(2) The term "member of a professional athletic team" includes those employees who are active players, players on the disabled list, and any other persons required to travel and who travel with and perform services on behalf of a professional athletic team on a regular basis. This includes, but is not limited to, coaches, managers, and trainers.

(3) Except as provided in items (C) and (D) of this subpart (3), the term "duty days" means all days during the taxable year from the beginning of the professional athletic team's official pre-season training period through the last game in which the team competes or is scheduled to compete. Duty days shall be counted for the year in which they occur, including where a team's official pre-season training period through the last game in which the team competes or is scheduled to compete, occurs during more than one tax year.

   (A) Duty days shall also include days on which a member of a professional athletic team performs service for a team on a date that does not fall within the foregoing period (e.g., participation in instructional leagues, the "All Star Game", or promotional "caravans"). Performing a service for a professional athletic team includes conducting training and rehabilitation activities, when such activities are conducted at team facilities.

New matter indicated by italics - deletions by strikeout
(B) Also included in duty days are game days, practice days, days spent at team meetings, promotional caravans, preseason training camps, and days served with the team through all post-season games in which the team competes or is scheduled to compete.

(C) Duty days for any person who joins a team during the period from the beginning of the professional athletic team's official pre-season training period through the last game in which the team competes, or is scheduled to compete, shall begin on the day that person joins the team. Conversely, duty days for any person who leaves a team during this period shall end on the day that person leaves the team. Where a person switches teams during a taxable year, a separate duty-day calculation shall be made for the period the person was with each team.

(D) Days for which a member of a professional athletic team is not compensated and is not performing services for the team in any manner, including days when such member of a professional athletic team has been suspended without pay and prohibited from performing any services for the team, shall not be treated as duty days.

(E) Days for which a member of a professional athletic team is on the disabled list and does not conduct rehabilitation activities at facilities of the team, and is not otherwise performing services for the team in Illinois, shall not be considered duty days spent in this State. All days on the disabled list, however, are considered to be included in total duty days spent both within and without this State.
(4) The term "total compensation for services performed as a member of a professional athletic team" means the total compensation received during the taxable year for services performed:

(A) from the beginning of the official pre-season training period through the last game in which the team competes or is scheduled to compete during that taxable year; and

(B) during the taxable year on a date which does not fall within the foregoing period (e.g., participation in instructional leagues, the "All Star Game", or promotional caravans).

This compensation shall include, but is not limited to, salaries, wages, bonuses as described in this subpart, and any other type of compensation paid during the taxable year to a member of a professional athletic team for services performed in that year. This compensation does not include strike benefits, severance pay, termination pay, contract or option year buy-out payments, expansion or relocation payments, or any other payments not related to services performed for the team.

For purposes of this subparagraph, "bonuses" included in "total compensation for services performed as a member of a professional athletic team" subject to the allocation described in Section 302(c)(1) are: bonuses earned as a result of play (i.e., performance bonuses) during the season, including bonuses paid for championship, playoff or "bowl" games played by a team, or for selection to all-star league or other honorary positions; and bonuses paid for signing a contract, unless the payment of the signing bonus is not conditional upon the signee playing any games for the team or performing any subsequent services for the team or even making the team, the signing bonus is payable.

   (ii) The property is shipped from an office, store, warehouse, factory or other place of storage in this State and either the purchaser is the United States government or the person is not taxable in the state of the purchaser; provided, however, that premises owned or leased by a person who has independently contracted with the seller for the printing of newspapers, periodicals or books shall not be deemed to be an office, store, warehouse, factory or other place of storage for purposes of this Section. Sales of tangible personal property are not in this State if the seller and purchaser would be members of the same unitary business group but for the fact that either the seller or purchaser is a person with 80% or more of total business activity outside of the United States and the property is purchased for resale.

(B-1) Patents, copyrights, trademarks, and similar items of intangible personal property.

   (i) Gross receipts from the licensing, sale, or other disposition of a patent, copyright, trademark, or similar item of intangible personal property, other than gross receipts governed by paragraph (B-7) of this item (3), are in this State to the extent the item is utilized in this State during the year the gross receipts are included in gross income.

   (ii) Place of utilization.
(I) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. (II) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If a copyright is utilized in more than one state, the extent to which it is utilized in any one state shall be a fraction equal to the gross receipts from sales or licenses of materials printed or published in that state divided by the total of such gross receipts for all states in which the copyright is utilized.

(III) Trademarks and other items of intangible personal property governed by this paragraph (B-1) are utilized in the state in which the commercial domicile of the licensee or purchaser is located.

(iii) If the state of utilization of an item of property governed by this paragraph (B-1) cannot be determined from the taxpayer's books and records or from the books and records of any person related to the taxpayer within the meaning of Section 267(b) of the Internal Revenue Code, 26 U.S.C. 267, the gross receipts attributable to that item shall be excluded from both the numerator and the denominator of the sales factor.

(B-2) Gross receipts from the license, sale, or other disposition of patents, copyrights, trademarks, and similar items of intangible personal property, other than gross receipts governed by paragraph (B-7) of this item (3), may be included in the numerator.
or denominator of the sales factor only if gross receipts from licenses, sales, or other disposition of such items comprise more than 50% of the taxpayer's total gross receipts included in gross income during the tax year and during each of the 2 immediately preceding tax years; provided that, when a taxpayer is a member of a unitary business group, such determination shall be made on the basis of the gross receipts of the entire unitary business group.

"Service address" means:

(a) The location of the telecommunications equipment to which a customer's call is charged and from which the call originates or terminates, regardless of where the call is billed or paid;

(b) If the location in line (a) is not known, service address means the origination point of the signal of the telecommunications services first identified by either the seller's telecommunications system or in information received by the seller from its service provider where the system used to transport such signals is not that of the seller; and

(c) If the locations in line (a) and line (b) are not known, the service address means the location of the customer's place of primary use.

"Telecommunications service" means the electronic transmission, conveyance, or routing of voice, data, audio, video, or any other information or signals to a point, or between or among points. The term "telecommunications

(a) The call both originates and terminates in this State.

(b) The call either originates or terminates in this State and the service address is located in this State.

(iii) Receipts from the sale of postpaid telecommunications service at retail are in this State if the origination point of the telecommunication signal, as first identified by the service provider's telecommunication system or as identified by information received by the seller from its service provider if the system used to transport telecommunication signals is not the seller's, is located in this State.

(iv) Receipts from the sale of prepaid telecommunications service or prepaid mobile telecommunications service at retail are in this State if the purchaser obtains the prepaid card or similar means of conveyance at a location in this State. (c) 50% of the total receipts from charges for service segments when those segments are between 2 customer channel termination points, 1 of which is located in this State and the other is located outside of this State, which segments are separately charged.

(d) The receipts from charges for service segments with a channel termination point located in this State and in two or more other states, and which segments are not separately billed, are in this State based on a percentage determined by dividing the number of customer channel termination points in this State by the total number of customer channel termination points.

(vi) Receipts from charges for ancillary services for telecommunications service sold to customers at retail are in this State if the customer's primary place of use of telecommunications services associated with those ancillary services is in this State. If the seller of those ancillary services cannot determine where the associated telecommunications are located, then the ancillary services shall be based on the location of the purchaser.

(vii) Receipts to access a carrier's network or from the sale of telecommunication services or ancillary services for resale are in this State as follows:

(a) 100% of the receipts from access fees attributable to intrastate telecommunications service that both originates and terminates in this State.

(b) 50% of the receipts from access fees attributable to interstate telecommunications service if the interstate call either originates or terminates in this State.

(c) 100% of the receipts from interstate end user access line charges, if the customer's service address is in this State. As used in this subdivision, "interstate end user access line charges" includes,
but is not limited to, the surcharge approved by the federal communications commission and levied pursuant to 47 CFR 69.

(d) Gross receipts from sales of telecommunication services or from ancillary services for telecommunications services sold to other telecommunication service providers for resale shall be sourced to this State using the apportionment concepts used for non-resale receipts of telecommunications services if the information is readily available to make that determination. If the information is not readily available, then the taxpayer may use any other reasonable and consistent method.

(B-7) For taxable years ending on or after December 31, 2008, receipts from the sale of broadcasting services are in this State if the broadcasting services are received in this State. For purposes of this paragraph (B-7), the following terms have the following meanings:

"Advertising revenue" means consideration received by the taxpayer in exchange for broadcasting services or allowing the broadcasting of commercials or announcements in connection with the broadcasting of film or radio programming, from sponsorships of the programming, or from product placements in the programming.

"Audience factor" means the ratio that the audience or subscribers located in this State of a station, a network, or a cable system bears to the total audience or total subscribers for that station, network, or cable system. The audience factor for film or radio programming shall be determined by reference to the books and records of the taxpayer or by reference to published rating statistics provided the method used by the taxpayer is consistently used from year to year for this purpose and fairly represents the taxpayer's activity in this State.

"Broadcast" or "broadcasting" or "broadcasting services" means the transmission or provision of film or radio programming, whether through the public airwaves,

by cable, by direct or indirect satellite transmission, or by any other means of communication, either through a station, a network, or a cable system.

"Film" or "film programming" means the broadcast on television of any and all performances, events, or productions, including but not limited to news, sporting events, plays, stories, or other literary, commercial, educational, or artistic works, either live or through the use of video tape, disc, or any other type of format or medium. Each episode of a series of films produced for television shall constitute separate "film" notwithstanding that the series relates to the same principal subject and is produced during one or more tax periods.

"Radio" or "radio programming" means the broadcast on radio of any and all performances, events, or productions, including but not limited to news, sporting events, plays, stories, or other literary, commercial, educational, or artistic works, either live or through the use of an audio tape, disc, or any other format or medium. Each episode in a series of radio programming produced for radio broadcast shall constitute a separate "radio programming" notwithstanding that the series relates to the same principal subject and is produced during one or more tax periods.

(i) In the case of advertising revenue from broadcasting, the customer is the advertiser and the service is received in this State if the commercial domicile of the advertiser is in this State.

(ii) In the case where film or radio programming is broadcast by a station, a network, or a cable system for a fee or other remuneration received from the recipient of the broadcast, the portion of the service that is received in this State is measured by the portion of the recipients of the broadcast located in this State. Accordingly, the fee or other remuneration for such service that is included in the Illinois numerator of the sales factor is the total of those fees or other remuneration received from recipients in Illinois. For purposes of

New matter indicated by italics - deletions by strikeout
this paragraph, a taxpayer may determine the location of the recipients of its broadcast using the address of the recipient shown in its contracts with the recipient or using the billing address of the recipient in the taxpayer's records.

(iii) In the case where film or radio programming is broadcast by a station, a network, or a cable system for a fee or other remuneration from the person providing the programming, the portion of the broadcast service that is received by such station, network, or cable system in this State is measured by the portion of recipients of the broadcast located in this State. Accordingly, the amount of revenue related to such an arrangement that is included in the Illinois numerator of the sales factor is the total fee or other total remuneration from the person providing the programming related to that broadcast multiplied by the Illinois audience factor for that broadcast.

(iv) In the case where film or radio programming is provided by a taxpayer that is a network or station to a customer for broadcast in exchange for a fee or other remuneration from that customer the broadcasting service is received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. Accordingly, in such a case the revenue derived by the taxpayer that is included in the taxpayer's Illinois numerator of the sales factor is the revenue from such customers who receive the broadcasting service in Illinois.

(v) In the case where film or radio programming is provided by a taxpayer that is not a network or station to another person for broadcasting in exchange for a fee or other remuneration from that person, the broadcasting service is received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business.

(C) For taxable years ending before December 31, 2008, sales, other than sales governed by paragraphs (B), (B-1), (B-2), and (B-8) are in this State if:

(i) The income-producing activity is performed in this State; or

(ii) The income-producing activity is performed both within and without this State and a greater proportion of the income-producing activity is performed within this State than without this State, based on performance costs.

(C-5) For taxable years ending on or after December 31, 2008, sales, other than sales governed by paragraphs (B), (B-1), (B-2), (B-5), and (B-7), are in this State if any of the following criteria are met:

(i) Sales from the sale or lease of real property are in this State if the property is located in this State.

(ii) Sales from the lease or rental of tangible personal property are in this State if the property is located in this State during the rental period. Sales from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are in this State to the extent that the property is used in this State.

(iii) In the case of interest, net gains (but not less than zero) and other items of income from intangible personal property, the sale is in this State if:

(a) in the case of a taxpayer who is a dealer in the item of intangible personal property within the meaning of Section 475 of the Internal Revenue

Code, the income or gain is received from a customer in this State. For purposes of this subparagraph, a customer is in this State if the customer is an individual, trust or estate who is a resident of this State and, for all other customers, if the customer's commercial domicile is in this State. Unless the dealer has actual knowledge of the residence or commercial domicile of a customer during a taxable year, the customer shall be deemed to be a customer in this State if the billing address of the customer, as shown in the records of the dealer, is in this State; or

(b) in all other cases, if the income-producing activity of the taxpayer is performed in this State or, if the income-producing activity of the taxpayer is performed both within and without this State, if a greater proportion of the income-producing activity of the taxpayer is performed within this State than in any other state, based on performance costs.

(iv) Sales of services are in this State if the services are received in this State. For the purposes of this section, gross receipts from the performance of services provided to a corporation, partnership, or trust may only be attributed to a state where that corporation, partnership, or trust has a fixed place of business. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust receiving the service does not have a fixed place of business, the services shall be deemed to be received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the services shall be deemed to be received at the office of the customer to which the services are billed. If the taxpayer is not taxable in the state in which the services are received, the sale must be excluded from both the numerator and the denominator of the sales factor. The Department shall adopt rules

prescribing where specific types of service are received, including, but not limited to, publishing, and utility service.

(D) For taxable years ending on or after December 31, 1995, the following items of income shall not be included in the numerator or denominator of the sales factor: dividends; amounts included under Section 78 of the Internal Revenue Code; and Subpart F income as defined in Section 952 of the Internal Revenue Code. No inference shall be drawn from the enactment of this paragraph (D) in construing this Section for taxable years ending before December 31, 1995.

(E) Paragraphs (B-1) and (B-2) shall apply to tax years ending on or after December 31, 1999, provided that a taxpayer may elect to apply the provisions of these paragraphs to prior tax years. Such election shall be made in the form and manner prescribed by the Department, shall be irrevocable, and shall apply to all tax years; provided that, if a taxpayer's Illinois income tax liability for any tax year, as assessed under Section 903 prior to January 1, 1999, was computed in a manner contrary to the provisions of paragraphs (B-1) or (B-2), no refund shall be payable to the taxpayer for that tax year to the extent such refund is the result of applying the provisions of paragraph (B-1) or (B-2) retroactively. In the case of a unitary business group, such election shall apply to all members of such group for every tax year such group is in existence, but shall not apply to any taxpayer for any period during which that taxpayer is not a member of such group.

(b) Insurance companies.

(1) In general. Except as otherwise provided by paragraph (2), business income of an insurance company for a taxable year shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the direct premiums written for insurance upon property or risk in this State, and the denominator of which is the direct premiums written for insurance upon property or risk everywhere. For purposes of this subsection, the term "direct premiums written" means the total amount of direct premiums written, assessments and annuity considerations as reported for the taxable year on the annual statement filed by the company with the Illinois Director of Insurance in the form approved by the National Convention of Insurance Commissioners or such other form as may be prescribed in lieu thereof.

New matter indicated by italics - deletions by strikeout
(2) Reinsurance. If the principal source of premiums written by an insurance company consists of premiums for reinsurance accepted by it, the business income of such company shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the sum of (i) direct premiums written for insurance upon property or risk in this State, plus (ii) premiums written for reinsurance accepted in respect of property or risk in this State, and the denominator of which is the sum of (iii) direct premiums written for insurance upon property or risk everywhere, plus (iv) premiums written for reinsurance accepted in respect of property or risk everywhere. For purposes of this paragraph, premiums written for reinsurance accepted in respect of property or risk in this State, whether or not otherwise determinable, may, at the election of the company, be determined on the basis of the proportion which premiums written for reinsurance accepted from companies commercially domiciled in Illinois bears to premiums written for reinsurance accepted from all sources, or, alternatively, in the proportion which the sum of the direct premiums written for insurance upon property or risk in this State by each ceding company from which reinsurance is accepted bears to the sum of the total direct premiums written by each such ceding company for the taxable year. The election made by a company under this paragraph for its first taxable year ending on or after December 31, 2011, shall be binding for that company for that taxable year and for all subsequent taxable years, and may be altered only with the written permission of the Department, which shall not be unreasonably withheld.

(c) Financial organizations.

(1) In general. For taxable years ending before December 31, 2008, business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For the purposes of this subsection, the business income of a financial organization from sources within this State is the sum of the amounts referred to in subparagraphs (A) through (E) following, but excluding the adjusted income of an international banking facility as determined in paragraph (2):

New matter indicated by italics - deletions by strikeout
(A) Fees, commissions or other compensation for financial services rendered within this State;

(B) Gross profits from trading in stocks, bonds or other securities managed within this State;

(C) Dividends, and interest from Illinois customers, which are received within this State;

(D) Interest charged to customers at places of business maintained within this State for carrying debit balances of margin accounts, without deduction of any costs incurred in carrying such accounts; and

(E) Any other gross income resulting from the operation as a financial organization within this State. In computing the amounts referred to in paragraphs (A) through (E) of this subsection, any amount received by a member of an affiliated group (determined under Section 1504(a) of the Internal Revenue Code but without reference to whether any such corporation is an "includible corporation" under Section 1504(b) of the Internal Revenue Code) from another member of such group shall be included only to the extent such amount exceeds expenses of the recipient directly related thereto.

(2) International Banking Facility. For taxable years ending before December 31, 2008:

(A) Adjusted Income. The adjusted income of an international banking facility is its income reduced by the amount of the floor amount.

(B) Floor Amount. The floor amount shall be the amount, if any, determined by multiplying the income of the international banking facility by a fraction, not greater than one, which is determined as follows:

(i) The numerator shall be: The average aggregate, determined on a quarterly basis, of the financial organization's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign governments and other foreign official institutions, as reported for its branches, agencies and offices within the state on its "Consolidated Report of Condition", Schedule A,
Lines 2.c., 5.b., and 7.a., which was filed with the Federal Deposit Insurance Corporation and other regulatory authorities, for the year 1980, minus

The average aggregate, determined on a quarterly basis, of such loans (other than loans of an international banking facility), as reported by the financial institution for its branches, agencies and offices within the state, on the corresponding Schedule and lines of the Consolidated Report of Condition for the current taxable year, provided, however, that in no case shall the amount determined in this clause (the subtrahend) exceed the amount determined in the preceding clause (the minuend); and

(ii) the denominator shall be the average aggregate, determined on a quarterly basis, of the international banking facility's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign governments and other foreign official institutions, which were recorded in its financial accounts for the current taxable year.

(C) Change to Consolidated Report of Condition and in Qualification. In the event the Consolidated Report of Condition which is filed with the Federal Deposit Insurance Corporation and other regulatory authorities is altered so that the information required for determining the floor amount is not found on Schedule A, lines 2.c., 5.b. and 7.a., the financial institution shall notify the Department and the Department may, by regulations or otherwise, prescribe or authorize the use of an alternative source for such information. The financial institution shall also notify the Department should its international banking facility fail to qualify as such, in whole or in part, or should there be any amendment or change to the Consolidated Report of Condition, as originally filed, to the extent such amendment or change alters the information used in determining the floor amount.

(3) For taxable years ending on or after December 31, 2008, the business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its gross receipts from sources in this State or otherwise attributable to this State's marketplace and the denominator of which is its gross receipts everywhere during the taxable year. "Gross receipts" for purposes of this subparagraph (3) means gross income, including net taxable gain on disposition of assets, including securities and money market instruments, when derived from transactions and activities in the regular course of the financial organization's trade or business. The following examples are illustrative:

(i) Receipts from the lease or rental of real or tangible personal property are in this State if the property is located in this State during the rental period. Receipts from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are from sources in this State to the extent that the property is used in this State.

(ii) Interest income, commissions, fees, gains on disposition, and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property are from sources in this State if the security is located in this State.

(iv) Interest income, commissions, fees, gains on disposition, and other receipts from commercial loans and installment obligations that are not secured by real or tangible personal property are from sources in this State if the proceeds of the loan are to be applied in this State. If the location of this office cannot be determined, the income

and receipts shall be excluded from the numerator and denominator of the sales factor.

(v) Interest income, fees, gains on disposition, service charges, merchant discount income, and other receipts from credit card receivables are from sources in this State if the card charges are regularly billed to a customer in this State.

(vi) Receipts from the performance of services, including, but not limited to, fiduciary, advisory, and brokerage services, are in this State if the services are received in this State within the meaning of subparagraph (a)(3)(C-5)(iv) of this Section.

(vii) Receipts from the issuance of travelers checks and money orders are from sources in this State if the checks and money orders are issued from a location within this State.

(viii) Receipts from investment assets and activities and trading assets and activities are included in the receipts factor as follows:

1. Interest, dividends, net gains (but not less than zero) and other income from investment assets and activities from trading assets and activities shall be included in the receipts factor. Investment assets and activities and trading assets and activities include but are not limited to: investment securities; trading account assets; federal funds; securities purchased and sold under agreements to resell or repurchase; options; futures contracts; forward contracts; notional principal contracts such as swaps; equities; and foreign currency transactions. With respect to the investment and trading assets and activities described in subparagraphs (A) and (B) of this paragraph, the receipts factor shall include the amounts described in such subparagraphs.

   A. The receipts factor shall include the amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense

(B) The receipts factor shall include the amount by which interest, dividends, gains and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from such assets and activities.

(2) The numerator of the receipts factor includes interest, dividends, net gains (but not less than zero), and other income from investment assets and activities and from trading assets and activities described in paragraph (1) of this subsection that are attributable to this State.

(A) The amount of interest, dividends, net gains (but not less than zero), and other income from investment assets and activities in the investment account to be attributed to this State and included in the numerator is determined by multiplying all such income from such assets and activities by a fraction, the numerator of which is the gross income from such assets and activities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such assets and activities.

(B) The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (A) of paragraph (1) of this subsection from such funds and such

securities by a fraction, the numerator of which is the gross income from such funds and such securities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such funds and such securities.

(C) The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book and foreign currency transactions (but excluding amounts described in subparagraphs (A) or (B) of this paragraph), attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (B) of paragraph (1) of this subsection by a fraction, the numerator of which is the gross income from such trading assets and activities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such assets and activities.

(D) Properly assigned, for purposes of this paragraph (2) of this subsection, means the investment or trading asset or activity is assigned to the fixed place of business with which it has a preponderance of substantive contacts. An investment or trading asset or activity assigned by the taxpayer to a fixed place of business without the State shall be presumed to have been properly assigned if:

(i) the taxpayer has assigned, in the regular course of its business, such asset or activity on its records to a fixed place of business consistent
with federal or state regulatory requirements;

(ii) such assignment on its records is based upon substantive contacts of the asset or activity to such fixed place of business; and

(iii) the taxpayer uses such records reflecting assignment of such assets or activities for the filing of all state and local tax returns for which an assignment of such assets or activities to a fixed place of business is required.

(E) The presumption of proper assignment of an investment or trading asset or activity provided in subparagraph (D) of paragraph (2) of this subsection may be rebutted upon a showing by the Department, supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding such asset or activity did not occur at the fixed place of business to which it was assigned on the taxpayer's records. If the fixed place of business that has a preponderance of substantive contacts cannot be determined for an investment or trading asset or activity to which the presumption in subparagraph (D) of paragraph (2) of this subsection does not apply or with respect to which that presumption has been rebutted, that asset or activity is properly assigned to the state in which the taxpayer's commercial domicile is located. For purposes of this subparagraph (E), it shall be presumed, subject to rebuttal, that taxpayer's commercial domicile is in the state of the United States or the District of Columbia to which the greatest number of employees are regularly connected with the

(c-1) Federally regulated exchanges. For taxable years ending on or after December 31, 2012, business income of a federally regulated exchange shall, at the option of the federally regulated exchange, be apportioned to this State by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For purposes of this subsection, the business income within this State of a federally regulated exchange is the sum of the following:

(1) Receipts attributable to transactions executed on a physical trading floor if that physical trading floor is located in this State.

(2) Receipts attributable to all other matching, execution, or clearing transactions, including without limitation receipts from the provision of matching, execution, or clearing services to another entity, multiplied by (i) for taxable years ending on or after December 31, 2012 but before December 31, 2013, 63.77%; and (ii) for taxable years ending on or after December 31, 2013, 27.54%.

(3) All other receipts not governed by subparagraphs (1) or (2) of this subsection (c-1), to the extent the receipts would be characterized as "sales in this State" under item (3) of subsection (a) of this Section.

"Federally regulated exchange" means (i) a "registered entity" within the meaning of 7 U.S.C. Section 1a(40)(A), (B), or (C), (ii) an "exchange" or "clearing agency" within the meaning of 15 U.S.C. Section 78c (a)(1) or (23), (iii) any such entities regulated under any successor regulatory structure to the foregoing, and (iv) all taxpayers who are members of the same unitary business group as a federally regulated exchange, determined without regard to the prohibition in Section 1501(a)(27) of this Act against including in a unitary business group taxpayers who are ordinarily required to apportion business income under different subsections of this Section; provided that this subparagraph (iv)
shall apply only if 50% or more of the business receipts of the unitary business group determined by application of this subparagraph (iv) for the taxable year are attributable to the matching, execution, or clearing of transactions conducted by an entity described in subparagraph (i), (ii), or (iii) of this paragraph.

In no event shall the Illinois apportionment percentage computed in accordance with this subsection (c-1) for any taxpayer for any tax year be less than the Illinois apportionment percentage computed under this subsection (c-1) for that taxpayer for the first full tax year ending on or after December 31, 2013 for which this subsection (c-1) applied to the taxpayer.

(d) Transportation services. For taxable years ending before December 31, 2008, business income derived from furnishing transportation services shall be apportioned to this State in accordance with paragraphs (1) and (2):

(1) Such business income (other than that derived from transportation by pipeline) shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For purposes of this paragraph, a revenue mile is the transportation of 1 passenger or 1 net ton of freight the distance of 1 mile for a consideration. Where a person is engaged in the transportation of both passengers and freight, the fraction above referred to shall be determined by means of an average of the passenger revenue mile fraction and the freight revenue mile fraction, weighted to reflect the person's

(A) relative railway operating income from total passenger and total freight service, as reported to the Interstate Commerce Commission, in the case of transportation by railroad, and

(B) relative gross receipts from passenger and freight transportation, in case of transportation other than by railroad.

(2) Such business income derived from transportation by pipeline shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For the purposes of this
paragraph, a revenue mile is the transportation by pipeline of 1 barrel of oil, 1,000 cubic feet of gas, or of any specified quantity of any other substance, the distance of 1 mile for a consideration.

(3) For taxable years ending on or after December 31, 2008, business income derived from providing transportation services other than airline services shall be apportioned to this State by using a fraction, (a) the numerator of which shall be (i) all receipts from any movement or shipment of people, goods, mail, oil, gas, or any other substance (other than by airline) that both originates and terminates in this State, plus (ii) that portion of the person's gross receipts from movements or shipments of people, goods, mail, oil, gas, or any other substance (other than by airline) that originates in one state or jurisdiction and terminates in another state or jurisdiction, that is determined by the ratio that the miles traveled in this State bears to total miles everywhere and (b) the denominator of which shall be all revenue derived from the movement or shipment of people, goods, mail, oil, gas, or any other substance (other than by airline). Where a taxpayer is engaged in the transportation of both passengers and freight, the fraction above referred to shall first be determined separately for passenger miles and freight miles. Then an average of the passenger miles fraction and the freight miles fraction shall be weighted to reflect the taxpayer's:

(A) relative railway operating income from total passenger and total freight service, as reported to the Surface Transportation Board, in the case of transportation by railroad; and

(B) relative gross receipts from passenger and freight transportation, in case of transportation other than by railroad.

(4) For taxable years ending on or after December 31, 2008, business income derived from furnishing airline transportation services shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For purposes of this paragraph, a revenue mile is the transportation of one passenger or one net ton of freight the distance of one mile for a consideration. If a person is engaged in the transportation of both passengers and

freight, the fraction above referred to shall be determined by means of an average of the passenger revenue mile fraction and the freight revenue mile fraction, weighted to reflect the person's relative gross receipts from passenger and freight airline transportation.

(e) Combined apportionment. Where 2 or more persons are engaged in a unitary business as described in subsection (a)(27) of Section 1501, a part of which is conducted in this State by one or more members of the group, the business income attributable to this State by any such member or members shall be apportioned by means of the combined apportionment method.

(f) Alternative allocation. If the allocation and apportionment provisions of subsections (a) through (e) and of subsection (h) do not, for taxable years ending before December 31, 2008, fairly represent the extent of a person's business activity in this State, or, for taxable years ending on or after December 31, 2008, fairly represent the market for the person's goods, services, or other sources of business income, the person may petition for, or the Director may, without a petition, permit or require, in respect of all or any part of the person's business activity, if reasonable:

(1) Separate accounting;
(2) The exclusion of any one or more factors;
(3) The inclusion of one or more additional factors which will fairly represent the person's business activities or market in this State; or
(4) The employment of any other method to effectuate an equitable allocation and apportionment of the person's business income.

(g) Cross reference. For allocation of business income by residents, see Section 301(a).

(h) For tax years ending on or after December 31, 1998, the apportionment factor of persons who apportion their business income to this State under subsection (a) shall be equal to:

(1) for tax years ending on or after December 31, 1998 and before December 31, 1999, 16 2/3% of the property factor plus 16 2/3% of the payroll factor plus 66 2/3% of the sales factor;
(2) for tax years ending on or after December 31, 1999 and before December 31, 2000, 8 1/3% of the property factor plus 8 1/3% of the payroll factor plus 83 1/3% of the sales factor;
(3) for tax years ending on or after December 31, 2000, the sales factor.

New matter indicated by italics - deletions by strikeout
If, in any tax year ending on or after December 31, 1998 and before December 31, 2000, the denominator of the payroll, property, or sales factor is zero, the apportionment factor computed in paragraph (1) or (2) of this subsection for that year shall be divided by an amount equal to 100% minus the percentage weight given to each factor whose denominator is equal to zero.

(35 ILCS 5/601) (from Ch. 120, par. 6-601)

Sec. 601. Payment on Due Date of Return.

(a) In general. Every taxpayer required to file a return under this Act shall, without assessment, notice or demand, pay any tax due thereon to the Department, at the place fixed for filing, on or before the date fixed for filing such return (determined without regard to any extension of time for filing the return) pursuant to regulations prescribed by the Department. If, however, the due date for payment of a taxpayer's federal income tax liability for a tax year (as provided in the Internal Revenue Code or by Treasury regulation, or as extended by the Internal Revenue Service) is later than the date fixed for filing the taxpayer's Illinois income tax return for that tax year, the Department may, by rule, prescribe a due date for payment that is not later than the due date for payment of the taxpayer's federal income tax liability. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to prescribe a later due date for payment shall be deemed an emergency and necessary for the public interest, safety, and welfare.

(b) Amount payable. In making payment as provided in this section there shall remain payable only the balance of such tax remaining due after giving effect to the following:

(1) Withheld tax. Any amount withheld during any calendar year pursuant to Article 7 from compensation paid to a taxpayer shall be deemed to have been paid on account of any tax imposed by subsections 201(a) and (b) of this Act on such taxpayer for his taxable year beginning in such calendar year. If more than one taxable year begins in a calendar year, such amount shall be deemed to have been paid on account of such tax for the last taxable year so beginning.

(2) Estimated and tentative tax payments. Any amount of estimated tax paid by a taxpayer pursuant to Article 8 for a taxable year shall be deemed to have been paid on account of the tax imposed by this Act for such taxable year.

(3) Foreign tax. The aggregate amount of tax which is imposed upon or measured by income and which is paid by a resident for a taxable year to another state or states on income which is also subject to the tax imposed by subsections 201(a) and (b) of this Act shall be credited against the tax imposed by subsections 201(a) and (b) otherwise due under this Act for such taxable year. For taxable years ending prior to December 31, 2009, the aggregate credit provided under this paragraph shall not exceed that amount which bears the same ratio to the tax imposed by subsections 201(a) and (b) otherwise due under this Act as the amount of the taxpayer's base income subject to tax both by such other state or states and by this State bears to his total base income subject to tax by this State for the taxable year. For taxable years ending on or after December 31, 2009, the credit provided under this paragraph for tax paid to other states shall not exceed that amount which bears the same ratio to the tax imposed by subsections 201(a) and (b) otherwise due under this Act as the amount of the taxpayer's base income that would be allocated or apportioned to other states if all other states had adopted the provisions in Article 3 of this Act bears to the taxpayer's total base income subject to tax by this State for the taxable year. This subsection is exempt from the 30-day threshold set forth in subparagraph (iii) of paragraph (B) of item (2) of subsection (a) of Section 304. The credit provided by this paragraph shall not be allowed if any creditable tax was deducted in determining base income for the taxable year. Any person claiming such credit shall attach a statement in support thereof and shall notify the Director of any refund or reductions in the amount of tax claimed as a credit hereunder all in such manner and at such time as the Department shall by regulations prescribe.

(4) Accumulation and capital gain distributions. If the net income of a taxpayer includes amounts included in his base income by reason of Section 667 of the Internal Revenue Code (relating to accumulation and capital gain distributions by a trust, respectively), the tax imposed on such taxpayer by this Act shall be credited with his pro rata portion of the taxes imposed by this Act on such trust for preceding taxable years which would not have been payable for such preceding years if the trust had in fact made distributions to its beneficiaries at the times and in the amounts

specified in Sections 666 and 669 of the Internal Revenue Code. The credit provided by this paragraph shall not reduce the tax otherwise due from the taxpayer to an amount less than that which would be due if the amounts included by reason of Section 667 of the Internal Revenue Code were excluded from his or her base income.

(c) Cross reference. For application against tax due of overpayments of tax for a prior year, see Section 909.

Sec. 701. Requirement and Amount of Withholding.

(a) In General. Every employer maintaining an office or transacting business within this State and required under the provisions of the Internal Revenue Code to withhold a tax on:

(1) compensation paid in this State (as determined under Section 304(a)(2)(B) to an individual; or

(2) payments described in subsection (b) shall deduct and withhold from such compensation for each payroll period (as defined in Section 3401 of the Internal Revenue Code) an amount equal to the amount by which such individual's compensation exceeds the proportionate part of this withholding exemption (computed as provided in Section 702) attributable to the payroll period for which such compensation is payable multiplied by a percentage equal to the percentage tax rate for individuals provided in subsection (b) of Section 201.

(a-5) Withholding from nonresident employees. For taxable years beginning on or after January 1, 2020, for purposes of determining compensation paid in this State under paragraph (B) of item (2) of subsection (a) of Section 304:

(1) If an employer maintains a time and attendance system that tracks where employees perform services on a daily basis, then data from the time and attendance system shall be used. For purposes of this paragraph, time and attendance system means a system:

(A) in which the employee is required, on a contemporaneous basis, to record the work location for every day worked outside of the State where the employment duties are primarily performed; and

New matter indicated by italics - deletions by strikeout
(B) that is designed to allow the employer to allocate the employee's wages for income tax purposes among all states in which the employee performs services.

(2) In all other cases, the employer shall obtain a written statement from the employee of the number of days reasonably expected to be spent performing services in this State during the taxable year. Absent the employer's actual knowledge of fraud or gross negligence by the employee in making the determination or collusion between the employer and the employee to evade tax, the certification so made by the employee and maintained in the employer's books and records shall be prima facie evidence and constitute a rebuttable presumption of the number of days spent performing services in this State.

(b) Payment to Residents. Any payment (including compensation, but not including a payment from which withholding is required under Section 710 of this Act) to a resident by a payor maintaining an office or transacting business within this State (including any agency, officer, or employee of this State or of any political subdivision of this State) and on which withholding of tax is required under the provisions of the Internal Revenue Code shall be deemed to be compensation paid in this State by an employer to an employee for the purposes of Article 7 and Section 601(b)(1) to the extent such payment is included in the recipient's base income and not subjected to withholding by another state. Notwithstanding any other provision to the contrary, no amount shall be withheld from unemployment insurance benefit payments made to an individual pursuant to the Unemployment Insurance Act unless the individual has voluntarily elected the withholding pursuant to rules promulgated by the Director of Employment Security.

(c) Special Definitions. Withholding shall be considered required under the provisions of the Internal Revenue Code to the extent the Internal Revenue Code either requires withholding or allows for voluntary withholding the payor and recipient have entered into such a voluntary withholding agreement. For the purposes of Article 7 and Section 1002(c) the term "employer" includes any payor who is required to withhold tax pursuant to this Section.

(d) Reciprocal Exemption. The Director may enter into an agreement with the taxing authorities of any state which imposes a tax on or measured by income to provide that compensation paid in such state to residents of this State shall be exempt from withholding of such tax; in
such case, any compensation paid in this State to residents of such state shall be exempt from withholding. All reciprocal agreements shall be subject to the requirements of Section 2505-575 of the Department of Revenue Law (20 ILCS 2505/2505-575).

(e) Notwithstanding subsection (a)(2) of this Section, no withholding is required on payments for which withholding is required under Section 3405 or 3406 of the Internal Revenue Code.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Student Investment Account Act.

Section 5. Findings and purpose. The General Assembly finds that it is vital for the State to combat the college-debt crisis and increase access to post-secondary education for all residents of this State. The purpose of this Act is to assist qualified residents to attend and pay for post-secondary education through a system of investment programs, which may include income-sharing agreements, linked deposits, and student loans.

Section 20. Earnings from Student Investment Account. Earnings on the investments in the Student Investment Account may be reinvested into the Student Investment Account without being counted against the 5% cap under Section 15. Net earnings on investments under this Act that are not reinvested shall be deposited in the same manner as interest is deposited under Section 4.1 of the State Finance Act. The General Assembly shall prioritize any such funds deposited into the General Revenue Fund towards appropriations to support higher education in the State of Illinois.

Section 30. Administration of the Student Investment Account. The State Treasurer may enter into such contracts and guarantee agreements as are necessary to operate the Student Investment Account with eligible lenders, financial institutions, institutions of higher education, income share agreement providers, individuals, corporations, and qualified income share agreement or loan origination and servicing organizations and with any governmental entity, including the Illinois Student Assistance Commission, and with any agency or instrumentality of the United States. The State Treasurer is authorized to establish specific criteria governing the eligibility of entities to participate in its programs, the making of income share agreements or education loans, provisions for default, the establishment of default reserve funds, the purchase of default insurance, the provision of prudent debt service reserves, and the furnishing by participating entities of such additional guarantees of the income share agreements or education loans as the State Treasurer shall determine.

Section 35. Fees. The State Treasurer shall establish fees to cover the costs of administration, recordkeeping, marketing, and investment management related to the Student Investment Account. The State Treasurer may pay eligible lenders, income share agreement providers, financial institutions, institutions of higher education, individuals, corporations, qualified income share agreement or loan origination and servicing organizations, governmental entities, and any agencies or instrumentalities of the United States an administrative fee in connection with services provided pursuant to the Student Investment Account in such amounts, at such times, and in such manner as may be prescribed by the State Treasurer.

