c) Personal Property Tax Replacement Income Tax. Beginning on
July 1, 1979 and thereafter, in addition to such income tax, there is also
hereby imposed the Personal Property Tax Replacement Income Tax
measured by net income on every corporation (including Subchapter S
corporations), partnership and trust, for each taxable year ending after June
30, 1979. Such taxes are imposed on the privilege of earning or receiving
income in or as a resident of this State. The Personal Property Tax

or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,

equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

New matter indicated by italics - deletions by strikeout
(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the
original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006

in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and
(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would

have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2018, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2018.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

   (A) is tangible, whether new or used, including buildings and structural components of buildings;

   (B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.
(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.
(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.
(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.
(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the taxable year in a River Edge Redevelopment Zone, provided such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's
employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is 0.5% and the denominator of which is 1%, but shall not exceed 0.5%.

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the

original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:
   (A) is tangible, whether new or used, including buildings and structural components of buildings;
   (B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);
   (C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and
   (D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined...
by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.
If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semitechnical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2022, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a)

New matter indicated by italics - deletions by strikeout
and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

It is the intent of the General Assembly that the research and development credit under this subsection (k) shall apply continuously for all tax years ending on or after December 31, 2004 and ending prior to January 1, 2022, including, but not limited to, the period beginning on January 1, 2016 and ending on the effective date of this amendatory Act of the 100th General Assembly. All actions taken in reliance on the continuation of the credit under this subsection (k) by any taxpayer are hereby validated.

(l) Environmental Remediation Tax Credit.

   (i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of

the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by
subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed (i) $500 for tax years ending prior to December 31, 2017, and (ii) $750 for tax years ending on or after December 31, 2017. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. Notwithstanding any other provision of law, for taxable years beginning on or after January 1, 2017, no taxpayer may claim a credit under this subsection (m) if the taxpayer's adjusted gross income for the taxable year exceeds (i) $500,000, in the case of spouses filing a joint federal tax return or (ii) $250,000, in the case of all other taxpayers. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:
"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act.

For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. (35 ILCS 5/502) (from Ch. 120, par. 5-502)

Sec. 502. Returns and notices.

(a) In general. A return with respect to the taxes imposed by this Act shall be made by every person for any taxable year:

(1) for which such person is liable for a tax imposed by this Act, or

(2) in the case of a resident or in the case of a corporation which is qualified to do business in this State, for which such person is required to make a federal income tax return, regardless of whether such person is liable for a tax imposed by this Act. However, this paragraph shall not require a resident to make a return if such person has an Illinois base income of the basic amount in Section 204(b) or less and is either claimed as a dependent on another person's tax return under the Internal Revenue Code, or is claimed as a dependent on another person's tax return under this Act.

Notwithstanding the provisions of paragraph (1), a nonresident (other than, for taxable years ending on or after December 31, 2011, a nonresident required to withhold tax under Section 709.5) whose Illinois income tax liability under subsections (a), (b), (c), and (d) of Section 201 of this Act is paid in full after taking into account the credits allowed under subsection (f) of this Section or allowed under Section 709.5 of this Act shall not be required to file a return under this subsection (a).

(b) Fiduciaries and receivers.

(1) Decedents. If an individual is deceased, any return or notice required of such individual under this Act shall be made by his executor, administrator, or other person charged with the property of such decedent.

(2) Individuals under a disability. If an individual is unable to make a return or notice required under this Act, the return or
notice required of such individual shall be made by his duly authorized agent, guardian, fiduciary or other person charged with the care of the person or property of such individual.

(3) Estates and trusts. Returns or notices required of an estate or a trust shall be made by the fiduciary thereof.

(4) Receivers, trustees and assignees for corporations. In a case where a receiver, trustee in bankruptcy, or assignee, by order of a court of competent jurisdiction, by operation of law, or otherwise, has possession of or holds title to all or substantially all the property or business of a corporation, whether or not such property or business is being operated, such receiver, trustee, or assignee shall make the returns and notices required of such corporation in the same manner and form as corporations are required to make such returns and notices.

(c) Joint returns by spouses husband and wife.

(1) Except as provided in paragraph (3):

(A) if spouses a husband and wife file a joint federal income tax return for a taxable year ending before December 31, 2009 or ending on or after December 31, 2021, they shall file a joint return under this Act for such taxable year and their liabilities shall be joint and several;

(B) if spouses a husband and wife file a joint federal income tax return for a taxable year ending on or after December 31, 2009 and ending prior to December 31, 2021, they may elect to file separate returns under this Act for such taxable year. The election under this paragraph must be made on or before the due date (including extensions) of the return and, once made, shall be irrevocable. If no election is timely made under this paragraph for a taxable year:

(i) the couple must file a joint return under this Act for such taxable year,

(ii) their liabilities shall be joint and several, and

(iii) any overpayment for that taxable year may be withheld under Section 909 of this Act or under Section 2505-275 of the Civil Administrative Code of Illinois and applied against a debt of either
spouse without regard to the amount of the overpayment attributable to the other spouse; and
(C) if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this Act.

(2) If neither spouse is required to file a federal income tax return and either or both are required to file a return under this Act, they may elect to file separate or joint returns and pursuant to such election their liabilities shall be separate or joint and several.

(3) If either spouse is a resident and the other is a nonresident, they shall file separate returns in this State on such forms as may be required by the Department in which event their tax liabilities shall be separate; but if they file a joint federal income tax return for a taxable year, they may elect to determine their joint net income and file a joint return for that taxable year under the provisions of paragraph (1) of this subsection as if both were residents and in such case, their liabilities shall be joint and several.

(4) Innocent spouses.

(A) However, for tax liabilities arising and paid prior to August 13, 1999, an innocent spouse shall be relieved of liability for tax (including interest and penalties) for any taxable year for which a joint return has been made, upon submission of proof that the Internal Revenue Service has made a determination under Section 6013(e) of the Internal Revenue Code, for the same taxable year, which determination relieved the spouse from liability for federal income taxes. If there is no federal income tax liability at issue for the same taxable year, the Department shall rely on the provisions of Section 6013(e) to determine whether the person requesting innocent spouse abatement of tax, penalty, and interest is entitled to that relief.

(B) For tax liabilities arising on and after August 13, 1999 or which arose prior to that date, but remain unpaid as of that date, if an individual who filed a joint return for any taxable year has made an election under this paragraph, the individual's liability for any tax shown on the joint return shall not exceed the individual's separate return amount and the individual's liability for any

deficiency assessed for that taxable year shall not exceed the portion of the deficiency properly allocable to the individual. For purposes of this paragraph:

(i) An election properly made pursuant to Section 6015 of the Internal Revenue Code shall constitute an election under this paragraph, provided that the election shall not be effective until the individual has notified the Department of the election in the form and manner prescribed by the Department.

(ii) If no election has been made under Section 6015, the individual may make an election under this paragraph in the form and manner prescribed by the Department, provided that no election may be made if the Department finds that assets were transferred between individuals filing a joint return as part of a scheme by such individuals to avoid payment of Illinois income tax and the election shall not eliminate the individual's liability for any portion of a deficiency attributable to an error on the return of which the individual had actual knowledge as of the date of filing.

(iii) In determining the separate return amount or portion of any deficiency attributable to an individual, the Department shall follow the provisions in subsections (c) and (d) of Section 6015 of the Internal Revenue Code.

(iv) In determining the validity of an individual's election under subparagraph (ii) and in determining an electing individual's separate return amount or portion of any deficiency under subparagraph (iii), any determination made by the Secretary of the Treasury, by the United States Tax Court on petition for review of a determination by the Secretary of the Treasury, or on appeal from the United States Tax Court under Section 6015 of the Internal Revenue Code regarding criteria for eligibility or under subsection (d) of Section 6015 of the Internal Revenue Code regarding the allocation

of any item of income, deduction, payment, or credit between an individual making the federal election and that individual's spouse shall be conclusively presumed to be correct. With respect to any item that is not the subject of a determination by the Secretary of the Treasury or the federal courts, in any proceeding involving this subsection, the individual making the election shall have the burden of proof with respect to any item except that the Department shall have the burden of proof with respect to items in subdivision (ii).

(v) Any election made by an individual under this subsection shall apply to all years for which that individual and the spouse named in the election have filed a joint return.

(vi) After receiving a notice that the federal election has been made or after receiving an election under subdivision (ii), the Department shall take no collection action against the electing individual for any liability arising from a joint return covered by the election until the Department has notified the electing individual in writing that the election is invalid or of the portion of the liability the Department has allocated to the electing individual. Within 60 days (150 days if the individual is outside the United States) after the issuance of such notification, the individual may file a written protest of the denial of the election or of the Department's determination of the liability allocated to him or her and shall be granted a hearing within the Department under the provisions of Section 908. If a protest is filed, the Department shall take no collection action against the electing individual until the decision regarding the protest has become final under subsection (d) of Section 908 or, if administrative review of the Department's decision is requested under Section 1201, until the decision of the court becomes final.
(d) Partnerships. Every partnership having any base income allocable to this State in accordance with section 305(c) shall retain information concerning all items of income, gain, loss and deduction; the names and addresses of all of the partners, or names and addresses of members of a limited liability company, or other persons who would be entitled to share in the base income of the partnership if distributed; the amount of the distributive share of each; and such other pertinent information as the Department may by forms or regulations prescribe. The partnership shall make that information available to the Department when requested by the Department.

(e) For taxable years ending on or after December 31, 1985, and before December 31, 1993, taxpayers that are corporations (other than Subchapter S corporations) having the same taxable year and that are members of the same unitary business group may elect to be treated as one taxpayer for purposes of any original return, amended return which includes the same taxpayers of the unitary group which joined in the election to file the original return, extension, claim for refund, assessment, collection and payment and determination of the group's tax liability under this Act. This subsection (e) does not permit the election to be made for some, but not all, of the purposes enumerated above. For taxable years ending on or after December 31, 1987, corporate members (other than Subchapter S corporations) of the same unitary business group making this subsection (e) election are not required to have the same taxable year.

For taxable years ending on or after December 31, 1993, taxpayers that are corporations (other than Subchapter S corporations) and that are members of the same unitary business group shall be treated as one taxpayer for purposes of any original return, amended return which includes the same taxpayers of the unitary group which joined in filing the original return, extension, claim for refund, assessment, collection and payment and determination of the group's tax liability under this Act.

(f) For taxable years ending prior to December 31, 2014, the Department may promulgate regulations to permit nonresident individual partners of the same partnership, nonresident Subchapter S corporation shareholders of the same Subchapter S corporation, and nonresident individuals transacting an insurance business in Illinois under a Lloyds plan of operation, and nonresident individual members of the same limited liability company that is treated as a partnership under Section 1501 (a)(16) of this Act, to file composite individual income tax returns reflecting the composite income of such individuals allocable to Illinois

For taxable years ending prior to December 31, 2014, the Department may by regulation also permit such composite returns to include the income tax owed by Illinois residents attributable to their income from partnerships, Subchapter S corporations, insurance businesses organized under a Lloyds plan of operation, or limited liability companies that are treated as partnership under Section 1501(a)(16) of this Act, in which case such Illinois residents will be permitted to claim credits on their individual returns for their shares of the composite tax payments. This paragraph of subsection (f) applies to taxable years ending on or after December 31, 1987 and ending prior to December 31, 2014.

For taxable years ending on or after December 31, 1999, the Department may, by regulation, permit any persons transacting an insurance business organized under a Lloyds plan of operation to file composite returns reflecting the income of such persons allocable to Illinois and the tax rates applicable to such persons under Section 201 and to make composite tax payments and shall, by regulation, also provide that the income and apportionment factors attributable to the transaction of an insurance business organized under a Lloyds plan of operation by any person joining in the filing of a composite return shall, for purposes of allocating and apportioning income under Article 3 of this Act and computing net income under Section 202 of this Act, be excluded from any other income and apportionment factors of that person or of any unitary business group, as defined in subdivision (a)(27) of Section 1501, to which that person may belong.

For taxable years ending on or after December 31, 2008, every nonresident shall be allowed a credit against his or her liability under subsections (a) and (b) of Section 201 for any amount of tax reported on a composite return and paid on his or her behalf under this subsection (f). Residents (other than persons transacting an insurance business organized under a Lloyds plan of operation) may claim a credit for taxes reported on a composite return and paid on their behalf under this subsection (f) only as permitted by the Department by rule.

(f-5) For taxable years ending on or after December 31, 2008, the Department may adopt rules to provide that, when a partnership or Subchapter S corporation has made an error in determining the amount of any item of income, deduction, addition, subtraction, or credit required to be reported on its return that affects the liability imposed under this Act on a partner or shareholder, the partnership or Subchapter S corporation may

report the changes in liabilities of its partners or shareholders and claim a refund of the resulting overpayments, or pay the resulting underpayments, on behalf of its partners and shareholders.

(g) The Department may adopt rules to authorize the electronic filing of any return required to be filed under this Section.

Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income and for which the individual claims a credit under subsection (l) of Section 201;

business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-18) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. (B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. For purposes of this subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b)(2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code, but without regard to the prohibition against offsetting losses from patronage activities against income from nonpatronage activities; except that a cooperative corporation or association may make an election to follow its federal income tax treatment of patronage losses and nonpatronage losses. In the event such election is made, such losses shall be computed and carried over in a manner consistent with subsection (a) of Section 207 of this Act and apportioned by the apportionment factor reported by
the cooperative on its Illinois income tax return filed for the taxable year in which the losses are incurred. The election shall be effective for all taxable years with original returns due on or after the date of the election. In addition, the cooperative may file an amended return or returns, as allowed under this Act, to provide that the election shall be effective for losses incurred or carried forward for taxable years occurring prior to the date of the election. Once made, the election may only be revoked upon approval of the Director. The Department shall adopt rules setting forth requirements for documenting the elections and any resulting Illinois net loss and the standards to be used by the Director in evaluating requests to revoke elections. Public Act 96-932 is declaratory of existing law;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as

business income and in a later year is demonstrated to be non-
business income, then all expenses, without limitation, deducted in
such later year and in the 2 immediately preceding taxable years
related to that asset or business that generated the non-business
income shall be added back and recaptured as business income in
the year of the disposition of the asset or business. Such amount
shall be apportioned to Illinois using the greater of the
apportionment fraction computed for the business under Section
304 of this Act for the taxable year or the average of the
apportionment fractions computed for the business under Section
304 of this Act for the taxable year and for the 2 immediately
preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to
in subsections (a)(2)(G), (c)(2)(I) and (d)(2)(E) is an amount equal
to:

(A) The sum of the pre-August 1, 1969 appreciation
amounts (to the extent consisting of gain reportable under
the provisions of Section 1245 or 1250 of the Internal
Revenue Code) for all property in respect of which such
gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1,
1969 appreciation amounts (to the extent consisting of
capital gain) for all property in respect of which such gain
was reported for federal income tax purposes for the
taxable year, or (ii) the net capital gain for the taxable year,
reduced in either case by any amount of such gain included
in the amount determined under subsection (a)(2)(F) or
(c)(2)(H).

(2) Pre-August 1, 1969 appreciation amount.

(A) If the fair market value of property referred to in
paragraph (1) was readily ascertainable on August 1, 1969,
the pre-August 1, 1969 appreciation amount for such
property is the lesser of (i) the excess of such fair market
value over the taxpayer's basis (for determining gain) for
such property on that date (determined under the Internal
Revenue Code as in effect on that date), or (ii) the total gain
realized and reportable for federal income tax purposes in
respect of the sale, exchange or other disposition of such property.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

(C) The Department shall prescribe such regulations as may be necessary to carry out the purposes of this paragraph.

(g) Double deductions. Unless specifically provided otherwise, nothing in this Section shall permit the same item to be deducted more than once.

(h) Legislative intention. Except as expressly provided by this Section there shall be no modifications or limitations on the amounts of income, gain, loss or deduction taken into account in determining gross income, adjusted gross income or taxable income for federal income tax purposes for the taxable year, or in the amount of such items entering into the computation of base income and net income under this Act for such taxable year, whether in respect of property values as of August 1, 1969 or otherwise.

Section 10-10. The Use Tax Act is amended by changing Section 2 and by adding Section 2d as follows:

(35 ILCS 105/2) (from Ch. 120, par. 439.2)
Sec. 2. Definitions.
"Use" means the exercise by any person of any right or power over tangible personal property incident to the ownership of that property, except that it does not include the sale of such property in any form as tangible personal property in the regular course of business to the extent that such property is not first subjected to a use for which it was purchased, and does not include the use of such property by its owner for demonstration purposes: Provided that the property purchased is deemed
to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. "Use" does not mean the demonstration use or interim use of tangible personal property by a retailer before he sells that tangible personal property. For watercraft or aircraft, if the period of demonstration use or interim use by the retailer exceeds 18 months, the retailer shall pay on the retailers' original cost price the tax imposed by this Act, and no credit for that tax is permitted if the watercraft or aircraft is subsequently sold by the retailer. "Use" does not mean the physical incorporation of tangible personal property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, into other tangible personal property (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing.

"Watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

"Purchase at retail" means the acquisition of the ownership of or title to tangible personal property through a sale at retail.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of tangible personal property for a valuable consideration.

"Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced by-product of manufacturing. "Sale at retail" includes any such transfer made for resale unless made in compliance with Section 2c of the Retailers' Occupation Tax Act, as incorporated by reference into Section 12 of this Act. Transactions whereby the possession

of the property is transferred but the seller retains the title as security for payment of the selling price are sales.

"Sale at retail" shall also be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property other than as hereinafter provided, and services, but not including the value of or credit given for traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold, and shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's tax liability under the "Retailers' Occupation Tax Act", or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit on account of the seller's duty to collect, from the purchasers, the

tax that is imposed under any local use tax administered by the Department. Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the seller's duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers; or (C) has a gross vehicle weight rating of 8,000 pounds or less or (2) is a motor vehicle of the first division, "selling price" or "amount of sale" means the consideration received by the lessor pursuant to the lease contract, including amounts due at lease signing and all monthly or other regular payments charged over the term of the lease. Also included in the selling price is any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, including, but not limited to, excess mileage charges and charges for excess wear and tear. For sales that occur in Illinois, with respect to any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, the lessor who purchased the motor vehicle does not incur the tax imposed by the Use Tax Act on those amounts, and the retailer who makes the retail sale of the motor vehicle to the lessor is not required to collect the tax imposed by this Act or to pay the tax imposed by the Retailers' Occupation Tax Act on those amounts. However, the lessor who purchased the motor vehicle assumes the liability for reporting and paying the tax on those amounts directly to the Department in the same form (Illinois Retailers' Occupation Tax, and local retailers' occupation taxes, if applicable) in which the retailer would have reported and paid such tax if the retailer had accounted for the tax to the Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise

required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with respect to the tax paid by the lessor for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax the lessor paid with respect to any amount received by the lessor from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor vehicle at the time of purchase was calculated using the definition of "selling price" as defined in this paragraph. Notwithstanding any other provision of this Act to the contrary, lessors shall file all returns and make all payments required under this paragraph to the Department by electronic means in the manner and form as required by the Department. This paragraph does not apply to leases of motor vehicles for which, at the time the lease is entered into, the term of the lease is not a defined period, including leases with a defined initial period with the option to continue the lease on a month-to-month or other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Retailer" means and includes every person engaged in the business of making sales at retail as defined in this Section.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a retailer hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal property so produced on special order serves substantially the same function as stock or standard items of tangible personal property that are sold at retail.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is a retailer with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the extent of sales by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. This paragraph does not apply to nor subject to taxation occasional dinners, social or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not a retailer under this Act with respect to such transactions.

New matter indicated by italics - deletions by strikeout
Persons who engage in the business of transferring tangible personal property upon the redemption of trading stamps are retailers hereunder when engaged in such business.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling such tangible personal property at retail or a sale through a bulk vending machine does not make such person a retailer hereunder. However, any person who is engaged in a business which is not subject to the tax imposed by the "Retailers' Occupation Tax Act" because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business, is a retailer to the extent of the value of the tangible personal property so transferred. If, in such transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purposes of this Act, is the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property.

"Retailer maintaining a place of business in this State", or any like term, means and includes any of the following retailers:

(1) A retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution house, sales house, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State. However, the ownership of property that is located at the premises of a printer with which the retailer has contracted for printing and that consists of the final printed product, property that becomes a part of the final printed product, or copy from which the printed product is produced shall not result in the retailer being deemed to have or maintain an

office, distribution house, sales house, warehouse, or other place of business within this State.

(1.1) A retailer having a contract with a person located in this State under which the person, for a commission or other consideration based upon the sale of tangible personal property by the retailer, directly or indirectly refers potential customers to the retailer by providing to the potential customers a promotional code or other mechanism that allows the retailer to track purchases referred by such persons. Examples of mechanisms that allow the retailer to track purchases referred by such persons include but are not limited to the use of a link on the person's Internet website, promotional codes distributed through the person's hand-delivered or mailed material, and promotional codes distributed by the person through radio or other broadcast media. The provisions of this paragraph (1.1) shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers who are referred to the retailer by all persons in this State under such contracts exceed $10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December. A retailer meeting the requirements of this paragraph (1.1) shall be presumed to be maintaining a place of business in this State but may rebut this presumption by submitting proof that the referrals or other activities pursued within this State by such persons were not sufficient to meet the nexus standards of the United States Constitution during the preceding 4 quarterly periods.

(1.2) Beginning July 1, 2011, a retailer having a contract with a person located in this State under which:

(A) the retailer sells the same or substantially similar line of products as the person located in this State and does so using an identical or substantially similar name, trade name, or trademark as the person located in this State; and

(B) the retailer provides a commission or other consideration to the person located in this State based upon the sale of tangible personal property by the retailer.

The provisions of this paragraph (1.2) shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers in this State under all such contracts exceed $10,000 during the preceding 4 quarterly periods.
exceed $10,000 during the preceding 4 quarterly periods ending on
the last day of March, June, September, and December.

(2) A retailer soliciting orders for tangible personal
property by means of a telecommunication or television shopping
system (which utilizes toll free numbers) which is intended by the
retailer to be broadcast by cable television or other means of
broadcasting, to consumers located in this State.

(3) A retailer, pursuant to a contract with a broadcaster or
publisher located in this State, soliciting orders for tangible
personal property by means of advertising which is disseminated
primarily to consumers located in this State and only secondarily to
bordering jurisdictions.

(4) A retailer soliciting orders for tangible personal
property by mail if the solicitations are substantial and recurring
and if the retailer benefits from any banking, financing, debt
collection, telecommunication, or marketing activities occurring in
this State or benefits from the location in this State of authorized
installation, servicing, or repair facilities.

(5) A retailer that is owned or controlled by the same
interests that own or control any retailer engaging in business in the
same or similar line of business in this State.

(6) A retailer having a franchisee or licensee operating
under its trade name if the franchisee or licensee is required to
collect the tax under this Section.

(7) A retailer, pursuant to a contract with a cable television
operator located in this State, soliciting orders for tangible personal
property by means of advertising which is transmitted or
distributed over a cable television system in this State.

(8) A retailer engaging in activities in Illinois, which
activities in the state in which the retail business engaging in such
activities is located would constitute maintaining a place of
business in that state.

(9) Beginning October 1, 2018, a retailer making sales of
tangible personal property to purchasers in Illinois from outside of
Illinois if:

(A) the cumulative gross receipts from sales of
tangible personal property to purchasers in Illinois are
$100,000 or more; or
(B) the retailer enters into 200 or more separate transactions for the sale of tangible personal property to purchasers in Illinois.

The retailer shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either subparagraph (A) or (B) of this paragraph (9) for the preceding 12-month period. If the retailer meets the criteria of either subparagraph (A) or (B) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for one year. At the end of that one-year period, the retailer shall determine whether the retailer met the criteria of either subparagraph (A) or (B) during the preceding 12-month period. If the retailer met the criteria in either subparagraph (A) or (B) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for the subsequent year. If at the end of a one-year period a retailer that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the criteria in either subparagraph (A) or (B) during the preceding 12-month period, the retailer shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either subparagraph (A) or (B) for the preceding 12-month period.

Beginning January 1, 2020, neither the gross receipts from nor the number of separate transactions for sales of tangible personal property to purchasers in Illinois that a retailer makes through a marketplace facilitator and for which the retailer has received a certification from the marketplace facilitator pursuant to Section 2d of this Act shall be included for purposes of determining whether he or she has met the thresholds of this paragraph (9).

(10) Beginning January 1, 2020, a marketplace facilitator, as defined in Section 2d of this Act.

"Bulk vending machine" means a vending machine, containing unsorted confections, nuts, toys, or other items designed primarily to be used or played with by children which, when a coin or coins of a
denomination not larger than $0.50 are inserted, are dispensed in equal portions, at random and without selection by the customer.

(35 ILCS 105/2d new)

Sec. 2d. Marketplace facilitators and marketplace sellers.

(a) As used in this Section:

"Affiliate" means a person that, with respect to another person: (i) has a direct or indirect ownership interest of more than 5 percent in the other person; or (ii) is related to the other person because a third person, or a group of third persons who are affiliated with each other as defined in this subsection, holds a direct or indirect ownership interest of more than 5% in the related person.

"Marketplace" means a physical or electronic place, forum, platform, application, or other method by which a marketplace seller sells or offers to sell items.

"Marketplace facilitator" means a person who, pursuant to an agreement with a marketplace seller, facilitates sales of tangible personal property by that marketplace seller. A person facilitates a sale of tangible personal property by, directly or indirectly through one or more affiliates, doing both of the following: (i) listing or otherwise making available for sale the tangible personal property of the marketplace seller through a marketplace owned or operated by the marketplace facilitator; and (ii) processing sales or payments for marketplace sellers.

"Marketplace seller" means a person that sells or offers to sell tangible personal property through a marketplace.

(b) Beginning on January 1, 2020, a marketplace facilitator who meets either of the following criteria is considered the retailer of each sale of tangible personal property made on the marketplace:

(1) the cumulative gross receipts from sales of tangible personal property to purchasers in Illinois by the marketplace facilitator and by marketplace sellers are $100,000 or more; or

(2) the marketplace facilitator and marketplace sellers cumulatively enter into 200 or more separate transactions for the sale of tangible personal property to purchasers in Illinois.

A marketplace facilitator shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) of this...
subsection (b) for the preceding 12-month period. If the marketplace facilitator meets the criteria of either paragraph (1) or (2) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for one year. At the end of that one-year period, the marketplace facilitator shall determine whether the marketplace facilitator met the criteria of either paragraph (1) or (2) during the preceding 12-month period. If the marketplace facilitator met the criteria in either paragraph (1) or (2) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for the subsequent year. If at the end of a one-year period a marketplace facilitator that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the criteria in either paragraph (1) or (2) during the preceding 12-month period, the marketplace facilitator shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) for the preceding 12-month period.

(c) A marketplace facilitator that meets either of the thresholds in subsection (b) of this Section is considered the retailer of each sale made through its marketplace and is liable for collecting and remitting the tax under this Act on all such sales. The marketplace facilitator has all the rights and duties, and is required to comply with the same requirements and procedures, as all other retailers maintaining a place of business in this State who are registered or who are required to be registered to collect and remit the tax imposed by this Act.

(d) A marketplace facilitator shall:

1. certify to each marketplace seller that the marketplace facilitator assumes the rights and duties of a retailer under this Act with respect to sales made by the marketplace seller through the marketplace; and
2. collect taxes imposed by this Act as required by Section 3-45 of this Act for sales made through the marketplace.

(e) A marketplace seller shall retain books and records for all sales made through a marketplace in accordance with the requirements of Section 11.

New matter indicated by italics - deletions by strikeout
(f) A marketplace seller shall furnish to the marketplace facilitator information that is necessary for the marketplace facilitator to correctly collect and remit taxes for a retail sale. The information may include a certification that an item being sold is taxable, not taxable, exempt from taxation, or taxable at a specified rate. A marketplace seller shall be held harmless for liability for the tax imposed under this Act when a marketplace facilitator fails to correctly collect and remit tax after having been provided with information by a marketplace seller to correctly collect and remit taxes imposed under this Act.

(g) Except as provided in subsection (h), if the marketplace facilitator demonstrates to the satisfaction of the Department that its failure to correctly collect and remit tax on a retail sale resulted from the marketplace facilitator's good faith reliance on incorrect or insufficient information provided by a marketplace seller, it shall be relieved of liability for the tax on that retail sale. In this case, a marketplace seller is liable for any resulting tax due.

(h) A marketplace facilitator and marketplace seller that are affiliates, as defined by subsection (a), are jointly and severally liable for tax liability resulting from a sale made by the affiliated marketplace seller through the marketplace.

(i) This Section does not affect the tax liability of a purchaser under this Act.

"Marketplace" means a physical or electronic place, forum, platform, application or other method by which a marketplace serviceman makes or offers to make sales of service.

"Marketplace facilitator" means a person who, pursuant to an agreement with a marketplace serviceman, facilitates sales of service by that marketplace serviceman. A person facilitates a sale of service by, directly or indirectly through one or more affiliates, doing both of the following: (i) listing or otherwise making available a sale of service of the marketplace serviceman through a marketplace owned or operated by the marketplace facilitator; and (ii) processing sales of service for, or payments for sales of service by, marketplace servicemen.

"Marketplace serviceman" means a person that makes or offers to make a sale of service through a marketplace.

(b) Beginning January 1, 2020, a marketplace facilitator who meets either of the following criteria is considered the serviceman for each sale of service made on the marketplace:

(1) the cumulative gross receipts from sales of service to purchasers in Illinois by the marketplace facilitator and by marketplace servicemen are $100,000 or more; or

(2) the marketplace facilitator and marketplace servicemen cumulatively enter into 200 or more separate transactions for the sale of service to purchasers in Illinois.

A marketplace facilitator shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) of this subsection (b) for the preceding 12-month period. If the marketplace facilitator meets the criteria of either paragraph (1) or (2) for a 12-month period, he or she is considered a serviceman maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for one year. At the end of that one-year period, the marketplace facilitator shall determine whether the marketplace facilitator met the criteria of either paragraph (1) or (2) during the preceding 12-month period. If the marketplace facilitator met the criteria in either paragraph (1) or (2) for the preceding 12-month period, he or she is considered a serviceman maintaining a place of
business in this State and is required to collect and remit the tax imposed under this Act and file returns for the subsequent year. If, at the end of a one-year period, a marketplace facilitator that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the criteria in either paragraph (1) or (2) during the preceding 12-month period, the marketplace facilitator shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) for the preceding 12-month period.

(c) A marketplace facilitator that meets either of the thresholds in subsection (b) of this Section is considered the serviceman for each sale of service made through its marketplace and is liable for collecting and remitting the tax under this Act on all such sales. The marketplace facilitator has all the rights and duties, and is required to comply with the same requirements and procedures, as all other servicemen maintaining a place of business in this State who are registered or who are required to be registered to collect and remit the tax imposed by this Act.

(d) A marketplace facilitator shall:

1. certify to each marketplace serviceman that the marketplace facilitator assumes the rights and duties of a serviceman under this Act with respect to sales of service made by the marketplace serviceman through the marketplace; and

2. collect taxes imposed by this Act as required by Section 3-40 of this Act for sales of service made through the marketplace.

(e) A marketplace serviceman shall retain books and records for all sales of service made through a marketplace in accordance with the requirements of Section 11.

(f) A marketplace serviceman shall furnish to the marketplace facilitator information that is necessary for the marketplace facilitator to correctly collect and remit taxes for a sale of service. The information may include a certification that an item transferred incident to a sale of service under this Act is taxable, not taxable, exempt from taxation, or taxable at a specified rate. A marketplace serviceman shall be held harmless for liability for the tax imposed under this Act when a marketplace facilitator fails to correctly collect and remit tax after having been provided with information by a marketplace serviceman to correctly collect and remit taxes imposed under this Act.

(g) Except as provided in subsection (h), if the marketplace facilitator demonstrates to the satisfaction of the Department that its

failure to correctly collect and remit tax on a sale of service resulted from the marketplace facilitator's good faith reliance on incorrect or insufficient information provided by a marketplace serviceman, it shall be relieved of liability for the tax on that sale of service. In this case, a marketplace serviceman is liable for any resulting tax due.

(h) A marketplace facilitator and marketplace serviceman that are affiliates, as defined by subsection (a), are jointly and severally liable for tax liability resulting from a sale of service made by the affiliated marketplace serviceman through the marketplace.

Participation in an amnesty program shall not preclude a taxpayer from claiming a refund for an overpayment of tax on an issue unrelated to the issues for which the taxpayer claimed amnesty or for an overpayment of tax by taxpayers estimating a non-final liability for the amnesty program pursuant to Section 506(b) of the Illinois Income Tax Act (35 ILCS 5/506(b)).

Voluntary payments made under this Act shall be made by cash, check, guaranteed remittance, or ACH debit.

determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,

equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).
This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is

certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property

resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2018, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2018.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(8) For taxable years beginning on or after January 1, 2021, there shall be allowed an Enterprise Zone construction jobs credit against the taxes imposed under subsections (a) and (b) of this Section as provided in Section 13 of the Illinois Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's liability to less than zero. If the amount of the credit or credits exceeds the taxpayer's liability, the excess may be carried forward and applied against the taxpayer's liability in succeeding calendar years in the same manner provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of this amendatory Act of the 101st General Assembly) shall not exceed $20,000,000 in any State fiscal year.

subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

New matter indicated by italics - deletions by strikeout
(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(h-5) High Impact Business constructions jobs credit. For taxable years beginning on or after January 1, 2021, there shall also be allowed a High Impact Business construction jobs credit against the tax imposed under subsections (a) and (b) of this Section as provided in subsections (i) and (j) of Section 5.5 of the Illinois Enterprise Zone Act.

The credit or credits may not reduce the taxpayer's liability to less than zero. If the amount of the credit or credits exceeds the taxpayer's liability, the excess may be carried forward and applied against the taxpayer's liability in succeeding calendar years in the manner provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of this amendatory Act of the 101st General Assembly) shall not exceed $20,000,000 in any State fiscal year.

This subsection (h-5) is exempt from the provisions of Section 250.

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section. Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on
or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax...
years ending on or after December 31, 2004, and ending prior to January 1, 2022, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is

more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

It is the intent of the General Assembly that the research and development credit under this subsection (k) shall apply continuously for all tax years ending on or after December 31, 2004 and ending prior to January 1, 2022, including, but not limited to, the period beginning on January 1, 2016 and ending on the effective date of this amendatory Act of the 100th General Assembly. All actions taken in reliance on the continuation of the credit under this subsection (k) by any taxpayer are hereby validated.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code.

Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

New matter indicated by italics - deletions by strikeout
For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed (i) $500 for tax years ending prior to December 31, 2017, and (ii) $750 for tax years ending on or after December 31, 2017. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. Notwithstanding any other provision of law, for taxable years beginning on or after January 1, 2017, no taxpayer may claim a credit under this subsection (m) if the taxpayer's adjusted gross income for the taxable year exceeds (i) $500,000, in the case of spouses filing a joint federal tax return or (ii) $250,000, in the case of all other taxpayers. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:
"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.
"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.
"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.
"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.
   (i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site.
   (ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned.
until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(o) For each of taxable years during the Compassionate Use of Medical Cannabis Pilot Program, a surcharge is imposed on all taxpayers on income arising from the sale or exchange of capital assets, depreciable business property, real property used in the trade or business, and Section 197 intangibles of an organization registrant under the Compassionate Use of Medical Cannabis Pilot Program Act. The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to those sales and exchanges. The surcharge imposed does not apply if:

(3) The amount of the credit shall be determined on an annual basis. Except as applied in a carryover year pursuant to Section 211(4) of this Act, the credit may not be applied against any State income tax liability in more than 10 taxable years; provided, however, that (i) an eligible business certified by the Department of Commerce and Economic Opportunity under the Corporate Headquarters Relocation Act may not apply the credit against any of its State income tax liability in more than 15 taxable years and (ii) credits allowed to that eligible business are subject to the conditions and requirements set forth in Sections 5-35 and 5-45 of the Economic Development for a Growing Economy Tax Credit Act and Section 5-51 as applicable to New Construction EDGE Credits.

(4) The credit may not exceed the amount of taxes imposed pursuant to subsections (a) and (b) of Section 201 of this Act. Any credit that is unused in the year the credit is computed may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. Sec. 221. Rehabilitation costs; qualified historic properties; River Edge Redevelopment Zone.

(a) For taxable years that begin on or after January 1, 2012 and begin prior to January 1, 2018, there shall be allowed a tax credit against the tax imposed by subsections (a) and (b) of Section 201 of this Act in an amount equal to 25% of qualified expenditures incurred by a qualified taxpayer during the taxable year in the restoration and preservation of a qualified historic structure located in a River Edge Redevelopment Zone pursuant to a qualified rehabilitation plan, provided that the total amount of such expenditures (i) must equal $5,000 or more and (ii) must exceed 50% of the purchase price of the property.

