal's health permits.

**PUBLIC ACT 101-0300**  
(Senate Bill No. 0172)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The University of Illinois Trustees Act is amended by changing Section 1 as follows:

(110 ILCS 310/1) (from Ch. 144, par. 41)

Sec. 1. The Board of Trustees of the University of Illinois shall consist of the Governor and at least 12 trustees. Nine trustees shall be appointed by the Governor, by and with the advice and consent of the Senate. The other trustees shall be students, of whom one student shall be selected from each University campus.

Each student trustee shall serve a term of one year, beginning on July 1 or on the date of his or her selection, whichever is later, and expiring on the next succeeding June 30.

Each trustee shall have all of the privileges of membership, except that only one student trustee shall have the right to cast a legally binding vote. The Governor shall designate which one of the student trustees shall possess, for his or her entire term, the right to cast a legally binding vote. Each student trustee who does not possess the right to cast a legally binding vote shall have the right to cast an advisory vote and the right to make and second motions and to attend executive sessions.

Each trustee shall be governed by the same conflict of interest standards. Pursuant to those standards, it shall not be a conflict of interest for a student trustee to vote on matters pertaining to students generally, such as tuition and fees. However, it shall be a conflict of interest for a student trustee to vote on faculty member tenure or promotion. For the purposes of this Section, a student member shall not be deemed to have a direct conflict of interest in and may vote on any item involving the employment or compensation of the Chancellor at any campus or the President of the University or the election of officers. Student trustees shall be chosen by campus-wide student election, and the student trustee designated by the Governor to possess a legally binding vote shall be one of the students selected by this method. A student trustee who does not possess a legally binding vote on a measure at a meeting of the Board or
any of its committees shall not be considered a trustee for the purpose of determining whether a quorum is present at the time that measure is voted upon. To be eligible for selection as a student trustee and to be eligible to remain as a voting or nonvoting student trustee, a student trustee must be a resident of this State, must have and maintain a grade point average that is equivalent to at least 2.5 on a 4.0 scale, and must be a full time student enrolled at all times during his or her term of office except for that part of the term which follows the completion of the last full regular semester of an academic year and precedes the first full regular semester of the succeeding academic year at the University (sometimes commonly referred to as the summer session or summer school). If a voting or nonvoting student trustee fails to continue to meet or maintain the residency, minimum grade point average, or enrollment requirement established by this Section, his or her membership on the Board shall be deemed to have terminated by operation of law. The University may not use residency for tuition purposes as a factor in making the determination that a student is or is not a resident of this State. In order to determine residency for a student trustee, the student must provide evidence of the student's Illinois domicile for at least the previous 6 months and at least one of the following: The following factors shall positively demonstrate residency in this State for the purposes of the residency requirement for student trustees and candidates for student trustee:

1. evidence of the student's Illinois domicile for at least the previous 6 months;
   1. (2) evidence of the student's current, valid Illinois driver's license or Illinois Identification Card; or and
   2. (3) evidence of the student's valid Illinois voter registration.

Evidence of a positive demonstration of residency in this State for student trustees and candidates for student trustees under this Section does not apply to residency requirements for tuition purposes.

If a voting student trustee resigns or otherwise ceases to serve on the Board, the Governor shall, within 30 days, designate one of the remaining student trustees to possess the right to cast a legally binding vote for the remainder of his or her term. If a nonvoting student trustee resigns or otherwise ceases to serve on the Board, the chief executive of the student government from that campus shall, within 30 days, select a new nonvoting student trustee to serve for the remainder of the term.

New matter indicated by italics- deletions by strikeout
No more than 5 of the 9 appointed trustees shall be affiliated with the same political party. Each trustee appointed by the Governor must be a resident of this State. A failure to meet or maintain this residency requirement constitutes a resignation from and creates a vacancy in the Board. The term of office of each appointed trustee shall be 6 years from the third Monday in January of each odd numbered year. The regular terms of office of the appointed trustees shall be staggered so that 3 terms expire in each odd-numbered year.

Vacancies for appointed trustees shall be filled for the unexpired term in the same manner as original appointments. If a vacancy in membership occurs at a time when the Senate is not in session, the Governor shall make temporary appointments until the next meeting of the Senate, when he shall appoint persons to fill such memberships for the remainder of their respective terms. If the Senate is not in session when appointments for a full term are made, appointments shall be made as in the case of vacancies.

No action of the board shall be invalidated by reason of any vacancies on the board, or by reason of any failure to select student trustees.

(b) Notwithstanding any other law, it is unlawful for a manufacturer to import for profit, sell, or offer for sale in this State any cosmetic, if the cosmetic was developed or manufactured using an animal test that was conducted or contracted by the manufacturer, or any supplier of the manufacturer, on or after January 1, 2020. (c) The prohibitions in subsection (b) do not apply to the following: (1) An animal test of any cosmetic that is required by a federal or State regulatory authority, if each of the following apply: (A) an ingredient is in wide use and cannot be replaced by another ingredient capable of performing a similar function; (B) a specific human health problem is substantiated and the need to conduct animal tests is justified and supported by a detailed research protocol proposed as the basis for the evaluation; and (C) there is not a nonanimal alternative method accepted for the relevant endpoint by the relevant federal or State regulatory authority. (2) An animal test that was conducted to comply with a requirement of a foreign regulatory authority, if no evidence derived from the test was relied upon to substantiate the safety of the cosmetic being sold in Illinois by the manufacturer.

(3) An animal test that was conducted on any product or ingredient subject to the requirements of Subchapter V of the Federal Food, Drug, and Cosmetic Act.

(4) An animal test that was conducted for noncosmetic purposes in response to a requirement of a federal, State, or foreign regulatory authority, if no evidence derived from the test was relied upon to substantiate the safety of the cosmetic sold in Illinois by the manufacturer. A manufacturer is not prohibited from reviewing, assessing, or retaining evidence from an animal test conducted under this paragraph.

(d) A violation of this Section shall be punishable by an initial civil penalty of $5,000 for the first day of each violation and an additional civil penalty of $1,000 for each day the violation continues.

(e) A violation of this Section may be enforced by the State's Attorney of the county in which the violation occurred. The civil penalty shall be paid to the entity that is authorized to bring the action.

(f) A State's Attorney may, upon a determination that there is a reasonable likelihood of a violation of this Section, review the testing data upon which a cosmetic manufacturer has relied in the development or manufacturing of the relevant cosmetic product sold in this State. Information provided under this Section shall be protected as a trade secret as defined in Section 2 of the Illinois Trade Secrets Act. In an action under this Section, a court shall preserve the secrecy of an alleged trade secret by reasonable means, which may include granting protective orders in connection with discovery proceedings, holding in-camera hearings, sealing the records of the action, and ordering any person involved in the litigation not to disclose an alleged trade secret without prior court approval. Consistent with the procedures described in this subsection, a State's Attorney shall enter a protective order with a manufacturer before receipt of information from a manufacturer under this Section, and shall take other appropriate measures necessary to preserve the confidentiality of information provided under this Section.

(g) This Section does not apply to animal testing conducted on an ingredient or cosmetic in its final form if the testing took place prior to the effective date of this amendatory Act of the 101st General Assembly.

(h) Notwithstanding any other provision of this Section, cosmetic inventory in violation of this Section may be sold for a period of 180 days.

(i) A home rule unit may not regulate the testing of cosmetics on animals in a manner inconsistent with the regulation by the State of the
testing of cosmetics on animals under this Section. This subsection is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

PUBLIC ACT 101-0304
(Senate Bill No. 0246)

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Park District Code is amended by changing Section 8-1 as follows:

(70 ILCS 1205/8-1) (from Ch. 105, par. 8-1)

Sec. 8-1. General corporate powers. Every park district shall, from the time of its organization, be a body corporate and politic by the name set forth in the petition for its organization, the specific name set forth in this Code, or the name it may adopt under Section 8-9 and shall have and exercise the following powers:

(a) To adopt a corporate seal and alter the same at pleasure; to sue and be sued; and to contract in furtherance of any of its corporate purposes.

(b)(1) To acquire by gift, legacy, grant or purchase, or by condemnation in the manner provided for the exercise of the power of eminent domain under the Eminent Domain Act, any and all real estate, or rights therein necessary for building, laying out, extending, adorning and maintaining any such parks, boulevards and driveways, or for effecting any of the powers or purposes granted under this Code as its board may deem proper, whether such lands be located within or without such district; but no park district, except as provided in paragraph (2) of this subsection, shall have any power of condemnation in the manner provided for the exercise of the power of eminent domain under the Eminent Domain Act or otherwise as to any real estate, lands, riparian rights

New matter indicated by italics- deletions by strikeout
or estate, or other property situated outside of such district, but shall only have power to acquire the same by gift, legacy, grant or purchase, and such district shall have the same control of and power over lands so acquired without the district as over parks, boulevards and driveways within such district.

(2) In addition to the powers granted in paragraph (1) of subsection (b), a park district located in more than one county, the majority of its territory located in a county over 450,000 in population and none of its territory located in a county over 1,000,000 in population, shall have condemnation power in the manner provided for the exercise of the power of eminent domain under the Eminent Domain Act or as otherwise granted by law as to any and all real estate situated up to one mile outside of such district which is not within the boundaries of another park district.

(c) To acquire by gift, legacy or purchase any personal property necessary for its corporate purposes provided that all contracts for supplies, materials or work involving an expenditure in excess of $25,000, or a lower amount if required by board policy, shall be let to the lowest responsible bidder after due advertisement. No district shall be required to accept a bid that does not meet the district's established specifications, terms of delivery, quality, and serviceability requirements. Contracts which, by their nature, are not adapted to award by competitive bidding, such as contracts for the services of individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part, contracts for the printing of finance committee reports and departmental reports, contracts for the printing or engraving of bonds, tax warrants and other evidences of indebtedness, contracts for utility services such as water, light, heat, telephone or telegraph, contracts for fuel (such as diesel, gasoline, oil, aviation, or propane), lubricants, or other petroleum products, contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and interconnect equipment, software, or services, contracts for duplicating machines and supplies, contracts for goods or services procured from another governmental agency, purchases of equipment previously owned by some entity other than the district itself, and contracts for the purchase of magazines, books, periodicals, pamphlets and reports

are not subject to competitive bidding. Contracts for emergency expenditures are also exempt from competitive bidding when the emergency expenditure is approved by 3/4 of the members of the board.

All competitive bids for contracts involving an expenditure in excess of $25,000, or a lower amount if required by board policy, must be sealed by the bidder and must be opened by a member or employee of the park board at a public bid opening at which the contents of the bids must be announced. Each bidder must receive at least 3 days notice of the time and place of the bid opening.

For purposes of this subsection, "due advertisement" includes, but is not limited to, at least one public notice at least 10 days before the bid date in a newspaper published in the district or, if no newspaper is published in the district, in a newspaper of general circulation in the area of the district.

(d) To pass all necessary ordinances, rules and regulations for the proper management and conduct of the business of the board and district and to establish by ordinance all needful rules and regulations for the government and protection of parks, boulevards and driveways and other property under its jurisdiction, and to effect the objects for which such districts are formed.

(e) To prescribe such fines and penalties for the violation of ordinances as it shall deem proper not exceeding $1,000 for any one offense, which fines and penalties may be recovered by an action in the name of such district in the circuit court for the county in which such violation occurred. The park district may also seek in the action, in addition to or instead of fines and penalties, an order that the offender be required to make restitution for damage resulting from violations, and the court shall grant such relief where appropriate. The procedure in such actions shall be the same as that provided by law for like actions for the violation of ordinances in cities organized under the general laws of this State, and offenders may be imprisoned for non-payment of fines and costs in the same manner as in such cities. All fines when collected shall be paid into the treasury of such district.

(f) To manage and control all officers and property of such districts and to provide for joint ownership with one or more cities, villages or incorporated towns of real and personal property used

New matter indicated by italics- deletions by strikeout
for park purposes by one or more park districts. In case of joint
ownership, the terms of the agreement shall be fair, just and
 equitable to all parties and shall be set forth in a written agreement
 entered into by the corporate authorities of each participating
district, city, village or incorporated town.

(g) To secure grants and loans, or either, from the United
States Government, or any agency or agencies thereof, for
financing the acquisition or purchase of any and all real estate, or
rights therein, or for effecting any of the powers or purposes
granted under this Code as its Board may deem proper.

(h) To establish fees for the use of facilities and recreational
programs of the districts and to derive revenue from non-resident
fees from their operations. Fees charged non-residents of such
district need not be the same as fees charged to residents of the
district. Charging fees or deriving revenue from the facilities and
recreational programs shall not affect the right to assert or utilize
any defense or immunity, common law or statutory, available to the
districts or their employees.

(i) To make contracts for a term exceeding one year, but not
to exceed 3 years, notwithstanding any provision of this Code to
the contrary, relating to: (1) the employment of a park director,
superintendent, administrator, engineer, health officer, land
planner, finance director, attorney, police chief, or other officer
who requires technical training or knowledge; (2) the employment
of outside professional consultants such as engineers, doctors, land
planners, auditors, attorneys, or other professional consultants who
require technical training or knowledge; (3) the provision of data
processing equipment and services; and (4) the purchase of energy
from a utility or an alternative retail electric supplier. With respect
to any contract made under this subsection (i), the corporate
authorities shall include in the annual appropriation ordinance for
each fiscal year an appropriation of a sum of money sufficient to
pay the amount which, by the terms of the contract, is to become
due and payable during that fiscal year.

(j) To enter into licensing or management agreements with
not-for-profit corporations organized under the laws of this State to
operate park district facilities if the corporation covenants to use
the facilities to provide public park or recreational programs for
youth.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Critical Health Problems and Comprehensive Health Education Act is amended by changing Section 3 as follows:

Sec. 3. Comprehensive Health Education Program. The program established under this Act shall include, but not be limited to, the following major educational areas as a basis for curricula in all elementary and secondary schools in this State: human ecology and health, human growth and development, the emotional, psychological, physiological, hygienic and social responsibilities of family life, including sexual abstinence until marriage, prevention and control of disease, including instruction in grades 6 through 12 on the prevention, transmission and spread of AIDS, age-appropriate sexual abuse and assault awareness and prevention education in grades pre-kindergarten through 12, public and environmental health, consumer health, safety education and disaster survival, mental health and illness, personal health habits, alcohol, drug use, and abuse including the medical and legal ramifications of alcohol, drug, and tobacco use, abuse during pregnancy, evidence-based and medically accurate information regarding sexual abstinence, tobacco, nutrition, and dental health. The instruction on mental health and illness must evaluate the multiple dimensions of health by reviewing the relationship between physical and mental health so as to enhance student understanding, attitudes, and behaviors that promote health, well-being, and human dignity. The program shall also provide course material and instruction to advise pupils of the Abandoned Newborn Infant Protection Act. The program shall include information about cancer, including
without limitation types of cancer, signs and symptoms, risk factors, the importance of early prevention and detection, and information on where to go for help. Notwithstanding the above educational areas, the following areas may also be included as a basis for curricula in all elementary and secondary schools in this State: basic first aid (including, but not limited to, cardiopulmonary resuscitation and the Heimlich maneuver), heart disease, diabetes, stroke, the prevention of child abuse, neglect, and suicide, and teen dating violence in grades 7 through 12. Beginning with the 2014-2015 school year, training on how to properly administer cardiopulmonary resuscitation (which training must be in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized certifying organization) and how to use an automated external defibrillator shall be included as a basis for curricula in all secondary schools in this State.

The school board of each public elementary and secondary school in the State shall encourage all teachers and other school personnel to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques, including without limitation the Heimlich maneuver and rescue breathing. The training shall be in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized certifying organization. A school board may use the services of non-governmental entities whose personnel have expertise in life-saving techniques to instruct teachers and other school personnel in these techniques. Each school board is encouraged to have in its employ, or on its volunteer staff, at least one person who is certified, by the American Red Cross or by another qualified certifying agency, as qualified to administer first aid and cardiopulmonary resuscitation. In addition, each school board is authorized to allocate appropriate portions of its institute or inservice days to conduct training programs for teachers and other school personnel who have expressed an interest in becoming qualified to administer emergency first aid or cardiopulmonary resuscitation. School boards are urged to encourage their teachers and other school personnel who coach school athletic programs and other extracurricular school activities to acquire, develop, and maintain the knowledge and skills necessary to properly administer first aid and cardiopulmonary resuscitation in accordance with standards and requirements established by the American Red Cross or another qualified certifying agency. Subject to appropriation, the State Board of Education shall establish and administer a matching grant program to pay for half of
the cost that a school district incurs in training those teachers and other school personnel who express an interest in becoming qualified to administer cardiopulmonary resuscitation (which training must be in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized certifying organization) or in learning how to use an automated external defibrillator. A school district that applies for a grant must demonstrate that it has funds to pay half of the cost of the training for which matching grant money is sought. The State Board of Education shall award the grants on a first-come, first-serve basis.