Section 45. Wage deductions. The State Treasurer may deduct from the salary, wages, commissions, and bonuses of any employee in this State and, to the extent permitted by the laws of the United States and individual states in which an employee might reside, any employee outside
the State of Illinois by serving a notice of administrative wage garnishment on an employer, in accordance with rules adopted by the State Treasurer, for the recovery of an education loan debt or income share agreement owned or serviced by the State Treasurer. Levy must not be made until the State Treasurer has caused a demand to be made on the employee, in a manner consistent with rules adopted by the State Treasurer, such that the employee is provided an opportunity to contest the existence or amount of the income share agreement or education loan obligation.

Section 50. Investment policy. The State Treasurer shall develop, publish, and implement one or more investment policies covering the investment of moneys in accordance with this Act.

Section 55. Student Investment Account Administrative Fund. The Student Investment Account Administrative Fund is created as a non-appropriated separate and apart trust fund in the State Treasury. Moneys in the Student Investment Account Administrative Fund may be used by the State Treasurer to pay expenses related to all aspects of operation and administration of the Student Investment Account. The State Treasurer may deposit a portion of the earnings of the investments in the Student Investment Account and a portion of any administrative fees, and the proceeds thereof, collected pursuant to Section 35 into the Student Investment Account Administrative Fund.

Section 60. Student Investment Account Loss Reserve Fund. The Student Investment Account Loss Reserve Fund may be created as a non-appropriated separate and apart trust fund in the State Treasury. Moneys in the Student Investment Account Loss Reserve Fund may be used by the State Treasurer to establish loss reserve funds. (15 ILCS 520/22.5) (from Ch. 130, par. 41a)

(For force and effect of certain provisions, see Section 90 of P.A. 94-79)

Sec. 22.5. Permitted investments. The State Treasurer may, with the approval of the Governor, invest and reinvest any State money in the treasury which is not needed for current expenditures due or about to become due, in obligations of the United States government or its agencies or of National Mortgage Associations established by or under the National Housing Act, 12 U.S.C. 1701 et seq., or in mortgage participation certificates representing undivided interests in specified, first-lien conventional residential Illinois mortgages that are underwritten, insured, guaranteed, or purchased by the Federal Home Loan Mortgage Corporation or in Affordable Housing Program Trust Fund Bonds or Notes as defined in and issued pursuant to the Illinois Housing Development Act. All such obligations shall be considered as cash and may be delivered over as cash by a State Treasurer to his successor.

The State Treasurer may, with the approval of the Governor, purchase any state bonds with any money in the State Treasury that has been set aside and held for the payment of the principal of and interest on the bonds. AN ACT concerning health.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Mental Health and Developmental Disabilities Code is amended by changing Sections 2-108, 2-109, 3-602, 3-603, 3-610, 3-702, 3-703, 3-752, 3-753, and 3-807 and by adding Section 1-101.3 as follows:

Sec. 1-101.3. Advanced practice psychiatric nurse. "Advanced practice psychiatric nurse" means a nurse who is licensed to practice as an advanced practice registered nurse under Section 65-5 of the Nurse Practice Act and has been certified by the American Nurses Credentialing Center as a psychiatric mental health clinical nurse specialist or a psychiatric mental health nurse practitioner.

Sec. 2-108. Use of restraint. Restriction may be used only as a therapeutic measure to prevent a recipient from causing physical harm to himself or physical abuse to others. Restriction may only be applied by a person who has been trained in the application of the particular type of restriction to be utilized. In no event shall restraint be utilized to punish or discipline a recipient, nor is restraint to be used as a convenience for the staff.

(a) Except as provided in this Section, restraint shall be employed only upon the written order of a physician, clinical psychologist, clinical social worker, clinical professional counselor, advanced practice psychiatric nurse, or registered nurse with supervisory responsibilities. No restraint shall be ordered unless the physician, clinical psychologist, clinical social worker, clinical professional counselor, advanced practice psychiatric nurse, or registered nurse with supervisory responsibilities, after personally observing and examining the recipient, is clinically satisfied that the use of restraint is justified to prevent the recipient from causing physical harm to himself or others. In no event may restraint
continue for longer than 2 hours unless within that time period a nurse with supervisory responsibilities, *advanced practice psychiatric nurse*, or a physician confirms, in writing, following a personal examination of the recipient, that the restraint does not pose an undue risk to the recipient's health in light of the recipient's physical or medical condition. The order shall state the events leading up to the need for restraint and the purposes for which restraint is employed. The order shall also state the length of time restraint is to be employed and the clinical justification for that length of time. No order for restraint shall be valid for more than 16 hours. If further restraint is required, a new order must be issued pursuant to the requirements provided in this Section.

(b) In the event there is an emergency requiring the immediate use of restraint, it may be ordered temporarily by a qualified person only where a physician, clinical psychologist, clinical social worker, clinical professional counselor, *advanced practice psychiatric nurse*, or registered nurse with supervisory responsibilities is not immediately available. In that event, an order by a nurse, clinical psychologist, clinical social worker, clinical professional counselor, *advanced practice psychiatric nurse*, or physician shall be obtained pursuant to the requirements of this Section as quickly as possible, and the recipient shall be examined by a physician or supervisory nurse within 2 hours after the initial employment of the emergency restraint. Whoever orders restraint in emergency situations shall document its necessity and place that documentation in the recipient's record.

(c) The person who orders restraint shall inform the facility director or his designee in writing of the use of restraint within 24 hours.

(d) The facility director shall review all restraint orders daily and shall inquire into the reasons for the orders for restraint by any person who routinely orders them.

(e) Restraint may be employed during all or part of one 24 hour period, the period commencing with the initial application of the restraint. However, once restraint has been employed during one 24 hour period, it shall not be used again on the same recipient during the next 48 hours without the prior written authorization of the facility director.

(f) Restraint shall be employed in a humane and therapeutic manner and the person being restrained shall be observed by a qualified person as often as is clinically appropriate but in no event less than once every 15 minutes. The qualified person shall maintain a record of the observations. Specifically, unless there is an immediate danger that the

New matter indicated by italics - deletions by strikeout
recipient will physically harm himself or others, restraint shall be loosely applied to permit freedom of movement. Further, the recipient shall be permitted to have regular meals and toilet privileges free from the restraint, except when freedom of action may result in physical harm to the recipient or others.

(g) Every facility that employs restraint shall provide training in the safe and humane application of each type of restraint employed. The facility shall not authorize the use of any type of restraint by an employee who has not received training in the safe and humane application of that type of restraint. Each facility in which restraint is used shall maintain records detailing which employees have been trained and are authorized to apply restraint, the date of the training and the type of restraint that the employee was trained to use.

(h) Whenever restraint is imposed upon any recipient whose primary mode of communication is sign language, the recipient shall be permitted to have his hands free from restraint for brief periods each hour, except when freedom may result in physical harm to the recipient or others.

(i) A recipient who is restrained may only be secluded at the same time pursuant to an explicit written authorization as provided in Section 2-109 of this Code. Whenever a recipient is restrained, a member of the facility staff shall remain with the recipient at all times unless the recipient has been secluded. A recipient who is restrained and secluded shall be observed by a qualified person as often as is clinically appropriate but in no event less than every 15 minutes.

(j) Whenever restraint is used, the recipient shall be advised of his right, pursuant to Sections 2-200 and 2-201 of this Code, to have any person of his choosing, including the Guardianship and Advocacy Commission or the agency designated pursuant to the Protection and Advocacy for Persons with Developmental Disabilities Act notified of the restraint. A recipient who is under guardianship may request that any person of his choosing be notified of the restraint whether or not the guardian approves of the notice. Whenever the Guardianship and Advocacy Commission is notified that a recipient has been restrained, it shall contact that recipient to determine the circumstances of the restraint and whether further action is warranted.

In no event shall seclusion be utilized to punish or discipline a recipient, nor is seclusion to be used as a convenience for the staff.

(a) Seclusion shall be employed only upon the written order of a physician, clinical psychologist, clinical social worker, clinical professional counselor, advanced practice psychiatric nurse, or registered nurse with supervisory responsibilities. No seclusion shall be ordered unless the physician, clinical psychologist, clinical social worker, clinical professional counselor, advanced practice psychiatric nurse, or registered nurse with supervisory responsibilities, after personally observing and examining the recipient, is clinically satisfied that the use of seclusion is justified to prevent the recipient from causing physical harm to himself or others. In no event may seclusion continue for longer than 2 hours unless within that time period a nurse with supervisory responsibilities, advanced practice psychiatric nurse, or a physician confirms in writing, following a personal examination of the recipient, that the seclusion does not pose an undue risk to the recipient's health in light of the recipient's physical or medical condition. The order shall state the events leading up to the need for seclusion and the purposes for which seclusion is employed. The order shall also state the length of time seclusion is to be employed and the clinical justification for the length of time. No order for seclusion shall be valid for more than 16 hours. (b) The person who orders seclusion shall inform the facility director or his designee in writing of the use of seclusion within 24 hours.

(c) The facility director shall review all seclusion orders daily and shall inquire into the reasons for the orders for seclusion by any person who routinely orders them.

(d) Seclusion may be employed during all or part of one 16 hour period, that period commencing with the initial application of the seclusion. However, once seclusion has been employed during one 16 hour period, it shall not be used again on the same recipient during the next 48 hours without the prior written authorization of the facility director.

(e) The person who ordered the seclusion shall assign a qualified person to observe the recipient at all times. A recipient who is restrained and secluded shall be observed by a qualified person as often as is clinically appropriate but in no event less than once every 15 minutes.
(f) Safety precautions shall be followed to prevent injuries to the recipient in the seclusion room. Seclusion rooms shall be adequately lighted, heated, and furnished. If a door is locked, someone with a key shall be in constant attendance nearby.

(g) Whenever seclusion is used, the recipient shall be advised of his right, pursuant to Sections 2-200 and 2-201 of this Code, to have any person of his choosing, including the Guardianship and Advocacy Commission notified of the seclusion. A person who is under guardianship may request that any person of his choosing be notified of the seclusion whether or not the guardian approves of the notice. AN ACT concerning business.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Business Corporation Act of 1983 is amended by changing Section 14.05 and adding Section 8.12 as follows:
(805 ILCS 5/8.12 new)
Sec. 8.12. Female and minority directors.
(a) Findings and purpose. The General Assembly finds that women and minorities are still largely underrepresented nationally in positions of corporate authority, such as serving as a director on a corporation's board of directors. This low representation could be contributing to the disparity seen in wages made by females and minorities versus their white male counterparts. Increased representation of these individuals as directors on boards of directors for corporations may boost the Illinois economy, improve opportunities for women and minorities in the workplace, and foster an environment in Illinois where the business community is representative of our residents. Therefore, it is the intent of the General Assembly to gather more data and study this issue within the State so that effective policy changes may be implemented to eliminate this disparity.
(b) As used in this Section:
"Annual report" means the report submitted annually to the Secretary of State pursuant to this Act.
"Female" means a person who is a citizen or lawful permanent resident of the United States and who self-identifies as a woman, without regard to the individual's designated sex at birth.
"Minority person" means a person who is a citizen or lawful permanent resident of the United States and who is any of the following races or ethnicities:
(1) American Indian or Alaska Native (a person having origins in any of the original peoples of North and South America, including Central America, and who maintains tribal affiliation or community attachment).
(2) Asian (a person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, but not limited to, Cambodia, China,
India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam).

(3) Black or African American (a person having origins in any of the black racial groups of Africa). Terms such as "Haitian" or "Negro" can be used in addition to "Black" or "African American".

(4) Hispanic or Latino (a person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race).

(5) Native Hawaiian or Other Pacific Islander (a person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands).

(6) "Publicly held domestic or foreign corporation" means a corporation with outstanding shares listed on a major United States stock exchange.

(c) Reporting to the Secretary of State. As soon as practical after the effective date of this amendatory Act of the 101st General Assembly, but no later than January 1, 2021, the following information shall be provided in a corporation's annual report submitted to the Secretary of State under this Act and made available by the Secretary of State to the public online as it is received:

(1) Whether the corporation is a publicly held domestic or foreign corporation with its principal executive office located in Illinois.

(2) Where the corporation is a publicly held domestic or foreign corporation with its principal executive office located in Illinois, data on specific qualifications, skills, and experience that the corporation considers for its board of directors, nominees for the board of directors, and executive officers.

(3) Where the corporation is a publicly held domestic or foreign corporation with its principal executive office located in Illinois, the self-identified gender of each member of its board of directors.

(4) Where the corporation is a publicly held domestic or foreign corporation with its principal executive office located in Illinois, whether each member of its board of directors self-identifies as a minority person and, if so, which race or ethnicity to which the member belongs.

New matter indicated by italics - deletions by strikeout
(5) Where the corporation is a publicly held domestic or foreign corporation with its principal executive office located in Illinois, a description of the corporation's process for identifying and evaluating nominees for the board of directors, including whether and, if so, how demographic diversity is considered.

(6) Where the corporation is a publicly held domestic or foreign corporation with its principal executive office located in Illinois, a description of the corporation's process for identifying and appointing executive officers, including whether and, if so, how demographic diversity is considered.

(7) Where the corporation is a publicly held domestic or foreign corporation with its principal executive office located in Illinois, a description of the corporation's policies and practices for promoting diversity, equity, and inclusion among its board of directors and executive officers.

Information reported under this subsection shall be updated in each annual report filed with the Secretary of State thereafter.

(d) Beginning no later than March 1, 2021, and every March 1 thereafter, the University of Illinois Systems shall review the information reported and published under subsection (c) and shall publish on its website a report that provides aggregate data on the demographic characteristics of the boards of directors and executive officers of corporations filing an annual report for the preceding year along with an individualized rating for each corporation. The report shall also identify strategies for promoting diversity and inclusion among boards of directors and corporate executive officers.

(e) The University of Illinois System shall establish a rating system assessing the representation of women and minorities on corporate boards of directors of those corporations that are publicly held domestic or foreign corporations with their principal executive office located in Illinois based on the information gathered under this Section. The rating system shall consider, among other things: compliance with the demographic reporting obligations in subsection (c); the corporation's policies and practices for encouraging diversity in recruitment, board membership, and executive appointments; and the demographic diversity of board seats and executive positions.

No later than 45 days after the application is properly filed with the Commission, and such notice is published, the Commission shall issue its order granting or denying the application.

(c) An application for a certificate of service authority shall identify the area or areas in which the applicant intends to offer service and the types of services it intends to offer. Applicants that seek to serve residential or small commercial retail customers within a geographic area that is smaller than an electric utility's service area shall submit evidence demonstrating that the designation of this smaller area does not violate Section 16-115A. An applicant that seeks to serve residential or small commercial retail customers may state in its application for certification any limitations that will be imposed on the number of customers or maximum load to be served.

Any such carbon offsets must be permanent, additional, verifiable, real, located within the State of Illinois, and legally and practicably enforceable. The costs of any such offsets that are not recoverable shall not exceed $15 million in any given year. No costs of any such purchases of carbon offsets may be recovered from an alternative retail electric supplier or its customers. All carbon offsets purchased for this purpose and any carbon emission credits associated with sequestration of carbon from the facility must be permanently retired. The initial clean coal facility shall not forfeit its designation as a clean coal facility if the facility fails to fully comply with the applicable carbon sequestration requirements in any given year, provided the requisite offsets are purchased. approval of the initial clean coal facility by the General Assembly and satisfaction of the requirements of item (4) of subsection (d) of Section 1-75 of the Illinois Power Agency Act, and shall be executed within 90 days after any such approval by the General Assembly. The Commission shall not accept an application for certification from an alternative retail electric supplier that has lost certification under this subsection (d), or any corporate affiliate thereof, for at least one year from the date of revocation;

(6) With respect to an applicant that seeks to serve residential or small commercial retail customers, that the area to be served by the applicant and any limitations it proposes on the number of customers or maximum amount of load to be served meet the provisions of Section 16-115A, provided, that the Commission can extend the time for considering such a certificate request by up to 90 days, and can schedule hearings on such a request;

(7) That the applicant meets the requirements of subsection (a) of Section 16-128; and

(8) That the applicant discloses whether the applicant is the subject of any lawsuit filed in a court of law or formal complaint filed with a regulatory agency alleging fraud, deception, or unfair marketing practices or other similar allegations and, if the applicant is the subject of such lawsuit or formal complaint, the applicant shall identify the name, case number, and jurisdiction of each lawsuit or complaint. (10) That the applicant shall execute and maintain a license or permit bond issued by a qualifying surety or insurance company authorized to transact business in the State of Illinois in favor of the People of the State of Illinois. The amount of the bond shall equal $30,000 if the applicant seeks to serve only nonresidential retail customers with maximum electrical demands of one megawatt or more, $150,000 if the applicant seeks to serve only non-residential retail customers with annual electrical consumption greater than 15,000 kWh, or $500,000 if the

applicant seeks to serve all eligible customers. Applicants shall be required to submit an additional $500,000 bond if the applicant intends to market to residential customers using in-person solicitations. The bond shall be conditioned upon the full and faithful performance of all duties and obligations of the applicant as an alternative retail electric supplier and shall be valid for a period of not less than one year. The cost of the bond shall be paid by the applicant. The applicant shall file a copy of this bond, with a notarized verification page from the issuer, as part of its application for certification under 83 Ill. Adm. Code 451; and

(e) A retail customer that owns a cogeneration or self-generation facility and that seeks certification only to provide electric power and energy from such facility to retail customers at separate locations which customers are both (i) owned by, or a subsidiary or other corporate affiliate of, such applicant and (ii) eligible for delivery services, shall be granted a certificate of service authority upon filing an application and notifying the Commission that it has entered into an agreement with the relevant electric utilities pursuant to Section 16-118. Provided, however, that if the retail customer owning such cogeneration or self-generation facility would not be charged a transition charge due to the exemption provided under subsection (f) of Section 16-108 prior to the certification, and the retail customers at separate locations are taking delivery services in conjunction with purchasing power and energy from the facility, the retail customer on whose premises the facility is located shall not thereafter be required to pay transition charges on the power and energy that such retail customer takes from the facility.

(f) The Commission shall have the authority to promulgate rules and regulations to carry out the provisions of this Section. On or before May 1, 1999, the Commission shall adopt a rule or rules applicable to the certification of those alternative retail electric suppliers that seek to serve only nonresidential retail customers with maximum electrical demands of one megawatt or more which shall provide for (i) expedited and streamlined procedures for certification of such alternative retail electric

suppliers and (ii) specific criteria which, if met by any such alternative retail electric supplier, shall constitute the demonstration of technical, financial and managerial resources and abilities to provide service required by subsection (d) (1) of this Section, such as a requirement to post a bond or letter of credit, from a responsible surety or financial institution, of sufficient size for the nature and scope of the services to be provided; demonstration of adequate insurance for the scope and nature of the services to be provided; and experience in providing similar services in other jurisdictions.

(g) An alternative retail electric supplier may seek confidential treatment for the following information by filing an affidavit with the Commission so long as the affidavit meets the requirements in this subsection (g):

(1) the total annual kilowatt-hours delivered and sold by an alternative retail electric supplier to retail customers within each utility service territory and the total annual kilowatt-hours delivered and sold by an alternative retail electric supplier to retail customers in all utility service territories in the preceding calendar year as required by 83 Ill. Adm. Code 451.770;

(2) the total peak demand supplied by an alternative retail electric supplier during the previous year in each utility service territory as required by 83 Ill. Adm. Code 465.40;

(3) a good faith estimate of the amount an alternative retail electric supplier expects to be obliged to pay the utility under single billing tariffs during the next 12 months and the amount of any bond or letter of credit used to demonstrate an alternative retail electric supplier's credit worthiness to provide single billing services pursuant to 83 Ill. Adm. Code 451.510(a) and (b).

The affidavit must be filed contemporaneously with the information for which confidential treatment is sought and must clearly state that the affiant seeks confidential treatment pursuant to this subsection (g) and the information for which confidential treatment is sought must be clearly identified on the confidential version of the document filed with the Commission. The affidavit must be accompanied by a "confidential" and a "public" version of the document or documents containing the information for which confidential treatment is sought.

If the alternative retail electric supplier has met the affidavit requirements of this subsection (g), then the Commission shall afford confidential treatment to the information identified in the affidavit for a

period of 2 years after the date the affidavit is received by the Commission.

Nothing in this subsection (g) prevents an alternative retail electric supplier from filing a petition with the Commission seeking confidential treatment for information beyond that identified in this subsection (g) or for information contained in other reports or documents filed with the Commission.

Nothing in this subsection (g) prevents the Commission, on its own motion, or any party from filing a formal petition with the Commission seeking to reconsider the conferring of confidential status on an item of information afforded confidential treatment pursuant to this subsection (g).

The Commission, on its own motion, may at any time initiate a docketed proceeding to investigate the continued applicability of this subsection (g) to the information contained in items (i), (ii), and (iii) of this subsection (g). If, at the end of such investigation, the Commission determines that a particular item of information should no longer be eligible for the affidavit-based process outlined in this subsection (g), the Commission may enter an order to remove that item from the list of items eligible for the process set forth in this subsection (g). Notwithstanding any such order, in the event the Commission makes such a determination, nothing in this subsection (g) prevents an alternative retail electric supplier desiring confidential treatment for such information from filing a formal petition with the Commission seeking confidential treatment for such information.

(iii) by May 31, 2020 and every May 31 thereafter, shall submit to the Commission and the Office of the Attorney General the rates the retail electric supplier charged to residential customers in the prior year, including each distinct rate charged and whether the rate was a fixed or variable rate, the basis for the

(c) No alternative retail electric supplier, or electric utility other than the electric utility in whose service area a customer is located, shall (i) enter into or employ any arrangements which have the effect of preventing a retail customer with a maximum electrical demand of less than one megawatt from having access to the services of the electric utility in whose service area the customer is located or (ii) charge retail customers for such access. This subsection shall not be construed to prevent an arms-length agreement between a supplier and a retail customer that sets a term of service, notice period for terminating service and provisions governing early termination through a tariff or contract as allowed by Section 16-119.

(d) An alternative retail electric supplier that is certified to serve residential or small commercial retail customers shall not:

The utility electric supply price to compare shall be the sum of the electric supply charge and the transmission services charge and shall not include the purchased electricity adjustment. The disclosure shall include a statement that the price to compare does not include the purchased electricity adjustment, and, if applicable, the range of the purchased electricity adjustment. All marketing materials, including, but not limited to, electronic marketing materials, in-person solicitations, and telephone solicitations, shall include the following statement:

"(Name of the alternative retail electric supplier) is not the same entity as your electric delivery company. You are not required to enroll with (name of alternative retail electric supplier). Beginning on (effective date), the electric supply price to compare is (price in cents per kilowatt hour). The electric utility electric supply price will expire on (expiration date). The utility electric supply price to compare does not include the purchased electricity adjustment factor. (ii) Before any customer is switched from another supplier, the alternative retail electric supplier shall give the customer written information that adequately discloses, in plain language, the prices, terms and conditions of the products and services being offered and sold to the customer. *This written information shall be provided in a language in which the customer subject to the marketing or solicitation is able to understand and communicate, and the alternative retail electric supplier shall not switch a customer who is unable to understand and communicate in a language in which the marketing or solicitation was conducted. The alternative retail electric supplier shall comply with Section 2N of the Consumer Fraud and Deceptive Business Practices Act.*

(iii) An alternative retail electric supplier shall provide documentation to the Commission and to customers that substantiates any claims made by the alternative retail electric supplier regarding the technologies and fuel types used to generate the electricity offered or sold to customers.

(iv) The alternative retail electric supplier shall provide to the customer (1) itemized billing statements that describe the products and services provided to the customer and their prices, and (2) an additional statement, at least annually, that adequately discloses the average monthly prices, and the terms and conditions, of the products and services sold to the customer.

(v) *All in-person and telephone solicitations shall be conducted in, translated into, and provided in a language in which the consumer subject to the marketing or solicitation is able to understand and communicate. An alternative retail electric supplier shall terminate a solicitation if the consumer subject to the marketing or communication is unable to understand and communicate in the language in which the marketing or solicitation is being conducted. An alternative retail electric supplier shall comply with Section 2N of the Consumer Fraud and Deceptive Business Practices Act.*

(vi) *Each alternative retail electric supplier shall conduct training for individual representatives engaged in in-person solicitation and telemarketing to residential customers on behalf of that alternative retail electric supplier prior to conducting any such solicitations on the alternative retail electric supplier's behalf. Each alternative retail electric supplier shall submit a copy*
of its training material to the Commission on an annual basis and the Commission shall have the right to review and require updates to the material. After initial training, each alternative retail electric supplier shall be required to conduct refresher training for its individual representatives every 6 months.

(f) An alternative retail electric supplier may limit the overall size or availability of a service offering by specifying one or more of the following: a maximum number of customers, maximum amount of electric load to be served, time period during which the offering will be available, or other comparable limitation, but not including the geographic locations of customers within the area which the alternative retail electric supplier is certificated to serve. The alternative retail electric supplier shall file the terms and conditions of such service offering including the applicable limitations with the Commission prior to making the service offering available to customers.

(g) Nothing in this Section shall be construed as preventing an alternative retail electric supplier, which is an affiliate of, or which contracts with, (i) an industry or trade organization or association, (ii) a membership organization or association that exists for a purpose other than the purchase of electricity, or (iii) another organization that meets criteria established in a rule adopted by the Commission, from offering through the organization or association services at prices, terms and conditions that are available solely to the members of the organization or association.

Sec. 16-115B. Commission oversight of services provided by alternative retail electric suppliers.

(a) The Commission shall have jurisdiction in accordance with the provisions of Article X of this Act to entertain and dispose of any complaint against any alternative retail electric supplier alleging (i) that the alternative retail electric supplier has violated or is in nonconformance with any applicable provisions of Section 16-115 through Section 16-115A; (ii) that an alternative retail electric supplier serving retail customers having maximum demands of less than one megawatt has failed to provide service in accordance with the terms of its contract or contracts with such customer or customers; (iii) that the alternative retail electric supplier has violated or is in non-conformance with the delivery services tariff of, or any of its agreements relating to delivery services with, the
(b) The Commission shall have authority, after notice and hearing held on complaint or on the Commission's own motion:

(1) To order an alternative retail electric supplier to cease and desist, or correct, any violation of or non-conformance with the provisions of Section 16-115 or 16-115A;

(2) To impose financial penalties for violations of or non-conformances with the provisions of Section 16-115 or 16-115A, not to exceed (i) $10,000 per occurrence or (ii) $30,000 per day for those violations or non-conformances which continue after the Commission issues a cease and desist order; and

(3) To alter, modify, revoke or suspend the certificate of service authority of an alternative retail electric supplier for substantial or repeated violations of or non-conformances with the provisions of Section 16-115 or 16-115A.

(c) In addition to other powers and authority granted to it under this Act, the Commission may require an alternative retail electric supplier to enter into a compliance plan. If the Commission comes into possession of information causing it to conclude that an alternative retail electric supplier is violating this Act or the Commission's rules, the Commission may, after notice and hearing, enter an order directing the alternative retail electric supplier to implement practices, procedures, oversight, or other measures or refrain from practices, conduct, or activities that the Commission finds is necessary or reasonable to ensure the alternative retail electric supplier's compliance with this Act and the Commission's rules. Failure by an alternative retail electric supplier to implement or comply with a Commission-ordered compliance plan is a violation of this Section. The Commission, in its discretion, may order a compliance plan under such circumstances as it considers warranted and is not required to order a compliance plan prior to taking other enforcement action against an alternative retail electric supplier. Sec. 16-115E. Alternative retail electric supplier utility assistance recipient.

(a) Beginning January 1, 2020, an alternative retail electric supplier shall not knowingly submit an enrollment to change a customer's electric supplier if the electric utility's records indicate that the customer either received financial assistance in the previous 12 months from the Low Income Home Energy Assistance Program or, at the time of enrollment is participating in the Percentage of Income Payment Plan, unless (1) the customer's change in electric supplier is pursuant to a government aggregation program adopted in accordance with Section 1-92 of the Illinois Power Agency Act, or (2) the customer's change in electric supplier is pursuant to a Commission-approved savings guarantee plan as described in subsection (b).

(b) Beginning January 1, 2020, an alternative retail electric supplier may apply to the Commission to offer a savings guarantee plan to recipients of Low Income Home Energy Assistance Program funding or Percentage of Income Payment Plan funding. The Commission shall initiate a public, docketed proceeding to consider whether or not to approve an alternative retail electric supplier's application to offer a savings guarantee plan. At a minimum, the savings guarantee plan shall charge customers for electric supply at an amount that is less than the amount charged by the electric utility.

(c) An agreement entered into between an alternative retail electric supplier and a customer in violation of this Section is void and unenforceable. Before the electric utility executes a change in a customer's electric supplier, other than a change pursuant to a government aggregation program adopted in accordance with Section 1-92 of the Illinois Power Agency Act or a Commission-approved savings guarantee plan as described in subsection (b), the electric utility shall confirm at the time of the request whether its records indicate that the customer either has received financial assistance from the Low Income Home Energy Assistance Program in the previous 12 months or, at the time of enrollment, is participating in the Percentage of Income Payment Plan; and if so, shall reject such change request. Absent willful or wanton misconduct, no electric utility shall be held liable for any error in acting or failing to act pursuant to this Section.

Sec. 16-118. Services provided by electric utilities to alternative retail electric suppliers.

New matter indicated by italics - deletions by strikeout
(a) It is in the best interest of Illinois energy consumers to promote fair and open competition in the provision of electric power and energy and to prevent anticompetitive practices in the provision of electric power and energy. Therefore, to the extent an electric utility provides electric power and energy or delivery services to alternative retail electric suppliers and such services are not subject to the jurisdiction of the Federal Energy Regulatory Commission, and are not competitive services, they shall be provided through tariffs that are filed with the Commission, pursuant to Article IX of this Act. Each electric utility shall permit alternative retail electric suppliers to interconnect facilities to those owned by the utility provided they meet established standards for such interconnection, and may provide standby or other services to alternative retail electric suppliers. The alternative retail electric supplier shall sign a contract setting forth the prices, terms and conditions for interconnection with the electric utility and the prices, terms and conditions for services provided by the electric utility to the alternative retail electric supplier in connection with the delivery by the electric utility of electric power and energy supplied by the alternative retail electric supplier.

(b) An electric utility shall file a tariff pursuant to Article IX of the Act that would allow alternative retail electric suppliers or electric utilities other than the electric utility in whose service area retail customers are located to issue single bills to the retail customers for both the services provided by such alternative retail electric supplier or other electric utility and the delivery services provided by the electric utility to such customers. The tariff filed pursuant to this subsection shall (i) require partial payments made by retail customers to be credited first to the electric utility's tariffed services, (ii) impose commercially reasonable terms with respect to credit and collection, including requests for deposits, (iii) retain the electric utility's right to disconnect the retail customers, if it does not receive payment for its tariffed services, in the same manner that it would be permitted to if it had billed for the services itself, and (iv) require the alternative retail electric supplier or other electric utility that elects the billing option provided by this tariff to include on each bill to retail customers an identification of the electric utility providing the delivery services and a listing of the charges applicable to such services. The tariff filed pursuant to this subsection may also include other just and reasonable terms and conditions. In addition, an electric utility, an alternative retail electric supplier or electric utility other than the electric utility in whose service area the customer is located, and a customer served by such

New matter indicated by italics - deletions by strikeout
alternative retail electric supplier or other electric utility, may enter into an agreement pursuant to which the alternative retail electric supplier or other electric utility pays the charges specified in Section 16-108, or other customer-related charges, including taxes and fees, in lieu of such charges being recovered by the electric utility directly from the customer.

(c) An electric utility with more than 100,000 customers shall file a tariff pursuant to Article IX of this Act that provides alternative retail electric suppliers, and electric utilities other than the electric utility in whose service area the retail customers are located, with the option to have the electric utility purchase their receivables for power and energy service provided to residential retail customers and non-residential retail customers with a non-coincident peak demand of less than 400 kilowatts. Receivables for power and energy service of alternative retail electric suppliers or electric utilities other than the electric utility in whose service area the retail customers are located shall be purchased by the electric utility at a just and reasonable discount rate to be reviewed and approved by the Commission after notice and hearing. The discount rate shall be based on the electric utility's historical bad debt and any reasonable start-up costs and administrative costs associated with the electric utility's purchase of receivables. The discounted rate for purchase of receivables shall be included in the tariff filed pursuant to this subsection (c). The discount rate filed pursuant to this subsection (c) shall be subject to periodic Commission review. The electric utility retains the right to impose the same terms on retail customers with respect to credit and collection, including requests for deposits, and retain the electric utility's right to disconnect the retail customers, if it does not receive payment for its tariffed services or purchased receivables, in the same manner that it would be permitted to if the retail customers purchased power and energy from the electric utility. The tariff filed pursuant to this subsection (c) shall permit the electric utility to recover from retail customers any uncollected receivables that may arise as a result of the purchase of receivables under this subsection (c), may also include other just and reasonable terms and conditions, and shall provide for the prudently incurred costs associated with the provision of this service pursuant to this subsection (c). Nothing in this subsection (c) permits the double recovery of bad debt expenses from customers.

(d) An electric utility with more than 100,000 customers shall file a tariff pursuant to Article IX of this Act that would provide alternative retail electric suppliers or electric utilities other than the electric utility in
whose service area retail customers are located with the option to have the electric utility produce and provide single bills to the retail customers for both the electric power and energy service provided by the alternative retail electric supplier or other electric utility and the delivery services provided by the electric utility to the customers. The tariffs filed pursuant to this subsection shall require the electric utility to collect and remit customer payments for electric power and energy service provided by alternative retail electric suppliers or electric utilities other than the electric utility in whose service area retail customers are located. The tariff filed pursuant to this subsection shall require the electric utility to include on each bill to retail customers an identification of the alternative retail electric supplier or other electric utility that elects the billing option. The tariff filed pursuant to this subsection (d) may also include other just and reasonable terms and conditions and shall provide for the recovery of prudently incurred costs associated with the provision of service pursuant to this subsection (d). The costs associated with the provision of service pursuant to this Section shall be subject to periodic Commission review.

(e) An electric utility with more than 100,000 customers in this State shall file a tariff pursuant to Article IX of this Act that provides alternative retail electric suppliers, and electric utilities other than the electric utility in whose service area the retail customers are located, with the option to have the electric utility purchase 2 billing cycles worth of uncollectible receivables for power and energy service provided to residential retail customers and to non-residential retail customers with a non-coincident peak demand of less than 400 kilowatts upon returning that customer to that electric utility for delivery and energy service after that alternative retail electric supplier, or an electric utility other than the electric utility in whose service area the retail customer is located, has made reasonable collection efforts on that account. Uncollectible receivables for power and energy service of alternative retail electric suppliers, or electric utilities other than the electric utility in whose service area the retail customers are located, shall be purchased by the electric utility at a just and reasonable discount rate to be reviewed and approved by the Commission, after notice and hearing. The discount rate shall be based on the electric utility's historical bad debt for receivables that are outstanding for a similar length of time and any reasonable start-up costs and administrative costs associated with the electric utility's purchase of receivables. The discounted rate for purchase of uncollectible receivables shall be included in the tariff filed pursuant to this subsection (e). The

electric utility retains the right to impose the same terms on these retail customers with respect to credit and collection, including requests for deposits, and retains the right to disconnect these retail customers, if it does not receive payment for its tariffed services or purchased receivables, in the same manner that it would be permitted to if the retail customers had purchased power and energy from the electric utility. The tariff filed pursuant to this subsection (e) shall permit the electric utility to recover from retail customers any uncollectable receivables that may arise as a result of the purchase of uncollectible receivables under this subsection (e), may also include other just and reasonable terms and conditions, and shall provide for the prudently incurred costs associated with the provision of this service pursuant to this subsection (e). Nothing in this subsection (e) permits the double recovery of utility bad debt expenses from customers. The electric utility may file a joint tariff for this subsection (e) and subsection (e) of this Section.

(f) Every alternative retail electric supplier or electric utility other than the electric utility in whose service area retail customers are located that issues single bills to the retail customers for the services provided by the alternative retail electric supplier or other electric utility to the customers shall include on the single bills issued to residential customers the current utility electric supply price to compare that would apply to the customer for the billing period if the customer obtained supply from the utility. The current utility electric supply price shall be the sum of the electric supply charge and the transmission services charge and shall disclose that the price does not include the monthly purchased electricity adjustment.

(g) Every electric utility that provides delivery and supply services shall include on each bill issued to residential customers who obtain supply from an alternative retail electric supplier the current utility electric supply price to compare that would apply to the customer for the billing period if the customer obtained supply from the utility. The current utility electric supply price to compare shall be the sum of the electric supply charge and the transmission services charge and shall disclose that the price does not include the monthly purchased electricity adjustment.

Section. The alternative gas supplier shall publish notice of its application in the official State newspaper within 10 days following the date of its filing. No later than 45 days after the application is properly filed with the Commission, and such notice is published, the Commission shall issue its order granting or denying the application.

(d) An application for a certificate of service authority shall identify the area or areas in which the applicant intends to offer service and the types of services it intends to offer. Applicants that seek to serve residential or small commercial customers within a geographic area that is smaller than a gas utility's service area shall submit evidence demonstrating that the designation of this smaller area does not violate Section 19-115. An applicant may state in its application for certification any limitations that will be imposed on the number of customers or maximum load to be served. The applicant shall submit as part of its application a statement indicating:

(1) Whether the applicant has been denied a natural gas supplier license in any state in the United States.

(2) Whether the applicant has had a natural gas supplier license suspended or revoked by any state in the United States.

(3) Where, if any, other natural gas supplier license applications are pending in the United States.

(4) Whether the applicant is the subject of any lawsuits filed in a court of law or formal complaints filed with a regulatory agency alleging fraud, deception or unfair marketing practices, or other similar allegations, identifying the name, case number, and jurisdiction of each such lawsuit or complaint.

For the purposes of this subsection (d), formal complaints include only those complaints that seek a binding determination from a state or federal regulatory body.

(e) The Commission shall grant the application for a certificate of service authority if it makes the findings set forth in this subsection based on the verified application and such other information as the applicant may submit.

(1) That the applicant possesses sufficient technical, financial, and managerial resources and abilities to provide the service for which it seeks a certificate of service authority. In determining the level of technical, financial, and managerial resources and abilities which the applicant must demonstrate, the Commission shall consider:

New matter indicated by italics - deletions by strikeout
(A) the characteristics, including the size and financial sophistication of the customers that the applicant seeks to serve;

(B) whether the applicant seeks to provide gas using property, plant, and equipment that it owns, controls, or operates; and

(C) the applicant's commitment of resources to the management of sales and marketing staff, through affirmative managerial policies, independent audits, technology, hands-on field monitoring and training, and, in the case of applicants who will have sales personnel or sales agents within the State of Illinois, the applicant's managerial presence within the State.