(a-1) For taxable years that begin on or after January 1, 2018 and end prior to January 1, 2022, there shall be allowed a tax credit against the tax imposed by subsections (a) and (b) of Section 201 of this Act in an aggregate amount equal to 25% of qualified expenditures incurred by a qualified taxpayer in the restoration and preservation of a qualified historic structure located in a River Edge Redevelopment Zone pursuant to a qualified rehabilitation plan, provided that the total amount of such expenditures must (i) equal $5,000 or more and (ii) exceed the adjusted basis of the qualified historic structure on the first day the qualified rehabilitation plan begins. For any rehabilitation project, regardless of duration or number of phases, the project's compliance with the foregoing provisions (i) and (ii) shall be determined based on the aggregate amount of qualified expenditures for the entire project and may include expenditures incurred under subsection (a), this subsection, or both subsection (a) and this subsection. If the qualified rehabilitation plan spans multiple years, the aggregate credit for the entire project shall be allowed in the last taxable year, except for phased rehabilitation projects, which may receive credits upon completion of each phase. Before obtaining the

first phased credit: (A) the total amount of such expenditures must meet the requirements of provisions (i) and (ii) of this subsection; (B) the rehabilitated portion of the qualified historic structure must be placed in service; and (C) the requirements of subsection (b) must be met.

(a-2) For taxable years beginning on or after January 1, 2021 and ending prior to January 1, 2022, there shall be allowed a tax credit against the tax imposed by subsections (a) and (b) of Section 201 as provided in Section 10-10.3 of the River Edge Redevelopment Zone Act. The credit allowed under this subsection (a-2) shall apply only to taxpayers that make a capital investment of at least $1,000,000 in a qualified rehabilitation plan.

The credit or credits may not reduce the taxpayer's liability to less than zero. If the amount of the credit or credits exceeds the taxpayer's liability, the excess may be carried forward and applied against the taxpayer's liability in succeeding calendar years in the manner provided under paragraph (4) of Section 211 of this Act. The credit or credits shall be applied to the earliest year for which there is a tax liability. If there are credits from more than one taxable year that are available to offset a liability, the earlier credit shall be applied first.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for the purposes of federal and State income taxation, there shall be allowed a credit under this Section to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code.

The total aggregate amount of credits awarded under the Blue Collar Jobs Act (Article 20 of this amendatory Act of the 101st General Assembly) shall not exceed $20,000,000 in any State fiscal year.

(b) To obtain a tax credit pursuant to this Section, the taxpayer must apply with the Department of Natural Resources. The Department of Natural Resources shall determine the amount of eligible rehabilitation costs and expenses in addition to the amount of the River Edge construction jobs credit within 45 days of receipt of a complete application. The taxpayer must submit a certification of costs prepared by an independent certified public accountant that certifies (i) the project expenses, (ii) whether those expenses are qualified expenditures, and (iii) that the qualified expenditures exceed the adjusted basis of the qualified historic structure on the first day the qualified rehabilitation plan

commenced. The Department of Natural Resources is authorized, but not required, to accept this certification of costs to determine the amount of qualified expenditures and the amount of the credit. The Department of Natural Resources shall provide guidance as to the minimum standards to be followed in the preparation of such certification. The Department of Natural Resources and the National Park Service shall determine whether the rehabilitation is consistent with the United States Secretary of the Interior's Standards for Rehabilitation.

(b-1) Upon completion of the project and approval of the complete application, the Department of Natural Resources shall issue a single certificate in the amount of the eligible credits equal to 25% of qualified expenditures incurred during the eligible taxable years, as defined in subsections (a) and (a-1), excepting any credits awarded under subsection (a) prior to January 1, 2019 (the effective date of Public Act 100-629) this amending Act of the 100th General Assembly and any phased credits issued prior to the eligible taxable year under subsection (a-1). At the time the certificate is issued, an issuance fee up to the maximum amount of 2% of the amount of the credits issued by the certificate may be collected from the applicant to administer the provisions of this Section. If collected, this issuance fee shall be deposited into the Historic Property Administrative Fund, a special fund created in the State treasury. Subject to appropriation, moneys in the Historic Property Administrative Fund shall be provided to the Department of Natural Resources as reimbursement for the costs associated with administering this Section.

(c) The taxpayer must attach the certificate to the tax return on which the credits are to be claimed. The tax credit under this Section may not reduce the taxpayer's liability to less than zero. If the amount of the credit exceeds the tax liability for the year, the excess credit may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year.

used, within or without a manufacturing facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property that is required to be titled or registered with a department, agency, or unit of federal, State, or local government.

The manufacturing and assembling machinery and equipment exemption includes production related tangible personal property that is purchased on or after July 1, 2007 and on or before June 30, 2008 and on or after July 1, 2019. The exemption for production related tangible personal property purchased on or after July 1, 2007 and before June 30, 2008 is subject to both of the following limitations:

1. The maximum amount of the exemption for any one taxpayer may not exceed 5% of the purchase price of production related tangible personal property that is purchased on or after July 1, 2007 and on or before June 30, 2008. A credit under Section 3-85 of this Act may not be earned by the purchase of production related tangible personal property for which an exemption is received under this Section.

2. The maximum aggregate amount of the exemptions for production related tangible personal property awarded under this Act and the Use Tax Act to all taxpayers may not exceed $10,000,000. If the claims for the exemption exceed $10,000,000, then the Department shall reduce the amount of the exemption to each taxpayer on a pro rata basis.

The Department shall may adopt rules to implement and administer the exemption for production related tangible personal property.

The manufacturing and assembling machinery and equipment exemption includes the sale of materials to a purchaser who produces exempted types of machinery, equipment, or tools and who rents or leases that machinery, equipment, or tools to a manufacturer of tangible personal property. This exemption also includes the sale of materials to a purchaser who manufactures those materials into an exempted type of machinery, equipment, or tools that the purchaser uses himself or herself in the manufacturing of tangible personal property. The purchaser of the machinery and equipment who has an active resale registration number shall furnish that number to the seller at the time of purchase. A purchaser of the machinery, equipment, and tools without an active resale registration number shall furnish to the seller a certificate of exemption for each transaction stating facts establishing the exemption for that
transaction, and that certificate shall be available to the Department for inspection or audit. Informal rulings, opinions, or letters issued by the Department in response to an inquiry or request for an opinion from any person regarding the coverage and applicability of this exemption to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion, or letter contains trade secrets or other confidential information, where possible, the Department shall delete that information before publication. Whenever informal rulings, opinions, or letters contain a policy of general applicability, the Department shall formulate and adopt that policy as a rule in accordance with the Illinois Administrative Procedure Act.

The manufacturing and assembling machinery and equipment exemption is exempt from the provisions of Section 2-70.

Sec. 4.02. Community Care Program. The Department shall establish a program of services to prevent unnecessary institutionalization of persons age 60 and older in need of long term care or who are established as persons who suffer from Alzheimer's disease or a related disorder under the Alzheimer's Disease Assistance Act, thereby enabling them to remain in their own homes or in other living arrangements. Such preventive services, which may be coordinated with other programs for the aged and monitored by area agencies on aging in cooperation with the Department, may include, but are not limited to, any or all of the following:

(a) (blank);
(b) (blank);
(c) home care aide services;
(d) personal assistant services;
(e) adult day services;
(f) home-delivered meals;
(g) education in self-care;
(h) personal care services;
(i) adult day health services;
(j) habilitation services;
(k) respite care;
(k-5) community reintegration services;
(k-6) flexible senior services;
(k-7) medication management;
(k-8) emergency home response;
(l) other nonmedical social services that may enable the person to become self-supporting; or

(m) clearinghouse for information provided by senior citizen home owners who want to rent rooms to or share living space with other senior citizens.

The Department shall establish eligibility standards for such services. In determining the amount and nature of services for which a person may qualify, consideration shall not be given to the value of cash, property or other assets held in the name of the person's spouse pursuant to a written agreement dividing marital property into equal but separate shares or pursuant to a transfer of the person's interest in a home to his spouse, provided that the spouse's share of the marital property is not made available to the person seeking such services.
Beginning January 1, 2008, the Department shall require as a condition of eligibility that all new financially eligible applicants apply for and enroll in medical assistance under Article V of the Illinois Public Aid Code in accordance with rules promulgated by the Department.

The Department shall, in conjunction with the Department of Public Aid (now Department of Healthcare and Family Services), seek appropriate amendments under Sections 1915 and 1924 of the Social Security Act. The purpose of the amendments shall be to extend eligibility for home and community based services under Sections 1915 and 1924 of the Social Security Act to persons who transfer to or for the benefit of a spouse those amounts of income and resources allowed under Section 1924 of the Social Security Act. Subject to the approval of such amendments, the Department shall extend the provisions of Section 5-4 of the Illinois Public Aid Code to persons who, but for the provision of home or community-based services, would require the level of care provided in an institution, as is provided for in federal law. Those persons no longer found to be eligible for receiving noninstitutional services due to changes in the eligibility criteria shall be given 45 days notice prior to actual termination. Those persons receiving notice of termination may contact the Department and request the determination be appealed at any time during the 45 day notice period. The target population identified for the purposes of this Section are persons age 60 and older with an identified service need. Priority shall be given to those who are at imminent risk of institutionalization. The services shall be provided to eligible persons age 60 and older to the extent that the cost of the services together with the other personal maintenance expenses of the persons are reasonably related to the standards established for care in a group facility appropriate to the person's condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Department of Human Services. The Departments of Human Services, Healthcare and Family Services, Public Health, Veterans' Affairs, and Commerce and Economic Opportunity and other appropriate agencies of State, federal and local governments shall cooperate with the Department on Aging in the establishment and development of the non-institutional services. The Department shall require an annual audit from all personal assistant and home care aide vendors contracting with the Department under this Section. The annual audit shall assure that each audited vendor's procedures are in compliance with Department's financial reporting.

guidelines requiring an administrative and employee wage and benefits cost split as defined in administrative rules. The audit is a public record under the Freedom of Information Act. The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department of Healthcare and Family Services, to effect the following: (1) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (2) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 60 years of age or older shall be conducted by the Department.

As part of the Department on Aging's routine training of case managers and case manager supervisors, the Department may include information on family futures planning for persons who are age 60 or older and who are caregivers of their adult children with developmental disabilities. The content of the training shall be at the Department's discretion.

The Department is authorized to establish a system of recipient copayment for services provided under this Section, such copayment to be based upon the recipient's ability to pay but in no case to exceed the actual cost of the services provided. Additionally, any portion of a person's income which is equal to or less than the federal poverty standard shall not be considered by the Department in determining the copayment. The level of such copayment shall be adjusted whenever necessary to reflect any change in the officially designated federal poverty standard.

The Department, or the Department's authorized representative, may recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21 or blind or who has a permanent and total disability. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain

dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

The Department shall increase the effectiveness of the existing Community Care Program by:

(1) ensuring that in-home services included in the care plan are available on evenings and weekends;

(2) ensuring that care plans contain the services that eligible participants need based on the number of days in a month, not limited to specific blocks of time, as identified by the comprehensive assessment tool selected by the Department for use statewide, not to exceed the total monthly service cost maximum allowed for each service; the Department shall develop administrative rules to implement this item (2);

(3) ensuring that the participants have the right to choose the services contained in their care plan and to direct how those services are provided, based on administrative rules established by the Department;

(4) ensuring that the determination of need tool is accurate in determining the participants' level of need; to achieve this, the Department, in conjunction with the Older Adult Services Advisory Committee, shall institute a study of the relationship between the Determination of Need scores, level of need, service cost maximums, and the development and utilization of service plans no later than May 1, 2008; findings and recommendations shall be presented to the Governor and the General Assembly no later than January 1, 2009; recommendations shall include all needed changes to the service cost maximums schedule and additional covered services;

(5) ensuring that homemakers can provide personal care services that may or may not involve contact with clients, including but not limited to:

(A) bathing;
(B) grooming;
(C) toileting;
(D) nail care;
(E) transferring;
(F) respiratory services;
(G) exercise; or
(H) positioning;

(6) ensuring that homemaker program vendors are not restricted from hiring homemakers who are family members of clients or recommended by clients; the Department may not, by rule or policy, require homemakers who are family members of clients or recommended by clients to accept assignments in homes other than the client;

(7) ensuring that the State may access maximum federal matching funds by seeking approval for the Centers for Medicare and Medicaid Services for modifications to the State's home and community based services waiver and additional waiver opportunities, including applying for enrollment in the Balance Incentive Payment Program by May 1, 2013, in order to maximize federal matching funds; this shall include, but not be limited to, modification that reflects all changes in the Community Care Program services and all increases in the services cost maximum;

(8) ensuring that the determination of need tool accurately reflects the service needs of individuals with Alzheimer's disease and related dementia disorders;

(9) ensuring that services are authorized accurately and consistently for the Community Care Program (CCP); the Department shall implement a Service Authorization policy directive; the purpose shall be to ensure that eligibility and services are authorized accurately and consistently in the CCP program; the policy directive shall clarify service authorization guidelines to Care Coordination Units and Community Care Program providers no later than May 1, 2013;

(11) requiring home care service providers to comply with the rounding of hours worked provisions under the federal Fair Labor Standards Act (FLSA) and as set forth in 29 CFR 785.48(b) by May 1, 2013;

(12) implementing any necessary policy changes or promulgating any rules, no later than January 1, 2014, to assist the Department of Healthcare and Family Services in moving as many participants as possible, consistent with federal regulations, into coordinated care plans if a care coordination plan that covers long term care is available in the recipient's area; and

(13) maintaining fiscal year 2014 rates at the same level established on January 1, 2013.

By January 1, 2009 or as soon after the end of the Cash and Counseling Demonstration Project as is practicable, the Department may, based on its evaluation of the demonstration project, promulgate rules concerning personal assistant services, to include, but need not be limited to, qualifications, employment screening, rights under fair labor standards, training, fiduciary agent, and supervision requirements. All applicants shall be subject to the provisions of the Health Care Worker Background Check Act.

The Department shall develop procedures to enhance availability of services on evenings, weekends, and on an emergency basis to meet the respite needs of caregivers. Procedures shall be developed to permit the utilization of services in successive blocks of 24 hours up to the monthly maximum established by the Department. Workers providing these services shall be appropriately trained.

Beginning on the effective date of this amendatory Act of 1991, no person may perform chore/housekeeping and home care aide services...
under a program authorized by this Section unless that person has been issued a certificate of pre-service to do so by his or her employing agency. Information gathered to effect such certification shall include (i) the person's name, (ii) the date the person was hired by his or her current employer, and (iii) the training, including dates and levels. (30 ILCS 105/5.857)

Sec. 5.857. The Capital Development Board Revolving Fund. This Section is repealed July 1, 2019.

Sec. 5.891. The Governor's Administrative Fund.

(30 ILCS 105/5h.5)

Sec. 5h.5. Cash flow borrowing and general funds liquidity; Fiscal Years 2018, and 2019, 2020, and 2021.

(a) In order to meet cash flow deficits and to maintain liquidity in general funds and the Health Insurance Reserve Fund, on and after July 1, 2017 and through March 1, 2020, the State Treasurer and the State Comptroller, in consultation with the Governor's Office of Management and Budget, shall make transfers to general funds and the Health Insurance Reserve Fund, as directed by the State Comptroller, out of special funds of the State, to the extent allowed by federal law.

No such transfer may reduce the cumulative balance of all of the special funds of the State to an amount less than the total debt service payable during the 12 months immediately following the date of the transfer on any bonded indebtedness of the State and any certificates issued under the Short Term Borrowing Act. At no time shall the outstanding total transfers made from the special funds of the State to general funds and the Health Insurance Reserve Fund under this Section exceed $1,200,000,000; once the amount of $1,200,000,000 has been transferred from the special funds of the State to general funds and the Health Insurance Reserve Fund, additional transfers may be made from the special funds of the State to general funds and the Health Insurance Reserve Fund under this Section only to the extent that moneys have first been re-transferred from general funds and the Health Insurance Reserve Fund to those special funds of the State. constitutional officer without the written approval of that constitutional officer.

(b) If moneys have been transferred to general funds and the Health Insurance Reserve Fund pursuant to subsection (a) of this Section, Public Act 100-23 this amendatory Act of the 100th General Assembly shall constitute the continuing authority for and direction to the State Treasurer and State Comptroller to reimburse the funds of origin from general funds by transferring to the funds of origin, at such times and in such amounts as directed by the Comptroller when necessary to support appropriated expenditures from the funds, an amount equal to that transferred from them plus any interest that would have accrued thereon had the transfer not occurred, except that any moneys transferred pursuant to subsection (a) of this Section shall be repaid to the fund of origin within 48 months after the date on which they were borrowed. When any of the funds from which moneys have been transferred pursuant to subsection (a) have insufficient cash from which the State Comptroller may make expenditures properly supported by appropriations from the fund, then the State Treasurer and State Comptroller shall transfer from general funds to the fund only such amount as is immediately necessary to satisfy outstanding expenditure obligations on a timely basis.

(c) On the first day of each quarterly period in each fiscal year, until such time as a report indicates that all moneys borrowed and interest pursuant to this Section have been repaid, the Comptroller shall provide to the President and the Minority Leader of the Senate, the Speaker and the Minority Leader of the House of Representatives, and the Commission on Government Forecasting and Accountability a report on all transfers made pursuant to this Section in the prior quarterly period. The report must be provided in electronic format. The report must include all of the following:

1. the date each transfer was made;
2. the amount of each transfer;
3. in the case of a transfer from general funds to a fund of origin pursuant to subsection (b) of this Section, the amount of interest being paid to the fund of origin; and
4. the end of day balance of the fund of origin, the general funds, and the Health Insurance Reserve Fund on the date the transfer was made.

The Working Capital Revolving Fund............... 18,184

Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated cost of the audit to be incurred under the Illinois State Auditing Act for the fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State Auditing Act or specific action of the General Assembly, the Auditor General shall, on September 30, or as soon thereafter as is practicable, direct the State

Sec. 6z-32. Partners for Planning and Conservation.
(a) The Partners for Conservation Fund (formerly known as the Conservation 2000 Fund) and the Partners for Conservation Projects Fund (formerly known as the Conservation 2000 Projects Fund) are created as special funds in the State Treasury. These funds shall be used to establish a comprehensive program to protect Illinois’ natural resources through cooperative partnerships between State government and public and private landowners. Moneys in these Funds may be used, subject to appropriation, by the Department of Natural Resources, Environmental Protection Agency, and the Department of Agriculture for purposes relating to natural resource protection, planning, recreation, tourism, and compatible agricultural and economic development activities. Without limiting these general purposes, moneys in these Funds may be used, subject to appropriation, for the following specific purposes:

(1) To foster sustainable agriculture practices and control soil erosion and sedimentation, including grants to Soil and Water Conservation Districts for conservation practice cost-share grants and for personnel, educational, and administrative expenses.

(2) To establish and protect a system of ecosystems in public and private ownership through conservation easements, incentives to public and private landowners, natural resource restoration and preservation, water quality protection and improvement, land use and watershed planning, technical assistance and grants, and land acquisition provided these mechanisms are all voluntary on the part of the landowner and do not involve the use of eminent domain.

(3) To develop a systematic and long-term program to effectively measure and monitor natural resources and ecological conditions through investments in technology and involvement of scientific experts.

(4) To initiate strategies to enhance, use, and maintain Illinois’ inland lakes through education, technical assistance, research, and financial incentives.

(5) To partner with private landowners and with units of State, federal, and local government and with not-for-profit organizations in order to integrate State and federal programs with Illinois' natural resource protection and restoration efforts and to meet requirements to obtain federal and other funds for conservation or protection of natural resources.

(b) The State Comptroller and State Treasurer shall automatically transfer on the last day of each month, beginning on September 30, 1995 and ending on June 30, 2021, from the General Revenue Fund to the Partners for Conservation Fund, an amount equal to 1/10 of the amount set forth below in fiscal year 1996 and an amount equal to 1/12 of the amount set forth below in each of the other specified fiscal years:

In the event that the total of the allocations made as above provided for all taxing districts, during either of such 3 years, exceeds the amount available for distribution the allocation of each taxing district shall be proportionately reduced. Except as provided in Section 13 of this Act, the Department shall then certify, pursuant to appropriation, such allocations to the State Comptroller who shall pay over to the several taxing districts the respective amounts allocated to them.

(2) Each quarterly allocation shall first be apportioned in the following manner: 51.65% for taxing districts in Cook County and 48.35% for taxing districts in the remainder of the State. The Personal Property Replacement Ratio of each taxing district outside Cook County shall be the ratio which the Tax Base of that taxing district bears to the Downstate Tax Base. The Downstate Tax Base is the personal property tax collections for all taxing districts in the State outside of Cook County for the 1977 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district outside Cook County for the 1977 tax year.

The Personal Property Replacement Ratio of each Cook County taxing district shall be the ratio which the Tax Base of that taxing district bears to the Cook County Tax Base. The Tax Base of each Cook County taxing district is the personal property tax collections for that taxing district for the 1976 tax year. The Cook County Tax Base is the personal property tax collections for all taxing districts in Cook County for the 1976 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district within Cook County for the 1976 tax year.

Taxing districts located both in Cook County and in one or more other counties shall receive both a Cook County allocation and a Downstate allocation determined in the same way as all other taxing districts.

If any taxing district in existence on July 1, 1979 ceases to exist, or discontinues its operations, its Tax Base shall thereafter be deemed to be zero. If the powers, duties and obligations of the discontinued taxing district are assumed by another taxing district, the Tax Base of the discontinued taxing district shall be added to the Tax Base of the taxing district assuming such powers, duties and obligations.

If two or more taxing districts in existence on July 1, 1979, or a successor or successors thereto shall consolidate into one taxing district, the Tax Base of such consolidated taxing district shall be the sum of the Tax Bases of each of the taxing districts which have consolidated.

If a single taxing district in existence on July 1, 1979, or a successor or successors thereto shall be divided into two or more separate taxing districts, the tax base of the taxing district so divided shall be allocated to each of the resulting taxing districts in proportion to the then current equalized assessed value of each resulting taxing district.

If a portion of the territory of a taxing district is disconnected and annexed to another taxing district of the same type, the Tax Base of the taxing district from which disconnection was made shall be reduced in proportion to the then current equalized assessed value of the disconnected territory as compared with the then current equalized assessed value within the entire territory of the taxing district prior to disconnection, and the amount of such reduction shall be added to the Tax Base of the taxing district to which annexation is made.

If a community college district is created after July 1, 1979, beginning on the effective date of this amendatory Act of 1995, its Tax Base shall be 3.5% of the sum of the personal property tax collected for the 1977 tax year within the territorial jurisdiction of the district.

The amounts allocated and paid to taxing districts pursuant to the provisions of this amendatory Act of 1979 shall be deemed to be substitute revenues for the revenues derived from taxes imposed on personal property pursuant to the provisions of the "Revenue Act of 1939" or "An Act for the assessment and taxation of private car line companies", approved July 22, 1943, as amended, or Section 414 of the Illinois Insurance Code, prior to the abolition of such taxes and shall be used for
the same purposes as the revenues derived from ad valorem taxes on real estate.

Monies received by any taxing districts from the Personal Property Tax Replacement Fund shall be first applied toward payment of the proportionate amount of debt service which was previously levied and collected from extensions against personal property on bonds outstanding as of December 31, 1978 and next applied toward payment of the proportionate share of the pension or retirement obligations of the taxing district which were previously levied and collected from extensions against personal property. For each such outstanding bond issue, the County Clerk shall determine the percentage of the debt service which was collected from extensions against real estate in the taxing district for 1978 taxes payable in 1979, as related to the total amount of such levies and collections from extensions against both real and personal property. For 1979 and subsequent years' taxes, the County Clerk shall levy and extend taxes against the real estate of each taxing district which will yield the said percentage or percentages of the debt service on such outstanding bonds. The balance of the amount necessary to fully pay such debt service shall constitute a first and prior lien upon the monies received by each such taxing district through the Personal Property Tax Replacement Fund and shall be first applied or set aside for such purpose. In counties having fewer than 3,000,000 inhabitants, the amendments to this paragraph as made by this amendatory Act of 1980 shall be first applicable to 1980 taxes to be collected in 1981.

outstanding bonds or notes and an estimated schedule of anticipated debt service for all bonds and notes it intends to issue, if any, during that State fiscal year, including the estimated date and estimated amount of each payment.

Immediately upon the issuance of bonds for which an estimated schedule of debt service payments was prepared, the Authority shall file an amended certification with respect to item (2) above, to specify the actual schedule of debt service payments, including the date and amount of each payment, for the remainder of the State fiscal year.

On the first day of each month of the State fiscal year in which there are bonds outstanding with respect to which the certification is made, the State Comptroller shall order transferred and the State Treasurer shall transfer from the Road Fund to the Public Transportation Fund the Additional State Assistance and Additional Financial Assistance in an amount equal to the aggregate of (i) one-twelfth of the sum of the amounts certified under items (1) and (3) above less the amount certified under item (4) above, plus (ii) the amount required to pay debt service on bonds and notes issued during the fiscal year, if any, divided by the number of months remaining in the fiscal year after the date of issuance, or some smaller portion as may be necessary under subsection (c) or (c-5) of this Section for the relevant State fiscal year, plus (iii) any cumulative deficiencies in transfers for prior months, until an amount equal to the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, has been transferred; except that these transfers are subject to the following limits:

plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, with respect to those bonds and notes.

The term "outstanding" does not include bonds or notes for which refunding or advance refunding bonds or notes have been issued.

(e) Neither Additional State Assistance nor Additional Financial Assistance may be pledged, either directly or indirectly as general revenues of the Authority, as security for any bonds issued by the Authority. The Authority may not assign its right to receive Additional State Assistance or Additional Financial Assistance, or direct payment of Additional State Assistance or Additional Financial Assistance, to a trustee or any other entity for the payment of debt service on its bonds.

(f) The certification required under subsection (d) with respect to outstanding bonds and notes of the Authority shall be filed as early as practicable before the beginning of the State fiscal year to which it relates. The certification shall be revised as may be necessary to accurately state the debt service requirements of the Authority.

(g) Within 6 months of the end of each fiscal year, the Authority shall determine:

(i) whether the aggregate of all system generated revenues for public transportation in the metropolitan region which is provided by, or under grant or purchase of service contracts with, the Service Boards equals 50% of the aggregate of all costs of providing such public transportation. "System generated revenues" include all the proceeds of fares and charges for services provided, contributions received in connection with public transportation from units of local government other than the Authority, except for contributions received by the Chicago Transit Authority from a real estate transfer tax imposed under subsection (i) of Section 8-3-19 of the Illinois Municipal Code, and from the State pursuant to subsection (i) of Section 2705-305 of the Department of Transportation Law (20 ILCS 2705/2705-305), and all other revenues properly included consistent with generally accepted accounting principles but may not include: the proceeds from any borrowing, and, beginning with the 2007 fiscal year, all revenues and receipts, including but not limited to fares and grants received from the federal, State or any unit of local government or other entity, derived from providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act. If said system generated revenues are less than 50% of said costs, the Board shall remit an amount equal to the amount of the deficit to the State. The Treasurer shall deposit any such payment in the Road Fund; and

(ii) whether, beginning with the 2007 fiscal year, the aggregate of all fares charged and received for ADA paratransit services equals the system generated ADA paratransit services revenue recovery ratio percentage of the aggregate of all costs of providing such ADA paratransit services.

Sec. 3-16. Grants to alternative schools, safe schools, and alternative learning opportunities programs. The State Board of Education, subject to appropriation, shall award grants to alternative schools, safe schools, and alternative learning opportunities programs operated by a regional office of education. For fiscal year 2018, to calculate grant amounts to the programs operated by regional offices of education, the State Board shall calculate an amount equal to the greater of the regional program's best 3 months of average daily attendance for the 2016-2017 school year or the average of the best 3 months of average daily attendance for the 2014-2015 school year through the 2016-2017 school year, multiplied by the amount of $6,119. For fiscal year 2019, to calculate grant amounts to the programs operated by regional offices of education, the State Board shall calculate an amount equal to the greater of the regional program's best 3 months of average daily attendance for the 2017-2018 school year or the average of the best 3 months of average daily attendance for the 2015-2016 school year through the 2017-2018 school year, multiplied by the amount of $6,119. These amounts shall be termed the "Regional Program Increased Enrollment Recognition". If the amount of the Regional Program Increased Enrollment Recognition is greater than the amount of the regional office of education program's Base Funding Minimum for fiscal year 2018 or fiscal year 2019, calculated under Section 18-8.15, then the State Board of Education shall pay the regional program a grant equal to the difference between the regional program's Regional Program Increased Enrollment Recognition and the Base Funding Minimum for fiscal year 2018 or fiscal year 2019, respectively. Nothing in this Section shall be construed to alter any payments or calculations under Section 18-8.15.

Sec. 14-7.02c. Private therapeutic day schools; student enrollment data. The Illinois Purchased Care Review Board must accept amended student enrollment data from special education private therapeutic day schools that have specialized contractual agreements with a school district having a population exceeding 500,000 inhabitants in the 2016-2017 and 2017-2018 school years. The amended student enrollment data must be based on actual monthly enrollment days where a student placed by the school district was formally enrolled and began to receive services through the last date he or she was formally exited from the therapeutic...
day school. All enrolled days must be confined to the official beginning and end dates of the therapeutic day school's official calendar on file with the State Board of Education. In no instance may the amended enrollment be further reduced to account for student absences. A school district having a population of 500,000 or less inhabitants must be billed at the per diem rate approved by the Illinois Purchased Care Review Board based on days enrolled as prescribed in Section 900.330 of Title 89 of the Illinois Administrative Code.

(105 ILCS 5/18-8.15)
Sec. 18-8.15. Evidence-based funding for student success for the 2017-2018 and subsequent school years.

(a) General provisions.

(1) The purpose of this Section is to ensure that, by June 30, 2027 and beyond, this State has a kindergarten through grade 12 public education system with the capacity to ensure the educational development of all persons to the limits of their capacities in accordance with Section 1 of Article X of the Constitution of the State of Illinois. To accomplish that objective, this Section creates a method of funding public education that is evidence-based; is sufficient to ensure every student receives a meaningful opportunity to learn irrespective of race, ethnicity, sexual orientation, gender, or community-income level; and is sustainable and predictable. When fully funded under this Section, every school shall have the resources, based on what the evidence indicates is needed, to:

(A) provide all students with a high quality education that offers the academic, enrichment, social and emotional support, technical, and career-focused programs that will allow them to become competitive workers, responsible parents, productive citizens of this State, and active members of our national democracy;

(B) ensure all students receive the education they need to graduate from high school with the skills required to pursue post-secondary education and training for a rewarding career;

(C) reduce, with a goal of eliminating, the achievement gap between at-risk and non-at-risk students by raising the performance of at-risk students and not by reducing standards; and

New matter indicated by italics - deletions by strikeout
(D) ensure this State satisfies its obligation to assume the primary responsibility to fund public education and simultaneously relieve the disproportionate burden placed on local property taxes to fund schools.

(2) The evidence-based funding formula under this Section shall be applied to all Organizational Units in this State. The evidence-based funding formula outlined in this Act is based on the formula outlined in Senate Bill 1 of the 100th General Assembly, as passed by both legislative chambers. As further defined and described in this Section, there are 4 major components of the evidence-based funding model:

(A) First, the model calculates a unique adequacy target for each Organizational Unit in this State that considers the costs to implement research-based activities, the unit's student demographics, and regional wage difference.

(B) Second, the model calculates each Organizational Unit's local capacity, or the amount each Organizational Unit is assumed to contribute towards its adequacy target from local resources.

(C) Third, the model calculates how much funding the State currently contributes to the Organizational Unit, and adds that to the unit's local capacity to determine the unit's overall current adequacy of funding.

(D) Finally, the model's distribution method allocates new State funding to those Organizational Units that are least well-funded, considering both local capacity and State funding, in relation to their adequacy target.

(3) An Organizational Unit receiving any funding under this Section may apply those funds to any fund so received for which that Organizational Unit is authorized to make expenditures by law.

(4) As used in this Section, the following terms shall have the meanings ascribed in this paragraph (4):

"Adequacy Target" is defined in paragraph (1) of subsection (b) of this Section.

"Adjusted EAV" is defined in paragraph (4) of subsection (d) of this Section.

If an Organizational Unit's corresponding fiscal year State of Illinois scheduled payments excluding net adjustments for prior years for regular, vocational, or special education transportation reimbursement pursuant to Section 29-5 or subsection (b) of Section 14-13.01 of this Code exceed the total transportation expenses, as defined in this paragraph, no transportation rate shall be subtracted from the Operating Tax Rate.

"Allocation Rate" is defined in paragraph (3) of subsection (g) of this Section.

"Applicable Tax Rate" is defined in paragraph (1) of subsection (d) of this Section.

regular school program. All students included in an Organizational Unit's Low-Income Count, as well as all English learner and disabled students attending the Organizational Unit, shall be considered at-risk students under this Section.

"Average Student Enrollment" or "ASE" for fiscal year 2018 means, for an Organizational Unit, the greater of the average number of students (grades K through 12) reported to the State Board as enrolled in the Organizational Unit on October 1 in the immediately preceding school year, plus the pre-kindergarten students who receive special education services of 2 or more hours a day as reported to the State Board on December 1 in the immediately preceding school year, or the average number of students (grades K through 12) reported to the State Board as enrolled in the Organizational Unit on October 1, for each of the immediately preceding 3 school years. For fiscal year 2019 and each subsequent fiscal year, "Average Student Enrollment" or "ASE" means, for an Organizational Unit, the greater of the average number of students (grades K through 12) reported to the State Board as enrolled in the Organizational Unit on October 1 and March 1 in the immediately preceding school year, plus the pre-kindergarten students who receive special education services as reported to the State Board on October 1 and March 1 in the immediately preceding school year, or the average number of students (grades K through 12) reported to the State Board as enrolled in the Organizational Unit on October 1 and March 1, for each of the immediately preceding 3 school years. For the purposes of this definition, "enrolled in the Organizational Unit" means the number of students reported to the State Board who are enrolled in schools within the Organizational Unit that the student attends or would attend if not placed or transferred to another school or program to receive needed services. For the purposes of calculating "ASE", all students, grades K through 12, excluding those attending kindergarten for a half day and students attending an alternative education program operated by a regional office of education or intermediate service center, shall be counted

as 1.0. All students attending kindergarten for a half day shall be counted as 0.5, unless in 2017 by June 15 or by March 1 in subsequent years, the school district reports to the State Board of Education the intent to implement full-day kindergarten district-wide for all students, then all students attending kindergarten shall be counted as 1.0. Special education pre-kindergarten students shall be counted as 0.5 each. If the State Board does not collect or has not collected both an October 1 and March 1 enrollment count by grade or a December 1 collection of special education pre-kindergarten students as of the effective date of this amendatory Act of the 100th General Assembly, it shall establish such collection for all future years. For any year where a count by grade level was collected only once, that count shall be used as the single count available for computing a 3-year average ASE. **Funding for programs operated by a regional office of education or an intermediate service center must be calculated using the evidence-based funding formula under this Section for the 2019-2020 school year and each subsequent school year until separate adequacy formulas are developed and adopted for each type of program.**

**ASE for a program operated by a regional office of education or an intermediate service center must be determined by the March 1 enrollment for the program.** For the 2019-2020 school year, the ASE used in the calculation must be the first-year ASE and, in that year only, the assignment of students served by a regional office of education or intermediate service center shall not result in a reduction of the March enrollment for any school district. For the 2020-2021 school year, the ASE must be the greater of the current-year ASE or the 2-year average ASE. Beginning with the 2021-2022 school year, the ASE must be the greater of the current-year ASE or the 3-year average ASE. School districts shall submit the data for the ASE calculation to the State Board within 45 days of the dates required in this Section for submission of enrollment data in order for it to be included in the ASE calculation. For fiscal year 2018 only, the ASE calculation shall include only enrollment taken on October 1.

Each county's current CWI value shall be adjusted based on the CWI value of that county's neighboring Illinois counties, to create a "weighted
adjusted index value". This shall be calculated by summing the CWI values of all of a county's adjacent Illinois counties and dividing by the number of adjacent Illinois counties, then taking the weighted value of the original county's CWI value and the adjacent Illinois county average. To calculate this weighted value, if the number of adjacent Illinois counties is greater than 2, the original county's CWI value will be weighted at 0.25 and the adjacent Illinois county average will be weighted at 0.75. If the number of adjacent Illinois counties is 2, the original county's CWI value will be weighted at 0.33 and the adjacent Illinois county average will be weighted at 0.66. The greater of the county's current CWI value and its weighted adjusted index value shall be used as the Organizational Unit CWI.

For any fiscal year in which a school district organized under Article 34 of this Code is responsible for paying the employer normal cost of teacher pensions, then that amount of its employer normal cost plus the amount for retiree health insurance as certified by the Public School Teachers' Pension and
Retirement Fund of Chicago to be paid by the school district for the preceding school year that is statutorily required to cover employer normal costs and the amount for retiree health insurance shall be added to the 30% specified in this subparagraph (U). (3) For calculating the salaries included within the Essential Elements, the State Superintendent shall annually calculate average salaries to the nearest dollar using the employment information system data maintained by the State Board, limited to public schools only and excluding special education and vocational cooperatives, schools operated by the Department of Juvenile Justice, and charter schools, for the following positions:

(A) Teacher for grades K through 8.
(B) Teacher for grades 9 through 12.