No pupil shall be required to take or participate in any class or course on AIDS or family life instruction or to receive training on how to properly administer cardiopulmonary resuscitation or how to use an automated external defibrillator if his or her parent or guardian submits written objection thereto, and refusal to take or participate in the course or program or the training shall not be reason for suspension or expulsion of the pupil.

Curricula developed under programs established in accordance with this Act in the major educational area of alcohol and drug use and abuse shall include classroom instruction in grades 5 through 12. The instruction, which shall include matters relating to both the physical and legal effects and ramifications of drug and substance abuse, shall be integrated into existing curricula; and the State Board of Education shall develop and make available to all elementary and secondary schools in this State instructional materials and guidelines which will assist the schools in incorporating the instruction into their existing curricula. In addition, school districts may offer, as part of existing curricula during the school day or as part of an after school program, support services and instruction for pupils or pupils whose parent, parents, or guardians are chemically dependent.

(20 ILCS 2630/5.2)

Sec. 5.2. Expungement, sealing, and immediate sealing.

(a) General Provisions.

(1) Definitions. In this Act, words and phrases have the meanings set forth in this subsection, except when a particular context clearly requires a different meaning.

(A) The following terms shall have the meanings ascribed to them in the Unified Code of Corrections, 730 ILCS 5/5-1-2 through 5/5-1-22:

   (i) Business Offense (730 ILCS 5/5-1-2),
   (ii) Charge (730 ILCS 5/5-1-3),

   (v) Felony (730 ILCS 5/5-1-9),
   (vi) Imprisonment (730 ILCS 5/5-1-10),
   (vii) Judgment (730 ILCS 5/5-1-12),
   (viii) Misdemeanor (730 ILCS 5/5-1-14),
   (ix) Offense (730 ILCS 5/5-1-15),
   (x) Parole (730 ILCS 5/5-1-16),
   (xi) Petty Offense (730 ILCS 5/5-1-17),
   (xii) Probation (730 ILCS 5/5-1-18),

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by 730 ILCS 5/5-1-3) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally

constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.

(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois

Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.

(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act and Section 10 of the Steroid Control Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent
solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section. A sentence is terminated notwithstanding any outstanding financial legal obligation.

(2) Minor Traffic Offenses. Orders of supervision or convictions for minor traffic offenses shall not affect a petitioner's eligibility to expunge or seal records pursuant to this Section.

(2.5) Commencing 180 days after July 29, 2016 (the effective date of Public Act 99-697), the law enforcement agency issuing the citation shall automatically expunge, on or before January 1 and July 1 of each year, the law enforcement records of a person found to have committed a civil law violation of subsection (a) of Section 4 of the Cannabis Control Act or subsection (c) of Section 3.5 of the Drug Paraphernalia Control Act in the law enforcement agency's possession or control and which contains the final satisfactory disposition which pertain to the person issued a citation for that offense. The law enforcement agency shall provide by rule the process for access, review, and to confirm the automatic expungement by the law enforcement agency issuing the citation. Commencing 180 days after July 29, 2016 (the effective date of Public Act 99-697), the clerk of the circuit court shall expunge, upon order of the court, or in the absence of a court order on or before January 1 and July 1 of each year, the court records of a person found in the circuit court to have committed a civil law violation of subsection (a) of Section 4 of the Cannabis Control Act or subsection (c) of Section 3.5 of the Drug Paraphernalia Control Act in the clerk's possession or control and which contains the final satisfactory disposition which pertain to the person issued a citation for any of those offenses.

(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), (b)(8), (e), (e-5), and (e-6) of this Section, the court shall not order:

offense committed against a minor; (ii) Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; or (iii) Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, unless the arrest or charge is for a misdemeanor violation of subsection (a) of Section 11-503 or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a)(1)(G)), unless the petitioner was arrested and released without charging.

(C) the sealing of the records of arrests or charges not initiated by arrest which result in an order of supervision or a conviction for the following offenses:

(i) offenses included in Article 11 of the Criminal Code of 1961 or the Criminal Code of 2012 or a similar provision of a local ordinance, except Section 11-14 and a misdemeanor violation of Section 11-30 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(1.5) When a petitioner seeks to have a record of arrest expunged under this Section, and the offender has been convicted of a criminal offense, the State's Attorney may object to the expungement on the grounds that the records contain specific relevant information aside from the mere fact of the arrest.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 11-1.50, 12-3.2, or 12-15 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(i-5) Those arrests or charges that resulted in orders of supervision for a misdemeanor violation of subsection (a) of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not be eligible for expungement until the petitioner has reached the age of 25 years.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.

(3) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his or her name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the

aggrieved's name. The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court that finds the petitioner factually innocent of the charge shall enter an expungement order for the conviction for which the petitioner has been determined to be innocent as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961 or the Criminal Code of 2012,

Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act, or Section 10 of the Steroid Control Act.

(8) If the petitioner has been granted a certificate of innocence under Section 2-702 of the Code of Civil Procedure, the court that grants the certificate of innocence shall also enter an order expunging the conviction for which the petitioner has been determined to be innocent as provided in subsection (h) of Section 2-702 of the Code of Civil Procedure.

(c) Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults. Subsection (g) of this Section provides for immediate sealing of certain records.

(2) Eligible Records. The following records may be sealed:

(A) All arrests resulting in release without charging;

(B) Arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, except as excluded by subsection (a)(3)(B);

(C) Arrests or charges not initiated by arrest resulting in orders of supervision, including orders of supervision for municipal ordinance violations, successfully completed by the petitioner, unless excluded by subsection (a)(3);

(D) Arrests or charges not initiated by arrest resulting in convictions, including convictions on municipal ordinance violations, unless excluded by subsection (a)(3);

(E) Arrests or charges not initiated by arrest resulting in orders of first offender probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, or Section 5-6-3.3 of the Unified Code of Corrections; and

New matter indicated by italics- deletions by strikeout
(F) Arrests or charges not initiated by arrest resulting in felony convictions unless otherwise excluded by subsection (a) paragraph (3) of this Section.

(3) When Records Are Eligible to Be Sealed. Records identified as eligible under subsection (c)(2) may be sealed as follows:

(A) Records identified as eligible under subsection (c)(2)(A) and (c)(2)(B) may be sealed at any time.

(B) Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsection (c)(2)(C) may be sealed 2 years after the termination of petitioner's last sentence (as defined in subsection (a)(1)(F)).

(C) Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsections (c)(2)(D), (c)(2)(E), and (c)(2)(F) may be sealed 3 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)). Convictions requiring public registration under the Arsonist Registration Act, the Sex Offender Registration Act, or the Murderer and Violent Offender Against Youth Registration Act may not be sealed until the petitioner is no longer required to register under that relevant Act.

(D) Records identified in subsection (a)(3)(A)(iii) may be sealed after the petitioner has reached the age of 25 years.

(E) Records identified as eligible under subsections (c)(2)(C), (c)(2)(D), (c)(2)(E), or (c)(2)(F) may be sealed upon termination of the petitioner's last sentence if the petitioner earned a high school diploma, associate's degree, career certificate, vocational technical certification, or bachelor's degree, or passed the high school level Test of General Educational Development, during the period of his or her sentence, aftercare release, or mandatory supervised release. This subparagraph shall apply only to a petitioner who has not completed the same educational goal prior to the period of his or her sentence, aftercare release, or mandatory supervised release. If a petition for sealing eligible records filed under this subparagraph is denied by
the court, the time periods under subparagraph (B) or (C) shall apply to any subsequent petition for sealing filed by the petitioner.

(4) Subsequent felony convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (c) if he or she is convicted of any felony offense after the date of the sealing of prior felony convictions as provided in this subsection (c). The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.

(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

(d) Procedure. The following procedures apply to expungement under subsections (b), (e), and (e-6) and sealing under subsections (c) and (e-5):

(1) Filing the petition. Upon becoming eligible to petition for the expungement or sealing of records under this Section, the petitioner shall file a petition requesting the expungement or sealing of records with the clerk of the court where the arrests occurred or the charges were brought, or both. If arrests occurred or charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, except no fee shall be required if the petitioner has obtained a court order waiving fees under Supreme Court Rule 298 or it is otherwise waived.

(1.5) County fee waiver pilot program. From the effective date of this amendatory Act of the 101st General Assembly through December 31, 2020, in a county of 3,000,000 or more inhabitants, no fee shall be required to be paid by a petitioner if the records sought to be expunged or sealed were arrests resulting in release without charging or arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, unless excluded by subsection (a)(3)(B). The provisions of this paragraph (1.5), other than this sentence, are inoperative on and after January 1, 2019.

(2) Contents of petition. The petition shall be verified and shall contain the petitioner's name, date of birth, current address, New matter indicated by italics- deletions by strikeout
and, for each arrest or charge not initiated by arrest sought to be sealed or expunged, the case number, the date of arrest (if any), the identity of the arresting authority, and such other information as the court may require. During the pendency of the proceeding, the petitioner shall promptly notify the circuit court clerk of any change of his or her address. If the petitioner has received a certificate of eligibility for sealing from the Prisoner Review Board under paragraph (10) of subsection (a) of Section 3-3-2 of the Unified Code of Corrections, the certificate shall be attached to the petition.

(3) Drug test. The petitioner must attach to the petition proof that the petitioner has passed a test taken within 30 days before the filing of the petition showing the absence within his or her body of all illegal substances as defined by the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, and the Cannabis Control Act if he or she is petitioning to:

(A) seal felony records under clause (c)(2)(E);
(B) seal felony records for a violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act under clause (c)(2)(F);
(C) seal felony records under subsection (e-5); or
(D) expunge felony records of a qualified probation under clause (b)(1)(iv).

(4) Service of petition. The circuit court clerk shall promptly serve a copy of the petition and documentation to support the petition under subsection (e-5) or (e-6) on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest.

(5) Objections.

(A) Any party entitled to notice of the petition may file an objection to the petition. All objections shall be in writing, shall be filed with the circuit court clerk, and shall state with specificity the basis of the objection. Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, an objection to the petition may not be filed.

New matter indicated by italics- deletions by strikeout
(B) Objections to a petition to expunge or seal must be filed within 60 days of the date of service of the petition. 

(6) Entry of order.

(A) The Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, if any, shall rule on the petition to expunge or seal as set forth in this subsection (d)(6).

(B) Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency, or the chief legal officer files an objection to the petition to expunge or seal within 60 days from the date of service of the petition, the court shall enter an order granting or denying the petition.

(C) Notwithstanding any other provision of law, the court shall not deny a petition for sealing under this Section because the petitioner has not satisfied an outstanding legal financial obligation established, imposed, or originated by a court, law enforcement agency, or a municipal, State, county, or other unit of local government, including, but not limited to, any cost, assessment, fine, or fee. An outstanding legal financial obligation does not include any court ordered restitution to a victim under Section 5-5-6 of the Unified Code of Corrections, unless the restitution has been converted to a civil judgment. Nothing in this subparagraph (C) waives, rescinds, or abrogates a legal financial obligation or otherwise eliminates or affects the right of the holder of any financial obligation to pursue collection under applicable federal, State, or local law.

(7) Hearings. If an objection is filed, the court shall set a date for a hearing and notify the petitioner and all parties entitled to notice of the petition of the hearing date at least 30 days prior to the hearing. Prior to the hearing, the State's Attorney shall consult with the Department as to the appropriateness of the relief sought in the petition to expunge or seal. At the hearing, the court shall hear evidence on whether the petition should or should not be granted, and shall grant or deny the petition to expunge or seal the
records based on the evidence presented at the hearing. The court may consider the following:

(A) the strength of the evidence supporting the defendant's conviction;

(B) the reasons for retention of the conviction records by the State;

(C) the petitioner's age, criminal record history, and employment history;

(D) the period of time between the petitioner's arrest on the charge resulting in the conviction and the filing of the petition under this Section; and

(E) the specific adverse consequences the petitioner may be subject to if the petition is denied.

(8) Service of order. After entering an order to expunge or seal records, the court must provide copies of the order to the Department, in a form and manner prescribed by the Department, to the petitioner, to the State's Attorney or prosecutor charged with the duty of prosecuting the offense, to the arresting agency, to the chief legal officer of the unit of local government effecting the arrest, and to such other criminal justice agencies as may be ordered by the court.

(9) Implementation of order.

(A) Upon entry of an order to expunge records pursuant to (b)(2)(A) or (b)(2)(B)(ii), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency, the Department, and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order; and

(iii) in response to an inquiry for expunged records, the court, the Department, or the agency receiving such inquiry, shall reply as it does in response to inquiries when no records ever existed.

(B) Upon entry of an order to expunge records pursuant to (b)(2)(B)(i) or (b)(2)(C), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Department within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for such records from anyone not authorized by law to access such records, the court, the Department, or the agency
receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(B-5) Upon entry of an order to expunge records under subsection (e-6):

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Department within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for these records from anyone not authorized by law to access the records, the court, the Department, or the agency receiving the inquiry shall reply as it does in response to inquiries when no records ever existed.

(C) Upon entry of an order to seal records under subsection (c), the arresting agency, any other agency as

ordered by the court, the Department, and the court shall seal the records (as defined in subsection (a)(1)(K)). In response to an inquiry for such records, from anyone not authorized by law to access such records, the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(D) The Department shall send written notice to the petitioner of its compliance with each order to expunge or seal records within 60 days of the date of service of that order or, if a motion to vacate, modify, or reconsider is filed, within 60 days of service of the order resolving the motion, if that order requires the Department to expunge or seal records. In the event of an appeal from the circuit court order, the Department shall send written notice to the petitioner of its compliance with an Appellate Court or Supreme Court judgment to expunge or seal records within 60 days of the issuance of the court's mandate. The notice is not required while any motion to vacate, modify, or reconsider, or any appeal or petition for discretionary appellate review, is pending.

(E) Upon motion, the court may order that a sealed judgment or other court record necessary to demonstrate the amount of any legal financial obligation due and owing be made available for the limited purpose of collecting any legal financial obligations owed by the petitioner that were established, imposed, or originated in the criminal proceeding for which those records have been sealed. The records made available under this subparagraph (E) shall not be entered into the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act and shall be immediately re-impounded upon the collection of the outstanding financial obligations.

(F) Notwithstanding any other provision of this Section, a circuit court clerk may access a sealed record for the limited purpose of collecting payment for any legal financial obligations that were established, imposed, or originated in the criminal proceedings for which those records have been sealed.

(10) Fees. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the petition to seal or expunge, the circuit court clerk shall deposit $10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. The circuit court clerk shall collect and forward the Department of State Police portion of the fee to the Department and it shall be deposited in the State Police Services Fund. If the record brought under an expungement petition was previously sealed under this Section, the fee for the expungement petition for that same record shall be waived.

(11) Final Order. No court order issued under the expungement or sealing provisions of this Section shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to notice of the petition.

(12) Motion to Vacate, Modify, or Reconsider. Under Section 2-1203 of the Code of Civil Procedure, the petitioner or any party entitled to notice may file a motion to vacate, modify, or reconsider the order granting or denying the petition to expunge or seal within 60 days of service of the order. If filed more than 60 days after service of the order, a petition to vacate, modify, or reconsider shall comply with subsection (c) of Section 2-1401 of the Code of Civil Procedure. Upon filing of a motion to vacate, modify, or reconsider, notice of the motion shall be served upon the petitioner and all parties entitled to notice of the petition.

(13) Effect of Order. An order granting a petition under the expungement or sealing provisions of this Section shall not be considered void because it fails to comply with the provisions of this Section or because of any error asserted in a motion to vacate, modify, or reconsider. The circuit court retains jurisdiction to determine whether the order is voidable and to vacate, modify, or reconsider its terms based on a motion filed under paragraph (12) of this subsection (d).

(14) Compliance with Order Granting Petition to Seal Records. Unless a court has entered a stay of an order granting a petition to seal, all parties entitled to notice of the petition must fully comply with the terms of the order within 60 days of service of the order even if a party is seeking relief from the order through a motion filed under paragraph (12) of this subsection (d) or is appealing the order.