(2) That the applicant will comply with all applicable federal, State, regional, and industry rules, policies, practices, and procedures for the use, operation, and maintenance of the safety, integrity, and reliability of the gas transmission system.

(3) That the applicant will comply with such informational or reporting requirements as the Commission may by rule establish.

(4) That the area to be served by the applicant and any limitations it proposes on the number of customers or maximum amount of load to be served meet the provisions of Section 19-115, provided, that if the applicant seeks to serve an area smaller than the service area of a gas utility or proposes other limitations on the number of customers or maximum amount of load to be served, the Commission can extend the time for considering such a certificate request by up to 90 days, and can schedule hearings on such a request.

(5) That the applicant shall continue to comply with requirements for certification stated in this Section.

(6) That the applicant shall execute and maintain a license or permit bond issued by a qualifying surety or insurance company authorized to transact business in the State of Illinois in favor of the People of the State of Illinois. The amount of the bond shall equal $150,000 if the applicant seeks to serve only nonresidential retail customers or $500,000 if the applicant seeks to serve all eligible customers. Applicants shall be required to submit an additional $500,000 bond if the applicant intends to market to

New matter indicated by italics - deletions by strikeout
residential customers using in-person solicitations. The bond shall be conditioned upon the full and faithful performance of all duties and obligations of the applicant as an alternative retail gas supplier and shall be valid for a period of not less than one year. The cost of the bond shall be paid by the applicant. The applicant shall file a copy of this bond, with a notarized verification page from the issuer, as part of its application for certification under 83 Ill. Adm. Code 551.

(7) (5) That the applicant and the applicant's sales agents will comply with all other applicable laws and rules.

(e-5) The Commission may deny with prejudice an application in which the applicant fails to provide the Commission with information sufficient for the Commission to grant the application.

(f) The Commission can extend the time for considering such a certificate request by up to 90 days, and can schedule hearings on such a request if:

(1) a party to the application proceeding has formally requested that the Commission hold hearings in a pleading that alleges that one or more of the allegations or certifications in the application is false or misleading; or

(2) other facts or circumstances exist that will necessitate additional time or evidence in order to determine whether a certificate should be issued.

(g) The Commission shall have the authority to promulgate rules to carry out the provisions of this Section. Within 30 days after the effective date of this amendatory Act of the 92nd General Assembly, the Commission shall adopt an emergency rule or rules applicable to the certification of those gas suppliers that seek to serve residential customers. Within 180 days of the effective date of this amendatory Act of the 92nd General Assembly, the Commission shall adopt rules that specify criteria which, if met by any such alternative gas supplier, shall constitute the demonstration of technical, financial, and managerial resources and abilities to provide service required by item (1) of subsection (e) of this Section, such as a requirement to post a bond or letter of credit, from a responsible surety or financial institution, of sufficient size for the nature and scope of the services to be provided, demonstration of adequate insurance for the scope and nature of the services to be provided, and experience in providing similar services in other jurisdictions.
(h) The Commission may deny with prejudice any application that repeatedly fails to include the attachments, documentation, and affidavits required by the application form or that repeatedly fails to provide any other information required by this Section.

(i) An alternative gas supplier may seek confidential treatment for the reporting to the Commission of its total annual dekatherms delivered and sold by it to residential and small commercial customers by utility service territory during the preceding year via the filing of an affidavit with the Commission so long as the affidavit meets the requirements of this subsection (i). The affidavit must be filed contemporaneously with the information for which confidential treatment is sought and must clearly state that the affiant seeks confidential treatment pursuant to this subsection (i) and the information for which confidential treatment is sought must be clearly identified on the confidential version of the document filed with the Commission. The affidavit must be accompanied by both a "confidential" and a "public" version of the document or documents containing the information for which confidential treatment is sought.

If the alternative gas supplier has met the affidavit requirements of this subsection (i), then the Commission shall afford confidential treatment to the information identified in the affidavit for a period of 2 years after the date the affidavit is received by the Commission.

Nothing in this subsection (i) prevents an alternative gas supplier from filing a petition with the Commission seeking confidential treatment for information beyond that identified in this subsection (i) or for information contained in other reports or documents filed with the Commission.

Nothing in this subsection (i) prevents the Commission, on its own motion, or any party from filing a formal petition with the Commission seeking to reconsider the conferring of confidential status pursuant to this subsection (i).

The Commission, on its own motion, may at any time initiate a docketed proceeding to investigate the continued applicability of this affidavit-based process for seeking confidential treatment. If, at the end of such investigation, the Commission determines that this affidavit-based process for seeking confidential treatment for the information is no longer necessary, the Commission may enter an order to that effect. Notwithstanding any such order, in the event the Commission makes such a determination, nothing in this subsection (i) prevents an alternative gas supplier
supplier desiring confidential treatment for such information from filing a formal petition with the Commission seeking confidential treatment for such information.

(220 ILCS 5/19-115)
Sec. 19-115. Obligations of alternative gas suppliers.
(a) The provisions of this Section shall apply only to alternative gas suppliers serving or seeking to serve residential or small commercial customers and only to the extent such alternative gas suppliers provide services to residential or small commercial customers.
(b) An alternative gas supplier shall:
   (1) shall comply with the requirements imposed on public utilities by Sections 8-201 through 8-207, 8-301, 8-505 and 8-507 of this Act, to the extent that these Sections have application to the services being offered by the alternative gas supplier;
   (2) shall continue to comply with the requirements for certification stated in Section 19-110;
   (3) shall comply with complaint procedures established by the Commission;
   (4) except as provided in subsection (h) of this Section, shall file with the Chief Clerk of the Commission, within 20 business days after the effective date of this amendatory Act of the 95th General Assembly, a copy of bill formats, standard customer contract and customer complaint and resolution procedures, and the name and telephone number of the company representative whom Commission employees may contact to resolve customer complaints and other matters. In the case of a gas supplier that engages in door-to-door solicitation, the company shall file with the Commission the consumer information disclosure required by item (3) of subsection (c) of Section 2DDD of the Consumer Fraud and Deceptive Business Practices Act and shall file updated information within 10 business days after changes in any of the documents or information required to be filed by this item (4); and
   (5) shall maintain a customer call center where customers can reach a representative and receive current information. At least once every 6 months, each alternative gas supplier shall provide written information to customers explaining how to contact the call center. The average answer time for calls placed to the call center shall not exceed 60 seconds where a representative or automated

New matter indicated by italics - deletions by strikeout
system is ready to render assistance and/or accept information to process calls. The abandon rate for calls placed to the call center shall not exceed 10%. Each alternative gas supplier shall maintain records of the call center's telephone answer time performance and abandon call rate. These records shall be kept for a minimum of 2 years and shall be made available to Commission personnel upon request. In the event that answer times and/or abandon rates exceed the limits established above, the reporting alternative gas supplier may provide the Commission or its personnel with explanatory details. At a minimum, these records shall contain the following information in monthly increments:

(A) total number of calls received;
(B) number of calls answered;
(C) average answer time;
(D) number of abandoned calls; and
(E) abandon call rate.

Alternative gas suppliers that do not have electronic answering capability that meets these requirements shall notify the Manager of the Commission's Consumer Services Division or its successor within 30 days following the effective date of this amendatory Act of the 95th General Assembly and work with Staff to develop individualized reporting requirements as to the call volume and responsiveness of the call center.

On or before March 1 of every year, each entity shall file a report with the Chief Clerk of the Commission for the preceding calendar year on its answer time and abandon call rate for its call center. A copy of the report shall be sent to the Manager of the Consumer Services Division or its successor;

(6) by January 1, 2020 and every January 1 thereafter, shall submit to the Commission and the Office of the Attorney General the rates the alternative gas supplier charged to residential customers in the prior year, including each distinct rate charged and whether the rate was a fixed or variable rate, the basis for the variable rate, and any fees charged in addition to the supply rate, including monthly fees, flat fees, or other service charges; and

(7) shall make publicly available on its website, without the need for a customer login, rate information for all of its variable, time-of-use, and fixed rate contracts currently available to

residential customers, including but not limited to, fixed monthly charges, early termination fees, and per therm charges.

(c) An alternative gas supplier shall not submit or execute a change in a customer's selection of a natural gas provider unless and until (i) the alternative gas supplier first discloses all material terms and conditions of the offer, including price, to the customer; (ii) the alternative gas supplier has obtained the customer's express agreement to accept the offer after the disclosure of all material terms and conditions of the offer; and (iii) the alternative gas supplier has confirmed the request for a change in accordance with one of the following procedures:

(1) The alternative gas supplier has obtained the customer's written or electronically signed authorization in a form that meets the following requirements:

   (A) An alternative gas supplier shall obtain any necessary written or electronically signed authorization from a customer for a change in natural gas service by using a letter of agency as specified in this Section. Any letter of agency that does not conform with this Section is invalid.

   (B) The letter of agency shall be a separate document (or an easily separable document containing only the authorization language described in item (E) of this paragraph (1)) whose sole purpose is to authorize a natural gas provider change. The letter of agency must be signed and dated by the customer requesting the natural gas provider change.

   (C) The letter of agency shall not be combined with inducements of any kind on the same document.

   (D) Notwithstanding items (A) and (B) of this paragraph (1), the letter of agency may be combined with checks that contain only the required letter of agency language prescribed in item (E) of this paragraph (1) and the necessary information to make the check a negotiable instrument. The letter of agency check shall not contain any promotional language or material. The letter of agency check shall contain in easily readable, bold face type on the face of the check a notice that the consumer is authorizing a natural gas provider change by signing the check. The letter
of agency language also shall be placed near the signature line on the back of the check.

(E) At a minimum, the letter of agency must be printed with a print of sufficient size to be clearly legible and must contain clear and unambiguous language that confirms:

(i) the customer's billing name and address;
(ii) the decision to change the natural gas provider from the current provider to the prospective alternative gas supplier;
(iii) the terms, conditions, and nature of the service to be provided to the customer, including, but not limited to, the rates for the service contracted for by the customer; and
(iv) that the customer understands that any natural gas provider selection the customer chooses may involve a charge to the customer for changing the customer's natural gas provider.

(F) Letters of agency shall not suggest or require that a customer take some action in order to retain the customer's current natural gas provider.

(G) If any portion of a letter of agency is translated into another language, then all portions of the letter of agency must be translated into that language.

(2) An appropriately qualified independent third party has obtained, in accordance with the procedures set forth in this paragraph (2), the customer's oral authorization to change natural gas providers that confirms and includes appropriate verification data. The independent third party must (i) not be owned, managed, controlled, or directed by the alternative gas supplier or the alternative gas supplier's marketing agent; (ii) not have any financial incentive to confirm provider change requests for the alternative gas supplier or the alternative gas supplier's marketing agent; and (iii) operate in a location physically separate from the alternative gas supplier or the alternative gas supplier's marketing agent. Automated third-party verification systems and 3-way conference calls may be used for verification purposes so long as the other requirements of this paragraph (2) are satisfied. An alternative gas supplier or alternative gas supplier's sales
representative initiating a 3-way conference call or a call through an automated verification system must drop off the call once the 3-way connection has been established. All third-party verification methods shall elicit, at a minimum, the following information:

(A) the identity of the customer;
(B) confirmation that the person on the call is authorized to make the provider change;
(C) confirmation that the person on the call wants to make the provider change;
(D) the names of the providers affected by the change;
(E) the service address of the service to be switched; and
(F) the price of the service to be provided and the material terms and conditions of the service being offered, including whether any early termination fees apply.

Third-party verifiers may not market the alternative gas supplier's services by providing additional information. All third-party verifications shall be conducted in the same language that was used in the underlying sales transaction and shall be recorded in their entirety. Submitting alternative gas suppliers shall maintain and preserve audio records of verification of customer authorization for a minimum period of 2 years after obtaining the verification. Automated systems must provide customers with an option to speak with a live person at any time during the call.

(3) The alternative gas supplier has obtained the customer's authorization via an automated verification system to change natural gas service via telephone. An automated verification system is an electronic system that, through pre-recorded prompts, elicits voice responses, touchtone responses, or both, from the customer and records both the prompts and the customer's responses. Such authorization must elicit the information in paragraph (2)(A) through (F) of this subsection (c). Alternative gas suppliers electing to confirm sales electronically through an automated verification system shall establish one or more toll-free telephone numbers exclusively for that purpose. Calls to the number or numbers shall connect a customer to a voice response unit, or similar mechanism, that makes a date-stamped, time-stamped recording of the required information regarding the alternative gas supplier change.
The alternative gas supplier shall not use such electronic authorization systems to market its services.

(4) When a consumer initiates the call to the prospective alternative gas supplier, in order to enroll the consumer as a customer, the prospective alternative gas supplier must, with the consent of the customer, make a date-stamped, time-stamped audio recording that elicits, at a minimum, the following information:

(A) the identity of the customer;
(B) confirmation that the person on the call is authorized to make the provider change;
(C) confirmation that the person on the call wants to make the provider change;
(D) the names of the providers affected by the change;
(E) the service address of the service to be switched; and
(F) the price of the service to be supplied and the material terms and conditions of the service being offered, including whether any early termination fees apply.

Submitting alternative gas suppliers shall maintain and preserve the audio records containing the information set forth above for a minimum period of 2 years.

(5) In the event that a customer enrolls for service from an alternative gas supplier via an Internet website, the alternative gas supplier shall obtain an electronically signed letter of agency in accordance with paragraph (1) of this subsection (c) and any customer information shall be protected in accordance with all applicable statutes and regulations. In addition, an alternative gas supplier shall provide the following when marketing via an Internet website:

(A) The Internet enrollment website shall, at a minimum, include:
   (i) a copy of the alternative gas supplier's customer contract that clearly and conspicuously discloses all terms and conditions; and
   (ii) a conspicuous prompt for the customer to print or save a copy of the contract.
(B) Any electronic version of the contract shall be identified by version number, in order to ensure the ability

New matter indicated by italics - deletions by strikeout
to verify the particular contract to which the customer assents.

(C) Throughout the duration of the alternative gas supplier's contract with a customer, the alternative gas supplier shall retain and, within 3 business days of the customer's request, provide to the customer an e-mail, paper, or facsimile of the terms and conditions of the numbered contract version to which the customer assents.

(D) The alternative gas supplier shall provide a mechanism by which both the submission and receipt of the electronic letter of agency are recorded by time and date.

(E) After the customer completes the electronic letter of agency, the alternative gas supplier shall disclose conspicuously through its website that the customer has been enrolled, and the alternative gas supplier shall provide the customer an enrollment confirmation number.

(6) When a customer is solicited in person by the alternative gas supplier's sales agent, the alternative gas supplier may only obtain the customer's authorization to change natural gas service through the method provided for in paragraph (2) of this subsection (c).

Alternative gas suppliers must be in compliance with this subsection (c) within 90 days after the effective date of this amendatory Act of the 95th General Assembly.

(d) Complaints may be filed with the Commission under this Section by a customer whose natural gas service has been provided by an alternative gas supplier in a manner not in compliance with subsection (c) of this Section. If, after notice and hearing, the Commission finds that an alternative gas supplier has violated subsection (c), then the Commission may in its discretion do any one or more of the following:

(1) Require the violating alternative gas supplier to refund the customer charges collected in excess of those that would have been charged by the customer's authorized natural gas provider.

(2) Require the violating alternative gas supplier to pay to the customer's authorized natural gas provider the amount the authorized natural gas provider would have collected for natural gas service. The Commission is authorized to reduce this payment by any amount already paid by the violating alternative gas supplier to the customer's authorized natural gas provider.

New matter indicated by italics - deletions by strikeout
(3) Require the violating alternative gas supplier to pay a fine of up to $1,000 into the Public Utility Fund for each repeated and intentional violation of this Section.
(4) Issue a cease and desist order.
(5) For a pattern of violation of this Section or for intentionally violating a cease and desist order, revoke the violating alternative gas supplier's certificate of service authority.
(e) No alternative gas supplier shall:
   (1) enter into or employ any arrangements which have the effect of preventing any customer from having access to the services of the gas utility in whose service area the customer is located;
   (2) charge customers for such access;
   (3) bill for goods or services not authorized by the customer; or
   (4) bill for a disputed amount where the alternative gas supplier has been provided notice of such dispute. The supplier shall attempt to resolve a dispute with the customer. When the dispute is not resolved to the customer's satisfaction, the supplier shall inform the customer of the right to file an informal complaint with the Commission and provide contact information. While the pending dispute is active at the Commission, an alternative gas supplier may bill only for the undisputed amount until the Commission has taken final action on the complaint.
(f) An alternative gas supplier that is certified to serve residential or small commercial customers shall not:
   (1) deny service to a customer or group of customers nor establish any differences as to prices, terms, conditions, services, products, facilities, or in any other respect, whereby such denial or differences are based upon race, gender, or income, except as provided in Section 19-116;
   (2) deny service based on locality, nor establish any unreasonable difference as to prices, terms, conditions, services, products, or facilities as between localities;
   (3) include in any agreement a provision that obligates a customer to the terms of the agreement if the customer (i) moves outside the State of Illinois; (ii) moves to a location without a transportation service program; or (iii) moves to a location where the customer will not require natural gas service, provided that

New matter indicated by italics - deletions by strikeout
nothing in this subsection precludes an alternative gas supplier from taking any action otherwise available to it to collect a debt that arises out of service provided to the customer before the customer moved; or

(4) assign the agreement to any alternative natural gas supplier, unless:

(A) the supplier is an alternative gas supplier certified by the Commission;

(B) the rates, terms, and conditions of the agreement being assigned do not change during the remainder of the time covered by the agreement;

(C) the customer is given no less than 30 days prior written notice of the assignment and contact information for the new supplier; and

(D) the supplier assigning the contract provides contact information that a customer can use to resolve a dispute.

(g) An alternative gas supplier shall comply with the following requirements with respect to the marketing, offering, and provision of products or services:

(1) All marketing materials, including, but not limited to, electronic marketing materials, in-person solicitations, and telephone solicitations, which make statements concerning prices, terms, and conditions of service shall contain information that adequately discloses the prices, terms, and conditions of the products or services and shall disclose the utility gas supply cost rates per therm price available from the Illinois Commerce Commission website applicable at the time the alternative gas supplier is offering or selling the products or services to the customer and shall disclose the date on which the utility gas supply cost rates per therm became effective and the date on which they will expire. All marketing materials, including, but not limited to, electronic marketing materials, in-person solicitations, and telephone solicitations, shall include the following statement:

"(Name of the alternative gas supplier) is not the same entity as your gas delivery company. You are not required to enroll with (name of alternative gas supplier). Beginning on (effective date), the utility gas supply cost rate per therm is (cost). The utility gas supply cost will

expire on (expiration date). For more information go to the Illinois Commerce Commission's free website at www.icc.illinois.gov/ags/consumereducation.aspx."

This paragraph (1) does not apply to goodwill or institutional advertising.

(2) Before any customer is switched from another supplier, the alternative gas supplier shall give the customer written information that clearly and conspicuously discloses, in plain language, the prices, terms, and conditions of the products and services being offered and sold to the customer. This written information shall be provided in a language in which the customer subject to the marketing or solicitation is able to understand and communicate, and the alternative gas supplier shall not switch a customer who is unable to understand and communicate in a language in which the marketing or solicitation was conducted. The alternative gas supplier shall comply with Section 2N of the Consumer Fraud and Deceptive Business Practices Act. Nothing in this paragraph (2) may be read to relieve an alternative gas supplier from the duties imposed on it by item (3) of subsection (c) of Section 2DDD of the Consumer Fraud and Deceptive Business Practices Act.

(3) The alternative gas supplier shall provide to the customer:

(A) accurate, timely, and itemized billing statements that describe the products and services provided to the customer and their prices and that specify the gas consumption amount and any service charges and taxes; provided that this item (g)(3)(A) does not apply to small commercial customers;

(B) billing statements that clearly and conspicuously discloses the name and contact information for the alternative gas supplier;

(C) an additional statement, at least annually, that adequately discloses the average monthly prices, and the terms and conditions, of the products and services sold to the customer; provided that this item (g)(3)(C) does not apply to small commercial customers;

(D) refunds of any deposits with interest within 30 days after the date that the customer changes gas suppliers.
or discontinues service if the customer has satisfied all of his or her outstanding financial obligations to the alternative gas supplier at an interest rate set by the Commission which shall be the same as that required of gas utilities; and

(E) refunds, in a timely fashion, of all undisputed overpayments upon the oral or written request of the customer.

(4) An alternative gas supplier and its sales agents shall refrain from any direct marketing or soliciting to consumers on the gas utility's "Do Not Contact List", which the alternative gas supplier shall obtain on the 15th calendar day of the month from the gas utility in whose service area the consumer is provided with gas service. If the 15th calendar day is a non-business day, then the alternative gas supplier shall obtain the list on the next business day following the 15th calendar day of that month.

(5) Early Termination.

(A) Any agreement that contains an early termination clause shall disclose the amount of the early termination fee, provided that any early termination fee or penalty shall not exceed $50 total, regardless of whether or not the agreement is a multiyear agreement.

(B) In any agreement that contains an early termination clause, an alternative gas supplier shall provide the customer the opportunity to terminate the agreement without any termination fee or penalty within 10 business days after the date of the first bill issued to the customer for products or services provided by the alternative gas supplier. The agreement shall disclose the opportunity and provide a toll-free phone number that the customer may call in order to terminate the agreement. Beginning January 1, 2020, residential and small commercial customers shall have a right to terminate their agreements with alternative gas suppliers at any time without any termination fees or penalties.

(6) Within 2 business days after electronic receipt of a customer switch from the alternative gas supplier and confirmation of eligibility, the gas utility shall provide the customer written notice confirming the switch. The gas utility shall not switch the

service until 10 business days after the date on the notice to the customer.

(7) The alternative gas supplier shall provide each customer the opportunity to rescind its agreement without penalty within 10 business days after the date on the gas utility notice to the customer. The alternative gas supplier shall disclose all of the following:

(A) that the gas utility shall send a notice confirming the switch;
(B) that from the date the utility issues the notice confirming the switch, the customer shall have 10 business days to rescind the switch without penalty;
(C) that the customer shall contact the gas utility or the alternative gas supplier to rescind the switch; and
(D) the contact information for the gas utility.

The alternative gas supplier disclosure shall be included in its sales solicitations, contracts, and all applicable sales verification scripts.

(8) All in-person and telephone solicitations shall be conducted in, translated into, and provided in a language in which the consumer subject to the marketing or solicitation is able to understand and communicate. An alternative gas supplier shall terminate a solicitation if the consumer subject to the marketing or communication is unable to understand and communicate in the language in which the marketing or solicitation is being conducted. An alternative gas supplier shall comply with Section 2N of the Consumer Fraud and Deceptive Business Practices Act.

(h) An alternative gas supplier may limit the overall size or availability of a service offering by specifying one or more of the following:

(1) a maximum number of customers and maximum amount of gas load to be served;
(2) time period during which the offering will be available;

or

(3) other comparable limitation, but not including the geographic locations of customers within the area which the alternative gas supplier is certificated to serve.
The alternative gas supplier shall file the terms and conditions of such service offering including the applicable limitations with the Commission prior to making the service offering available to customers.

(i) Nothing in this Section shall be construed as preventing an alternative gas supplier that is an affiliate of, or which contracts with, (i) an industry or trade organization or association, (ii) a membership organization or association that exists for a purpose other than the purchase of gas, or (iii) another organization that meets criteria established in a rule adopted by the Commission from offering through the organization or association services at prices, terms and conditions that are available solely to the members of the organization or association.

(220 ILCS 5/19-116 new)

(a) Beginning January 1, 2020, an alternative gas supplier shall not knowingly submit an enrollment to change a customer's natural gas supplier if the gas utility's records indicate that the customer received financial assistance in the previous 12 months from either the Low Income Home Energy Assistance Program or, at the time of enrollment is participating in the Percentage of Income Payment Plan, unless the customer's change in gas supplier is pursuant to a Commission-approved savings guarantee plan as described in subsection (b).

(b) Beginning January 1, 2020, an alternative gas supplier may apply to the Commission to offer a savings guarantee plan to recipients of Low Income Home Energy Assistance Program funding or Percentage of Income Payment Plan funding. The Commission shall initiate a public, docketed proceeding to consider whether or not to approve an alternative gas supplier's application to offer a savings guarantee plan. At a minimum, the savings guarantee plan shall charge customers for natural gas supply at an amount that is less than the amount charged by the gas utility.

(c) An agreement entered into between an alternative gas supplier and a customer in violation of this Section is void and unenforceable. Before the gas utility executes a change in a customer's natural gas supplier, other than a change pursuant to a Commission-approved savings guarantee plan as described in subsection (b), the gas utility shall confirm at the time of the request whether its records indicate that the customer has either received financial assistance from the Low Income Home Energy Assistance Program within the previous 12 months, or, at the time

of enrollment is participating in the Percentage of Income Payment Plan; and if so, shall reject such change request. Absent willful or wanton misconduct, no gas utility shall be held liable for any error in acting or failing to act pursuant to this Section.

Sec. 19-120. Commission oversight of services provided by gas suppliers.

(a) The provisions of this Section shall apply only to alternative gas suppliers serving or seeking to serve residential or small commercial customers and only to the extent such alternative gas suppliers provide services to residential or small commercial customers.

(b) The Commission shall have jurisdiction in accordance with the provisions of Article X of this Act either to investigate on its own motion in order to determine whether or to entertain and dispose of any complaint against any alternative gas supplier alleging that:

1. the alternative gas supplier has violated or is in nonconformance with any applicable provisions of Section 19-110, 19-111, 19-112, or Section 19-115;
2. an alternative gas supplier has failed to provide service in accordance with the terms of its contract or contracts with a customer or customers;
3. the alternative gas supplier has violated or is in nonconformance with the transportation services tariff of, or any of its agreements relating to transportation services with, the gas utility or municipal system providing transportation services; or
4. the alternative gas supplier has violated or failed to comply with the requirements of Sections 8-201 through 8-207, 8-301, 8-505, or 8-507 of this Act as made applicable to alternative gas suppliers.

(c) The Commission shall have authority after notice and hearing held on complaint or on the Commission's own motion to order any or all of the following remedies, penalties, or forms of relief:

1. order an alternative gas supplier to cease and desist, or correct, any violation of or nonconformance with the provisions of Section 19-110, 19-111, 19-112, or 19-115;
2. impose financial penalties for violations of or nonconformances with the provisions of Section 19-110, 19-111, 19-112, or 19-115, not to exceed (i) $10,000 per occurrence or (ii)
$30,000 per day for those violations or nonconformances which continue after the Commission issues a cease-and-desist order; and (3) alter, modify, revoke, or suspend the certificate of service authority of an alternative gas supplier for substantial or repeated violations of or nonconformances with the provisions of Section 19-110, 19-111, 19-112, or 19-115.

(d) Nothing in this Act shall be construed to limit, restrict, or mitigate in any way the power and authority of the State's Attorneys or the Attorney General under the Consumer Fraud and Deceptive Business Practices Act.

(e) In addition to other powers and authority granted to it under this Act, the Commission may require an alternative gas supplier to enter into a compliance plan. If the Commission comes into possession of information causing it to conclude that an alternative gas supplier is violating this Act or the Commission's rules, the Commission may, after notice and hearing, enter an order directing the alternative gas supplier to implement practices, procedures, oversight, or other measures or refrain from practices, conduct, or activities as the Commission finds is necessary or reasonable to ensure the alternative gas supplier's compliance with this Act and the Commission's rules. Failure by an alternative gas supplier to implement or comply with a Commission-ordered compliance plan is a violation of this Section. The Commission, in its discretion, may order a compliance plan under such circumstances as it considers warranted and is not required to order a compliance plan prior to taking other enforcement action against an alternative retail gas supplier. Nothing in this subsection (e) shall be interpreted to limit the authority or right of the Attorney General.

Sec. 19-135. Single billing.

(a) It is the intent of the General Assembly that in any service area where customers are able to choose their natural gas supplier, a single billing option shall be offered to customers for both the services provided by the alternative gas supplier and the delivery services provided by the gas utility. A gas utility shall file a tariff pursuant to Article IX of this Act that allows alternative gas suppliers to issue single bills to residential and small commercial customers for both the services provided by the alternative gas supplier and the delivery services provided by the gas utility to customers; provided that if a form of single billing is being offered in a gas utility's service area on the effective date of this amendatory Act of the 92nd General Assembly, that form of single billing shall remain in effect unless and until otherwise ordered by the Commission.

(b) Every alternative gas supplier that issues a single bill for delivery and supply shall include on the single bill issued to a residential customer the current utility gas supply cost rate per therm that would apply to the customer for the billing period if the customer obtained supply from the utility, including all fixed or monthly supply charges and other charges, credits, or rates that are part of the gas supply price.

(c) Every gas utility that offers supply choice and provides delivery and alternative gas supply service on a single bill to its residential customers shall include on the bill of each residential customer who

Solutions proposed by the Office to promote retail competition must also promote safe, reliable, and affordable electric service.

On or before July 31 of each year, the Director shall submit a report to the Commission, the General Assembly, and the Governor, that details specific accomplishments achieved by the Office in the prior 12 months in promoting retail electric competition and that suggests administrative and legislative action necessary to promote further improvements in retail electric competition. (815 ILCS 505/2EE)

New matter indicated by italics - deletions by strikeout
Sec. 2EE. Alternative retail electric supplier electric service provider selection.

(a) An alternative retail electric supplier electric service provider shall not submit or execute a change in a consumer's subscriber's selection of a provider of electric service unless and until:

(i) the alternative retail electric supplier provider first discloses all material terms and conditions of the offer to the consumer subscriber;

(ii) if the consumer is a small commercial retail customer as that term is defined in subsection (c) of this Section or a residential consumer, the alternative retail electric supplier discloses the utility electric supply price to compare, which shall be the sum of the electric supply charge and the transmission services charge, and shall not include the purchased electricity adjustment, applicable at the time the offer is made to the consumer;

(iii) if the consumer is a small commercial retail customer as that term is defined in subsection (c) of this Section or a residential consumer, the alternative retail electric provider discloses the following statement:

"(Name of the alternative retail electric supplier) is not the same entity as your electric delivery company. You are not required to enroll with (name of alternative retail electric supplier). As of (effective date), the electric supply price to compare is currently (price in cents per kilowatt hour). The electric utility electric supply price will expire on (expiration date). The utility electric supply price to compare does not include the purchased electricity adjustment factor. For more information go to the Illinois Commerce Commission's free website at www.pluginillinois.org."

If applicable, the statement shall include the following statement:

"The purchased electricity adjustment factor may range between +.5 cents and -.5 cents per kilowatt hour.";

(iv) the alternative retail electric supplier has obtained the consumer's express agreement to accept the offer after the disclosure of all material terms and conditions of the offer; and

New matter indicated by italics - deletions by strikeout
(v) the alternative retail electric supplier has confirmed the request for a change in accordance with one of the following procedures: (ii) the provider has obtained the subscriber's express agreement to accept the offer after the disclosure of all material terms and conditions of the offer; and (iii) the provider has confirmed the request for a change in accordance with one of the following procedures:

(A) (a) The new alternative retail electric supplier electric service provider has obtained the consumer's subscriber's written or electronically signed authorization in a form that meets the following requirements:

(1) An alternative retail electric supplier electric service provider shall obtain any necessary written or electronically signed authorization from a consumer subscriber for a change in electric service by using a letter of agency as specified in this Section. Any letter of agency that does not conform with this Section is invalid.

(2) The letter of agency shall be a separate document (an easily separable document containing only the authorization language described in subparagraph (5) (a)(5) of this Section) whose sole purpose is to authorize an electric service provider change. The letter of agency must be signed and dated by the consumer subscriber requesting the electric service provider change.

(3) The letter of agency shall not be combined with inducements of any kind on the same document.

(4) Notwithstanding subparagraphs (1) (a)(1) and (2) (a)(2) of this Section, the letter of agency may be combined with checks that contain only the required letter of agency language prescribed in subparagraph (5) (a)(5) of this Section and the necessary information to make the check a negotiable instrument. The letter of agency check shall not contain any promotional language or material. The letter of agency check shall contain in easily readable, bold-face type on the face of the

check, a notice that the consumer is authorizing an electric service provider change by signing the check. The letter of agency language also shall be placed near the signature line on the back of the check.

(5) At a minimum, the letter of agency must be printed with a print of sufficient size to be clearly legible, and must contain clear and unambiguous language that confirms:

(i) The consumer's subscriber's billing name and address;

(ii) The decision to change the electric service provider from the current provider to the prospective provider;

(iii) The terms, conditions, and nature of the service to be provided to the consumer subscriber must be clearly and conspicuously disclosed, in writing, and an alternative retail electric supplier electric service provider must directly establish the rates for the service contracted for by the consumer subscriber; and

(iv) That the consumer subscriber understand that any alternative retail electric supplier electric service provider selection the consumer subscriber chooses may involve a charge to the consumer subscriber for changing the consumer's subscriber's electric service provider.

(6) Letters of agency shall not suggest or require that a consumer subscriber take some action in order to retain the consumer's subscriber's current electric service provider.

(7) If any portion of a letter of agency is translated into another language, then all portions of the letter of agency must be translated into that language.

(B) (b) An appropriately qualified independent third party has obtained, in accordance with the procedures set

New matter indicated by italics - deletions by strikeout
forth in this subsection (b), the consumer's subscriber's oral authorization to change electric suppliers that confirms and includes appropriate verification data. The independent third party (i) must not be owned, managed, controlled, or directed by the supplier or the supplier's marketing agent; (ii) must not have any financial incentive to confirm supplier change requests for the supplier or the supplier's marketing agent; and (iii) must operate in a location physically separate from the supplier or the supplier's marketing agent.

Automated third-party verification systems and 3-way conference calls may be used for verification purposes so long as the other requirements of this subsection (b) are satisfied.

A supplier or supplier's sales representative initiating a 3-way conference call or a call through an automated verification system must drop off the call once the 3-way connection has been established.

All third-party verification methods shall elicit, at a minimum, the following information: (i) the identity of the consumer subscriber; (ii) confirmation that the person on the call is the account holder, has been specifically and explicitly authorized by the account holder, or possesses lawful authority authorized to make the supplier change; (iii) confirmation that the person on the call wants to make the supplier change; (iv) the names of the suppliers affected by the change; (v) the service address of the supply to be switched; and (vi) the price of the service to be supplied and the material terms and conditions of the service being offered, including whether any early termination fees apply. Third-party verifiers may not market the supplier's services by providing additional information, including information regarding procedures to block or otherwise freeze an account against further changes.

All third-party verifications shall be conducted in the same language that was used in the underlying sales transaction and shall be recorded in their entirety. Submitting suppliers shall maintain and preserve audio records of verification of subscriber authorization for a

New matter indicated by italics - deletions by strikeout
minimum period of 2 years after obtaining the verification. Automated systems must provide consumers with an option to speak with a live person at any time during the call. Each disclosure made during the third-party verification must be made individually to obtain clear acknowledgment of each disclosure. The alternative retail electric supplier must be in a location where he or she cannot hear the customer while the third-party verification is conducted. The alternative retail electric supplier shall not contact the customer after the third-party verification for a period of 24 hours unless the customer initiates the contact.

(C) (c) When a consumer subscriber initiates the call to the prospective alternative retail electric supplier electric supplier, in order to enroll the consumer subscriber as a customer, the prospective alternative retail electric supplier must, with the consent of the customer, make a date-stamped, time-stamped audio recording that elicits, at a minimum, the following information:

1. the identity of the customer subscriber;
2. confirmation that the person on the call is authorized to make the supplier change;
3. confirmation that the person on the call wants to make the supplier change;
4. the names of the suppliers affected by the change;
5. the service address of the supply to be switched; and
6. the price of the service to be supplied and the material terms and conditions of the service being offered, including whether any early termination fees apply.

Submitting suppliers shall maintain and preserve the audio records containing the information set forth above for a minimum period of 2 years.

(b)(1) An alternative retail electric supplier shall not utilize the name of a public utility in any manner that is deceptive or misleading, including, but not limited to implying or otherwise leading a consumer to believe that an alternative retail electric supplier is soliciting on behalf of

New matter indicated by italics - deletions by strikeout
or is an agent of a utility. An alternative retail electric supplier shall not utilize the name, or any other identifying insignia, graphics, or wording that has been used at any time to represent a public utility company or its services, to identify, label, or define any of its electric power and energy service offers. An alternative retail electric supplier may state the name of a public electric utility in order to accurately describe the electric utility service territories in which the supplier is currently offering an electric power and energy service. An alternative retail electric supplier that is the affiliate of an Illinois public utility and that was doing business in Illinois providing alternative retail electric service on January 1, 2016 may continue to use that public utility's name, logo, identifying insignia, graphics, or wording in its business operations occurring outside the service territory of the public utility with which it is affiliated.

(2) An alternative retail electric supplier shall not state or otherwise imply that the alternative retail electric supplier is employed by, representing, endorsed by, or acting on behalf of a utility or utility program, a consumer group or consumer group program, or a governmental body, unless the alternative retail electric supplier has entered into a contractual arrangement with the governmental body and has been authorized by the governmental body to make the statements.

(c) An alternative retail electric supplier shall not submit or execute a change in a consumer's selection of a provider of electric service unless the alternative retail electric supplier complies with the following requirements of this subsection (c). It is a violation of this Section for an alternative retail electric supplier to fail to comply with this subsection (c). The requirements of this subsection (c) shall only apply to residential and small commercial retail customers. For purposes of this subsection (c) only, "small commercial retail customer" has the meaning given to that term in Section 16-102 of the Public Utilities Act.

(1) During a solicitation an alternative retail electric supplier shall state that he or represents an independent seller of electric power and energy service certified by the Illinois Commerce Commission and that he or she is not employed by, representing, endorsed by, or acting on behalf of, a utility, or a utility program, a consumer group or consumer group program, or a governmental body, unless the alternative retail electric supplier has entered into a contractual arrangement with the governmental body and has been authorized with the governmental body to make the statements.

New matter indicated by italics - deletions by strikeout
(2) Alternative retail electric suppliers who engage in in-person solicitation for the purpose of selling electric power and energy service offered by the alternative retail electric supplier shall display identification on an outer garment. This identification shall be visible at all times and prominently display the following: (i) the alternative retail electric supplier agent's full name in reasonable size font; (ii) an agent identification number; (iii) a photograph of the alternative retail electric supplier agent; and (iv) the trade name and logo of the alternative retail electric supplier the agent is representing. If the agent is selling electric power and energy services from multiple alternative retail electric suppliers to the consumer, the identification shall display the trade name and logo of the agent, broker, or consultant entity as that entity is defined in Section 16-115C of the Public Utilities Act. An alternative retail electric supplier shall leave the premises at the consumer's, owner's, or occupant's request. A copy of the Uniform Disclosure Statement described in 83 Ill. Adm. Code 412.115 and 412.Appendix A is to be left with the consumer, at the conclusion of the visit unless the consumer refuses to accept a copy. An alternative retail electric supplier may provide the Uniform Disclosure Statement electronically instead of in paper form to a consumer upon that customer's request. The alternative retail electric supplier shall also offer to the consumer, at the time of the initiation of the solicitation, a business card or other material that lists the agent's name, identification number and title, and the alternative retail electric supplier's name and contact information, including phone number. The alternative retail electric supplier shall not conduct any in-person solicitations of consumers at any building or premises where any sign, notice, or declaration of any description whatsoever is posted that prohibits sales, marketing, or solicitations. The alternative retail electric supplier shall obtain consent to enter multi-unit residential dwellings. Consent obtained to enter a multi-unit dwelling from one prospective customer or occupant of the dwelling shall not constitute consent to market to any other prospective consumers without separate consent.