For the purposes of this paragraph (3), "teacher" includes core teachers, specialist and elective teachers, instructional facilitators, tutors, special education teachers, pupil support staff teachers, English learner teachers, extended-day teachers, and summer school teachers. Where specific grade data is not required for the Essential Elements, the average salary for corresponding

positions shall apply. For substitute teachers, the average teacher salary for grades K through 12 shall apply.

For calculating the salaries included within the Essential Elements for positions not included within EIS Data, the following salaries shall be used in the first year of implementation of Evidence-Based Funding:

(i) school site staff, $30,000; and
(ii) non-instructional assistant, instructional assistant, library aide, library media tech, or supervisory aide: $25,000.

In the second and subsequent years of implementation of Evidence-Based Funding, the amounts in items (i) and (ii) of this paragraph (3) shall annually increase by the ECI.

The salary amounts for the Essential Elements determined pursuant to subparagraphs (A) through (L), (S) and (T), and (V) through (X) of paragraph (2) of subsection (b) of this Section shall be multiplied by a Regionalization Factor.

(c) Local capacity calculation.

(1) Each Organizational Unit's Local Capacity represents an amount of funding it is assumed to contribute toward its Adequacy Target for purposes of the Evidence-Based Funding formula calculation. "Local Capacity" means either (i) the Organizational Unit's Local Capacity Target as calculated in accordance with paragraph (2) of this subsection (c) if its Real Receipts are equal to or less than its Local Capacity Target or (ii) the Organizational Unit's Adjusted Local Capacity, as calculated in accordance with paragraph (3) of this subsection (c) if Real Receipts are more than its Local Capacity Target.

(2) "Local Capacity Target" means, for an Organizational Unit, that dollar amount that is obtained by multiplying its Adequacy Target by its Local Capacity Ratio.

(A) An Organizational Unit's Local Capacity Percentage is the conversion of the Organizational Unit's Local Capacity Ratio, as such ratio is determined in accordance with subparagraph (B) of this paragraph (2), into a cumulative distribution resulting in a percentile ranking to determine each Organizational Unit's relative position to all other Organizational Units in this State. The

New matter indicated by italics - deletions by strikeout
calculation of Local Capacity Percentage is described in subparagraph (C) of this paragraph (2).

(B) An Organizational Unit's Local Capacity Ratio in a given year is the percentage obtained by dividing its Adjusted EAV or PTELL EAV, whichever is less, by its Adequacy Target, with the resulting ratio further adjusted as follows:

(i) for Organizational Units serving grades kindergarten through 12 and Hybrid Districts, no further adjustments shall be made;

(ii) for Organizational Units serving grades kindergarten through 8, the ratio shall be multiplied by 9/13;

(iii) for Organizational Units serving grades 9 through 12, the Local Capacity Ratio shall be multiplied by 4/13; and

(iv) for an Organizational Unit with a different grade configuration than those specified in items (i) through (iii) of this subparagraph (B), the State Superintendent shall determine a comparable adjustment based on the grades served.

(C) The Local Capacity Percentage is equal to the percentile ranking of the district. Local Capacity Percentage converts each Organizational Unit's Local Capacity Ratio to a cumulative distribution resulting in a percentile ranking to determine each Organizational Unit's relative position to all other Organizational Units in this State. The Local Capacity Percentage cumulative distribution resulting in a percentile ranking for each Organizational Unit shall be calculated using the standard normal distribution of the score in relation to the weighted mean and weighted standard deviation and Local Capacity Ratios of all Organizational Units. If the value assigned to any Organizational Unit is in excess of 90%, the value shall be adjusted to 90%. For Laboratory Schools, the Local Capacity Percentage shall be set at 10% in recognition of the absence of EAV and resources from the public university that are allocated to the Laboratory School. For programs operated by a regional office of education or an intermediate service center, the

New matter indicated by italics - deletions by strikeout
Local Capacity Percentage must be set at 10% in recognition of the absence of EAV and resources from school districts that are allocated to the regional office of education or intermediate service center. The weighted mean for the Local Capacity Percentage shall be determined by multiplying each Organizational Unit's Local Capacity Ratio times the ASE for the unit creating a weighted value, summing the weighted values of all Organizational Units, and dividing by the total ASE of all Organizational Units. The weighted standard deviation shall be determined by taking the square root of the weighted variance of all Organizational Units' Local Capacity Ratio, where the variance is calculated by squaring the difference between each unit's Local Capacity Ratio and the weighted mean, then multiplying the variance for each unit times the ASE for the unit to create a weighted variance for each unit, then summing all units' weighted variance and dividing by the total ASE of all units.

(D) For any Organizational Unit, the Organizational Unit's Adjusted Local Capacity Target shall be reduced by either (i) the school board's remaining contribution pursuant to paragraph (ii) of subsection (b-4) of Section 16-158 of the Illinois Pension Code in a given year, or (ii) the board of education's remaining contribution pursuant to paragraph (iv) of subsection (b) of Section 17-129 of the Illinois Pension Code absent the employer normal cost portion of the required contribution and amount allowed pursuant to subdivision (3) of Section 17-142.1 of the Illinois Pension Code in a given year. In the preceding sentence, item (i) shall be certified to the State Board of Education by the Teachers' Retirement System of the State of Illinois and item (ii) shall be certified to the State Board of Education by the Public School Teachers' Pension and Retirement Fund of the City of Chicago.

(3) If an Organizational Unit's Real Receipts are more than its Local Capacity Target, then its Local Capacity shall equal an Adjusted Local Capacity Target as calculated in accordance with this paragraph (3). The Adjusted Local Capacity Target is calculated as the sum of the Organizational Unit's Local Capacity

New matter indicated by italics - deletions by strikeout
Target and its Real Receipts Adjustment. The Real Receipts Adjustment equals the Organizational Unit's Real Receipts less its Local Capacity Target, with the resulting figure multiplied by the Local Capacity Percentage.

As used in this paragraph (3), "Real Percent of Adequacy" means the sum of an Organizational Unit's Real Receipts, CPPRT, and Base Funding Minimum, with the resulting figure divided by the Organizational Unit's Adequacy Target.

(d) Calculation of Real Receipts, EAV, and Adjusted EAV for purposes of the Local Capacity calculation.

(1) An Organizational Unit's Real Receipts are the product of its Applicable Tax Rate and its Adjusted EAV. An Organizational Unit's Applicable Tax Rate is its Adjusted Operating Tax Rate for property within the Organizational Unit.

(2) The State Superintendent shall calculate the Equalized Assessed Valuation, or EAV, of all taxable property of each Organizational Unit as of September 30 of the previous year in accordance with paragraph (3) of this subsection (d). The State Superintendent shall then determine the Adjusted EAV of each Organizational Unit in accordance with paragraph (4) of this subsection (d), which Adjusted EAV figure shall be used for the purposes of calculating Local Capacity.

(3) To calculate Real Receipts and EAV, the Department of Revenue shall supply to the State Superintendent the value as equalized or assessed by the Department of Revenue of all taxable property of every Organizational Unit, together with (i) the applicable tax rate used in extending taxes for the funds of the Organizational Unit as of September 30 of the previous year and (ii) the limiting rate for all Organizational Units subject to property tax extension limitations as imposed under PTELL.

(A) The Department of Revenue shall add to the equalized assessed value of all taxable property of each Organizational Unit situated entirely or partially within a county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code (i) an amount equal to the total amount by which the homestead exemption allowed under Section 15-176 or 15-177 of the Property Tax Code for real property situated in that Organizational Unit exceeds the total amount that would
have been allowed in that Organizational Unit if the maximum reduction under Section 15-176 was (I) $4,500 in Cook County or $3,500 in all other counties in tax year 2003 or (II) $5,000 in all counties in tax year 2004 and thereafter and (ii) an amount equal to the aggregate amount for the taxable year of all additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. The county clerk of any county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code shall annually calculate and certify to the Department of Revenue for each Organizational Unit all homestead exemption amounts under Section 15-176 or 15-177 of the Property Tax Code and all amounts of additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. It is the intent of this subparagraph (A) that if the general homestead exemption for a parcel of property is determined under Section 15-176 or 15-177 of the Property Tax Code rather than Section 15-175, then the calculation of EAV shall not be affected by the difference, if any, between the amount of the general homestead exemption allowed for that parcel of property under Section 15-176 or 15-177 of the Property Tax Code and the amount that would have been allowed had the general homestead exemption for that parcel of property been determined under Section 15-175 of the Property Tax Code. It is further the intent of this subparagraph (A) that if additional exemptions are allowed under Section 15-175 of the Property Tax Code for owners with a household income of less than $30,000, then the calculation of EAV shall not be affected by the difference, if any, because of those additional exemptions.

(B) With respect to any part of an Organizational Unit within a redevelopment project area in respect to which a municipality has adopted tax increment allocation financing pursuant to the Tax Increment Allocation Redevelopment Act, Division 74.4 of Article 11 of the Illinois Municipal Code, or the Industrial Jobs Recovery Law, Division 74.6 of Article 11 of the Illinois Municipal

New matter indicated by italics - deletions by strikeout
Code, no part of the current EAV of real property located in any such project area which is attributable to an increase above the total initial EAV of such property shall be used as part of the EAV of the Organizational Unit, until such time as all redevelopment project costs have been paid, as provided in Section 11-74.4-8 of the Tax Increment Allocation Redevelopment Act or in Section 11-74.6-35 of the Industrial Jobs Recovery Law. For the purpose of the EAV of the Organizational Unit, the total initial EAV or the current EAV, whichever is lower, shall be used until such time as all redevelopment project costs have been paid.

(B-5) The real property equalized assessed valuation for a school district shall be adjusted by subtracting from the real property value, as equalized or assessed by the Department of Revenue, for the district an amount computed by dividing the amount of any abatement of taxes under Section 18-170 of the Property Tax Code by 3.00% for a district maintaining grades kindergarten through 12, by 2.30% for a district maintaining grades kindergarten through 8, or by 1.05% for a district maintaining grades 9 through 12 and adjusted by an amount computed by dividing the amount of any abatement of taxes under subsection (a) of Section 18-165 of the Property Tax Code by the same percentage rates for district type as specified in this subparagraph (B-5).

(C) For Organizational Units that are Hybrid Districts, the State Superintendent shall use the lesser of the adjusted equalized assessed valuation for property within the partial elementary unit district for elementary purposes, as defined in Article 11E of this Code, or the adjusted equalized assessed valuation for property within the partial elementary unit district for high school purposes, as defined in Article 11E of this Code.

(4) An Organizational Unit's Adjusted EAV shall be the average of its EAV over the immediately preceding 3 years or its EAV in the immediately preceding year if the EAV in the immediately preceding year has declined by 10% or more compared to the 3-year average. In the event of Organizational Unit reorganization, consolidation, or annexation, the Organizational

New matter indicated by italics - deletions by strikeout
Unit's Adjusted EAV for the first 3 years after such change shall be as follows: the most current EAV shall be used in the first year, the average of a 2-year EAV or its EAV in the immediately preceding year if the EAV declines by 10% or more compared to the 2-year average for the second year, and a 3-year average EAV or its EAV in the immediately preceding year if the adjusted EAV declines by 10% or more compared to the 3-year average for the third year. For any school district whose EAV in the immediately preceding year is used in calculations, in the following year, the Adjusted EAV shall be the average of its EAV over the immediately preceding 2 years or the immediately preceding year if that year represents a decline of 10% or more compared to the 2-year average.

"PTELL EAV" means a figure calculated by the State Board for Organizational Units subject to PTELL as described in this paragraph (4) for the purposes of calculating an Organizational Unit's Local Capacity Ratio. Except as otherwise provided in this paragraph (4), the PTELL EAV of an Organizational Unit shall be equal to the product of the equalized assessed valuation last used in the calculation of general State aid under Section 18-8.05 of this Code (now repealed) or Evidence-Based Funding under this Section and the Organizational Unit's Extension Limitation Ratio. If an Organizational Unit has approved or does approve an increase in its limiting rate, pursuant to Section 18-190 of the Property Tax Code, affecting the Base Tax Year, the PTELL EAV shall be equal to the product of the equalized assessed valuation last used in the calculation of general State aid under Section 18-8.05 of this Code (now repealed) or Evidence-Based Funding under this Section multiplied by an amount equal to one plus the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for the 12-month calendar year preceding the Base Tax Year, plus the equalized assessed valuation of new property, annexed property, and recovered tax increment value and minus the equalized assessed valuation of disconnected property.

As used in this paragraph (4), "new property" and "recovered tax increment value" shall have the meanings set forth in the Property Tax Extension Limitation Law.

(e) Base Funding Minimum calculation.

(1) For the 2017-2018 school year, the Base Funding Minimum of an Organizational Unit or a Specially Funded Unit shall be the amount of State funds distributed to the Organizational Unit or Specially Funded Unit during the 2016-2017 school year prior to any adjustments and specified appropriation amounts described in this paragraph (1) from the following Sections, as calculated by the State Superintendent: Section 18-8.05 of this Code (now repealed); Section 5 of Article 224 of Public Act 99-524 (equity grants); Section 14-7.02b of this Code (funding for children requiring special education services); Section 14-13.01 of this Code (special education facilities and staffing), except for reimbursement of the cost of transportation pursuant to Section 14-13.01; Section 14C-12 of this Code (English learners); and Section 18-4.3 of this Code (summer school), based on an appropriation level of $13,121,600. For a school district organized under Article 34 of this Code, the Base Funding Minimum also includes (i) the funds allocated to the school district pursuant to Section 1D-1 of this Code attributable to funding programs authorized by the Sections of this Code listed in the preceding sentence; and (ii) the difference between (I) the funds allocated to the school district pursuant to Section 1D-1 of this Code attributable to funding programs authorized by the Sections of this Code listed in the preceding sentence; and (II) the school district's actual expenditures for its non-public special education, special education transportation, transportation programs, agricultural education, truants' alternative education, services that would otherwise be performed by a regional office of education, special education orphanage expenditures, and free breakfast, as most recently calculated and reported pursuant to subsection (f) of Section 1D-1 of this Code. The Base Funding Minimum for Glenwood Academy shall be $625,500. For programs operated by a regional office of education or an intermediate service center, the Base Funding Minimum must be the total amount of State funds allocated to those
programs in the 2018-2019 school year and amounts provided pursuant to Article 34 of Public Act 100-586 and Section 3-16 of this Code. All programs established after the effective date of this amendatory Act of the 101st General Assembly and administered by a regional office of education or an intermediate service center must have an initial Base Funding Minimum set to an amount equal to the first-year ASE multiplied by the amount of per pupil funding received in the previous school year by the lowest funded similar existing program type. If the enrollment for a program operated by a regional office of education or an intermediate service center is zero, then it may not receive Base Funding Minimum funds for that program in the next fiscal year, and those funds must be distributed to Organizational Units under subsection (g).

(2) For the 2018-2019 and subsequent school years, the Base Funding Minimum of Organizational Units and Specially Funded Units shall be the sum of (i) the amount of Evidence-Based Funding for the prior school year, (ii) the Base Funding Minimum for the prior school year, and (iii) any amount received by a school district pursuant to Section 7 of Article 97 of Public Act 100-21.

(f) Percent of Adequacy and Final Resources calculation.

(1) The Evidence-Based Funding formula establishes a Percent of Adequacy for each Organizational Unit in order to place such units into tiers for the purposes of the funding distribution system described in subsection (g) of this Section. Initially, an Organizational Unit's Preliminary Resources and Preliminary Percent of Adequacy are calculated pursuant to paragraph (2) of this subsection (f). Then, an Organizational Unit's Final Resources and Final Percent of Adequacy are calculated to account for the Organizational Unit's poverty concentration levels pursuant to paragraphs (3) and (4) of this subsection (f).

(2) An Organizational Unit's Preliminary Resources are equal to the sum of its Local Capacity Target, CPPRT, and Base Funding Minimum. An Organizational Unit's Preliminary Percent of Adequacy is the lesser of (i) its Preliminary Resources divided by its Adequacy Target or (ii) 100%.

(3) Except for Specially Funded Units, an Organizational Unit's Final Resources are equal the sum of its Local Capacity, CPPRT, and Adjusted Base Funding Minimum. The Base Funding
Minimum of each Specially Funded Unit shall serve as its Final Resources, except that the Base Funding Minimum for State-approved charter schools shall not include any portion of general State aid allocated in the prior year based on the per capita tuition charge times the charter school enrollment.

(4) An Organizational Unit's Final Percent of Adequacy is its Final Resources divided by its Adequacy Target. An Organizational Unit's Adjusted Base Funding Minimum is equal to its Base Funding Minimum less its Supplemental Grant Funding, with the resulting figure added to the product of its Supplemental Grant Funding and Preliminary Percent of Adequacy.

(g) Evidence-Based Funding formula distribution system.

(1) In each school year under the Evidence-Based Funding formula, each Organizational Unit receives funding equal to the sum of its Base Funding Minimum and the unit's allocation of New State Funds determined pursuant to this subsection (g). To allocate New State Funds, the Evidence-Based Funding formula distribution system first places all Organizational Units into one of 4 tiers in accordance with paragraph (3) of this subsection (g), based on the Organizational Unit's Final Percent of Adequacy. New State Funds are allocated to each of the 4 tiers as follows: Tier 1 Aggregate Funding equals 50% of all New State Funds, Tier 2 Aggregate Funding equals 49% of all New State Funds, Tier 3 Aggregate Funding equals 0.9% of all New State Funds, and Tier 4 Aggregate Funding equals 0.1% of all New State Funds. Each Organizational Unit within Tier 1 or Tier 2 receives an allocation of New State Funds equal to its tier Funding Gap, as defined in the following sentence, multiplied by the tier's Allocation Rate determined pursuant to paragraph (4) of this subsection (g). For Tier 1, an Organizational Unit's Funding Gap equals the tier's Target Ratio, as specified in paragraph (5) of this subsection (g), multiplied by the Organizational Unit's Adequacy Target, with the resulting amount reduced by the Organizational Unit's Final Resources. For Tier 2, an Organizational Unit's Funding Gap equals the tier's Target Ratio, as described in paragraph (5) of this subsection (g), multiplied by the Organizational Unit's Adequacy Target, with the resulting amount reduced by the Organizational Unit's Final Resources and its Tier 1 funding allocation. To determine the Organizational Unit's Funding Gap, the resulting

New matter indicated by italics - deletions by strikeout
amount is then multiplied by a factor equal to one minus the Organizational Unit's Local Capacity Target percentage. Each Organizational Unit within Tier 3 or Tier 4 receives an allocation of New State Funds equal to the product of its Adequacy Target and the tier's Allocation Rate, as specified in paragraph (4) of this subsection (g).

(2) To ensure equitable distribution of dollars for all Tier 2 Organizational Units, no Tier 2 Organizational Unit shall receive fewer dollars per ASE than any Tier 3 Organizational Unit. Each Tier 2 and Tier 3 Organizational Unit shall have its funding allocation divided by its ASE. Any Tier 2 Organizational Unit with a funding allocation per ASE below the greatest Tier 3 allocation per ASE shall get a funding allocation equal to the greatest Tier 3 funding allocation per ASE multiplied by the Organizational Unit's ASE. Each Tier 2 Organizational Unit's Tier 2 funding allocation shall be multiplied by the percentage calculated by dividing the original Tier 2 Aggregate Funding by the sum of all Tier 2 Organizational Unit's Tier 2 funding allocation after adjusting districts' funding below Tier 3 levels.

(3) Organizational Units are placed into one of 4 tiers as follows:

(A) Tier 1 consists of all Organizational Units, except for Specially Funded Units, with a Percent of Adequacy less than the Tier 1 Target Ratio. The Tier 1 Target Ratio is the ratio level that allows for Tier 1 Aggregate Funding to be distributed, with the Tier 1 Allocation Rate determined pursuant to paragraph (4) of this subsection (g).

(B) Tier 2 consists of all Tier 1 Units and all other Organizational Units, except for Specially Funded Units, with a Percent of Adequacy of less than 0.90.

(C) Tier 3 consists of all Organizational Units, except for Specially Funded Units, with a Percent of Adequacy of at least 0.90 and less than 1.0.

(D) Tier 4 consists of all Organizational Units with a Percent of Adequacy of at least 1.0.

(4) The Allocation Rates for Tiers 1 through 4 is determined as follows:

(A) The Tier 1 Allocation Rate is 30%.

New matter indicated by italics - deletions by strikeout
(B) The Tier 2 Allocation Rate is the result of the following equation: Tier 2 Aggregate Funding, divided by the sum of the Funding Gaps for all Tier 2 Organizational Units, unless the result of such equation is higher than 1.0. If the result of such equation is higher than 1.0, then the Tier 2 Allocation Rate is 1.0.

(C) The Tier 3 Allocation Rate is the result of the following equation: Tier 3 Aggregate Funding, divided by the sum of the Adequacy Targets of all Tier 3 Organizational Units.

(D) The Tier 4 Allocation Rate is the result of the following equation: Tier 4 Aggregate Funding, divided by the sum of the Adequacy Targets of all Tier 4 Organizational Units.

(5) A tier's Target Ratio is determined as follows:

(A) The Tier 1 Target Ratio is the ratio level that allows for Tier 1 Aggregate Funding to be distributed with the Tier 1 Allocation Rate.

(B) The Tier 2 Target Ratio is 0.90.

(C) The Tier 3 Target Ratio is 1.0.

(6) If, at any point, the Tier 1 Target Ratio is greater than 90%, than all Tier 1 funding shall be allocated to Tier 2 and no Tier 1 Organizational Unit's funding may be identified.

(7) In the event that all Tier 2 Organizational Units receive funding at the Tier 2 Target Ratio level, any remaining New State Funds shall be allocated to Tier 3 and Tier 4 Organizational Units.

(8) If any Specially Funded Units, excluding Glenwood Academy, recognized by the State Board do not qualify for direct funding following the implementation of this amendatory Act of the 100th General Assembly from any of the funding sources included within the definition of Base Funding Minimum, the unqualified portion of the Base Funding Minimum shall be transferred to one or more appropriate Organizational Units as determined by the State Superintendent based on the prior year ASE of the Organizational Units.

(8.5) If a school district withdraws from a special education cooperative, the portion of the Base Funding Minimum that is attributable to the school district may be redistributed to the school district upon withdrawal. The school district and the cooperative

New matter indicated by italics - deletions by strikeout
must include the amount of the Base Funding Minimum that is to be re-apportioned in their withdrawal agreement and notify the State Board of the change with a copy of the agreement upon withdrawal.

(9) The Minimum Funding Level is intended to establish a target for State funding that will keep pace with inflation and continue to advance equity through the Evidence-Based Funding formula. The target for State funding of New Property Tax Relief Pool Funds is $50,000,000 for State fiscal year 2019 and subsequent State fiscal years. The Minimum Funding Level is equal to $350,000,000. In addition to any New State Funds, no more than $50,000,000 New Property Tax Relief Pool Funds may be counted towards the Minimum Funding Level. If the sum of New State Funds and applicable New Property Tax Relief Pool Funds are less than the Minimum Funding Level, than funding for tiers shall be reduced in the following manner:

(A) First, Tier 4 funding shall be reduced by an amount equal to the difference between the Minimum Funding Level and New State Funds until such time as Tier 4 funding is exhausted.

(B) Next, Tier 3 funding shall be reduced by an amount equal to the difference between the Minimum Funding Level and New State Funds and the reduction in Tier 4 funding until such time as Tier 3 funding is exhausted.

(C) Next, Tier 2 funding shall be reduced by an amount equal to the difference between the Minimum Funding Level and New State Funds and the reduction in Tier 4 and Tier 3.

(D) Finally, Tier 1 funding shall be reduced by an amount equal to the difference between the Minimum Funding Level and New State Funds and the reduction in Tier 2, 3, and 4 funding. In addition, the Allocation Rate for Tier 1 shall be reduced to a percentage equal to the Tier 1 allocation rate set by paragraph (4) of this subsection (g), multiplied by the result of New State Funds divided by the Minimum Funding Level.

(9.5) For State fiscal year 2019 and subsequent State fiscal years, if New State Funds exceed $300,000,000, then any amount
in excess of $300,000,000 shall be dedicated for purposes of Section 2-3.170 of this Code up to a maximum of $50,000,000.

(10) In the event of a decrease in the amount of the appropriation for this Section in any fiscal year after implementation of this Section, the Organizational Units receiving Tier 1 and Tier 2 funding, as determined under paragraph (3) of this subsection (g), shall be held harmless by establishing a Base Funding Guarantee equal to the per pupil kindergarten through grade 12 funding received in accordance with this Section in the prior fiscal year. Reductions shall be made to the Base Funding Minimum of Organizational Units in Tier 3 and Tier 4 on a per pupil basis equivalent to the total number of the ASE in Tier 3-funded and Tier 4-funded Organizational Units divided by the total reduction in State funding. The Base Funding Minimum as reduced shall continue to be applied to Tier 3 and Tier 4 Organizational Units and adjusted by the relative formula when increases in appropriations for this Section resume. In no event may State funding reductions to Organizational Units in Tier 3 or Tier 4 exceed an amount that would be less than the Base Funding Minimum established in the first year of implementation of this Section. If additional reductions are required, all school districts shall receive a reduction by a per pupil amount equal to the aggregate additional appropriation reduction divided by the total ASE of all Organizational Units.

(11) The State Superintendent shall make minor adjustments to the distribution formula set forth in this subsection (g) to account for the rounding of percentages to the nearest tenth of a percentage and dollar amounts to the nearest whole dollar.

(h) State Superintendent administration of funding and district submission requirements.

(1) The State Superintendent shall, in accordance with appropriations made by the General Assembly, meet the funding obligations created under this Section.

(2) The State Superintendent shall calculate the Adequacy Target for each Organizational Unit and Net State Contribution Target for each Organizational Unit under this Section. The State Superintendent shall also certify the actual amounts of the New State Funds payable for each eligible Organizational Unit based on the equitable distribution calculation to the unit's treasurer, as soon

New matter indicated by italics - deletions by strikeout
as possible after such amounts are calculated, including any applicable adjusted charge-off increase. No Evidence-Based Funding shall be distributed within an Organizational Unit without the approval of the unit's school board.

(3) Annually, the State Superintendent shall calculate and report to each Organizational Unit the unit's aggregate financial adequacy amount, which shall be the sum of the Adequacy Target for each Organizational Unit. The State Superintendent shall calculate and report separately for each Organizational Unit the unit's total State funds allocated for its students with disabilities. The State Superintendent shall calculate and report separately for each Organizational Unit the amount of funding and applicable FTE calculated for each Essential Element of the unit's Adequacy Target.

(4) Annually, the State Superintendent shall calculate and report to each Organizational Unit the amount the unit must expend on special education and bilingual education and computer technology and equipment for Organizational Units assigned to Tier 1 or Tier 2 that received an additional $285.50 per student computer technology and equipment investment grant to their Adequacy Target pursuant to the unit's Base Funding Minimum, Special Education Allocation, Bilingual Education Allocation, and computer technology and equipment investment allocation.

(5) Moneys distributed under this Section shall be calculated on a school year basis, but paid on a fiscal year basis, with payments beginning in August and extending through June. Unless otherwise provided, the moneys appropriated for each fiscal year shall be distributed in 22 equal payments at least 2 times monthly to each Organizational Unit. The State Board shall publish a yearly distribution schedule at its meeting in June. If moneys appropriated for any fiscal year are distributed other than monthly, the distribution shall be on the same basis for each Organizational Unit.

(6) Any school district that fails, for any given school year, to maintain school as required by law or to maintain a recognized school is not eligible to receive Evidence-Based Funding. In case of non-recognition of one or more attendance centers in a school district otherwise operating recognized schools, the claim of the district shall be reduced in the proportion that the enrollment in the

New matter indicated by italics - deletions by strikeout
attendance center or centers bears to the enrollment of the school
district. "Recognized school" means any public school that meets
the standards for recognition by the State Board. A school district
or attendance center not having recognition status at the end of a
school term is entitled to receive State aid payments due upon a
legal claim that was filed while it was recognized.

(7) School district claims filed under this Section are
subject to Sections 18-9 and 18-12 of this Code, except as
otherwise provided in this Section.

(8) Each fiscal year, the State Superintendent shall calculate
for each Organizational Unit an amount of its Base Funding
Minimum and Evidence-Based Funding that shall be deemed
attributable to the provision of special educational facilities and
services, as defined in Section 14-1.08 of this Code, in a manner
that ensures compliance with maintenance of State financial
support requirements under the federal Individuals with
Disabilities Education Act. An Organizational Unit must use such
funds only for the provision of special educational facilities and
services, as defined in Section 14-1.08 of this Code, and must
comply with any expenditure verification procedures adopted by
the State Board.

(9) All Organizational Units in this State must submit
annual spending plans by the end of September of each year to the
State Board as part of the annual budget process, which shall
describe how each Organizational Unit will utilize the Base
Minimum Funding and Evidence-Based funding it receives from
this State under this Section with specific identification of the
intended utilization of Low-Income, English learner, and special
education resources. Additionally, the annual spending plans of
each Organizational Unit shall describe how the Organizational
Unit expects to achieve student growth and how the Organizational
Unit will achieve State education goals, as defined by the State
Board. The State Superintendent may, from time to time, identify
additional requisites for Organizational Units to satisfy when
compiling the annual spending plans required under this subsection
(h). The format and scope of annual spending plans shall be
developed by the State Superintendent in conjunction with the
Professional Review Panel. School districts that serve students

(10) No later than January 1, 2018, the State Superintendent shall develop a 5-year strategic plan for all Organizational Units to help in planning for adequacy funding under this Section. The State Superintendent shall submit the plan to the Governor and the General Assembly, as provided in Section 3.1 of the General Assembly Organization Act. The plan shall include recommendations for:

(A) a framework for collaborative, professional, innovative, and 21st century learning environments using the Evidence-Based Funding model;
(B) ways to prepare and support this State's educators for successful instructional careers;
(C) application and enhancement of the current financial accountability measures, the approved State plan to comply with the federal Every Student Succeeds Act, and the Illinois Balanced Accountability Measures in relation to student growth and elements of the Evidence-Based Funding model; and
(D) implementation of an effective school adequacy funding system based on projected and recommended funding levels from the General Assembly.

(i) Professional Review Panel.

(1) A Professional Review Panel is created to study and review the implementation and effect of the Evidence-Based Funding model under this Section and to recommend continual recalibration and future study topics and modifications to the Evidence-Based Funding model. The Panel shall elect a chairperson and vice chairperson by a majority vote of the Panel and shall advance recommendations based on a majority vote of the Panel. A minority opinion may also accompany any recommendation of the majority of the Panel. The Panel shall be appointed by the State Superintendent, except as otherwise provided in paragraph (2) of this subsection (i) and include the following members:

(A) Two appointees that represent district superintendents, recommended by a statewide organization that represents district superintendents.

The State Superintendent shall ensure that the membership of the Panel includes representatives from school districts and communities reflecting the geographic, socio-economic, racial, and ethnic diversity of this State. The State Superintendent shall additionally ensure that the membership of the Panel includes

(2) In addition to those Panel members appointed by the State Superintendent, 4 members of the General Assembly shall be appointed as follows: one member of the House of Representatives appointed by the Speaker of the House of Representatives, one member of the Senate appointed by the President of the Senate, one member of the House of Representatives appointed by the Minority Leader of the House of Representatives, and one member of the Senate appointed by the Minority Leader of the Senate. There shall be one additional member appointed by the Governor. All members appointed by legislative leaders or the Governor shall be non-voting, ex officio members.

(3) On an annual basis, the State Superintendent shall recalibrate the following per pupil elements of the Adequacy Target and applied to the formulas, based on the Panel's study of average expenses as reported in the most recent annual financial report:

(A) gifted under subparagraph (M) of paragraph (2) of subsection (b) of this Section;

(E) Benefits. Within 5 years after the implementation of this Section, the Panel shall make recommendations for further study of benefit costs.

(F) Technology. The per pupil target for technology shall be reviewed every 3 years to determine whether current allocations are sufficient to develop 21st century learning in all classrooms in this State and supporting a one-to-one technological device program in each school. Recommendations shall be made no later than 3 years after the implementation of this Section.

(G) Local Capacity Target. Within 3 years after the implementation of this Section, the Panel shall make recommendations for any additional data desired to analyze possible modifications to the Local Capacity Target, to be based on measures in addition to solely EAV and to be completed within 5 years after implementation of this Section.

(J) Special education investments. By the beginning of the 2021-2022 school year, the Panel shall study and make recommendations on whether and how to account for disability types within the special education funding category.

(K) Early childhood investments. (5) Within 5 years after the implementation of this Section, the Panel shall complete an evaluative study of the entire Evidence-Based Funding model, including an assessment of whether or not the formula is achieving State goals. The Panel shall report to the State Board, the General Assembly, and the Governor on the findings of the study.

Sec. 5-5.01a. Supportive living facilities program.

(a) The Department shall establish and provide oversight for a program of supportive living facilities that seek to promote resident independence, dignity, respect, and well-being in the most cost-effective manner.

A supportive living facility is (i) a free-standing facility or (ii) a distinct physical and operational entity within a mixed-use building that

meets the criteria established in subsection (d). A supportive living facility integrates housing with health, personal care, and supportive services and is a designated setting that offers residents their own separate, private, and distinct living units.

Sites for the operation of the program shall be selected by the Department based upon criteria that may include the need for services in a geographic area, the availability of funding, and the site's ability to meet the standards.

(b) Beginning July 1, 2014, subject to federal approval, the Medicaid rates for supportive living facilities shall be equal to the supportive living facility Medicaid rate effective on June 30, 2014 increased by 8.85%. Once the assessment imposed at Article V-G of this Code is determined to be a permissable tax under Title XIX of the Social Security Act, the Department shall increase the Medicaid rates for supportive living facilities effective on July 1, 2014 by 9.09%. The Department shall apply this increase retroactively to coincide with the imposition of the assessment in Article V-G of this Code in accordance with the approval for federal financial participation by the Centers for Medicare and Medicaid Services.

Subject to federal approval, the Medicaid rates for supportive living services on and after July 1, 2019 must be at least 54.3% of the average total nursing facility services per diem for the geographic areas defined by the Department while maintaining the rate differential for dementia care and must be updated whenever the total nursing facility service per diems are updated.

The Medicaid rates for supportive living facilities effective on July 1, 2018 must be equal to the rates in effect for supportive living facilities on June 30, 2018.

(c) The Department may adopt rules to implement this Section. Rules that establish or modify the services, standards, and conditions for participation in the program shall be adopted by the Department in consultation with the Department on Aging, the Department of Rehabilitation Services, and the Department of Mental Health and Developmental Disabilities (or their successor agencies).

(d) Subject to federal approval by the Centers for Medicare and Medicaid Services, the Department shall accept for consideration of

Section 5-90. The Senior Citizens and Persons with Disabilities Property Tax Relief Act is amended by changing Section 4 as follows:
(320 ILCS 25/4) (from Ch. 67 1/2, par. 404)
Sec. 4. Amount of Grant.
(a) In general. Any individual 65 years or older or any individual who will become 65 years old during the calendar year in which a claim is filed, and any surviving spouse of such a claimant, who at the time of death received or was entitled to receive a grant pursuant to this Section, which surviving spouse will become 65 years of age within the 24 months immediately following the death of such claimant and which surviving spouse but for his or her age is otherwise qualified to receive a grant pursuant to this Section, and any person with a disability whose annual household income is less than the income eligibility limitation, as defined in subsection (a-5) and whose household is liable for payment of property taxes accrued or has paid rent constituting property taxes accrued and is domiciled in this State at the time he or she files his or her claim is entitled to claim a grant under this Act. With respect to claims filed by individuals who will become 65 years old during the calendar year in which a claim is filed, the amount of any grant to which that household is entitled shall be an amount equal to 1/12 of the amount to which the claimant would

otherwise be entitled as provided in this Section, multiplied by the number of months in which the claimant was 65 in the calendar year in which the claim is filed.

(a-5) Income eligibility limitation. For purposes of this Section, "income eligibility limitation" means an amount for grant years 2008 through 2019 and thereafter:

(1) less than $22,218 for a household containing one person;
(2) less than $29,480 for a household containing 2 persons; or
(3) less than $36,740 for a household containing 3 or more persons.

For grant years 2020 and thereafter:

(1) less than $33,562 for a household containing one person;
(2) less than $44,533 for a household containing 2 persons;
or
(3) less than $55,500 for a household containing 3 or more persons.

For 2009 claim year applications submitted during calendar year 2010, a household must have annual household income of less than $27,610 for a household containing one person; less than $36,635 for a household containing 2 persons; or less than $45,657 for a household containing 3 or more persons.

The Department on Aging may adopt rules such that on January 1, 2011, and thereafter, the foregoing household income eligibility limits may be changed to reflect the annual cost of living adjustment in Social Security and Supplemental Security Income benefits that are applicable to the year for which those benefits are being reported as income on an application.

If a person files as a surviving spouse, then only his or her income shall be counted in determining his or her household income.