(15) Compliance with Order Granting Petition to Expunge Records. While a party is seeking relief from the order granting the petition to expunge through a motion filed under paragraph (12) of this subsection (d) or is appealing the order, and unless a court has entered a stay of that order, the parties entitled to notice of the petition must seal, but need not expunge, the records until there is a final order on the motion for relief or, in the case of an appeal, the issuance of that court's mandate.

(16) The changes to this subsection (d) made by Public Act 98-163 apply to all petitions pending on August 5, 2013 (the effective date of Public Act 98-163) and to all orders ruling on a petition to expunge or seal on or after August 5, 2013 (the effective date of Public Act 98-163).

(e) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the

Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was pardoned.

(e-5) Whenever a person who has been convicted of an offense is granted a certificate of eligibility for sealing by the Prisoner Review Board which specifically authorizes sealing, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, have a court order entered sealing the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the petitioner obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been granted the certificate but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by this Act or to the arresting authority, a law enforcement agency, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of sealing, the circuit court clerk shall promptly mail a copy of the order to the person who was granted the certificate of eligibility for sealing.

(e-6) Whenever a person who has been convicted of an offense is granted a certificate of eligibility for expungement by the Prisoner Review Board which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the petitioner obliterated from the official index requested

to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been granted the certificate but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by this Act or to the arresting authority, a law enforcement agency, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all expunged records of the Department pertaining to that individual. Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was granted the certificate of eligibility for expungement.

(f) Subject to available funding, the Illinois Department of Corrections shall conduct a study of the impact of sealing, especially on employment and recidivism rates, utilizing a random sample of those who apply for the sealing of their criminal records under Public Act 93-211. At the request of the Illinois Department of Corrections, records of the Illinois Department of Employment Security shall be utilized as appropriate to assist in the study. The study shall not disclose any data in a manner that would allow the identification of any particular individual or employing unit. The study shall be made available to the General Assembly no later than September 1, 2010.

(g) Immediate Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement or sealing of criminal records, this subsection authorizes the immediate sealing of criminal records of adults and of minors prosecuted as adults.

(2) Eligible Records. Arrests or charges not initiated by arrest resulting in acquittal or dismissal with prejudice, except as excluded by subsection (a)(3)(B), that occur on or after January 1, 2018 (the effective date of Public Act 100-282), may be sealed immediately if the petition is filed with the circuit court clerk on the same day and during the same hearing in which the case is disposed.

sealed immediately after entry of the final disposition of a case, notwithstanding the disposition of other charges in the same case.

(4) Notice of Eligibility for Immediate Sealing. Upon entry of a disposition for an eligible record under this subsection (g), the defendant shall be informed by the court of his or her right to have eligible records immediately sealed and the procedure for the immediate sealing of these records.

Upon entry of the final disposition of the case, the defendant's attorney may immediately petition the court, on behalf of the defendant, for immediate sealing of eligible records under paragraph (2) of this subsection (g) that are entered on or after January 1, 2018 (the effective date of Public Act 100-282). The immediate sealing petition may be filed with the circuit court clerk during the hearing in which the final disposition of the case is entered. If the defendant's attorney does not file the petition for immediate sealing during the hearing, the defendant may file a petition for sealing at any time as authorized under subsection (c)(3)(A).

   (B) Contents of Petition. The immediate sealing petition shall be verified and shall contain the petitioner's name, date of birth, current address, and for each eligible record, the case number, the date of arrest if applicable, the identity of the arresting authority if applicable, and other information as the court may require.

Sec. 8. Applications for licensure.

(a) Applications for original licenses shall be made to the Department in writing on forms or electronically as prescribed by the Department and shall be accompanied by the required fee, which shall not be refundable. All applications shall contain information that, in the judgment of the Department, will enable the Department to pass on the qualifications of the applicant for a license as a professional engineer or engineer intern. The Department may require an applicant, at the applicant's expense, to have an evaluation of the applicant's education in a foreign country by a nationally recognized evaluation service approved by the Department in accordance with rules adopted by the Department. Applications for licensure shall (1) be on forms prescribed and furnished by the Department, (2) contain statements made under oath showing the applicant's education and a detailed summary of the applicant's technical work, and (3) contain references as required by the Department.

(b) Applicants have 3 years from the date of application to complete the application process. If the process has not been completed in 3 years, the application shall be denied, the fee shall be forfeited, and the applicant must reapply and meet the requirements in effect at the time of reapplication. Applicants shall have obtained the education and experience as required in Section 10 or Section 11 prior to submittal of application for licensure. Allowable experience shall commence at the date of the baccalaureate degree, except:

1. Credit for one year of experience shall be given for a graduate of a baccalaureate curriculum providing a cooperative program, which is supervised industrial or field experience of at least one academic year which alternates with periods of full-time academic training, when such program is certified by the university, or

2. Partial credit may be given for professional engineering experience as defined by rule for employment prior to receipt of a baccalaureate degree if the employment is full-time while the applicant is a part-time student taking fewer than 12 hours per semester or 8 hours per quarter to earn the degree concurrent with the full-time engineering experience.

3. If an applicant files an application and supporting documents containing a material misstatement of information or a misrepresentation for the purpose of obtaining licensure or

enrollment or if an applicant performs any fraud or deceit in taking any examination to qualify for licensure or enrollment under this Act, the Department may issue a rule of intent to deny licensure or enrollment and may conduct a hearing in accordance with Sections 26 through 33 and Sections 37 and 38 of this Act.

The Board may conduct oral interviews of any applicant under Sections 10, 11, or 19 to assist in the evaluation of the qualifications of the applicant.

It is the responsibility of the applicant to supplement the application, when requested by the Board, by provision of additional documentation of education, including transcripts, course content and credentials of the engineering college or college granting related science degrees, or of work experience to permit the Board to determine the qualifications of the applicant. The Department may require an applicant, at the applicant's expense, to have an evaluation of the applicant's education in a foreign country by a nationally recognized evaluating service approved by the Department.

An applicant who graduated from an engineering program outside the United States or its territories and whose first language is not English shall submit certification of passage of the Test of English as a Foreign Language (TOEFL) and a test of spoken English as defined by rule. However, any such applicant who subsequently earns an advanced degree from an accredited educational institution in the United States or its territories shall not be subject to this requirement.

Sec. 9. Licensure qualifications; Examinations; Failure or refusal to take examinations.

(a) The Department shall authorize examinations of applicants for a license under this Act at such times and places as it may determine by rule. The examinations shall be of a character to give a fair test of the qualifications of the applicant to practice as a professional engineer or engineer intern.

(b) Applicants for examination are required to pay, either to the Department or the designated testing service, a fee covering the cost of providing the examination. Failure to appear for the examination on the scheduled date, at the time and place specified, after the applicant's application for examination has been received and acknowledged by the

Department or the designated testing service, shall result in the forfeiture of the examination fee.

(c) If an applicant fails to pass an examination for licensure under this Act within 3 years after filing the application, the application shall be denied. However, such applicant may thereafter make a new application for examination accompanied by the required fee and must furnish proof of meeting the qualifications for examination in effect at the time of new application.

Examinations provided for by this Act shall be conducted under rules prescribed by the Department. Examinations shall be held not less frequently than semi-annually, at times and places prescribed by the Department, of which applicants shall be notified by the Department in writing:

Examinations of the applicants who seek to practice professional engineering shall ascertain: (a) if the applicant has an adequate understanding of the basic and engineering sciences, which shall embrace subjects required of candidates for an approved baccalaureate degree in engineering, and (b) if the training and experience of the applicant have provided a background for the application of the basic and engineering sciences to the solution of engineering problems. The Department may by rule prescribe additional subjects for examination. If an applicant neglects, fails to take, or refuses to take the next available examination offered for licensure under this Act within 3 years after filing the application, the fee paid by the applicant shall be forfeited and the application denied. If an applicant fails to pass an examination for licensure under this Act within 3 years after filing the application, the application shall be denied. However, such applicant may thereafter make a new application for examination, accompanied by the required fee.

Upon submitting the application with proof of passing both examinations, the applicant, if otherwise qualified, shall be granted a license to practice professional engineering in this State; or

(3) (c) an Illinois engineer intern, by application and payment of the required fee, may then take an examination in the principles and practice of engineering as defined by rule. If the applicant passes that examination and submits evidence to the Board that meets the experience qualification of paragraph (1) or (2) subsection (a) or (b) of this Section, the applicant, if otherwise qualified, shall be granted a license to practice professional engineering in this State.

(b) Allowable experience for licensure shall commence at the date of the baccalaureate degree, except for experience gained while the applicant is a part-time student taking fewer than 12 hours per semester or 8 hours per quarter to earn the degree concurrent with the full-time engineering experience.

Sec. 14. Seal. Every professional engineer shall have a reproducible seal or stamp, which may be computer generated, the imprint of which shall be reproducible and contain the name of the professional engineer, the professional engineer's license number, and the words "Licensed Professional Engineer of Illinois". Any reproducible stamp heretofore authorized under the laws of this State for use by a professional engineer, including those with the words "Registered Professional Engineer of Illinois", shall serve the same purpose as the seal provided for by this Act. The engineer shall be responsible for his or her seal and signature as defined by rule. When technical submissions are prepared utilizing a computer or other electronic means, the seal may be generated by the computer. The licensee may provide, at his or her sole discretion, an original signature in the licensee's handwriting, a scanned copy of the technical submission bearing an original signature, or a signature generated by a computer.

The use of a professional engineer's seal on technical submissions constitutes a representation by the professional engineer that the work has been prepared by or under the personal supervision of the professional engineer or developed in conjunction with the use of accepted engineering standards. The use of the seal further represents that the work has been prepared and administered in accordance with the standards of reasonable professional skill and diligence.

It is unlawful to affix one's seal to technical submissions if it masks the true identity of the person who actually exercised direction, control and supervision of the preparation of such work. A professional engineer who signs technical submissions is not responsible for damage caused by subsequent changes to or uses of those technical submissions, where the subsequent changes or uses, including changes or uses made by State or local governmental agencies, are not authorized or approved by the professional engineer who originally sealed and signed the technical submissions.

Each managing agent must at all times maintain a valid, active license to practice professional engineering in Illinois.

No individual whose license to practice professional engineering in this State is currently in a suspended or revoked status shall act as a managing agent for a professional design firm.

(c) Any business seeking to be registered under this Section shall make application on a form provided by the Department and shall provide such information as requested by the Department, which shall include, but not be limited to:

1. the name and license number of the person designated as the managing agent in responsible charge of the practice of professional engineering in Illinois. In the case of a corporation, the corporation shall also submit a certified copy of the resolution by the board of directors designating the managing agent. In the case of a limited liability company, the company shall submit a certified copy of either its articles of organization or operating agreement designating the managing agent;

2. the names and license numbers of the directors, in the case of a corporation, the members, in the case of a limited liability company, or general partners, in the case of a partnership;

3. a list of all office locations at which the professional design firm provides professional engineering services to the public; and

4. a list of all assumed names of the business. Nothing in this Section shall be construed to exempt a professional design firm, sole proprietorship, or professional service corporation from compliance with the requirements of the Assumed Business Name Act.

It is the responsibility of the professional design firm to provide the Department notice, in writing, of any changes in the information requested on the application.

(d) The Department shall issue to each business a certificate of registration to practice professional engineering or offer the services of its licensees in this State upon submittal of a proper application for
registration and payment of fees. The expiration date and renewal period for each registration and renewal procedures shall be established by rule.

(e) In the event a managing agent is terminated or terminates his or her status as managing agent of the professional design firm, the managing agent and the professional design firm shall notify the Department of this fact in writing, by regular certified mail or email, within 10 business days of such termination. Thereafter, the professional design firm, if it has so informed the Department, shall have 30 days in which to notify the Department of the name and license number of a newly designated managing agent. If a corporation, the corporation shall also submit a certified copy of a resolution by the board of directors designating the new managing agent. If a limited liability company, the company shall also submit a certified copy of either its articles of organization or operating agreement designating the new managing agent. The Department may, upon good cause shown, extend the original 30-day period.

If the professional design firm has not notified the Department in writing, by regular certified mail or email within the specified time, the registration shall be terminated without prior hearing. Notification of termination shall be sent by regular certified mail or email to the last known address of the business. If the professional design firm continues to operate and offer professional engineering services after the termination, the Department may seek prosecution under Sections 21 and 24, 39, and 40 of this Act for the unlicensed practice of professional engineering.

(f) No professional design firm shall be relieved of responsibility for the conduct or acts of its agent, employees, members, managers, or officers by reason of its compliance with this Section, nor shall any individual practicing professional engineering be relieved of the responsibility for professional services performed by reason of the individual's employment or relationship with a professional design firm registered under this Section.

(g) Disciplinary action against a professional design firm registered under this Section shall be administered in the same manner and on the same grounds as disciplinary action against a licensed professional engineer. All disciplinary action taken or pending against a corporation or partnership before the effective date of this amendatory Act of 1993 shall be continued or remain in effect without the Department filing separate actions.

(d) In cases where the Department of Healthcare and Family Services (formerly the Department of Public Aid) has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to the Department, the Department shall refuse to issue or renew or shall revoke or suspend that person's license or shall take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Healthcare and Family Services in accordance with subdivision (a)(5) of Section 2105-15 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

(e) The Department shall deny a license or renewal authorized by this Act to a person who has failed to file a return, to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of tax, penalty, or interest as required by any tax Act administered by the Department of Revenue, until the requirements of the tax Act are satisfied in accordance with subsection (g) of Section 2105-15 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

effective date of *Public Act 97-651* this amendatory Act of the 97th General Assembly, (3) the individual does not receive credit for that employment under any other Article of this Code, and (4) the individual first became a full-time employee of the teacher organization and becomes a participant before January 5, 2012 (the effective date of *Public Act 97-651* this amendatory Act of the 97th General Assembly). An employee under this subsection (i) is responsible for paying to the System both (A) employee contributions based on the actual compensation received for service with the teacher organization and (B) employer contributions equal to the normal costs (as defined in Section 15-155) resulting from that service; all or any part of these contributions may be paid on the employee's behalf or picked up for tax purposes (if authorized under federal law) by the teacher organization.

A person who is an employee as defined in this subsection (i) may establish service credit for similar employment prior to becoming an employee under this subsection by paying to the System for that employment the contributions specified in this subsection, plus interest at the effective rate from the date of service to the date of payment. However, credit shall not be granted under this subsection for any such prior employment for which the applicant received credit under any other provision of this Code, or during which the applicant was on a leave of absence under Section 15-113.2.

(j) A person employed by the State Board of Higher Education in a position with the Illinois Century Network as of June 30, 2004 shall be considered to be an employee for so long as he or she remains continuously employed after that date by the Department of Central Management Services in a position with the Illinois Century Network, the Bureau of Communication and Computer Services, or, if applicable, any successor bureau or the Department of Innovation and Technology and meets the requirements of subsection (a).

(k) The Board shall promulgate rules with respect to determining whether any person is an employee within the meaning of this Section. In the case of doubt as to whether any person is an employee within the meaning of this Section or any rule adopted by the Board, the decision of the Board shall be final.

(40 ILCS 5/15-110) (from Ch. 108 1/2, par. 15-110)

2. the employee contributions required under Section 15-157;
3. the amount paid by any employer to a custodial account for investment in regulated investment company stocks for the benefit of the employee pursuant to the University Employees Custodial Accounts Act;
4. the amount of the premium payable by any employer to an insurance company or companies on an annuity contract, pursuant to the employee's election to accept a reduction in earnings or forego an increase in earnings under Section 30c of the State Finance Act, or a tax-sheltered annuity plan approved by any employer; and

(40 ILCS 5/15-145) (from Ch. 108 1/2, par. 15-145)
Sec. 15-145. Survivors insurance benefits; conditions and amounts.
(a) The survivors insurance benefits provided under this Section shall be payable to the eligible survivors of a Tier 1 member covered under
the traditional benefit package upon the death of (1) a participating employee with at least 1 1/2 years of service, (2) a participant who terminated employment with at least 10 years of service, and (3) an annuitant in receipt of a retirement annuity or disability retirement annuity under this Article.

Service under the State Employees' Retirement System of Illinois, the Teachers' Retirement System of the State of Illinois and the Public School Teachers' Pension and Retirement Fund of Chicago shall be considered in determining eligibility for survivors benefits under this Section.

If by law, a function of a governmental unit, as defined by Section 20-107, is transferred in whole or in part to an employer, and an employee transfers employment from this governmental unit to such employer within 6 months after the transfer of this function, the service credits in the governmental unit's retirement system which have been validated under Section 20-109 shall be considered in determining eligibility for survivors benefits under this Section.