(3) An alternative retail electric supplier who contacts consumers by telephone for the purpose of selling electric power and energy service shall provide the agent's name and identification number. Any telemarketing solicitations that lead to

New matter indicated by italics - deletions by strikeout
a telephone enrollment of a consumer must be recorded and retained for a minimum of 2 years. All telemarketing calls of consumers that do not lead to a telephone enrollment, but last at least 2 minutes, shall be recorded and retained for a minimum of 6 months.

(4) During an inbound enrollment call, an alternative retail electric supplier shall state that he or she represents an independent seller of electric power and energy service certified by the Illinois Commerce Commission. All inbound enrollment calls that lead to an enrollment shall be recorded, and the recordings shall be retained for a minimum of 2 years. An inbound enrollment call that does not lead to an enrollment, but lasts at least 2 minutes, shall be retained for a minimum of 6 months. The alternative retail electric supplier shall send the Uniform Disclosure Statement and contract to the customer within 3 business days after the electric utility's confirmation to the alternative retail electric supplier of an accepted enrollment.

(5) If a direct mail solicitation to a consumer includes a written letter of agency, it shall include the Uniform Disclosure Statement described in 83 Ill. Adm. Code 412.115 and 412.Appendix A. The Uniform Disclosure Statement shall be provided on a separate page from the other marketing materials included in the direct mail solicitation. If a written letter of agency is being used to authorize a consumer's enrollment, the written letter of agency shall comply with this Section. A copy of the contract must be sent to consumer within 3 business days after the electric utility's confirmation to the alternative retail electric supplier of an accepted enrollment.

(6) Online Solicitation.

(A) Each alternative retail electric supplier offering electric power and energy service to consumers online shall clearly and conspicuously make all disclosures for any services offered through online enrollment before requiring the consumer to enter any personal information other than zip code, electric utility service territory, or type of service sought.

(B) Notwithstanding any requirements in this Section to the contrary, an alternative retail electric supplier may secure consent from the consumer to obtain

New matter indicated by italics - deletions by strikeout
customer-specific billing and usage information for the sole purpose of determining and pricing a product through a letter of agency or method approved through an Illinois Commerce Commission docket before making all disclosure for services offered through online enrollment. It is a violation of this Act for an alternative retail electric supplier to use a consumer's utility account number to execute or change a consumer's enrollment unless the consumer expressly consents to that enrollment as required by law.

(C) The enrollment website of the alternative retail electric supplier shall, at a minimum, include: (i) disclosure of all material terms and conditions of the offer; (ii) a statement that electronic acceptance of the terms and conditions is an agreement to initiate service and begin enrollment; (iii) a statement that the consumer shall review the contract or contact the current supplier to learn if any early termination fees are applicable; and (iv) an email address and toll-free phone number of the alternative retail electric supplier where the customer can express a decision to rescind the contract.

(7)(A) Beginning January 1, 2020, an alternative retail electric supplier shall not sell or offer to sell any products or services to a consumer pursuant to a contract in which the contract automatically renews, unless an alternative retail electric supplier provides to the consumer at the outset of the offer, in addition to other disclosures required by law, a separate written statement titled "Automatic Contract Renewal" that clearly and conspicuously discloses in bold lettering in at least 12-point font the terms and conditions of the automatic contract renewal provision, including: (i) the estimated bill cycle on which the initial contract term expires and a statement that it could be later based on when the utility accepts the initial enrollment; (ii) the estimated bill cycle on which the new contract term begins and a statement that it will immediately follow the last billing cycle of the current term; (iii) the procedure to terminate the contract before the new contract term applies; and (iv) the cancellation procedure. If the alternative retail electric supplier sells or offers to sell the products or services to a consumer during an in-person

New matter indicated by italics - deletions by strikeout
solicitation or telemarketing solicitation, the disclosures described in this subparagraph (A) shall also be made to the consumer verbally during the solicitation. Nothing in this subparagraph (A) shall be construed to apply to contracts entered into before January 1, 2020.

(B) At least 30 days before, but not more than 60 days prior, to the end of the initial contract term, in any and all contracts that automatically renew after the initial term, the alternative retail electric supplier shall send, in addition to other disclosures required by law, a separate written notice of the contract renewal to the consumer that clearly and conspicuously discloses the following:

(i) a statement printed or visible from the outside of the envelope or in the subject line of the email, if the customer has agreed to receive official documents by email, that states "Contract Renewal Notice";

(ii) a statement in bold lettering, in at least 12-point font, that the contract will automatically renew unless the customer cancels it;

(iii) the billing cycle in which service under the current term will expire;

(iv) the billing cycle in which service under the new term will begin;

(v) the process and options available to the consumer to reject the new contract terms;

(vi) the cancellation process if the consumer's contract automatically renews before the consumer rejects the new contract terms;

(vii) the terms and conditions of the new contract term;

(viii) for a fixed rate contract, a side-by-side comparison of the current price and the new price; for a variable rate contract or time-of-use product in which the first month's renewal price can be determined, a side-by-side comparison of the current price and the price for the first month of the new variable or time-of-use price; or for a variable or time-of-use contract based on a publicly

New matter indicated by italics - deletions by strikeout
available index, a side-by-side comparison of the current formula and the new formula; and

(ix) the phone number and email address to submit a consumer inquiry or complaint to the Illinois Commerce Commission and the Office of the Attorney General.

(C) An alternative retail electric supplier shall not automatically renew a consumer's enrollment after the current term of the contract expires when the current term of the contract provides that the consumer will be charged a fixed rate and the renewed contract provides that the consumer will be charged a variable rate, unless: (i) the alternative retail electric supplier complies with subparagraphs (A) and (B); and (ii) the customer expressly consents to the contract renewal in writing or by electronic signature at least 30 days, but no more than 60 days, before the contract expires.

(D) This paragraph (7) does not apply to customers enrolled in a municipal aggregation program pursuant to Section 1-92 of the Illinois Power Agency Act.

(8) All in-person and telephone solicitations shall be conducted in, translated into, and provided in a language in which the consumer subject to the marketing or solicitation is able to understand and communicate. An alternative retail electric supplier shall terminate a solicitation if the consumer subject to the marketing or communication is unable to understand and communicate in the language in which the marketing or solicitation is being conducted. An alternative retail electric supplier shall comply with Section 2N of this Act.

(9) Beginning January 1, 2020, consumers shall have the right to terminate their contract with the alternative retail electric supplier at any time without any termination fees or penalties.

(10) An alternative retail electric supplier shall not submit a change to a customer's electric service provider in violation of Section 16-115E of the Public Utilities Act.

(c) Complaints may be filed with the Illinois Commerce Commission under this Section by a consumer whose electric service has been provided by an alternative retail electric supplier in a manner not in compliance with this Section or by the

New matter indicated by italics - deletions by strikeout
Illinois Commerce Commission on its own motion when it appears to the Commission that an alternative retail electric supplier has provided service in a manner not in compliance with this Section. If, after notice and hearing, the Commission finds that an alternative retail electric supplier has violated this Section, the Commission may in its discretion do any one or more of the following:

1. Require the violating alternative retail electric supplier to refund to the consumer subscriber charges collected in excess of those that would have been charged by the consumer's authorized electric service provider.

2. Require the violating alternative retail electric supplier to pay to the consumer's authorized electric service provider the amount the authorized electric service provider would have collected for the electric service. The Commission is authorized to reduce this payment by any amount already paid by the violating alternative retail electric supplier to the consumer's authorized provider for electric service.

3. Require the violating alternative retail electric supplier to pay a fine of up to $1,000 into the Public Utility Fund for each repeated and intentional violation of this Section.

4. Issue a cease and desist order.

5. For a pattern of violation of this Section or for intentionally violating a cease and desist order, revoke the violating alternative retail electric supplier's certificate of service authority.

(d) For purposes of this Section:

"Electric, "electric service provider" shall have the meaning given that phrase in Section 6.5 of the Attorney General Act.

"Alternative retail electric supplier" has the meaning given to that term in Section 16-102 of the Public Utilities Act.

An alternative gas supplier shall not utilize the name, or any other identifying insignia, graphics, or wording, that has been used at any time to represent a public utility company or its services or to identify, label, or define any of its natural gas supply offers and shall not misrepresent the affiliation of any alternative supplier with the gas utility, governmental bodies, or consumer groups.

(A) An alternative gas supplier shall obtain any necessary written or electronically signed authorization from a customer for a change in natural gas service by using a letter of agency as specified in this Section. Any letter of agency that does not conform with this Section is invalid.

(B) The letter of agency shall be a separate document (or an easily separable document containing only the authorization language described in item (E) of this paragraph (1)) whose sole purpose is to authorize a natural gas provider change. The letter of agency must be signed and dated by the customer requesting the natural gas provider change.

(C) The letter of agency shall not be combined with inducements of any kind on the same document.

(D) Notwithstanding items (A) and (B) of this paragraph (1), the letter of agency may be combined with checks that contain only the required letter of agency language prescribed in item (E) of this paragraph (1) and the necessary information to make the check a negotiable instrument. The letter of agency check shall not contain any promotional language or material. The letter of agency check shall contain in easily readable, bold face type on the face of the check, a notice that the consumer is authorizing a natural gas provider change by signing the check. The letter of agency language also shall be placed near the signature line on the back of the check.

(E) At a minimum, the letter of agency must be printed with a print of sufficient size to be clearly legible, and must contain clear and unambiguous language that confirms:

(i) the customer's billing name and address;
(ii) the decision to change the natural gas provider from the current provider to the prospective alternative gas supplier;
(iii) the terms, conditions, and nature of the service to be provided to the customer, including, but not limited to, the rates for the service contracted for by the customer; and
(iv) that the customer understands that any natural gas provider selection the customer chooses may involve a charge to the customer for changing the customer's natural gas provider.

(F) Letters of agency shall not suggest or require that a customer take some action in order to retain the customer's current natural gas provider.

(G) If any portion of a letter of agency is translated into another language, then all portions of the letter of agency must be translated into that language.

(2) An appropriately qualified independent third party has obtained, in accordance with the procedures set forth in this paragraph (2), the customer's oral authorization to change natural gas providers that confirms and includes appropriate verification data. The independent third party must (i) not be owned, managed, controlled, or directed by the alternative gas supplier or the alternative gas supplier's marketing agent; (ii) not have any financial incentive to confirm provider change requests for the alternative gas supplier or the alternative gas supplier's marketing agent; and (iii) operate in a location physically separate from the alternative gas supplier or the alternative gas supplier's marketing agent. Automated third-party verification systems and 3-way conference calls may be used for verification purposes so long as the other requirements of this paragraph (2) are satisfied. A alternative gas supplier or alternative gas supplier's sales representative initiating a 3-way conference call or a call through an automated verification system must drop off the call once the 3-
way connection has been established. All third-party verification methods shall elicit, at a minimum, the following information:

(A) the identity of the customer;
(B) confirmation that the person on the call is authorized to make the provider change;
(C) confirmation that the person on the call wants to make the provider change;
(D) the names of the providers affected by the change;
(E) the service address of the service to be switched; and
(F) the price of the service to be provided and the material terms and conditions of the service being offered, including whether any early termination fees apply.

Third-party verifiers may not market the alternative gas supplier's services. All third-party verifications shall be conducted in the same language that was used in the underlying sales transaction and shall be recorded in their entirety. Submitting alternative gas suppliers shall maintain and preserve audio records of verification of customer authorization for a minimum period of 2 years after obtaining the verification. Automated systems must provide customers with an option to speak with a live person at any time during the call. Each disclosure made during the third-party verification must be made individually to obtain clear acknowledgment of each disclosure. The alternative gas supplier must be in a location where he or she cannot hear the customer while the third-party verification is conducted. The alternative gas supplier shall not contact the customer after the third-party verification for a period of 24 hours unless the customer initiates the contact.

(3) The alternative gas supplier has obtained the customer's electronic authorization to change natural gas service via telephone. Such authorization must elicit the information in paragraph (2)(A) through (F) of this subsection (d). Alternative gas suppliers electing to confirm sales electronically shall establish one or more toll-free telephone numbers exclusively for that purpose. Calls to the number or numbers shall connect a customer to a voice response unit, or similar mechanism, that makes a date-stamped,
time-stamped recording of the required information regarding the alternative gas supplier change.

The alternative gas supplier shall not use such electronic authorization systems to market its services.

(4) When a consumer initiates the call to the prospective alternative gas supplier, in order to enroll the consumer as a customer, the prospective alternative gas supplier must, with the consent of the customer, make a date-stamped, time-stamped audio recording that elicits, at a minimum, the following information:

(A) the identity of the customer;
(B) confirmation that the person on the call is authorized to make the provider change;
(C) confirmation that the person on the call wants to make the provider change;
(D) the names of the providers affected by the change;
(E) the service address of the service to be switched; and
(F) the price of the service to be supplied and the material terms and conditions of the service being offered, including whether any early termination fees apply.

Submitting alternative gas suppliers shall maintain and preserve the audio records containing the information set forth above for a minimum period of 2 years.

(5) In the event that a customer enrolls for service from an alternative gas supplier via an Internet website, the alternative gas supplier shall obtain an electronically signed letter of agency in accordance with paragraph (1) of this subsection (d) and any customer information shall be protected in accordance with all applicable statutes and rules. In addition, an alternative gas supplier shall provide the following when marketing via an Internet website:

(A) The Internet enrollment website shall, at a minimum, include:
   (i) a copy of the alternative gas supplier's customer contract, which clearly and conspicuously discloses all terms and conditions; and
   (ii) a conspicuous prompt for the customer to print or save a copy of the contract.

New matter indicated by italics - deletions by strikeout
(B) Any electronic version of the contract shall be identified by version number, in order to ensure the ability to verify the particular contract to which the customer assents.

(C) Throughout the duration of the alternative gas supplier's contract with a customer, the alternative gas supplier shall retain and, within 3 business days of the customer's request, provide to the customer an e-mail, paper, or facsimile of the terms and conditions of the numbered contract version to which the customer assents.

(D) The alternative gas supplier shall provide a mechanism by which both the submission and receipt of the electronic letter of agency are recorded by time and date.

(E) After the customer completes the electronic letter of agency, the alternative gas supplier shall disclose conspicuously through its website that the customer has been enrolled and the alternative gas supplier shall provide the customer an enrollment confirmation number.

(6) When a customer is solicited in person by the alternative gas supplier's sales agent, the alternative gas supplier may only obtain the customer's authorization to change natural gas service through the method provided for in paragraph (2) of this subsection (d).

Alternative gas suppliers must be in compliance with the provisions of this subsection (d) within 90 days after the effective date of this amendatory Act of the 95th General Assembly.

(e) Early Termination.

(1) Beginning January 1, 2020, consumers shall have the right to terminate their contract with an alternative gas supplier at any time without any termination fees or penalties. Any agreement that contains an early termination clause shall disclose the amount of the early termination fee, provided that any early termination fee or penalty shall not exceed $50 total, regardless of whether or not the agreement is a multiyear agreement.

(2) In any agreement that contains an early termination clause, an alternative gas supplier shall provide the customer the opportunity to terminate the agreement without any termination fee or penalty within 10 business days after the date of the first bill issued to the customer for products or services provided by the alternative gas supplier.
alternative gas supplier. The agreement shall disclose the opportunity and provide a toll-free phone number that the customer may call in order to terminate the agreement.

(f) The alternative gas supplier shall provide each customer the opportunity to rescind its agreement without penalty within 10 business days after the date on the gas utility notice to the customer. The alternative gas supplier shall disclose to the customer all of the following:

(1) that the gas utility shall send a notice confirming the switch;
(2) that from the date the utility issues the notice confirming the switch, the customer shall have 10 business days before the switch will become effective;
(3) that the customer may contact the gas utility or the alternative gas supplier to rescind the switch within 10 business days; and
(4) the contact information for the gas utility and the alternative gas supplier.

The alternative gas supplier disclosure shall be included in its sales solicitations, contracts, and all applicable sales verification scripts.

(f-5)(1) Beginning January 1, 2020, an alternative gas supplier shall not sell or offer to sell any products or services to a consumer pursuant to a contract in which the contract automatically renews, unless an alternative gas supplier provides to the consumer at the outset of the offer, in addition to other disclosures required by law, a separate written statement titled "Automatic Contract Renewal" that clearly and conspicuously discloses in bold lettering in at least 12-point font the terms and conditions of the automatic contract renewal provision, including: (i) the estimated bill cycle on which the initial contract term expires and a statement that it could be later based on when the utility accepts the initial enrollment; (ii) the estimated bill cycle on which the new contract term begins and a statement that it will immediately follow the last billing cycle of the current term; (iii) the procedure to terminate the contract before the new contract term applies; and (iv) the cancellation procedure. If the alternative gas supplier sells or offers to sell the products or services to a consumer during an in-person solicitation or telemarketing solicitation, the disclosures described in this paragraph (1) shall also be made to the consumer verbally during the solicitation.

Nothing in this paragraph (1) shall be construed to apply to contracts entered into before January 1, 2020.

(2) At least 30 days before, but not more than 60 days prior, to the end of the initial contract term, in any and all contracts that automatically renew after the initial term, the alternative gas supplier shall send, in addition to other disclosures required by law, a separate written notice of the contract renewal to the consumer that clearly and conspicuously discloses the following:

(A) a statement printed or visible from the outside of the envelope or in the subject line of the email, if the customer has agreed to receive official documents by email, that states "Contract Renewal Notice";

(I) the phone number and email address to submit a consumer inquiry or complaint to the Illinois Commerce Commission and the Office of the Attorney General.

(3) An alternative gas supplier shall not automatically renew a consumer's enrollment after the current term of the contract expires when the current term of the contract provides that the consumer will be charged a fixed rate and the renewed contract provides that the consumer will be charged a variable rate, unless: (i) the alternative gas supplier complies with paragraphs (1) and (2); and (ii) the customer expressly consents to the contract renewal in writing or by electronic signature at least 30 days, but no more than 60 days, before the contract expires.

(4) An alternative gas supplier shall not submit a change to a customer's gas service provider in violation of Section 19-116 of the Public Utilities Act.

On appeal, the Ethics Commission or Auditor General shall seek, accept, and consider written public comments regarding a determination. In deciding whether to uphold an Inspector General's determination, the appropriate Ethics Commission or Auditor General shall assess, in addition to any other relevant information, the effect of the prospective employment or relationship upon the decisions referred to in subsections (a) and (b), based on the totality of the participation by the former officer, member, or State employee in those decisions. The Ethics Commission shall decide whether to uphold an Inspector General's determination within 10 calendar days or the person is deemed eligible for the employment opportunity.

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(1.5) When a petitioner seeks to have a record of arrest expunged under this Section, and the offender has been convicted of a criminal offense, the State's Attorney may object to the expungement on the grounds that the records contain specific relevant information aside from the mere fact of the arrest.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or
vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 11-1.50, 12-3.2, or 12-15 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(i-5) Those arrests or charges that resulted in orders of supervision for a misdemeanor violation of subsection (a) of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not be eligible for expungement until the petitioner has reached the age of 25 years.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.
(3) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his or her name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk

in connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court that finds the petitioner factually innocent of the charge shall enter an expungement order for the conviction for which the petitioner has been determined to be innocent as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961 or the Criminal Code of 2012, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act, or Section 10 of the Steroid Control Act.

(8) If the petitioner has been granted a certificate of innocence under Section 2-702 of the Code of Civil Procedure, the court that grants the certificate of innocence shall also enter an order expunging the conviction for which the petitioner has been determined to be innocent as provided in subsection (h) of Section 2-702 of the Code of Civil Procedure.

(c) Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults. Subsection (g) of this Section provides for immediate sealing of certain records.

(2) Eligible Records. The following records may be sealed:

(A) All arrests resulting in release without charging;
(B) Arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the

conviction was reversed or vacated, except as excluded by subsection (a)(3)(B);

(C) Arrests or charges not initiated by arrest resulting in orders of supervision, including orders of supervision for municipal ordinance violations, successfully completed by the petitioner, unless excluded by subsection (a)(3);

(D) Arrests or charges not initiated by arrest resulting in convictions, including convictions on municipal ordinance violations, unless excluded by subsection (a)(3);

(E) Arrests or charges not initiated by arrest resulting in orders of first offender probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, or Section 5-6-3.3 of the Unified Code of Corrections; and

(F) Arrests or charges not initiated by arrest resulting in felony convictions unless otherwise excluded by subsection (a) paragraph (3) of this Section.

(3) When Records Are Eligible to Be Sealed. Records identified as eligible under subsection (c)(2) may be sealed as follows:

(A) Records identified as eligible under subsection (c)(2)(A) and (c)(2)(B) may be sealed at any time.

(B) Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsection (c)(2)(C) may be sealed 2 years after the termination of petitioner's last sentence (as defined in subsection (a)(1)(F)).

(C) Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsections (c)(2)(D), (c)(2)(E), and (c)(2)(F) may be sealed 3 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)). not be sealed until the petitioner is no longer required to register under that relevant Act.

(D) Records identified in subsection (a)(3)(A)(iii) may be sealed after the petitioner has reached the age of 25 years.

(E) Records identified as eligible under subsections (c)(2)(C), (c)(2)(D), (c)(2)(E), or (c)(2)(F) may be sealed upon termination of the petitioner's last sentence if the petitioner earned a high school diploma, associate's degree, career certificate, vocational technical certification, or bachelor's degree, or passed the high school level Test of General Educational Development, during the period of his or her sentence or mandatory supervised release. This subparagraph shall apply only to a petitioner who has not completed the same educational goal prior to the period of his or her sentence or mandatory supervised release. If a petition for sealing eligible records filed under this subparagraph is denied by the court, the time periods under subparagraph (B) or (C) shall apply to any subsequent petition for sealing filed by the petitioner.

(4) Subsequent felony convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (c) if he or she is convicted of any felony offense after the date of the sealing of prior felony convictions as provided in this subsection (c). The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.

(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

(d) Procedure. The following procedures apply to expungement under subsections (b), (e), and (e-6) and sealing under subsections (c) and (e-5):

(1) Filing the petition. Upon becoming eligible to petition for the expungement or sealing of records under this Section, the petitioner shall file a petition requesting the expungement or sealing of records with the clerk of the court where the arrests occurred or the charges were brought, or both. If arrests occurred or
charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, except no fee shall be required if the petitioner has obtained a court order waiving fees under Supreme Court Rule 298 or it is otherwise waived.

(1.5) County fee waiver pilot program. From August 9, 2019 (the effective date of Public Act 101-306) this amendatory Act of the 101st General Assembly through December 31, 2020, in a county of 3,000,000 or more inhabitants, no fee shall be required to be paid by a petitioner if the records sought to be expunged or sealed were arrests resulting in release without charging or arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, unless excluded by subsection (a)(3)(B). The provisions of this paragraph (1.5), other than this sentence, are inoperative on and after January 1, 2021.

(2) Contents of petition. The petition shall be verified and shall contain the petitioner's name, date of birth, current address and, for each arrest or charge not initiated by arrest sought to be sealed or expunged, the case number, the date of arrest (if any), the identity of the arresting authority, and such other information as the court may require. During the pendency of the proceeding, the petitioner shall promptly notify the circuit court clerk of any change of his or her address. If the petitioner has received a certificate of eligibility for sealing from the Prisoner Review Board under paragraph (10) of subsection (a) of Section 3-3-2 of the Unified Code of Corrections, the certificate shall be attached to the petition.

(3) Drug test. The petitioner must attach to the petition proof that the petitioner has passed a test taken within 30 days before the filing of the petition showing the absence within his or her body of all illegal substances as defined by the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, and the Cannabis Control Act if he or she is petitioning to:

(A) seal felony records under clause (c)(2)(E);
(B) seal felony records for a violation of the Illinois Controlled Substances Act, the Methamphetamine Control

and Community Protection Act, or the Cannabis Control Act under clause (c)(2)(F);

(C) seal felony records under subsection (e-5); or

(D) expunge felony records of a qualified probation under clause (b)(1)(iv).

(4) Service of petition. The circuit court clerk shall promptly serve a copy of the petition and documentation to support the petition under subsection (e-5) or (e-6) on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest.

(5) Objections.

(A) Any party entitled to notice of the petition may file an objection to the petition. All objections shall be in writing, shall be filed with the circuit court clerk, and shall state with specificity the basis of the objection. Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, an objection to the petition may not be filed.

(B) Objections to a petition to expunge or seal must be filed within 60 days of the date of service of the petition.

(6) Entry of order.

(A) The Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, if any, shall rule on the petition to expunge or seal as set forth in this subsection (d)(6).

(B) Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency, or the chief legal officer files an objection to the petition to expunge or seal within 60 days from the date of service of the petition, the court shall enter an order granting or denying the petition.

(C) Notwithstanding any other provision of law, the court shall not deny a petition for sealing under this Section because the petitioner has not satisfied an outstanding legal financial obligation established, imposed, or originated by a court, law enforcement agency, or a municipal, State,
county, or other unit of local government, including, but not limited to, any cost, assessment, fine, or fee. An outstanding legal financial obligation does not include any court ordered restitution to a victim under Section 5-5-6 of the Unified Code of Corrections, unless the restitution has been converted to a civil judgment. Nothing in this subparagraph (C) waives, rescinds, or abrogates a legal financial obligation or otherwise eliminates or affects the right of the holder of any financial obligation to pursue collection under applicable federal, State, or local law.

(7) Hearings. If an objection is filed, the court shall set a date for a hearing and notify the petitioner and all parties entitled to notice of the petition of the hearing date at least 30 days prior to the hearing. Prior to the hearing, the State's Attorney shall consult with the Department as to the appropriateness of the relief sought in the petition to expunge or seal. At the hearing, the court shall hear evidence on whether the petition should or should not be granted, and shall grant or deny the petition to expunge or seal the records based on the evidence presented at the hearing. The court may consider the following:

(A) the strength of the evidence supporting the defendant's conviction;
(B) the reasons for retention of the conviction records by the State;
(C) the petitioner's age, criminal record history, and employment history;
(D) the period of time between the petitioner's arrest on the charge resulting in the conviction and the filing of the petition under this Section; and
(E) the specific adverse consequences the petitioner may be subject to if the petition is denied.

(8) Service of order. After entering an order to expunge or seal records, the court must provide copies of the order to the Department, in a form and manner prescribed by the Department, to the petitioner, to the State's Attorney or prosecutor charged with the duty of prosecuting the offense, to the arresting agency, to the chief legal officer of the unit of local government effecting the arrest, and to such other criminal justice agencies as may be ordered by the court.

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order; and

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Department within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for such records from anyone not authorized by law to access such records, the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(B-5) Upon entry of an order to expunge records under subsection (e-6):

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for these records from anyone not authorized by law to access the records, the court, the Department, or the agency receiving the inquiry shall reply as it does in response to inquiries when no records ever existed.

(C) Upon entry of an order to seal records under subsection (c), the arresting agency, any other agency as ordered by the court, the Department, and the court shall seal the records (as defined in subsection (a)(1)(K)). In response to an inquiry for such records, from anyone not authorized by law to access such records, the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(D) The Department shall send written notice to the petitioner of its compliance with each order to expunge or seal records within 60 days of the date of service of that order or, if a motion to vacate, modify, or reconsider is filed, within 60 days of service of the order resolving the motion, if that order requires the Department to expunge or seal records. In the event of an appeal from the circuit court order, the Department shall send written notice to the petitioner of its compliance with an Appellate Court or Supreme Court judgment to expunge or seal records within 60 days of the issuance of the court's mandate. The notice is not required while any motion to vacate, modify, or reconsider, or any appeal or petition for discretionary appellate review, is pending.

(E) Upon motion, the court may order that a sealed judgment or other court record necessary to demonstrate the amount of any legal financial obligation due and owing be made available for the limited purpose of collecting any legal financial obligations owed by the petitioner that were established, imposed, or originated in the criminal proceeding for which those records have been sealed. The records made available under this subparagraph (E) shall not be entered into the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act and shall be immediately re-impounded upon the collection of the outstanding financial obligations.

(F) Notwithstanding any other provision of this Section, a circuit court clerk may access a sealed record for the limited purpose of collecting payment for any legal financial obligations that were established, imposed, or originated in the criminal proceedings for which those records have been sealed.

(10) Fees. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the petition to seal or expunge, the circuit court clerk shall deposit $10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. The circuit court clerk shall collect and forward the Department of State Police portion of the fee to the Department and it shall be deposited in the State Police Services Fund. If the record brought under an expungement petition was previously sealed under this Section, the fee for the expungement petition for that same record shall be waived.

(11) Final Order. No court order issued under the expungement or sealing provisions of this Section shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to notice of the petition.

(12) Motion to Vacate, Modify, or Reconsider. Under Section 2-1203 of the Code of Civil Procedure, the petitioner or any party entitled to notice may file a motion to vacate, modify, or reconsider the order granting or denying the petition to expunge or seal within 60 days of service of the order. If filed more than 60 days after service of the order, a petition to vacate, modify, or reconsider shall comply with subsection (c) of Section 2-1401 of the Code of Civil Procedure. Upon filing of a motion to vacate, modify, or reconsider, notice of the motion shall be served upon the petitioner and all parties entitled to notice of the petition.

(13) Effect of Order. An order granting a petition under the expungement or sealing provisions of this Section shall not be considered void because it fails to comply with the provisions of this Section or because of any error asserted in a motion to vacate, modify, or reconsider. The circuit court retains jurisdiction to determine whether the order is voidable and to vacate, modify, or reconsider its terms based on a motion filed under paragraph (12) of this subsection (d).

(14) Compliance with Order Granting Petition to Seal Records. Unless a court has entered a stay of an order granting a petition to seal, all parties entitled to notice of the petition must fully comply with the terms of the order within 60 days of service of the order even if a party is seeking relief from the order through a motion filed under paragraph (12) of this subsection (d) or is appealing the order.

(15) Compliance with Order Granting Petition to Expunge Records. While a party is seeking relief from the order granting the petition to expunge through a motion filed under paragraph (12) of this subsection (d) or is appealing the order, and unless a court has entered a stay of that order, the parties entitled to notice of the petition must seal, but need not expunge, the records until there is a final order on the motion for relief or, in the case of an appeal, the issuance of that court's mandate.

(16) The changes to this subsection (d) made by Public Act 98-163 apply to all petitions pending on August 5, 2013 (the effective date of Public Act 98-163) and to all orders ruling on a petition to expunge or seal on or after August 5, 2013 (the effective date of Public Act 98-163).
(e) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was pardoned.

(e-5) Whenever a person who has been convicted of an offense is granted a certificate of eligibility for sealing by the Prisoner Review Board which specifically authorizes sealing, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, have a court order entered sealing the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the petitioner obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been granted the certificate but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as
required by this Act or to the arresting authority, a law enforcement agency, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of sealing, the circuit court clerk shall promptly mail a copy of the order to the person who was granted the certificate of eligibility for sealing.

(35 ILCS 105/3-10)

Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of either the selling price or the fair market value, if any, of the tangible personal property. In all cases where property functionally used or consumed is a by-product or waste product that has been refined, manufactured, or produced from property purchased at retail, then the tax is imposed on the lower of the fair market value, if any, of the specific property so used in this State or on the selling price of the property purchased at retail. For purposes of this Section "fair market value" means the price at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or sell and both having reasonable knowledge of the relevant facts. The fair market value shall be established by Illinois sales by the taxpayer of the same property as that functionally used or consumed, or if there are no such sales by the taxpayer, then comparable sales or purchases of property of like kind and character in Illinois.

For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Section 20. The Illinois Municipal Code is amended by changing and renumbering Section 8-11-22, as added by Public Act 101-27, and by changing Section 8-11-6a as follows:

Sec. 8-11-6a. Home rule municipalities; preemption of certain taxes. Except as provided in Sections 8-11-1, 8-11-5, 8-11-6, 8-11-6b, 8-

11-6c, 8-11-23 8-11-22, and 11-74.3-6 on and after September 1, 1990, no home rule municipality has the authority to impose, pursuant to its home rule authority, a retailer's occupation tax, service occupation tax, use tax, sales tax or other tax on the use, sale or purchase of tangible personal property based on the gross receipts from such sales or the selling or purchase price of said tangible personal property. Notwithstanding the foregoing, this Section does not preempt any home rule imposed tax such as the following: (1) a tax on alcoholic beverages, whether based on gross receipts, volume sold or any other measurement; (2) a tax based on the number of units of cigarettes or tobacco products (provided, however, that a home rule municipality that has not imposed a tax based on the number of units of cigarettes or tobacco products before July 1, 1993, shall not impose such a tax after that date); (3) a tax, however measured, based on the use of a hotel or motel room or similar facility; (4) a tax, however measured, on the sale or transfer of real property; (5) a tax, however measured, on lease receipts; (6) a tax on food prepared for immediate consumption and on alcoholic beverages sold by a business which provides for on premise consumption of said food or alcoholic beverages; or (7) other taxes not based on the selling or purchase price or gross receipts from the use, sale or purchase of tangible personal property. This Section does not preempt a home rule municipality with a population of more than 2,000,000 from imposing a tax, however measured, on the use, for consideration, of a parking lot, garage, or other parking facility. This Section is not intended to affect any existing tax on food and beverages prepared for immediate consumption on the premises where the sale occurs, or any existing tax on alcoholic beverages, or any existing tax imposed on the charge for renting a hotel or motel room, which was in effect January 15, 1988, or any extension of the effective date of such an existing tax by ordinance of the municipality imposing the tax, which extension is hereby authorized, in any non-home rule municipality in which the imposition of such a tax has been upheld by judicial determination, nor is this Section intended to preempt the authority granted by Public Act 85-1006. On and after December 1, 2019, no home rule municipality has the authority to impose, pursuant to its home rule authority, a tax, however measured, on sales of aviation fuel, as defined in Section 3 of the Retailers' Occupation Tax Act, unless the tax is not subject to the revenue use requirements of 49 U.S.C. 47107(b) 47017(b) and 49 U.S.C. 47133, or unless the tax revenue is expended for airport-related purposes. For purposes of this Section, "airport-related purposes"
has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Aviation fuel shall be excluded from tax only if, and for so long as, the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. This Section is a limitation, pursuant to subsection (g) of Section 6 of Article VII of the Illinois Constitution, on the power of home rule units to tax. The changes made to this Section by Public Act 101-10 are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

Sec. 7-1. Findings.
(a) The General Assembly finds that the medical cannabis industry, established in 2014 through the Compassionate Use of Medical Cannabis

Pilot Program Act, has shown that additional efforts are needed to reduce barriers to ownership. Through that program, 55 licenses for dispensing organizations and 20 licenses for cultivation centers have been issued. Those licenses are held by only a small number of businesses, the ownership of which does not sufficiently meet the General Assembly's interest in business ownership that reflects the population of the State of Illinois and that demonstrates the need to reduce barriers to entry for individuals and communities most adversely impacted by the enforcement of cannabis-related laws.

(b) In the interest of establishing a legal cannabis industry that is equitable and accessible to those most adversely impacted by the enforcement of drug-related laws in this State, including cannabis-related laws, the General Assembly finds and declares that a social equity program should be established.

(c) The General Assembly also finds and declares that individuals who have been arrested or incarcerated due to drug laws suffer long-lasting negative consequences, including impacts to employment, business ownership, housing, health, and long-term financial well-being.

(d) The General Assembly also finds and declares that family members, especially children, and communities of those who have been arrested or incarcerated due to drug laws, suffer from emotional, psychological, and financial harms as a result of such arrests or incarcerations.

(e) Furthermore, the General Assembly finds and declares that certain communities have disproportionately suffered the harms of enforcement of cannabis-related laws. Those communities face greater difficulties accessing traditional banking systems and capital for establishing businesses.

(f) The General Assembly also finds that individuals who have resided in areas of high poverty suffer negative consequences, including barriers to entry in employment, business ownership, housing, health, and long-term financial well-being.

(g) The General Assembly also finds and declares that promotion of business ownership by individuals who have resided in areas of high poverty and high enforcement of cannabis-related laws furthers an equitable cannabis industry.

(h) Therefore, in the interest of remedying the harms resulting from the disproportionate enforcement of cannabis-related laws, the General Assembly finds and declares that a social equity program should offer,

(c) Mere possession of, or application for, an agent identification card or license does not constitute probable cause or reasonable suspicion to believe that a crime has been committed, nor shall it be used as the sole basis to support the search of the person, property, or home of the person possessing or applying for the agent identification card. The possession of, or application for, an agent identification card does not preclude the existence of probable cause if probable cause exists based on other grounds.

(d) No person employed by the State of Illinois shall be subject to criminal or civil penalties for taking any action in good faith in reliance on
this Act when acting within the scope of his or her employment. Representation and indemnification shall be provided to State employees as set forth in Section 2 of the State Employee Indemnification Act.

(e) No law enforcement or correctional agency, nor any person employed by a law enforcement or correctional agency, shall be subject to criminal or civil liability, except for willful and wanton misconduct, as a result of taking any action within the scope of the official duties of the agency or person to prohibit or prevent the possession or use of cannabis by a person incarcerated at a correctional facility, jail, or municipal lockup facility, on parole or mandatory supervised release, or otherwise under the lawful jurisdiction of the agency or person.

(f) For purposes of receiving medical care, including organ transplants, a person's use of cannabis under this Act does not constitute the use of an illicit substance or otherwise disqualify a person from medical care.

This subsection applies only to conduct protected under this Act.

(b) No landlord may be penalized or denied any benefit under State law for leasing to a person who uses cannabis under this Act.
(c) Nothing in this Act may be construed to require any person or establishment in lawful possession of property to allow a guest, client, lessee, customer, or visitor to use cannabis on or in that property, including on any land owned in whole or in part or managed in whole or in part by the State.

licenses and modify or change the licensing application process to reduce or eliminate barriers. The General Assembly finds that the adoption of rules to regulate cannabis use is deemed an emergency and necessary for the public interest, safety, and welfare.