(b) Limitation. Except as otherwise provided in subsections (a) and (f) of this Section, the maximum amount of grant which a claimant is entitled to claim is the amount by which the property taxes accrued which were paid or payable during the last preceding tax year or rent constituting property taxes accrued upon the claimant's residence for the last preceding taxable year exceeds 3 1/2% of the claimant's household income for that year but in no event is the grant to exceed (i) $700 less 4.5% of household

income for that year for those with a household income of $14,000 or less or (ii) $70 if household income for that year is more than $14,000.

(c) Public aid recipients. If household income in one or more months during a year includes cash assistance in excess of $55 per month from the Department of Healthcare and Family Services or the Department of Human Services (acting as successor to the Department of Public Aid under the Department of Human Services Act) which was determined under regulations of that Department on a measure of need that included an allowance for actual rent or property taxes paid by the recipient of that assistance, the amount of grant to which that household is entitled, except as otherwise provided in subsection (a), shall be the product of (1) the maximum amount computed as specified in subsection (b) of this Section and (2) the ratio of the number of months in which household income did not include such cash assistance over $55 to the number twelve. If household income did not include such cash assistance over $55 for any months during the year, the amount of the grant to which the household is entitled shall be the maximum amount computed as specified in subsection (b) of this Section. For purposes of this paragraph (c), "cash assistance" does not include any amount received under the federal Supplemental Security Income (SSI) program.

(d) Joint ownership. If title to the residence is held jointly by the claimant with a person who is not a member of his or her household, the amount of property taxes accrued used in computing the amount of grant to which he or she is entitled shall be the same percentage of property taxes accrued as is the percentage of ownership held by the claimant in the residence.

(e) More than one residence. If a claimant has occupied more than one residence in the taxable year, he or she may claim only one residence for any part of a month. In the case of property taxes accrued, he or she shall prorate 1/12 of the total property taxes accrued on his or her residence to each month that he or she owned and occupied that residence; and, in the case of rent constituting property taxes accrued, shall prorate each month's rent payments to the residence actually occupied during that month.

(f) (Blank).

(g) Effective January 1, 2006, there is hereby established a program of pharmaceutical assistance to the aged and to persons with disabilities, entitled the Illinois Seniors and Disabled Drug Coverage Program, which shall be administered by the Department of Healthcare and Family Services.

The following provisions that concern the Illinois Senior Citizens and Disabled Persons Pharmaceutical Assistance Program shall continue to apply on and after July 1, 2012 to the extent necessary to pursue any actions authorized by subsection (d) of Section 9 of this Act with respect to acts which took place prior to July 1, 2012.

SeniorCare Medicaid waiver program operated pursuant to Section 5-5.12a of the Illinois Public Aid Code shall be automatically enrolled in the program established by this subsection for the first year of operation without the need for further application, except that they must apply for Medicare Part D and the Low Income Subsidy under Medicare Part D. A person enrolled in the pharmaceutical assistance program operated pursuant to subsection (f) of this Section as of December 31, 2005, shall not lose eligibility in future years due only to the fact that they have not reached the age of 65.

To the extent permitted by federal law, the Department may act as an authorized representative of a beneficiary in order to enroll the beneficiary in a Medicare Part D Prescription Drug Plan if the beneficiary has failed to choose a plan and, where possible, to enroll beneficiaries in the low-income subsidy program under Medicare Part D or assist them in enrolling in that program.

Beneficiaries under the program established under this subsection shall be divided into the following 4 eligibility groups:

(A) Eligibility Group 1 shall consist of beneficiaries who are not eligible for Medicare Part D coverage and who are:
   (i) a person with a disability and under age 65; or

eligible for Medicare and who are not barred from receiving federally funded means-tested benefits due to immigration status.

(D) Eligibility Group 4 shall consist of beneficiaries who are otherwise described in Eligibility Group 2 who have a diagnosis of HIV or AIDS.

The program established under this subsection shall cover the cost of covered prescription drugs in excess of the beneficiary cost-sharing amounts set forth in this paragraph that are not covered by Medicare. The Department of Healthcare and Family Services may establish by emergency rule changes in cost-sharing necessary to conform the cost of the program to the amounts appropriated for State fiscal year 2012 and future fiscal years except that the 24-month limitation on the adoption of emergency rules and the provisions of Sections 5-115 and 5-125 of the Illinois Administrative Procedure Act shall not apply to rules adopted under this subsection (g). The adoption of emergency rules authorized by this subsection (g) shall be deemed to be necessary for the public interest, safety, and welfare.

For purposes of the program established under this subsection, the term "covered prescription drug" has the following meanings:

For Eligibility Group 1, "covered prescription drug" means:

New matter indicated by italics - deletions by strikeout
For Eligibility Group 2, "covered prescription drug" means those drugs covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

For Eligibility Group 3, "covered prescription drug" means those drugs covered by the Medical Assistance Program under Article V of the Illinois Public Aid Code.

For Eligibility Group 4, "covered prescription drug" means those drugs covered by the Medicare Part D Prescription Drug Plan in which the beneficiary is enrolled.

Any person otherwise eligible for pharmaceutical assistance under this subsection whose covered drugs are covered by any public program is ineligible for assistance under this subsection to the extent that the cost of those drugs is covered by the other program.

The Department of Healthcare and Family Services shall establish by rule the methods by which it will provide for the coverage called for in this subsection. Those methods may include direct reimbursement to pharmacies or the payment of a capitated amount to Medicare Part D Prescription Drug Plans.

For a pharmacy to be reimbursed under the program established under this subsection, it must comply with rules adopted by the Department of Healthcare and Family Services regarding coordination of benefits with Medicare Part D Prescription Drug Plans. A pharmacy may not charge a Medicare-enrolled beneficiary of the program established under this subsection more for a covered prescription drug than the appropriate Medicare cost-sharing less any payment from or on behalf of the Department of Healthcare and Family Services.

The Department of Healthcare and Family Services or the Department on Aging, as appropriate, may adopt rules regarding applications, counting of income, proof of Medicare status, mandatory generic policies, and pharmacy reimbursement rates and any other rules necessary for the cost-efficient operation of the program established under this subsection.

(b) The Agency shall assess and collect a fee in the amount set forth herein from the owner or operator of each sanitary landfill permitted or required to be permitted by the Agency to dispose of solid waste if the sanitary landfill is located off the site where such waste was produced and if such sanitary landfill is owned, controlled, and operated by a person other than the generator of such waste. The Agency shall deposit all fees collected into the Solid Waste Management Fund. If a site is contiguous to one or more landfills owned or operated by the same person, the volumes permanently disposed of by each landfill shall be combined for purposes of determining the fee under this subsection. Beginning on July 1, 2018, and on the first day of each month thereafter during fiscal years 2019 and 2020, the State Comptroller shall direct and State Treasurer shall transfer an amount equal to 1/12 of $5,000,000 per fiscal year from the Solid Waste Management Fund to the General Revenue Fund.

(1) If more than 150,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall either pay a fee of 95 cents per cubic yard or, alternatively, the owner or operator may weigh the quantity of the solid waste permanently disposed of with a device for which certification has been obtained under the Weights and Measures Act and pay a fee of $2.00 per ton of solid waste permanently disposed of. In no case shall the fee collected or paid by the owner
or operator under this paragraph exceed $1.55 per cubic yard or $3.27 per ton.

(2) If more than 100,000 cubic yards but not more than 150,000 cubic yards of non-hazardous waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $52,630.

(3) If more than 50,000 cubic yards but not more than 100,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $23,790.

(4) If more than 10,000 cubic yards but not more than 50,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $7,260.

(5) If not more than 10,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $1050.

(c) (Blank).

(d) The Agency shall establish rules relating to the collection of the fees authorized by this Section. Such rules shall include, but not be limited to:

(1) necessary records identifying the quantities of solid waste received or disposed;
(2) the form and submission of reports to accompany the payment of fees to the Agency;
(3) the time and manner of payment of fees to the Agency, which payments shall not be more often than quarterly; and
(4) procedures setting forth criteria establishing when an owner or operator may measure by weight or volume during any given quarter or other fee payment period.

(e) Pursuant to appropriation, all monies in the Solid Waste Management Fund shall be used by the Agency and the Department of Commerce and Economic Opportunity for the purposes set forth in this Section and in the Illinois Solid Waste Management Act, including for the costs of fee collection and administration, and for the administration of (1) the Consumer Electronics Recycling Act and (2) until January 1, 2020, the Electronic Products Recycling and Reuse Act.

All fees, taxes, and surcharges collected under this subsection shall be utilized for solid waste management purposes, including long-term monitoring and maintenance of landfills, planning, implementation, inspection, enforcement and other activities consistent with the Solid Waste Management Act and the Local Solid Waste Disposal Act, or for any other environment-related purpose, including but not limited to an environment-related public works project, but not for the construction of a new pollution control facility other than a household hazardous waste facility. However, the total fee, tax or surcharge imposed by all units of local government under this subsection (j) upon the solid waste disposal facility shall not exceed:

1. 60¢ per cubic yard if more than 150,000 cubic yards of non-hazardous solid waste is permanently disposed of at the site in a calendar year, unless the owner or operator weighs the quantity of the solid waste received with a device for which certification has been obtained under the Weights and Measures Act, in which case the fee shall not exceed $1.27 per ton of solid waste permanently disposed of.

2. $33,350 if more than 100,000 cubic yards, but not more than 150,000 cubic yards, of non-hazardous waste is permanently disposed of at the site in a calendar year.

(5) $650 if not more than 10,000 cubic yards of non-hazardous solid waste is permanently disposed of at the site in a calendar year.

The corporate authorities of the unit of local government may use proceeds from the fee, tax, or surcharge to reimburse a highway commissioner whose road district lies wholly or partially within the corporate limits of the unit of local government for expenses incurred in the removal of nonhazardous, nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.

A county or Municipal Joint Action Agency that imposes a fee, tax, or surcharge under this subsection may use the proceeds thereof to reimburse a municipality that lies wholly or partially within its boundaries for expenses incurred in the removal of nonhazardous, nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.

If the fees are to be used to conduct a local sanitary landfill inspection or enforcement program, the unit of local government must enter into a written delegation agreement with the Agency pursuant to subsection (r) of Section 4. The unit of local government and the Agency shall enter into such a written delegation agreement within 60 days after the establishment of such fees. At least annually, the Agency shall conduct an audit of the expenditures made by units of local government from the funds granted by the Agency to the units of local government for purposes of local sanitary landfill inspection and enforcement programs, to ensure that the funds have been expended for the prescribed purposes under the grant.

The fees, taxes or surcharges collected under this subsection (j) shall be placed by the unit of local government in a separate fund, and the interest received on the moneys in the fund shall be credited to the fund. The exemptions granted under Sections 22.16 and 22.16a, and under subsection (k) of this Section, shall be applicable to any fee, tax or surcharge imposed under this subsection (j); except that the fee, tax or surcharge authorized to be imposed under this subsection (j) may be made applicable by a unit of local government to the permanent disposal of solid waste after December 31, 1986, under any contract lawfully executed before June 1, 1986 under which more than 150,000 cubic yards (or 50,000 tons) of solid waste is to be permanently disposed of, even though the waste is exempt from the fee imposed by the State under subsection (b) of this Section pursuant to an exemption granted under Section 22.16.

(4) non-hazardous solid waste that is received at a sanitary landfill and composted or recycled through a process permitted by the Agency; or
(5) any landfill which is permitted by the Agency to receive only demolition or construction debris or landscape waste.

(a) The moneys in the State Pensions Fund shall be used exclusively for the administration of the Revised Uniform Unclaimed Property Act and for the expenses incurred by the Auditor General for administering the provisions of Section 2-8.1 of the Illinois State Auditing Act and for operational expenses of the Office of the State Treasurer and for the funding of the unfunded liabilities of the designated retirement systems. Beginning in State fiscal year 2021, payments to the designated retirement systems under this Section shall be in addition to, and not in lieu of, any State contributions required under the Illinois Pension Code.

"Designated retirement systems" means:

(1) the State Employees' Retirement System of Illinois;
(2) the Teachers' Retirement System of the State of Illinois;
(3) the State Universities Retirement System;
(4) the Judges Retirement System of Illinois; and
(5) the General Assembly Retirement System.

(b) Each year the General Assembly may make appropriations from the State Pensions Fund for the administration of the Revised Uniform Unclaimed Property Act.

(c) As soon as possible after July 30, 2004 (the effective date of Public Act 93-839), the General Assembly shall appropriate from the State Pensions Fund (1) to the State Universities Retirement System the amount certified under Section 15-165 during the prior year, (2) to the Judges Retirement System of Illinois the amount certified under Section 18-140 during the prior year, and (3) to the General Assembly Retirement System the amount certified under Section 2-134 during the prior year as part of the required State contributions to each of those designated retirement systems; except that amounts appropriated under this subsection (c) in State fiscal year 2005 shall not reduce the amount in the State Pensions Fund below $5,000,000. If the amount in the State Pensions Fund does not
exceed the sum of the amounts certified in Sections 15-165, 18-140, and 2-134 by at least $5,000,000, the amount paid to each designated retirement system under this subsection shall be reduced in proportion to the amount certified by each of those designated retirement systems.

(c-5) For fiscal years 2006 through 2019, the General Assembly shall appropriate from the State Pensions Fund to the State Universities Retirement System the amount estimated to be available during the fiscal year in the State Pensions Fund; provided, however, that the amounts appropriated under this subsection (c-5) shall not reduce the amount in the State Pensions Fund below $5,000,000.

(c-6) For fiscal year 2021 and each fiscal year thereafter, as soon as may be practical after any money is deposited into the State Pensions Fund from the Unclaimed Property Trust Fund, the State Treasurer shall apportion the deposited amount among the designated retirement systems as defined in subsection (a) to reduce their actuarial reserve deficiencies. The State Comptroller and State Treasurer shall pay the apportioned amounts to the designated retirement systems to fund the unfunded liabilities of the designated retirement systems. The amounts apportioned under this subsection shall not reduce the amount in the State Pensions Fund below $5,000,000.

(d) The Governor's Office of Management and Budget shall determine the individual and total reserve deficiencies of the designated retirement systems. For this purpose, the Governor's Office of Management and Budget shall utilize the latest available audit and actuarial reports of each of the retirement systems and the relevant reports and statistics of the Public Employee Pension Fund Division of the Department of Insurance.

(40 ILCS 5/14-131)
Sec. 14-131. Contributions by State.

(a) The State shall make contributions to the System by appropriations of amounts which, together with other employer contributions from trust, federal, and other funds, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

For the purposes of this Section and Section 14-135.08, references to State contributions refer only to employer contributions and do not include employee contributions that are picked up or otherwise paid by the State or a department on behalf of the employee.

(b) The Board shall determine the total amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board, using the formula in subsection (e).

The Board shall also determine a State contribution rate for each fiscal year, expressed as a percentage of payroll, based on the total required State contribution for that fiscal year (less the amount received by the System from appropriations under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act, if any, for the fiscal year ending on the June 30 immediately preceding the applicable November 15 certification deadline), the estimated payroll (including all forms of compensation) for personal services rendered by eligible employees, and the recommendations of the actuary.

For the purposes of this Section and Section 14.1 of the State Finance Act, the term "eligible employees" includes employees who

participate in the System, persons who may elect to participate in the System but have not so elected, persons who are serving a qualifying period that is required for participation, and annuitants employed by a department as described in subdivision (a)(1) or (a)(2) of Section 14-111.

(c) Contributions shall be made by the several departments for each pay period by warrants drawn by the State Comptroller against their respective funds or appropriations based upon vouchers stating the amount to be so contributed. These amounts shall be based on the full rate certified by the Board under Section 14-135.08 for that fiscal year. From March 5, 2004 (the effective date of Public Act 93-665) through the payment of the final payroll from fiscal year 2004 appropriations, the several departments shall not make contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The several departments shall resume those contributions at the commencement of fiscal year 2005.

(c-1) Notwithstanding subsection (c) of this Section, for fiscal years 2010, 2012, and each fiscal year thereafter 2013, 2014, 2015, 2016, 2017, 2018, and 2019 only, contributions by the several departments are not required to be made for General Revenue Funds payrolls processed by the Comptroller. Payrolls paid by the several departments from all other State funds must continue to be processed pursuant to subsection (c) of this Section.

(c-2) For State fiscal years 2010, 2012, and each fiscal year thereafter 2013, 2014, 2015, 2016, 2017, 2018, and 2019 only, on or as soon as possible after the 15th day of each month, the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the fiscal year General Revenue Fund contribution as certified by the System pursuant to Section 14-135.08 of the Illinois Pension Code.

(d) If an employee is paid from trust funds or federal funds, the department or other employer shall pay employer contributions from those funds to the System at the certified rate, unless the terms of the trust or the federal-State agreement preclude the use of the funds for that purpose, in which case the required employer contributions shall be paid by the State. From March 5, 2004 (the effective date of Public Act 93-665) through the payment of the final payroll from fiscal year 2004 appropriations, the department or other employer shall not pay contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The department
or other employer shall resume payment of contributions at the commencement of fiscal year 2005:

(e) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and
(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that (i) for State fiscal year 1998, for all purposes of this Code and any other law of this State, the certified percentage of the applicable employee payroll shall be 5.052% for employees earning eligible creditable service under Section 14-110 and 6.500% for all other employees, notwithstanding any contrary certification made under Section 14-135.08 before July 7, 1997 (the effective date of Public Act 90-65), and (ii) in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll:

payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a): 9.8% in FY 1999; 10.0% in FY 2000; 10.2% in FY 2001; 10.4% in FY 2002; 10.6% in FY 2003; and 10.8% in FY 2004.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2006 is $203,783,900.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2007 is $344,164,400.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State General Revenue Fund contribution for State fiscal year 2010 is $723,703,100 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State General Revenue Fund contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 14-135.08 and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 14-135.08, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(f) (Blank). After the submission of all payments for eligible employees from personal services line items in fiscal year 2004 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2004 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of Public Act 93-665 had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for

fiscal year 2004 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2004 through payments under this Section and under Section 6z-61 of the State Finance Act. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2004 Shortfall" for purposes of this Section, and the Fiscal Year 2004 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2004 Overpayment" for purposes of this Section, and the Fiscal Year 2004 Overpayment shall be repaid by the System to the Pension Contribution Fund as soon as practicable after the certification:

(g) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(h) For purposes of determining the required State contribution to the System for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the System's actuarially assumed rate of return.

(i) (Blank). After the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2010 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2010 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of Public Act 96-45 had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2010 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2010 through payments under this Section. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2010 Shortfall" for purposes of this Section, and the Fiscal Year 2010 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2010 Overpayment" for purposes of this Section, and the Fiscal Year 2010 Overpayment shall be repaid by the System to the Pension Contribution Fund as soon as practicable after the certification.
Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2010 Overpayment" for purposes of this Section, and the Fiscal Year 2010 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

(j) (Blank). After the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2011 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2011 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of Public Act 96-1497 had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2011 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2011 through payments under this Section. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2011 Shortfall" for purposes of this Section, and the Fiscal Year 2011 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2011 Overpayment" for purposes of this Section, and the Fiscal Year 2011 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

(k) For fiscal years 2012 and each fiscal year thereafter through 2019 only, after the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in the fiscal year have been made, the Comptroller shall provide to the System a certification of the sum of all expenditures in the fiscal year for personal services. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for the fiscal year in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System for the fiscal year. If the amount due is more than the amount received, the difference shall be termed the "Prior Fiscal Year Shortfall" for purposes of this Section, and the Prior Fiscal Year Shortfall shall be satisfied under

Sec. 14-147.5. Accelerated pension benefit payment in lieu of any pension benefit.
(a) As used in this Section:
"Eligible person" means a person who:
(1) has terminated service;
(2) has accrued sufficient service credit to be eligible to receive a retirement annuity under this Article;
(3) has not received any retirement annuity under this Article; and
(4) has not received any retirement annuity under this Article; and
"Pension benefit" means the benefits under this Article, or Article 1 as it relates to those benefits, including any anticipated annual increases, that an eligible person is entitled to upon attainment of the applicable retirement age. "Pension benefit" also includes applicable survivor's or disability benefits.

(b) As soon as practical after June 4, 2018 (the effective date of Public Act 100-587) this amendatory Act of the 100th General Assembly, the System shall calculate, using actuarial tables and other assumptions adopted by the Board, the present value of pension benefits for each eligible person who requests that information and shall offer each eligible person the opportunity to irrevocably elect to receive an amount determined by the System to be equal to 60% of the present value of his or her pension benefits in lieu of receiving any pension benefit. The offer shall specify the dollar amount that the eligible person will receive if he or she so elects and shall expire when a subsequent offer is made to an eligible person. An eligible person is limited to one calculation and offer per calendar year. The System shall make a good faith effort to contact every eligible person to notify him or her of the election.

Until June 30, 2024, an eligible person may irrevocably elect to receive an accelerated pension benefit payment in the amount that the System offers under this subsection in lieu of receiving any pension benefit.
benefit. A person who elects to receive an accelerated pension benefit payment under this Section may not elect to proceed under the Retirement Systems Reciprocal Act with respect to service under this Article.

(c) A person's creditable service under this Article shall be terminated upon the person's receipt of an accelerated pension benefit payment under this Section, and no other benefit shall be paid under this Article based on the terminated creditable service, including any retirement, survivor, or other benefit; except that to the extent that participation, benefits, or premiums under the State Employees Group Insurance Act of 1971 are based on the amount of service credit, the terminated service credit shall be used for that purpose.

(d) If a person who has received an accelerated pension benefit payment under this Section returns to active service under this Article, then:

(1) Any benefits under the System earned as a result of that return to active service shall be based solely on the person's creditable service arising from the return to active service.

(2) The accelerated pension benefit payment may not be repaid to the System, and the terminated creditable service may not under any circumstances be reinstated.

(e) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be transferred into a tax qualified retirement plan or account. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(f) Upon receipt of a member's irrevocable election to receive an accelerated pension benefit payment under this Section, the System shall submit a voucher to the Comptroller for payment of the member's accelerated pension benefit payment. The Comptroller shall transfer the amount of the voucher from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall transfer the amount into the member's eligible retirement plan or qualified account.

(g) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.
(h) No provision of this Section shall be interpreted in a way that would cause the applicable System to cease to be a qualified plan under the Internal Revenue Code of 1986.

Sec. 14-147.6. Accelerated pension benefit payment for a reduction in annual retirement annuity and survivor's annuity increases.

(a) As used in this Section:
"Accelerated pension benefit payment" means a lump sum payment equal to 70% of the difference of the present value of the automatic annual increases to a Tier 1 member's retirement annuity and survivor's annuity using the formula applicable to the Tier 1 member and the present value of the automatic annual increases to the Tier 1 member's retirement annuity using the formula provided under subsection (b-5) and survivor's annuity using the formula provided under subsection (b-6).

"Eligible person" means a person who:
(1) is a Tier 1 member;
(2) has submitted an application for a retirement annuity under this Article;
(3) meets the age and service requirements for receiving a retirement annuity under this Article;
(4) has not received any retirement annuity under this Article; and
(5) has not made the election under Section 14-147.5.

(b) As soon as practical after June 4, 2018 (the effective date of this amendatory Act of the 100th General Assembly) and until June 30, 2024, the System shall implement an accelerated pension benefit payment option for eligible persons. Upon the request of an eligible person, the System shall calculate, using actuarial tables and other assumptions adopted by the Board, an accelerated pension benefit payment amount and shall offer that eligible person the opportunity to irrevocably elect to have his or her automatic annual increases in retirement annuity calculated in accordance with the formula provided under subsection (b-5) and any increases in survivor's annuity payable to his or her survivor's annuity beneficiary calculated in accordance with the formula provided under subsection (b-6) in exchange for the accelerated pension benefit payment. The election under this subsection must be made before the eligible person receives the first payment of a retirement annuity otherwise payable under this Article.

New matter indicated by italics - deletions by strikeout
(b-5) Notwithstanding any other provision of law, the retirement annuity of a person who made the election under subsection (b) shall be subject to annual increases on the January 1 occurring either on or after the attainment of age 67 or the first anniversary of the annuity start date, whichever is later. Each annual increase shall be calculated at 1.5% of the originally granted retirement annuity.

(b-6) Notwithstanding any other provision of law, a survivor's annuity payable to a survivor's annuity beneficiary of a person who made the election under subsection (b) shall be subject to annual increases on the January 1 occurring on or after the first anniversary of the commencement of the annuity. Each annual increase shall be calculated at 1.5% of the originally granted survivor's annuity.

(c) If a person who has received an accelerated pension benefit payment returns to active service under this Article, then:

(1) the calculation of any future automatic annual increase in retirement annuity shall be calculated in accordance with the formula provided under subsection (b-5); and

(2) the accelerated pension benefit payment may not be repaid to the System.

(d) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be transferred into a tax qualified retirement plan or account. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(d-5) Upon receipt of a member's irrevocable election to receive an accelerated pension benefit payment under this Section, the System shall submit a voucher to the Comptroller for payment of the member's accelerated pension benefit payment. The Comptroller shall transfer the amount of the voucher to the System, and the System shall transfer the amount into a member's eligible retirement plan or qualified account.

(e) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(f) No provision of this Section shall be interpreted in a way that would cause the applicable System to cease to be a qualified plan under the Internal Revenue Code of 1986.

Sec. 14-152.1. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after June 1, 2005 (the effective date of Public Act 94-4). "New benefit increase", however, does not include any benefit increase resulting from the changes made to Article 1 or this Article by Public Act 96-37, Public Act 100-23, Public Act 100-587, Public Act 100-611, or this amendatory Act of the 101st General Assembly or this amendatory Act of the 100th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Insurance. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

New matter indicated by italics - deletions by strikeout
(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

Sec. 15-155. Employer contributions.

(a) The State of Illinois shall make contributions by appropriations of amounts which, together with the other employer contributions from trust, federal, and other funds, employee contributions, income from investments, and other income of this System, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (a-1).

(a-1) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For each of State fiscal years 2018, 2019, and 2020, the State shall make an additional contribution to the System equal to 2% of the total payroll of each employee who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over
a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and
(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is $166,641,900.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is $252,064,100.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is $702,514,000 and shall be made from the State Pensions Fund and proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 15-165 and shall be made from the State Pensions Fund and proceeds of

bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 15-165, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that,

by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(a-2) Beginning in fiscal year 2018, each employer under this Article shall pay to the System a required contribution determined as a percentage of projected payroll and sufficient to produce an annual amount equal to:

(i) for each of fiscal years 2018, 2019, and 2020, the defined benefit normal cost of the defined benefit plan, less the employee contribution, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161; for fiscal year 2021 and each fiscal year thereafter, the defined benefit normal cost of the defined benefit plan, less the employee contribution, plus 2%, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161; plus

(ii) the amount required for that fiscal year to amortize any unfunded actuarial accrued liability associated with the present value of liabilities attributable to the employer's account under Section 15-155.2, determined as a level percentage of payroll over a 30-year rolling amortization period.

In determining contributions required under item (i) of this subsection, the System shall determine an aggregate rate for all employers, expressed as a percentage of projected payroll.

In determining the contributions required under item (ii) of this subsection, the amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation.

The contributions required under this subsection (a-2) shall be paid by an employer concurrently with that employer's payroll payment period. The State, as the actual employer of an employee, shall make the required contributions under this subsection.

As used in this subsection, "academic year" means the 12-month period beginning September 1.

(b) If an employee is paid from trust or federal funds, the employer shall pay to the Board contributions from those funds which are sufficient to cover the accruing normal costs on behalf of the employee. However, universities having employees who are compensated out of local auxiliary funds...
funds, income funds, or service enterprise funds are not required to pay such contributions on behalf of those employees. The local auxiliary funds, income funds, and service enterprise funds of universities shall not be considered trust funds for the purpose of this Article, but funds of alumni associations, foundations, and athletic associations which are affiliated with the universities included as employers under this Article and other employers which do not receive State appropriations are considered to be trust funds for the purpose of this Article.

(b-1) The City of Urbana and the City of Champaign shall each make employer contributions to this System for their respective firefighter employees who participate in this System pursuant to subsection (h) of Section 15-107. The rate of contributions to be made by those municipalities shall be determined annually by the Board on the basis of the actuarial assumptions adopted by the Board and the recommendations of the actuary, and shall be expressed as a percentage of salary for each such employee. The Board shall certify the rate to the affected municipalities as soon as may be practical. The employer contributions required under this subsection shall be remitted by the municipality to the System at the same time and in the same manner as employee contributions.

(c) Through State fiscal year 1995: The total employer contribution shall be apportioned among the various funds of the State and other employers, whether trust, federal, or other funds, in accordance with actuarial procedures approved by the Board. State of Illinois contributions for employers receiving State appropriations for personal services shall be payable from appropriations made to the employers or to the System. The contributions for Class I community colleges covering earnings other than those paid from trust and federal funds, shall be payable solely from appropriations to the Illinois Community College Board or the System for employer contributions.

(d) Beginning in State fiscal year 1996, the required State contributions to the System shall be appropriated directly to the System and shall be payable through vouchers issued in accordance with subsection (c) of Section 15-165, except as provided in subsection (g).

(e) The State Comptroller shall draw warrants payable to the System upon proper certification by the System or by the employer in accordance with the appropriation laws and this Code.

(f) Normal costs under this Section means liability for pensions and other benefits which accrues to the System because of the credits earned

for service rendered by the participants during the fiscal year and expenses of administering the System, but shall not include the principal of or any redemption premium or interest on any bonds issued by the Board or any expenses incurred or deposits required in connection therewith.

(g) If for academic years beginning on or after June 1, 2005 and before July 1, 2018 and for earnings paid to a participant under a contract or collective bargaining agreement entered into, amended, or renewed before the effective date of this amendatory Act of the 100th General Assembly, if the amount of a participant's earnings for any academic year used to determine the final rate of earnings, determined on a full-time equivalent basis, exceeds the amount of his or her earnings with the same employer for the previous academic year, determined on a full-time equivalent basis, by more than 6%, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in earnings that is in excess of 6%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection (g), the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection (h) or (i) of this Section or that subsection (g-1) applies, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of that subsection. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (g) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually

from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

When assessing payment for any amount due under this subsection (g), the System shall include earnings, to the extent not established by a participant under Section 15-113.11 or 15-113.12, that would have been paid to the participant had the participant not taken (i) periods of voluntary or involuntary furlough occurring on or after July 1, 2015 and on or before June 30, 2017 or (ii) periods of voluntary pay reduction in lieu of furlough occurring on or after July 1, 2015 and on or before June 30, 2017. Determining earnings that would have been paid to a participant had the participant not taken periods of voluntary or involuntary furlough or periods of voluntary pay reduction shall be the responsibility of the employer, and shall be reported in a manner prescribed by the System.

This subsection (g) does not apply to (1) Tier 2 hybrid plan members and (2) Tier 2 defined benefit members who first participate under this Article on or after the implementation date of the Optional Hybrid Plan.

(g-1) (Blank). For academic years beginning on or after July 1, 2018 and for earnings paid to a participant under a contract or collective bargaining agreement entered into, amended, or renewed on or after the effective date of this amendatory Act of the 100th General Assembly, if the amount of a participant's earnings for any academic year used to determine the final rate of earnings, determined on a full-time equivalent basis, exceeds the amount of his or her earnings with the same employer for the previous academic year, determined on a full-time equivalent basis, by more than 3%, then the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in earnings that is in excess of 3%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection (g-1), the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply
to the System in writing for a recalculation. The application must specify
in detail the grounds of the dispute and, if the employer asserts that
subsection (g) of this Section applies, must include an affidavit setting
forth and attesting to all facts within the employer’s knowledge that are
pertinent to the applicability of subsection (g). Upon receiving a timely
application for recalculation, the System shall review the application and,
if appropriate, recalculate the amount due.

The employer contributions required under this subsection (g-1)
may be paid in the form of a lump sum within 90 days after receipt of the
bill. If the employer contributions are not paid within 90 days after receipt
of the bill, then interest shall be charged at a rate equal to the System’s
annual actuarially assumed rate of return on investment compounded
annually from the 91st day after receipt of the bill. Payments must be
concluded within 3 years after the employer’s receipt of the bill.

This subsection (g-1) does not apply to (1) Tier 2 hybrid plan
members and (2) Tier 2 defined benefit members who first participate
under this Article on or after the implementation date of the Optional
Hybrid Plan:

(h) This subsection (h) applies only to payments made or salary
increases given on or after June 1, 2005 but before July 1, 2011. The
changes made by Public Act 94-1057 shall not require the System to
refund any payments received before July 31, 2006 (the effective date of
Public Act 94-1057).

When assessing payment for any amount due under subsection (g),
the System shall exclude earnings increases paid to participants under
contracts or collective bargaining agreements entered into, amended, or
renewed before June 1, 2005.

When assessing payment for any amount due under subsection (g),
the System shall exclude earnings increases paid to a participant at a time
when the participant is 10 or more years from retirement eligibility under
Section 15-135.

When assessing payment for any amount due under subsection (g),
the System shall exclude earnings increases resulting from overload work,
including a contract for summer teaching, or overtime when the employer
has certified to the System, and the System has approved the certification,
that: (i) in the case of overloads (A) the overload work is for the sole
purpose of academic instruction in excess of the standard number of
instruction hours for a full-time employee occurring during the academic
year that the overload is paid and (B) the earnings increases are equal to or

less than the rate of pay for academic instruction computed using the participant's current salary rate and work schedule; and (ii) in the case of overtime, the overtime was necessary for the educational mission.

When assessing payment for any amount due under subsection (g), the System shall exclude any earnings increase resulting from (i) a promotion for which the employee moves from one classification to a higher classification under the State Universities Civil Service System, (ii) a promotion in academic rank for a tenured or tenure-track faculty position, or (iii) a promotion that the Illinois Community College Board has recommended in accordance with subsection (k) of this Section. These earnings increases shall be excluded only if the promotion is to a position that has existed and been filled by a member for no less than one complete academic year and the earnings increase as a result of the promotion is an increase that results in an amount no greater than the average salary paid for other similar positions.

(i) When assessing payment for any amount due under subsection (g), the System shall exclude any salary increase described in subsection (h) of this Section given on or after July 1, 2011 but before July 1, 2014 under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any payments made or salary increases given after June 30, 2014 shall be used in assessing payment for any amount due under subsection (g) of this Section.

(j) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

(1) The number of recalculations required by the changes made to this Section by Public Act 94-1057 for each employer.

(2) The dollar amount by which each employer's contribution to the System was changed due to recalculations required by Public Act 94-1057.

(3) The total amount the System received from each employer as a result of the changes made to this Section by Public Act 94-4.

(4) The increase in the required State contribution resulting from the changes made to this Section by Public Act 94-1057.

(j-5) For State fiscal years beginning on or after July 1, 2017, if the amount of a participant's earnings for any State fiscal year exceeds the amount of the salary set by law for the Governor that is in effect on July 1
of that fiscal year, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, an amount determined by the System to be equal to the employer normal cost, as established by the System and expressed as a total percentage of payroll, multiplied by the amount of earnings in excess of the amount of the salary set by law for the Governor. This amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculation used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection may be paid in the form of a lump sum within 90 days after issuance of the bill. If the employer contributions are not paid within 90 days after issuance of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after issuance of the bill. All payments must be received within 3 years after issuance of the bill. If the employer fails to make complete payment, including applicable interest, within 3 years, then the System may, after giving notice to the employer, certify the delinquent amount to the State Comptroller, and the Comptroller shall thereupon deduct the certified delinquent amount from State funds payable to the employer and pay them instead to the System.

This subsection (j-5) does not apply to a participant's earnings to the extent an employer pays the employer normal cost of such earnings.

The changes made to this subsection (j-5) by Public Act 100-624 this amendatory Act of the 100th General Assembly are intended to apply retroactively to July 6, 2017 (the effective date of Public Act 100-23).

(k) The Illinois Community College Board shall adopt rules for recommending lists of promotional positions submitted to the Board by
community colleges and for reviewing the promotional lists on an annual basis. When recommending promotional lists, the Board shall consider the similarity of the positions submitted to those positions recognized for State universities by the State Universities Civil Service System. The Illinois Community College Board shall file a copy of its findings with the System. The System shall consider the findings of the Illinois Community College Board when making determinations under this Section. The System shall not exclude any earnings increases resulting from a promotion when the promotion was not submitted by a community college. Nothing in this subsection (k) shall require any community college to submit any information to the Community College Board.

(l) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(m) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Sec. 15-185.5. Accelerated pension benefit payment in lieu of any pension benefit.

(a) As used in this Section:
"Eligible person" means a person who:
(1) has terminated service;
(2) has accrued sufficient service credit to be eligible to receive a retirement annuity under this Article;
(3) has not received any retirement annuity under this Article;
(4) has not made the election under Section 15-185.6; and
(5) is not a participant in the self-managed plan under Section 15-158.2.

New matter indicated by italics - deletions by strikeout
"Implementation date" means the earliest date upon which the Board authorizes eligible persons to begin irrevocably electing the accelerated pension benefit payment option under this Section. The Board shall endeavor to make such participation available as soon as possible after June 4, 2018 (the effective date of Public Act 100-587) and shall establish an implementation date by Board resolution.

"Pension benefit" means the benefits under this Article, or Article 1 as it relates to those benefits, including any anticipated annual increases, that an eligible person is entitled to upon attainment of the applicable retirement age. "Pension benefit" also includes applicable survivors benefits, disability benefits, or disability retirement annuity benefits.