(b) A surviving spouse of a deceased participant, or of a deceased annuitant who did not take a refund or additional annuity consisting of accumulated survivors insurance contributions or who repaid the refund or additional annuity, shall receive a survivors annuity of 30% of the final rate of earnings. Payments shall begin on the day following the participant's or annuitant's death or the date the surviving spouse attains age 50, whichever is later, and continue until the death of the surviving spouse. The annuity shall be payable to the surviving spouse prior to attainment of age 50 if the surviving spouse has in his or her care a deceased participant's or annuitant's dependent unmarried child under age 18 (under age 22 if a full-time student) who is eligible for a survivors annuity.

Remarriage of a surviving spouse prior to attainment of age 55 that occurs before the effective date of this amendatory Act of the 91st General Assembly shall disqualify him or her for the receipt of a survivors annuity until July 6, 2000.

A surviving spouse whose survivors annuity has been terminated due to remarriage may apply for reinstatement of that annuity. The reinstated annuity shall begin to accrue on July 6, 2000, except that if, on July 6, 2000, the annuity is payable to an eligible surviving child or parent, payment of the annuity to the surviving spouse shall not be reinstated until the annuity is no longer payable to any eligible surviving child or parent.

New matter indicated by italics- deletions by strikeout
The reinstated annuity shall include any one-time or annual increases received prior to the date of termination, as well as any increases that would otherwise have accrued from the date of termination to the date of reinstatement. An eligible surviving spouse whose expectation of receiving a survivors annuity was lost due to remarriage before attainment of age 50 shall also be entitled to reinstatement under this subsection, but the resulting survivors annuity shall not begin to accrue sooner than upon the surviving spouse's attainment of age 50.

The changes made to this subsection by this amendatory Act of the 92nd General Assembly (pertaining to remarriage prior to age 55 or 50) apply without regard to whether the deceased participant or annuitant was in service on or after the effective date of this amendatory Act.

(c) Each dependent unmarried child under age 18 (under age 22 if a full-time student) of a deceased participant, or of a deceased annuitant who did not take a refund or additional annuity consisting of accumulated survivors insurance contributions or who repaid the refund or additional annuity, shall receive a survivors annuity equal to the sum of (1) 20% of the final rate of earnings, and (2) 10% of the final rate of earnings divided by the number of children entitled to this benefit. Payments shall begin on the day following the participant's or annuitant's death and continue until the child marries, dies, or attains age 18 (age 22 if a full-time student). If the child is in the care of a surviving spouse who is eligible for survivors insurance benefits, the child's benefit shall be paid to the surviving spouse.

Each unmarried child over age 18 of a deceased participant or of a deceased annuitant who had a survivor's insurance beneficiary at the time of his or her retirement, and who was dependent upon the participant or annuitant by reason of a physical or mental disability which began prior to the date the child attained age 18 (age 22 if a full-time student), shall receive a survivor's annuity equal to the sum of (1) 20% of the final rate of earnings, and (2) 10% of the final rate of earnings divided by the number of children entitled to survivors benefits. Payments shall begin on the day following the participant's or annuitant's death and continue until the child marries, dies, or is no longer disabled. If the child is in the care of a surviving spouse who is eligible for survivors insurance benefits, the child's benefit may be paid to the surviving spouse. For the purposes of this Section, disability means inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of at least one year.

(d) Each dependent parent of a deceased participant, or of a deceased annuitant who did not take a refund or additional annuity consisting of accumulated survivors insurance contributions or who repaid the refund or additional annuity, shall receive a survivors annuity equal to the sum of (1) 20% of final rate of earnings, and (2) 10% of final rate of earnings divided by the number of parents who qualify for the benefit. Payments shall begin when the parent reaches age 55 or the day following the participant's or annuitant's death, whichever is later, and continue until the parent dies. Remarriage of a parent prior to attainment of age 55 shall disqualify the parent for the receipt of a survivors annuity.

(e) In addition to the survivors annuity provided above, each survivors insurance beneficiary shall, upon death of the participant or annuitant, receive a lump sum payment of $1,000 divided by the number of such beneficiaries.

(f) The changes made in this Section by Public Act 81-712 pertaining to survivors annuities in cases of remarriage prior to age 55 shall apply to each survivors insurance beneficiary who remarries after June 30, 1979, regardless of the date that the participant or annuitant terminated his employment or died.

The change made to this Section by this amendatory Act of the 91st General Assembly, pertaining to remarriage prior to age 55, applies without regard to whether the deceased participant or annuitant was in service on or after the effective date of this amendatory Act of the 91st General Assembly.

(g) On January 1, 1981, any person who was receiving a survivors annuity on or before January 1, 1971 shall have the survivors annuity then being paid increased by 1% for each full year which has elapsed from the date the annuity began. On January 1, 1982, any survivor whose annuity began after January 1, 1971, but before January 1, 1981, shall have the survivor's annuity then being paid increased by 1% for each year which has elapsed from the date the survivor's annuity began. On January 1, 1987, any survivor who began receiving a survivor's annuity on or before January 1, 1977, shall have the monthly survivor's annuity increased by $1 for each full year which has elapsed since the date the survivor's annuity began.

(h) If the sum of the lump sum and total monthly survivor benefits payable under this Section upon the death of a participant amounts to less than the sum of the death benefits payable under items (2) and (3) of Section 15-141, the difference shall be paid in a lump sum to the

New matter indicated by italics- deletions by strikeout
beneficiary of the participant who is living on the date that this additional amount becomes payable.

(i) If the sum of the lump sum and total monthly survivor benefits payable under this Section upon the death of an annuitant receiving a retirement annuity or disability retirement annuity amounts to less than the death benefit payable under Section 15-142, the difference shall be paid to the beneficiary of the annuitant who is living on the date that this additional amount becomes payable.

(j) Effective on the later of (1) January 1, 1990, or (2) the January 1 on or next after the date on which the survivor annuity begins, if the deceased member died while receiving a retirement annuity, or in all other cases the January 1 nearest the first anniversary of the date the survivor annuity payments begin, every survivors insurance beneficiary shall receive an increase in his or her monthly survivors annuity of 3%. On each January 1 after the initial increase, the monthly survivors annuity shall be increased by 3% of the total survivors annuity provided under this Article, including previous increases provided by this subsection. Such increases shall apply to the survivors insurance beneficiaries of each participant and annuitant, whether or not the employment status of the participant or annuitant terminates before the effective date of this amendatory Act of 1990. This subsection (j) also applies to persons receiving a survivor annuity under the portable benefit package.

(k) If the Internal Revenue Code of 1986, as amended, requires that the survivors benefits be payable at an age earlier than that specified in this Section the benefits shall begin at the earlier age, in which event, the survivor's beneficiary shall be entitled only to that amount which is equal to the actuarial equivalent of the benefits provided by this Section.

(l) The changes made to this Section and Section 15-131 by this amendatory Act of 1997, relating to benefits for certain unmarried children who are full-time students under age 22, apply without regard to whether the deceased member was in service on or after the effective date of this amendatory Act of 1997. These changes do not authorize the repayment of a refund or a re-election of benefits, and any benefit or increase in benefits resulting from these changes is not payable retroactively for any period before the effective date of this amendatory Act of 1997.

PUBLIC ACT 101-0322
(Senate Bill No. 1273)

AN ACT concerning local government.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:
Section 5. The Park District Code is amended by changing Section
10-7 as follows:
(70 ILCS 1205/10-7) (from Ch. 105, par. 10-7)
Sec. 10-7. Sale, lease, or exchange of realty.
(a) Any park district owning and holding any real estate is
authorized (1) to sell or lease that property to the State of Illinois, with the
State's consent, or another unit of Illinois State or local government for
public use, (2) to give the property to the State of Illinois if the property is
contiguous to a State park, or (3) to lease that property upon the terms and
at the price that the board determines for a period not to exceed 99 years to
any corporation organized under the laws of this State, for public use. The
grantee or lessee must covenant to hold and maintain the property for
public park or recreational purposes unless the park district obtains other
real property of substantially the same size or larger and of substantially
the same or greater suitability for park purposes without additional cost to
the district. In the case of property given or sold under this subsection after
the effective date of this amendatory Act of the 92nd General Assembly
for which this covenant is required, the conveyance must provide that
ownership of the property automatically reverts to the grantor if the
grantee knowingly violates the required covenant by allowing all or any
part of the property to be used for purposes other than park or recreational
purposes. Real estate given, sold, or leased to the State of Illinois under
this subsection (1) must be 50 acres or more in size, (2) may not be located
within the territorial limits of a municipality, and (3) may not be the site of
a known environmental liability or hazard.
(b) Any park district owning or holding any real estate is
authorized to convey such property to a nongovernmental entity in
exchange for other real property of substantially equal or greater value as
determined by 2 appraisals of the property and of substantially the same or

New matter indicated by italics- deletions by strikeout
greater suitability for park purposes without additional cost to such district.

Prior to such exchange with a nongovernmental entity the park board shall hold a public meeting in order to consider the proposed conveyance. Notice of such meeting shall be published not less than three times (the first and last publication being not less than 10 days apart) in a newspaper of general circulation within the park district. If there is no such newspaper, then such notice shall be posted in not less than 3 public places in said park district and such notice shall not become effective until 10 days after said publication or posting.

(c) Notwithstanding any other provision of this Act, this subsection (c) shall apply only to park districts that serve territory within a municipality having more than 40,000 inhabitants and within a county having more than 260,000 inhabitants and bordering the Mississippi River. Any park district owning or holding real estate is authorized to sell that property to any not-for-profit corporation organized under the laws of this State upon the condition that the corporation uses the property for public park or recreational programs for youth. The park district shall have the right of re-entry for breach of condition subsequent. If the corporation stops using the property for these purposes, the property shall revert back to ownership of the park district. Any temporary suspension of use caused by the construction of improvements on the property for public park or recreational programs for youth is not a breach of condition subsequent.

Prior to the sale of the property to a not-for-profit corporation, the park board shall hold a public meeting to consider the proposed sale. Notice of the meeting shall be published not less than 3 times (the first and last publication being not less than 10 days apart) in a newspaper of general circulation within the park district. If there is no such newspaper, then the notice shall be posted in not less than 3 public places in the park district. The notice shall be published or posted at least 10 days before the meeting. A resolution to approve the sale of the property to a not-for-profit corporation requires adoption by a majority of the park board.

(d) Real estate, not subject to such covenant or which has not been conveyed and replaced as provided in this Section, may be conveyed in the manner provided by Sections 10-7a to 10-7d hereof, inclusive.

(d-5) Notwithstanding any provision of law to the contrary and in addition to the means provided by Sections 10-7a, 10-7b, 10-7c, and 10-7d, real estate, not subject to a covenant required under subsection (a) or not conveyed and replaced as provided under subsection (a), may be

conveyed to another unit of local government or school district if the park district board approves the sale to the unit of local government or school district by a four-fifths vote and: (i) the park district is situated wholly within the corporate limits of that unit of local government or school district; or (ii) the real estate is conveyed for a price not less than the appraised value of the real estate as determined by the average of 3 written MAI certified appraisals or by the average of 3 written certified appraisals of State certified or licensed real estate appraisers.

(e) In addition to any other power provided in this Section, any park district owning or holding real estate that the board deems is not required for park or recreational purposes may lease such real estate to any individual or entity and may collect rents therefrom. Such lease shall not exceed 2 and one-half times the term of years provided for in Section 8-15 governing installment purchase contracts.

(f) Notwithstanding any other provision of law, if (i) the real estate that a park district with a population of 3,000 or less transfers by lease, license, development agreement, or other means to any private entity is greater than 70% of the district's total property and (ii) the current use of the real estate will be substantially altered by that private entity, the real estate may be conveyed only in the manner provided for in Sections 10-7a, 10-7b, and 10-7c.

(210 ILCS 5/6) (from Ch. 111 1/2, par. 157-8.6)

New matter indicated by italics- deletions by strikeout
Sec. 6. Upon receipt of an application for a license, the Director may deny the application for any of the following reasons:

(1) Conviction of the applicant, or if the applicant is a firm, partnership or association, of any of its members, or if a corporation, of any of its officers or directors, or of the person designated to manage or supervise the facility, of a felony, or of 2 or more misdemeanors involving moral turpitude, as shown by a certified copy of the record of the court of conviction, or, in the case of the conviction of a misdemeanor by a court not of record, as shown by other evidence, if the Director determines, after investigation, that such person has not been sufficiently rehabilitated to warrant the public trust; or other satisfactory evidence that the moral character of the applicant, or manager, or supervisor of the facility is not reputable;

(2) The licensure status or record of the applicant, or if the applicant is a firm, partnership or association, of any of its members, or if a corporation, of any of its officers or directors, or of the person designated to manage or supervise the facility, from any other state where the applicant has done business in a similar capacity indicates that granting a license to the applicant would be detrimental to the interests of the public; or

(3) The applicant has insufficient financial or other resources to operate and conduct the facility in accordance with the requirements of this Act and the minimum standards, rules and regulations promulgated thereunder.

The Director shall only issue a license if he finds that the applicant facility complies with this Act and the rules, regulations and standards promulgated pursuant thereto and:

(a) is under the medical supervision of one or more physicians;

(b) permits a surgical procedure to be performed only by a physician, podiatric physician, or dentist who at the time is privileged to have his patients admitted by himself or an associated physician and is himself privileged to perform surgical procedures in at least one Illinois hospital. A dentist may be privileged at the ambulatory surgical treatment center if it is determined that the patient under the care of the dentist requires sedation beyond the training that the dentist possesses. The determination of need for sedation shall be made by the medical director of the facility where

the procedure is to be performed. A dentist performing a surgical procedure requiring sedation at a facility must either have admitting privileges at a nearby hospital where patients would receive care in the event of an emergency arising during a dental surgical procedure or have a memorandum of understanding with a physician who has admitting privileges at such a hospital; and

(c) maintains adequate medical records for each patient.

A license, unless sooner suspended or revoked, shall be renewable annually upon approval by the Department and payment of a license fee of $300. Each license shall be issued only for the premises and persons named in the application and shall not be transferable or assignable. The licenses shall be posted in a conspicuous place on the licensed premises. A placard or registry of all physicians on staff in the facility shall be centrally located and available for inspection to any interested person. The Department may, either before or after the issuance of a license, request the cooperation of the State Fire Marshal. The report and recommendations of this agency shall be in writing and shall state with particularity its findings with respect to compliance or noncompliance with such minimum standards, rules and regulations.

The Director may issue a provisional license to any ambulatory surgical treatment center which does not substantially comply with the provisions of this Act and the standards, rules and regulations promulgated by virtue thereof provided that he finds that such ambulatory surgical treatment center will undertake changes and corrections which upon completion will render the ambulatory surgical treatment center in substantial compliance with the provisions of this Act, and the standards, rules and regulations adopted hereunder, and provided that the health and safety of the patients of the ambulatory surgical treatment center will be protected during the period for which such provisional license is issued. The Director shall advise the licensee of the conditions under which such provisional license is issued, including the manner in which the facilities fail to comply with the provisions of the Act, standards, rules and regulations, and the time within which the changes and corrections necessary for such ambulatory surgical treatment center to substantially comply with this Act, and the standards, rules and regulations of the Department relating thereto shall be completed.

A person or facility not licensed under this Act or the Hospital Licensing Act shall not hold itself out to the public as a "surgery center" or as a "center for surgery".

AN ACT concerning criminal law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Criminal Code of 2012 is amended by changing Section 16-30 as follows:

Sec. 16-30. Identity theft; aggravated identity theft.
(a) A person commits identity theft when he or she knowingly:
   (1) uses any personal identifying information or personal identification document of another person to fraudulently obtain credit, money, goods, services, or other property;
   (2) uses any personal identifying identification information or personal identification document of another with intent to commit any felony not set forth in paragraph (1) of this subsection (a);
   (3) obtains, records, possesses, sells, transfers, purchases, or manufactures any personal identifying identification information or personal identification document of another with intent to commit any felony;
   (4) uses, obtains, records, possesses, sells, transfers, purchases, or manufactures any personal identifying identification information or personal identification document of another knowing that such personal identifying identification information or personal identification documents were stolen or produced without lawful authority;

(8) in the course of applying for a building permit with a unit of local government, provides the license number of a roofing or fire sprinkler contractor whom he or she does not intend to have perform the work on the roofing or fire sprinkler portion of the project; it is an affirmative defense to prosecution under this paragraph (8) that the building permit applicant promptly informed the unit of local government that issued the building permit of any change in the roofing or fire sprinkler contractor.