In determining whether to exercise the authority granted by this subsection, the Department of Agriculture must consider the following factors:

1. the percentage of cannabis sales occurring in Illinois not in the regulated market using data from the Substance Abuse and Mental Health Services Administration, National Survey on Drug Use and Health, Illinois Behavioral Risk Factor Surveillance System, and tourism data from the Illinois Office of Tourism to ascertain total cannabis consumption in Illinois compared to the amount of sales in licensed dispensing organizations;
2. whether there is an adequate supply of cannabis and cannabis-infused products to serve registered medical cannabis patients;
3. whether there is an adequate supply of cannabis and cannabis-infused products to serve recreational purchasers;
4. whether there is an oversupply of cannabis in Illinois leading to trafficking of cannabis to any other state;
5. population increases or shifts;
6. changes to federal law;
7. perceived security risks of increasing the number or location of infuser organizations;
8. the past security records of infuser organizations;
9. the Department of Agriculture's capacity to appropriately regulate additional licenses;
10. the findings and recommendations from the disparity and availability study commissioned by the Illinois Cannabis Regulation Oversight Officer to reduce or eliminate any identified barriers to entry in the cannabis industry; and
11. any other criteria the Department of Agriculture deems relevant.

(d) After January 1, 2022, the Department of Agriculture may by rule modify or raise the number of infuser licenses, and modify or change the licensing application process to reduce or eliminate barriers based on the criteria in subsection (c).

Sec. 60-20. Return and payment of cannabis cultivation privilege

shall make a return to the Department on or before the 20th day of each
month for the preceding calendar month stating the following:

(1) the taxpayer's name;

(2) the address of the taxpayer's principal place of business
and the address of the principal place of business (if that is a
different address) from which the taxpayer is engaged in the
business of cultivating cannabis subject to tax under this Article;

(3) the total amount of receipts received by the taxpayer
during the preceding calendar month from sales of cannabis subject
to tax under this Article by the taxpayer during the preceding
calendar month;

(4) the total amount received by the taxpayer during the
preceding calendar month on charge and time sales of cannabis
subject to tax imposed under this Article by the taxpayer before the
month for which the return is filed;

Use of Medical Cannabis Pilot Program Act. If the return for the tax under

New matter indicated by italics - deletions by strikeout
this Article is combined with the return for tax under the Compassionate Use of Medical Cannabis Pilot Program Act, then the vendor's discount allowed under this Section and any cap on that discount shall apply to the combined return. The taxpayer making the return provided for in this Section shall also pay to the Department, in accordance with this Section, the amount of tax imposed by this Article, less a discount of 1.75%, but not to exceed $1,000 per return period, which is allowed to reimburse the taxpayer for the expenses incurred in keeping records, collecting tax, preparing and filing returns, remitting the tax, and supplying data to the Department upon request. No discount may be claimed by a taxpayer on returns not timely filed and for taxes not timely remitted. No discount may be claimed by a taxpayer for any return that is not filed electronically. No discount may be claimed by a taxpayer for any payment that is not made electronically, unless a waiver has been granted under this Section. Any amount that is required to be shown or reported on any return or other document under this Article shall, if the amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount if the fractional part of a dollar is $0.50 or more and decreased to the nearest whole-dollar amount if the fractional part of a dollar is less than $0.50. If a total amount of less than $1 is payable, refundable, or creditable, the amount shall be disregarded if it is less than $0.50 and shall be increased to $1 if it is $0.50 or more. Notwithstanding any other provision of this Article concerning the time within which a taxpayer may file a return, any such taxpayer who ceases to engage in the kind of business that makes the person responsible for filing returns under this Article shall file a final return under this Article with the Department within one month after discontinuing such business.

Each taxpayer under this Article shall make estimated payments to the Department on or before the 7th, 15th, 22nd, and last day of the month during which tax liability to the Department is incurred. The payments shall be in an amount not less than the lower of either 22.5% of the taxpayer's actual tax liability for the month or 25% of the taxpayer's actual tax liability for the same calendar month of the preceding year. The amount of the quarter-monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. If any quarter-monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of the quarter-monthly payment actually and timely paid, except insofar as the
taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Article, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by the credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, in accordance with reasonable rules to be prescribed by the Department. If no such request is made, the taxpayer may credit the excess payment against tax liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's discount shall be reduced, if necessary, to reflect the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on the difference.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department is received by the taxpayer, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

(625 ILCS 5/6-206.1) (from Ch. 95 1/2, par. 6-206.1)

Sec. 6-206.1. Monitoring Device Driving Permit. Declaration of Policy. It is hereby declared a policy of the State of Illinois that the driver who is impaired by alcohol, other drug or drugs, or intoxicating compound or compounds is a threat to the public safety and welfare. Therefore, to provide a deterrent to such practice, a statutory summary driver's license suspension is appropriate. It is also recognized that driving is a privilege and therefore, that the granting of driving privileges, in a manner consistent with public safety, is warranted during the period of suspension in the form of a monitoring device driving permit. A person who drives

New matter indicated by italics - deletions by strikeout
and fails to comply with the requirements of the monitoring device driving permit commits a violation of Section 6-303 of this Code.

The following procedures shall apply whenever a first offender, as defined in Section 11-500 of this Code, is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance and is subject to the provisions of Section 11-501.1:

(a) Upon mailing of the notice of suspension of driving privileges as provided in subsection (h) of Section 11-501.1 of this Code, the Secretary shall also send written notice informing the person that he or she will be issued a monitoring device driving permit (MDDP). The notice shall include, at minimum, information summarizing the procedure to be followed for issuance of the MDDP, installation of the breath alcohol ignition installation device (BAIID), as provided in this Section, exemption from BAIID installation requirements, and procedures to be followed by those seeking indigent status, as provided in this Section. The notice shall also include information summarizing the procedure to be followed if the person wishes to decline issuance of the MDDP. A copy of the notice shall also be sent to the court of venue together with the notice of suspension of driving privileges, as provided in subsection (h) of Section 11-501. However, a MDDP shall not be issued if the Secretary finds that:

1. the offender's driver's license is otherwise invalid;
2. death or great bodily harm to another resulted from the arrest for Section 11-501;
3. the offender has been previously convicted of reckless homicide or aggravated driving under the influence involving death; or
4. the offender is less than 18 years of age; or
5. the offender is a qualifying patient licensed under the Compassionate Use of Medical Cannabis Program Act who is in possession of a valid registry card issued under that Act and refused to submit to standardized field sobriety tests as required by subsection (a) of Section 11-501.9 or did submit to testing which disclosed the person was impaired by the use of cannabis.

Any offender participating in the MDDP program must pay the Secretary a MDDP Administration Fee in an amount not to exceed $30 per month, to be deposited into the Monitoring Device Driving Permit Administration Fee Fund. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. The

New matter indicated by italics - deletions by strikeout
offender must have an ignition interlock device installed within 14 days of the date the Secretary issues the MDDP. The ignition interlock device provider must notify the Secretary, in a manner and form prescribed by the Secretary, of the installation. If the Secretary does not receive notice of installation, the Secretary shall cancel the MDDP.

Upon receipt of the notice, as provided in paragraph (a) of this Section, the person may file a petition to decline issuance of the MDDP with the court of venue. The court shall admonish the offender of all consequences of declining issuance of the MDDP including, but not limited to, the enhanced penalties for driving while suspended. After being so admonished, the offender shall be permitted, in writing, to execute a notice declining issuance of the MDDP. This notice shall be filed with the court and forwarded by the clerk of the court to the Secretary. The offender may, at any time thereafter, apply to the Secretary for issuance of a MDDP.

(a-1) A person issued a MDDP may drive for any purpose and at any time, subject to the rules adopted by the Secretary under subsection (g). The person must, at his or her own expense, drive only vehicles equipped with an ignition interlock device as defined in Section 1-129.1, but in no event shall such person drive a commercial motor vehicle.

(a-2) Persons who are issued a MDDP and must drive employer-owned vehicles in the course of their employment duties may seek permission to drive an employer-owned vehicle that does not have an ignition interlock device. The employer shall provide to the Secretary a form, as prescribed by the Secretary, completed by the employer verifying that the employee must drive an employer-owned vehicle in the course of employment. If approved by the Secretary, the form must be in the driver's possession while operating an employer-owner vehicle not equipped with an ignition interlock device. No person may use this exemption to drive a school bus, school vehicle, or a vehicle designed to transport more than 15 passengers. No person may use this exemption to drive an employer-owned motor vehicle that is owned by an entity that is wholly or partially owned by the person holding the MDDP, or by a family member of the person holding the MDDP. No person may use this exemption to drive an employer-owned vehicle that is made available to the employee for personal use. No person may drive the exempted vehicle more than 12 hours per day, 6 days per week.

(a-3) Persons who are issued a MDDP and who must drive a farm tractor to and from a farm, within 50 air miles from the originating farm

New matter indicated by italics - deletions by strikeout
are exempt from installation of a BAIID on the farm tractor, so long as the farm tractor is being used for the exclusive purpose of conducting farm operations.

(b) (Blank).

(c) (Blank).

(c-1) If the holder of the MDDP is convicted of or receives court supervision for a violation of Section 6-206.2, 6-303, 11-204, 11-204.1, 11-401, 11-501, 11-503, 11-506 or a similar provision of a local ordinance or a similar out-of-state offense or is convicted of or receives court supervision for any offense for which alcohol or drugs is an element of the offense and in which a motor vehicle was involved (for an arrest other than the one for which the MDDP is issued), or de-installs the BAIID without prior authorization from the Secretary, the MDDP shall be cancelled.

(c-5) If the Secretary determines that the person seeking the MDDP is indigent, the Secretary shall provide the person with a written document as evidence of that determination, and the person shall provide that written document to an ignition interlock device provider. The provider shall install an ignition interlock device on that person's vehicle without charge to the person, and seek reimbursement from the Indigent BAIID Fund. If the Secretary has deemed an offender indigent, the BAIID provider shall also provide the normal monthly monitoring services and the de-installation without charge to the offender and seek reimbursement from the Indigent BAIID Fund. Any other monetary charges, such as a lockout fee or reset fee, shall be the responsibility of the MDDP holder. A BAIID provider may not seek a security deposit from the Indigent BAIID Fund.

(d) MDDP information shall be available only to the courts, police officers, and the Secretary, except during the actual period the MDDP is valid, during which time it shall be a public record.

(e) (Blank).

(f) (Blank).

(g) The Secretary shall adopt rules for implementing this Section. The rules adopted shall address issues including, but not limited to: compliance with the requirements of the MDDP; methods for determining compliance with those requirements; the consequences of noncompliance with those requirements; what constitutes a violation of the MDDP; methods for determining indigency; and the duties of a person or entity that supplies the ignition interlock device.

New matter indicated by italics - deletions by strikeout
(h) The rules adopted under subsection (g) shall provide, at a minimum, that the person is not in compliance with the requirements of the MDDP if he or she:

1. tampers or attempts to tamper with or circumvent the proper operation of the ignition interlock device;
2. provides valid breath samples that register blood alcohol levels in excess of the number of times allowed under the rules;
3. fails to provide evidence sufficient to satisfy the Secretary that the ignition interlock device has been installed in the designated vehicle or vehicles; or
4. fails to follow any other applicable rules adopted by the Secretary.

(i) Any person or entity that supplies an ignition interlock device as provided under this Section shall, in addition to supplying only those devices which fully comply with all the rules adopted under subsection (g), provide the Secretary, within 7 days of inspection, all monitoring reports of each person who has had an ignition interlock device installed. These reports shall be furnished in a manner or form as prescribed by the Secretary.

(j) Upon making a determination that a violation of the requirements of the MDDP has occurred, the Secretary shall extend the summary suspension period for an additional 3 months beyond the originally imposed summary suspension period, during which time the person shall only be allowed to drive vehicles equipped with an ignition interlock device; provided further there are no limitations on the total number of times the summary suspension may be extended. The Secretary may, however, limit the number of extensions imposed for violations occurring during any one monitoring period, as set forth by rule. Any person whose summary suspension is extended pursuant to this Section shall have the right to contest the extension through a hearing with the Secretary, pursuant to Section 2-118 of this Code. If the summary suspension has already terminated prior to the Secretary receiving the monitoring report that shows a violation, the Secretary shall be authorized to suspend the person's driving privileges for 3 months, provided that the Secretary may, by rule, limit the number of suspensions to be entered pursuant to this paragraph for violations occurring during any one monitoring period. Any person whose license is suspended pursuant to this paragraph, after the summary suspension had already terminated, shall

New matter indicated by italics - deletions by strikeout
have the right to contest the suspension through a hearing with the Secretary, pursuant to Section 2-118 of this Code. The only permit the person shall be eligible for during this new suspension period is a MDDP.

(k) A person who has had his or her summary suspension extended for the third time, or has any combination of 3 extensions and new suspensions, entered as a result of a violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle impounded for a period of 30 days, at the person's own expense. A person who has his or her summary suspension extended for the fourth time, or has any combination of 4 extensions and new suspensions, entered as a result of a violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle subject to seizure and forfeiture. The Secretary shall notify the prosecuting authority of any third or fourth extensions or new suspension entered as a result of a violation that occurred while the person held a MDDP. Upon receipt of the notification, the prosecuting authority shall impound or forfeit the vehicle. The impoundment or forfeiture of a vehicle shall be conducted pursuant to the procedure specified in Article 36 of the Criminal Code of 2012.

(l) A person whose driving privileges have been suspended under Section 11-501.1 of this Code and who had a MDDP that was cancelled, or would have been cancelled had notification of a violation been received prior to expiration of the MDDP, pursuant to subsection (c-1) of this Section, shall not be eligible for reinstatement when the summary suspension is scheduled to terminate. Instead, the person's driving privileges shall be suspended for a period of not less than twice the original summary suspension period, or for the length of any extensions entered under subsection (j), whichever is longer. During the period of suspension, the person shall be eligible only to apply for a restricted driving permit. If a restricted driving permit is granted, the offender may only operate vehicles equipped with a BAIID in accordance with this Section.

(m) Any person or entity that supplies an ignition interlock device under this Section shall, for each ignition interlock device installed, pay 5% of the total gross revenue received for the device, including monthly monitoring fees, into the Indigent BAIID Fund. This 5% shall be clearly indicated as a separate surcharge on each invoice that is issued. The Secretary shall conduct an annual review of the fund to determine whether

New matter indicated by italics - deletions by strikeout
the surcharge is sufficient to provide for indigent users. The Secretary may increase or decrease this surcharge requirement as needed.

(n) Any person or entity that supplies an ignition interlock device under this Section that is requested to provide an ignition interlock device to a person who presents written documentation of indigency from the Secretary, as provided in subsection (c-5) of this Section, shall install the device on the person's vehicle without charge to the person and shall seek reimbursement from the Indigent BAIID Fund.

(o) The Indigent BAIID Fund is created as a special fund in the State treasury. The Secretary shall, subject to appropriation by the General Assembly, use all money in the Indigent BAIID Fund to reimburse ignition interlock device providers who have installed devices in vehicles of indigent persons. The Secretary shall make payments to such providers every 3 months. If the amount of money in the fund at the time payments are made is not sufficient to pay all requests for reimbursement submitted during that 3 month period, the Secretary shall make payments on a pro-rata basis, and those payments shall be considered payment in full for the requests submitted.

(p) The Monitoring Device Driving Permit Administration Fee Fund is created as a special fund in the State treasury. The Secretary shall, subject to appropriation by the General Assembly, use the money paid into this fund to offset its administrative costs for administering MDDPs.

(q) The Secretary is authorized to prescribe such forms as it deems necessary to carry out the provisions of this Section.

Section 45. The Statewide Grand Jury Act is amended by changing
Sections 2 and 3 as follows:

(725 ILCS 215/2) (from Ch. 38, par. 1702)

Sec. 2. (a) County grand juries and State's Attorneys have always
had and shall continue to have primary responsibility for investigating,
indicting, and prosecuting persons who violate the criminal laws of the
State of Illinois. However, in recent years organized terrorist activity
directed against innocent civilians and certain criminal enterprises have
developed that require investigation, indictment, and prosecution on a
statewide or multicounty level. The criminal enterprises exist as a result of
the allure of profitability present in narcotic activity, the unlawful sale and
transfer of firearms, and streetgang related felonies and organized terrorist
activity is supported by the contribution of money and expert assistance
from geographically diverse sources. In order to shut off the life blood of
terrorism and weaken or eliminate the criminal enterprises, assets, and
property used to further these offenses must be frozen, and any profit must

be removed. State statutes exist that can accomplish that goal. Among them are the offense of money laundering, the Cannabis and Controlled Substances Tax Act, violations of Article 29D of the Criminal Code of 1961 or the Criminal Code of 2012, the Narcotics Profit Forfeiture Act, and gunrunning. Local prosecutors need investigative personnel and specialized training to attack and eliminate these profits. In light of the transitory and complex nature of conduct that constitutes these criminal activities, the many diverse property interests that may be used, acquired directly or indirectly as a result of these criminal activities, and the many places that illegally obtained property may be located, it is the purpose of this Act to create a limited, multicounty Statewide Grand Jury with authority to investigate, indict, and prosecute: narcotic activity, including cannabis and controlled substance trafficking, narcotics racketeering, money laundering, violations of the Cannabis and Controlled Substances Tax Act, and violations of Article 29D of the Criminal Code of 1961 or the Criminal Code of 2012; the unlawful sale and transfer of firearms; gunrunning; and streetgang related felonies.

(b) A Statewide Grand Jury may also investigate, indict, and prosecute violations facilitated by the use of a computer of any of the following offenses: indecent solicitation of a child, sexual exploitation of a child, soliciting for a juvenile prostitute, keeping a place of juvenile prostitution, juvenile pimping, child pornography, aggravated child pornography, or promoting juvenile prostitution except as described in subdivision (a)(4) of Section 11-14.4 of the Criminal Code of 1961 or the Criminal Code of 2012.

Sec. 3. Written application for the appointment of a Circuit Judge to convene and preside over a Statewide Grand Jury, with jurisdiction extending throughout the State, shall be made to the Chief Justice of the Supreme Court. Upon such written application, the Chief Justice of the Supreme Court shall appoint a Circuit Judge from the circuit where the Statewide Grand Jury is being sought to be convened, who shall make a determination that the convening of a Statewide Grand Jury is necessary.

In such application the Attorney General shall state that the convening of a Statewide Grand Jury is necessary because of an alleged offense or offenses set forth in this Section involving more than one county of the State and identifying any such offense alleged; and

(2) if one or more of the State's Attorneys having jurisdiction over an offense or offenses to be investigated fails to consent to the impaneling of the Statewide Grand Jury, the Attorney General shall set forth good cause for impaneling the Statewide Grand Jury.

If the Circuit Judge determines that the convening of a Statewide Grand Jury is necessary, he or she shall convene and impanel the Statewide Grand Jury with jurisdiction extending throughout the State to investigate and return indictments:

(a) For violations of any of the following or for any other criminal offense committed in the course of violating any of the following: Article 29D of the Criminal Code of 1961 or the Criminal Code of 2012, the Illinois Controlled Substances Act, the Cannabis Control Act, the Methamphetamine Control and Community Protection Act, or the Narcotics Profit Forfeiture Act; or the Cannabis and Controlled Substances Tax Act; a streetgang related felony offense; Section 24-2.1, 24-2.2, 24-3, 24-3A, 24-3.1, 24-3.3, 24-3.4, 24-4, or 24-5 or subsection 24-1(a)(4), 24-1(a)(6), 24-1(a)(7), 24-1(a)(9), 24-1(a)(10), or 24-1(c) of the Criminal Code of 1961 or the Criminal Code of 2012; or a money laundering offense; provided that the violation or offense involves acts occurring in more than one county of this State; and

(a-5) For violations facilitated by the use of a computer, including the use of the Internet, the World Wide Web, electronic mail, message board, newsgroup, or any other commercial or noncommercial on-line service, of any of the following offenses: indecent solicitation of a child, sexual exploitation of a child, soliciting for a juvenile prostitute, keeping a place of juvenile prostitution, juvenile pimping, child pornography, aggravated child pornography, or promoting juvenile prostitution except as described in subdivision (a)(4) of Section 11-14.4 of the Criminal Code of 1961 or the Criminal Code of 2012; and

Upon written application by the Attorney General for the convening of an additional Statewide Grand Jury, the Chief Justice of the Supreme Court shall appoint a Circuit Judge from the circuit for which the additional Statewide Grand Jury is sought. (b) The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, shall design and implement a system of examinations, which shall be required prior to the issuance of educator licenses. These examinations and indicators must be based on national and State professional teaching standards, as determined by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board. The State Board of Education may adopt such rules as may be necessary to implement and administer this Section.

(c) (Blank).

(c-5) The State Board must adopt rules to implement a paraprofessional competency test. This test would allow an applicant seeking an Educator License with Stipulations with a paraprofessional educator endorsement to obtain the endorsement if he or she passes the test and meets the other requirements of subparagraph (J) of paragraph (2) of Section 21B-20 other than the higher education requirements.

(d) All applicants seeking a State license shall be required to pass a test of content area knowledge for each area of endorsement for which there is an applicable test. There shall be no exception to this requirement. No candidate shall be allowed to student teach or serve as the teacher of record until he or she has passed the applicable content area test.

(e) (Blank).

(f) Except as otherwise provided in this Article, beginning on September 1, 2015, all candidates completing teacher preparation programs in this State and all candidates subject to Section 21B-35 of this Code are required to pass a teacher performance assessment approved by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board. Subject to appropriation, an individual who holds a Professional Educator License and is employed for a minimum of one school year by a school district designated as Tier 1 under Section 18-8.15 may, after application to the State Board, receive from the State Board a refund for any costs associated with completing the teacher performance assessment under this subsection.

(g) The content area knowledge test and the teacher performance assessment shall be the tests that from time to time are designated by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, and may be tests prepared by an educational testing organization or tests designed by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board. The test of content area knowledge shall assess content
knowledge in a specific subject field. The tests must be designed to be racially neutral to ensure that no person taking the tests is discriminated against on the basis of race, color, national origin, or other factors unrelated to the person's ability to perform as a licensed employee. The score required to pass the tests shall be fixed by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board. The tests shall be administered not fewer than 3 times a year at such time and place as may be designated by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board.

The State Board shall implement a test or tests to assess the speaking, reading, writing, and grammar skills of applicants for an endorsement or a license issued under subdivision (G) of paragraph (2) of Section 21B-20 of this Code in the English language and in the language of the transitional bilingual education program requested by the applicant.

(h) Except as provided in Section 34-6 of this Code, the provisions of this Section shall apply equally in any school district subject to Article 34 of this Code.

(i) The rules developed to implement and enforce the testing requirements under this Section shall include without limitation provisions governing test selection, test validation and determination of a passing score, administration of the tests, frequency of administration, applicant fees, frequency of applicants taking the tests, the years for which a score is valid, and appropriate special accommodations. The State Board of Education shall develop such rules as may be needed to ensure uniformity from year to year in the level of difficulty for each form of an assessment.

PUBLIC ACT 101-0596
(House Bill No. 0745)

AN ACT concerning education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Higher Education Student Assistance Act is amended by changing Section 70 as follows:

110 ILCS 947/70
Sec. 70. Administration of scholarship and grant programs.
(a) An applicant to whom the Commission has awarded a scholarship or grant under this Act may apply for enrollment as a student in any qualified institution of higher learning. The institution is not required to accept the applicant for enrollment, but is free to exact compliance with its own admissions requirements, standards, and policies. The institution may receive the payments of tuition and other necessary fees provided by the scholarship or grant, for credit against the student's obligation for such tuition and fees, and for no other purpose, and shall be contractually obligated:

(1) to provide facilities and instruction to the student on the same terms as to other students generally;

(2) to provide the notices and information described in this Act; and to maintain records and documents which demonstrate the eligibility of the students for whom scholarships and grants are claimed.

(b) If, in the course of any academic period, any student enrolled in any institution pursuant to a scholarship or grant awarded under this Act for any reason ceases to be a student in good standing, the institution shall

New matter indicated by italics - deletions by strikeout
promptly give written notice to the Commission concerning that change of status and the reason therefor. For purposes of this Section, a student does not cease to be a student in good standing merely because he or she is not classified as a full-time student.

(c) A student to whom a renewal scholarship or grant has been awarded may either re-enroll in the institution which he or she attended during the preceding year, or enroll in any other qualified institution of higher learning; and in either event, the institution accepting the student for enrollment or re-enrollment shall notify the Commission of that acceptance and may receive payments and shall be contractually obligated as provided with respect to a first-year scholarship or grant.

(d) The Commission shall administer the scholarship and grant accounts and related records of each student who is attending an institution of higher learning under financial assistance awarded pursuant to this Act, and at each proper time shall certify to the State Comptroller, in the manner prescribed by law, the current payment to be made to the institution on account of such financial assistance, in accordance with an appropriate certificate from the institution. The Commission may require the participating institution of higher learning to perform specific eligibility evaluation procedures as a condition of participation.

(e) The Commission shall conduct on-site audits of educational institutions participating in Commission administered programs. When institutions have claimed and received funds on behalf of ineligible recipients, the Commission may adjust subsequent institutional payments to recover those funds.

(f) The Commission may, upon the request of any institution which received payment for scholarship and grant awards for each of the last 5 years, certify to the Comptroller an advance payment for the current term to be made to the institution on account of such financial assistance in an amount not to exceed 75% of announced awards for the institution for such financial assistance for the current term, adjusted for attrition over the last 5 years. For the purposes of this Section, "attrition" is the number of announced award winners enrolled on the 10th class day as a percentage of the total announced awards. The request for an advance payment for the current term shall not be submitted until 10 class days after the last day for registration for that term. Upon appropriate certification from the institution presented for each payment period, after the standard tuition and mandatory fees have been established for all students for the term of payment and the award recipient has enrolled, the Commission shall
certify to the State Comptroller the balance of the current payment to be made to the institution on account of such financial assistance. If an advance payment received by an institution exceeds the payment to which that institution is entitled, the Commission shall reduce subsequent payments to that institution for later terms within the same academic year as the overpayment by an amount equal to the overpayment; if the reduction cannot be made, the institution shall refund the overpayment to the Commission. The Commission may deny or reduce the advance payment provided to any institution under this Section if it has reason to believe that the advance payment for the current term may exceed the full payment the institution is entitled to receive for such assistance for that term.

(g) The personal identity and address of a scholarship, grant, or other financial assistance applicant or recipient under a non-discretionary program administered by the Commission, including, but not limited to, the Monetary Award Program under Section 35 of this Act, where eligibility data is obtained from the Free Application for Federal Student Aid authorized by 20 U.S.C. 1090 or is protected from disclosure under federal or State law or under rules and regulations implementing federal or State law, is information that is intended to remain private and shall be exempt from inspection and copying under the Freedom of Information Act. This subsection does not apply to the publication of the names of State Scholars designated pursuant to Section 25 of this Act or information disclosed in the aggregate in which a person’s identity cannot be determined.

An application shall be filed and considered in accordance with the rules of the Board. Each application for an organization gaming license shall include a nonrefundable application fee of $250,000. In addition, a nonrefundable fee of $50,000 shall be paid at the time of filing to defray the costs associated with background investigations conducted by the Board. If the costs of the background investigation exceed $50,000, the applicant shall pay the additional amount to the Board within 7 days after a request by the Board. If the costs of the investigation are less than $50,000,
the applicant shall receive a refund of the remaining amount. All information, records, interviews, reports, statements, memoranda, or other data supplied to or used by the Board in the course of this review or investigation of an applicant for an organization gaming license under this Act shall be privileged and strictly confidential and shall be used only for the purpose of evaluating an applicant for an organization gaming license or a renewal. Such information, records, interviews, reports, statements, memoranda, or other data shall not be admissible as evidence nor discoverable in any action of any kind in any court or before any tribunal, board, agency or person, except for any action deemed necessary by the Board. The application fee shall be deposited into the State Gaming Fund.

Any applicant or key person, including the applicant’s owners, officers, directors (if a corporation), managers and members (if a limited liability company), and partners (if a partnership), for an organization gaming license shall have his or her fingerprints submitted to the Department of State Police in an electronic format that complies with the form and manner for requesting and furnishing criminal history record information as prescribed by the Department of State Police. These fingerprints shall be checked against the Department of State Police and Federal Bureau of Investigation criminal history record databases now and hereafter filed, including, but not limited to, civil, criminal, and latent fingerprint databases. The Department of State Police shall charge applicants a fee for conducting the criminal history records check, which shall be deposited into the State Police Services Fund and shall not exceed the actual cost of the records check. The Department of State Police shall furnish, pursuant to positive identification, records of Illinois criminal history to the Department. Each applicant shall submit with his or her application, on forms provided by the Board, a set of his or her fingerprints. The Board shall charge each applicant a fee set by the Department of State Police to defray the costs associated with the search and classification of fingerprints obtained by the Board with respect to the applicant’s application. This fee shall be paid into the State Police Services Fund.

(b) The Board shall determine within 120 days after receiving an application for an organization gaming license whether to grant an organization gaming license to the applicant. If the Board does not make a determination within that time period, then the Board shall give a written explanation to the applicant as to why it has not reached a determination and when it reasonably expects to make a determination.

New matter indicated by italics - deletions by strikeout
The organization gaming licensee shall purchase up to the amount of gaming positions authorized under this Act within 120 days after receiving its organization gaming license. organization gaming licensee's organization gaming facilities, unless the organization gaming licensee has a parent company or other affiliated company that is, directly or indirectly, wholly owned by a parent company that is also licensed to conduct organization gaming, casino gaming, or their equivalent in another state.

(e) The Board may approve gaming positions pursuant to an organization gaming license statewide as provided in this Section. New matter indicated by italics - deletions by strikeout
(f) Each applicant for an organization gaming license shall specify in its application for licensure the number of gaming positions it will operate, up to the applicable limitation set forth in subsection (e) of this Section. Any unreserved gaming positions that are not specified shall be forfeited and retained by the Board. For the purposes of this subsection (f), an organization gaming licensee that did not conduct live racing in 2010 and is located within 3 miles of the Mississippi River may reserve up to 900 positions and shall not be penalized under this Section for not operating those positions until it meets the requirements of subsection (e) of this Section, but such licensee shall not request unreserved gaming positions under this subsection (f) until its 900 positions are all operational.

Thereafter, the Board shall publish the number of unreserved gaming positions and shall accept requests for additional positions from any organization gaming licensee that initially reserved all of the positions that were offered. The Board shall allocate expeditiously the unreserved gaming positions to requesting organization gaming licensees in a manner that maximizes revenue to the State. The Board may allocate any such unused gaming positions pursuant to an open and competitive bidding process, as provided under Section 7.5 of this Act. This process shall continue until all unreserved gaming positions have been purchased. All positions obtained pursuant to this process and all positions the organization gaming licensee specified it would operate in its application must be in operation within 18 months after they were obtained or the organization gaming licensee forfeits the right to operate those positions, but is not entitled to a refund of any fees paid. The Board may, after holding a public hearing, grant extensions so long as the organization gaming licensee is working in good faith to make the positions operational. The extension may be for a period of 6 months. If, after the period of the extension, the organization gaming licensee has not made the positions operational, then another public hearing must be held by the Board before it may grant another extension.

Unreserved gaming positions retained from and allocated to organization gaming licensees by the Board pursuant to this subsection (f) shall not be allocated to owners licensees under this Act.

For the purpose of this subsection (f), the unreserved gaming positions for each organization gaming licensee shall be the applicable limitation set forth in subsection (e) of this Section, less the number of reserved gaming positions by such organization gaming licensee, and the
total unreserved gaming positions shall be the aggregate of the unreserved gaming positions for all organization gaming licensees.

(g) An organization gaming licensee is authorized to conduct the following at a racetrack:

1. slot machine gambling;
2. video game of chance gambling;
3. gambling with electronic gambling games as defined in this Act or defined by the Illinois Gaming Board; and
4. table games.

(h) Subject to the approval of the Illinois Gaming Board, an organization gaming licensee may make modification or additions to any existing buildings and structures to comply with the requirements of this Act. The Illinois Gaming Board shall make its decision after consulting with the Illinois Racing Board. In no case, however, shall the Illinois Gaming Board approve any modification or addition that alters the grounds of the organization licensee such that the act of live racing is an ancillary activity to gaming authorized under this Section. Gaming authorized under this Section may take place in existing structures where inter-track wagering is conducted at the racetrack or a facility within 300 yards of the racetrack in accordance with the provisions of this Act and the Illinois Horse Racing Act of 1975.

(i) An organization gaming licensee may conduct gaming at a temporary facility pending the construction of a permanent facility or the remodeling or relocation of an existing facility to accommodate gaming participants for up to 24 months after the temporary facility begins to conduct gaming authorized under this Section. Upon request by an organization gaming licensee and upon a showing of good cause by the organization gaming licensee, the Board shall extend the period during which the licensee may conduct gaming authorized under this Section at a temporary facility by up to 12 months. The Board shall make rules concerning the conduct of gaming authorized under this Section from temporary facilities.

The gaming authorized under this Section may take place in existing structures where inter-track wagering is conducted at the racetrack or a facility within 300 yards of the racetrack in accordance with the provisions of this Act and the Illinois Horse Racing Act of 1975.

(i-5) Under no circumstances shall an organization gaming licensee conduct gaming at any State or county fair.
(j) The Illinois Gaming Board must adopt emergency rules in accordance with Section 5-45 of the Illinois Administrative Procedure Act as necessary to ensure compliance with the provisions of this amendatory Act of the 101st General Assembly concerning the conduct of gaming by an organization gaming licensee. The adoption of emergency rules authorized by this subsection (j) shall be deemed to be necessary for the public interest, safety, and welfare.

(k) Each organization gaming licensee who obtains gaming positions must make a reconciliation payment 3 years after the date the organization gaming licensee begins operating the positions in an amount equal to 75% of the difference between its adjusted gross receipts from gaming authorized under this Section and amounts paid to its purse accounts pursuant to item (1) of subsection (b) of Section 56 of the Illinois Horse Racing Act of 1975 for the 12-month period for which such difference was the largest, minus an amount equal to the initial per position fee paid by the organization gaming licensee. If this calculation results in a negative amount, then the organization gaming licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 2 years, subject to Board approval. Any installment payments shall include an annual market interest rate as determined by the Board.

All payments by licensees under this subsection (k) shall be deposited into the Rebuild Illinois Projects Fund.

(l) As soon as practical after a request is made by the Illinois Gaming Board, to minimize duplicate submissions by the applicant, the Illinois Racing Board must provide information on an applicant for an organization gaming license to the Illinois Gaming Board.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 14-8.02f and by renumbering and changing Section 14-8.02g as added by Public Act 101-515 as follows:

(105 ILCS 5/14-8.02f)

Sec. 14-8.02f. Individualized education program meeting protections.

(a) (Blank).

(b) This subsection (b) applies only to a school district organized under Article 34. No later than 10 calendar days prior to a child's individualized education program meeting or as soon as possible if a meeting is scheduled within 10 calendar days with written parental consent, the school board or school personnel must provide the child's parent or guardian with a written notification of the services that require a specific data collection procedure from the school district for services related to the child's individualized education program. The notification must indicate, with a checkbox, whether specific data has been collected for the child's individualized education program services. For purposes of this subsection (b), individualized education program services must include, but are not limited to, paraprofessional support, an extended school year, transportation, therapeutic day school, and services for specific learning disabilities.

(c) Beginning on July 1, 2020, no later than 3 school days prior to a child's individualized education program eligibility meeting or meeting to review a child's individualized education program, or as soon as possible if an individualized education program meeting is scheduled within 3 school days with the written consent of the child's parent or guardian, the local education agency must provide the child's parent or guardian with copies of all written material that will be considered by the individualized education program team at the meeting so that the parent or guardian may participate in the meeting as a fully-informed team member. The written material must include, but is not limited to, all evaluations and collected data that will be considered at the meeting and, for a child who already has an individualized education program, a copy of all

New matter indicated by italics - deletions by strikeout
individualized education program components that will be discussed by the individualized education program team, other than the components related to the educational and related service minutes proposed for the child and the child's educational placement.

(d) Local education agencies must make related service logs that record the type of related services administered under the child's individualized education program and the minutes of each type of related service that has been administered available to the child's parent or guardian at the annual review of the child's individualized education program and must also provide a copy of the related service logs at any time upon request of the child's parent or guardian. The local education agency must inform the child's parent or guardian within 20 school days from the beginning of the school year or upon establishment of an individualized education program of his or her ability to request those related service logs. If a child's individualized education program team determines that certain services are required in order for the child to receive a free, appropriate public education and those services are not administered within 10 school days after a date or frequency set forth by the child's individualized education program, then the local education agency shall provide the child's parent or guardian with written notification that those services have not yet been administered to the child. The notification must be provided to the child's parent or guardian within 3 school days of the local education agency's non-compliance with the child's individualized education program and must include information on the parent's or guardian's ability to request compensatory services. In this subsection (d), "school days" does not include days where a child is absent from school for reasons unrelated to a lack of individualized education program services.

(e) The State Board of Education may create a telephone hotline to address complaints regarding the special education services or lack of special education services of a school district subject to this Section. If a hotline is created, it must be available to all students enrolled in the school district, parents or guardians of those students, and school personnel. If a hotline is created, any complaints received through the hotline must be registered and recorded with the State Board's monitor of special education policies. No student, parent or guardian, or member of school personnel may be retaliated against for submitting a complaint through a telephone hotline created by the State Board under this subsection (e).
(f) A school district subject to this Section may not use any measure that would prevent or delay an individualized education program team from adding a service to the program or create a time restriction in which a service is prohibited from being added to the program. The school district may not build functions into its computer software that would remove any services from a student's individualized education program without the approval of the program team and may not prohibit the program team from adding a service to the program.

(a) In this Section, "response to scientific, research-based intervention" or "multi-tiered systems of support" means a tiered process of school support that utilizes differentiated instructional strategies for students, provides students with scientific, research-based interventions, continuously monitors student performance using scientifically, research-based progress monitoring instruments, and makes educational decisions based on a student's response to the interventions. Response to scientific, research-based intervention or multi-tiered systems of support use a problem-solving method to define the problem, analyze the problem using data to determine why there is a discrepancy between what is expected and what is occurring, establish one or more student performance goals, develop an intervention plan to address the performance goals, and delineate how the student's progress will be monitored and how implementation integrity will be ensured.

(b) A school district must utilize response to scientific, research-based intervention or multi-tiered systems of support as part of an evaluation procedure to determine if a child is eligible for special education services due to a specific learning disability. A school district may utilize the data generated during the response to scientific, research-based intervention or multi-tiered systems of support process in an evaluation to determine if a child is eligible for special education services due to any category of disability.

(c) The response to scientific, research-based intervention or multi-tiered systems of support process must involve a collaborative team approach, with the parent or guardian of a student being part of the collaborative team. The parent or guardian of a student must be involved in the data sharing and decision-making processes of support under this

Section. The State Board of Education may provide guidance to a school district and identify available resources related to facilitating parental or guardian participation in the response to scientific, research-based intervention or multi-tiered systems of support process.

(d) Nothing in this Section affects the responsibility of a school district to identify, locate, and evaluate children with disabilities who are in need of special education services in accordance with the federal Individuals with Disabilities Education Improvement Act of 2004, this Code, or any applicable federal or State rules.

Sec. 130.1. Short title. This Article may be cited as the Corporate Governance Annual Disclosure Law.