(b) Beginning on the implementation date, the System shall offer each eligible person the opportunity to irrevocably elect to receive an amount determined by the System to be equal to 60% of the present value of his or her pension benefits in lieu of receiving any pension benefit. The System shall calculate, using actuarial tables and other assumptions adopted by the Board, the present value of pension benefits for each eligible person upon his or her request in writing to the System. The System shall not perform more than one calculation per eligible member in a State fiscal year. The offer shall specify the dollar amount that the eligible person will receive if he or she so elects and shall expire when a subsequent offer is made to an eligible person. The System shall make a good faith effort to contact every eligible person to notify him or her of the election.

Beginning on the implementation date and until June 30, 2021, an eligible person may irrevocably elect to receive an accelerated pension benefit payment in the amount that the System offers under this subsection in lieu of receiving any pension benefit. A person who elects to receive an accelerated pension benefit payment under this Section may not elect to proceed under the Retirement Systems Reciprocal Act with respect to service under this Article.

(c) Upon payment of an accelerated pension benefit payment under this Section, the person forfeits all accrued rights and credits in the System and no other benefit shall be paid under this Article based on those forfeited rights and credits, including any retirement, survivor, or other benefit; except that to the extent that participation, benefits, or premiums under the State Employees Group Insurance Act of 1971 are based on the

amount of service credit, the terminated service credit shall be used for that purpose.

(d) If a person who has received an accelerated pension benefit payment under this Section returns to participation under this Article, any benefits under the System earned as a result of that return to participation shall be based solely on the person's credits and creditable service arising from the return to participation. Upon return to participation, the person shall be considered a new employee subject to all the qualifying conditions for participation and eligibility for benefits applicable to new employees.

(d-5) The accelerated pension benefit payment may not be repaid to the System, and the forfeited rights and credits may not under any circumstances be reinstated.

(e) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be deposited into a tax qualified retirement plan or account identified by the eligible person at the time of the election. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(f) The System shall submit vouchers to the State Comptroller for the payment of accelerated pension benefit payments under this Section. The State Comptroller shall pay the amounts of the vouchers from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall deposit the amounts into the applicable tax qualified plans or accounts.

(g) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(h) No provision of this Section shall be interpreted in a way that would cause the System to cease to be a qualified plan under the Internal Revenue Code of 1986.

Sec. 15-185.6. Accelerated pension benefit payment for a reduction in an annual increase to a retirement annuity and an annuity benefit payable as a result of death.

(a) As used in this Section:

New matter indicated by italics - deletions by strikeout
"Accelerated pension benefit payment" means a lump sum payment equal to 70% of the difference of: (i) the present value of the automatic annual increases to a Tier 1 member's retirement annuity, including any increases to any annuity benefit payable as a result of his or her death, using the formula applicable to the Tier 1 member; and (ii) the present value of the automatic annual increases to the Tier 1 member's retirement annuity, including any increases to any annuity benefit payable as a result of his or her death, using the formula provided under subsection (b-5).

"Eligible person" means a person who:

(1) is a Tier 1 member;

(2) has submitted an application for a retirement annuity under this Article;

(3) meets the age and service requirements for receiving a retirement annuity under this Article;

(4) has not received any retirement annuity under this Article;

(5) has not made the election under Section 15-185.5; and

(6) is not a participant in the self-managed plan under Section 15-158.2.

"Implementation date" means the earliest date upon which the Board authorizes eligible persons to begin irrevocably electing the accelerated pension benefit payment option under this Section. The Board shall endeavor to make such participation available as soon as possible after June 4, 2018 (the effective date of Public Act 100-587) and shall establish an implementation date by Board resolution.

(b) Beginning on the implementation date and until June 30, 2024, the System shall implement an accelerated pension benefit payment option for eligible persons. The System shall calculate, using actuarial tables and other assumptions adopted by the Board, an accelerated pension benefit payment amount for an eligible person upon his or her request in writing to the System and shall offer that eligible person the opportunity to irrevocably elect to have his or her automatic annual increases in retirement annuity and any annuity benefit payable as a result of his or her death calculated in accordance with the formula provided in subsection (b-5) in exchange for the accelerated pension benefit payment. The System shall not perform more than one calculation under this Section per eligible person in a State fiscal year. The election under this subsection must be made before any retirement annuity is paid to the eligible person, and the
eligible survivor, spouse, or contingent annuitant, as applicable, must consent to the election under this subsection.

(b-5) Notwithstanding any other provision of law, the retirement annuity of a person who made the election under subsection (b) shall be increased annually beginning on the January 1 occurring either on or after the attainment of age 67 or the first anniversary of the annuity start date, whichever is later, and any annuity benefit payable as a result of his or her death shall be increased annually beginning on: (1) the January 1 occurring on or after the commencement of the annuity if the deceased Tier 1 member died while receiving a retirement annuity; or (2) the January 1 occurring after the first anniversary of the commencement of the benefit. Each annual increase shall be calculated at 1.5% of the originally granted retirement annuity or annuity benefit payable as a result of the Tier 1 member's death.

(c) If an annuitant who has received an accelerated pension benefit payment returns to participation under this Article, the calculation of any future automatic annual increase in retirement annuity under subsection (c) of Section 15-139 shall be calculated in accordance with the formula provided in subsection (b-5).

(c-5) The accelerated pension benefit payment may not be repaid to the System.

(d) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be deposited into a tax qualified retirement plan or account identified by the eligible person at the time of election. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(d-5) The System shall submit vouchers to the State Comptroller for the payment of accelerated pension benefit payments under this Section. The State Comptroller shall pay the amounts of the vouchers from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall deposit the amounts into the applicable tax qualified plans or accounts.

(e) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

Sec. 15-198. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after the effective date of this amendatory Act of the 94th General Assembly. "New benefit increase", however, does not include any benefit increase resulting from the changes made to Article 1 or this Article by Public Act 100-23, Public Act 100-587, Public Act 100-769, or this amendatory Act of the 101st General Assembly or this amendatory Act of the 100th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Insurance. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language
enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

Sec. 16-158. Contributions by State and other employing units.

(a) The State shall make contributions to the System by means of appropriations from the Common School Fund and other State funds of amounts which, together with other employer contributions, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (b-3).

(a-1) Annually, on or before November 15 until November 15, 2011, the Board shall certify to the Governor the amount of the required State contribution for the coming fiscal year. The certification under this subsection (a-1) shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the

System for State fiscal year 2006, taking into account the changes in required State contributions made by Public Act 94-4.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year, beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-10) By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by Public Act 100-23. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-15) On or after June 15, 2019, but no later than June 30, 2019, the Board shall recalculate and recertify to the Governor and the General Assembly the amount of the State contribution to the System for State fiscal year 2019, taking into account the changes in required State contributions made by Public Act 100-587 this amendatory Act of the 100th General Assembly. The recalculation shall be made using assumptions adopted by the Board for the original fiscal year 2019 certification. The monthly voucher for the 12th month of fiscal year 2019 shall be paid by the Comptroller after the recertification required pursuant to this subsection is submitted to the Governor, Comptroller, and General Assembly. The recertification submitted to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

(b) Through State fiscal year 1995, the State contributions shall be paid to the System in accordance with Section 18-7 of the School Code.

(b-1) Beginning in State fiscal year 1996, on the 15th day of each month, or as soon thereafter as may be practicable, the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a-1). From March 5, 2004 (the effective date of Public Act 93-665) through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (a) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this subsection, the difference shall be paid from the Common School Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(b-2) Allocations from the Common School Fund apportioned to school districts not coming under this System shall not be diminished or affected by the provisions of this Article.

(b-3) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For each of State fiscal years 2018, 2019, and 2020, the State shall make an additional contribution to the System equal to 2% of the total payroll of each employee who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and
(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a), and notwithstanding any contrary

New matter indicated by italics - deletions by strikeout

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is $534,627,700.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is $738,014,500.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is $2,089,268,000 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to subsection (a-1) of this Section and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable. This amount shall include, in addition to the amount certified by the System, an amount necessary to meet employer contributions required by the State as an employer under paragraph (e) of this Section, which may also be used by the System for contributions required by paragraph (a) of Section 16-127.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain
the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under subsection (a-1), shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(b-4) Beginning in fiscal year 2018, each employer under this Article shall pay to the System a required contribution determined as a percentage of projected payroll and sufficient to produce an annual amount equal to:

(i) for each of fiscal years 2018, 2019, and 2020, the defined benefit normal cost of the defined benefit plan, less the
employee contribution, for each employee of that employer who
has elected or who is deemed to have elected the benefits under
Section 1-161 or who has made the election under subsection (b) of
Section 1-161; for fiscal year 2021 and each fiscal year thereafter,
the defined benefit normal cost of the defined benefit plan, less the
employee contribution, plus 2%, for each employee of that
employer who has elected or who is deemed to have elected the
benefits under Section 1-161 or who has made the election under
subsection (b) of Section 1-161; plus

(ii) the amount required for that fiscal year to amortize any
unfunded actuarial accrued liability associated with the present
value of liabilities attributable to the employer's account under
Section 16-158.3, determined as a level percentage of payroll over
a 30-year rolling amortization period.

In determining contributions required under item (i) of this
subsection, the System shall determine an aggregate rate for all employers,
expressed as a percentage of projected payroll.

In determining the contributions required under item (ii) of this
subsection, the amount shall be computed by the System on the basis of
the actuarial assumptions and tables used in the most recent actuarial
valuation of the System that is available at the time of the computation.

The contributions required under this subsection (b-4) shall be paid
by an employer concurrently with that employer's payroll payment period.
The State, as the actual employer of an employee, shall make the required
contributions under this subsection.

(c) Payment of the required State contributions and of all pensions,
retirement annuities, death benefits, refunds, and other benefits granted
under or assumed by this System, and all expenses in connection with the
administration and operation thereof, are obligations of the State.

If members are paid from special trust or federal funds which are
administered by the employing unit, whether school district or other unit,
the employing unit shall pay to the System from such funds the full
accruing retirement costs based upon that service, which, beginning July 1,
2017, shall be at a rate, expressed as a percentage of salary, equal to the
total employer's normal cost, expressed as a percentage of payroll, as
determined by the System. Employer contributions, based on salary paid to
members from federal funds, may be forwarded by the distributing agency
of the State of Illinois to the System prior to allocation, in an amount
determined in accordance with guidelines established by such agency and

the System. Any contribution for fiscal year 2015 collected as a result of
the change made by Public Act 98-674 shall be considered a State
contribution under subsection (b-3) of this Section.

(d) Effective July 1, 1986, any employer of a teacher as defined in
paragraph (8) of Section 16-106 shall pay the employer's normal cost of
benefits based upon the teacher's service, in addition to employee
contributions, as determined by the System. Such employer contributions
shall be forwarded monthly in accordance with guidelines established by
the System.

However, with respect to benefits granted under Section 16-133.4
or 16-133.5 to a teacher as defined in paragraph (8) of Section 16-106, the
employer's contribution shall be 12% (rather than 20%) of the member's
highest annual salary rate for each year of creditable service granted, and
the employer shall also pay the required employee contribution on behalf
of the teacher. For the purposes of Sections 16-133.4 and 16-133.5, a
teacher as defined in paragraph (8) of Section 16-106 who is serving in
that capacity while on leave of absence from another employer under this
Article shall not be considered an employee of the employer from which
the teacher is on leave.

(e) Beginning July 1, 1998, every employer of a teacher shall pay
to the System an employer contribution computed as follows:

(1) Beginning July 1, 1998 through June 30, 1999, the
employer contribution shall be equal to 0.3% of each teacher's
salary.

(2) Beginning July 1, 1999 and thereafter, the employer
contribution shall be equal to 0.58% of each teacher's salary.
The school district or other employing unit may pay these employer
contributions out of any source of funding available for that purpose and
shall forward the contributions to the System on the schedule established
for the payment of member contributions.

These employer contributions are intended to offset a portion of the
cost to the System of the increases in retirement benefits resulting from
Public Act 90-582.

Each employer of teachers is entitled to a credit against the
contributions required under this subsection (e) with respect to salaries
paid to teachers for the period January 1, 2002 through June 30, 2003,
equal to the amount paid by that employer under subsection (a-5) of
Section 6.6 of the State Employees Group Insurance Act of 1971 with
respect to salaries paid to teachers for that period.
The additional 1% employee contribution required under Section 16-152 by Public Act 90-582 is the responsibility of the teacher and not the teacher's employer, unless the employer agrees, through collective bargaining or otherwise, to make the contribution on behalf of the teacher.

If an employer is required by a contract in effect on May 1, 1998 between the employer and an employee organization to pay, on behalf of all its full-time employees covered by this Article, all mandatory employee contributions required under this Article, then the employer shall be excused from paying the employer contribution required under this subsection (e) for the balance of the term of that contract. The employer and the employee organization shall jointly certify to the System the existence of the contractual requirement, in such form as the System may prescribe. This exclusion shall cease upon the termination, extension, or renewal of the contract at any time after May 1, 1998.

(f) If for school years beginning on or after June 1, 2005 and before July 1, 2018 and for salary paid to a teacher under a contract or collective bargaining agreement entered into, amended, or renewed before the effective date of this amendatory Act of the 100th General Assembly, if the amount of a teacher's salary for any school year used to determine final average salary exceeds the member's annual full-time salary rate with the same employer for the previous school year by more than 6%, the teacher's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in salary that is in excess of 6%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. If a teacher's salary for the 2005-2006 school year is used to determine final average salary under this subsection (f), then the changes made to this subsection (f) by Public Act 94-1057 shall apply in calculating whether the increase in his or her salary is in excess of 6%. For the purposes of this Section, change in employment under Section 10-21.12 of the School Code on or after June 1, 2005 shall constitute a change in employer. The System may require the employer to provide any pertinent information or documentation. The changes made to this subsection (f) by Public Act 94-1111 apply without regard to whether the teacher was in service on or after its effective date.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and...
bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection (g) or (h) of this Section or that subsection (f-1) of this Section applies, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of that subsection. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (f) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(f-1) (Blank). For school years beginning on or after July 1, 2018 and for salary paid to a teacher under a contract or collective bargaining agreement entered into, amended, or renewed on or after the effective date of this amendatory Act of the 100th General Assembly, if the amount of a teacher's salary for any school year used to determine final average salary exceeds the member's annual full-time salary rate with the same employer for the previous school year by more than 3%, then the teacher's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in salary that is in excess of 3%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection (f-1), the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it shall, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must
specify in detail the grounds of the dispute and, if the employer asserts that subsection (f) of this Section applies, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of subsection (f). Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (f-1) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest shall be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(g) This subsection (g) applies only to payments made or salary increases given on or after June 1, 2005 but before July 1, 2011. The changes made by Public Act 94-1057 shall not require the System to refund any payments received before July 31, 2006 (the effective date of Public Act 94-1057).

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to teachers under contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to a teacher at a time when the teacher is 10 or more years from retirement eligibility under Section 16-132 or 16-133.2.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases resulting from overload work, including summer school, when the school district has certified to the System, and the System has approved the certification, that (i) the overload work is for the sole purpose of classroom instruction in excess of the standard number of classes for a full-time teacher in a school district during a school year and (ii) the salary increases are equal to or less than the rate of pay for classroom instruction computed on the teacher's current salary and work schedule.

When assessing payment for any amount due under subsection (f), the System shall exclude a salary increase resulting from a promotion (i) for which the employee is required to hold a certificate or supervisory endorsement issued by the State Teacher Certification Board that is a

different certification or supervisory endorsement than is required for the teacher's previous position and (ii) to a position that has existed and been filled by a member for no less than one complete academic year and the salary increase from the promotion is an increase that results in an amount no greater than the lesser of the average salary paid for other similar positions in the district requiring the same certification or the amount stipulated in the collective bargaining agreement for a similar position requiring the same certification.

When assessing payment for any amount due under subsection (f), the System shall exclude any payment to the teacher from the State of Illinois or the State Board of Education over which the employer does not have discretion, notwithstanding that the payment is included in the computation of final average salary.

(h) When assessing payment for any amount due under subsection (f), the System shall exclude any salary increase described in subsection (g) of this Section given on or after July 1, 2011 but before July 1, 2014 under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any payments made or salary increases given after June 30, 2014 shall be used in assessing payment for any amount due under subsection (f) of this Section.

(i) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

(1) The number of recalculations required by the changes made to this Section by Public Act 94-1057 for each employer.

(2) The dollar amount by which each employer's contribution to the System was changed due to recalculations required by Public Act 94-1057.

(3) The total amount the System received from each employer as a result of the changes made to this Section by Public Act 94-4.

(4) The increase in the required State contribution resulting from the changes made to this Section by Public Act 94-1057.

(i-5) For school years beginning on or after July 1, 2017, if the amount of a participant's salary for any school year exceeds the amount of the salary set for the Governor, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, an amount

New matter indicated by italics - deletions by strikeout
determined by the System to be equal to the employer normal cost, as established by the System and expressed as a total percentage of payroll, multiplied by the amount of salary in excess of the amount of the salary set for the Governor. This amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(j) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(k) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Sec. 16-190.5. Accelerated pension benefit payment in lieu of any pension benefit.
(a) As used in this Section:
"Eligible person" means a person who:
(1) has terminated service;
(2) has accrued sufficient service credit to be eligible to receive a retirement annuity under this Article;
(3) has not received any retirement annuity under this Article; and
(4) has not made the election under Section 16-190.6.
"Pension benefit" means the benefits under this Article, or Article 1 as it relates to those benefits, including any anticipated annual increases, that an eligible person is entitled to upon attainment of the applicable retirement age. "Pension benefit" also includes applicable survivor's or disability benefits.
(b) As soon as practical after June 4, 2018, the System shall calculate, using actuarial tables and other assumptions adopted by the Board, the present value of pension benefits for each eligible person who requests that information and shall offer each eligible person the opportunity to irrevocably elect to receive an amount determined by the System to be equal to 60% of the present value of his or her pension benefits in lieu of receiving any pension benefit. The offer shall specify the dollar amount that the eligible person will receive if he or she so elects and shall expire when a subsequent offer is made to an eligible person. The System shall make a good faith effort to contact every eligible person to notify him or her of the election.
Until June 30, 2024, an eligible person may irrevocably elect to receive an accelerated pension benefit payment in the amount that the System offers under this subsection in lieu of receiving any pension benefit. A person who elects to receive an accelerated pension benefit payment under this Section may not elect to proceed under the Retirement Systems Reciprocal Act with respect to service under this Article.
(c) A person's creditable service under this Article shall be terminated upon the person's receipt of an accelerated pension benefit payment under this Section, and no other benefit shall be paid under this Article based on the terminated creditable service, including any retirement, survivor, or other benefit; except that to the extent that

New matter indicated by italics - deletions by strikeout
participation, benefits, or premiums under the State Employees Group Insurance Act of 1971 are based on the amount of service credit, the terminated service credit shall be used for that purpose.

(d) If a person who has received an accelerated pension benefit payment under this Section returns to active service under this Article, then:

(1) Any benefits under the System earned as a result of that return to active service shall be based solely on the person's creditable service arising from the return to active service.

(2) The accelerated pension benefit payment may not be repaid to the System, and the terminated creditable service may not under any circumstances be reinstated.

(e) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be transferred into a tax qualified retirement plan or account. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(f) Upon receipt of a member's irrevocable election to receive an accelerated pension benefit payment under this Section, the System shall submit a voucher to the Comptroller for payment of the member's accelerated pension benefit payment. The Comptroller shall transfer the amount of the voucher from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall transfer the amount into the member's eligible retirement plan or qualified account.

(g) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(h) No provision of this amendatory Act of the 100th General Assembly shall be interpreted in a way that would cause the applicable System to cease to be a qualified plan under the Internal Revenue Code of 1986.

Sec. 16-190.6. Accelerated pension benefit payment for a reduction in annual retirement annuity and survivor's annuity increases.

(a) As used in this Section:

New matter indicated by italics - deletions by strikeout
"Accelerated pension benefit payment" means a lump sum payment equal to 70% of the difference of the present value of the automatic annual increases to a Tier 1 member's retirement annuity and survivor's annuity using the formula applicable to the Tier 1 member and the present value of the automatic annual increases to the Tier 1 member's retirement annuity using the formula provided under subsection (b-5) and the survivor's annuity using the formula provided under subsection (b-6).

"Eligible person" means a person who:

(1) is a Tier 1 member;

(2) has submitted an application for a retirement annuity under this Article;

(3) meets the age and service requirements for receiving a retirement annuity under this Article;

(4) has not received any retirement annuity under this Article; and

(5) has not made the election under Section 16-190.5.

(b) As soon as practical after June 4, 2018 the effective date of this amendatory Act of the 100th General Assembly and until June 30, 2024, the System shall implement an accelerated pension benefit payment option for eligible persons. Upon the request of an eligible person, the System shall calculate, using actuarial tables and other assumptions adopted by the Board, an accelerated pension benefit payment amount and shall offer that eligible person the opportunity to irrevocably elect to have his or her automatic annual increases in retirement annuity calculated in accordance with the formula provided under subsection (b-5) and any increases in survivor's annuity payable to his or her survivor's annuity beneficiary calculated in accordance with the formula provided under subsection (b-6) in exchange for the accelerated pension benefit payment. The election under this subsection must be made before the eligible person receives the first payment of a retirement annuity otherwise payable under this Article.

(b-5) Notwithstanding any other provision of law, the retirement annuity of a person who made the election under subsection (b) shall be subject to annual increases on the January 1 occurring either on or after the attainment of age 67 or the first anniversary of the annuity start date, whichever is later. Each annual increase shall be calculated at 1.5% of the originally granted retirement annuity.

(b-6) Notwithstanding any other provision of law, a survivor's annuity payable to a survivor's annuity beneficiary of a person who made
the election under subsection (b) shall be subject to annual increases on the January 1 occurring on or after the first anniversary of the commencement of the annuity. Each annual increase shall be calculated at 1.5% of the originally granted survivor's annuity.

(c) If a person who has received an accelerated pension benefit payment returns to active service under this Article, then:

(1) the calculation of any future automatic annual increase in retirement annuity shall be calculated in accordance with the formula provided in subsection (b-5); and

(2) the accelerated pension benefit payment may not be repaid to the System.

(d) As a condition of receiving an accelerated pension benefit payment, the accelerated pension benefit payment must be transferred into a tax qualified retirement plan or account. The accelerated pension benefit payment under this Section may be subject to withholding or payment of applicable taxes, but to the extent permitted by federal law, a person who receives an accelerated pension benefit payment under this Section must direct the System to pay all of that payment as a rollover into another retirement plan or account qualified under the Internal Revenue Code of 1986, as amended.

(d-5) Upon receipt of a member's irrevocable election to receive an accelerated pension benefit payment under this Section, the System shall submit a voucher to the Comptroller for payment of the member's accelerated pension benefit payment. The Comptroller shall transfer the amount of the voucher from the State Pension Obligation Acceleration Bond Fund to the System, and the System shall transfer the amount into the member's eligible retirement plan or qualified account.

(e) The Board shall adopt any rules, including emergency rules, necessary to implement this Section.

(f) No provision of this Section shall be interpreted in a way that would cause the applicable System to cease to be a qualified plan under the Internal Revenue Code of 1986.

Sec. 16-203. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after June 1,
2005 (the effective date of Public Act 94-4). "New benefit increase", however, does not include any benefit increase resulting from the changes made to Article 1 or this Article by Public Act 95-910, Public Act 100-23, Public Act 100-587, Public Act 100-743, Public Act 100-769, or this amendatory Act of the 101st General Assembly or by this amendatory Act of the 100th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Insurance. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in

Section 10-15. The State Pension Funds Continuing Appropriation Act is amended by changing Section 1.2 as follows:

(40 ILCS 15/1.2)

Sec. 1.2. Appropriations for the State Employees' Retirement System.

(a) From each fund from which an amount is appropriated for personal services to a department or other employer under Article 14 of the Illinois Pension Code, there is hereby appropriated to that department or other employer, on a continuing annual basis for each State fiscal year, an additional amount equal to the amount, if any, by which (1) an amount equal to the percentage of the personal services line item for that department or employer from that fund for that fiscal year, that the Board of Trustees of the State Employees' Retirement System of Illinois has certified under Section 14-135.08 of the Illinois Pension Code to be necessary to meet the State's obligation under Section 14-131 of the Illinois Pension Code for that fiscal year, exceeds (2) the amounts otherwise appropriated to that department or employer from that fund for State contributions to the State Employees' Retirement System for that fiscal year. From the effective date of this amendatory Act of the 93rd General Assembly through the final payment from a department or employer's personal services line item for fiscal year 2004, payments to the State Employees' Retirement System that otherwise would have been made under this subsection (a) shall be governed by the provisions in subsection (a-1):

(a-1) (Blank). If a Fiscal Year 2004 Shortfall is certified under subsection (f) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2004 Shortfall:

(a-2) (Blank). If a Fiscal Year 2010 Shortfall is certified under subsection (i) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2010 Shortfall:

(a-3) (Blank). If a Fiscal Year 2016 Shortfall is certified under subsection (k) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2016 Shortfall.

(a-4) If a Prior Fiscal Year Shortfall is certified under subsection (k) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Prior Fiscal Year 2018 Shortfall.

(b) The continuing appropriations provided for by this Section shall first be available in State fiscal year 1996.

(c) Beginning in Fiscal Year 2005, any continuing appropriation under this Section arising out of an appropriation for personal services from the Road Fund to the Department of State Police or the Secretary of State shall be payable from the General Revenue Fund rather than the Road Fund.

(d) (Blank). For State fiscal year 2010 only, a continuing appropriation is provided to the State Employees' Retirement System equal to the amount certified by the System on or before December 31, 2008, less the gross proceeds of the bonds sold in fiscal year 2010 under the authorization contained in subsection (a) of Section 7.2 of the General Obligation Bond Act.

(e) (Blank). For State fiscal year 2011 only, the continuing appropriation under this Section provided to the State Employees' Retirement System is limited to an amount equal to the amount certified by the System on or before December 31, 2009, less any amounts received pursuant to subsection (a-3) of Section 14.1 of the State Finance Act.

(f) (Blank). For State fiscal year 2011 only, a continuing appropriation is provided to the State Employees' Retirement System equal to the amount certified by the System on or before April 1, 2011, less the gross proceeds of the bonds sold in fiscal year 2011 under the authorization contained in subsection (a) of Section 7.2 of the General Obligation Bond Act.

New matter indicated by italics - deletions by strikeout
Sec. 13.2. Distribution of proceeds; selling or retaining seized property prohibited.

(a) Except as otherwise provided in this Section, the court shall order that property forfeited under this Act be delivered to the Department of State Police within 60 days.

(b) All moneys and the sale proceeds of all other property forfeited and seized under this Act shall be distributed as follows:

(1)(i) 65% shall be distributed to the metropolitan enforcement group, local, municipal, county, or State law enforcement agency or agencies that conducted or participated in the investigation resulting in the forfeiture. The distribution shall bear a reasonable relationship to the degree of direct participation of the law enforcement agency in the effort resulting in the forfeiture, taking into account the total value of the property forfeited and the total law enforcement effort with respect to the violation of the law upon which the forfeiture is based. Amounts distributed to the agency or agencies shall be used for the enforcement of laws governing cannabis and controlled substances; for public education in the community or schools in the prevention or detection of the abuse of drugs or alcohol; or for security cameras used for the prevention or detection of violence, except that amounts distributed to the Secretary of State shall be deposited into the Secretary of State Evidence Fund to be used as provided in Section 2-115 of the Illinois Vehicle Code.

(ii) Any local, municipal, or county law enforcement agency entitled to receive a monetary distribution of forfeiture proceeds may share those forfeiture proceeds pursuant to the terms of an intergovernmental agreement with a municipality that has a population in excess of 20,000 if:

(A) the receiving agency has entered into an intergovernmental agreement with the municipality to provide police services;

(B) the intergovernmental agreement for police services provides for consideration in an amount of not less than $1,000,000 per year;

(C) the seizure took place within the geographical limits of the municipality; and

(D) the funds are used only for the enforcement of laws governing cannabis and controlled substances; for
public education in the community or schools in the prevention or detection of the abuse of drugs or alcohol; or for security cameras used for the prevention or detection of violence or the establishment of a municipal police force, including the training of officers, construction of a police station, or the purchase of law enforcement equipment or vehicles.

(2)(i) 12.5% shall be distributed to the Office of the State's Attorney of the county in which the prosecution resulting in the forfeiture was instituted, deposited in a special fund in the county treasury and appropriated to the State's Attorney for use in the enforcement of laws governing cannabis and controlled substances; for public education in the community or schools in the prevention or detection of the abuse of drugs or alcohol; or, at the discretion of the State's Attorney, in addition to other authorized purposes, to make grants to local substance abuse treatment facilities and halfway houses. Section 10-30. The Unified Code of Corrections is amended by adding Section 5-9-1.22 as follows:

(730 ILCS 5/5-9-1.22 new)

Sec. 5-9-1.22. Fee; Roadside Memorial Fund. A person who is convicted or receives a disposition of court supervision for a violation of Section 11-501 of the Illinois Vehicle Code shall, in addition to any other disposition, penalty, or fine imposed, pay a fee of $50 which shall be collected by the clerk of the court and then remitted to the State Treasurer for deposit into the Roadside Memorial Fund, a special fund that is created in the State treasury. However, the court may waive the fee if full restitution is complied with. Subject to appropriation, all moneys in the Roadside Memorial Fund shall be used by the Department of Transportation to pay fees imposed under subsection (f) of Section 20 of the Roadside Memorial Act.

This Section is substantially the same as Section 5-9-1.8 of the Unified Code of Corrections, which Section was repealed by Public Act 100-987, and shall be construed as a continuation of the fee established by that prior law, and not as a new or different fee.

New matter indicated by italics - deletions by strikeout
Sec. 15-801. Deposit of funds by administrator.

(a) Except as otherwise provided in this Section, the administrator shall deposit in the Unclaimed Property Trust Fund all funds received under this Act, including proceeds from the sale of property under Article 7. The administrator may deposit any amount in the Unclaimed Property Trust Fund into the State Pensions Fund during the fiscal year at his or her discretion; however, he or she shall, on April 15 and October 15 of each year, deposit any amount in the Unclaimed Property Trust Fund exceeding $2,500,000 into the State Pensions Fund. If on either April 15 or October 15, the administrator determines that a balance of $2,500,000 is insufficient for the prompt payment of unclaimed property claims authorized under this Act, the administrator may retain more than $2,500,000 in the Unclaimed Property Trust Fund in order to ensure the prompt payment of claims. Beginning in State fiscal year 2021, all amounts that are deposited into the State Pensions Fund from the Unclaimed Property Trust Fund shall be apportioned to the designated retirement systems as provided in subsection (c-6) of Section 8.12 of the State Finance Act to reduce their actuarial reserve deficiencies.

(b) The administrator shall make prompt payment of claims he or she duly allows as provided for in this Act from the Unclaimed Property Trust Fund. This shall constitute an irrevocable and continuing appropriation of all amounts in the Unclaimed Property Trust Fund necessary to make prompt payment of claims duly allowed by the administrator pursuant to this Act.

(a) The State Aviation Program Fund is created in the State Treasury. Moneys in the Fund shall be used by the Department of Transportation for the purposes of administering a State Aviation Program. Subject to appropriation, the moneys shall be used for the purpose of distributing grants to units of local government to be used for airport-related purposes. Grants to units of local government from the Fund shall be distributed proportionately based on equal part enplanements, total cargo, and airport operations. With regard to enplanements that occur within a municipality with a population of over 500,000, grants shall be distributed only to the municipality.

(b) For grants to a unit of government other than a municipality with a population of more than 500,000, "airport-related purposes" means the capital or operating costs of: (1) an airport; (2) a local airport system; or (3) any other local facility that is owned or operated by the person or entity that owns or operates the airport that is directly and substantially related to the air transportation of passengers or property as provided in 49 U.S.C. 47133, including (i) the replacement of sound-reducing windows and doors installed under the Residential Sound Insulation Program and (ii) in-home air quality monitoring testing in residences in which windows or doors were installed under the Residential Sound Insulation Program.

For grants to a municipality with a population of more than 500,000, "airport-related purposes" also means costs associated with the replacement of sound-reducing windows and doors installed under the Residential Sound Insulation Program.

(d) In each State fiscal year, the first $7,500,000 attributable to a municipality with a population of more than 500,000, as provided in subsection (a) of this Section, shall be transferred to the Sound-Reducing Windows and Doors Replacement Fund, a special fund created in the State Treasury. Any amounts attributable to a municipality with a population of more than 500,000 in excess of $7,500,000 in each State fiscal year shall be distributed among the airports in that municipality based on the same formula as prescribed in subsection (a) to be used for airport-related purposes.

(c) Moneys in the Trust Fund are not subject to appropriation and shall be used solely as provided in this Section. All deposits into the Trust Fund shall be held in the Trust Fund by the State Treasurer, ex officio, as trustee separate and apart from all public moneys or funds of this State.
(d) On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named units of local government, the units of local government to be those from which retailers or servicemen have paid tax or penalties to the Department during the second preceding calendar month on sales of aviation fuel. The amount to be paid to each unit of local government shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department and paid into the Local Government Aviation Trust Fund, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, and not including any amount which

Section 15-10. The Use Tax Act is amended by changing Sections 9 and 19 as follows:

(35 ILCS 105/9) (from Ch. 120, par. 439.9)

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for taxes paid on aviation fuel that are deposited into the State Aviation Program Fund under this Act. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

New matter indicated by italics - deletions by strikeout
Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require. On and after January 1, 2018, except for returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Beginning on January 1, 2020, each retailer required or authorized to collect the tax imposed by this Act on aviation fuel sold at retail in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, file and pay tax to the Department on an aviation fuel tax return, on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section.

New matter indicated by italics - deletions by strikeout
Notwithstanding any other provisions of this Act to the contrary, retailers collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel fee payments by electronic means in the manner and form required by the Department. For purposes of this paragraph, "aviation fuel" means a product that is intended for use or offered for sale as fuel for an aircraft.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

New matter indicated by italics - deletions by strikeout
All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January

1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount

required by this Section, then the taxpayer shall be liable for penalties and
interest on the difference between the minimum amount due and the
amount of such quarter monthly payment actually and timely paid, except
insofar as the taxpayer has previously made payments for that month to the
Department in excess of the minimum payments previously due as
provided in this Section. The Department shall make reasonable rules and
regulations to govern the quarter monthly payment amount and quarter
monthly payment dates for taxpayers who file on other than a calendar
monthly basis.

If any such payment provided for in this Section exceeds the
taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the
Service Occupation Tax Act and the Service Use Tax Act, as shown by an
original monthly return, the Department shall issue to the taxpayer a credit
memorandum no later than 30 days after the date of payment, which
memorandum may be submitted by the taxpayer to the Department in
payment of tax liability subsequently to be remitted by the taxpayer to the
Department or be assigned by the taxpayer to a similar taxpayer under this
Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or
the Service Use Tax Act, in accordance with reasonable rules and
regulations to be prescribed by the Department, except that if such excess
payment is shown on an original monthly return and is made after
December 31, 1986, no credit memorandum shall be issued, unless
requested by the taxpayer. If no such request is made, the taxpayer may
credit such excess payment against tax liability subsequently to be remitted
by the taxpayer to the Department under this Act, the Retailers' Occupation
Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by
the Department. If the Department subsequently determines that all or any
part of the credit taken was not actually due to the taxpayer, the taxpayer's
2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the
difference between the credit taken and that actually due, and the taxpayer
shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if
the retailer's average monthly tax liability to the Department does not
exceed $200, the Department may authorize his returns to be filed on a
quarter annual basis, with the return for January, February, and March of a
given year being due by April 20 of such year; with the return for April,
May and June of a given year being due by July 20 of such year; with the
return for July, August and September of a given year being due by
October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this

Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this

Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the net revenue

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuels Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Retailers’ Occupation Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act.
Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by
the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund, and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, the Department shall each month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the

cash receipts collected during the preceding fiscal year by the Audit
Bureau of the Department under the Use Tax Act, the Service Use Tax
Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act,
and associated local occupation and use taxes administered by the
Department (except the amount collected on aviation fuel sold on or after
December 1, 2019).

Subject to payments of amounts into the Build Illinois Fund, the
McCormick Place Expansion Project Fund, the Illinois Tax Increment
Fund, the Energy Infrastructure Fund, and the Tax Compliance and
Administration Fund as provided in this Section, beginning on July 1,
2018 the Department shall pay each month into the Downstate Public
Transportation Fund the moneys required to be so paid under Section 2-3
of the Downstate Public Transportation Act.

Of the remainder of the moneys received by the Department
pursuant to this Act, 75% thereof shall be paid into the State Treasury and
25% shall be reserved in a special account and used only for the transfer to
the Common School Fund as part of the monthly transfer from the General
Revenue Fund in accordance with Section 8a of the State Finance Act.

As soon as possible after the first day of each month, upon
certification of the Department of Revenue, the Comptroller shall order
transferred and the Treasurer shall transfer from the General Revenue
Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the
net revenue realized under this Act for the second preceding month.
Beginning April 1, 2000, this transfer is no longer required and shall not
be made.