(b) Aggravated identity theft. A person commits aggravated identity theft when he or she commits identity theft as set forth in subsection (a) of this Section:

(1) against a person 60 years of age or older or a person with a disability; or

A defense to aggravated identity theft does not exist merely because the accused reasonably believed the victim to be a person less than 60 years of age. For the purposes of this subsection, "organized gang" has the meaning ascribed in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(c) Knowledge shall be determined by an evaluation of all circumstances surrounding the use of the other person's identifying information or document.

Sec. 15-316. When the Department or local authority may restrict right to use highways.

(a) Except as provided in subsection (g), local authorities with respect to highways under their jurisdiction may by ordinance or resolution prohibit the operation of vehicles upon any such highway or impose restrictions as to the weight of vehicles to be operated upon any such highway, for a total period of not to exceed 90 days, measured in either consecutive or nonconsecutive days at the discretion of local authorities, in any one calendar year, whenever any said highway by reason of deterioration, rain, snow, or other climate conditions will be seriously damaged or destroyed unless the use of vehicles thereon is prohibited or the permissible weights thereof reduced.

(b) The local authority enacting any such ordinance or resolution shall erect or cause to be erected and maintained signs designating the provision of the ordinance or resolution at each end of that portion of any highway affected thereby, and the ordinance or resolution shall not be effective unless and until such signs are erected and maintained. To be effective, an ordinance or resolution passed to designate a Class II roadway need not require that signs be erected, but the designation shall be reported to the Department.

(c) Local authorities with respect to highways under their jurisdiction may also, by ordinance or resolution, prohibit the operation of trucks or other commercial vehicles, or may impose limitations as the weight thereof, on designated highways, which prohibitions and limitations shall be designated by appropriate signs placed on such highways.

(c-1) (Blank).

(c-5) Highway commissioners, with respect to roads under their authority, may not permanently post a road or portion thereof at a reduced

weight limit unless the decision to do so is made in accordance with Section 6-201.22 of the Illinois Highway Code.

(d) The Department shall likewise have authority as hereinbefore granted to local authorities to determine by resolution and to impose restrictions as to the weight of vehicles operated upon any highway under the jurisdiction of said department, and such restrictions shall be effective when signs giving notice thereof are erected upon the highway or portion of any highway affected by such resolution.

(d-1) (Blank).

(d-2) (Blank).

(e) When any vehicle is operated in violation of this Section, the owner or driver of the vehicle shall be deemed guilty of a violation and either the owner or the driver of the vehicle may be prosecuted for the violation. Any person, firm, or corporation convicted of violating this Section shall be fined $50 for any weight exceeding the posted limit up to the axle or gross weight limit allowed a vehicle as provided for in subsections (a) or (b) of Section 15-111 and $75 per every 500 pounds or fraction thereof for any weight exceeding that which is provided for in subsections (a) or (b) of Section 15-111.

(f) A municipality is authorized to enforce a county weight limit ordinance applying to county highways within its corporate limits and is entitled to the proceeds of any fines collected from the enforcement.

(g) An ordinance or resolution enacted by a county or township pursuant to subsection (a) of this Section shall not apply to cargo tank vehicles with two or three permanent axles when delivering propane for emergency heating purposes if the cargo tank is loaded at no more than 50 percent capacity, the gross vehicle weight of the vehicle does not exceed 32,000 pounds, and the driver of the cargo tank vehicle notifies the appropriate agency or agencies with jurisdiction over the highway before driving the vehicle on the highway pursuant to this subsection. The cargo tank vehicle must have an operating gauge on the cargo tank which indicates the amount of propane as a percent of capacity of the cargo tank. The cargo tank must have the capacity displayed on the cargo tank, or documentation of the capacity of the cargo tank must be available in the vehicle. For the purposes of this subsection, propane weighs 4.2 pounds per gallon. This subsection does not apply to municipalities. Nothing in this subsection shall allow cargo tank vehicles to cross bridges with posted weight restrictions if the vehicle exceeds the posted weight limit.

on his or her own behalf unless the account owner is a minor or the account owner has been adjudicated to have a disability so that a guardian has been appointed. A designated representative acts in a fiduciary capacity to the account owner. The State Treasurer shall recognize the following a person as a designated representative without appointment by a court in the following order of priority:

1. The account owner's guardian of the person, plenary guardian of the estate, or the account owner's limited guardian of financial or contractual matters, or any other State-appointed guardian. A guardian acting in this capacity shall not be required to seek court approval for any ABLE account activity qualified distributions.

2. The agent named by the account owner in a property power of attorney recognized as a statutory short form power of attorney for property.

3. Such individual or entity that the account owner so designates in writing, in a manner to be established by the State Treasurer.

4. Such other individual or entity designated by the State Treasurer pursuant to its rules.

"Disability certification" has the meaning given to that term under Section 529A of the Internal Revenue Code.

"Participation agreement" means an agreement to participate in the ABLE account plan between an account owner and the State, through its agencies and the State Treasurer.

"Qualified disability expenses" has the meaning given to that term under Section 529A of the Internal Revenue Code.

"Qualified withdrawal" or "qualified distribution" means a withdrawal from an ABLE account to pay the qualified disability expenses of the beneficiary of the account.

(b) Establishment of the ABLE Program. The "Achieving a Better Life Experience" or "ABLE" account program is hereby created and shall be administered by the State Treasurer. The purpose of the ABLE program plan is to encourage and assist individuals and families in saving private funds for the purpose of supporting individuals with disabilities to maintain health, independence, and quality of life, and to provide secure funding for disability-related expenses on behalf of designated
beneficiaries with disabilities that will supplement, but not supplant, benefits provided through private insurance, federal and State medical and disability insurance, the beneficiary's employment, and other sources. Under the plan, a person may make contributions to an ABLE account to meet the qualified disability expenses of the designated beneficiary of the account. The plan must be operated as an accounts-type plan that permits persons to save for qualified disability expenses incurred by or on behalf of an eligible individual.

(c) Promotion of the ABLE Program. The State Treasurer shall promote awareness of the availability and advantages of the ABLE account plan as a way to assist individuals and families in saving private funds for the purpose of supporting individuals with disabilities. The cost of these promotional efforts shall not be funded with fees imposed on participants by the State Treasurer.

The State Treasurer shall not accept contributions for ABLE accounts under this Section until the Internal Revenue Service has issued its final regulations or interim guidance concerning ABLE accounts.

A separate account must be maintained for each beneficiary for whom contributions are made, and no more than one account shall be established per beneficiary. If an ABLE account is established for a designated beneficiary, no account subsequently established for such beneficiary shall be treated as an ABLE account. The preceding sentence shall not apply in the case of an ABLE account established for purposes of a rollover as permitted under Section 529A of the Internal Revenue Code.

(d) Availability of the ABLE Program. An ABLE account may be established under this Section for a designated beneficiary who is a resident of Illinois, a resident of a contracting state, or a resident of any other state.

Prior to the establishment of an ABLE account, an account owner must provide documentation to the State Treasurer that the account beneficiary is an eligible individual.

Annual contributions to an ABLE account on behalf of a beneficiary are subject to the requirements of subsection (b) of Section 529A of the Internal Revenue Code. No person may make a contribution to an ABLE account if such a contribution would result in the aggregate account balance of an ABLE account exceeding the account balance limit authorized under Section 529A of the Internal Revenue Code. The Treasurer shall review the contribution limit at least annually. A separate account must be maintained for each beneficiary for whom contributions

are made, and no more than one account shall be established per beneficiary. If an ABLE account is established for a designated beneficiary, no account subsequently established for such beneficiary shall be treated as an ABLE account. The preceding sentence shall not apply in the case of an ABLE account established for purposes of a rollover as permitted under Sections 529 and 529A of the Internal Revenue Code.

(e) Administration of the ABLE Program. The State Treasurer shall administer the plan, including accepting and processing applications, maintaining account records, making payments, and undertaking any other necessary tasks to administer the plan, including the appointment of an account administrator. The State Treasurer may contract with one or more third parties to carry out some or all of these administrative duties, including, but not limited to, providing investment management services, incentives, and marketing the plan. The State Treasurer may enter into agreements with other states to either allow Illinois residents to participate in a plan operated by another state or to allow residents of other states to participate in the Illinois ABLE plan.

(f) Fees. In designing and establishing the plan's requirements and in negotiating or entering into contracts with third parties under this Section, the State Treasurer shall consult with the Board. The State Treasurer shall establish fees to be imposed on participants to cover the costs of administration, recordkeeping, and investment management. The State Treasurer must use his or her best efforts to keep these fees as low as possible, consistent with efficient administration.

(g) The Illinois ABLE Accounts Administrative Fund. The Illinois ABLE Accounts Administrative Fund is created as a nonappropriated trust fund in the State treasury. The State Treasurer shall use moneys in the Administrative Fund to pay for administrative expenses he or she incurs in the performance of his or her duties under this Section. The State Treasurer shall use moneys in the Administrative Fund to cover administrative expenses incurred under this Section. The Administrative Fund may receive any grants or other moneys designated for administrative purposes from the State, or any unit of federal, state, or local government, or any other person, firm, partnership, or corporation. Any interest earnings that are attributable to moneys in the Administrative Fund must be deposited into the Administrative Fund. Any fees established by the State Treasurer to cover the costs of administration, recordkeeping, and investment management shall be deposited into the Administrative Fund.

New matter indicated by italics- deletions by strikeout
Subject to appropriation, the State Treasurer may pay administrative costs associated with the creation and management of the plan until sufficient assets are available in the Administrative Fund for that purpose.

(h) Privacy. Applications for accounts, account owner data, account data, and data on beneficiaries of accounts are confidential and exempt from disclosure under the Freedom of Information Act.

e) The State Treasurer may invest the moneys in ABLE accounts in the same manner and in the same types of investments provided for the investment of moneys by the Board. To enhance the safety and liquidity of ABLE accounts, to ensure the diversification of the investment portfolio of accounts, and in an effort to keep investment dollars in the State, the State Treasurer may make a percentage of each account available for investment in participating financial institutions doing business in the State, except that the accounts may be invested without limit in investment options from open-ended investment companies registered under Section 80a of the federal Investment Company Act of 1940. The State Treasurer may contract with one or more third parties for investment management; recordkeeping, or other services in connection with investing the accounts.

(i) Investment Policy. The Treasurer account administrator shall annually prepare and adopt a written statement of investment policy that includes a risk management and oversight program which shall be reviewed annually and posted on the Treasurer's website prior to implementation. The risk management and oversight program shall be designed to ensure that an effective risk management system is in place to monitor the risk levels of the ABLE plan, to ensure that the risks taken are prudent and properly managed, to provide an integrated process for overall risk management, and to assess investment returns as well as risk to determine if the risks taken are adequately compensated compared to applicable performance benchmarks and standards. To enhance the safety and liquidity of ABLE accounts, to ensure the diversification of the investment portfolio of accounts, and in an effort to keep investment dollars in the State, the State Treasurer may make a percentage of each account available for investment in participating financial institutions doing business in the State, except that the accounts may be invested without limit in investment options from open-ended investment companies registered under Section 80a of the federal Investment Company Act of 1940. The State Treasurer may contract with one or more third parties for

investment management, recordkeeping, or other services in connection with investing the accounts.

The State Treasurer may enter into agreements with other states to either allow Illinois residents to participate in a plan operated by another state or to allow residents of other states to participate in the Illinois ABLE plan.

(j) Investment restrictions. The State Treasurer shall ensure that the plan meets the requirements for an ABLE account under Section 529A of the Internal Revenue Code. The State Treasurer may request a private letter ruling or rulings from the Internal Revenue Service and must take any necessary steps to ensure that the plan qualifies under relevant provisions of federal law. Notwithstanding the foregoing, any determination by the Secretary of the Treasury of the United States that an account was utilized to make non-qualified distributions shall not result in an ABLE account being disregarded as a resource.

(k) Contributions. A person may make contributions to an ABLE account on behalf of a beneficiary. Contributions to an account made by persons other than the account owner become the property of the account owner. Contributions to an account shall be considered as a transfer of assets for fair market value. A person does not acquire an interest in an ABLE account by making contributions to an account. A contribution to any account for a beneficiary must be rejected if the contribution would cause either the aggregate or annual account balance of the account to exceed the limits imposed by Section 529A of the Internal Revenue Code.

Any change in account owner must be done in a manner consistent with Section 529A of the Internal Revenue Code.

(l) Notice. Notice of any proposed amendments to the rules and regulations shall be provided to all owners or their designated representatives prior to adoption. Amendments to rules and regulations shall apply only to contributions made after the adoption of the amendment. Amendments to this Section automatically amend the participation agreement. Any amendments to the operating procedures and policies of the plan shall automatically amend the participation agreement after adoption by the State Treasurer.

(m) Plan assets. All assets of the plan, including any contributions to accounts, are held in trust for the exclusive benefit of the account owner and shall be considered spendthrift accounts exempt from all of the owner's creditors. The plan shall provide separate accounting for each designated beneficiary sufficient to satisfy the requirements of paragraph

(3) of subsection (b) of Section 529A of the Internal Revenue Code. Assets must be held in either a state trust fund outside the State treasury, to be known as the Illinois ABLE plan trust fund, or in accounts with a third-party provider selected pursuant to this Section. Amounts contributed to ABLE accounts shall not be commingled with State funds and the State shall have no claim to or against, or interest in, such funds.

Plan assets are not subject to claims by creditors of the State and are not subject to appropriation by the State. Payments from the Illinois ABLE account plan shall be made under this Section.

The assets of ABLE accounts and their income may not be used as security for a loan.

(n) Taxation. The assets of ABLE accounts and their income and operation shall be exempt from all taxation by the State of Illinois and any of its subdivisions to the extent exempt from federal income taxation. The accrued earnings on investments in an ABLE account once disbursed on behalf of a designated beneficiary shall be similarly exempt from all taxation by the State of Illinois and its subdivisions to the extent exempt from federal income taxation, so long as they are used for qualified expenses.

Notwithstanding any other provision of law that requires consideration of one or more financial circumstances of an individual, for the purpose of determining eligibility to receive, or the amount of, any assistance or benefit authorized by such provision to be provided to or for the benefit of such individual, any amount, including earnings thereon, in the ABLE account of such individual, any contributions to the ABLE account of the individual, and any distribution for qualified disability expenses shall be disregarded for such purpose with respect to any period during which such individual maintains, makes contributions to, or receives distributions from such ABLE account.

(o) Distributions. The account owner or the designated representative of the account owner may request that a qualified distribution be made for the benefit of the account owner. Qualified distributions shall be made for qualified disability expenses allowed pursuant to Section 529A of the Internal Revenue Code. Qualified distributions must be withdrawn proportionally from contributions and earnings in an account owner's account on the date of distribution as provided in Section 529A of the Internal Revenue Code. Unless prohibited by federal law, upon the death of a designated beneficiary, proceeds from an account may be transferred to the estate of a designated beneficiary, or

to an account for another eligible individual specified by the designated beneficiary or the estate of the designated beneficiary. An agency or instrumentality of the State may not seek payment under subsection (f) of Section 529A of the federal Internal Revenue Code from the account or its proceeds for benefits provided to a designated beneficiary.

(p) Rules. (f) The State Treasurer may adopt rules to carry out the purposes of this Section. The State Treasurer shall further have the power to issue peremptory rules necessary to ensure that ABLE accounts meet all of the requirements for a qualified state ABLE program under Section 529A of the Internal Revenue Code and any regulations issued by the Internal Revenue Service.

Section 10. The Probate Act of 1975 is amended by changing Sections 11-13, 11a-17, and 11a-18 as follows:

(755 ILCS 5/11-13) (from Ch. 110 1/2, par. 11-13)

Sec. 11-13. Duties of guardian of a minor. Before a guardian of a minor may act, the guardian shall be appointed by the court of the proper county and, in the case of a guardian of the minor's estate, the guardian shall give the bond prescribed in Section 12-2. Except as provided in Section 11-13.1 and Section 11-13.2 with respect to the standby or short-term guardian of the person of a minor, the court shall have control over the person and estate of the ward. Under the direction of the court:

(a) The guardian of the person shall have the custody, nurture and tuition and shall provide education of the ward and of his children, but the ward's spouse may not be deprived of the custody and education of the spouse's children, without consent of the spouse, unless the court finds that the spouse is not a fit and competent person to have such custody and education. If the ward's estate is insufficient to provide for the ward's education and the guardian of his person fails to provide education, the court may award the custody of the ward to some other person for the purpose of providing education. If a person makes a settlement upon or provision for the support or education of a ward and if either parent of the ward is dead, the court may make such order for the visitation of the ward by the person making the settlement or provision as the court deems proper. The guardian of the minor shall inform the court of the minor's current address by certified mail, hand delivery, or other method in accordance with court rules within 30 days of any change of residence.