(215 ILCS 5/130.2 new)

Sec. 130.2. Purpose and scope. The purpose of this Article is to:

(1) provide the Director a summary of an insurer's or insurance group's corporate governance structure, policies, and practices to permit the Director to gain and maintain an understanding of the insurer's corporate governance framework;

(2) outline the requirements for completing a corporate governance annual disclosure with the Director;

(3) provide for the confidential treatment of the corporate governance annual disclosure and related information that will contain confidential and sensitive information related to an insurer's or insurance group's internal operations and proprietary and trade-secret information that, if made public, could potentially cause the insurer or insurance group competitive harm or disadvantage.

Nothing in this Article shall be construed to prescribe or impose corporate governance standards and internal procedures beyond that which is required under applicable State corporate law. Notwithstanding the foregoing, nothing in this Article shall be construed to limit the Director's authority or the rights or obligations of third parties under Sections 131.21, 132 through 132.7, and 401 through 403. "Insurance group" means those insurers and affiliates included within an insurance holding company system as defined in Section 131.1.

Sec. 130.4. Disclosure requirement.

(a) An insurer, or the insurance group of which the insurer is a member, shall, no later than June 1 of each calendar year, submit to the Director a corporate governance annual disclosure that contains the information described in subsection (b) of Section 130.5. Notwithstanding any request from the Director made pursuant to subsection (c), if the insurer is a member of an insurance group, the insurer shall submit the report required by this Section to the Director of the lead state for the insurance group, in accordance with the laws of the lead state, as determined by the procedures outlined in the most recent Financial Analysis Handbook adopted by the National Association of Insurance Commissioners.

(b) The corporate governance annual disclosure must include a signature of the insurer's or insurance group's chief executive officer or corporate secretary attesting to the best of that individual's belief and knowledge that the insurer has implemented the corporate governance practices required by this Section and that a copy of the disclosure has been provided to the insurer's board of directors or the appropriate committee thereof.

(c) An insurer not required to submit a corporate governance annual disclosure under this Section shall do so upon the Director's request.

(d) For purposes of completing the corporate governance annual disclosure, the insurer or insurance group may provide information regarding corporate governance at the ultimate controlling parent level, an intermediate holding company level, or the individual legal entity level, depending upon how the insurer or insurance group has structured its system of corporate governance. The insurer or insurance group is encouraged to make the corporate governance annual disclosure at the level at which the insurer's or insurance group's risk appetite is determined, the level at which the earnings, capital, liquidity, operations, and reputation of the insurer are overseen collectively and at which the supervision of those factors is coordinated and exercised, or the level at which legal liability for failure of general corporate governance duties would be placed. If the insurer or insurance group determines the level of reporting based on these criteria, it shall indicate which of the 3 criteria was used to determine the level of reporting and explain any subsequent changes in the level of reporting.
(e) The review of the corporate governance annual disclosure and any additional requests for information shall be made through the lead state as determined by the procedures within the most recent Financial Analysis Handbook adopted by the National Association of Insurance Commissioners.

(f) Insurers providing information substantially similar to the information required by this Article in other documents provided to the Director, including proxy statements filed in conjunction with the requirements of Section 131.13 or other State or federal filings provided to the Department, are not required to duplicate that information in the corporate governance annual disclosure but are only required to cross-reference the document in which the information is included.

(215 ILCS 5/130.5 new)

Sec. 130.5. Contents of corporate governance annual disclosure.

(a) The insurer or insurance group has discretion over the responses to the corporate governance annual disclosure inquiries if the corporate governance annual disclosure contains the material information necessary to permit the Director to gain an understanding of the insurer's or insurance group's corporate governance structure, policies, and practices. The Director may request additional information that he or she deems material and necessary to provide the Director with a clear understanding of the corporate governance policies, the reporting or information system, or controls implementing those policies.

(b) Notwithstanding subsection (a), the corporate governance annual disclosure shall be prepared in a manner consistent with rules adopted by the Director. Documentation and supporting information shall be maintained and made available upon examination or upon the request of the Director.

(c) The Director may retain, at the insurer's expense, third-party consultants, including attorneys, actuaries, accountants, and other experts not otherwise a part of the Director's staff, as may be reasonably necessary to assist the Director in reviewing the corporate governance annual disclosure and related information or the insurer's compliance with this Article. Any persons retained shall be under the direction and control of the Director and shall act only in an advisory capacity.

Sec. 20-15. Illinois Works Preapprenticeship Program; Illinois Works Bid Credit Program.

New matter indicated by italics - deletions by strikeout
(a) The Illinois Works Preapprenticeship Program is established and shall be administered by the Department. The goal of the Illinois Works Preapprenticeship Program is to create a network of community-based organizations throughout the State that will recruit, prescreen, and provide preapprenticeship skills training, for which participants may attend free of charge and receive a stipend, to create a qualified, diverse pipeline of workers who are prepared for careers in the construction and building trades. Upon completion of the Illinois Works Preapprenticeship Program, the candidates will be skilled and work-ready.

(b) There is created the Illinois Works Fund, a special fund in the State treasury. The Illinois Works Fund shall be administered by the Department. The Illinois Works Fund shall be used to provide funding for community-based organizations throughout the State. In addition to any other transfers that may be provided for by law, on and after July 1, 2019 and until June 30, 2020, at the direction of the Director of the Governor's Office of Management and Budget, the State Comptroller shall direct and the State Treasurer shall transfer amounts not exceeding a total of $25,000,000 from the Rebuild Illinois Projects Fund to the Illinois Works Fund.

(c) Each community-based organization that receives funding from the Illinois Works Fund shall provide an annual report to the Illinois Works Review Panel by April 1 of each calendar year. The annual report shall include the following information:

(1) a description of the community-based organization's recruitment, screening, and training efforts;

(2) the number of individuals who apply to, participate in, and complete the community-based organization's program, broken down by race, gender, age, and veteran status; and

(3) the number of the individuals referenced in item (2) of this subsection who are initially accepted and placed into apprenticeship programs in the construction and building trades.

(d) The Department shall create and administer the Illinois Works Bid Credit Program that shall provide economic incentives, through bid credits, to encourage contractors and subcontractors to provide contracting and employment opportunities to historically underrepresented populations in the construction industry.

The Illinois Works Bid Credit Program shall allow contractors and subcontractors to earn bid credits for use toward future bids for public works projects contracted by the State or an agency of the State in order to

New matter indicated by italics - deletions by strikeout
increase the chances that the contractor and the subcontractors will be selected.

Contractors or subcontractors may be eligible for bid credits for employing apprentices who have completed the Illinois Works Preapprenticeship Program on public works projects contracted by the State or any agency of the State. Contractors or subcontractors shall earn bid credits at a rate established by the Department and based on labor hours worked on State-contracted public works projects by apprentices who have completed the Illinois Works Preapprenticeship Program. The Department shall establish the rate by rule and shall publish it on the Department's website. The rule may include maximum bid credits allowed per contractor, per subcontractor, per apprentice, per bid, or per year, including any appropriate caps.

The Illinois Works Credit Bank is hereby created and shall be administered by the Department. The Illinois Works Credit Bank shall track the bid credits.

A contractor or subcontractor who has been awarded bid credits under any other State program for employing apprentices who have completed the Illinois Works Preapprenticeship Program is not eligible to receive bid credits under the Illinois Works Bid Credit Program relating to the same contract.

The Department shall report to the Illinois Works Review Panel the following: (i) the number of bid credits awarded by the Department; (ii) the number of bid credits submitted by the contractor or subcontractor to the agency administering the public works contract; and (iii) the number of bid credits accepted by the agency for such contract. Any agency that awards bid credits pursuant to the Illinois Works Credit Bank Program shall report to the Department the number of bid credits it accepted for the public works contract.

Upon a finding that a contractor or subcontractor has reported falsified records to the Department in order to fraudulently obtain bid credits, the Department may permanently bar the contractor or subcontractor from participating in the Illinois Works Bid Credit Program and may suspend the contractor or subcontractor from bidding on or participating in any public works project. False or fraudulent claims for payment relating to false bid credits may be subject to damages and penalties under applicable law.

(e) The Department shall adopt any rules deemed necessary to implement this Section. In order to provide for the expeditious and timely
 implementation of this Act, the Department may adopt emergency rules. The adoption of emergency rules authorized by this subsection is deemed to be necessary for the public interest, safety, and welfare.

(30 ILCS 559/20-20)
(a) The Illinois Works Apprenticeship Initiative is established and shall be administered by the Department.

(1) Subject to the exceptions set forth in subsection (b) of this Section, apprentices shall be utilized on all public works projects estimated to cost $500,000 or more in accordance with this subsection (a).

(2) For public works projects estimated to cost $500,000 or more, the goal of the Illinois Works Apprenticeship Initiative is that apprentices will perform either 10% of the total labor hours actually worked in each prevailing wage classification or 10% of the estimated labor hours in each prevailing wage classification, whichever is less.

(b) Before or during the term of a contract subject to this Section, the Department may reduce or waive the goals set forth in paragraph (2) of subsection (a). Prior to the Department granting a request for a reduction or waiver, the Department shall determine, in its discretion, whether to hold a public hearing on the request. In determining whether to hold a public hearing, the Department may consider factors, including the scale of the project and whether the contractor or subcontractor seeking the reduction or waiver has previously requested reductions or waivers on other projects. The Department may also and shall consult with the Business Enterprise Council under the Business Enterprise for Minorities, Women, and Persons with Disabilities Act and the Chief Procurement Officer of the agency administering the public works contract. The Department may grant a reduction or waiver upon a determination that:

(1) the contractor or subcontractor has demonstrated that insufficient apprentices are available;

(2) the reasonable and necessary requirements of the contract do not allow the goal to be met;

(3) there is a disproportionately high ratio of material costs to labor hours that makes meeting the goal infeasible; or

New matter indicated by italics - deletions by strikeout
(4) apprentice labor hour goals conflict with existing requirements, including federal requirements, in connection with the public work.

(c) Contractors and subcontractors must submit a certification to the Department and the agency that is administering the contract, or the grant agreement funding the contract, demonstrating that the contractor or subcontractor has either:

(1) met the apprentice labor hour goals set forth in paragraph (2) of subsection (a); or

(2) received a reduction or waiver pursuant to subsection (b).

It shall be deemed to be a material breach of the contract, or the grant agreement funding the contract, and entitle the State to declare a default, terminate the contract or grant agreement funding it, and exercise those remedies provided for in the contract, at law, or in equity if the contractor or subcontractor fails to submit the certification required in this subsection or submits false or misleading information.

(d) No later than one year after the effective date of this Act, and by April 1 of every calendar year thereafter, the Department of Labor shall submit a report to the Illinois Works Review Panel regarding the use of apprentices under the Illinois Works Apprenticeship Initiative for public works projects. To the extent it is available, the report shall include the following information:

(1) the total number of labor hours on each project and the percentage of labor hours actually worked by apprentices on each public works project;

(2) the number of apprentices used in each public works project, broken down by trade; and

(3) the number and percentage of minorities, women, and veterans utilized as apprentices on each public works project.

(e) The Department shall adopt any rules deemed necessary to implement the Illinois Works Apprenticeship Initiative. In order to provide for the expeditious and timely implementation of this Act, the Department may adopt emergency rules. The adoption of emergency rules authorized by this subsection is deemed to be necessary for the public interest, safety, and welfare.

(f) The Illinois Works Apprenticeship Initiative shall not interfere with any contracts or grants program in existence on the effective date of this Act.

New matter indicated by italics - deletions by strikeout
(g) Notwithstanding any provisions to the contrary in this Act, any State agency that administers a construction program for which federal law or regulations establish standards and procedures for the utilization of apprentices may implement the Illinois Works Apprenticeship Initiative using the federal standards and procedures for the establishment of goals and utilization procedures for the State-funded, as well as the federally assisted, portions of the program. In such cases, these goals shall not exceed those established pursuant to the relevant federal statutes or regulations.

(b) Within 30 days after receipt of a completed application containing the information necessary for the Department to certify a potential qualified equity investment, including the payment of the application fee, the Department shall grant or deny the application in full or in part. If the Department denies any part of the application, it shall inform the qualified community development entity of the grounds for the denial. If the qualified community development entity provides any additional information required by the Department or otherwise completes its application within 15 days of the notice of denial, the application shall be considered completed as of the original date of submission. If the qualified community development entity fails to provide the information or complete its application within the 15-day period, the application remains denied and must be resubmitted in full with a new submission date.

(c) If the application is deemed complete, the Department shall certify the proposed equity investment or long-term debt security as a qualified equity investment that is eligible for tax credits under this Section, subject to the limitations contained in Section 20. (d) With respect to applications received before January 1, 2017, the Department shall certify qualified equity investments in the order applications are received by the Department. Applications received on the

(d-5) With respect to applications received on or after January 1, 2017, the Department shall certify applications by applicants that agree to designate qualified equity investments as federal qualified equity investments in accordance with item (8) of subsection (a) of this Section in proportionate percentages based upon the ratio of the amount of qualified equity investments requested in an application to be designated as federal qualified equity investments to the total amount of qualified equity investments requested in all applications received on the same day.

(e) Once the Department has certified qualified equity investments that, on a cumulative basis, are eligible for $20,000,000 in tax credits, the Department may not certify any more qualified equity investments. If a pending request cannot be fully certified, the Department shall certify the portion that may be certified unless the qualified community development entity elects to withdraw its request rather than receive partial credit.

(f) Within 30 days after receiving notice of certification, the qualified community development entity shall (i) issue the qualified equity investment and receive cash in the amount of the certified amount and (ii) with respect to qualified equity investments made on or after January 1, 2017, if applicable, designate the required amount of qualified equity investment authority as a federal qualified equity investment. (f) New and existing data centers seeking a certificate of exemption related to the rehabilitation or construction of data centers in the State shall require the contractor and all subcontractors to comply with the requirements of Section 30-22 of the Illinois Procurement Code as they apply to responsible bidders and to present satisfactory evidence of that compliance to the Department.

Reports are due no later than May 31 of each year and shall cover the previous calendar year. The first report is for the 2019 calendar year and is due no later than May 31, 2020.

To the extent that a business issued a certificate of exemption under this Section has obtained an Enterprise Zone Building Materials Exemption Certificate or a High Impact Business Building Materials Exemption Certificate, no additional reporting for those building materials exemption benefits is required under this Section.

Failure to file a report under this subsection (h) may result in suspension or revocation of the certificate of exemption. The Department shall adopt rules governing suspension or revocation of the certificate of exemption, including the length of suspension. Factors to be considered in determining whether a data center certificate of exemption shall be suspended or revoked include, but are not limited to, prior compliance with the reporting requirements, cooperation in discontinuing and correcting violations, the extent of the violation, and whether the violation was willful or inadvertent.

(i) The Department shall not issue any new certificates of exemption under the provisions of this Section after July 1, 2029. This sunset shall not affect any existing certificates of exemption in effect on July 1, 2029.

(j) The Department shall adopt rules to implement and administer this Section.

The amount of the credit shall be 20% of the wages paid during the taxable year to a full-time or part-time employee of a construction contractor employed by a certified data center if those wages are paid for the construction of a new data center in a geographic area that meets any one of the following criteria:

(1) the area has a poverty rate of at least 20%, according to the U.S. Census Bureau American Community Survey 5-Year Estimates; or

least 2 consecutive calendar years preceding the date of the application.

If the taxpayer is a partnership, a Subchapter S corporation, or a limited liability company that has elected partnership tax treatment, the credit shall be allowed to the partners, shareholders, or members in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code, as applicable. The Department, in cooperation with the Department of Commerce and Economic Opportunity, shall adopt rules to enforce and administer this Section. This Section is exempt from the provisions of Section 250 of this Act.

(b) In no event shall a credit under this Section reduce the taxpayer's liability to less than zero. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset a liability, the earlier credit shall be applied first.

(c) No credit shall be allowed with respect to any certification for any taxable year ending after the revocation of the certification by the Department of Commerce and Economic Opportunity. Upon receiving notification by the Department of Commerce and Economic Opportunity of the revocation of certification, the Department shall notify the taxpayer that no credit is allowed for any taxable year ending after the revocation date, as stated in such notification. (35 ILCS 105/3-50) (from Ch. 120, par. 439.3-50)

Sec. 3-50. Manufacturing and assembly exemption. The manufacturing and assembling machinery and equipment exemption includes machinery and equipment that replaces machinery and equipment in an existing manufacturing facility as well as machinery and equipment that are for use in an expanded or new manufacturing facility. The machinery and equipment exemption also includes machinery and

equipment used in the general maintenance or repair of exempt machinery and equipment or for in-house manufacture of exempt machinery and equipment. Beginning on July 1, 2017, the manufacturing and assembling machinery and equipment exemption also includes graphic arts machinery and equipment, as defined in paragraph (6) of Section 3-5. The machinery and equipment exemption does not include machinery and equipment used in (i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. The provisions of this amendatory Act of the 98th General Assembly are declaratory of existing law as to the meaning and scope of this exemption. For the purposes of this exemption, terms have the following meanings:

(1) "Manufacturing process" means the production of an article of tangible personal property, whether the article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by a procedure commonly regarded as manufacturing, processing, fabricating, or refining that changes some existing material into a material with a different form, use, or name. In relation to a recognized integrated business composed of a series of operations that collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process commences with the first operation or stage of production in the series and does not end until the completion of the final product in the last operation or stage of production in the series. For purposes of this exemption, photoprocessing is a manufacturing process of tangible personal property for wholesale or retail sale.

(2) "Assembling process" means the production of an article of tangible personal property, whether the article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling that results in an article or material of a different form, use, or name.
(3) "Machinery" means major mechanical machines or major components of those machines contributing to a manufacturing or assembling process.

(4) "Equipment" includes an independent device or tool separate from machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; any subunit or assembly comprising a component of any machinery or auxiliary, adjunct, or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns, and molds; and any parts that require periodic replacement in the course of normal operation; but does not include hand tools. Equipment includes chemicals or chemicals acting as catalysts but only if the chemicals or chemicals acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease.

(5) "Production related tangible personal property" means all tangible personal property that is used or consumed by the purchaser in a manufacturing facility in which a manufacturing process takes place and includes, without limitation, tangible personal property that is purchased for incorporation into real estate within a manufacturing facility, supplies and consumables used in a manufacturing facility including fuels, coolants, solvents, oils, lubricants, and adhesives, hand tools, protective apparel, and fire and safety equipment used or consumed within a manufacturing facility, and tangible personal property that is used or consumed in activities such as research and development, preproduction material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes. "Production related tangible personal property" does not include (i) tangible personal property that is used, within or without a manufacturing facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property that is required to be titled or registered with a department, agency, or unit of federal, State, or local government. The manufacturing and assembling machinery and equipment exemption includes production related tangible personal property that is

purchased on or after July 1, 2007 and on or before June 30, 2008 and on or after July 1, 2019. The exemption for production related tangible personal property purchased on or after July 1, 2007 and on or before June 30, 2008 is subject to both of the following limitations:

1. The maximum amount of the exemption for any one taxpayer may not exceed 5% of the purchase price of production related tangible personal property that is purchased on or after July 1, 2007 and on or before June 30, 2008. A credit under Section 3-85 of this Act may not be earned by the purchase of production related tangible personal property for which an exemption is received under this Section.

2. The maximum aggregate amount of the exemptions for production related tangible personal property purchased on or after July 1, 2007 and on or before June 30, 2008 awarded under this Act and the Retailers' Occupation Tax Act to all taxpayers may not exceed $10,000,000. If the claims for the exemption exceed $10,000,000, then the Department shall reduce the amount of the exemption to each taxpayer on a pro rata basis.

The Department shall adopt rules to implement and administer the exemption for production related tangible personal property.

The manufacturing and assembling machinery and equipment exemption includes the sale of materials to a purchaser who produces exempted types of machinery, equipment, or tools and who rents or leases that machinery, equipment, or tools to a manufacturer of tangible personal property. This exemption also includes the sale of materials to a purchaser who manufactures those materials into an exempted type of machinery, equipment, or tools that the purchaser uses himself or herself in the manufacturing of tangible personal property. This exemption includes the sale of exempted types of machinery or equipment to a purchaser who is not the manufacturer, but who rents or leases the use of the property to a manufacturer. The purchaser of the machinery and equipment who has an active resale registration number shall furnish that number to the seller at the time of purchase. A purchaser user of the machinery, equipment, or tools without an active resale registration number shall prepare a certificate of exemption for each transaction stating facts establishing the exemption for that transaction, and that certificate shall be available to the Department for inspection or audit. The Department shall prescribe the form of the certificate. Informal rulings, opinions, or letters issued by the Department in response to an inquiry or request for an opinion from any...
person regarding the coverage and applicability of this exemption to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion, or letter contains trade secrets or other confidential information, where possible, the Department shall delete that information before publication. Whenever informal rulings, opinions, or letters contain a policy of general applicability, the Department shall formulate and adopt that policy as a rule in accordance with the Illinois Administrative Procedure Act.

The manufacturing and assembling machinery and equipment exemption is exempt from the provisions of Section 3-90.

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are deposited into the State Aviation Program Fund under this Act. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require. On and after January 1, 2018, except for returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and

Each Beginning on January 1, 2020, each retailer required or authorized to collect the tax imposed by this Act on aviation fuel sold at retail in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, file and pay such tax to the Department on a separate an aviation fuel tax return, on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax fees payments by electronic means in the manner and form required by the Department. For purposes of this Section paragraph, "aviation fuel" means jet fuel and aviation gasoline a product that is intended for use or offered for sale as fuel for an aircraft.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, retailers subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities
under this Act, and under all other State and local occupation and use tax
laws administered by the Department, for the immediately preceding
calendar year divided by 12. Beginning on October 1, 2002, a taxpayer
who has a tax liability in the amount set forth in subsection (b) of Section
2505-210 of the Department of Revenue Law shall make all payments
required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department
shall notify all taxpayers required to make payments by electronic funds
transfer. All taxpayers required to make payments by electronic funds
transfer shall make those payments for a minimum of one year beginning
on October 1.

Any taxpayer not required to make payments by electronic funds
transfer may make payments by electronic funds transfer with the
permission of the Department.

All taxpayers required to make payment by electronic funds
transfer and any taxpayers authorized to voluntarily make payments by
electronic funds transfer shall make those payments in the manner
authorized by the Department.

The Department shall adopt such rules as are necessary to
effectuate a program of electronic funds transfer and the requirements of
this Section.

Before October 1, 2000, if the taxpayer's average monthly tax
liability to the Department under this Act, the Retailers' Occupation Tax
Act, the Service Occupation Tax Act, the Service Use Tax Act was
$10,000 or more during the preceding 4 complete calendar quarters, he
shall file a return with the Department each month by the 20th day of the
month next following the month during which such tax liability is incurred
and shall make payments to the Department on or before the 7th, 15th,
22nd and last day of the month during which such liability is incurred. On
and after October 1, 2000, if the taxpayer's average monthly tax liability to
the Department under this Act, the Retailers' Occupation Tax Act, the
Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or
more during the preceding 4 complete calendar quarters, he shall file a
return with the Department each month by the 20th day of the month next
following the month during which such tax liability is incurred and shall
make payment to the Department on or before the 7th, 15th, 22nd and last
day of the month during which such liability is incurred. If the month
during which such tax liability is incurred began prior to January 1, 1985,
each payment shall be in an amount equal to 1/4 of the taxpayer's actual

liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period).

If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such

taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long-term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers'
Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft,
motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has
paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which

will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than (i) tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government and (ii) aviation fuel sold on or after December 1, 2019. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

For aviation fuel sold on or after December 1, 2019, each month the Department shall pay into the State Aviation Program Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of aviation fuel, less an amount estimated by the Department to be required for refunds of the 20% portion of the tax on aviation fuel under this Act, which amount shall be deposited into the Aviation Fuel Sales Tax Refund Fund. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuels Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

When a serviceman contracts out part or all of the services required in his sale of service, it shall be presumed that the cost price to the serviceman of the property transferred to him or her by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits and service, and shall be determined without any deduction on account of the serviceman's cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act.

"Department" means the Department of Revenue.

The purchaser of such machinery and equipment and tools without an active resale registration number shall prepare a certificate of exemption for each transaction stating facts establishing the

If the informal ruling, opinion or letter contains trade secrets or other confidential information, where possible the Department shall delete such information prior to publication. Whenever such informal rulings, opinions, or letters contain any policy of general applicability, the Department shall formulate and adopt such policy as a rule in accordance with the provisions of the Illinois Administrative Procedure Act.

Examples of mechanisms that allow the serviceman to track purchases referred by such persons include but are not limited to the use of a link on the person's Internet website, promotional codes distributed through the person's hand-delivered or mailed material, and promotional codes distributed by the person through radio or other broadcast media. serviceman for expenses incurred in collecting the tax, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are deposited into the State Aviation Program Fund under this Act. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. On and after January 1, 2018, with respect to servicemen whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

Each Beginning on January 1, 2020, each serviceman required or authorized to collect the tax imposed by this Act on aviation fuel transferred as an incident of a sale of service in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such the tax on a separate by filing an aviation fuel tax return with the Department on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen collecting tax on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section paragraph, "aviation fuel" means jet fuel and aviation gasoline a product that is intended for use or offered for sale as fuel for an aircraft.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all

other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.
Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

The purchaser of such machinery and equipment and tools without an active resale registration number shall furnish to the seller a certificate of exemption for each transaction stating facts establishing the exemption for that transaction, which certificate shall be available to the Department for inspection or audit.

Except as provided in Section 2d of this Act, the rolling stock exemption applies to rolling stock used by an interstate carrier for hire, even just between points in Illinois, if such rolling stock transports, for hire, persons whose journeys or property whose shipments originate or terminate outside Illinois.

Any informal rulings, opinions or letters issued by the Department in response to an inquiry or request for any opinion from any person regarding the coverage and applicability of exemption (e) to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion or letter contains trade secrets or other confidential information, where possible the Department shall delete such information prior to publication. Whenever such informal rulings, opinions, or letters contain any policy of general applicability, the Department shall formulate and adopt such policy as a rule in accordance with the provisions of the Illinois Administrative Procedure Act.

Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are deposited into the State Aviation Program Fund under this Act. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require. On and after January 1, 2018, with respect to servicemen whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Servicemen who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, servicemen transferring aviation fuel incident to sales of service shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section paragraph, "aviation fuel" means jet fuel and aviation gasoline a product that is intended for use or offered for sale as fuel for an aircraft.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Notwithstanding any other provision of this Act to the contrary, servicemen subject to tax on cannabis shall file all cannabis tax returns and shall make all cannabis tax payments by electronic means in the manner and form required by the Department.

As used in this paragraph "motor fuel" has the meaning given to

that term in Section 1.1 of the Motor Fuel Tax Act, and "gasohol" has the
meaning given to that term in Section 3-40 of the Use Tax Act.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% shall be paid into the General Revenue Fund of the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

Sec. 2-22. Certification of airport-related purpose.

(a) Initial certification and annual recertification. If a unit of local government has an airport-related purpose, as defined in Section 6z-20.2 of the State Finance Act, which would allow any retailers' occupation tax and service occupation tax imposed by the unit of local government and

administered by the Department to include tax on aviation fuel, then, on or before September 1, 2019, and on or before each April 1 thereafter, the unit of local government must certify to the Department of Transportation, in the form and manner required by the Department of Transportation, that it has an airport-related purpose. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

On or before October 1, 2019, and on or before each May 1 thereafter, the Department of Transportation shall provide to the Department a list of units of local government that have certified to the Department of Transportation that they have an airport-related purpose. If a unit of local government is included in the list of units of local government that have certified that they have an airport-related purpose that is provided by the Department of Transportation to the Department on or before October 1, 2019, then, beginning on December 1, 2019, any retailers' occupation tax and service occupation tax imposed by the unit of local government and administered by the Department shall continue to be collected on aviation fuel sold in that unit of local government. Failure by a unit of local government to file an initial certification shall be treated as confirmation that the unit of local government does not have an airport-related purpose, thereby exempting, beginning on December 1, 2019, aviation fuel from any retailers' occupation tax and service occupation tax imposed by the unit of local government and administered by the Department.

Beginning in 2020 and in each year thereafter, if a unit of local government is included in the list of units of local government that have certified that they have an airport-related purpose that is provided by the Department of Transportation to the Department on or before May 1, then any retailers' occupation tax and service occupation tax imposed by the unit of local government and administered by the Department shall continue to be (or begin to be, as the case may be) collected on aviation fuel sold in that unit of local government beginning on the following July 1. Once a unit of local government has certified that it has an airport-related purpose, failure during an annual recertification period to file a certification that it has an airport-related purpose shall be treated as confirmation that it no longer has an airport-related purpose, thereby exempting, beginning on July 1 of that year, aviation fuel from any retailers' occupation tax and service occupation tax imposed by the unit of local government and administered by the Department.

(b) Penalties. If a unit of local government certifies that it has an airport-related purpose and therefore receives tax revenues from a tax imposed by the unit of local government and administered by the Department of Revenue on sales of aviation fuel, but the Federal Aviation Administration thereafter determines that the tax revenues on aviation fuel generated by that tax were expended by the unit of local government for a purpose other than an airport-related purpose and the Federal Aviation Administration imposes a penalty on the State of Illinois as a result, then the State is authorized to pass this penalty on to the unit of local government by withholding an amount up to the amount of the penalty out of local retailers' occupation taxes and service occupation taxes to be allocated to the unit of local government by the State.

Sec. 2-45. Manufacturing and assembly exemption. The manufacturing and assembly machinery and equipment exemption includes machinery and equipment that replaces machinery and equipment in an existing manufacturing facility as well as machinery and equipment that are for use in an expanded or new manufacturing facility.

The machinery and equipment exemption also includes machinery and equipment used in the general maintenance or repair of exempt machinery and equipment or for in-house manufacture of exempt machinery and equipment. Beginning on July 1, 2017, the manufacturing and assembling machinery and equipment exemption also includes graphic arts machinery and equipment, as defined in paragraph (4) of Section 2-5. The machinery and equipment exemption does not include machinery and equipment used in (i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. The provisions of this amendatory Act of the 98th General Assembly are declaratory of existing law as to the meaning and scope of this exemption.

For the purposes of this exemption, terms have the following meanings:

(1) "Manufacturing process" means the production of an article of tangible personal property, whether the article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by a procedure commonly regarded as manufacturing, processing, fabricating, or refining that changes some existing

material or materials into a material with a different form, use, or name. In relation to a recognized integrated business composed of a series of operations that collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process commences with the first operation or stage of production in the series and does not end until the completion of the final product in the last operation or stage of production in the series. For purposes of this exemption, photoprocessing is a manufacturing process of tangible personal property for wholesale or retail sale.

(2) "Assembling process" means the production of an article of tangible personal property, whether the article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling that results in a material of a different form, use, or name.

(3) "Machinery" means major mechanical machines or major components of those machines contributing to a manufacturing or assembling process.

(4) "Equipment" includes an independent device or tool separate from machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; any subunit or assembly comprising a component of any machinery or auxiliary, adjunct, or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns, and molds; and any parts that require periodic replacement in the course of normal operation; but does not include hand tools. Equipment includes chemicals or chemicals acting as catalysts but only if the chemicals or chemicals acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease.

(5) "Production related tangible personal property" means all tangible personal property that is used or consumed by the purchaser in a manufacturing facility in which a manufacturing process takes place and includes, without limitation, tangible personal property that is purchased for incorporation into real

estate within a manufacturing facility, supplies and consumables used in a manufacturing facility including fuels, coolants, solvents, oils, lubricants, and adhesives, hand tools, protective apparel, and fire and safety equipment used or consumed within a manufacturing facility, and tangible personal property that is used or consumed in activities such as research and development, preproduction material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes. "Production related tangible personal property" does not include (i) tangible personal property that is used, within or without a manufacturing facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property that is required to be titled or registered with a department, agency, or unit of federal, State, or local government.

The manufacturing and assembling machinery and equipment exemption includes production related tangible personal property that is purchased on or after July 1, 2007 and on or before June 30, 2008 and on or after July 1, 2019. The exemption for production related tangible personal property purchased on or after July 1, 2007 and before June 30, 2008 is subject to both of the following limitations:

1. The maximum amount of the exemption for any one taxpayer may not exceed 5% of the purchase price of production related tangible personal property that is purchased on or after July 1, 2007 and on or before June 30, 2008. A credit under Section 3-85 of this Act may not be earned by the purchase of production related tangible personal property for which an exemption is received under this Section.

2. The maximum aggregate amount of the exemptions for production related tangible personal property awarded under this Act and the Use Tax Act to all taxpayers may not exceed $10,000,000. If the claims for the exemption exceed $10,000,000, then the Department shall reduce the amount of the exemption to each taxpayer on a pro rata basis.

The Department shall adopt rules to implement and administer the exemption for production related tangible personal property.

The manufacturing and assembling machinery and equipment exemption includes the sale of materials to a purchaser who produces exempted types of machinery, equipment, or tools and who rents or leases

that machinery, equipment, or tools to a manufacturer of tangible personal property. This exemption also includes the sale of materials to a purchaser who manufactures those materials into an exempted type of machinery, equipment, or tools that the purchaser uses himself or herself in the manufacturing of tangible personal property. The purchaser of the machinery and equipment who has an active resale registration number shall furnish that number to the seller at the time of purchase. A purchaser of the machinery, equipment, and tools without an active resale registration number shall furnish to the seller a certificate of exemption for each transaction stating facts establishing the exemption for that transaction, and that certificate shall be available to the Department for inspection or audit. Informal rulings, opinions, or letters issued by the Department in response to an inquiry or request for an opinion from any person regarding the coverage and applicability of this exemption to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion, or letter contains trade secrets or other confidential information, where possible, the Department shall delete that information before publication. Whenever informal rulings, opinions, or letters contain a policy of general applicability, the Department shall formulate and adopt that policy as a rule in accordance with the Illinois Administrative Procedure Act.

The manufacturing and assembling machinery and equipment exemption is exempt from the provisions of Section 2-70.

Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:
1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

Beginning on January 1, 2020, every person engaged in the business of selling aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return with the Department on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers selling aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Section paragraph, "aviation fuel" means jet fuel and aviation gasoline a product that is intended for use or offered for sale as fuel for an aircraft.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the
sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The discount under this Section is not allowed for the 1.25% portion of taxes paid on aviation fuel that is subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are deposited into the State Aviation Program Fund under this Act. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability
for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1989, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989 and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than

$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding
2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the

requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax imposed under this Act.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State
treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate other than aviation fuel sold on or after December 1, 2019. The Department shall only pay moneys into the State Aviation Program Fund and the Aviation Fuel Sales Tax Refund Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the

The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. Sec. 2. Tax imposed; rate; collection, payment, and distribution; discount.

(a) Beginning on July 1, 2019, in place of the aggregate tax rate of 99 mills previously imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 149 mills per cigarette sold or otherwise disposed of in the course of such business in this State.

(b) The payment of such taxes shall be evidenced by a stamp affixed to each original package of cigarettes, or an authorized substitute for such stamp imprinted on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, as hereinafter provided. However, such taxes are not imposed upon any activity in such business in interstate commerce or otherwise, which activity may not under the Constitution and statutes of the United States be made the subject of taxation by this State.

Out of the 149 mills per cigarette tax imposed by subsection (a), the revenues received from 4 mills shall be paid into the Common School Fund each month, not to exceed $9,000,000 per month. Out of the 149 mills per cigarette tax imposed by subsection (a), all of the revenues received from 7 mills shall be paid into the Common School Fund each month. Out of the 149 mills per cigarette tax imposed by subsection (a), 50 mills per cigarette each month shall be paid into the Healthcare Provider Relief Fund.

Beginning on July 1, 2006, all of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax Act, other than the moneys that are dedicated to the Common School Fund and, beginning on the effective date of this amendatory Act of the 97th General Assembly, other than the moneys from the additional taxes imposed by this amendatory Act of the 97th General Assembly that must be paid each month into the Healthcare Provider Relief Fund, and other than the moneys from the additional taxes imposed by this amendatory Act of the 101st General Assembly that must be paid each month under subsection (c), shall be distributed each month as follows: first, there shall be paid into the General Revenue Fund an amount that, when added to the amount paid into the Common School Fund for that month, equals $29,200,000; then, from the moneys remaining, if any amounts required to be paid into the General Revenue Fund in previous months remain unpaid, those amounts shall be paid into the General Revenue Fund; then from the moneys remaining, $5,000,000 per month shall be paid into the School Infrastructure Fund; then, if any amounts required to be paid into the School Infrastructure Fund in previous months remain unpaid, those amounts shall be paid into the School Infrastructure Fund; then the moneys remaining, if any, shall be paid into the Long-Term Care Provider Fund.

(c) Beginning on July 1, 2019, all of the moneys from the additional taxes imposed by Public Act 101-31, except for moneys received from the tax on electronic cigarettes, this amendatory Act of the 101st General Assembly received by the Department of Revenue pursuant to this Act, and the Cigarette Use Tax Act, and the Tobacco Products Tax Act of 1995 shall be distributed each month into the Capital Projects Fund.

(d) Except for moneys received from the additional taxes imposed by Public Act 101-31, moneys collected from the tax imposed on little cigars under Section 10-10 of the Tobacco Products Tax Act of 1995 shall be included with the moneys collected under the Cigarette Tax Act and the Cigarette Use Tax Act when making distributions to the Common

School Fund, the Healthcare Provider Relief Fund, the General Revenue Fund, the School Infrastructure Fund, and the Long-Term Care Provider Fund under this Section.

(e) If the tax imposed herein terminates or has terminated, distributors who have bought stamps while such tax was in effect and who therefore paid such tax, but who can show, to the Department's satisfaction, that they sold the cigarettes to which they affixed such stamps after such tax had terminated and did not recover the tax or its equivalent from purchasers, shall be allowed by the Department to take credit for such absorbed tax against subsequent tax stamp purchases from the Department by such distributor.

(f) The impact of the tax levied by this Act is imposed upon the retailer and shall be prepaid or pre-collected by the distributor for the purpose of convenience and facility only, and the amount of the tax shall be added to the price of the cigarettes sold by such distributor. Collection of the tax shall be evidenced by a stamp or stamps affixed to each original package of cigarettes, as hereinafter provided. Any distributor who purchases stamps may credit any excess payments verified by the Department against amounts subsequently due for the purchase of additional stamps, until such time as no excess payment remains.

(g) Each distributor shall collect the tax from the retailer at or before the time of the sale, shall affix the stamps as hereinafter required, and shall remit the tax collected from retailers to the Department, as hereinafter provided. Any distributor who fails to properly collect and pay the tax imposed by this Act shall be liable for the tax.