Net revenue realized for a month shall be the revenue collected by
the State pursuant to this Act, less the amount paid out during that month
as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers
and wholesalers whose products are sold at retail in Illinois by numerous
retailers, and who wish to do so, may assume the responsibility for
accounting and paying to the Department all tax accruing under this Act
with respect to such sales, if the retailers who are affected do not make
written objection to the Department to this arrangement.

Sec. 19. If it shall appear that an amount of tax or penalty or interest has been paid in error hereunder to the Department by a purchaser, as distinguished from the retailer, whether such amount be paid through a mistake of fact or an error of law, such purchaser may file a claim for credit or refund with the Department in accordance with Sections 6, 6a, 6b, 6c, and 6d of the Retailers' Occupation Tax Act. If it shall appear that an amount of tax or penalty or interest has been paid in error to the Department hereunder by a retailer who is required or authorized to collect and remit the use tax, whether such amount be paid through a mistake of fact or an error of law, such retailer may file a claim for credit or refund with the Department in accordance with Sections 6, 6a, 6b, 6c, and 6d of the Retailers' Occupation Tax Act, provided that no credit or refund shall be allowed for any amount paid by any such retailer unless it shall appear that he bore the burden of such amount and did not shift the burden thereof to anyone else (as in the case of a duplicated tax payment which the retailer made to the Department and did not collect from anyone else), or unless it shall appear that he or she or his or her legal representative has unconditionally repaid such amount to his vendee (1) who bore the burden thereof and has not shifted such burden directly or indirectly in any manner whatsoever; (2) who, if he has shifted such burden, has repaid unconditionally such amount to his or her own vendee, and (3) who is not entitled to receive any reimbursement therefor from any other source than from his vendor, nor to be relieved of such burden in any other manner whatsoever. If it shall appear that an amount of tax has been paid in error hereunder by the purchaser to a retailer, who retained such tax as reimbursement for his or her tax liability on the same sale under the Retailers' Occupation Tax Act, and who remitted the amount involved to the Department under the Retailers' Occupation Tax Act, whether such amount be paid through a mistake of fact or an error of law, the procedure for recovering such tax shall be that prescribed in Sections 6, 6a, 6b and 6c of the Retailers' Occupation Tax Act.

Any credit or refund that is allowed under this Section shall bear interest at the rate and in the manner specified in the Uniform Penalty and Interest Act.

Any claim filed hereunder shall be filed upon a form prescribed and furnished by the Department. The claim shall be signed by the claimant (or by the claimant's legal representative if the claimant shall have died or become a person under legal disability), or by a duly authorized agent of the claimant or his or her legal representative.

A claim for credit or refund shall be considered to have been filed with the Department on the date upon which it is received by the Department. Upon receipt of any claim for credit or refund filed under this Act, any officer or employee of the Department, authorized in writing by the Director of Revenue to acknowledge receipt of such claims on behalf of the Department, shall execute on behalf of the Department, and shall deliver or mail to the claimant or his duly authorized agent, a written receipt, acknowledging that the claim has been filed with the Department, describing the claim in sufficient detail to identify it and stating the date upon which the claim was received by the Department. Such written receipt shall be prima facie evidence that the Department received the claim described in such receipt and shall be prima facie evidence of the date when such claim was received by the Department. In the absence of such a written receipt, the records of the Department as to when the claim was received by the Department, or as to whether or not the claim was received at all by the Department, shall be deemed to be prima facie correct upon these questions in the event of any dispute between the claimant (or his or her legal representative) and the Department concerning these questions.

In case the Department determines that the claimant is entitled to a refund, such refund shall be made only from the Aviation Fuel Sales Tax Refund Fund or from such appropriation as may be available for that purpose, as appropriate. If it appears unlikely that the amount available appropriated would permit everyone having a claim allowed during the period covered by such appropriation or from the Aviation Fuel Sales Tax Refund Fund, as appropriate, to elect to receive a cash refund, the Department, by rule or regulation, shall provide for the payment of refunds in hardship cases and shall define what types of cases qualify as hardship cases.

If a retailer who has failed to pay use tax on gross receipts from retail sales is required by the Department to pay such tax, such retailer, without filing any formal claim with the Department, shall be allowed to take credit against such use tax liability to the extent, if any, to which such retailer has paid an amount equivalent to retailers' occupation tax or has paid use tax in error to his or her vendor or vendors of the same tangible personal property which such retailer bought for resale and did not first use before selling it, and no penalty or interest shall be charged to such retailer on the amount of such credit. However, when such credit is allowed to the retailer by the Department, the vendor is precluded from

Section 15-15. The Service Use Tax Act is amended by changing Sections 9 and 17 as follows:

(35 ILCS 110/9) (from Ch. 120, par. 439.39)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for taxes paid on aviation fuel that are deposited into the State Aviation Program Fund under this Act. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. On and after January 1, 2018, with respect to servicemen whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Beginning on January 1, 2020, each serviceman required or authorized to collect the tax imposed by this Act on aviation fuel transferred as an incident of a sale of service in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay the tax by filing an aviation fuel tax return with the Department on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this paragraph, "aviation fuel" means a product that is intended for use or offered for sale as fuel for an aircraft.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax

liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by

October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.
Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that are now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, this Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax

Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund, and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, the Department shall each month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act.

month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department (except the amount collected on aviation fuel sold on or after December 1, 2019).

Subject to payments of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, beginning on July 1, 2018 the Department shall pay each month into the Downstate Public Transportation Fund the moneys required to be so paid under Section 2-3 of the Downstate Public Transportation Act.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the General Revenue Fund of the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

(35 ILCS 110/17) (from Ch. 120, par. 439.47)

Sec. 17. If it shall appear that an amount of tax or penalty or interest has been paid in error hereunder to the Department by a purchaser, as distinguished from the serviceman, whether such amount be paid through a mistake of fact or an error of law, such purchaser may file a claim for credit or refund with the Department. If it shall appear that an amount of tax or penalty or interest has been paid in error to the Department hereunder by a serviceman who is required or authorized to collect and remit the Service Use Tax, whether such amount be paid through a mistake of fact or an error of law, such serviceman may file a claim for credit or refund with the Department, provided that no credit shall be allowed or refund made for any amount paid by any such serviceman unless it shall appear that he bore the burden of such amount and did not shift the burden thereof to anyone else (as in the case of a duplicated tax payment which the serviceman made to the Department and did not collect from anyone else), or unless it shall appear that he or his legal representative has unconditionally repaid such amount to his vendee (1) who bore the burden thereof and has not shifted such burden directly or indirectly in any manner whatsoever; (2) who, if he has shifted such burden, has repaid unconditionally such amount to his own vendee, and (3) who is not entitled to receive any reimbursement therefor from any

other source than from his vendor, nor to be relieved of such burden in any
other manner whatsoever. If it shall appear that an amount of tax has been
paid in error hereunder by the purchaser to a serviceman, who retained
such tax as reimbursement for his tax liability on the same sale of service
under the Service Occupation Tax Act, and who paid such tax as required
by the Service Occupation Tax Act, whether such amount be paid through
a mistake of fact or an error of law, the procedure for recovering such tax
shall be that prescribed in Sections 17, 18, 19 and 20 of the Service
Occupation Tax Act.

Any credit or refund that is allowed under this Section shall bear
interest at the rate and in the manner specified in the Uniform Penalty and
Interest Act.

Any claim filed hereunder shall be filed upon a form prescribed
and furnished by the Department. The claim shall be signed by the
claimant (or by the claimant's legal representative if the claimant shall
have died or become a person under legal disability), or by a duly
authorized agent of the claimant or his or her legal representative.

A claim for credit or refund shall be considered to have been filed
with the Department on the date upon which it is received by the
Department. Upon receipt of any claim for credit or refund filed under this
Act, any officer or employee of the Department, authorized in writing by
the Director of Revenue to acknowledge receipt of such claims on behalf
of the Department, shall execute on behalf of the Department, and shall
deliver or mail to the claimant or his duly authorized agent, a written
receipt, acknowledging that the claim has been filed with the Department,
describing the claim in sufficient detail to identify it and stating the date
upon which the claim was received by the Department. Such written
receipt shall be prima facie evidence that the Department received the
claim described in such receipt and shall be prima facie evidence of the
date when such claim was received by the Department. In the absence of
such a written receipt, the records of the Department as to when the claim
was received by the Department, or as to whether or not the claim was
received at all by the Department, shall be deemed to be prima facie
correct upon these questions in the event of any dispute between the
claimant (or his or her legal representative) and the Department
concerning these questions.

In case the Department determines that the claimant is entitled to a
refund, such refund shall be made only from the Aviation Fuel Sales Tax
Refund Fund or from such appropriation as may be available for that

purpose, as appropriate. If it appears unlikely that the amount available appropriated would permit everyone having a claim allowed during the period covered by such appropriation or from the Aviation Fuel Sales Tax Refund Fund, as appropriate, to elect to receive a cash refund, the Department, by rule or regulation, shall provide for the payment of refunds in hardship cases and shall define what types of cases qualify as hardship cases.

Section 15-20. The Service Occupation Tax Act is amended by changing Sections 9 and 17 as follows:

(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for taxes paid on aviation fuel that are deposited into the State Aviation Program Fund under this Act. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. On and after January 1, 2018, with respect to servicemen whose annual gross receipts

average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
6-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Beginning on January 1, 2020, each serviceman required or authorized to collect the tax herein imposed on aviation fuel acquired as an incident to the purchase of a service in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, file an aviation fuel tax return with the Department on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen transferring aviation fuel incident to sales of service shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this paragraph, "aviation fuel" means a product that is intended for use or offered for sale as fuel for an aircraft.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.
Prior to October 1, 2003, and on and after September 1, 2004 a serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service Use Tax Act. A Manufacturer's Purchase Credit certification, accepted prior to October 1, 2003 or on or after September 1, 2004 by a serviceman as provided in Section 3-70 of the Service Use Tax Act, may be used by that serviceman to satisfy Service Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

If the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Occupation Tax, Service Use Tax, Retailers' Occupation Tax or Use Tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, the Use Tax Act or the Service Use Tax Act, to furnish all the return information required by all said Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registrations hereunder, such serviceman shall file separate returns for each registered business.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the

Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

Sec. 17. If it shall appear that an amount of tax or penalty or interest has been paid in error hereunder directly to the Department by a serviceman, whether such amount be paid through a mistake of fact or an error of law, such serviceman may file a claim for credit or refund with the Department. If it shall appear that an amount of tax or penalty or interest has been paid in error to the Department hereunder by a supplier who is required or authorized to collect and remit the Service Occupation Tax, whether such amount be paid through a mistake of fact or an error of law, such supplier may file a claim for credit or refund with the Department, provided that no credit shall be allowed nor any refund made for any amount paid by any such supplier unless it shall appear that he bore the burden of such amount and did not shift the burden thereof to anyone else (as in the case of a duplicated tax payment which the supplier made to the Department and did not collect from anyone else), or unless it shall appear

that he or his legal representative has unconditionally repaid such amount to his vendee (1) who bore the burden thereof and has not shifted such burden directly or indirectly in any manner whatsoever; (2) who, if he has shifted such burden, has repaid unconditionally such amount to his own vendee, and (3) who is not entitled to receive any reimbursement therefor from any other source than from his supplier, nor to be relieved of such burden in any other manner whatsoever.

Any credit or refund that is allowed under this Section shall bear interest at the rate and in the manner specified in the Uniform Penalty and Interest Act.

Any claim filed hereunder shall be filed upon a form prescribed and furnished by the Department. The claim shall be signed by the claimant (or by the claimant's legal representative if the claimant shall have died or become a person under legal disability), or by a duly authorized agent of the claimant or his or her legal representative.

A claim for credit or refund shall be considered to have been filed with the Department on the date upon which it is received by the Department. Upon receipt of any claim for credit or refund filed under this Act, any officer or employee of the Department, authorized in writing by the Director of Revenue to acknowledge receipt of such claims on behalf of the Department, shall execute on behalf of the Department, and shall deliver or mail to the claimant or his or her duly authorized agent, a written receipt, acknowledging that the claim has been filed with the Department, describing the claim in sufficient detail to identify it and stating the date upon which the claim was received by the Department. Such written receipt shall be prima facie evidence that the Department received the claim described in such receipt and shall be prima facie evidence of the date when such claim was received by the Department. In the absence of such a written receipt, the records of the Department as to when the claim was received by the Department, or as to whether or not the claim was received at all by the Department, shall be deemed to be prima facie correct upon these questions in the event of any dispute between the claimant (or his legal representative) and the Department concerning these questions.

In case the Department determines that the claimant is entitled to a refund, such refund shall be made only from the Aviation Fuel Sales Tax Refund Fund or from such appropriation as may be available for that purpose, as appropriate. If it appears unlikely that the amount available appropriated would permit everyone having a claim allowed during the

period covered by such appropriation or from the Aviation Fuel Sales Tax Refund Fund, as appropriate, to elect to receive a cash refund, the Department, by rule or regulation, shall provide for the payment of refunds in hardship cases and shall define what types of cases qualify as hardship cases.

Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004 a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. Beginning on January 1, 2020, every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, file an aviation fuel tax return with the Department on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this paragraph, "aviation fuel" means a product that is intended for use or offered for sale as fuel for an aircraft.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or
distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section

2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.
Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before

the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place
and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be
credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for taxes paid on aviation fuel that are deposited into the State Aviation Program Fund under this Act. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.
Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1989, and prior to January
1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum

amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter

monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of

the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate other than aviation fuel sold on or after December 1, 2019. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Capital Projects Fund, the Clean Air Act Permit Fund, the Build Illinois Fund, and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, the Department shall each

month deposit into the Aviation Fuel Sales Tax Refund Fund an amount estimated by the Department to be required for refunds of the 80% portion of the tax on aviation fuel under this Act.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department (except the amount collected on aviation fuel sold on or after December 1, 2019).

Subject to payments of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, the Energy Infrastructure Fund, and the Tax Compliance and Administration Fund as provided in this Section, beginning on July 1, 2018 the Department shall pay each month into the Downstate Public Transportation Fund the moneys required to be so paid under Section 2-3 of the Downstate Public Transportation Act.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

New matter indicated by italics - deletions by strikeout
(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must

be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Sec. 6. Credit memorandum or refund. If it appears, after claim therefor filed with the Department, that an amount of tax or penalty or interest has been paid which was not due under this Act, whether as the result of a mistake of fact or an error of law, except as hereinafter provided, then the Department shall issue a credit memorandum or refund to the person who made the erroneous payment or, if that person died or became a person under legal disability, to his or her legal representative, as such. For purposes of this Section, the tax is deemed to be erroneously paid by a retailer when the manufacturer of a motor vehicle sold by the retailer accepts the return of that automobile and refunds to the purchaser the selling price of that vehicle as provided in the New Vehicle Buyer Protection Act. When a motor vehicle is returned for a refund of the purchase price under the New Vehicle Buyer Protection Act, the Department shall issue a credit memorandum or a refund for the amount of

tax paid by the retailer under this Act attributable to the initial sale of that vehicle. Claims submitted by the retailer are subject to the same restrictions and procedures provided for in this Act. If it is determined that the Department should issue a credit memorandum or refund, the Department may first apply the amount thereof against any tax or penalty or interest due or to become due under this Act or under the Use Tax Act, the Service Occupation Tax Act, the Service Use Tax Act, any local occupation or use tax administered by the Department, Section 4 of the Water Commission Act of 1985, subsections (b), (c) and (d) of Section 5.01 of the Local Mass Transit District Act, or subsections (e), (f) and (g) of Section 4.03 of the Regional Transportation Authority Act, from the person who made the erroneous payment. If no tax or penalty or interest is due and no proceeding is pending to determine whether such person is indebted to the Department for tax or penalty or interest, the credit memorandum or refund shall be issued to the claimant; or (in the case of a credit memorandum) the credit memorandum may be assigned and set over by the lawful holder thereof, subject to reasonable rules of the Department, to any other person who is subject to this Act, the Use Tax Act, the Service Occupation Tax Act, the Service Use Tax Act, any local occupation or use tax administered by the Department, Section 4 of the Water Commission Act of 1985, subsections (b), (c) and (d) of Section 5.01 of the Local Mass Transit District Act, or subsections (e), (f) and (g) of Section 4.03 of the Regional Transportation Authority Act, and the amount thereof applied by the Department against any tax or penalty or interest due or to become due under this Act or under the Use Tax Act, the Service Occupation Tax Act, the Service Use Tax Act, any local occupation or use tax administered by the Department, Section 4 of the Water Commission Act of 1985, subsections (b), (c) and (d) of Section 5.01 of the Local Mass Transit District Act, or subsections (e), (f) and (g) of Section 4.03 of the Regional Transportation Authority Act, from such assignee. However, as to any claim for credit or refund filed with the Department on and after each January 1 and July 1 no amount of tax or penalty or interest erroneously paid (either in total or partial liquidation of a tax or penalty or amount of interest under this Act) more than 3 years prior to such January 1 and July 1, respectively, shall be credited or refunded, except that if both the Department and the taxpayer have agreed to an extension of time to issue a notice of tax liability as provided in Section 4 of this Act, such claim may be filed at any time prior to the expiration of the period agreed upon.

New matter indicated by italics - deletions by strikeout
No claim may be allowed for any amount paid to the Department, whether paid voluntarily or involuntarily, if paid in total or partial liquidation of an assessment which had become final before the claim for credit or refund to recover the amount so paid is filed with the Department, or if paid in total or partial liquidation of a judgment or order of court. No credit may be allowed or refund made for any amount paid by or collected from any claimant unless it appears (a) that the claimant bore the burden of such amount and has not been relieved thereof nor reimbursed therefor and has not shifted such burden directly or indirectly through inclusion of such amount in the price of the tangible personal property sold by him or her or in any manner whatsoever; and that no understanding or agreement, written or oral, exists whereby he or she or his or her legal representative may be relieved of the burden of such amount, be reimbursed therefor or may shift the burden thereof; or (b) that he or she or his or her legal representative has repaid unconditionally such amount to his or her vendee (1) who bore the burden thereof and has not shifted such burden directly or indirectly, in any manner whatsoever; (2) who, if he or she has shifted such burden, has repaid unconditionally such amount to his own vendee; and (3) who is not entitled to receive any reimbursement therefor from any other source than from his or her vendor, nor to be relieved of such burden in any manner whatsoever. No credit may be allowed or refund made for any amount paid by or collected from any claimant unless it appears that the claimant has unconditionally repaid, to the purchaser, any amount collected from the purchaser and retained by the claimant with respect to the same transaction under the Use Tax Act.

Any credit or refund that is allowed under this Section shall bear interest at the rate and in the manner specified in the Uniform Penalty and Interest Act.

In case the Department determines that the claimant is entitled to a refund, such refund shall be made only from the Aviation Fuel Sales Tax Refund Fund or from such appropriation as may be available for that purpose, as appropriate. If it appears unlikely that the amount available appropriated would permit everyone having a claim allowed during the period covered by such appropriation or from the Aviation Fuel Sales Tax Refund Fund, as appropriate, to elect to receive a cash refund, the Department, by rule or regulation, shall provide for the payment of refunds in hardship cases and shall define what types of cases qualify as hardship cases.

If a retailer who has failed to pay retailers' occupation tax on gross receipts from retail sales is required by the Department to pay such tax, such retailer, without filing any formal claim with the Department, shall be allowed to take credit against such retailers' occupation tax liability to the extent, if any, to which such retailer has paid an amount equivalent to retailers' occupation tax or has paid use tax in error to his or her vendor or vendors of the same tangible personal property which such retailer bought for resale and did not first use before selling it, and no penalty or interest shall be charged to such retailer on the amount of such credit. However, when such credit is allowed to the retailer by the Department, the vendor is precluded from refunding any of that tax to the retailer and filing a claim for credit or refund with respect thereto with the Department. The provisions of this amendatory Act shall be applied retroactively, regardless of the date of the transaction.

Section 15-30. The Motor Fuel Tax Law is amended by changing Sections 2, 2b, and 8a as follows:

(35 ILCS 505/2) (from Ch. 120, par. 418)

Sec. 2. A tax is imposed on the privilege of operating motor vehicles upon the public highways and recreational-type watercraft upon the waters of this State.

(a) Prior to August 1, 1989, the tax is imposed at the rate of 13 cents per gallon on all motor fuel used in motor vehicles operating on the public highways and recreational type watercraft operating upon the waters of this State. Beginning on August 1, 1989 and until January 1, 1990, the rate of the tax imposed in this paragraph shall be 16 cents per gallon. Beginning January 1, 1990, the rate of tax imposed in this paragraph, including the tax on compressed natural gas, shall be 19 cents per gallon.

(b) The tax on the privilege of operating motor vehicles which use diesel fuel, liquefied natural gas, or propane shall be the rate according to paragraph (a) plus an additional 2 1/2 cents per gallon. "Diesel fuel" is defined as any product intended for use or offered for sale as a fuel for engines in which the fuel is injected into the combustion chamber and ignited by pressure without electric spark.

(c) A tax is imposed upon the privilege of engaging in the business of selling motor fuel as a retailer or reseller on all motor fuel used in motor vehicles operating on the public highways and recreational type watercraft operating upon the waters of this State: (1) at the rate of 3 cents per gallon on motor fuel owned or possessed by such retailer or reseller at 12:01 a.m. on August 1, 1989; and (2) at the rate of 3 cents per gallon on motor fuel owned or possessed by such retailer or reseller at 12:01 A.M. on January 1, 1990.

New matter indicated by italics - deletions by strikeout
Retailers and resellers who are subject to this additional tax shall be required to inventory such motor fuel and pay this additional tax in a manner prescribed by the Department of Revenue.

The tax imposed in this paragraph (c) shall be in addition to all other taxes imposed by the State of Illinois or any unit of local government in this State.

(d) Except as provided in Section 2a, the collection of a tax based on gallonage of gasoline used for the propulsion of any aircraft is prohibited on and after October 1, 1979, and the collection of a tax based on gallonage of special fuel used for the propulsion of any aircraft is prohibited on and after December 1, 2019.

(e) The collection of a tax, based on gallonage of all products commonly or commercially known or sold as 1-K kerosene, regardless of its classification or uses, is prohibited (i) on and after July 1, 1992 until December 31, 1999, except when the 1-K kerosene is either: (1) delivered into bulk storage facilities of a bulk user, or (2) delivered directly into the fuel supply tanks of motor vehicles and (ii) on and after January 1, 2000. Beginning on January 1, 2000, the collection of a tax, based on gallonage of all products commonly or commercially known or sold as 1-K kerosene, regardless of its classification or uses, is prohibited except when the 1-K kerosene is delivered directly into a storage tank that is located at a facility that has withdrawal facilities that are readily accessible to and are capable of dispensing 1-K kerosene into the fuel supply tanks of motor vehicles. For purposes of this subsection (e), a facility is considered to have withdrawal facilities that are not "readily accessible to and capable of dispensing 1-K kerosene into the fuel supply tanks of motor vehicles" only if the 1-K kerosene is delivered from: (i) a dispenser hose that is short enough so that it will not reach the fuel supply tank of a motor vehicle or (ii) a dispenser that is enclosed by a fence or other physical barrier so that a vehicle cannot pull alongside the dispenser to permit fueling.

Any person who sells or uses 1-K kerosene for use in motor vehicles upon which the tax imposed by this Law has not been paid shall be liable for any tax due on the sales or use of 1-K kerosene.

(35 ILCS 505/2b) (from Ch. 120, par. 418b)

Sec. 2b. Receiver's monthly return. In addition to the tax collection and reporting responsibilities imposed elsewhere in this Act, a person who is required to pay the tax imposed by Section 2a of this Act shall pay the tax to the Department by return showing all fuel purchased, acquired or
received and sold, distributed or used during the preceding calendar month including losses of fuel as the result of evaporation or shrinkage due to temperature variations, and such other reasonable information as the Department may require. Losses of fuel as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of the month, plus the receipts of gallonage during the month, minus the gallonage remaining in storage at the end of the month. Any loss reported that is in excess of this amount shall be subject to the tax imposed by Section 2a of this Law. On and after July 1, 2001, for each 6-month period January through June, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each January, plus the receipts of gallonage each January through June, minus the gallonage remaining in storage at the end of each June. On and after July 1, 2001, for each 6-month period July through December, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each July, plus the receipts of gallonage each July through December, minus the gallonage remaining in storage at the end of each December. Any net loss reported that is in excess of this amount shall be subject to the tax imposed by Section 2a of this Law. For purposes of this Section, "net loss" means the number of gallons gained through temperature variations minus the number of gallons lost through temperature variations or evaporation for each of the respective 6-month periods.

The return shall be prescribed by the Department and shall be filed between the 1st and 20th days of each calendar month. The Department may, in its discretion, combine the returns filed under this Section, Section 5, and Section 5a of this Act. The return must be accompanied by appropriate computer-generated magnetic media supporting schedule data in the format required by the Department, unless, as provided by rule, the Department grants an exception upon petition of a taxpayer. If the return is filed timely, the seller shall take a discount of 2% through June 30, 2003 and 1.75% thereafter which is allowed to reimburse the seller for the expenses incurred in keeping records, preparing and filing returns, collecting and remitting the tax and supplying data to the Department on request. The discount, however, shall be applicable only to the amount of payment which accompanies a return that is filed timely in accordance

with this Section. The discount under this Section is not allowed for taxes paid on aviation fuel that are deposited into the State Aviation Program Fund under this Act.

Beginning on January 1, 2020, each person who is required to pay the tax imposed under Section 2a of this Act on aviation fuel sold or used in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return, on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, a person required to pay the tax imposed by Section 2a of this Act on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this paragraph, "aviation fuel" means a product that is intended for use or offered for sale as fuel for an aircraft.

If any payment provided for in this Section exceeds the receiver's liabilities under this Act, as shown on an original return, the Department may authorize the receiver to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the receiver, the receiver's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that receiver shall be liable for penalties and interest on such difference.

(35 ILCS 505/8a) (from Ch. 120, par. 424a)

Sec. 8a. All money received by the Department under Section 2a of this Act, except money received from taxes on aviation fuel sold or used on or after December 1, 2019, shall be deposited in the Underground Storage Tank Fund created by Section 57.11 of the Environmental Protection Act, as now or hereafter amended. All money received by the Department under Section 2a of this Act for aviation fuel sold or used on or after December 1, 2019, shall be deposited into the State Aviation Program Fund. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State. For purposes of this Section, "aviation fuel"
means a product that is intended for use or offered for sale as fuel for an aircraft.

In addition, for reporting periods beginning on or after January 1, 2020, at the same time and in the same manner as the foregoing reportable payment transactions are required to be reported to the Department, the person shall report to the Department and to any payee with an Illinois address any information required by Section 6050W of the Internal Revenue Code with respect to third-party network transactions related to that payee, but without regard to the de minimis limitations of subsection (e) of Section 6050W of the Internal Revenue Code, if, in that reporting period, the amount of those transactions exceeds $1,000 and the aggregate number of those transactions exceeds 3. Failure to provide any information required by this Section shall incur a penalty for failure to file an information return as provided in Section 3-4 of the Uniform Penalty and Interest Act. The Department shall not share information gathered from Third Party Settlement Organizations with other federal, State, or local government entities.

"STAR bond project area" means the geographic area within a STAR bond district in which there may be one or more STAR bond projects.

"STAR bond project plan" means the written plan adopted by a political subdivision for the development of a STAR bond project in a STAR bond district; the plan may include, but is not limited to, (i) project costs incurred prior to the date of the STAR bond project plan and estimated future STAR bond project costs, (ii) proposed sources of funds to pay those costs, (iii) the nature and estimated term of any obligations to be issued by the political subdivision to pay those costs, (iv) the most recent equalized assessed valuation of the STAR bond project area, (v) an estimate of the equalized assessed valuation of the STAR bond district or applicable project area after completion of a STAR bond project, (vi) a general description of the types of any known or proposed developers, users, or tenants of the STAR bond project or projects included in the plan, (vii) a general description of the type, structure, and character of the property or facilities to be developed or improved, (viii) a description of the general land uses to apply to the STAR bond project, and (ix) a general description or an estimate of the type, class, and number of employees to be employed in the operation of the STAR bond project.

"State sales tax" means all of the net revenue realized under the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act from transactions at places of business located within a STAR bond district, excluding that portion of the net revenue realized under the Retailers' Occupation Tax Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act from transactions at places of business located within a STAR bond district that is deposited into the Local Government Tax Fund and the County and Mass Transit District Fund.

"State sales tax increment" means (i) 100% of that portion of the State sales tax that is in excess of the State sales tax for the same month in the base year, as determined by the Department of Revenue, from transactions at up to 2 destination users, one destination hotel, and one entertainment user located within a STAR bond district, which destination users, destination hotel, and entertainment user shall be designated by the master developer and approved by the political subdivision and the Director in conjunction with the applicable STAR bond project approval,
and (ii) 25% of that portion of the State sales tax that is in excess of the State sales tax for the same month in the base year, as determined by the Department of Revenue, from all other transactions within a STAR bond district. If any portion of State sales taxes are, at the time of formation of a STAR bond district, already subject to tax increment financing under the Tax Increment Allocation Redevelopment Act, then the State sales tax increment for such portion shall be frozen at the base year established in accordance with this Act, and all future incremental increases shall be included in the State sales tax increment under this Act. Any party otherwise entitled to receipt of incremental State sales tax revenues through an existing tax increment financing district shall be entitled to continue to receive such revenues up to the amount frozen in the base year. Nothing in this Act shall affect the prior qualification of existing redevelopment project costs incurred that are eligible for reimbursement under the Tax Increment Allocation Redevelopment Act. In such event, prior to approving a STAR bond district, the political subdivision forming the STAR bond district shall take such action as is necessary, including amending the existing tax increment financing district redevelopment plan, to carry out the provisions of this Act.

"Vacant" means that portion of the land in a proposed STAR bond district that is not occupied by a building, facility, or other vertical improvement.

Sec. 31. STAR bond occupation taxes.

(a) If the corporate authorities of a political subdivision have established a STAR bond district and have elected to impose a tax by ordinance pursuant to subsection (b) or (c) of this Section, each year after the date of the adoption of the ordinance and until all STAR bond project costs and all political subdivision obligations financing the STAR bond project costs, if any, have been paid in accordance with the STAR bond project plans, but in no event longer than the maximum maturity date of the last of the STAR bonds issued for projects in the STAR bond district, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the political subdivision imposing the tax. The corporate authorities of the political subdivision shall deposit the proceeds of the taxes imposed under subsections (b) and (c) into either (i) a special fund held by the corporate authorities of the political subdivision called the STAR Bonds Tax Allocation Fund for the purpose of paying STAR bond project costs and obligations incurred in the payment of those costs if such taxes are designated as pledged STAR revenues by resolution or ordinance of the political subdivision or (ii) the political subdivision's general corporate fund if such taxes are not designated as pledged STAR revenues by resolution or ordinance.

The tax imposed under this Section by a municipality may be imposed only on the portion of a STAR bond district that is within the boundaries of the municipality. For any part of a STAR bond district that lies outside of the boundaries of that municipality, the municipality in which the other part of the STAR bond district lies (or the county, in cases where a portion of the STAR bond district lies in the unincorporated area of a county) is authorized to impose the tax under this Section on that part of the STAR bond district.

(b) The corporate authorities of a political subdivision that has established a STAR bond district under this Act may, by ordinance or resolution, impose a STAR Bond Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the STAR bond district at a rate not to exceed 1% of the gross receipts from the sales made in the course of that business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate.
under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The municipality must comply with the certification requirements for airport-related purposes under Section 8-11-22 of the Illinois Municipal Code. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected, \textit{and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund}), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a STAR Bond Service Occupation Tax shall also be imposed upon all persons engaged, in the STAR bond district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the STAR bond district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the STAR bond district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under that ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties,

exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the STAR bond district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the political subdivision), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the political subdivision), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(d) Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability under this Section by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the STAR Bond Retailers' Occupation Tax Fund.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this Section for deposit into the STAR Bond Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the State Aviation Program Fund under this Act for so long as the revenue use requirements
of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named political subdivisions from the STAR Bond Retailers' Occupation Tax Fund, the political subdivisions to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each political subdivision shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 3% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of such political subdivision, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the political subdivision. Within 10 days after receipt by the Comptroller of the disbursement certification to the political subdivisions provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to political subdivisions under this Section shall be deposited into either (i) the STAR Bonds Tax Allocation Fund by the political subdivision if the political subdivision has designated them as pledged STAR revenues by resolution or ordinance or (ii) the political subdivision's general corporate fund if the political subdivision has not designated them as pledged STAR revenues.

An ordinance or resolution imposing or discontinuing the tax under this Section or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this Section are met, shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or
before the first day of October, whereupon, if all other requirements of this Section are met, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this Section until the political subdivision also provides, in the manner prescribed by the Department, the boundaries of the STAR bond district and each address in the STAR bond district in such a way that the Department can determine by its address whether a business is located in the STAR bond district. The political subdivision must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this Section by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this Section by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a STAR bond district or any address change, addition, or deletion until the political subdivision reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must provide this boundary change or address change, addition, or deletion information to the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following January 1. The retailers in the STAR bond district shall be responsible for charging the tax imposed under this Section. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this Section, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the political subdivision.

A political subdivision that imposes the tax under this Section must submit to the Department of Revenue any other information as the Department may require that is necessary for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a political subdivision under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of
previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize the political subdivision to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(e) When STAR bond project costs, including, without limitation, all political subdivision obligations financing STAR bond project costs, have been paid, any surplus funds then remaining in the STAR Bonds Tax Allocation Fund shall be distributed to the treasurer of the political subdivision for deposit into the political subdivision's general corporate fund. Upon payment of all STAR bond project costs and retirement of obligations, but in no event later than the maximum maturity date of the last of the STAR bonds issued in the STAR bond district, the political subdivision shall adopt an ordinance immediately rescinding the taxes imposed pursuant to this Section and file a certified copy of the ordinance with the Department in the form and manner as described in this Section.

Section 15-40. The Counties Code is amended by changing Sections 5-1006, 5-1006.5, 5-1006.7, 5-1007, 5-1008.5, 5-1009, and 5-1035.1 and by adding Section 5-1184 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 5-1184. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This

exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum,
the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5%
of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such
adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

This Section shall be known and may be cited as the Home Rule County Retailers' Occupation Tax Law.

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales

made in the course of business to provide revenue to be used exclusively for public safety, public facility, mental health, substance abuse, or transportation purposes in that county (except as otherwise provided in this Section), if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the
proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 5-1184. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Sec. 5-1006.7. School facility occupation taxes.

(a) In any county, a tax shall be imposed upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for school facility purposes (except as otherwise provided in this Section) if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question as provided in subsection (c). The tax under this Section shall be imposed only in one-quarter percent increments and may not exceed 1%.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 5-1184. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as
the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133
are binding on the county. The Department of Revenue has full power to
administer and enforce this subsection, to collect all taxes and penalties
due under this subsection, to dispose of taxes and penalties so collected in
the manner provided in this subsection, and to determine all rights to credit
memorandums arising on account of the erroneous payment of a tax or
penalty under this subsection. The Department shall deposit all taxes and
penalties collected under this subsection into a special fund created for that
purpose.

In the administration of and compliance with this subsection, the
Department and persons who are subject to this subsection (i) have the
same rights, remedies, privileges, immunities, powers, and duties, (ii) are
subject to the same conditions, restrictions, limitations, penalties, and
definitions of terms, and (iii) shall employ the same modes of procedure as
are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all
provisions contained in those Sections other than the State rate of tax), 2a
through 2h, 3 (except as to the disposition of taxes and penalties collected,
and except that the retailer's discount is not allowed for taxes paid on
aviation fuel that are deposited into the Local Government Aviation Trust
Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7,
8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all
provisions of the Uniform Penalty and Interest Act as if those provisions
were set forth in this subsection.

The certificate of registration that is issued by the Department to a
retailer under the Retailers' Occupation Tax Act permits the retailer to
engage in a business that is taxable without registering separately with the
Department under an ordinance or resolution under this subsection.

Persons subject to any tax imposed under the authority granted in
this subsection may reimburse themselves for their seller's tax liability by
separately stating that tax as an additional charge, which may be stated in
combination, in a single amount, with State tax that sellers are required to
collect under the Use Tax Act, pursuant to any bracketed schedules set
forth by the Department.

(b) If a tax has been imposed under subsection (a), then a service
occupation tax must also be imposed at the same rate upon all persons
engaged, in the county, in the business of making sales of service, who, as
an incident to making those sales of service, transfer tangible personal
property within the county as an incident to a sale of service.
This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 5-1184. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department and deposited into a special fund created for that purpose. The Department has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties and definition of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that that reference to State in the definition of supplier maintaining a place of business in this State means the county), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the county), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the county), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.
Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(c) The tax under this Section may not be imposed until the question of imposing the tax has been submitted to the electors of the county at a regular election and approved by a majority of the electors voting on the question. For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542), upon a resolution by the county board or a resolution by school district boards that represent at least 51% of the student enrollment within the county, the county board must certify the question to the proper election authority in accordance with the Election Code.