(a-5) The guardian of estate, or the guardian of the person if a guardian of the estate has not been appointed, may, without an order of court, open, maintain, and transfer funds to an ABLE account on behalf of the ward to provide for the ward as specified under Section 16.6 of the State Treasurer Act.

(b) The guardian or other representative of the ward's estate shall have the care, management and investment of the estate, shall manage the estate frugally and shall apply the income and principal of the estate so far as necessary for the comfort and suitable support and education of the ward, his children, and persons related by blood or marriage who are dependent upon or entitled to support from him, or for any other purpose which the court deems to be for the best interests of the ward, and the court may approve the making on behalf of the ward of such agreements as the court determines to be for the ward's best interests. The representative may make disbursement of his ward's funds and estate directly to the ward or other distributee or in such other manner and in such amounts as the court directs. If the estate of a ward is derived in whole or in part from payments of compensation, adjusted compensation, pension, insurance or other similar benefits made directly to the estate by the Veterans Administration, notice of the application for leave to invest or expend the ward's funds or estate, together with a copy of the petition and proposed order, shall be given to the Veterans' Administration Regional Office in this State at least 7 days before the hearing on the application. The court, upon petition of a guardian of the estate of a minor, may permit the guardian to make a will or create a revocable or irrevocable trust for the minor that the court considers appropriate in light of changes in applicable tax laws that allow for minimization of State or federal income, estate, or inheritance taxes; however, the will or trust must make distributions only to the persons who would be entitled to distributions if the minor were to die intestate and the will or trust must make distributions to those persons in the same amounts to which they would be entitled if the minor were to die intestate.

(c) Upon the direction of the court which issued his letters a representative may perform the contracts of his ward which were legally subsisting at the time of the commencement of the guardianship. The court may authorize the guardian to execute and deliver any bill of sale, deed or other instrument.

(d) The representative of the estate of a ward shall appear for and represent the ward in all legal proceedings unless another person is
appointed for that purpose as representative or next friend. This does not impair the power of any court to appoint a representative or next friend to defend the interests of the ward in that court, or to appoint or allow any person as the next friend of a ward to commence, prosecute or defend any proceeding in his behalf. Any proceeding on behalf of a minor may be commenced and prosecuted by his next friend, without any previous authority or appointment by the court if the next friend enters bond for costs and files it in the court where the proceeding is pending. Without impairing the power of the court in any respect, if the representative of the estate of a minor and another person as next friend shall appear for and represent the minor in a legal proceeding in which the compensation of the attorney or attorneys representing the guardian and next friend is solely determined under a contingent fee arrangement, the guardian of the estate of the minor shall not participate in or have any duty to review the prosecution of the action, to participate in or review the appropriateness of any settlement of the action, or to participate in or review any determination of the appropriateness of any fees awarded to the attorney or attorneys employed in the prosecution of the action.

(e) Upon petition by any interested person (including the standby or short-term guardian), with such notice to interested persons as the court directs and a finding by the court that it is in the best interest of the minor, the court may terminate or limit the authority of a standby or short-term guardian or may enter such other orders as the court deems necessary to provide for the best interest of the minor. The petition for termination or limitation of the authority of a standby or short-term guardian may, but need not, be combined with a petition to have a guardian appointed for the minor.

(f) The court may grant leave to the guardian of a minor child or children to remove such child or children from Illinois whenever such approval is in the best interests of such child or children. The guardian may not remove a minor from Illinois except as permitted under this Section and must seek leave of the court prior to removing a child for 30 days or more. The burden of proving that such removal is in the best interests of such child or children is on the guardian. When such removal is permitted, the court may require the guardian removing such child or children from Illinois to give reasonable security guaranteeing the return of such children.

The court shall consider the wishes of the minor’s parent or parents and the effect of removal on visitation and the wishes of the minor if he or
she is 14 years of age or older. The court may not consider the availability of electronic communication as a factor in support of the removal of a child by the guardian from Illinois. The guardianship order may incorporate language governing removal of the minor from the State. Any order for removal, including one incorporated into the guardianship order, must include the date of the removal, the reason for removal, and the proposed residential and mailing address of the minor after removal. A copy of the order must be provided to any parent whose location is known, within 3 days of entry, either by personal delivery or by certified mail, return receipt requested.

Before a minor child is temporarily removed from Illinois for more than 48 hours but less than 30 days, the guardian shall inform the parent or parents of the address and telephone number where the child may be reached during the period of temporary removal and the date on which the child shall return to Illinois. The State of Illinois retains jurisdiction when the minor child is absent from the State pursuant to this subsection. The guardianship order may incorporate language governing out-of-state travel with the minor.

(755 ILCS 5/11a-17) (from Ch. 110 1/2, par. 11a-17)

Sec. 11a-17. Duties of personal guardian.

(a) To the extent ordered by the court and under the direction of the court, the guardian of the person shall have custody of the ward and the ward's minor and adult dependent children and shall procure for them and shall make provision for their support, care, comfort, health, education and maintenance, and professional services as are appropriate, but the ward's spouse may not be deprived of the custody and education of the ward's minor and adult dependent children, without the consent of the spouse, unless the court finds that the spouse is not a fit and competent person to have that custody and education. The guardian shall assist the ward in the development of maximum self-reliance and independence. The guardian of the person may petition the court for an order directing the guardian of the estate to pay an amount periodically for the provision of the services specified by the court order. If the ward's estate is insufficient to provide for education and the guardian of the ward's person fails to provide education, the court may award the custody of the ward to some other person for the purpose of providing education. If a person makes a settlement upon or provision for the support or education of a ward, the court may make an order for the visitation of the ward by the person

making the settlement or provision as the court deems proper. A guardian of the person may not admit a ward to a mental health facility except at the ward's request as provided in Article IV of the Mental Health and Developmental Disabilities Code and unless the ward has the capacity to consent to such admission as provided in Article IV of the Mental Health and Developmental Disabilities Code.

(a-3) If a guardian of an estate has not been appointed, the guardian of the person may, without an order of court, open, maintain, and transfer funds to an ABLE account on behalf of the ward and the ward's minor and adult dependent children as specified under Section 16.6 of the State Treasurer Act.

(a-5) If the ward filed a petition for dissolution of marriage under the Illinois Marriage and Dissolution of Marriage Act before the ward was adjudicated a person with a disability under this Article, the guardian of the ward's person and estate may maintain that action for dissolution of marriage on behalf of the ward. Upon petition by the guardian of the ward's person or estate, the court may authorize and direct a guardian of the ward's person or estate to file a petition for dissolution of marriage or to file a petition for legal separation or declaration of invalidity of marriage under the Illinois Marriage and Dissolution of Marriage Act on behalf of the ward if the court finds by clear and convincing evidence that the relief sought is in the ward's best interests. In making its determination, the court shall consider the standards set forth in subsection (e) of this Section.

(a-10) Upon petition by the guardian of the ward's person or estate, the court may authorize and direct a guardian of the ward's person or estate to consent, on behalf of the ward, to the ward's marriage pursuant to Part II of the Illinois Marriage and Dissolution of Marriage Act if the court finds by clear and convincing evidence that the marriage is in the ward's best interests. In making its determination, the court shall consider the standards set forth in subsection (e) of this Section. Upon presentation of a court order authorizing and directing a guardian of the ward's person and estate to consent to the ward's marriage, the county clerk shall accept the guardian's application, appearance, and signature on behalf of the ward for purposes of issuing a license to marry under Section 203 of the Illinois Marriage and Dissolution of Marriage Act.

(b) If the court directs, the guardian of the person shall file with the court at intervals indicated by the court, a report that shall state briefly: (1) the current mental, physical, and social condition of the ward and the

New matter indicated by italics- deletions by strikeout
ward's minor and adult dependent children; (2) their present living
arrangement, and a description and the address of every residence where
they lived during the reporting period and the length of stay at each place;
(3) a summary of the medical, educational, vocational, and other
professional services given to them; (4) a resume of the guardian's visits
with and activities on behalf of the ward and the ward's minor and adult
dependent children; (5) a recommendation as to the need for continued
guardianship; (6) any other information requested by the court or useful in
the opinion of the guardian. The Office of the State Guardian shall assist
the guardian in filing the report when requested by the guardian. The court
may take such action as it deems appropriate pursuant to the report.

(c) Absent court order pursuant to the Illinois Power of Attorney
Act directing a guardian to exercise powers of the principal under an
agency that survives disability, the guardian has no power, duty, or liability
with respect to any personal or health care matters covered by the agency.
This subsection (c) applies to all agencies, whenever and wherever
executed.

(d) A guardian acting as a surrogate decision maker under the
Health Care Surrogate Act shall have all the rights of a surrogate under
that Act without court order including the right to make medical treatment
decisions such as decisions to forgo or withdraw life-sustaining treatment.
Any decisions by the guardian to forgo or withdraw life-sustaining
treatment that are not authorized under the Health Care Surrogate Act shall
require a court order. Nothing in this Section shall prevent an agent acting
under a power of attorney for health care from exercising his or her
authority under the Illinois Power of Attorney Act without further court
order, unless a court has acted under Section 2-10 of the Illinois Power of
Attorney Act. If a guardian is also a health care agent for the ward under a
valid power of attorney for health care, the guardian acting as agent may
execute his or her authority under that act without further court order.

(e) Decisions made by a guardian on behalf of a ward shall be
made in accordance with the following standards for decision making.
Decisions made by a guardian on behalf of a ward may be made by
conforming as closely as possible to what the ward, if competent, would
have done or intended under the circumstances, taking into account
evidence that includes, but is not limited to, the ward's personal,
philosophical, religious and moral beliefs, and ethical values relative to the
decision to be made by the guardian. Where possible, the guardian shall
determine how the ward would have made a decision based on the ward's

New matter indicated by italics- deletions by strikeout
previously expressed preferences, and make decisions in accordance with the preferences of the ward. If the ward's wishes are unknown and remain unknown after reasonable efforts to discern them, the decision shall be made on the basis of the ward's best interests as determined by the guardian. In determining the ward's best interests, the guardian shall weigh the reason for and nature of the proposed action, the benefit or necessity of the action, the possible risks and other consequences of the proposed action, and any available alternatives and their risks, consequences and benefits, and shall take into account any other information, including the views of family and friends, that the guardian believes the ward would have considered if able to act for herself or himself.

(f) Upon petition by any interested person (including the standby or short-term guardian), with such notice to interested persons as the court directs and a finding by the court that it is in the best interest of the person with a disability, the court may terminate or limit the authority of a standby or short-term guardian or may enter such other orders as the court deems necessary to provide for the best interest of the person with a disability. The petition for termination or limitation of the authority of a standby or short-term guardian may, but need not, be combined with a petition to have another guardian appointed for the person with a disability.

(g)(1) Unless there is a court order to the contrary, the guardian, consistent with the standards set forth in subsection (e) of this Section, shall use reasonable efforts to notify the ward's known adult children, who have requested notification and provided contact information, of the ward's admission to a hospital or hospice program, the ward's death, and the arrangements for the disposition of the ward's remains.

(2) If a guardian unreasonably prevents an adult child, spouse, adult grandchild, parent, or adult sibling of the ward from visiting the ward, the court, upon a verified petition, may order the guardian to permit visitation between the ward and the adult child, spouse, adult grandchild, parent, or adult sibling. In making its determination, the court shall consider the standards set forth in subsection (e) of this Section. The court shall not allow visitation if the court finds that the ward has capacity to evaluate and communicate decisions regarding visitation and expresses a desire not to have visitation with the petitioner. This subsection (g) does not apply to duly appointed public guardians or the Office of State Guardian.

(755 ILCS 5/11a-18) (from Ch. 110 1/2, par. 11a-18)
Sec. 11a-18. Duties of the estate guardian.
(a) To the extent specified in the order establishing the guardianship, the guardian of the estate shall have the care, management and investment of the estate, shall manage the estate frugally and shall apply the income and principal of the estate so far as necessary for the comfort and suitable support and education of the ward, his minor and adult dependent children, and persons related by blood or marriage who are dependent upon or entitled to support from him, or for any other purpose which the court deems to be for the best interests of the ward, and the court may approve the making on behalf of the ward of such agreements as the court determines to be for the ward's best interests. The guardian may make disbursement of his ward's funds and estate directly to the ward or other distributee or in such other manner and in such amounts as the court directs. If the estate of a ward is derived in whole or in part from payments of compensation, adjusted compensation, pension, insurance or other similar benefits made directly to the estate by the Veterans Administration, notice of the application for leave to invest or expend the ward's funds or estate, together with a copy of the petition and proposed order, shall be given to the Veterans' Administration Regional Office in this State at least 7 days before the hearing on the application.

(a-5) The probate court, upon petition of a guardian, other than the guardian of a minor, and after notice to all other persons interested as the court directs, may authorize the guardian to exercise any or all powers over the estate and business affairs of the ward that the ward could exercise if present and not under disability. The court may authorize the taking of an action or the application of funds not required for the ward's current and future maintenance and support in any manner approved by the court as being in keeping with the ward's wishes so far as they can be ascertained. The court must consider the permanence of the ward's disabling condition and the natural objects of the ward's bounty. In ascertaining and carrying out the ward's wishes the court may consider, but shall not be limited to, minimization of State or federal income, estate, or inheritance taxes; and providing gifts to charities, relatives, and friends that would be likely recipients of donations from the ward. The ward's wishes as best they can be ascertained shall be carried out, whether or not

tax savings are involved. Actions or applications of funds may include, but shall not be limited to, the following:

1. making gifts of income or principal, or both, of the estate, either outright or in trust;
2. conveying, releasing, or disclaiming his or her contingent and expectant interests in property, including marital property rights and any right of survivorship incident to joint tenancy or tenancy by the entirety;
3. releasing or disclaiming his or her powers as trustee, personal representative, custodian for minors, or guardian;
4. exercising, releasing, or disclaiming his or her powers as donee of a power of appointment;
5. entering into contracts;
6. creating for the benefit of the ward or others, revocable or irrevocable trusts of his or her property that may extend beyond his or her disability or life;
7. exercising options of the ward to purchase or exchange securities or other property;
8. exercising the rights of the ward to elect benefit or payment options, to terminate, to change beneficiaries or ownership, to assign rights, to borrow, or to receive cash value in return for a surrender of rights under any one or more of the following:
   i. life insurance policies, plans, or benefits,
   ii. annuity policies, plans, or benefits,
   iii. mutual fund and other dividend investment plans,
   iv. retirement, profit sharing, and employee welfare plans and benefits;
9. exercising his or her right to claim or disclaim an elective share in the estate of his or her deceased spouse and to renounce any interest by testate or intestate succession or by inter vivos transfer;
10. changing the ward's residence or domicile; or
11. modifying by means of codicil or trust amendment the terms of the ward's will or any revocable trust created by the ward, as the court may consider advisable in light of changes in applicable tax laws.

The guardian in his or her petition shall briefly outline the action or application of funds for which he or she seeks approval, the results expected to be accomplished thereby, and the tax savings, if any, expected to accrue. The proposed action or application of funds may include gifts of the ward's personal property or real estate, but transfers of real estate shall be subject to the requirements of Section 20 of this Act. Gifts may be for the benefit of prospective legatees, devisees, or heirs apparent of the ward or may be made to individuals or charities in which the ward is believed to have an interest. The guardian shall also indicate in the petition that any planned disposition is consistent with the intentions of the ward insofar as they can be ascertained, and if the ward's intentions cannot be ascertained, the ward will be presumed to favor reduction in the incidents of various forms of taxation and the partial distribution of his or her estate as provided in this subsection. The guardian shall not, however, be required to include as a beneficiary or fiduciary any person who he has reason to believe would be excluded by the ward. A guardian shall be required to investigate and pursue a ward's eligibility for governmental benefits.

(a-6) The guardian may, without an order of court, open, maintain, and transfer funds to an ABLE account on behalf of the ward and the ward's minor and adult dependent children as specified under Section 16.6 of the State Treasurer Act.

(b) Upon the direction of the court which issued his letters, a guardian may perform the contracts of his ward which were legally subsisting at the time of the commencement of the ward's disability. The court may authorize the guardian to execute and deliver any bill of sale, deed or other instrument.