(h) Any distributor having cigarettes in his or her possession on July 1, 2019 to which tax stamps have been affixed, and any distributor having stamps in his or her possession on July 1, 2019 that have not been affixed to packages of cigarettes before July 1, 2019, is required to pay the additional tax that begins on July 1, 2019 imposed by this amendatory Act of the 101st General Assembly to the extent that the volume of affixed and unaffixed stamps in the distributor's possession on July 1, 2019 exceeds the average monthly volume of cigarette stamps purchased by the distributor in calendar year 2018. This payment, less the discount provided in subsection (l), is due when the distributor first makes a purchase of cigarette stamps on or after July 1, 2019 or on the first due date of a return under this Act occurring on or after July 1, 2019, whichever occurs first. Those distributors may elect to pay the additional tax on packages of cigarettes to which stamps have been affixed and on any stamps in the

distributor's possession that have not been affixed to packages of cigarettes in their possession on July 1, 2019 over a period not to exceed 12 months from the due date of the additional tax by notifying the Department in writing. The first payment for distributors making such election is due when the distributor first makes a purchase of cigarette tax stamps on or after July 1, 2019 or on the first due date of a return under this Act occurring on or after July 1, 2019, whichever occurs first. Distributors making such an election are not entitled to take the discount provided in subsection (l) on such payments.

(i) Any retailer having cigarettes in its possession on July 1, 2019 to which tax stamps have been affixed is not required to pay the additional tax that begins on July 1, 2019 imposed by this amendatory Act of the 101st General Assembly on those stamped cigarettes.

(j) Distributors making sales of cigarettes to secondary distributors shall add the amount of the tax to the price of the cigarettes sold by the distributors. Secondary distributors making sales of cigarettes to retailers shall include the amount of the tax in the price of the cigarettes sold to retailers. The amount of tax shall not be less than the amount of taxes imposed by the State and all local jurisdictions. The amount of local taxes shall be calculated based on the location of the retailer's place of business shown on the retailer's certificate of registration or sub-registration issued to the retailer pursuant to Section 2a of the Retailers' Occupation Tax Act. The original packages of cigarettes sold to the retailer shall bear all the required stamps, or other indicia, for the taxes included in the price of cigarettes.

(k) The amount of the Cigarette Tax imposed by this Act shall be separately stated, apart from the price of the goods, by distributors, manufacturer representatives, secondary distributors, and retailers, in all bills and sales invoices.

(l) The distributor shall be required to collect the tax provided under paragraph (a) hereof, and, to cover the costs of such collection, shall be allowed a discount during any year commencing July 1st and ending the following June 30th in accordance with the schedule set out hereinbelow, which discount shall be allowed at the time of purchase of the stamps when purchase is required by this Act, or at the time when the tax is remitted to the Department without the purchase of stamps from the Department when that method of paying the tax is required or authorized by this Act.

New matter indicated by italics - deletions by strikeout
On and after December 1, 1985, a discount equal to 1.75% of the amount of the tax payable under this Act up to and including the first $3,000,000 paid hereunder by such distributor to the Department during any such year and 1.5% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year shall apply.

Two or more distributors that use a common means of affixing revenue tax stamps or that are owned or controlled by the same interests shall be treated as a single distributor for the purpose of computing the discount.

(m) The taxes herein imposed are in addition to all other occupation or privilege taxes imposed by the State of Illinois, or by any political subdivision thereof, or by any municipal corporation.

Beginning on August 1, 1989 and until January 1, 1990, the rate of the tax imposed in this paragraph shall be 16 cents per gallon. Beginning January 1, 1990 and until July 1, 2019, the rate of tax imposed in this paragraph, including the tax on compressed natural gas, shall be 19 cents per gallon. Beginning July 1, 2019, the rate of tax imposed in this paragraph shall be 38 cents per gallon and increased on July 1 of each subsequent year by an amount equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the 12 months ending in March of each year. (c) A tax is imposed upon the privilege of engaging in the business of selling motor fuel as a retailer or reseller on all motor fuel used in motor vehicles operating on the public highways and recreational type watercraft operating upon the waters of this State: (1) at the rate of 3 cents per gallon on motor fuel owned or possessed by such retailer or reseller at 12:01 a.m. on August 1, 1989; and (2) at the rate of 3 cents per gallon on motor fuel owned or possessed by such retailer or reseller at 12:01 A.M. on January 1, 1990.

Retailers and resellers who are subject to this additional tax shall be required to inventory such motor fuel and pay this additional tax in a manner prescribed by the Department of Revenue.

The tax imposed in this paragraph (c) shall be in addition to all other taxes imposed by the State of Illinois or any unit of local government in this State.

(d) Except as provided in Section 2a, the collection of a tax based on gallonage of gasoline used for the propulsion of any aircraft is prohibited on and after October 1, 1979, and the collection of a tax based on gallonage of special fuel used for the propulsion of any aircraft is prohibited on and after December 1, 2019.

(e) The collection of a tax, based on gallonage of all products commonly or commercially known or sold as 1-K kerosene, regardless of its classification or uses, is prohibited (i) on and after July 1, 1992 until December 31, 1999, except when the 1-K kerosene is either: (1) delivered into bulk storage facilities of a bulk user, or (2) delivered directly into the fuel supply tanks of motor vehicles and (ii) on and after January 1, 2000. Sec. 2a. Except as hereinafter provided, on and after January 1,
1990 and before January 1, 2025, a tax of three-tenths of a cent per gallon
is imposed upon the privilege of being a receiver in this State of fuel for
sale or use. Beginning January 1, 2021, this tax is not imposed on sales of
aviation fuel for so long as the revenue use requirements of 49 U.S.C.
47107(b) and 49 U.S.C. 47133 are binding on the State.

The tax shall be paid by the receiver in this State who first sells or
uses fuel. In the case of a sale, the tax shall be stated as a separate item on
the invoice.

For the purpose of the tax imposed by this Section, being a receiver
of "motor fuel" as defined by Section 1.1 of this Act, and aviation fuels,
home heating oil and kerosene, but excluding liquified petroleum gases, is
subject to tax without regard to whether the fuel is intended to be used for
operation of motor vehicles on the public highways and waters. However,
no such tax shall be imposed upon the importation or receipt of aviation
fuels and kerosene at airports with over 300,000 operations per year, for
years prior to 1991, and over 170,000 operations per year beginning in
1991, located in a city of more than 1,000,000 inhabitants for sale to or use
by holders of certificates of public convenience and necessity or foreign air
carrier permits, issued by the United States Department of Transportation,
and their air carrier affiliates, or upon the importation or receipt of aviation
fuels and kerosene at facilities owned or leased by those certificate or
permit holders and used in their activities at an airport described above. In
addition, no such tax shall be imposed upon the importation or receipt of
diesel fuel or liquefied natural gas sold to or used by a rail carrier
registered pursuant to Section 18c-7201 of the Illinois Vehicle Code or
otherwise recognized by the Illinois Commerce Commission as a rail
carrier, to the extent used directly in railroad operations. In addition, no
such tax shall be imposed when the sale is made with delivery to a
purchaser outside this State or when the sale is made to a person holding a

valid license as a receiver. In addition, no tax shall be imposed upon diesel fuel or liquefied natural gas consumed or used in the operation of ships, barges, or vessels, that are used primarily in or for the transportation of property in interstate commerce for hire on rivers bordering on this State, if the diesel fuel or liquefied natural gas is delivered by a licensed receiver to the purchaser's barge, ship, or vessel while it is afloat upon that bordering river. A specific notation thereof shall be made on the invoices or sales slips covering each sale.

(35 ILCS 505/2b) (from Ch. 120, par. 418b)

Sec. 2b. Receiver's monthly return. In addition to the tax collection and reporting responsibilities imposed elsewhere in this Act, a person who is required to pay the tax imposed by Section 2a of this Act shall pay the tax to the Department by return showing all fuel purchased, acquired or received and sold, distributed or used during the preceding calendar month including losses of fuel as the result of evaporation or shrinkage due to temperature variations, and such other reasonable information as the Department may require. Losses of fuel as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of the month, plus the receipts of gallonage during the month, minus the gallonage remaining in storage at the end of the month. Any loss reported that is in excess of this amount shall be subject to the tax imposed by Section 2a of this Law. On and after July 1, 2001, for each 6-month period January through June, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each January, plus the receipts of gallonage each January through June, minus the gallonage remaining in storage at the end of each June. On and after July 1, 2001, for each 6-month period July through December, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each July, plus the receipts of gallonage each July through December, minus the gallonage remaining in storage at the end of each December. The return shall be prescribed by the Department and shall be filed between the 1st and 20th days of each calendar month. The Department may, in its discretion, combine the returns filed under this Section, Section 5, and Section 5a of this Act. The return must be accompanied by appropriate computer-generated magnetic media supporting schedule data in the format required by the Department, unless, as provided by rule, the Department grants an exception upon petition of a taxpayer. If the return is filed timely, the seller shall take a discount of 2% through June 30, 2003 and 1.75% thereafter which is allowed to reimburse the seller for the expenses incurred in keeping records, preparing and filing returns, collecting and remitting the tax and supplying data to the Department on request. The discount, however, shall be applicable only to the amount of payment which accompanies a return that is filed timely in accordance with this Section. The discount under this Section is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are deposited into the State Aviation Program Fund under this Act.

Beginning on January 1, 2020 and ending with returns due on January 20, 2021, each person who is required to pay the tax imposed under Section 2a of this Act on aviation fuel sold or used in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return or a separate line on the return, on or before the twentieth day of each calendar month. The requirements related to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, a person required to pay the tax imposed by Section 2a of this Act on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel tax payments by electronic means in the manner and form required by the Department. For purposes of this Law paragraph, "aviation fuel" means jet fuel and aviation gasoline a product that is intended for use or offered for sale as fuel for an aircraft.

If any payment provided for in this Section exceeds the receiver's liabilities under this Act, as shown on an original return, the Department may authorize the receiver to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the

Department subsequently determines that all or any part of the credit taken was not actually due to the receiver, the receiver's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that receiver shall be liable for penalties and interest on such difference.

Sec. 8a. All money received by the Department under Section 2a of this Act, except money received from taxes on aviation fuel sold or used on or after December 1, 2019 and through December 31, 2020, shall be deposited in the Underground Storage Tank Fund created by Section 57.11 of the Environmental Protection Act, as now or hereafter amended. All money received by the Department under Section 2a of this Act for aviation fuel sold or used on or after December 1, 2019, shall be deposited into the State Aviation Program Fund. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline a product that is intended for use or offered for sale as fuel for an aircraft.

Sec. 31. STAR bond occupation taxes.
(a) If the corporate authorities of a political subdivision have established a STAR bond district and have elected to impose a tax by ordinance pursuant to subsection (b) or (c) of this Section, each year after the date of the adoption of the ordinance and until all STAR bond project costs and all political subdivision obligations financing the STAR bond project costs, if any, have been paid in accordance with the STAR bond project plans, but in no event longer than the maximum maturity date of the last of the STAR bonds issued for projects in the STAR bond district,

New matter indicated by italics - deletions by strikeout
all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the political subdivision imposing the tax. The corporate authorities of the political subdivision shall deposit the proceeds of the taxes imposed under subsections (b) and (c) into either (i) a special fund held by the corporate authorities of the political subdivision called the STAR Bonds Tax Allocation Fund for the purpose of paying STAR bond project costs and obligations incurred in the payment of those costs if such taxes are designated as pledged STAR revenues by resolution or ordinance of the political subdivision or (ii) the political subdivision's general corporate fund if such taxes are not designated as pledged STAR revenues by resolution or ordinance.

The tax imposed under this Section by a municipality may be imposed only on the portion of a STAR bond district that is within the boundaries of the municipality. For any part of a STAR bond district that lies outside of the boundaries of that municipality, the municipality in which the other part of the STAR bond district lies (or the county, in cases where a portion of the STAR bond district lies in the unincorporated area of a county) is authorized to impose the tax under this Section on that part of the STAR bond district.

(b) The corporate authorities of a political subdivision that has established a STAR bond district under this Act may, by ordinance or resolution, impose a STAR Bond Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the STAR bond district at a rate not to exceed 1% of the gross receipts from the sales made in the course of that business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section
6z-20.2 of the State Finance Act. **Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel.** This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a STAR Bond Service Occupation Tax shall also be imposed upon all persons engaged, in the STAR bond district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the STAR bond district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of

service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the STAR bond district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the tax. The municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers’ Occupation Tax Act 8-11-22 of the Illinois Municipal Code. For purposes of this Act, “airport-related purposes” has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under that ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the STAR bond

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(d) Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability under this Section by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the STAR Bond Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this Section for deposit into the STAR Bond Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government State Aviation Trust Program Fund under this Section Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. On or before the 25th day of each calendar

month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named political subdivisions from the STAR Bond Retailers’ Occupation Tax Fund, the political subdivisions to be those from which retailers have paid taxes or penalties under this Section to the Department during the second preceding calendar month. The amount to be paid to each political subdivision shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 3% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of such political subdivision, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the political subdivision. Within 10 days after receipt by the Comptroller of the disbursement certification to the political subdivisions provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to political subdivisions under this Section shall be deposited into either (i) the STAR Bonds Tax Allocation Fund by the political subdivision if the political subdivision has designated them as pledged STAR revenues by resolution or ordinance or (ii) the political subdivision’s general corporate fund if the political subdivision has not designated them as pledged STAR revenues.

An ordinance or resolution imposing or discontinuing the tax under this Section or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this Section are met, shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this Section are met, the Department shall proceed to administer and enforce
this Section as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this Section until the political subdivision also provides, in the manner prescribed by the Department, the boundaries of the STAR bond district and each address in the STAR bond district in such a way that the Department can determine by its address whether a business is located in the STAR bond district. The political subdivision must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this Section by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this Section by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a STAR bond district or any address change, addition, or deletion until the political subdivision reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must provide this boundary change or address change, addition, or deletion information to the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following January 1. The retailers in the STAR bond district shall be responsible for charging the tax imposed under this Section. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this Section, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the political subdivision.

A political subdivision that imposes the tax under this Section must submit to the Department of Revenue any other information as the Department may require that is necessary for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a political subdivision under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount

erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize the political subdivision to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(e) When STAR bond project costs, including, without limitation, all political subdivision obligations financing STAR bond project costs, have been paid, any surplus funds then remaining in the STAR Bonds Tax Allocation Fund shall be distributed to the treasurer of the political subdivision for deposit into the political subdivision's general corporate fund. Upon payment of all STAR bond project costs and retirement of obligations, but in no event later than the maximum maturity date of the last of the STAR bonds issued in the STAR bond district, the political subdivision shall adopt an ordinance immediately rescinding the taxes imposed pursuant to this Section and file a certified copy of the ordinance with the Department in the form and manner as described in this Section.

Section 10-60. The Counties Code is amended by changing Sections 5-1006, 5-1006.5, 5-1006.7, 5-1007, 5-1008.5, and 5-1035.1 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for

The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers’ Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers’ Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made
under this Section to a claimant instead of issuing a credit memorandum,
the Department shall notify the State Comptroller, who shall cause the
order to be drawn for the amount specified and to the person named in the
notification from the Department. The refund shall be paid by the State
Treasurer out of the home rule county retailers' occupation tax fund or the
Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department
shall forthwith pay over to the State Treasurer, ex officio, as trustee, all
taxes and penalties collected hereunder for deposit into the Home Rule
County Retailers' Occupation Tax Fund. Taxes and penalties collected on
aviation fuel sold on or after December 1, 2019, shall be immediately paid
over by the Department to the State Treasurer, ex officio, as trustee, for
deposit into the Local Government Aviation Trust Fund. The Department
shall only pay moneys into the Local Government Aviation Trust Fund
under this Section for so long as the revenue use requirements of 49
U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning
January 1, 2011, upon certification of the Department of Revenue, the
Comptroller shall order transferred, and the Treasurer shall transfer, to the
STAR Bonds Revenue Fund the local sales tax increment, as defined in
the Innovation Development and Economy Act, collected under this
Section during the second preceding calendar month for sales within a
STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on
or before the 25th day of each calendar month, the Department shall
prepare and certify to the Comptroller the disbursement of stated sums of
money to named counties, the counties to be those from which retailers
have paid taxes or penalties hereunder to the Department during the
second preceding calendar month. The amount to be paid to each county
shall be the amount (not including credit memoranda and not including
taxes and penalties collected on aviation fuel sold on or after December 1,

county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

Sec. 5-1006.5. Special County Retailers’ Occupation Tax For Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, mental health, substance abuse, or transportation purposes in that county (except as otherwise provided in this Section), if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for substance abuse purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a,
2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety, Public Facilities, Mental Health, Substance Abuse, or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different

The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under
the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998 and through December 31, 2013, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election authorizing a proposition to impose a tax under this Section or effecting an increase in the rate of tax, along with the ordinance adopted to impose the tax or increase the rate of the tax, or any ordinance adopted to lower the rate or discontinue the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the adoption and filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the adoption and filing.

Sec. 5-1006.7. School facility and resources occupation taxes.

(a) In any county, a tax shall be imposed upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively (i) for (i) school facility purposes (except as otherwise provided in this Section), (ii) school resource officers and mental health professionals, or (iii) school facility purposes, school resource officers, and mental health professionals if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question as provided in subsection (c). The tax under this Section shall be imposed only in one-quarter percent increments and may not exceed 1%.
This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The Department of Revenue has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection. The Department shall deposit all taxes and penalties collected under this subsection into a special fund created for that purpose.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 that are deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act permits the retailer to
engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability by separately stating that tax as an additional charge, which may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service.

This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department and deposited into a special fund created for that purpose. The Department has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties and

definition of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that that reference to State in the definition of supplier maintaining a place of business in this State means the county), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the county), 9 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 that are deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the county), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(c) The tax under this Section may not be imposed until the question of imposing the tax has been submitted to the electors of the county at a regular election and approved by a majority of the electors voting on the question. For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542), upon a resolution by the county board or a resolution by school district boards that represent at least 51% of the student enrollment within the county, the county board must certify the question to the proper election authority in accordance with the Election Code.

For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542), the election authority must submit the question in substantially the following form:

Shall (name of county) be authorized to impose a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") at a rate of (insert rate) to be used exclusively for school facility purposes?

New matter indicated by italics - deletions by strikeout
The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the county may, thereafter, impose the tax.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542), the regional superintendent of schools for the county must, upon receipt of a resolution or resolutions of school district boards that represent more than 50% of the student enrollment within the county, certify the question to the proper election authority for submission to the electors of the county at the next regular election at which the question lawfully may be submitted to the electors, all in accordance with the Election Code.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455) this amendatory Act of the 101st General Assembly, the election authority must submit the question in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.

For all regular elections held on or after August 23, 2019 (the effective date of Public Act 101-455) this amendatory Act of the 101st General Assembly, the election authority must submit the question as follows:

(1) If the referendum is to expand the use of revenues from a currently imposed tax exclusively for school facility purposes to include school resource officers and mental health professionals, the question shall be in substantially the following form:

In addition to school facility purposes, shall (name of county) school districts be authorized to use revenues from the tax commonly referred to as the school facility sales tax that is currently imposed in (name of county) at a rate of (insert rate) for school resource officers and mental health professionals?

For the purposes of this subsection (c), "enrollment" means the head count of the students residing in the county on the last school day of September of each year, which must be reported on the Illinois State Board of Education Public School Fall Enrollment/Housing Report.

(d) Except as otherwise provided, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the School Facility Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the regional superintendents of schools in counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each regional superintendent of schools and disbursed to him or her in accordance with Section 3-14.31 of the School Code, is equal to the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department in administering and enforcing the provisions of this Section, on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department.
Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a regional superintendent of schools under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the regional superintendents of the schools provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the School Facility Occupation Tax Fund or the Local Government Aviation Trust Fund, as appropriate.

(e) For the purposes of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This subsection does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(f) Nothing in this Section may be construed to authorize a tax to be imposed upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(g) If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542) at a rate below the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c), then the county board may, by ordinance, increase the rate of the tax up to the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c).
(c). If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542), then the board may, by ordinance, discontinue or reduce the rate of the tax. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455) this amendatory Act of the 101st General Assembly, then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-5) of this Section. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2019 (the effective date of Public Act 101-455) this amendatory Act of the 101st General Assembly, then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-10). If, however, a school board issues bonds that are secured by the proceeds of the tax under this Section, then the county board may not reduce the tax rate or discontinue the tax if that rate reduction or discontinuance would adversely affect the school board's ability to pay the principal and interest on those bonds as they become due or necessitate the extension of additional property taxes to pay the principal and interest on those bonds. If the county board reduces the tax rate or discontinues the tax, then a referendum must be held in accordance with subsection (c) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

Until January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of
July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(h) For purposes of this Section, "school facility purposes" means (i) the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the capital facilities and (ii) the payment of bonds or other obligations heretofore or hereafter issued, including bonds or other obligations heretofore or hereafter issued to refund or to continue to refund bonds or other obligations issued, for school facility purposes, provided that the taxes levied to pay those bonds are abated by the amount of the taxes imposed under this Section that are used to pay those bonds. "School facility purposes" also includes fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes set forth under Section 17-2.11 of the School Code.

(h-5) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) and before August 23, 2019 (the effective date of Public Act 101-455) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

Shall the school facility retailers' occupation tax and service occupation tax (commonly referred to as the "school facility sales tax") currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate))(discontinued)?

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

(h-10) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or after August 23, 2019 (the effective date of Public Act 101-455) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

Shall the school facility occupation tax currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate))(discontinued)?

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

Sec. 5-1007. Home Rule County Service Occupation Tax Law. The corporate authorities of a home rule county may impose a tax upon all persons engaged, in such county, in the business of making sales of service at the same rate of tax imposed pursuant to Section 5-1006 of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act 5-1184. For purposes of this Section Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for

aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers’ Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the taxing county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this county tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers’ Occupation Tax Act), 13 (except that any reference to the State shall mean the taxing county), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.
No tax may be imposed by a home rule county pursuant to this Section unless such county also imposes a tax at the same rate pursuant to Section 5-1006.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their serviceman's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which servicemen are authorized to collect under the Service Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule County Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which suppliers and servicemen have paid taxes or penalties hereunder to the Department.
during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in each year to each county which received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and

enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

Sec. 5-1008.5. Use and occupation taxes.

(a) The Rock Island County Board may adopt a resolution that authorizes a referendum on the question of whether the county shall be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at a rate of 1/4 of 1% on behalf of the economic development activities of Rock Island County and communities located within the county. The county board shall certify the question to the proper election authorities who shall submit the question to the voters of the county at the next regularly scheduled election in accordance with the general election law. The question shall be in substantially the following form:

Shall Rock Island County be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at

the rate of 1/4 of 1% for the sole purpose of economic development activities, including creation and retention of job opportunities, support of affordable housing opportunities, and enhancement of quality of life improvements?

Votes shall be recorded as "yes" or "no". If a majority of all votes cast on the proposition are in favor of the proposition, the county is authorized to impose the tax.

(b) The county shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the county, at the rate approved by referendum, on the gross receipts from the sales made in the course of those businesses within the county. This additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the county does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The county must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the county. The tax imposed under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions other than the State rate of tax), 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the
retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect, in accordance with bracket schedules prescribed by the Department.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (b), a tax shall also be imposed at the same rate under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or another mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This additional tax may not be imposed on tangible personal property taxed at
the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due under this Section; to dispose of taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this Section. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 3 through 3-55 (in respect to all provisions other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust Fund), 11, 12 (except the reference to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Nothing in this paragraph shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the county, any item of tangible personal property that is purchased outside the county at retail from a retailer, and that is titled or registered at a location within the county with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the county. The tax shall be collected by the Department of Revenue for the county. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c), or (d) of this Section and no additional registration shall be required. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois Department on or before the first day of October. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of tax under this Section shall be adopted and a certified copy of the ordinance filed with the Department on or before the first day of October. After proper receipt of the certifications, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

Except as otherwise provided in paragraph (g-2), the Department of Revenue shall, upon collecting any taxes and penalties as provided in this Section, pay the taxes and penalties over to the State Treasurer as trustee for the county. The taxes and penalties shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the county, which shall be the balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the county, the Comptroller shall cause an order to be drawn for payment for the amount in accordance with the directions contained in the certification. Amounts received from the tax imposed under this Section shall be used only for the economic development activities of the county and communities located within the county.

(g-2) Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The collection of a tax under this Section based on gallonage of gasoline used for the propulsion of any aircraft is prohibited, and the collection of a tax based on gallonage of special fuel used for the propulsion of any aircraft is prohibited on and after December 1, 2019. Kane County may exempt diesel fuel from the tax imposed pursuant to this Section. (a-5) By June 1, 2020, and by June 1 of each year thereafter, the Department of Revenue shall determine an annual rate increase to take effect on July 1 of that calendar year and continue through June 30 of the next calendar year. Not later than June 1 of each year, the Department of Revenue shall publish on its website the rate that will take effect on July 1 of that calendar year. The rate shall be equal to the product of the rate in effect increased by an amount equal to the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items, published by the United States Department of Labor for the 12 months ending in March of each year multiplied by the transportation fee index factor determined under Section 2e of the Motor Fuel Tax Law. The Department of Revenue shall have full power: to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

(b-5) Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

(c) Whenever the Department determines that a refund shall be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Option Motor Fuel Tax Fund.

(d) The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder, which shall be deposited into the County Option Motor Fuel Tax Fund, a special fund in the State Treasury which is hereby created. On or before the 25th day of each calendar month, the Department shall prepare and certify to the State Comptroller the disbursement of stated sums of money to named counties for which taxpayers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the Comptroller the amount so retained by the State Treasurer, which shall be transferred into the Tax Compliance and Administration Fund.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(f) Until January 1, 2020, an ordinance or resolution imposing a tax hereunder or effecting a change in the rate thereof shall be effective on the first day of the second calendar month next following the
month in which the ordinance or resolution is adopted and a certified copy thereof is filed with the Department of Revenue, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county as of the effective date of the ordinance or resolution.

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)

Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4%
increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If a municipality does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the municipality. The changes made to this Section by this amendatory Act of the 101st General Assembly are a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder for deposit into the Home Rule Municipal Retailers' Occupation Tax Fund. Taxes and penalties collected on aviation fuel sold on or after December 1, 2019, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Section Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than $500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month
under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

Sec. 8-11-1.3. Non-Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a non-home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property which is titled and registered by an agency of this State's Government, at retail in the municipality for expenditure on public infrastructure or for property tax relief or both as defined in Section 8-11-1.2 if approved by referendum as provided in Section 8-11-1.1, of the gross receipts from such sales made in the course of such business. If the tax is approved by referendum on or after July 14, 2010 (the effective date of Public Act 96-1057), the corporate authorities of a non-home rule municipality may, until July 1, 2030, use the proceeds of the tax for expenditure on municipal operations, in addition to or in lieu of any expenditure on public infrastructure or for property tax relief. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. The corporate authorities of a non-home rule municipality with a population of more than 20,000 but less than 25,000 that has, prior to January 1, 1987, established a Redevelopment Project Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of $5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property that is titled and registered by an agency of this State's Government, at retail in the municipality. This tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers’ Occupation Tax Act 8-11-22.

For purposes of this Section Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged, in such municipality, in the business of making sales of service at the same rate of tax imposed pursuant to Section 8-11-1, of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. penalties due hereunder; to dispose of taxes and penalties so collected in
the manner hereinafter provided, and to determine all rights to credit

Department and persons who are subject to this Section shall have the
same rights, remedies, privileges, immunities, powers and duties, and be
subject to the same conditions, restrictions, limitations, penalties and
definitions of terms, and employ the same modes of procedure, as are

that the jurisdiction to which the tax shall be a debt to the extent indicated
in that Section 8 shall be the taxing municipality), 9 (except as to the
doisposition of taxes and penalties collected, and except that the returned

hereunder may not be used to discharge any State tax liability), 18, 19 and
20 of the Service Occupation Tax Act and Section 3-7 of the Uniform
Penalty and Interest Act, as fully as if those provisions were set forth
herein.

No tax may be imposed by a home rule municipality pursuant to
this Section unless such municipality also imposes a tax at the same rate
pursuant to Section 8-11-1 of this Act.

granted in this Section may reimburse themselves for their serviceman's
tax liability hereunder by separately stating such tax as an additional

The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected hereunder during the second preceding calendar month by the Department, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into

the Tax Compliance and Administration Fund. The Department, at the
time of each monthly disbursement to the municipalities, shall prepare and
certify to the State Comptroller the amount to be transferred into the Tax
Compliance and Administration Fund under this Section. Within 10 days
after receipt, by the Comptroller, of the disbursement certification to the

Comptroller shall cause the orders to be drawn for the respective amounts
in accordance with the directions contained in such certification.

paragraph and in order to mitigate delays caused by distribution
procedures, an allocation shall, if requested, be made within 10 days after
January 14, 1991, and in November of 1991 and each year thereafter, to
each municipality that received more than $500,000 during the preceding

initial distribution, participating municipalities shall certify to the
Department the amounts collected by the municipality for each month
under its home rule occupation and service occupation tax during the
period July 1, 1989 through June 30, 1990. The allocation within 10 days
after January 14, 1991, shall be in an amount equal to the monthly average
of these amounts, excluding the 2 months of highest receipts. Monthly
average for the period of July 1, 1990 through June 30, 1991 will be
determined as follows: the amounts collected by the municipality under its
home rule occupation and service occupation tax during the period of July
1, 1990 through September 30, 1990, plus amounts collected by the
Department and paid to such municipality through June 30, 1991,
excluding the 2 months of highest receipts. The monthly average for each
subsequent period of July 1 through June 30 shall be an amount equal to
the monthly distribution made to each such municipality under the
preceding paragraph during this period, excluding the 2 months of highest
receipts. The distribution made in November 1991 and each year thereafter
under this paragraph and the preceding paragraph shall be reduced by the

(a) If the corporate authorities of a municipality have approved a business district plan, have designated a business district, and have elected to impose a tax by ordinance pursuant to subsection (10) or (11) of Section 11-74.3-3, then each year after the date of the approval of the ordinance but terminating upon the date all business district project costs and all obligations paying or reimbursing business district project costs, if any, have been paid, but in no event later than the dissolution date, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the municipality imposing the tax and all amounts generated by the hotel operators' occupation tax shall be collected and the tax shall be enforced by the municipality in the same manner as all hotel operators' occupation taxes imposed in the municipality imposing the tax. (b) The corporate authorities of a municipality that has designated a business district under this Law may, by ordinance, impose a Business District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the business district at a rate not to exceed 1% of the gross receipts from the sales made in the course of such business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the rate of 1% under the Retailers' Occupation Tax Act. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act § 8-11-22. For purposes of this Section Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of

Whenever the Department determines that a refund should be made
under this subsection to a claimant instead of issuing a credit

shall cause the order to be drawn for the amount specified and to the
person named in the notification from the Department. The refund shall be
paid by the State Treasurer out of the business district retailers' occupation
tax fund or the Local Government Aviation Trust Fund, as appropriate.

Except as otherwise provided in this paragraph, the Department
shall immediately pay over to the State Treasurer, ex officio, as trustee, all
taxes, penalties, and interest collected under this subsection for deposit
into the business district retailers' occupation tax fund. Taxes and penalties
collected on aviation fuel sold on or after December 1, 2019, shall be

subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which retailers have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019) collected under this subsection during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 2% of that amount (except the amount collected on aviation fuel sold on or after December 1, 2019), which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and

filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district and each address in the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a Business District Service Occupation Tax shall also be imposed upon all persons engaged, in the business district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the business district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the business district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act. Beginning December 1, 2019, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. Each municipality must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act 8-11-22. For purposes of this Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection.

In the administration of and compliance with this subsection, the municipality and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are
employed with respect to a tax adopted by the municipality under Section 8-3-14 of this Code.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, and with any other tax.

Nothing in this subsection shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

The proceeds of the tax imposed under this subsection shall be deposited into the Business District Tax Allocation Fund.

(e) Obligations secured by the Business District Tax Allocation Fund may be issued to provide for the payment or reimbursement of business district project costs. Those obligations, when so issued, shall be retired in the manner provided in the ordinance authorizing the issuance of those obligations by the receipts of taxes imposed pursuant to subsections (10) and (11) of Section 11-74.3-3 and by other revenue designated or pledged by the municipality. A municipality may in the ordinance pledge, for any period of time up to and including the dissolution date, all or any part of the funds in and to be deposited in the Business District Tax Allocation Fund to the payment of business district project costs and obligations. Whenever a municipality pledges all of the funds to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality may specifically provide that funds remaining to the credit of such business district tax allocation fund after the payment of such obligations shall be accounted for annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be expended by the municipality for any business district project cost as approved in the business district plan. Whenever a municipality pledges less than all of the monies to the credit of a business district tax allocation fund to secure obligations issued or to be issued to pay or reimburse business district project costs, the municipality shall provide that monies to the credit of the business district tax allocation fund and not subject to such pledge or otherwise encumbered or required for payment of contractual obligations for specific business district project costs shall be calculated annually and shall be deemed to be "surplus" funds, and such "surplus" funds shall be

expended by the municipality for any business district project cost as approved in the business district plan.

No obligation issued pursuant to this Law and secured by a pledge of all or any portion of any revenues received or to be received by the municipality from the imposition of taxes pursuant to subsection (10) of Section 11-74.3-3, shall be deemed to constitute an economic incentive agreement under Section 8-11-20, notwithstanding the fact that such pledge provides for the sharing, rebate, or payment of retailers' occupation taxes or service occupation taxes imposed pursuant to subsection (10) of Section 11-74.3-3 and received or to be received by the municipality from the development or redevelopment of properties in the business district.

Without limiting the foregoing in this Section, the municipality may further secure obligations secured by the business district tax allocation fund with a pledge, for a period not greater than the term of the obligations and in any case not longer than the dissolution date, of any part or any combination of the following: (i) net revenues of all or part of any business district project; (ii) taxes levied or imposed by the municipality on any or all property in the municipality, including, specifically, taxes levied or imposed by the municipality in a special service area pursuant to the Special Service Area Tax Law; (iii) the full faith and credit of the municipality; (iv) a mortgage on part or all of the business district project; or (v) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series, bear such date or dates, become due at such time or times as therein provided, but in any case not later than (i) 20 years after the date of issue or (ii) the dissolution date, whichever is earlier, bear interest payable at such intervals and at such rate or rates as set forth therein, except as may be limited by applicable law, which rate or rates may be fixed or variable, be in such denominations, be in such form, either coupon, registered, or book-entry, carry such conversion, registration and exchange privileges, be subject to defeasance upon such terms, have such rank or priority, be executed in such manner, be payable in such medium or payment at such place or places within or without the State, make provision for a corporate trustee within or without the State with respect to such obligations, prescribe the rights, powers, and duties thereof to be exercised for the benefit of the municipality and the benefit of the owners of such obligations, provide for the holding in trust, investment, and use of moneys, funds, and accounts held under an ordinance, provide for

assignment of and direct payment of the moneys to pay such obligations or to be deposited into such funds or accounts directly to such trustee, be subject to such terms of redemption with or without premium, and be sold at such price, all as the corporate authorities shall determine. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Law except as provided in this Section.

In the event the municipality authorizes the issuance of obligations pursuant to the authority of this Law secured by the full faith and credit of the municipality, or pledges ad valorem taxes pursuant to this subsection, which obligations are other than obligations which may be issued under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which ad valorem taxes are other than ad valorem taxes which may be pledged under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which are levied in a special service area pursuant to the Special Service Area Tax Law, the ordinance authorizing the issuance of those obligations or pledging those taxes shall be published within 10 days after the ordinance has been adopted, in a newspaper having a general circulation within the municipality. The publication of the ordinance shall be accompanied by a notice of (i) the specific number of voters required to sign a petition requesting the question of the issuance of the obligations or pledging such ad valorem taxes to be submitted to the electors; (ii) the time within which the petition must be filed; and (iii) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 21 days after the publication of the ordinance, the ordinance shall be in effect. However, if within that 21-day period a petition is filed with the municipal clerk, signed by electors numbering not less than 15% of the number of electors voting for the mayor or president at the last general municipal election, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying or reimbursing business district project costs, or of pledging such ad valorem taxes for the payment of those obligations, or both, be submitted to the electors of the municipality, the municipality shall not be authorized to issue obligations of the municipality using the full faith and credit of the municipality as security or pledging such ad valorem taxes for the payment of those

obligations, or both, until the proposition has been submitted to and
approved by a majority of the voters voting on the proposition at a
regularly scheduled election. The municipality shall certify the proposition
to the proper election authorities for submission in accordance with the
general election law.

The ordinance authorizing the obligations may provide that the
obligations shall contain a recital that they are issued pursuant to this Law,
which recital shall be conclusive evidence of their validity and of the
regularity of their issuance.

In the event the municipality authorizes issuance of obligations
pursuant to this Law secured by the full faith and credit of the
municipality, the ordinance authorizing the obligations may provide for
the levy and collection of a direct annual tax upon all taxable property
within the municipality sufficient to pay the principal thereof and interest
thereon as it matures, which levy may be in addition to and exclusive of
the maximum of all other taxes authorized to be levied by the
municipality, which levy, however, shall be abated to the extent that
monies from other sources are available for payment of the obligations and
the municipality certifies the amount of those monies available to the
county clerk.

A certified copy of the ordinance shall be filed with the county
clerk of each county in which any portion of the municipality is situated,
and shall constitute the authority for the extension and collection of the
taxes to be deposited in the business district tax allocation fund.

A municipality may also issue its obligations to refund, in whole or
in part, obligations theretofore issued by the municipality under the
authority of this Law, whether at or prior to maturity. However, the last
maturity of the refunding obligations shall not be expressed to mature later
than the dissolution date.

In the event a municipality issues obligations under home rule
powers or other legislative authority, the proceeds of which are pledged to
pay or reimburse business district project costs, the municipality may, if it
has followed the procedures in conformance with this Law, retire those
obligations from funds in the business district tax allocation fund in
amounts and in such manner as if those obligations had been issued
pursuant to the provisions of this Law.

No obligations issued pursuant to this Law shall be regarded as
indebtedness of the municipality issuing those obligations or any other
taxing district for the purpose of any limitation imposed by law.

Obligations issued pursuant to this Law shall not be subject to the provisions of the Bond Authorization Act.

(f) When business district project costs, including, without limitation, all obligations paying or reimbursing business district project costs have been paid, any surplus funds then remaining in the Business District Tax Allocation Fund shall be distributed to the municipal treasurer for deposit into the general corporate fund of the municipality. Upon payment of all business district project costs and retirement of all obligations paying or reimbursing business district project costs, but in no event more than 23 years after the date of adoption of the ordinance imposing taxes pursuant to subsection (10) or (11) of Section 11-74.3-3, the municipality shall adopt an ordinance immediately rescinding the taxes imposed pursuant to subsection (10) or (11) of Section 11-74.3-3.

Sec. 11-101-3. Noise mitigation; air quality.