For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542), the election authority must submit the question in substantially the following form:

Shall (name of county) be authorized to impose a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the county may, thereafter, impose the tax.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542), the regional superintendent of schools for the county must, upon receipt of a resolution or resolutions of school district boards that represent more than 50% of the student enrollment within the county, certify the question to the proper election authority for submission to the electors of the county at the next regular election at which the question lawfully may be submitted to the electors, all in accordance with the Election Code.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542), the election authority must submit the question in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") be imposed in (name of

county) at a rate of (insert rate) to be used exclusively for school facility purposes?
The election authority must record the votes as "Yes" or "No".
If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.
For the purposes of this subsection (c), "enrollment" means the head count of the students residing in the county on the last school day of September of each year, which must be reported on the Illinois State Board of Education Public School Fall Enrollment/Housing Report.
(d) Except as otherwise provided, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the School Facility Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.
On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the regional superintendents of schools in counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each regional superintendent of schools and disbursed to him or her in accordance with Section 3-14.31 of the School Code, is equal to the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to

the amount of refunds made during the second preceding calendar month
by the Department on behalf of the county; and (iv) less any amount that
the Department determines is necessary to offset any amounts that were
payable to a different taxing body but were erroneously paid to the county.
When certifying the amount of a monthly disbursement to a regional
superintendent of schools under this Section, the Department shall
increase or decrease the amounts by an amount necessary to offset any
miscalculation of previous disbursements within the previous 6 months
from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the
Department of the disbursement certification to the regional
superintendents of the schools provided for in this Section, the
Comptroller shall cause the orders to be drawn for the respective amounts
in accordance with directions contained in the certification.

If the Department determines that a refund should be made under
this Section to a claimant instead of issuing a credit memorandum, then
the Department shall notify the Comptroller, who shall cause the order to
be drawn for the amount specified and to the person named in the
notification from the Department. The refund shall be paid by the
Treasurer out of the School Facility Occupation Tax Fund.

(e) For the purposes of determining the local governmental unit
whose tax is applicable, a retail sale by a producer of coal or another
mineral mined in Illinois is a sale at retail at the place where the coal or
other mineral mined in Illinois is extracted from the earth. This subsection
does not apply to coal or another mineral when it is delivered or shipped
by the seller to the purchaser at a point outside Illinois so that the sale is
exempt under the United States Constitution as a sale in interstate or
foreign commerce.

(f) Nothing in this Section may be construed to authorize a tax to
be imposed upon the privilege of engaging in any business that under the
Constitution of the United States may not be made the subject of taxation
by this State.

(g) If a county board imposes a tax under this Section pursuant to a
referendum held before August 23, 2011 (the effective date of Public Act
97-542) at a rate below the rate set forth in the question approved by a
majority of electors of that county voting on the question as provided in
subsection (c), then the county board may, by ordinance, increase the rate
of the tax up to the rate set forth in the question approved by a majority of
electors of that county voting on the question as provided in subsection

(c). If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542), then the board may, by ordinance, discontinue or reduce the rate of the tax. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542), then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-5) of this Section. If, however, a school board issues bonds that are secured by the proceeds of the tax under this Section, then the county board may not reduce the tax rate or discontinue the tax if that rate reduction or discontinuance would adversely affect the school board's ability to pay the principal and interest on those bonds as they become due or necessitate the extension of additional property taxes to pay the principal and interest on those bonds. If the county board reduces the tax rate or discontinues the tax, then a referendum must be held in accordance with subsection (c) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

Until January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(h) For purposes of this Section, "school facility purposes" means (i) the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and

installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the capital facilities and (ii) the payment of bonds or other obligations heretofore or hereafter issued, including bonds or other obligations heretofore or hereafter issued to refund or to continue to refund bonds or other obligations issued, for school facility purposes, provided that the taxes levied to pay those bonds are abated by the amount of the taxes imposed under this Section that are used to pay those bonds. "School-facility purposes" also includes fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes set forth under Section 17-2.11 of the School Code.

(h-5) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

Shall the school facility retailers' occupation tax and service occupation tax (commonly referred to as the "school facility sales tax") currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate))(discontinued)?

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

Sec. 5-1007. Home Rule County Service Occupation Tax Law. The corporate authorities of a home rule county may impose a tax upon all persons engaged, in such county, in the business of making sales of service at the same rate of tax imposed pursuant to Section 5-1006 of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate

as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 5-1184. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing county), 9 (except as to the disposition of taxes and penalties

collected, and except that the returned merchandise credit for this county tax may not be taken against any State tax, and except that the retailer’s discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing county), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless such county also imposes a tax at the same rate pursuant to Section 5-1006.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the

STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in each year to each county which received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the
Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

This Section shall be known and may be cited as the Home Rule County Service Occupation Tax Law.

Sec. 5-1008.5. Use and occupation taxes.
(a) The Rock Island County Board may adopt a resolution that authorizes a referendum on the question of whether the county shall be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at a rate of 1/4 of 1% on behalf of the economic development activities of Rock Island County and communities located within the county. The county board shall certify the question to the proper election authorities who shall submit the question to the voters of the county at the next regularly scheduled election in accordance with the general election law. The question shall be in substantially the following form:

   Shall Rock Island County be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at the rate of 1/4 of 1% for the sole purpose of economic development activities, including creation and retention of job opportunities, support of affordable housing opportunities, and enhancement of quality of life improvements?

   Votes shall be recorded as "yes" or "no". If a majority of all votes cast on the proposition are in favor of the proposition, the county is authorized to impose the tax.

(b) The county shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the county, at the rate approved by referendum, on the gross receipts from the sales made in the course of those businesses within the county. This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 5-1184. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the

erroneous payment of tax or penalty under this Section. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions other than the State rate of tax), 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect, in accordance with bracket schedules prescribed by the Department.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

If a tax is imposed under this subsection (b), a tax shall also be imposed at the same rate under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or another mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under
the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 5-1184. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this subsection and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due under this Section; to dispose of taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 3 through 3-55 (in respect to all provisions other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the

retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 11, 12 (except the reference to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with bracket schedules prescribed by the Department.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

Nothing in this paragraph shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the county, any item of tangible personal property that is purchased outside the county at retail from a retailer, and that is titled or registered at a location within the county with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the county. The tax shall be collected by the Department of Revenue for the county. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the

State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department has full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due under this Section; to dispose of taxes, penalties, and interest so collected in the manner provided in this Section; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this Section. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3, 3-5, 3-10, 3-45, 3-55, 3-65, 3-70, 3-85, 3a, 4, 6, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except provisions relating to quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c), or (d) of this Section and no additional registration shall be required. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois
Department on or before the first day of October. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of tax under this Section shall be adopted and a certified copy of the ordinance filed with the Department on or before the first day of October. After proper receipt of the certifications, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

(g) Except as otherwise provided in paragraph (g-2), the Department of Revenue shall, upon collecting any taxes and penalties as provided in this Section, pay the taxes and penalties over to the State Treasurer as trustee for the county. The taxes and penalties shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the county, which shall be the balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the county, the Comptroller shall cause an order to be drawn for payment for the amount in accordance with the directions contained in the certification. Amounts received from the tax imposed under this Section shall be used only for the economic development activities of the county and communities located within the county.

(g-2) Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

(h) When certifying the amount of a monthly disbursement to the county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(i) This Section may be cited as the Rock Island County Use and Occupation Tax Law.

Sec. 5-1009. Limitation on home rule powers. Except as provided in Sections 5-1006, 5-1006.5, 5-1007 and 5-1008, on and after September 1, 1990, no home rule county has the authority to impose, pursuant to its home rule authority, a retailer's occupation tax, service occupation tax, use tax, sales tax or other tax on the use, sale or purchase of tangible personal property based on the gross receipts from such sales or the selling or purchase price of said tangible personal property. Notwithstanding the foregoing, this Section does not preempt any home rule imposed tax such as the following: (1) a tax on alcoholic beverages, whether based on gross receipts, volume sold or any other measurement; (2) a tax based on the number of units of cigarettes or tobacco products; (3) a tax, however measured, based on the use of a hotel or motel room or similar facility; (4) a tax, however measured, on the sale or transfer of real property; (5) a tax, however measured, on lease receipts; (6) a tax on food prepared for immediate consumption and on alcoholic beverages sold by a business which provides for on premise consumption of said food or alcoholic beverages; or (7) other taxes not based on the selling or purchase price or gross receipts from the use, sale or purchase of tangible personal property. This Section does not preempt a home rule county from imposing a tax, however measured, on the use, for consideration, of a parking lot, garage, or other parking facility.

On and after December 1, 2019, no home rule county has the authority to impose, pursuant to its home rule authority, a tax, however measured, on sales of aviation fuel, as defined in Section 3 of the Retailers' Occupation Tax Act, unless the tax revenue is expended for airport-related purposes. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Aviation fuel shall be excluded from tax only for so long as the revenue use requirements of 49 U.S.C. 47017(b) and 49 U.S.C. 47133 are binding on the county.

This Section is a limitation, pursuant to subsection (g) of Section 6 of Article VII of the Illinois Constitution, on the power of home rule units to tax. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

Sec. 5-1035.1. County Motor Fuel Tax Law. The county board of the counties of DuPage, Kane and McHenry may, by an ordinance or resolution adopted by an affirmative vote of a majority of the members elected or appointed to the county board, impose a tax upon all persons engaged in the county in the business of selling motor fuel, as now or hereafter defined in the Motor Fuel Tax Law, at retail for the operation of motor vehicles upon public highways or for the operation of recreational watercraft upon waterways. The collection of a tax under this Section based on gallonage of gasoline used for the propulsion of any aircraft is prohibited, and the collection of a tax based on gallonage of special fuel used for the propulsion of any aircraft is prohibited on and after December 1, 2019. Kane County may exempt diesel fuel from the tax imposed pursuant to this Section. The tax may be imposed, in half-cent increments, at a rate not exceeding 4 cents per gallon of motor fuel sold at retail within the county for the purpose of use or consumption and not for the purpose of resale. The proceeds from the tax shall be used by the county solely for the purpose of operating, constructing and improving public highways and waterways, and acquiring real property and right-of-ways for public highways and waterways within the county imposing the tax.

A tax imposed pursuant to this Section, and all civil penalties that may be assessed as an incident thereof, shall be administered, collected and enforced by the Illinois Department of Revenue in the same manner as the tax imposed under the Retailers' Occupation Tax Act, as now or hereafter amended, insofar as may be practicable; except that in the event of a conflict with the provisions of this Section, this Section shall control. The Department of Revenue shall have full power: to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

Whenever the Department determines that a refund shall be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Option Motor Fuel Tax Fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes and penalties collected hereunder, which shall
be deposited into the County Option Motor Fuel Tax Fund, a special fund in the State Treasury which is hereby created. On or before the 25th day of each calendar month, the Department shall prepare and certify to the State Comptroller the disbursement of stated sums of money to named counties for which taxpayers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder from retailers within the county during the second preceding calendar month by the Department, but not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; less 2% of the balance, which sum shall be retained by the State Treasurer to cover the costs incurred by the Department in administering and enforcing the provisions of this Section. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the Comptroller the amount so retained by the State Treasurer, which shall be transferred into the Tax Compliance and Administration Fund.

A county may direct, by ordinance, that all or a portion of the taxes and penalties collected under the County Option Motor Fuel Tax shall be deposited into the Transportation Development Partnership Trust Fund. Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the second calendar month next following the month in which the ordinance or resolution is adopted and a certified copy thereof is filed with the Department of Revenue, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county as of the effective date of the ordinance or resolution. Upon a change in rate of a tax levied hereunder, or upon the discontinuance of the tax, the county board of the county shall, on or not later than 5 days after the effective date of the ordinance or resolution discontinuing the tax or effecting a change in rate, transmit to the Department of Revenue a certified copy of the ordinance or resolution effecting the change or discontinuance.

This Section shall be known and may be cited as the County Motor Fuel Tax Law.

Sec. 5-1184. Certification for airport-related purposes. On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, each county must certify to the Illinois Department of Transportation, in the form and manner required by the Department, whether the county has an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the county to include tax on aviation fuel. On or before October 1, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the units of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Illinois Department of Transportation.

Section 15-45. The Illinois Municipal Code is amended by changing Sections 8-11-1, 8-11-1.3, 8-11-1.4, 8-11-1.6, 8-11-1.7, 8-11-5, 8-11-6a, and 11-74.3-6 and by adding Sections 8-11-22 and 11-101-3 as follows:

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)

Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 8-11-22. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than $500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The tax imposed by a municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers’ Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this municipal tax may not be taken against any State tax, and except that the retailer’s discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers’ Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing municipality), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the municipal retailers' occupation tax fund.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the municipal retailers' occupation tax fund. As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, the General Revenue Fund, and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

The Department of Revenue shall implement Public Act 91-649 this amendatory Act of the 91st General Assembly so as to collect the tax on and after January 1, 2002.

Redevelopment Project Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of $5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property that is titled and registered by an agency of this State's Government, at retail in the municipality. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 8-11-22. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. If imposed, the tax shall only be imposed in .25% increments of the gross receipts from such sales made in the course of business. Any tax imposed by a municipality under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. An ordinance imposing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.7 of this Act.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant, instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

Any unobligated balance remaining in the Municipal Retailers' Occupation Tax Fund on December 31, 1989, which fund was abolished by Public Act 85-1135, and all receipts of municipal tax as a result of audits of liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund, for distribution as provided by this Section prior to the enactment of Public Act 85-1135. All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135, and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

Sec. 8-11-6a. Home rule municipalities; preemption of certain taxes. Except as provided in Sections 8-11-1, 8-11-5, 8-11-6, 8-11-6b, 8-11-6c, and 11-74.3-6 on and after September 1, 1990, no home rule municipality has the authority to impose, pursuant to its home rule authority, a retailer's occupation tax, service occupation tax, use tax, sales tax or other tax on the use, sale or purchase of tangible personal property based on the gross receipts from such sales or the selling or purchase price of said tangible personal property. Notwithstanding the foregoing, this Section does not preempt any home rule imposed tax such as the following: (1) a tax on alcoholic beverages, whether based on gross receipts, volume sold or any other measurement; (2) a tax based on the number of units of cigarettes or tobacco products (provided, however, that a home rule municipality that has not imposed a tax based on the number of units of cigarettes or tobacco products before July 1, 1993, shall not impose such a tax after that date); (3) a tax, however measured, based on the use of a hotel or motel room or similar facility; (4) a tax, however measured, on the sale or transfer of real property; (5) a tax, however measured, on lease receipts; (6) a tax on food prepared for immediate consumption and on alcoholic beverages sold by a business which provides for on premise consumption of said food or alcoholic beverages; or (7) other taxes not based on the selling or purchase price or gross receipts from the use, sale or purchase of tangible personal property. This Section does not preempt a home rule municipality with a population of more than 2,000,000 from imposing a tax, however measured, on the use, for consideration, of a parking lot, garage, or other parking facility. This Section is not intended to affect any existing tax on food and beverages prepared for immediate consumption on the premises where the sale occurs, or any existing tax on alcoholic beverages, or any existing tax imposed on the charge for renting a hotel or motel room, which was in effect January 15, 1988, or any extension of the effective date of such an existing tax by ordinance of the municipality imposing the tax, which extension is hereby authorized, in any non-home rule municipality in which the imposition of such a tax has been upheld by judicial determination, nor is this Section intended to preempt the authority granted by Public Act 85-1006. On and after December 1, 2019, no home rule municipality has the authority to impose, pursuant to its home rule authority

authority, a tax, however measured, on sales of aviation fuel, as defined in Section 3 of the Retailers' Occupation Tax Act, unless the tax is not subject to the revenue use requirements of 49 U.S.C. 47017(b) and 49 U.S.C. 47133, or unless the tax revenue is expended for airport-related purposes. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Aviation fuel shall be excluded from tax only if, and for so long as, the revenue use requirements of 49 U.S.C. 47017(b) and 49 U.S.C. 47133 are binding on the municipality. This Section is a limitation, pursuant to subsection (g) of Section 6 of Article VII of the Illinois Constitution, on the power of home rule units to tax. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

Sec. 8-11-22. Certification for airport-related purposes. On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, each municipality (and District in the case of business district operating within a municipality) must certify to the Department of Transportation, in the form and manner required by the Department, whether the municipality has an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the municipality to include tax on aviation fuel. On or before October 1, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

Sec. 11-74.3-6. Business district revenue and obligations; business district tax allocation fund.

(a) If the corporate authorities of a municipality have approved a business district plan, have designated a business district, and have elected to impose a tax by ordinance pursuant to subsection (10) or (11) of Section

but terminating upon the date all business district project costs and all obligations paying or reimbursing business district project costs, if any, have been paid, but in no event later than the dissolution date, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the municipality imposing the tax and all amounts generated by the hotel operators' occupation tax shall be collected and the tax shall be enforced by the municipality in the same manner as all hotel operators' occupation taxes imposed in the municipality imposing the tax. The corporate authorities of the municipality shall deposit the proceeds of the taxes imposed under subsections (10) and (11) of Section 11-74.3-3 into a special fund of the municipality called the "[Name of] Business District Tax Allocation Fund" for the purpose of paying or reimbursing business district project costs and obligations incurred in the payment of those costs.

(b) The corporate authorities of a municipality that has designated a business district under this Law may, by ordinance, impose a Business District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the business district at a rate not to exceed 1% of the gross receipts from the sales made in the course of such business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the rate of 1% under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 8-11-22. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by
the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio,

as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which retailers have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this subsection during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the

STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district and each address in the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for

administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a municipality under this subsection, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a Business District Service Occupation Tax shall also be imposed upon all persons engaged, in the business district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the business district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the business district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 8-

11-22. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the business district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the municipality), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit

memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this subsection during the second preceding calendar month by the Department, less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other conditions of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before

October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax. Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(d) By ordinance, a municipality that has designated a business district under this Law may impose an occupation tax upon all persons engaged in the business district in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate not to exceed 1% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the business district, to be imposed only in 0.25% increments, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in the Hotel Operators' Occupation Tax Act, and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

collected and enforced by the municipality imposing the tax. The municipality shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the municipality and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are employed with respect to a tax adopted by the municipality under Section 8-3-14 of this Code.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, and with any other tax.

Nothing in this subsection shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

The proceeds of the tax imposed under this subsection shall be deposited into the Business District Tax Allocation Fund.

(e) Obligations secured by the Business District Tax Allocation Fund may be issued to provide for the payment or reimbursement of business district project costs. Those obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of those obligations by the receipts of taxes imposed pursuant to subsections (10) and (11) of Section 11-74.3-3 and by other revenue designated or pledged by the municipality. A municipality may in the ordinance pledge, for any period of time up to and including the dissolution date, all or any part of the funds in and to be deposited in the Business District Tax Allocation Fund to the payment of business district project costs and obligations. Whenever a municipality pledges all of the funds to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality may specifically provide that funds remaining to the credit of such business district tax allocation fund after the payment of such

obligations shall be accounted for annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan. Whenever a municipality pledges less than all of the monies to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality shall provide that monies to the credit of the business district tax allocation fund and not subject to such pledge or otherwise encumbered or required for payment of contractual obligations for specific business district project costs shall be calculated annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan.

No obligation issued pursuant to this Law and secured by a pledge of all or any portion of any revenues received or to be received by the municipality from the imposition of taxes pursuant to subsection (10) of Section 11-74.3-3, shall be deemed to constitute an economic incentive agreement under Section 8-11-20, notwithstanding the fact that such pledge provides for the sharing, rebate, or payment of retailers’ occupation taxes or service occupation taxes imposed pursuant to subsection (10) of Section 11-74.3-3 and received or to be received by the municipality from the development or redevelopment of properties in the business district.

Without limiting the foregoing in this Section, the municipality may further secure obligations secured by the business district tax allocation fund with a pledge, for a period not greater than the term of the obligations and in any case not longer than the dissolution date, of any part or any combination of the following: (i) net revenues of all or part of any business district project; (ii) taxes levied or imposed by the municipality on any or all property in the municipality, including, specifically, taxes levied or imposed by the municipality in a special service area pursuant to the Special Service Area Tax Law; (iii) the full faith and credit of the municipality; (iv) a mortgage on part or all of the business district project; or (v) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series, bear such date or dates, become due at such time or times as therein provided, but in any case not later than (i) 20 years after the date of issue or (ii) the dissolution date, whichever is earlier, bear interest payable at such intervals and at such rate or rates as set forth therein, except as may be.

limited by applicable law, which rate or rates may be fixed or variable, be in such denominations, be in such form, either coupon, registered, or book-entry, carry such conversion, registration and exchange privileges, be subject to defeasance upon such terms, have such rank or priority, be executed in such manner, be payable in such medium or payment at such place or places within or without the State, make provision for a corporate trustee within or without the State with respect to such obligations, prescribe the rights, powers, and duties thereof to be exercised for the benefit of the municipality and the benefit of the owners of such obligations, provide for the holding in trust, investment, and use of moneys, funds, and accounts held under an ordinance, provide for assignment of and direct payment of the moneys to pay such obligations or to be deposited into such funds or accounts directly to such trustee, be subject to such terms of redemption with or without premium, and be sold at such price, all as the corporate authorities shall determine. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Law except as provided in this Section.

In the event the municipality authorizes the issuance of obligations pursuant to the authority of this Law secured by the full faith and credit of the municipality, or pledges ad valorem taxes pursuant to this subsection, which obligations are other than obligations which may be issued under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which ad valorem taxes are other than ad valorem taxes which may be pledged under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which are levied in a special service area pursuant to the Special Service Area Tax Law, the ordinance authorizing the issuance of those obligations or pledging those taxes shall be published within 10 days after the ordinance has been adopted, in a newspaper having a general circulation within the municipality. The publication of the ordinance shall be accompanied by a notice of (i) the specific number of voters required to sign a petition requesting the question of the issuance of the obligations or pledging such ad valorem taxes to be submitted to the electors; (ii) the time within which the petition must be filed; and (iii) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 21 days after the publication of the

ordinance, the ordinance shall be in effect. However, if within that 21-day period a petition is filed with the municipal clerk, signed by electors numbering not less than 15% of the number of electors voting for the mayor or president at the last general municipal election, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying or reimbursing business district project costs, or of pledging such ad valorem taxes for the payment of those obligations, or both, be submitted to the electors of the municipality, the municipality shall not be authorized to issue obligations of the municipality using the full faith and credit of the municipality as security or pledging such ad valorem taxes for the payment of those obligations, or both, until the proposition has been submitted to and approved by a majority of the voters voting on the proposition at a regularly scheduled election. The municipality shall certify the proposition to the proper election authorities for submission in accordance with the general election law.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Law, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

In the event the municipality authorizes issuance of obligations pursuant to this Law secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of those monies available to the county clerk.

A certified copy of the ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the business district tax allocation fund.

A municipality may also issue its obligations to refund, in whole or in part, obligations theretofore issued by the municipality under the authority of this Law, whether at or prior to maturity. However, the last

maturity of the refunding obligations shall not be expressed to mature later
than the dissolution date.

In the event a municipality issues obligations under home rule
powers or other legislative authority, the proceeds of which are pledged to
pay or reimburse business district project costs, the municipality may, if it
has followed the procedures in conformance with this Law, retire those
obligations from funds in the business district tax allocation fund in
amounts and in such manner as if those obligations had been issued
pursuant to the provisions of this Law.

No obligations issued pursuant to this Law shall be regarded as
indebtedness of the municipality issuing those obligations or any other
taxing district for the purpose of any limitation imposed by law.

Obligations issued pursuant to this Law shall not be subject to the

(f) When business district project costs, including, without
limitation, all obligations paying or reimbursing business district project
costs have been paid, any surplus funds then remaining in the Business
District Tax Allocation Fund shall be distributed to the municipal treasurer
for deposit into the general corporate fund of the municipality. Upon
payment of all business district project costs and retirement of all
obligations paying or reimbursing business district project costs, but in no
event more than 23 years after the date of adoption of the ordinance
imposing taxes pursuant to subsection (10) or (11) of Section 11-74.3-3,
the municipality shall adopt an ordinance immediately rescinding the taxes
imposed pursuant to subsection (10) or (11) of Section 11-74.3-3.

Sec. 11-101-3. Noise mitigation; air quality.

(a) A municipality that has implemented a Residential Sound
Insulation Program to mitigate aircraft noise shall perform indoor air
quality monitoring and laboratory analysis of windows and doors
installed pursuant to the Residential Sound Insulation Program to
determine whether there are any adverse health impacts associated with
off-gassing from such windows and doors. Such monitoring and analysis
shall be consistent with applicable professional and industry standards.
The municipality shall make any final reports resulting from such
monitoring and analysis available to the public on the municipality's
website. The municipality shall develop a science-based mitigation plan to
address significant health-related impacts, if any, associated with such

windows and doors as determined by the results of the monitoring and analysis. In a municipality that has implemented a Residential Sound Insulation Program to mitigate aircraft noise, if requested by the homeowner pursuant to a process established by the municipality, which process shall include, at a minimum, notification in a newspaper of general circulation and a mailer sent to every address identified as a recipient of windows and doors installed under the Residential Sound Insulation Program, the municipality shall replace all windows and doors installed under the Residential Sound Insulation Program in such homes where one or more windows or doors have been found to have caused offensive odors. Only those homeowners who request that the municipality perform an odor inspection as prescribed by the process established by the municipality prior to March 31, 2020 shall be eligible for odorous window and odorous door replacement. Homes that have been identified by the municipality as having odorous windows or doors are not required to make said request to the municipality. The right to make a claim for replacement and have it considered pursuant to this Section shall not be affected by the fact of odor-related claims made or odor-related products received pursuant to the Residential Sound Insulation Program prior to the effective date of this Section.

(b) An advisory committee shall be formed, composed of the following: (i) 2 members of the municipality who reside in homes that have received windows or doors pursuant to the Residential Sound Insulation Program and have been identified by the municipality as having odorous windows or doors, appointed by the Secretary of Transportation; (ii) one employee of the Aeronautics Division of the Department of Transportation; and (iii) 2 employees of the municipality that implemented the Residential Sound Insulation Program in question. The advisory committee shall determine by majority vote which homes contain windows or doors that cause offensive odors and thus are eligible for replacement, shall promulgate a list of such homes, and shall develop recommendations as to the order in which homes are to receive window replacement. The recommendations shall include reasonable and objective criteria for determining which windows or doors are odorous, consideration of the date of odor confirmation for prioritization, severity of odor, geography and individual hardship, and shall provide such recommendations to the municipality. The advisory committee shall comply with the requirements of the Illinois Open Meetings Act. The municipality shall consider the recommendations of the committee but shall retain final decision-making.

authority over replacement of windows and doors installed under the Residential Sound Insulation Program, and shall comply with all federal, State, and local laws involving procurement. A municipality administering claims pursuant to this Section shall provide to every address identified as having submitted a valid claim under this Section a quarterly report setting forth the municipality's activities undertaken pursuant to this Section for that quarter. However, the municipality shall replace windows and doors pursuant to this Section only if, and to the extent, grants are distributed to, and received by, the municipality from the Sound-Reducing Windows and Doors Replacement Fund for the costs associated with the replacement of sound-reducing windows and doors installed under the Residential Sound Insulation Program pursuant to Section 6z-20.1 of the State Finance Act. In addition, the municipality shall revise its specifications for procurement of windows for the Residential Sound Insulation Program to address potential off-gassing from such windows in future phases of the program. A municipality subject to the Section shall not legislate or otherwise regulate with regard to indoor air quality monitoring, laboratory analysis or replacement requirements, except as provided in this Section, but the foregoing restriction shall not limit said municipality's taxing power.

(c) A home rule unit may not regulate indoor air quality monitoring and laboratory analysis, and related mitigation and mitigation plans, in a manner inconsistent with this Section. This Section is a limitation of home rule powers and functions under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(d) This Section shall not be construed to create a private right of action.

Section 15-50. The Civic Center Code is amended by changing Section 245-12 as follows:

(70 ILCS 200/245-12)
Sec. 245-12. Use and occupation taxes.
(a) The Authority may adopt a resolution that authorizes a referendum on the question of whether the Authority shall be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax in one-quarter percent increments at a rate not to exceed 1%. The Authority shall certify the question to the proper election authorities who shall submit the question to the voters of the metropolitan area at the next
regularly scheduled election in accordance with the general election law. The question shall be in substantially the following form:

"Shall the Salem Civic Center Authority be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at the rate of (rate) for the sole purpose of obtaining funds for the support, construction, maintenance, or financing of a facility of the Authority?"

Votes shall be recorded as "yes" or "no". If a majority of all votes cast on the proposition are in favor of the proposition, the Authority is authorized to impose the tax.

(b) The Authority shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan area, at the rate approved by referendum, on the gross receipts from the sales made in the course of such business within the metropolitan area. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the Authority does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, the Authority must certify to the Department of Transportation, in the form and manner required by the Department, whether the Authority has an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the Authority to include tax on aviation fuel. On or before October 1, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions therein other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

If a tax is imposed under this subsection (b), a tax shall also be imposed at the same rate under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other

mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the metropolitan area, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the metropolitan area as an incident to a sale of service. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue.

Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the Authority does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, the Authority must certify to the Department of Transportation, in the form and manner required by the Department, whether the Authority has an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the Authority to include tax on aviation fuel. On or before October, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of,
and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the metropolitan area), 2a, 2b, 3 through 3-55 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.
(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the metropolitan area, any item of tangible personal property that is purchased outside the metropolitan area at retail from a retailer, and that is titled or registered at a location within the metropolitan area with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department has full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3, 3-5, 3-10, 3-45, 3-55, 3-65, 3-70, 3-85, 3a, 4, 6, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except provisions relating to quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who
shall cause the order to be drawn for the amount specified, and to the
person named, in the notification from the Department. The refund shall
be paid by the State Treasurer out of the tax fund referenced under
paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of
Revenue to a retailer under the Retailers' Occupation Tax Act or under the
Service Occupation Tax Act shall permit the registrant to engage in a
business that is taxed under the tax imposed under paragraphs (b), (c), or
(d) of this Section and no additional registration shall be required. A
certificate issued under the Use Tax Act or the Service Use Tax Act shall
be applicable with regard to any tax imposed under paragraph (c) of this
Section.

(f) The results of any election authorizing a proposition to impose a
tax under this Section or effecting a change in the rate of tax shall be
certified by the proper election authorities and filed with the Illinois
Department on or before the first day of April. In addition, an ordinance
imposing, discontinuing, or effecting a change in the rate of tax under this
Section shall be adopted and a certified copy thereof filed with the
Department on or before the first day of April. After proper receipt of such
certifications, the Department shall proceed to administer and enforce this
Section as of the first day of July next following such adoption and filing.

(g) Except as otherwise provided, the Department of Revenue
shall, upon collecting any taxes and penalties as provided in this Section,
pay the taxes and penalties over to the State Treasurer as trustee for the
Authority. The taxes and penalties shall be held in a trust fund outside the
State Treasury. Taxes and penalties collected on aviation fuel sold on or
after December 1, 2019, shall be immediately paid over by the Department
to the State Treasurer, ex officio, as trustee, for deposit into the Local
Government Aviation Trust Fund. The Department shall only pay moneys
into the State Aviation Program Fund under this Act for so long as the
revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are
binding on the District. On or before the 25th day of each calendar month,
the Department of Revenue shall prepare and certify to the Comptroller of
the State of Illinois the amount to be paid to the Authority, which shall be
the balance in the fund, less any amount determined by the Department to
be necessary for the payment of refunds and not including taxes and
penalties collected on aviation fuel sold on or after December 1, 2019.
Within 10 days after receipt by the Comptroller of the certification of the
amount to be paid to the Authority, the Comptroller shall cause an order to

be drawn for payment for the amount in accordance with the directions contained in the certification. Amounts received from the tax imposed under this Section shall be used only for the support, construction, maintenance, or financing of a facility of the Authority.

(h) When certifying the amount of a monthly disbursement to the Authority under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

Section 15-55. The Flood Prevention District Act is amended by changing Section 25 as follows:

(70 ILCS 750/25)

Sec. 25. Flood prevention retailers' and service occupation taxes.

(a) If the Board of Commissioners of a flood prevention district determines that an emergency situation exists regarding levee repair or flood prevention, and upon an ordinance confirming the determination adopted by the affirmative vote of a majority of the members of the county board of the county in which the district is situated, the county may impose a flood prevention retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail within the territory of the district to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness issued under this Act. The tax rate shall be 0.25% of the gross receipts from all taxable sales made in the course of that business. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The County must comply with the certification requirements for airport-related purposes under Section 5-1184 of the Counties Code. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memorandums arising on account of the erroneous payment of tax or penalty hereunder.

For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

If a tax is imposed under this subsection (a), a tax shall also be imposed under subsection (b) of this Section.

(b) If a tax has been imposed under subsection (a), a flood prevention service occupation tax shall also be imposed upon all persons engaged within the territory of the district in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences

The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State means the district), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the district), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the district), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the district), Section 15, 16, 17, 18, 19, and 20 of the Service

Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

(c) The taxes imposed in subsections (a) and (b) may not be imposed on personal property titled or registered with an agency of the State or on personal property taxed at the 1% rate under the Retailers' Occupation Tax Act and the Service Occupation Tax Act.

(d) Nothing in this Section shall be construed to authorize the district to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(e) The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or a serviceman under the Service Occupation Tax Act permits the retailer or serviceman to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section.

(f) Except as otherwise provided, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the Flood Prevention Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the State Aviation Program Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county is equal to the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019).

collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department in administering and enforcing the provisions of this Section on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the counties provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the Flood Prevention Occupation Tax Fund.

(g) If a county imposes a tax under this Section, then the county board shall, by ordinance, discontinue the tax upon the payment of all indebtedness of the flood prevention district. The tax shall not be discontinued until all indebtedness of the District has been paid.

(h) Any ordinance imposing the tax under this Section, or any ordinance that discontinues the tax, must be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October,
whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(j) County Flood Prevention Occupation Tax Fund. All proceeds received by a county from a tax distribution under this Section must be maintained in a special fund known as the [name of county] flood prevention occupation tax fund. The county shall, at the direction of the flood prevention district, use moneys in the fund to pay the costs of providing emergency levee repair and flood prevention and to pay bonds, notes, and other evidences of indebtedness issued under this Act.

Section 15-60. The Metro-East Park and Recreation District Act is amended by changing Section 30 as follows:

(70 ILCS 1605/30)
Sec. 30. Taxes.
(a) The board shall impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the District on the gross receipts from the sales made in the course of business. This tax shall be imposed only at the rate of one-tenth of one per cent.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel shall be excluded from tax. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. The tax imposed by the Board under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or

resolution under this Section. The Department has full power to administer
and enforce this Section, to collect all taxes and penalties due under this
Section, to dispose of taxes and penalties so collected in the manner
provided in this Section, and to determine all rights to credit memoranda
arising on account of the erroneous payment of a tax or penalty under this
Section. In the administration of and compliance with this Section, the
Department and persons who are subject to this Section shall (i) have the
same rights, remedies, privileges, immunities, powers, and duties, (ii) be
subject to the same conditions, restrictions, limitations, penalties, and
definitions of terms, and (iii) employ the same modes of procedure as are
prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-
5.5, 2-10 (in respect to all provisions contained in those Sections other
than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except
provisions relating to transaction returns and quarter monthly payments,
and except that the retailer's discount is not allowed for taxes paid on
aviation fuel that are deposited into the Local Government Aviation Trust
Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7,
8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and the
Uniform Penalty and Interest Act as if those provisions were set forth in
this Section.

On or before September 1, 2019, and on or before each April 1 and
October 1 thereafter, the Board must certify to the Department of
Transportation, in the form and manner required by the Department,
whether the District has an airport-related purpose, which would allow
any Retailers' Occupation Tax and Service Occupation Tax imposed by
the District to include tax on aviation fuel. On or before October 1, 2019,
and on or before each May 1 and November 1 thereafter, the Department
of Transportation shall provide to the Department of Revenue, a list of
units of local government which have certified to the Department of
Transportation that they have airport-related purposes, which would
allow any Retailers' Occupation Tax and Service Occupation Tax imposed
by the unit of local government to include tax on aviation fuel. All disputes
regarding whether or not a unit of local government has an airport-
related purpose shall be resolved by the Department of Transportation.

Persons subject to any tax imposed under the authority granted in
this Section may reimburse themselves for their sellers' tax liability by

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the District, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax may not be imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel shall be excluded from tax. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the District), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the District), 5,
7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), Sections 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, the Board must certify to the Department of Transportation, in the form and manner required by the Department, whether the District has an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the District to include tax on aviation fuel. On or before October 1, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

Nothing in this subsection shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business which

under the Constitution of the United States may not be made the subject of taxation by the State.