(c) The guardian of the estate of a ward shall appear for and represent the ward in all legal proceedings unless another person is appointed for that purpose as guardian or next friend. This does not impair the power of any court to appoint a guardian ad litem or next friend to defend the interests of the ward in that court, or to appoint or allow any person as the next friend of a ward to commence, proseceute or defend any proceeding in his behalf. Without impairing the power of the court in any respect, if the guardian of the estate of a ward and another person as next friend shall appear for and represent the ward in a legal proceeding in which the compensation of the attorney or attorneys representing the guardian and next friend is solely determined under a contingent fee arrangement, the guardian of the estate of the ward shall not participate in or have any duty to review the prosecution of the action, to participate in

or review the appropriateness of any settlement of the action, or to participate in or review any determination of the appropriateness of any fees awarded to the attorney or attorneys employed in the prosecution of the action.

(d) Adjudication of disability shall not revoke or otherwise terminate a trust which is revocable by the ward. A guardian of the estate shall have no authority to revoke a trust that is revocable by the ward, except that the court may authorize a guardian to revoke a Totten trust or similar deposit or withdrawable capital account in trust to the extent necessary to provide funds for the purposes specified in paragraph (a) of this Section. If the trustee of any trust for the benefit of the ward has discretionary power to apply income or principal for the ward's benefit, the trustee shall not be required to distribute any of the income or principal to the guardian of the ward's estate, but the guardian may bring an action on behalf of the ward to compel the trustee to exercise the trustee's discretion or to seek relief from an abuse of discretion. This paragraph shall not limit the right of a guardian of the estate to receive accountings from the trustee on behalf of the ward.

(d-5) Upon a verified petition by the plenary or limited guardian of the estate or the request of the ward that is accompanied by a current physician's report that states the ward possesses testamentary capacity, the court may enter an order authorizing the ward to execute a will or codicil. In so ordering, the court shall authorize the guardian to retain independent counsel for the ward with whom the ward may execute or modify a will or codicil.

(e) Absent court order pursuant to the Illinois Power of Attorney Act directing a guardian to exercise powers of the principal under an agency that survives disability, the guardian will have no power, duty or liability with respect to any property subject to the agency. This subsection (e) applies to all agencies, whenever and wherever executed.

(f) Upon petition by any interested person (including the standby or short-term guardian), with such notice to interested persons as the court directs and a finding by the court that it is in the best interest of the person with a disability, the court may terminate or limit the authority of a standby or short-term guardian or may enter such other orders as the court deems necessary to provide for the best interest of the person with a disability. (20 ILCS 2310/2310-455 new)

Sec. 2310-455. Suicide prevention. Subject to appropriation, the Department shall implement activities associated with the Suicide Prevention, Education, and Treatment Act, including, but not limited to, the following:

(1) Coordinating suicide prevention, intervention, and postvention programs, services, and efforts statewide.

(2) Developing and submitting proposals for funding from federal agencies or other sources of funding to promote suicide prevention and coordinate activities.

(3) With input from the Illinois Suicide Prevention Alliance, preparing the Illinois Suicide Prevention Strategic Plan required under Section 15 of the Suicide Prevention, Education, and Treatment Act and coordinating the activities necessary to implement the recommendations in that Plan.

(4) With input from the Illinois Suicide Prevention Alliance, providing to the Governor and General Assembly the annual report required under Section 13 of the Suicide Prevention, Education, and Treatment Act.

Section 10. The Suicide Prevention, Education, and Treatment Act is amended by changing Sections 5, 13, 15, 20, and 30 as follows:

(410 ILCS 53/5)

Sec. 5. Legislative findings. The General Assembly makes the following findings:

(1) 1,474 Illinoisans lost their lives to suicide in 2017. During 2016, suicide was the eleventh leading cause of death in Illinois, causing more deaths than homicide, motor vehicle accidents, accidental falls, and numerous prevalent diseases,

New matter indicated by italics- deletions by strikeout
including liver disease, hypertension, influenza/pneumonia, Parkinson's disease, and HIV. Suicide was the third leading cause of death of ages 15 to 34 and the fourth leading cause of death of ages 35 to 54. Those living outside of urban areas are particularly at risk for suicide, with a rate that is 50% higher than those living in urban areas.

(2) For every person who dies by suicide, more than 30 others attempt suicide.

(3) Each suicide attempt and death impacts countless other individuals. Family members, friends, co-workers, and others in the community all suffer the long-lasting consequences of suicidal behaviors.

(4) Suicide attempts and deaths by suicide have an economic impact on Illinois. The National Center for Injury Prevention and Control estimates that in 2010 each suicide death in Illinois resulted in $1,181,549 in medical costs and work loss costs. It also estimated that each hospitalization for self-harm resulted in $31,019 in medical costs and work loss costs and each emergency room visit for self-harm resulted in $4,546 in medical costs and work loss costs.

(5) In 2004, the Illinois General Assembly passed the Suicide Prevention, Education, and Treatment Act (Public Act 93-907), which required the Illinois Department of Public Health to establish the Illinois Suicide Prevention Strategic Planning Committee to develop the Illinois Suicide Prevention Strategic Plan. That law required the use of the 2002 United States Surgeon General's National Suicide Prevention Strategy as a model for the Plan. Public Act 95-109 changed the name of the committee to the Illinois Suicide Prevention Alliance. The Illinois Suicide Prevention Strategic Plan was submitted in 2007 and updated in 2018.

(6) In 2004, there were 1,028 suicide deaths in Illinois, which the Centers for Disease Control reports was an age-adjusted rate of 8.11 deaths per 100,000. The Centers for Disease Control reports that the 1,474 suicide deaths in 2017 result in an age-adjusted rate of 11.19 deaths per 100,000. Thus, since the enactment of Public Act 93-907, the rate of suicides in Illinois has risen by 38%.
(7) Since the enactment of Public Act 93-907, there have been numerous developments in suicide prevention, including the issuance of the 2012 National Strategy for Suicide Prevention by the United States Surgeon General and the National Action Alliance for Suicide Prevention containing new strategies and recommended activities for local governmental bodies.

(8) Despite the obvious impact of suicide on Illinois citizens, Illinois has devoted minimal resources to its prevention. There is no full-time coordinator or director of suicide prevention activities in the State. Moreover, the Suicide Prevention Strategic Plan is still modeled on the now obsolete 2002 National Suicide Prevention Strategy.

(9) It is necessary to revise the Suicide Prevention Strategic Plan to reflect the most current National Suicide Prevention Strategy as well as current research and experience into the prevention of suicide.

(10) One of the goals adopted in the 2012 National Strategy for Suicide Prevention is to promote suicide prevention as a core component of health care services so there is an active engagement of health and social services, as well as the coordination of care across multiple settings, thereby ensuring continuity of care and promoting patient safety.

(11) Integrating suicide prevention into behavioral and physical health care services can save lives. National data indicate that: over 30% of individuals are receiving mental health care at the time of their deaths by suicide; 45% have seen their primary care physicians within one month of their deaths; and 25% of those who die of suicide visited an emergency department in the year prior to their deaths.

(12) The Zero Suicide model is a part of the National Strategy for Suicide Prevention, a priority of the National Action Alliance for Suicide Prevention, and a project of the Suicide Prevention Resource Center that implements the goal of making suicide prevention a core component of health care services.

(13) The Zero Suicide model is built on the foundational belief and aspirational goal that suicide deaths of individuals who are under the care of our health care systems are preventable with the adoption of comprehensive training, patient engagement, transition, and quality improvement.

New matter indicated by italics- deletions by strikeout
(14) Health care systems, including mental and behavioral health systems and hospitals, that have implemented the Zero Suicide model have noted significant reductions in suicide deaths for patients within their care.

(15) The Suicide Prevention Resource Center facilitates adoption of the Zero Suicide model by providing comprehensive information, resources, and tools for its implementation.

(1) The Surgeon General of the United States has described suicide prevention as a serious public health priority and has called upon each state to develop a statewide comprehensive suicide prevention strategy using a public health approach. Suicide now ranks 10th among causes of death, nationally:

(2) In 1998, 1,064 Illinoisans lost their lives to suicide, an average of 3 Illinois residents per day. It is estimated that there are between 21,000 and 35,000 suicide attempts in Illinois every year. Three and one-half percent of all suicides in the nation take place in Illinois.

(3) Among older adults, suicide rates are increasing, making suicide the leading fatal injury among the elderly population in Illinois. As the proportion of Illinois' population age 75 and older increases, the number of suicides among persons in this age group will also increase, unless an effective suicide prevention strategy is implemented.

(4) Adolescents are far more likely to attempt suicide than other age groups in Illinois. The data indicates that there are 100 attempts for every adolescent suicide completed. In 1998, 156 Illinois youths died by suicide, between the ages of 15 through 24. Using this estimate, there were likely more than 15,500 suicide attempts made by Illinois adolescents or approximately 50% of all estimated suicide attempts that occurred in Illinois were made by adolescents.

(5) Homicide and suicide rank as the second and third leading causes of death in Illinois for youth, respectively. Both are preventable. While the death rates for unintentional injuries decreased by more than 35% between 1979 and 1996, the death rates for homicide and suicide increased for youth. Evidence is growing in terms of the links between suicide and other forms of violence. This provides compelling reasons for broadening the State's scope in identifying risk factors for self-harmful behavior.

New matter indicated by italics- deletions by strikeout
The number of estimated youth suicide attempts and the growing concerns of youth violence can best be addressed through the implementation of successful gatekeeper-training programs to identify and refer youth at risk for self-harmful behavior.

(6) The American Association of Suicidology conservatively estimates that the lives of at least 6 persons related to or connected to individuals who attempt or complete suicide are impacted. Using these estimates, in 1998, more than 6,000 Illinoisans struggled to cope with the impact of suicide.

(7) Decreases in alcohol and other drug abuse, as well as decreases in access to lethal means, significantly reduce the number of suicides.

(8) Suicide attempts are expected to be higher than reported because attempts not requiring medical attention are not required to be reported. The underreporting of suicide completion is also likely because suicide classification involves conclusions regarding the intent of the deceased. The stigma associated with suicide is also likely to contribute to underreporting. Without interagency collaboration and support for proven, community-based, culturally-competent suicide prevention and intervention programs, suicides are likely to rise.

(9) Emerging data on rates of suicide based on gender, ethnicity, age, and geographic areas demand a new strategy that responds to the needs of a diverse population.

(10) According to Children’s Safety Network Economics Insurance, the cost of youth suicide acts by persons in Illinois who are under 21 years of age totals $539,000,000, including medical costs, future earnings lost, and a measure of quality of life.

(11) Suicide is the second leading cause of death in Illinois for persons between the ages of 15 and 24.

(12) In 1998, there were 1,116 homicides in Illinois; which outnumbered suicides by only 52. Yet, so far, only homicide has received funding, programs, and media attention.

(13) According to the 1999 national report on statistics for suicide of the American Association of Suicidology, categories of unintentional injury, motor vehicle deaths, and all other deaths include many reported and unsubstantiated suicides that are not identified correctly because of poor investigatory techniques;
unsophisticated inquest jurors, and stigmas that cause families to cover up evidence.

(14) Programs for HIV infectious diseases are very well funded even though, in Illinois, HIV deaths number 30% less than suicide deaths.

(4) additional elements as determined appropriate by the Alliance.

(c) The Director of Public Health shall appoint the members of the Alliance. The membership of the Alliance shall include, without limitation, representatives of statewide organizations and other agencies that focus on the prevention of suicide and the improvement of mental health treatment or that provide suicide prevention or survivor support services. Sec. 30. Suicide prevention pilot programs.

The holder of a Scholarship awarded under this Section shall be subject to all examinations and academic standards, including the maintenance of minimum grade levels, that are applicable generally to other enrolled students at the Illinois institution of higher learning where the Scholarship is being used. If the surviving spouse remarries or if there is a divorce between the veteran or serviceperson and his or her spouse while the dependent is pursuing his or her course of study, Scholarship benefits will be terminated at the end of the term for which he or she is presently enrolled. granted under this Section if application for reimbursement is made within 2 months following the end of the school term for which the fees were paid.

(b) In lieu of the benefit provided in subsection (a), any spouse, natural child, legally adopted child, or step-child of an eligible veteran or serviceperson, which spouse or child has a physical, mental or developmental disability, shall be entitled to receive, upon application and proper proof, a benefit to be used for the purpose of defraying the cost of the attendance or treatment of such spouse or child at one or more appropriate therapeutic, rehabilitative or educational facilities. The application and proof may be made by the parent or legal guardian of the spouse or child on his or her behalf.

The total benefit provided to any beneficiary under this subsection shall not exceed the cost equivalent of 4 calendar years of full-time enrollment, including summer terms, at the University of Illinois. Whenever practicable in the opinion of the Department of Veterans' Affairs, payment of benefits under this subsection shall be made directly to the facility, the cost of attendance or treatment at which is being defrayed, as such costs accrue.

(c) The benefits of this Section shall be administered by and paid for out of funds made available to the Illinois Department of Veterans' Affairs. The amounts that become due to any state supported Illinois institution of higher learning shall be payable by the Comptroller to such institution on vouchers approved by the Illinois Department of Veterans' Affairs. The amounts that become due under subsection (b) of this Section shall be payable by warrant upon vouchers issued by the Illinois Department of Veterans' Affairs and approved by the Comptroller. Section 5. The Veterans' and Military Discount Program Act is amended by changing Sections 5 and 10 as follows:

Sec. 5. Legislative findings. Section 1. Reference to Act. This Act may be referred to as the Stay of Driver's License Suspension for Child Support Arrearage Law.

Section 5. The Illinois Public Aid Code is amended by changing Section 10-16.5 as follows:

Sec. 10-16.5. Interest on support obligations. A support obligation, or any portion of a support obligation, which becomes due and remains unpaid as of the end of each month, excluding the child support that was due for that month to the extent that it was not paid in that month, shall accrue simple interest as set forth in Section 12-109 of the Code of Civil Procedure. Section 15. The Code of Civil Procedure is amended by changing Section 12-109 as follows:

Sec. 12-109. Interest on judgments.
(a) Every judgment except those arising by operation of law from child support orders shall bear interest thereon as provided in Section 2-1303.

(b) Every judgment arising by operation of law from a child support order shall bear interest as provided in this subsection. The interest on judgments arising by operation of law from child support orders shall be calculated by applying one-twelfth of the current statutory interest rate as provided in Section 2-1303 to the unpaid child support balance as of the end of each calendar month. The unpaid child support balance at the end of the month is the total amount of child support ordered, excluding the child support that was due for that month to the extent that it was not paid in that month and including judgments for retroactive child support, less all payments received and applied as set forth in this subsection. The accrued interest shall not be included in the unpaid child support balance when calculating interest at the end of the month. The unpaid child support balance as of the end of each month shall be determined by calculating the current monthly child support obligation and applying all payments received for that month, except federal income tax refund intercepts, first to the current monthly child support obligation and then applying any payments in excess of the current monthly child support obligation to the unpaid child support balance owed from previous months. The current monthly child support obligation shall be determined from the document that established the support obligation. Federal income tax refund intercepts and any payments in excess of the current monthly child support obligation shall be applied to the unpaid child support balance. Any payments in excess of the current monthly child support obligation and the unpaid child support balance shall be applied to the accrued interest on the unpaid child support balance. The service retirement pension shall not be cancelled in the case of a service retirement pensioner who is re-employed as a teacher on a temporary and non-annual basis or on an hourly basis, so long as the person (1) does not work as a teacher for compensation on more than 100 days in a school year or (2) does not accept gross compensation for the re-employment in a school year in excess of (i) $30,000 or (ii) in the case of a person who retires with at least 5 years of service as a principal, an amount that is equal to the daily rate normally paid to retired principals multiplied by 100. An Employer must certify to the Fund the temporary and non-annual or hourly status and the compensation of each pensioner re-employed under this subsection at least quarterly, and when the pensioner is approaching the earnings limitation under this subsection.

If the pensioner works more than 100 days or accepts excess gross compensation for such re-employment in any school year that begins on or after August 8, 2012 (the effective date of Public Act 97-912), the service retirement pension shall thereupon be cancelled.

If the pensioner who only teaches drivers education courses after regular school hours works more than 900 hours or accepts excess gross compensation for such re-employment in any school year that begins on or after the effective date of this amendatory Act of the 99th General Assembly, the service retirement pension shall thereupon be cancelled.

(a) Any data collector that owns or licenses personal information concerning an Illinois resident shall notify the resident at no charge that there has been a breach of the security of the system data following discovery or notification of the breach. The disclosure notification shall be made in the most expedient time possible and without unreasonable delay, consistent with any measures necessary to determine the scope of the breach and restore the reasonable integrity, security, and confidentiality of the data system. The disclosure notification to an Illinois resident shall include, but need not be limited to, information as follows:

(1) With respect to personal information as defined in Section 5 in paragraph (1) of the definition of "personal information":

(B) the toll-free number, address, and website address for the Federal Trade Commission; and

New matter indicated by italics- deletions by strikeout
(C) a statement that the individual can obtain information from these sources about fraud alerts and security freezes.