(c) Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the State Metro-East Park and Recreation District Fund, which shall be an unappropriated trust fund held outside of the State treasury. *Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the State Aviation Program Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.*

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money pursuant to Section 35 of this Act to the District from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to the District shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were

erroneously paid to the District, (iii) any amounts that are transferred to the STAR Bonds Revenue Fund, and (iv) 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the District, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the District and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

(d) For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) An ordinance imposing a tax under this Section or an ordinance extending the imposition of a tax to an additional county or counties shall be certified by the board and filed with the Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to the District under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

(a) The Board of Trustees of any Metro East Mass Transit District may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District any or all of the taxes and fees provided in this Section. Except as otherwise provided, all taxes and fees imposed under this Section shall be used only for public mass transportation systems, and the amount used to provide mass transit service to unserved areas of the District shall be in the same proportion to the total proceeds as the number of persons residing in the unserved areas is to the total population of the District. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a Metro East Mass Transit District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the district at a rate of 1/4 of 1%, or as authorized under subsection (d-5) of this Section, of the gross receipts from the sales made in the course of such business within the district, except that the rate of tax imposed under this Section on sales of aviation fuel on or after December 1, 2019 shall be 0.25% in Madison County unless the Metro-East Mass Transit District in Madison County has an "airport-related purpose" and any additional amount authorized under subsection (d-5) is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from any future increase in the tax. The rate in St. Clair County shall be 0.25% unless the Metro-East Mass Transit District in St. Clair County has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel imposed in that County is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of the tangible personal property within the District, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the District. The tax shall be collected by the Department of Revenue for the Metro East Mass Transit District. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and

Section 15-70. The Regional Transportation Authority Act is amended by changing Section 4.03 as follows:

(70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)
Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in Public Act 95-708 is intended to invalidate any taxes
currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after January 1, 2008 (the effective date of Public Act 95-708).

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for

an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County, the tax rate shall be 1.25% of the gross receipts from sales of tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act, and 1% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business. *Except that the rate of tax imposed in these Counties under this Section on sales of aviation fuel on or after December 1, 2019 shall be 0.25% unless the Regional Transportation Authority in DuPage, Kane, Lake, McHenry and Will counties has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes.* If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, the Authority and Cook, DuPage, Kane, Lake, McHenry, and Will counties must certify to the Department of Transportation, in the form and manner required by the Department, whether they have an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed under this Act to include tax on aviation fuel. On or before October 1, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does

not apply to coal or other mineral when it is delivered or shipped by the
seller to the purchaser at a point outside Illinois so that the sale is exempt
under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the
sale of a motor vehicle in this State to a resident of another state if that
motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the
Regional Transportation Authority to impose a tax upon the privilege of
engaging in any business that under the Constitution of the United States
may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional
Transportation Authority Service Occupation Tax shall also be imposed
upon all persons engaged, in the metropolitan region in the business of
making sales of service, who as an incident to making the sales of service,
transfer tangible personal property within the metropolitan region, either in
the form of tangible personal property or in the form of real estate as an
incident to a sale of service. In Cook County, the tax rate shall be: (1)
1.25% of the serviceman's cost price of food prepared for immediate
consumption and transferred incident to a sale of service subject to the
service occupation tax by an entity licensed under the Hospital Licensing
Act, the Nursing Home Care Act, the Specialized Mental Health
Rehabilitation Act of 2013, the ID/DD Community Care Act, or the
MC/DD Act that is located in the metropolitan region; (2) 1.25% of the
selling price of tangible personal property taxed at the 1% rate under the
Service Occupation Tax Act; and (3) 1% of the selling price from other
taxable sales of tangible personal property transferred. In DuPage, Kane,
Lake, McHenry and Will counties, the rate shall be 0.75% of the
selling price of all tangible personal property transferred except that the
rate of tax imposed in these Counties under this Section on sales of
aviation fuel on or after December 1, 2019 shall be 0.25% unless the
Regional Transportation Authority in DuPage, Kane, Lake, McHenry and
Will counties has an "airport-related purpose" and the additional 0.50%
of the 0.75% tax on aviation fuel is expended for airport-related purposes.
If there is no airport-related purpose to which aviation fuel tax revenue is
dedicated, then aviation fuel is excluded from the tax.

On or before September 1, 2019, and on or before each April 1 and
October 1 thereafter, the Authority and Cook, DuPage, Kane, Lake,
McHenry, and Will counties must certify to the Department of
Transportation, in the form and manner required by the Department,

whether they have an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed under this Act to include tax on aviation fuel. On or before October 1, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean

the Authority), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of
the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty
and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in
this paragraph may reimburse themselves for their serviceman's tax
liability hereunder by separately stating the tax as an additional charge,
that charge may be stated in combination in a single amount with State tax
that servicemen are authorized to collect under the Service Use Tax Act,
under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made
under this paragraph to a claimant instead of issuing a credit
memorandum, the Department shall notify the State Comptroller, who
shall cause the warrant to be drawn for the amount specified, and to the
person named in the notification from the Department. The refund shall be
paid by the State Treasurer out of the Regional Transportation Authority
tax fund established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the
Authority to impose a tax upon the privilege of engaging in any business
that under the Constitution of the United States may not be made the
subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also
be imposed upon the privilege of using in the metropolitan region, any
item of tangible personal property that is purchased outside the
metropolitan region at retail from a retailer, and that is titled or registered
with an agency of this State's government. In Cook County, the tax rate
shall be 1% of the selling price of the tangible personal property, as
"selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake,
McHenry and Will counties, the tax rate shall be 0.75% of the selling price
of the tangible personal property, as "selling price" is defined in the Use
Tax Act. The tax shall be collected from persons whose Illinois address for
titling or registration purposes is given as being in the metropolitan region.
The tax shall be collected by the Department of Revenue for the Regional
Transportation Authority. The tax must be paid to the State, or an
exemption determination must be obtained from the Department of
Revenue, before the title or certificate of registration for the property may
be issued. The tax or proof of exemption may be transmitted to the
Department by way of the State agency with which, or the State officer
with whom, the tangible personal property must be titled or registered if
the Department and the State agency or State officer determine that this

procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of $50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio,

as trustee, all taxes collected hereunder. Taxes and penalties collected in DuPage, Kane, Lake, McHenry and Will Counties on aviation fuel sold on or after December 1, 2019 from the 0.50% of the 0.75% rate shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers’ Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax

established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by Public Act 95-708. The tax rates authorized by Public Act 95-708 are effective only if imposed by ordinance of the Authority.

(n) Except as otherwise provided in this subsection (n), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasurer. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each county other than Cook County in the metropolitan region, (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii), and less 1.5% of the remainder, which shall be transferred from the trust fund into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the transfer of the amount certified into the Tax Compliance and Administration Fund and the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the

preceding calendar year. The Department of Revenue shall prepare and
certify to the Comptroller for disbursement the allocations made in
accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply
with Section 4.01 of this Act or to adopt a Five-year Capital Program or
otherwise to comply with paragraph (b) of Section 2.01 of this Act shall
not affect the validity of any tax imposed by the Authority otherwise in
conformity with law.

(p) At no time shall a public transportation tax or motor vehicle
parking tax authorized under paragraphs (b), (c), and (d) of this Section be
in effect at the same time as any retailers' occupation, use or service
occupation tax authorized under paragraphs (e), (f), and (g) of this Section
is in effect.

Any taxes imposed under the authority provided in paragraphs (b),
(c), and (d) shall remain in effect only until the time as any tax authorized
by paragraph paragraphs (e), (f), or (g) of this Section are imposed and
becomes effective. Once any tax authorized by paragraph paragraphs (e),
(f), or (g) is imposed the Board may not reimpose taxes as authorized in
paragraphs (b), (c), and (d) of the Section unless any tax authorized by
paragraph paragraphs (e), (f), or (g) of this Section becomes ineffective by
means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including
enforcement by the Regional Transportation Authority) arising under any
tax imposed under paragraph paragraphs (b), (c), or (d) of this Section
shall not be affected by the imposition of a tax under paragraph paragraphs (e),
(f), or (g) of this Section.

changing Section 4 as follows:

(70 ILCS 3720/4) (from Ch. 111 2/3, par. 254)
Sec. 4. Taxes.

(a) The board of commissioners of any county water commission
may, by ordinance, impose throughout the territory of the commission any
or all of the taxes provided in this Section for its corporate purposes.
However, no county water commission may impose any such tax unless
the commission certifies the proposition of imposing the tax to the proper
election officials, who shall submit the proposition to the voters residing in

the territory at an election in accordance with the general election law, and
the proposition has been approved by a majority of those voting on the
proposition.

The proposition shall be in the form provided in Section 5 or shall be substantially in the following form:

Shall the (insert corporate name of county water commission) YES
impose (state type of tax or taxes to be imposed) at the NO
rate of 1/4%?

Taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The board of commissioners may impose a County Water Commission Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the territory of the commission at a rate of 1/4% of the gross receipts from the sales made in the course of such business within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax except that tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act shall not be subject to tax hereunder), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's
discount is not allowed for taxes paid on aviation fuel sold on or after December 1, 2019), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act and under subsection (e) of Section 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

For the purpose of determining whether a tax authorized under this paragraph is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a County Water Commission Service Occupation Tax shall also be imposed upon all persons engaged, in the territory of the commission, in the business of

making sales of service, who, as an incident to making the sales of service, transfer tangible personal property within the territory. The tax rate shall be 1/4% of the selling price of tangible personal property so transferred within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the territory of the commission), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax except that tangible personal property taxed at the 1% rate under the Service Occupation Tax Act shall not be subject to tax hereunder), 4 (except that the reference to the State shall be to the territory of the commission), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the commission), 9 (except as to the disposition of taxes and penalties collected and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel sold on or after December 1, 2019), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the territory of the commission), the first paragraph of Section 15, 15.5, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, and any tax for which servicemen may be liable under subsection (f)

of Section 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a tax shall also be imposed upon the privilege of using, in the territory of the commission, any item of tangible personal property that is purchased outside the territory at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4% of the selling price of the tangible personal property within the territory, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the territory. The tax shall be collected by the Department of Revenue for a county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and

duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under subsection (b), (c), or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under subsection (c) of this Section.

(f) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county water commission as of September 1 next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October,
whereupon the Department shall proceed to administer and enforce this
Section as of the first day of January next following such adoption and
filing.

(g) The State Department of Revenue shall, upon collecting any
taxes as provided in this Section, pay the taxes over to the State Treasurer
as trustee for the commission. The taxes shall be held in a trust fund
outside the State Treasury.

As soon as possible after the first day of each month, beginning
January 1, 2011, upon certification of the Department of Revenue, the
Comptroller shall order transferred, and the Treasurer shall transfer, to the
STAR Bonds Revenue Fund the local sales tax increment, as defined in
the Innovation Development and Economy Act, collected under this
Section during the second preceding calendar month for sales within a
STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on
or before the 25th day of each calendar month, the State Department of
Revenue shall prepare and certify to the Comptroller of the State of Illinois
the amount to be paid to the commission, which shall be the amount (not
including credit memoranda) collected under this Section during the
second preceding calendar month by the Department plus an amount the
Department determines is necessary to offset any amounts that were
erroneously paid to a different taxing body, and not including any amount
equal to the amount of refunds made during the second preceding calendar
month by the Department on behalf of the commission, and not including
any amount that the Department determines is necessary to offset any
amounts that were payable to a different taxing body but were erroneously
paid to the commission, and less any amounts that are transferred to the
STAR Bonds Revenue Fund, less 1.5% of the remainder, which shall be
transferred into the Tax Compliance and Administration Fund. The
Department, at the time of each monthly disbursement to the commission,
shall prepare and certify to the State Comptroller the amount to be
transferred into the Tax Compliance and Administration Fund under this
subsection. Within 10 days after receipt by the Comptroller of the
certification of the amount to be paid to the commission and the Tax
Compliance and Administration Fund, the Comptroller shall cause an
order to be drawn for the payment for the amount in accordance with the
direction in the certification.

(h) Beginning June 1, 2016, any tax imposed pursuant to this
Section may no longer be imposed or collected, unless a continuation of

Section 15-80. The Environmental Impact Fee Law is amended by changing Sections 315 and 320 as follows:

(415 ILCS 125/315)
(Section scheduled to be repealed on January 1, 2025)

Sec. 315. Fee on receivers of fuel for sale or use; collection and reporting. A person that is required to pay the fee imposed by this Law shall pay the fee to the Department by return showing all fuel purchased, acquired, or received and sold, distributed or used during the preceding calendar month, including losses of fuel as the result of evaporation or shrinkage due to temperature variations, and such other reasonable information as the Department may require. Losses of fuel as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of the month, plus the receipts of gallonage during the month, minus the gallonage remaining in storage at the end of the month. Any loss reported that is in excess of this amount shall be subject to the fee imposed by Section 310 of this Law. On and after July 1, 2001, for each 6-month period January through June, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each January, plus the receipts of gallonage each January through June, minus the gallonage remaining in storage at the end of each June. On and after July 1, 2001, for each 6-month period July through December, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each July, plus the receipts of gallonage each July through December, minus the gallonage remaining in storage at the end of each December. Any net loss reported that is in excess of this amount shall be subject to the fee imposed by Section 310 of this Law. For purposes of this Section, "net loss" means the number of gallons gained through temperature variations minus the number of gallons lost through temperature variations or evaporation for each of the respective 6-month periods.

The return shall be prescribed by the Department and shall be filed between the 1st and 20th days of each calendar month. The Department may, in its discretion, combine the return filed under this Law with the return filed under Section 2b of the Motor Fuel Tax Law. If the return is timely filed, the receiver may take a discount of 2% through June 30, 2003 and 1.75% thereafter to reimburse himself for the expenses incurred in keeping records, preparing and filing returns, collecting and remitting the fee, and supplying data to the Department on request. However, the discount applies only to the amount of the fee payment that accompanies a return that is timely filed in accordance with this Section. The discount is not permitted on fees paid on aviation fuel sold or used on and after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. §47017 (b) and 49 U.S.C. §47133 are binding on the State.

Beginning on January 1, 2018, each retailer required or authorized to collect the fee imposed by this Act on aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, file an aviation fuel tax return with the Department, on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers collecting fees on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel fee payments by electronic means in the manner and form required by the Department. For purposes of this paragraph, "aviation fuel" means a product that is intended for use or offered for sale as fuel for an aircraft.

If any payment provided for in this Section exceeds the receiver's liabilities under this Act, as shown on an original return, the Department may authorize the receiver to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the receiver, the receiver's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that receiver shall be liable for penalties and interest on such difference.

Sec. 320. Deposit of fee receipts. Except as otherwise provided in this paragraph, all money received by the Department under this Law shall be deposited in the Underground Storage Tank Fund created by Section 57.11 of the Environmental Protection Act. All money received for aviation fuel by the Department under this Law on or after December 1, 2019, shall be immediately paid over by the Department to the State Aviation Program Fund. ARTICLE 20. NURSING HOMES

Section 20-5. The Illinois Administrative Procedure Act is amended by changing Section 5-45 as follows:

(5 ILCS 100/5-45) (from Ch. 127, par. 1005-45)

Sec. 5-45. Emergency rulemaking.

(a) "Emergency" means the existence of any situation that any agency finds reasonably constitutes a threat to the public interest, safety, or welfare.

(b) If any agency finds that an emergency exists that requires adoption of a rule upon fewer days than is required by Section 5-40 and states in writing its reasons for that finding, the agency may adopt an emergency rule without prior notice or hearing upon filing a notice of emergency rulemaking with the Secretary of State under Section 5-70. The notice shall include the text of the emergency rule and shall be published in the Illinois Register. Consent orders or other court orders adopting settlements negotiated by an agency may be adopted under this Section. Subject to applicable constitutional or statutory provisions, an emergency rule becomes effective immediately upon filing under Section 5-65 or at a stated date less than 10 days thereafter. The agency's finding and a statement of the specific reasons for the finding shall be filed with the rule. The agency shall take reasonable and appropriate measures to make emergency rules known to the persons who may be affected by them.

(c) An emergency rule may be effective for a period of not longer than 150 days, but the agency's authority to adopt an identical rule under Section 5-40 is not precluded. No emergency rule may be adopted more...
than once in any 24-month period, except that this limitation on the number of emergency rules that may be adopted in a 24-month period does not apply to (i) emergency rules that make additions to and deletions from the Drug Manual under Section 5-5.16 of the Illinois Public Aid Code or the generic drug formulary under Section 3.14 of the Illinois Food, Drug and Cosmetic Act, (ii) emergency rules adopted by the Pollution Control Board before July 1, 1997 to implement portions of the Livestock Management Facilities Act, (iii) emergency rules adopted by the Illinois Department of Public Health under subsections (a) through (i) of Section 2 of the Department of Public Health Act when necessary to protect the public's health, (iv) emergency rules adopted pursuant to subsection (n) of this Section, (v) emergency rules adopted pursuant to subsection (o) of this Section, or (vi) emergency rules adopted pursuant to subsection (c-5) of this Section. Two or more emergency rules having substantially the same purpose and effect shall be deemed to be a single rule for purposes of this Section.

(c-5) To facilitate the maintenance of the program of group health benefits provided to annuitants, survivors, and retired employees under the State Employees Group Insurance Act of 1971, rules to alter the contributions to be paid by the State, annuitants, survivors, retired employees, or any combination of those entities, for that program of group health benefits, shall be adopted as emergency rules. The adoption of those rules shall be considered an emergency and necessary for the public interest, safety, and welfare.

Section 20-15. The Nursing Home Care Act is amended by changing Sections 2-106.1, 3-202.05, and 3-209 and by adding Section 3-305.8 as follows:

(210 ILCS 45/2-106.1)

Sec. 2-106.1. Drug treatment.

(a) A resident shall not be given unnecessary drugs. An unnecessary drug is any drug used in an excessive dose, including in duplicative therapy; for excessive duration; without adequate monitoring; without adequate indications for its use; or in the presence of adverse

consequences that indicate the drugs should be reduced or discontinued. The Department shall adopt, by rule, the standards for unnecessary drugs contained in interpretive guidelines issued by the United States Department of Health and Human Services for the purposes of administering Titles XVIII and XIX of the Social Security Act.

(b) Except in the case of an emergency, psychotropic medication shall not be administered without the informed consent of the resident or the resident's surrogate decision maker or other authorized representative. "Psychotropic medication" means medication that is used for or listed as used for antipsychotic, antidepressant, antimanic, or antianxiety behavior modification or behavior management purposes in the latest editions of the AMA Drug Evaluations or the Physician's Desk Reference. "Emergency" has the same meaning as in Section 1-112 of the Nursing Home Care Act. A facility shall (i) document the alleged emergency in detail, including the facts surrounding the medication's need, and (ii) present this documentation to the resident and the resident's representative. No later than January 1, 2021, the Department shall adopt, by rule, a protocol specifying how informed consent for psychotropic medication may be obtained or refused. The protocol shall require, at a minimum, a discussion between (i) the resident or the resident's surrogate decision maker and (ii) the resident's physician, a registered pharmacist (who is not a dispensing pharmacist for the facility where the resident lives), or a licensed nurse about the possible risks and benefits of a recommended medication and the use of standardized consent forms designated by the Department. The protocol shall include informing the resident, surrogate decision maker, or both of the existence of a copy of: the resident's care plan; the facility policies and procedures adopted in compliance with subsection (b-15) of this Section; and a notification that the most recent of the resident's care plans and the facility's policies are available to the resident or surrogate decision maker upon request. Each form developed by the Department (i) shall be written in plain language, (ii) shall be able to be downloaded from the Department's official website, (iii) shall include information specific to the psychotropic medication for which consent is being sought, and (iv) shall be used for every resident for whom psychotropic drugs are prescribed. The Department shall utilize the rules, protocols, and forms developed and implemented under the Specialized Mental Health Rehabilitation Act of 2013 in effect on the effective date of this amendatory Act of the 101st General Assembly.

except to the extent that this Act requires a different procedure, and except that the maximum possible period for informed consent shall be until: (1) a change in the prescription occurs, either as to type of psychotropic medication or dosage; or (2) a resident's care plan changes. The Department may further amend the rules after January 1, 2021 pursuant to existing rulemaking authority. In addition to creating those forms, the Department shall approve the use of any other informed consent forms that meet criteria developed by the Department. At the discretion of the Department, informed consent forms may include side effects that the Department reasonably believes are more common, with a direction that more complete information can be found via a link on the Department's website to third-party websites with more complete information, such as the United States Food and Drug Administration's website. The Department or a facility shall incur no liability for information provided on a consent form so long as the consent form is substantially accurate based upon generally accepted medical principles and if the form includes the website links.

Informed consent shall be sought from the resident. For the purposes of this Section, "surrogate decision maker" means an individual representing the resident's interests as permitted by this Section. Informed consent shall be sought by the resident's guardian of the person if one has been named by a court of competent jurisdiction. In the absence of a court-ordered guardian, informed consent shall be sought from a health care agent under the Illinois Power of Attorney Act who has authority to give consent. If neither a court-ordered guardian of the person nor a health care agent under the Illinois Power of Attorney Act is available and the attending physician determines that the resident lacks capacity to make decisions, informed consent shall be sought from the resident's attorney-in-fact designated under the Mental Health Treatment Preference Declaration Act, if applicable, or the resident's representative.

In addition to any other penalty prescribed by law, a facility that is found to have violated this subsection, or the federal certification requirement that informed consent be obtained before administering a psychotropic medication, shall thereafter be required to obtain the signatures of 2 licensed health care professionals on every form purporting to give informed consent for the administration of a psychotropic medication, certifying the personal knowledge of each health care professional that the consent was obtained in compliance with the requirements of this subsection.

(b-5) A facility must obtain voluntary informed consent, in writing, from a resident or the resident's surrogate decision maker before administering or dispensing a psychotropic medication to that resident.

(b-10) No facility shall deny continued residency to a person on the basis of the person's or resident's, or the person's or resident's surrogate decision maker's, refusal of the administration of psychotropic medication, unless the facility can demonstrate that the resident's refusal would place the health and safety of the resident, the facility staff, other residents, or visitors at risk.

A facility that alleges that the resident's refusal to consent to the administration of psychotropic medication will place the health and safety of the resident, the facility staff, other residents, or visitors at risk must:
(1) document the alleged risk in detail; (2) present this documentation to the resident or the resident's surrogate decision maker, to the Department, and to the Office of the State Long Term Care Ombudsman; and (3) inform the resident or his or her surrogate decision maker of his or her right to appeal to the Department. The documentation of the alleged risk shall include a description of all nonpharmacological or alternative care options attempted and why they were unsuccessful.

(b-15) Within 100 days after the effective date of any rules adopted by the Department under subsection (b) of this Section, all facilities shall implement written policies and procedures for compliance with this Section. When the Department conducts its annual survey of a facility, the surveyor may review these written policies and procedures and either:
(1) give written notice to the facility that the policies or procedures are sufficient to demonstrate the facility's intent to comply with this Section; or
(2) provide written notice to the facility that the proposed policies and procedures are deficient, identify the areas that are deficient, and provide 30 days for the facility to submit amended policies and procedures that demonstrate its intent to comply with this Section.

A facility's failure to submit the documentation required under this subsection is sufficient to demonstrate its intent to not comply with this Section and shall be grounds for review by the Department.

All facilities must provide training and education on the requirements of this Section to all personnel involved in providing care to residents and train and educate such personnel on the methods and procedures to effectively implement the facility's policies. Training and
education provided under this Section must be documented in each personnel file.

(b-20) Upon the receipt of a report of any violation of this Section, the Department shall investigate and, upon finding sufficient evidence of a violation of this Section, may proceed with disciplinary action against the licensee of the facility. In any administrative disciplinary action under this subsection, the Department shall have the discretion to determine the gravity of the violation and, taking into account mitigating and aggravating circumstances and facts, may adjust the disciplinary action accordingly.

(b-25) A violation of informed consent that, for an individual resident, lasts for 7 days or more under this Section is, at a minimum, a Type "B" violation. A second violation of informed consent within a year from a previous violation in the same facility regardless of the duration of the second violation is, at a minimum, a Type "B" violation.

(b-30) Any violation of this Section by a facility may be enforced by an action brought by the Department in the name of the People of Illinois for injunctive relief, civil penalties, or both injunctive relief and civil penalties. The Department may initiate the action upon its own complaint or the complaint of any other interested party.

(b-35) Any resident who has been administered a psychotropic medication in violation of this Section may bring an action for injunctive relief, civil damages, and costs and attorney's fees against any facility responsible for the violation.

(b-40) An action under this Section must be filed within 2 years of either the date of discovery of the violation that gave rise to the claim or the last date of an instance of a noncompliant administration of psychotropic medication to the resident, whichever is later.

(b-45) A facility subject to action under this Section shall be liable for damages of up to $500 for each day after discovery of a violation that the facility violates the requirements of this Section.

(b-55) The rights provided for in this Section are cumulative to existing resident rights. No part of this Section shall be interpreted as abridging, abrogating, or otherwise diminishing existing resident rights or causes of action at law or equity.

(c) The requirements of this Section are intended to control in a conflict with the requirements of Sections 2-102 and 2-107.2 of the Mental Health and Developmental Disabilities Code with respect to the administration of psychotropic medication.

Sec. 3-202.05. Staffing ratios effective July 1, 2010 and thereafter.

(a) For the purpose of computing staff to resident ratios, direct care staff shall include:

1. registered nurses;
2. licensed practical nurses;
3. certified nurse assistants;
4. psychiatric services rehabilitation aides;
5. rehabilitation and therapy aides;
6. psychiatric services rehabilitation coordinators;
7. assistant directors of nursing;
8. 50% of the Director of Nurses' time; and
9. 30% of the Social Services Directors' time.

The Department shall, by rule, allow certain facilities subject to 77 Ill. Admin. Code 300.4000 and following (Subpart S) to utilize specialized clinical staff, as defined in rules, to count towards the staffing ratios.

Within 120 days of the effective date of this amendatory Act of the 97th General Assembly, the Department shall promulgate rules specific to the staffing requirements for facilities federally defined as Institutions for Mental Disease. These rules shall recognize the unique nature of individuals with chronic mental health conditions, shall include minimum requirements for specialized clinical staff, including clinical social workers, psychiatrists, psychologists, and direct care staff set forth in paragraphs (4) through (6) and any other specialized staff which may be utilized and deemed necessary to count toward staffing ratios.

Within 120 days of the effective date of this amendatory Act of the 97th General Assembly, the Department shall promulgate rules specific to the staffing requirements for facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013. These rules shall recognize the unique nature of individuals with chronic mental health conditions, shall include minimum requirements for specialized clinical staff, including clinical social workers, psychiatrists, psychologists, and direct care staff set forth in paragraphs (4) through (6) and any other specialized staff which may be utilized and deemed necessary to count toward staffing ratios.

(b) (Blank). Beginning January 1, 2011, and thereafter, light intermediate care shall be staffed at the same staffing ratio as intermediate care.
(b-5) For purposes of the minimum staffing ratios in this Section, all residents shall be classified as requiring either skilled care or intermediate care.

As used in this subsection:

"Intermediate care" means basic nursing care and other restorative services under periodic medical direction.

"Skilled care" means skilled nursing care, continuous skilled nursing observations, restorative nursing, and other services under professional direction with frequent medical supervision.

(c) Facilities shall notify the Department within 60 days after the effective date of this amendatory Act of the 96th General Assembly, in a form and manner prescribed by the Department, of the staffing ratios in effect on the effective date of this amendatory Act of the 96th General Assembly for both intermediate and skilled care and the number of residents receiving each level of care.

(d)(1) (Blank). Effective July 1, 2010, for each resident needing skilled care, a minimum staffing ratio of 2.5 hours of nursing and personal care each day must be provided; for each resident needing intermediate care, 1.7 hours of nursing and personal care each day must be provided.

(2) (Blank). Effective January 1, 2011, the minimum staffing ratios shall be increased to 2.7 hours of nursing and personal care each day for a resident needing skilled care and 1.9 hours of nursing and personal care each day for a resident needing intermediate care.

(3) (Blank). Effective January 1, 2012, the minimum staffing ratios shall be increased to 3.0 hours of nursing and personal care each day for a resident needing skilled care and 2.1 hours of nursing and personal care each day for a resident needing intermediate care.

(4) (Blank). Effective January 1, 2013, the minimum staffing ratios shall be increased to 3.4 hours of nursing and personal care each day for a resident needing skilled care and 2.3 hours of nursing and personal care each day for a resident needing intermediate care.

(5) Effective January 1, 2014, the minimum staffing ratios shall be increased to 3.8 hours of nursing and personal care each day for a resident needing skilled care and 2.5 hours of nursing and personal care each day for a resident needing intermediate care.

(e) Ninety days after the effective date of this amendatory Act of the 97th General Assembly, a minimum of 25% of nursing and personal care time shall be provided by licensed nurses, with at least 10% of nursing and personal care time provided by registered nurses. These
minimum requirements shall remain in effect until an acuity based registered nurse requirement is promulgated by rule concurrent with the adoption of the Resource Utilization Group classification-based payment methodology, as provided in Section 5-5.2 of the Illinois Public Aid Code. Registered nurses and licensed practical nurses employed by a facility in excess of these requirements may be used to satisfy the remaining 75% of the nursing and personal care time requirements. Notwithstanding this subsection, no staffing requirement in statute in effect on the effective date of this amendatory Act of the 97th General Assembly shall be reduced on account of this subsection.

(f) The Department shall submit proposed rules for adoption by January 1, 2020 establishing a system for determining compliance with minimum staffing set forth in this Section and the requirements of 77 Ill. Adm. Code 300.1230 adjusted for any waivers granted under Section 3-303.1. Compliance shall be determined quarterly by comparing the number of hours provided per resident per day using the Centers for Medicare and Medicaid Services' payroll-based journal and the facility's daily census, broken down by intermediate and skilled care as self-reported by the facility to the Department on a quarterly basis. The Department shall use the quarterly payroll-based journal and the self-reported census to calculate the number of hours provided per resident per day and compare this ratio to the minimum staffing standards required under this Section, as impacted by any waivers granted under Section 3-303.1. Discrepancies between job titles contained in this Section and the payroll-based journal shall be addressed by rule.

(g) The Department shall submit proposed rules for adoption by January 1, 2020 establishing monetary penalties for facilities not in compliance with minimum staffing standards under this Section. No monetary penalty may be issued for noncompliance during the implementation period, which shall be July 1, 2020 through September 30, 2020. If a facility is found to be noncompliant during the implementation period, the Department shall provide a written notice identifying the staffing deficiencies and require the facility to provide a sufficiently detailed correction plan to meet the statutory minimum staffing levels. Monetary penalties shall be imposed beginning no later than January 1, 2021 and quarterly thereafter and shall be based on the latest quarter for which the Department has data. Monetary penalties shall be established based on a formula that calculates on a daily basis the cost of wages and benefits for the missing staffing hours. All notices of noncompliance shall

New matter indicated by italics - deletions by strikeout
include the computations used to determine noncompliance and establishing the variance between minimum staffing ratios and the Department's computations. The penalty for the first offense shall be 125% of the cost of wages and benefits for the missing staffing hours. The penalty shall increase to 150% of the cost of wages and benefits for the missing staffing hours for the second offense and 200% the cost of wages and benefits for the missing staffing hours for the third and all subsequent offenses. The penalty shall be imposed regardless of whether the facility has committed other violations of this Act during the same period that the staffing offense occurred. The penalty may not be waived, but the Department shall have the discretion to determine the gravity of the violation in situations where there is no more than a 10% deviation from the staffing requirements and make appropriate adjustments to the penalty. The Department is granted discretion to waive the penalty when unforeseen circumstances have occurred that resulted in call-offs of scheduled staff. This provision shall be applied no more than 6 times per quarter. Nothing in this Section diminishes a facility's right to appeal.

ARTICLE 25. PRIVATE-PUBLIC PARTNERSHIP

Section 25-1. Short title. This Article may be cited as the Public-Private Partnership for Civic and Transit Infrastructure Project Act. References in this Article to "this Act" mean this Article.

Section 25-5. Public policy and legislative findings.

(a) It is in the best interest of the State of Illinois to encourage private investment in public transit-oriented infrastructure projects with broad economic development, civic and diversity equity, and community impacts, and to encourage related private development activities that will generate new State and local revenues to fund such public infrastructure, as well as to fund other statewide priorities.

(b) Existing methods of procurement and financing of transit-oriented public infrastructure projects serving the needs of the public limit the State's ability to access underutilized private land for such public infrastructure projects and to encourage private, tax-generating development on and adjacent to such public infrastructure projects.

(c) A private entity has proposed a civic and transit infrastructure project, to be completed in one or more phases, which presents an opportunity for a prudent State investment that will develop a major public transit infrastructure asset that has the potential to connect Metra, the South Shore Line, Amtrak, the Northern Indiana Commuter Transportation District, the Chicago Transportation Authority, bus service, and a central-area circulator transit system while bringing significant civic, economic, and fiscal benefits to the State.

New matter indicated by italics - deletions by strikeout
(d) It is in the best interest of the State to authorize the public agency to enter into a public-private partnership with the private entity, whereby the private entity will develop, finance, construct, operate, and manage the Civic and Transit Infrastructure Project as necessary public infrastructure in the State, and for the State to utilize a portion of future State revenues to ultimately acquire the civic build as an asset of the State.

(e) The private entity will be accountable to the People of Illinois through a comprehensive system of oversight, auditing, and reporting, and shall meet, at a minimum, the State's utilization goals for business enterprises established in the Business Enterprise for Minorities, Women, and Persons with Disabilities Act as established for similar infrastructure projects in the State. The private entity will establish and manage a comprehensive Targeted Business and Workforce Participation Program for the Civic and Transit Infrastructure Project that establishes definitive goals and objectives associated with the professional and construction services, contracts entered into, and hours of the workforce employed in the development of the Civic and Transit Infrastructure Project. The Targeted Business and Workforce Participation Program will emphasize the expansion of business capacity and workforce opportunity that can be sustained among minority, women, disabled, and veteran businesses and individuals that are contracted or employed under the Targeted Business and Workforce Participation Program developed for the Civic and Transit Infrastructure Project.

(f) The utilization of a portion of the State's sales tax to repay the cost of its public-private partnership with the private entity for the development, financing, construction, operation, and management of the Civic and Transit Infrastructure Project is of benefit to the State for the reasons that the State would not otherwise derive the revenue from the Civic and Transit Infrastructure Project, or the private development on and adjacent to the Civic and Transit Infrastructure Project, without the public-private partnership, and the State or a political subdivision thereof will ultimately own the Civic and Transit Infrastructure Project.

(g) It is found and declared that the implementation of the Civic and Transit Infrastructure Project through a public-private partnership as provided under this Act has the ability to reduce unemployment in the State, create new jobs, expand the business and workforce capacity among minority, woman, disabled and veteran businesses and individuals, improve mobility and opportunity for the People of the State of Illinois, and, by the provision of new public infrastructure and private

New matter indicated by italics - deletions by strikeout
development, greatly enhance the overall tax base and strengthen the economy of the State.

(h) In order to provide for flexibility in meeting the financial, design, engineering, and construction needs of the State, and its agencies and departments, and in order to provide continuing and adequate financing for the Civic and Transit Infrastructure Project on favorable terms, the delegations of authority to the public agency, the State Comptroller, the State Treasurer and other officers of the State that are contained in this Act are necessary and desirable.

to its authority under the Public-Private Partnership for Civic and Transit
Infrastructure Project Act, annually certify to the State Comptroller and

Infrastructure Project Act. On or before the last day of each month, the
State Comptroller and State Treasurer shall transfer the moneys required
to be deposited into the Fund under Section 3 of the Retailers' Occupation
Tax Act and the Public-Private Partnership for Civic and Transit
Infrastructure Project Act and shall pay from that Fund the required
amount certified by the public agency, plus any cumulative deficiency in

Section 25-105. The Use Tax Act is amended by changing Section
9 as follows:

(35 ILCS 105/9) (from Ch. 120, par. 439.9)
Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers
that are required to be registered with an agency of this State, each retailer
required or authorized to collect the tax imposed by this Act shall pay to
the Department the amount of such tax (except as otherwise provided) at
the time when he is required to file his return for the period during which
such tax was collected, less a discount of 2.1% prior to January 1, 1990,
and 1.75% on and after January 1, 1990, or $5 per calendar year,
whichever is greater, which is allowed to reimburse the retailer for
expenses incurred in collecting the tax, keeping records, preparing and
filing returns, remitting the tax and supplying data to the Department on
request. In the case of retailers who report and pay the tax on a transaction
by transaction basis, as provided in this Section, such discount shall be
taken with each such tax remittance instead of when such retailer files his
periodic return. The discount allowed under this Section is allowed only
for returns that are filed in the manner required by this Act. The
Department may disallow the discount for retailers whose certificate of
registration is revoked at the time the return is filed, but only if the
Department's decision to revoke the certificate of registration has become
final. A retailer need not remit that part of any tax collected by him to the
extent that he is required to remit and does remit the tax imposed by the
Retailers' Occupation Tax Act, with respect to the sale of the same
property.

Where such tangible personal property is sold under a conditional
sales contract, or under any other form of sale wherein the payment of the
principal sum, or a part thereof, is extended beyond the close of the period
for which the return is filed, the retailer, in collecting the tax (except as to
motor vehicles, watercraft, aircraft, and trailers that are required to be
registered with an agency of this State), may collect for each tax return
period, only the tax applicable to that part of the selling price actually
received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require. On and after January 1, 2018, except for returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer.