(2) With respect to personal information defined in Section 5 in paragraph (2) of the definition of "personal information", notice may be provided in electronic or other form directing the Illinois resident whose personal information has been breached to promptly change his or her user name or password and security question or answer, as applicable, or to take other steps appropriate to protect all online accounts for which the resident uses the same user name or email address and password or security question and answer.

The notification shall not, however, include information concerning the number of Illinois residents affected by the breach.

(b) Any data collector that maintains or stores, but does not own or license, computerized data that includes personal information that the data collector does not own or license shall notify the owner or licensee of the information of any breach of the security of the data immediately following discovery, if the personal information was, or is reasonably believed to have been, acquired by an unauthorized person. In addition to providing such notification to the owner or licensee, the data collector shall cooperate with the owner or licensee in matters relating to the breach. That cooperation shall include, but need not be limited to, (i) informing the owner or licensee of the breach, including giving notice of the date or approximate date of the breach and the nature of the breach, and (ii) informing the owner or licensee of any steps the data collector has taken or plans to take relating to the breach. (b-5) The notification to an Illinois resident required by subsection (a) of this Section may be delayed if an appropriate law enforcement agency determines that notification will interfere with a criminal investigation and provides the data collector with a written request for the delay. However, the data collector must notify the Illinois resident as soon as notification will no longer interfere with the investigation.

(c) For purposes of this Section, notice to consumers may be provided by one of the following methods:

(1) written notice;
(2) electronic notice, if the notice provided is consistent with the provisions regarding electronic records and signatures for notices legally required to be in writing as set forth in Section 7001 of Title 15 of the United States Code; or

(3) substitute notice, if the data collector demonstrates that the cost of providing notice would exceed $250,000 or that the affected class of subject persons to be notified exceeds 500,000, or the data collector does not have sufficient contact information. Substitute notice shall consist of all of the following: (i) email notice if the data collector has an email address for the subject persons; (ii) conspicuous posting of the notice on the data collector’s web site page if the data collector maintains one; and (iii) notification to major statewide media or, if the breach impacts residents in one geographic area, to prominent local media in areas where affected individuals are likely to reside if such notice is reasonably calculated to give actual notice to persons whom notice is required.

(d) Notwithstanding any other subsection in this Section, a data collector that maintains its own notification procedures as part of an information security policy for the treatment of personal information and is otherwise consistent with the timing requirements of this Act, shall be deemed in compliance with the notification requirements of this Section if the data collector notifies subject persons in accordance with its policies in the event of a breach of the security of the system data.

(e)(1) This subsection does not apply to data collectors that are covered entities or business associates and are in compliance with Section 50.

(2) Any data collector required to issue notice pursuant to this Section to more than 500 Illinois residents as a result of a single breach of the security system shall provide notice to the Attorney General of the breach, including:

(A) A description of the nature of the breach of security or unauthorized acquisition or use.

(Senate Bill No. 1651)

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Downstate Forest Preserve District Act is amended by changing Section 6 as follows:

(70 ILCS 805/6) (from Ch. 96 1/2, par. 6309)

Sec. 6. Acquisition of property. Any such District shall have power to acquire lands and grounds for the aforesaid purposes by lease, or in fee simple by gift, grant, legacy, purchase or condemnation, or to acquire easements in land, and to construct, lay out, improve and maintain wells, power plants, comfort stations, shelter houses, paths, driveways, public roads, roadways and other improvements and facilities in and through such forest preserves as they shall deem necessary or desirable for the use of such forest preserves by the public and may acquire, develop, improve and maintain waterways in conjunction with the district. No district with a population less than 600,000 shall have the power to purchase, condemn, lease or acquire an easement in property within a municipality without the concurrence of the governing body of the municipality, except where such district is acquiring land for a linear park or trail not to exceed 100 yards in width or is acquiring land contiguous to an existing park or forest preserve, and no municipality shall annex any land for the purpose of defeating a District acquisition once the District has given notice of intent to acquire a specified parcel of land. No district with a population of less

New matter indicated by italics- deletions by strikeout
than 500,000 shall (i) have the power to condemn property for a linear park or trail within a municipality without the concurrence of the governing body of the municipality or (ii) have the power to condemn property for a linear park or trail in an unincorporated area without the concurrence of the governing body of the township within which the property is located or (iii) once having commenced a proceeding to acquire land by condemnation, dismiss or abandon that proceeding without the consent of the property owners. No district shall establish a trail surface within 50 feet of an occupied dwelling which was in existence prior to the approval of the acquisition by the district without obtaining permission of the owners of the premises or the concurrence of the governing body of the municipality or township within which the property is located. All acquisitions of land by a district with a population less than 600,000 within 1 1/2 miles of a municipality shall be preceded by a conference with the mayor or president of the municipality or his designated agent. If a forest preserve district is in negotiations for acquisition of land with owners of land adjacent to a municipality, the annexation of that land shall be deferred for 6 months. The district shall have no power to acquire an interest in real estate situated outside the district by the exercise of the right of eminent domain, by purchase or by lease, but shall have the power to acquire any such property, or an easement in any such property, which is contiguous to the district by gift, legacy, grant, or lease by the State of Illinois, subject to approval of the county board of the county, and of any forest preserve district or conservation district, within which the property is located. The district shall have the same control of and power over land, an interest in which it has so acquired, as over forest preserves within the district. If any of the powers to acquire lands and hold or improve the same given to Forest Preserve Districts, by Sections 5 and 6 of this Act should be held invalid, such invalidity shall not invalidate the remainder of this Act or any of the other powers herein given and conferred upon the Forest Preserve Districts. Such Forest Preserve Districts shall also have power to lease not to exceed 40 acres of the lands and grounds acquired by it, for a term of not more than 99 years to veterans' organizations as grounds for convalescing sick veterans and veterans with disabilities, and as a place upon which to construct rehabilitation quarters, or to a county as grounds for a county nursing home or convalescent home. Any such Forest Preserve District shall also have power to grant licenses, easements and rights-of-way for the construction, operation and maintenance upon, under or across any property of such District of facilities for water, sewage,
telephone, telegraph, electric, gas, renewable energy, or other public service, subject to such terms and conditions as may be determined by such District.

Any such District may purchase, but not condemn, a parcel of land and sell a portion thereof for not less than fair market value pursuant to resolution of the Board. Such resolution shall be passed by the affirmative vote of at least 2/3 of all members of the board within 30 days after acquisition by the district of such parcel.

The corporate authorities of a forest preserve district that (i) is located in a county that has more than 700,000 inhabitants, (ii) borders a county that has 1,000,000 or more inhabitants, and (iii) also borders another state, by ordinance or resolution, may authorize the sale or public auction of a structure located on land owned by the district if (i) the structure existed on the land prior to the district's acquisition of the land, (ii) two-thirds of the members of the board of commissioners then holding office find that the structure is not necessary or is not useful to or for the best interest of the forest preserve district, (iii) a condition of sale or auction requires the transferee of the structure to remove the structure from district land, and (iv) prior to the sale or auction, the fair market value of the structure is determined by a written MAI-certified appraisal or by a written certified appraisal of a State certified or licensed real estate appraiser and the appraisal is available for public inspection. The ordinance or resolution shall (i) direct the sale to be conducted by the staff of the district, a listing with local licensed real estate agencies (in which case the terms of the agent's compensation shall be included in the ordinance or resolution), or by public auction, (ii) be published within 7 days after its passage in a newspaper published in the district, and (iii) contain pertinent information concerning the nature of the structure and any terms or conditions of sale or auction. No earlier than 14 days after the publication, the corporate authorities may accept any offer for the structure determined by them to be in the best interest of the district by a vote of two-thirds of the corporate authorities then holding office.

Whenever the board of any forest preserve district determines that the public interest will be subserved by vacating any street, roadway, or driveway, or part thereof, located within a forest preserve, it may vacate that street, roadway, or driveway, or part thereof, by an ordinance passed by the affirmative vote of at least 3/4 of all the members of the board, except that the affirmative vote of at least 6/7 of all the members of the board is required if the board members are elected under Section 3c of this

New matter indicated by italics- deletions by strikeout
Act. This vote shall be taken by ayes and nays and entered in the records of the board.

The determination of the board that the nature and extent of the public use or public interest to be subserved is such as to warrant the vacation of any street, roadway, or driveway, or part thereof, is conclusive, and the passage of such an ordinance is sufficient evidence of that determination, whether so recited in the ordinance or not. The relief to the public from further burden and responsibility of maintaining any street, roadway or driveway, or part thereof, constitutes a public use or public interest authorizing the vacation.

Nothing contained in this Section shall be construed to authorize the board of any forest preserve district to vacate any street, roadway, or driveway, or part thereof, that is part of any State or county highway.

When property is damaged by the vacation or closing of any street, roadway, or driveway, or part thereof, damage shall be ascertained and paid as provided by law.

Except in cases where the deed, or other instrument dedicating a street, roadway, or driveway, or part thereof, has expressly provided for a specific devolution of the title thereto upon the abandonment or vacation thereof, and except where such street, roadway or driveway, or part thereof, is held by the district by lease, or where the district holds an easement in the land included within the street, roadway or driveway, whenever any street, roadway, or driveway, or part thereof is vacated under or by virtue of any ordinance of any forest preserve district, the title to the land in fee simple included within the street, roadway, or driveway, or part thereof, so vacated vests in the forest preserve district.

The board of any forest preserve district is authorized to sell at fair market price, gravel, sand, earth and any other material obtained from the lands and waters owned by the district.

For the purposes of this Section, "acquiring land" includes acquiring a fee simple, lease or easement in land.

(a) Applications for original licensure shall be made to the Department in writing on forms or electronically as prescribed by the Department and shall be accompanied by the required fee, which is not refundable. All applications shall contain information that, in the judgment of the Department, will enable the Department to pass on the qualifications of the applicant for a license as an architect. Any such application shall require information as in the judgment of the Department will enable the Department to pass on the qualifications of the applicant to practice architecture. Sec. 12. Examinations; subjects; failure or refusal to take examination.

(a) The Department shall authorize examinations of applicants for a license under this Act at such times and places as it may determine. The examination shall be of a character to give a fair test of the qualifications of the applicant to practice as an architect.

(b) An applicant for examination is required to pay, either to the Department or the designated testing service, a fee covering the cost of providing the examination. Failure to appear for the examination on the scheduled date, at the time and place specified, after the applicant's application for examination has been received and acknowledged by the Department or the designated testing service, shall result in the forfeiture of the examination fee.

(c) If an applicant fails to pass an examination for licensure under this Act within 3 years after filing the application, the application shall be denied. However, such applicant may thereafter make a new application for examination accompanied by the required fee and must furnish proof of meeting the qualifications for examination in effect at the time of the new application.

The Department shall authorize examination of applicants as architects at such times and places as it may determine. The examination shall be in English and shall be written or written and graphic. It shall include at a minimum the following subjects:

(e) general structures (identification, resolution, and incorporation of structural systems and the long span design on the technical aspects of the design of buildings and the process and construction);

(f) lateral forces (identification and resolution of the effects of lateral forces on the technical aspects of the design of buildings and the process of construction);

(g) mechanical and electrical systems (as applied to the design of buildings, including plumbing and acoustical systems);

(h) materials and methods (as related to the design of buildings and the technical aspects of construction); and

(i) construction documents and services (conduct of architectural practice as it relates to construction documents, bidding, and construction administration and contractual documents from beginning to end of a building project).

It shall be the responsibility of the applicant to be familiar with this Act and its rules.

Examination subject matter headings and bases on which examinations are graded shall be indicated in rules pertaining to this Act. The Department may adopt the examinations and grading procedures of the National Council of Architectural Registration Boards. Content of any particular examination shall not be considered public record under the Freedom of Information Act.

If an applicant neglects without an approved excuse or refuses to take the next available examination offered for licensure under this Act, the fee paid by the applicant shall be forfeited. If an applicant fails to pass an examination for licensure under this Act within 2 years after filing an application, the application shall be denied. The applicant may, however, make a new application for examination accompanied by the required fee and must furnish proof of meeting the qualifications for examination in effect at the time of the new application.

(d) An applicant shall have 5 years from the passage of the first examination to successfully complete all examinations required by rule of the Department.

The Department may by rule prescribe additional subjects for examination.

(e) An applicant has one year from the date of notification of successful completion of all the examination and experience requirements to apply to the Department for a license. If an applicant fails to apply within one year, the applicant shall be required to again take and pass the examination, unless the Department, upon recommendation of the Board, determines that there is sufficient cause for the delay that is not due to the fault of the applicant.
Sec. 13. Qualifications of applicants. Any person who is of good moral character may apply for licensure if he or she is a graduate with a first professional degree in architecture from a program accredited by the National Architectural Accrediting Board, has completed the examination requirements set forth under Section 12 of this Act, and has completed such diversified professional training, including academic training, as is required by rules of the Department. Until January 1, 2016, in lieu of the requirement of graduation with a first professional degree in architecture from a program accredited by the National Architectural Accrediting Board, the Department may admit an applicant who is a graduate with a pre-professional 4 year baccalaureate degree accepted for direct entry into a first professional master of architecture degree program, and who has completed such additional diversified professional training, including academic training, as is required by rules of the Department. The Department may adopt, as its own rules relating to diversified professional training, those guidelines published from time to time by the National Council of Architectural Registration Boards.

Good moral character means such character as will enable a person to discharge the fiduciary duties of an architect to that person's client and to the public in a manner that protects health, safety, and welfare. Evidence of inability to discharge such duties may include the commission of an offense justifying discipline under Section 22. In addition, the Department may take into consideration whether the applicant has engaged in conduct or actions that would constitute grounds for discipline under this Act.

Sec. 14. Seal Display of license; seal. Every holder of a license as an architect shall display it in a conspicuous place in the principal office of the architect. Every architect shall have a reproducible seal, or facsimile, the impression print of which shall contain the name of the architect, the license number, and the words "Licensed Architect, State of Illinois". The architect shall affix the signature, current date, date of license expiration, and seal to the first sheet of any bound set or loose sheets of technical submissions used as contract documents between the parties to the

contract or prepared for the review and approval of any governmental or public authority having jurisdiction by that architect or under that architect's responsible control. The sheet of technical submissions in which the seal is affixed shall indicate those documents or parts thereof for which the seal shall apply. The seal and dates may be electronically affixed. The licensee may provide, at his or her sole discretion, an original signature in the licensee's handwriting, a scanned copy of the document bearing an original signature, or a signature generated by a computer. All technical submissions issued by any corporation, partnership, professional service corporation, or professional design firm as registered under this Act shall contain the corporate or assumed business name and design firm registration number, in addition to any other seal requirements as set forth in this Section.

"Responsible control" means that amount of control over and detailed professional knowledge of the content of technical submissions during their preparation as is ordinarily exercised by architects applying the required professional standard of care. Merely reviewing or reviewing and correcting the technical submissions or any portion thereof prepared by those not in the regular employment of the office where the architect is resident without control over the content of such work throughout its preparation does not constitute responsible control.

An architect licensed under this Act shall not sign and seal technical submissions that were not prepared by or under the responsible control of the architect except that:

1. the architect may sign and seal those portions of the technical submissions that were prepared by or under the responsible control of persons who hold a license under this Act, and who have signed and sealed the documents, if the architect has reviewed in whole or in part such portions and has either coordinated their preparation or integrated them into his or her work;

2. the architect may sign and seal portions of the professional work that are not required by this Act to be prepared by or under the responsible control of an architect if the architect has reviewed and adopted in whole or in part such portions and has integrated them into his or her work; and

of the content of the technical submissions and intends to be responsible for the adequacy of the technical submissions, may sign and seal technical submissions that are prepared by or under the responsible control of architects who are licensed in this State and who are in the regular employment of the professional design firm.

The architect exercising responsible control under which the technical submissions documents or portions of the technical submissions documents were prepared shall be identified on the technical submissions documents or portions of the technical submissions documents by name and Illinois license number.

Any architect who signs and seals technical submissions not prepared by that architect but prepared under the architect's responsible control by persons not regularly employed in the office where the architect is resident shall maintain and make available to the board upon request for at least 5 years following such signing and sealing, adequate and complete records demonstrating the nature and extent of the architect's control over and detailed professional knowledge of such technical submissions throughout their preparation.