(a) A municipality that has implemented a Residential Sound Insulation Program to mitigate aircraft noise shall perform indoor air quality monitoring and laboratory analysis of windows and doors installed pursuant to the Residential Sound Insulation Program to determine whether there are any adverse health impacts associated with off-gassing from such windows and doors. Such monitoring and analysis shall be consistent with applicable professional and industry standards. The municipality shall make any final reports resulting from such monitoring and analysis available to the public on the municipality's website. The municipality shall develop a science-based mitigation plan to address significant health-related impacts, if any, associated with such windows and doors as determined by the results of the monitoring and analysis. In a municipality that has implemented a Residential Sound Insulation Program to mitigate aircraft noise, if requested by the homeowner pursuant to a process established by the municipality, which process shall include, at a minimum, notification in a newspaper of general circulation and a mailer sent to every address identified as a recipient of windows and doors installed under the Residential Sound Insulation Program, the municipality shall replace all windows and doors installed under the Residential Sound Insulation Program in such homes where one or more windows or doors have been found to have caused offensive odors. Only those homeowners who request that the municipality perform an odor inspection as prescribed by the process established by the municipality within 6 months of

notification being published and mailers being sent prior to March 31, 2020 shall be eligible for odorous window and odorous door replacement. Homes that have been identified by the municipality as having odorous windows or doors are not required to make said request to the municipality. The right to make a claim for replacement and have it considered pursuant to this Section shall not be affected by the fact of odor-related claims made or odor-related products received pursuant to the Residential Sound Insulation Program prior to June 5, 2019 (the effective date of this Section).

(b) An advisory committee shall be formed, composed of the following: (i) 2 members of the municipality who reside in homes that have received windows or doors pursuant to the Residential Sound Insulation Program and have been identified by the municipality as having odorous windows or doors, appointed by the Secretary of Transportation; (ii) one employee of the Aeronautics Division of the Department of Transportation; and (iii) 2 employees of the municipality that implemented the Residential Sound Insulation Program in question. The advisory committee shall determine by majority vote which homes contain windows or doors that cause offensive odors and thus are eligible for replacement, shall promulgate a list of such homes, and shall develop recommendations as to the order in which homes are to receive window replacement. The recommendations shall include reasonable and objective criteria for determining which windows or doors are odorous, consideration of the date of odor confirmation for prioritization, severity of odor, geography and individual hardship, and shall provide such recommendations to the municipality. The advisory committee shall comply with the requirements of the Illinois Open Meetings Act. The municipality shall consider the recommendations of the committee but shall retain final decision-making authority over replacement of windows and doors installed under the Residential Sound Insulation Program, and shall comply with all federal, State, and local laws involving procurement. A municipality administering claims pursuant to this Section shall provide to every address identified as having submitted a valid claim under this Section a quarterly report setting forth the municipality's activities undertaken pursuant to this Section for that quarter. However, the municipality shall replace windows and doors pursuant to this Section only if, and to the extent, grants are distributed to, and received by, the municipality from the Sound-Reducing Windows and Doors Replacement Fund for the costs associated with the replacement of sound-reducing windows and doors installed under the Residential Sound

Insulation Program pursuant to Section 6z-20.1 of the State Finance Act. In addition, the municipality shall revise its specifications for procurement of windows for the Residential Sound Insulation Program to address potential off-gassing from such windows in future phases of the program. A municipality subject to the Section shall not legislate or otherwise regulate with regard to indoor air quality monitoring, laboratory analysis or replacement requirements, except as provided in this Section, but the foregoing restriction shall not limit said municipality's taxing power.

(c) A home rule unit may not regulate indoor air quality monitoring and laboratory analysis, and related mitigation and mitigation plans, in a manner inconsistent with this Section. This Section is a limitation of home rule powers and functions under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(d) This Section shall not be construed to create a private right of action.

Section 10-80. The Illinois Municipal Code is amended by repealing Section 8-11-22.

Section 10-85. The Civic Center Code is amended by changing Section 245-12 as follows:

(70 ILCS 200/245-12)

Sec. 245-12. Use and occupation taxes.

(a) The Authority may adopt a resolution that authorizes a referendum on the question of whether the Authority shall be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax in one-quarter percent increments at a rate not to exceed 1%. The Authority shall certify the question to the proper election authorities who shall submit the question to the voters of the metropolitan area at the next regularly scheduled election in accordance with the general election law. The question shall be in substantially the following form:

"Shall the Salem Civic Center Authority be authorized to impose a retailers' occupation tax, a service occupation tax, and a use tax at the rate of (rate) for the sole purpose of obtaining funds for the support, construction, maintenance, or financing of a facility of the Authority?"

Votes shall be recorded as "yes" or "no".
If a majority of all votes cast on the proposition are in favor of the proposition, the Authority is authorized to impose the tax.

(b) The Authority shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan area, at the rate approved by referendum, on the gross receipts from the sales made in the course of such business within the metropolitan area. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the Authority does not have an airport-related purpose to which it dedicates aviation fuel tax revenue, then aviation fuel is excluded from the tax. The Authority must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. Beginning January 1, 2021, this tax is not imposed on sales of aviation fuel. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, the Authority must certify to the Department of Transportation, in the form and manner required by the Department, whether the Authority has an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the Authority to include tax on aviation fuel. On or before October 1, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner provided in this Section; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the

Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions therein other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except as to the disposition of taxes and penalties collected and provisions related to quarter monthly payments, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (b), a tax shall also be imposed at the same rate under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue.

All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

The Department has full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to
determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the metropolitan area), 2a, 2b, 3 through 3-55 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust Fund), 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the metropolitan area, any item of tangible personal property that is purchased outside the metropolitan area at retail from a retailer, and that is titled or registered at a location within the metropolitan area with an agency of this State's government. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois Department on or before the first day of April. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before the first day of April. After proper receipt of such certifications, the Department shall proceed to administer and enforce this Section as of the first day of July next following such adoption and filing.

Taxes and penalties collected on aviation fuel sold on or after December 1, 2019 and through December 31, 2020, shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government State Aviation Trust Program Fund under this Section for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District. Comptroller of the State of Illinois the amount to be paid to the Authority, which shall be the balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the Authority, the Comptroller shall cause an order to be drawn for payment for the amount in accordance with the directions contained in the certification. Amounts received from the tax imposed under this Section shall be used only for the support, construction, maintenance, or financing of a facility of the Authority.

Sec. 25. Flood prevention retailers' and service occupation taxes.

(a) If the Board of Commissioners of a flood prevention district determines that an emergency situation exists regarding levee repair or flood prevention, and upon an ordinance confirming the determination adopted by the affirmative vote of a majority of the members of the county board of the county in which the district is situated, the county may impose a flood prevention retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail within the territory of the district to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness issued under this Act. The tax rate shall be 0.25% of the gross receipts from all taxable sales made in the course of that business. Beginning December 1, 2019 and through December 31, 2020, this tax is not imposed on sales of aviation fuel unless the tax revenue is expended for airport-related purposes. If the District does not

When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the counties provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a Metro East Mass Transit District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the district at a rate of 1/4 of 1%, or as authorized under subsection (d-5) of this Section, of the gross receipts from the sales made in the course of such business within the district, except that the rate of tax imposed under this Section on sales of aviation fuel on or after December 1, 2019 shall be 0.25% in Madison County unless the Metro-East Mass Transit District in Madison County has an "airport-related purpose" and any additional amount authorized under subsection (d-5) is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.50% of the 0.75% tax.

On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, each Metro-East Mass Transit District and Madison and St. Clair Counties must certify to the Department of Transportation, in the form and manner required by the Department, whether they have an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed under this Act to include tax on aviation fuel. If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Metro East Mass Transit District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Service Occupation Tax shall also be imposed upon all persons engaged, in the district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax rate shall be 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of tangible personal property so transferred within the district, except that the rate of tax imposed in these Counties under this Section on sales of aviation fuel on or after December 1, 2019 shall be 0.25% in Madison County unless the Metro-East Mass Transit District in Madison County has an "airport-related purpose" and any additional amount authorized under subsection (d-5) is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from any additional amount authorized under subsection (d-5) future increase in the tax. The rate in St. Clair County shall be 0.25% unless the Metro-East Mass Transit District in St. Clair County has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which
aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.50% of the 0.75% tax.

On or before December 1, 2019, and on or before each May 1 and November 1 thereafter, each Metro-East Mass Transit District and Madison and St. Clair Counties must certify to the Department of Transportation, in the form and manner required by the Department, whether they have an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed under this Act to include tax on aviation fuel. On or before October 1, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

The Board must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the Authority), 2a, 3 through 3-50 (in

respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of

the tangible personal property within the District, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the District. The tax shall be collected by the Department of Revenue for the Metro East Mass Transit District. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

(C) The votes shall be recorded as "YES" or "NO". If a majority of all votes cast on the proposition are for the increase in the tax rates, the Metro East Mass Transit District shall begin imposing the increased rates in the District, and the Department of Revenue shall begin collecting the increased amounts, as provided under this Section. An ordinance imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing, or on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing.

(D) If the voters have approved a referendum under this subsection, before November 1, 1994, to increase the tax rate under this subsection, the Metro East Mass Transit District Board of Trustees may adopt by a majority vote an ordinance at any time before January 1, 1995 that excludes from the rate increase tangible personal property that is titled or registered with an agency of this State's government. The ordinance excluding titled or registered tangible personal property from the rate increase must be filed with the Department at least 15 days before its effective date. At any time after adopting an ordinance excluding from the rate increase tangible personal property that is titled or registered with an agency of this State's government, the Metro East Mass Transit District Board of Trustees may adopt an ordinance applying the rate increase to that tangible personal property. The ordinance shall be adopted, and a certified copy of that ordinance shall be filed with the Department, on or before October 1, whereupon the Department shall proceed to administer and enforce the rate increase against tangible personal property titled or registered with an agency of this State's government as of the following January 1. After December 31, 1995, any reimposed rate increase in effect under this subsection shall no longer apply to tangible personal property titled or registered with an agency of this State's government. Beginning January 1, 1996, the Board of Trustees of any Metro East Mass Transit District Board of Trustees may adopt an ordinance applying the rate increase to that tangible personal property. The ordinance shall be adopted, and a certified copy of that ordinance shall be filed with the Department, on or before October 1, whereupon the Department shall proceed to administer and enforce the rate increase against tangible personal property titled or registered with an agency of this State's government as of the following January 1. After December 31, 1995, any reimposed rate increase in effect under this subsection shall no longer apply to tangible personal property titled or registered with an agency of this State's government. Beginning January 1, 1996, the Board of Trustees of any Metro East Mass Transit District Board of Trustees may adopt an ordinance applying the rate increase to that tangible personal property. The ordinance shall be adopted, and a certified copy of that ordinance shall be filed with the Department, on or before October 1, whereupon the Department shall proceed to administer and enforce the rate increase against tangible personal property titled or registered with an agency of this State's government as of the following January 1. After December 31, 1995, any reimposed rate increase in effect under this subsection shall no longer apply to tangible personal property titled or registered with an agency of this State's government. Beginning January 1, 1996, the Board of Trustees of any Metro East Mass Transit
District may never reimpose a previously excluded tax rate increase on tangible personal property titled or registered with an agency of this State's government. After July 1, 2004, if the voters have approved a referendum under this subsection to increase the tax rate under this subsection, the Metro East Mass Transit District Board of Trustees may adopt by a majority vote an ordinance that excludes from the rate increase tangible personal property that is titled or registered with an agency of this State's government. The ordinance excluding titled or registered tangible personal property from the rate increase shall be adopted, and a certified copy of that ordinance shall be filed with the Department on or before October 1, whereupon the Department shall administer and enforce this exclusion from the rate increase as of the following January 1, or on or before April 1, whereupon the Department shall administer and enforce this exclusion from the rate increase as of the following July 1. The Board of Trustees of any Metro East Mass Transit District may never reimpose a previously excluded tax rate increase on tangible personal property titled or registered with an agency of this State's government.

(d-6) If the Board of Trustees of any Metro East Mass Transit District has imposed a rate increase under subsection (d-5) and filed an ordinance with the Department of Revenue excluding titled property from the higher rate, then that Board may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District a fee. The fee on the excluded property shall not exceed $20 per retail transaction or an amount equal to the amount of tax excluded, whichever is less, on tangible personal property that is titled or registered with an agency of this State's government. Beginning July 1, 2004, the fee shall apply only to titled property that is subject to either the Metro East Mass Transit District Retailers' Occupation Tax or the Metro East Mass Transit District Service Occupation Tax. No fee shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

(d-7) Until June 30, 2004, if a fee has been imposed under subsection (d-6), a fee shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is titled or registered with any agency of this State's government, in an amount equal to the amount of the fee imposed under subsection (d-6).

(d-7.1) Beginning July 1, 2004, any fee imposed by the Board of Trustees of any Metro East Mass Transit District under subsection (d-6)
and all civil penalties that may be assessed as an incident of the fees shall be collected and enforced by the State Department of Revenue. Reference to "taxes" in this Section shall be construed to apply to the administration, payment, and remittance of all fees under this Section. For purposes of any fee imposed under subsection (d-6), 4% of the fee, penalty, and interest received by the Department in the first 12 months that the fee is collected and enforced by the Department and 2% of the fee, penalty, and interest following the first 12 months (except the amount collected on aviation fuel sold on or after December 1, 2019) shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department. No retailers' discount shall apply to any fee imposed under subsection (d-6).

(d-8) No item of titled property shall be subject to both the higher rate approved by referendum, as authorized under subsection (d-5), and any fee imposed under subsection (d-6) or (d-7).

(d-9) (Blank).

(d-10) (Blank).

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c) or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) (Blank).

(g) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Metro East Mass Transit District as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, except as provided in subsection (d-5) of this Section, an ordinance or resolution imposing or discontinuing the

tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing, or, beginning January 1, 2004, on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing.

(h) Except as provided in subsection (d-7.1), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the District. The taxes shall be held in a trust fund outside the State Treasury. If an airport-related purpose has been certified, taxes and penalties collected in St. Clair County on aviation fuel sold on or after December 1, 2019 from the 0.50% of the 0.75% rate shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the District.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the local mass transit district imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the District, which shall be the amount (not including credit memoranda and not including taxes and penalties collected on aviation fuel sold on or after December 1, 2019 that are deposited into the Local Government Aviation Trust Fund) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body,
and not including any amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the District, and less any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the District, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the District and the Tax Compliance and Administration Fund, the Comptroller shall cause an order to be drawn for payment for the amount in accordance with the direction in the certification.

Section 10-105. The Regional Transportation Authority Act is amended by changing Sections 4.03 and 4.03.3 as follows:

(70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)

Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in Public Act 95-708 is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after January 1, 2008 (the effective date of Public Act 95-708).

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax

The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section, the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County, the tax rate shall be 1.25% of the gross receipts from sales of tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act, and 1% of the gross receipts from other taxable sales.
made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business. The rate of tax imposed in DuPage, Kane, Lake, McHenry, and Will counties under this Section on sales of aviation fuel on or after December 1, 2019 shall, however, be 0.25% unless the Regional Transportation Authority in DuPage, Kane, Lake, McHenry, and Will counties has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.50% of the 0.75% tax. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust Fund), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, the Authority and Cook, DuPage, Kane, Lake, McHenry, and Will counties must certify to the Department of Transportation, in the form and manner required by the Department, whether they have an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed under this Act to include tax on aviation fuel. or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation.

The Board and DuPage, Kane, Lake, McHenry, and Will counties must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers' Occupation Tax Act. For purposes of this Section Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section or the Local Government Aviation Trust Fund, as appropriate.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1.25% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act that is located in the metropolitan region; (2) 1.25% of the selling price of tangible personal property taxed at the 1% rate under the Service Occupation Tax Act; and (3) 1% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry, and Will counties, the rate shall be 0.75% of the selling price of all tangible personal property transferred. The except that the rate of tax imposed in DuPage, Kane, Lake, McHenry, and Will these counties under this Section on sales of aviation fuel on or after December 1, 2019 shall, however, be 0.25% unless the Regional Transportation Authority in DuPage, Kane, Lake, McHenry, and Will counties has an "airport-related purpose" and the additional 0.50% of the 0.75% tax on aviation fuel is expended for airport-related purposes. If there is no airport-related purpose to which aviation fuel tax revenue is dedicated, then aviation fuel is excluded from the additional 0.5% of the 0.75% tax.

On or before September 1, 2019, and on or before each April 1 and October 1 thereafter, the Authority and Cook, DuPage, Kane, Lake, McHenry, and Will counties must certify to the Department of Transportation, in the form and manner required by the Department, whether they have an airport-related purpose, which would allow any Retailers' Occupation Tax and Service Occupation Tax imposed under this

Act to include tax on aviation fuel. On or before October 1, 2019, and on or before each May 1 and November 1 thereafter, the Department of Transportation shall provide to the Department of Revenue, a list of units of local government which have certified to the Department of Transportation that they have airport-related purposes, which would allow any Retailers’ Occupation Tax and Service Occupation Tax imposed by the unit of local government to include tax on aviation fuel. All disputes regarding whether or not a unit of local government has an airport-related purpose shall be resolved by the Department of Transportation:

The Board and DuPage, Kane, Lake, McHenry, and Will counties must comply with the certification requirements for airport-related purposes under Section 2-22 of the Retailers’ Occupation Tax Act. For purposes of this Section Act, "airport-related purposes" has the meaning ascribed in Section 6z-20.2 of the State Finance Act. This exclusion for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel that are subject to the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 deposited into the Local Government Aviation Trust Fund), 10, 11, 12 (except the reference therein to Section 2b of the

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section or the Local Government Aviation Trust Fund, as appropriate.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County, the tax rate shall be 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry, and Will counties, the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted
to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21, and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of $50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the

The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. The tax rates authorized by Public Act 95-708 are effective only if imposed by ordinance of the Authority.

(n) Except as otherwise provided in this subsection (n), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. If an airport-related purpose has been certified, taxes and penalties collected in DuPage, Kane, Lake, McHenry and Will counties on aviation fuel sold on or after December 1, 2019 from the 0.50% of the 0.75% rate shall be immediately paid over by the Department to the State Treasurer, ex officio, as trustee, for deposit into the Local Government Aviation Trust Fund. The Department shall only pay moneys into the Local Government Aviation Trust Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the Authority. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each county other than Cook County in the metropolitan region, (not including, if an airport-related purpose has been certified, the taxes and penalties collected from the 0.50% of the 0.75% rate on aviation fuel sold on or after December 1, 2019 that are deposited into the Local Government Aviation Trust Fund) (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii), and less 1.5% of the remainder, which shall be transferred from the trust fund into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the transfer of the amount certified into the Tax Compliance and Administration Fund and the payment of two-thirds

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c), and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f), and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c), and (d) shall remain in effect only until the time as any tax authorized by paragraph (e), (f), or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraph (e), (f), or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c), and (d) of the Section unless any tax authorized by paragraph (e), (f), or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraph (b), (c), or (d) of this Section shall not be

Sec. 4.03.3. Distribution of Revenues. This Section applies only after the Department begins administering and enforcing an increased tax under Section 4.03(m) as authorized by this amendatory Act of the 95th General Assembly. After providing for payment of its obligations with respect to bonds and notes issued under the provisions of Section 4.04 and obligations related to those bonds and notes and separately accounting for the tax on aviation fuel deposited into the Local Government Aviation Trust Fund, the Authority shall disburse the remaining proceeds from taxes it has received from the Department of Revenue under this Article IV and the remaining proceeds it has received from the State under Section 4.09(a) as follows:

(a) With respect to taxes imposed by the Authority under Section 4.03, after withholding 15% of 80% of the receipts from those taxes collected in Cook County at a rate of 1.25%, 15% of 75% of the receipts from those taxes collected in Cook County at the rate of 1%, 15% of one-half of the receipts from those taxes collected in DuPage, Kane, Lake, McHenry, and Will Counties, and 15% of money received by the Authority from the Regional Transportation Authority Occupation and Use Tax Replacement Fund or from the Regional Transportation Authority tax fund created in Section 4.03(n), the Board shall allocate the proceeds and money remaining to the Service Boards as follows:

(3) an amount equal to 85% of one-half of the receipts from the taxes collected within the Counties of DuPage, Kane, Lake, McHenry, and Will shall be allocated 70% to the Commuter Rail Board and 30% to the Suburban Bus Board.

(b) Moneys received by the Authority on account of transfers to the Regional Transportation Authority Occupation and Use Tax Replacement Fund from the State and Local Sales Tax Reform Fund shall be allocated among the Authority and the Service Boards as follows: 15% of such moneys shall be retained by the Authority and the remaining 85% shall be transferred to the Service Boards as soon as may be practicable after the Authority receives payment. Moneys which are distributable to the Service Boards pursuant to the preceding sentence shall be allocated among the Service Boards on the basis of each Service Board's distribution ratio. The term "distribution ratio" means, for purposes of this subsection (b), the ratio of the total amount distributed to a Service Board pursuant to subsection (a) of Section 4.03.3 for the immediately preceding calendar year to the total amount distributed to all of the Service Boards pursuant to subsection (a) of Section 4.03.3 for the immediately preceding calendar year.

(c)(i) 20% of the receipts from those taxes collected in Cook County under Section 4.03 at the rate of 1.25%, (ii) 25% of the receipts from those taxes collected in Cook County under Section 4.03 at the rate of 1%, (iii) 50% of the receipts from those taxes collected in DuPage, Kane, Lake, McHenry, and Will Counties under Section 4.03, and (iv) amounts received from the State under Section 4.09 (a)(2) and items (i), (ii), and (iii) of Section 4.09 (a)(3) shall be allocated as follows: the amount required to be deposited into the ADA Paratransit Fund described in Section 2.01d, the amount required to be deposited into the Suburban Community Mobility Fund described in Section 2.01e, and the amount

(d) Amounts received from the State under Section 4.09 (a)(3)(iv) shall be distributed 100% to the Chicago Transit Authority.

(e) With respect to those taxes collected in DuPage, Kane, Lake, McHenry, and Will Counties and paid directly to the counties under Section 4.03, the County Board of each county shall use those amounts to fund operating and capital costs of public safety and public transportation services or facilities or to fund operating, capital, right-of-way, construction, and maintenance costs of other transportation purposes, including road, bridge, public safety, and transit purposes intended to improve mobility or reduce congestion in the county. The receipt of funding by such counties pursuant to this paragraph shall not be used as the basis for reducing any funds that such counties would otherwise have received from the State of Illinois, any agency or instrumentality thereof, the Authority, or the Service Boards.

(f) The Authority by ordinance adopted by 12 of its then Directors shall apportion to the Service Boards funds provided by the State of Illinois under Section 4.09(a)(1) as it shall determine and shall make payment of the amounts to each Service Board as soon as may be practicable upon their receipt provided the Authority has adopted a balanced budget as required by Section 4.01 and further provided the Service Board is in compliance with the requirements in Section 4.11.

(g) Beginning January 1, 2009, before making any payments, transfers, or expenditures under this Section to a Service Board, the Authority must first comply with Section 4.02a or 4.02b of this Act, whichever may be applicable.

(h) Moneys may be appropriated from the Public Transportation Fund to the Office of the Executive Inspector General for the costs incurred by the Executive Inspector General while serving as the inspector general for the Authority and each of the Service Boards. Beginning December 31, 2012, and each year thereafter, the Office of the Executive Inspector General shall annually report to the General Assembly the expenses incurred while serving as the inspector general for the Authority and each of the Service Boards.

commission), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the commission), 9 (except as to the disposition of taxes and penalties collected and except that the returned merchandise credit for this tax may not be taken against any State tax, and except that the retailer's discount is not allowed for taxes paid on aviation fuel sold on or after December 1, 2019 and through December 31, 2020), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the territory of the commission), the first paragraph of Section 15, 15.5, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, and any tax for which servicemen may be liable under subsection (f) of Section 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a tax shall also be imposed upon the privilege of using, in the territory of the commission, any item of tangible personal property that is purchased outside the territory at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4% of the selling price of the tangible personal property within the territory, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the territory. The tax shall be collected by the Department of Revenue for a

county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under subsection (b), (c), or

New matter indicated by italics - deletions by strikeout
(d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under subsection (c) of this Section.

(f) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county water commission as of September 1 next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(g) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the commission. The taxes shall be held in a trust fund outside the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the commission, which shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including any amount

equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the commission, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the commission, and less any amounts that are transferred to the STAR Bonds Revenue Fund, less 1.5% of the remainder, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the commission, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the commission and the Tax Compliance and Administration Fund, the Comptroller shall cause an order to be drawn for the payment for the amount in accordance with the direction in the certification.

(h) Beginning June 1, 2016, any tax imposed pursuant to this Section may no longer be imposed or collected, unless a continuation of the tax is approved by the voters at a referendum as set forth in this Section.

Section 10-130. The Environmental Impact Fee Law is amended by changing Sections 310, 315, and 320 as follows:

(415 ILCS 125/310)

(Section scheduled to be repealed on January 1, 2025)

Sec. 310. Environmental impact fee; imposition. Beginning January 1, 1996, all receivers of fuel are subject to an environmental impact fee of $60 per 7,500 gallons of fuel, or an equivalent amount per fraction thereof, that is sold or used in Illinois. The fee shall be paid by the receiver in this State who first sells or uses the fuel. The environmental impact fee imposed by this Law replaces the fee imposed under the corresponding provisions of Article 3 of Public Act 89-428. Environmental impact fees paid under that Article 3 shall satisfy the receiver's corresponding liability under this Law.

A receiver of fuels is subject to the fee without regard to whether the fuel is intended to be used for operation of motor vehicles on the public highways and waters. However, no fee shall be imposed upon the importation or receipt of aviation fuels and kerosene at airports with over 170,000 operations per year, located in a city of more than 1,000,000

inhabitants, for sale to or use by holders of certificates of public convenience and necessity or foreign air carrier permits, issued by the United States Department of Transportation, and their air carrier affiliates, or upon the importation or receipt of aviation fuels and kerosene at facilities owned or leased by those certificate or permit holders and used in their activities at an airport described above. In addition, no fee may be imposed upon the importation or receipt of diesel fuel or liquefied natural gas sold to or used by a rail carrier registered under Section 18c-7201 of the Illinois Vehicle Code or otherwise recognized by the Illinois Commerce Commission as a rail carrier, to the extent used directly in railroad operations. In addition, no fee may be imposed when the sale is made with delivery to a purchaser outside this State or when the sale is made to a person holding a valid license as a receiver. In addition, no fee shall be imposed upon diesel fuel or liquefied natural gas consumed or used in the operation of ships, barges, or vessels, that are used primarily in or for the transportation of property in interstate commerce for hire on rivers bordering on this State, if the diesel fuel or liquefied natural gas is delivered by a licensed receiver to the purchaser's barge, ship, or vessel while it is afloat upon that bordering river. A specific notation thereof shall be made on the invoices or sales slips covering each sale. Beginning January 1, 2021 no fee shall be imposed under this Section on receivers of aviation fuel for sale or use for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State.

(Section scheduled to be repealed on January 1, 2025)

Sec. 315. Fee on receivers of fuel for sale or use; collection and reporting. A person that is required to pay the fee imposed by this Law shall pay the fee to the Department by return showing all fuel purchased, acquired, or received and sold, distributed or used during the preceding calendar month, including losses of fuel as the result of evaporation or shrinkage due to temperature variations, and such other reasonable information as the Department may require. Losses of fuel as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of the month, plus the receipts of gallonage during the month, minus the gallonage remaining in storage at the end of the month. Any loss reported that is in excess of this amount shall be subject to the fee imposed by Section 310 of this Law. On and after July 1, 2001, for each 6-month period January through June, net

losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each January, plus the receipts of gallonage each January through June, minus the gallonage remaining in storage at the end of each June. On and after July 1, 2001, for each 6-month period July through December, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each July, plus the receipts of gallonage each July through December, minus the gallonage remaining in storage at the end of each December. Any net loss reported that is in excess of this amount shall be subject to the fee imposed by Section 310 of this Law. For purposes of this Section, "net loss" means the number of gallons gained through temperature variations minus the number of gallons lost through temperature variations or evaporation for each of the respective 6-month periods.

The return shall be prescribed by the Department and shall be filed between the 1st and 20th days of each calendar month. The Department may, in its discretion, combine the return filed under this Law with the return filed under Section 2b of the Motor Fuel Tax Law. If the return is timely filed, the receiver may take a discount of 2% through June 30, 2003 and 1.75% thereafter to reimburse himself for the expenses incurred in keeping records, preparing and filing returns, collecting and remitting the fee, and supplying data to the Department on request. However, the discount applies only to the amount of the fee payment that accompanies a return that is timely filed in accordance with this Section. The discount is not permitted on fees paid on aviation fuel sold or used on and after December 1, 2019 and through December 31, 2020. This exception for aviation fuel only applies for so long as the revenue use requirements of 49 U.S.C. 47017(b) and 49 U.S.C. 47133 are binding on the State.

Beginning with returns due on January 20, 2019 and ending with returns due on January 20, 2021, January 1, 2018, each retailer required or authorized to collect the fee imposed by this Act on aviation fuel at retail in this State during the preceding calendar month shall, instead of reporting and paying tax on aviation fuel as otherwise required by this Section, report and pay such tax on a separate aviation fuel tax return, or on a separate line on the return with the Department, on or before the twentieth day of each calendar month. The requirements related

to the return shall be as otherwise provided in this Section. Notwithstanding any other provisions of this Act to the contrary, retailers collecting fees on aviation fuel shall file all aviation fuel tax returns and shall make all aviation fuel fee payments by electronic means in the manner and form required by the Department. For purposes of this paragraph, "aviation fuel" means jet fuel and aviation gasoline a product that is intended for use or offered for sale as fuel for an aircraft.

If any payment provided for in this Section exceeds the receiver's liabilities under this Act, as shown on an original return, the Department may authorize the receiver to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the receiver, the receiver's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that receiver shall be liable for penalties and interest on such difference.

Sec. 320. Deposit of fee receipts. Except as otherwise provided in this paragraph, all money received by the Department under this Law shall be deposited in the Underground Storage Tank Fund created by Section 57.11 of the Environmental Protection Act. All money received for aviation fuel by the Department under this Law on or after December 1, 2019 and ending with returns due on January 20, 2021, shall be immediately paid over by the Department to the State Aviation Program Fund. The Department shall only pay such moneys into the State Aviation Program Fund under this Act for so long as the revenue use requirements of 49 U.S.C. 47107(b) and 49 U.S.C. 47133 are binding on the State. For purposes of this Section, "aviation fuel" means jet fuel and aviation gasoline a product that is intended for use or offered for sale as fuel for an aircraft.

imposed by Article XV of the Business Corporation Act of 1983. The amnesty program shall be for a period from February 1, 2008 through March 15, 2008. The amnesty program shall also be for a period between October 1, 2019 and November 15, 2019, and shall apply to franchise tax or license fee liabilities for any tax period ending after March 15, 2008 and on or before June 30, 2019. The amnesty program shall provide that, upon payment by a taxpayer of all franchise taxes and license fees due from that taxpayer to the State of Illinois for any taxable period, the Secretary shall abate and not seek to collect any interest or penalties that may be applicable, and the Secretary shall not seek civil or criminal prosecution for any taxpayer for the period of time for which amnesty has been granted to the taxpayer. Failure to pay all taxes due to the State for a taxable period shall not invalidate any amnesty granted under this Act with respect to the taxes paid pursuant to the amnesty program. Amnesty shall be granted only if all amnesty conditions are satisfied by the taxpayer. Amnesty shall not be granted to taxpayers who are a party to any criminal investigation or to any civil or criminal litigation that is pending in any circuit court or appellate court or the Supreme Court of this State for nonpayment, delinquency, or fraud in relation to any franchise tax or license fee imposed by Article XV of the Business Corporation Act of 1983. Voluntary payments made under this Act shall be made by check, guaranteed remittance, or ACH debit. The Secretary shall adopt rules as necessary to implement the provisions of this Act. Except as otherwise provided in this Section, all money collected under this Act that would otherwise be deposited into the General Revenue Fund shall be deposited into the General Revenue Fund. Two percent of all money collected under this Act shall be deposited by the State Treasurer into the Business Services Special Operations Fund Franchise Tax and License Fee Amnesty Administration Fund and, subject to appropriation, shall be used by the Secretary to cover costs associated with the administration of this Act.

ARTICLE 15. USE AND OCCUPATION TAXES; MARKETPLACE FACILITATORS

Section 15-5. The State Comptroller Act is amended by changing Section 16 as follows:

(15 ILCS 405/16) (from Ch. 15, par. 216)

Sec. 16. Reports from State agencies. The comptroller shall prescribe the form and require the filing of quarterly fiscal reports by each...
State agency. Within 30 days after the end of each quarter, or at such earlier time as the comptroller by rule requires, each State agency shall file with the comptroller the report of activity for funds held outside of the State Treasury. The report shall include receipts and collections during the preceding quarter, including receipts and collections of taxes and fees, bond proceeds, gifts, grants and donations, and income from revenue producing activities. The report shall specify the nature, source and fair market value of any assets received, any increase or decrease in its security holdings, and such other related information as the comptroller, by rule, requires. The report shall, consistent with the uniform State accounting system, account for all disbursements and transfers by the State agency. This Section does not require the duplication of reports concerning security holdings and investment income of the State Treasurer which are issued by the Treasurer pursuant to law.

In addition to the quarterly reports required by this Section, each agency shall on an annual basis file a report giving that agency's best estimate of the cost of each tax expenditure related to each of the revenue sources administered by the agency. This annual report shall include the agency's best estimate of the cost of each tax expenditure including: (a) a citation of the legal authority for the tax expenditure, the year it was enacted, the fiscal year in which it first took effect, and any subsequent amendments; (b) to the extent that it can be determined, the total cost of the tax expenditure for the preceding fiscal year together with an estimate of the projected cost for the next succeeding fiscal year along with a description of the methodology used to determine or estimate the cost of the tax expenditure; and (c) an assessment of the impact of the tax expenditure on the incidence of the tax in terms of the relative shares of revenue received under the provisions of the tax expenditure and the revenue that would have been received had the tax expenditure not been in effect. For purposes of this Act, the term "tax expenditure" means any tax incentive authorized by law that by exemption, exclusion, deduction, allowance, credit, preferential tax rate, abatement, or other device reduces the amount of tax revenues that would otherwise accrue to the State, but shall not include reimbursements for services provided to the State by any person collecting and remitting tax under the Retailers’ Occupation Tax Act, the Use Tax Act, the Service Occupation Tax Act, or the Service Use Tax Act.

Section 15-10. The Use Tax Act is amended by changing Sections 2 and 2d as follows:

(35 ILCS 105/2) (from Ch. 120, par. 439.2)

Sec. 2. Definitions.

"Use" means the exercise by any person of any right or power over tangible personal property incident to the ownership of that property, except that it does not include the sale of such property in any form as tangible personal property in the regular course of business to the extent that such property is not first subjected to a use for which it was purchased, and does not include the use of such property by its owner for demonstration purposes: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. "Use" does not mean the demonstration use or interim use of tangible personal property by a retailer before he sells that tangible personal property. For watercraft or aircraft, if the period of demonstration use or interim use by the retailer exceeds 18 months, the retailer shall pay on the retailers' original cost price the tax imposed by this Act, and no credit for that tax is permitted if the watercraft or aircraft is subsequently sold by the retailer. "Use" does not mean the physical incorporation of tangible personal property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, into other tangible personal property (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing.

"Watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

"Purchase at retail" means the acquisition of the ownership of or title to tangible personal property through a sale at retail.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of tangible personal property for a valuable consideration.

"Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use, and not
for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or by-product of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced by-product of manufacturing. "Sale at retail" includes any such transfer made for resale unless made in compliance with Section 2c of the Retailers' Occupation Tax Act, as incorporated by reference into Section 12 of this Act. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price are sales.

"Sale at retail" shall also be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property other than as hereinafter provided, and services, but, prior to January 1, 2020, not including the value of or credit given for traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold; beginning January 1, 2020, "selling

New matter indicated by italics - deletions by strikeout
price" includes the portion of the value of or credit given for traded-in motor vehicles of the First Division as defined in Section 1-146 of the Illinois Vehicle Code of like kind and character as that which is being sold that exceeds $10,000. "Selling price" shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's tax liability under the "Retailers' Occupation Tax Act" or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit on account of the seller's duty to collect, from the purchasers, the tax that is imposed under any local use tax administered by the Department. Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the seller's duty to collect, from the purchaser, the tax imposed under the Cigarette Use Tax Act, and on account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers; or (C) has a gross vehicle weight rating of 8,000 pounds or less or (2) is a motor vehicle of the first division, "selling price" or "amount of sale" means the consideration received by the lessor pursuant to the lease contract, including amounts due at lease signing and all monthly or other regular payments charged over the term of the lease. Also included in the selling price is any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, including, but not limited to, excess mileage charges and charges for excess wear and tear.
For sales that occur in Illinois, with respect to any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, the lessor who purchased the motor vehicle does not incur the tax imposed by the Use Tax Act on those amounts, and the retailer who makes the retail sale of the motor vehicle to the lessor is not required to collect the tax imposed by this Act or to pay the tax imposed by the Retailers' Occupation Tax Act on those amounts. However, the lessor who purchased the motor vehicle assumes the liability for reporting and paying the tax on those amounts directly to the Department in the same form (Illinois Retailers' Occupation Tax, and local retailers' occupation taxes, if applicable) in which the retailer would have reported and paid such tax if the retailer had accounted for the tax to the Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with respect to the tax paid by the lessor for any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed; provided that the discount is only allowed if the return is timely filed and for amounts timely paid. The "selling price" of a motor vehicle that is sold on or after January 1, 2015 for the purpose of leasing for a defined period of longer than one year shall not be reduced by the value of or credit given for traded-in tangible personal property owned by the lessor, nor shall it be reduced by the value of or credit given for traded-in tangible personal property owned by the lessee, regardless of whether the trade-in value thereof is assigned by the lessee to the lessor. In the case of a motor vehicle that is sold for the purpose of leasing for a defined period of longer than one year, the sale occurs at the time of the delivery of the vehicle, regardless of the due date of any lease payments. A lessor who incurs a Retailers' Occupation Tax liability on the sale of a motor vehicle coming off lease may not take a credit against that liability for the Use Tax the lessor paid upon the purchase of the motor vehicle (or for any tax the lessor paid with respect to any amount received by the lessee from the lessee for the leased vehicle that was not calculated at the time the lease was executed) if the selling price of the motor vehicle at the time of

New matter indicated by italics - deletions by strikeout
purchase was calculated using the definition of "selling price" as defined in this paragraph. Notwithstanding any other provision of this Act to the contrary, lessors shall file all returns and make all payments required under this paragraph to the Department by electronic means in the manner and form as required by the Department. This paragraph does not apply to leases of motor vehicles for which, at the time the lease is entered into, the term of the lease is not a defined period, including leases with a defined initial period with the option to continue the lease on a month-to-month or other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed (including but not limited to any form of motor vehicle for any form of motor vehicle, or any kind of farm or agricultural implement for any other kind of farm or agricultural implement), while not including a kind of item which, if sold at retail by that retailer, would be exempt from retailers' occupation tax and use tax as an isolated or occasional sale.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Retailer" means and includes every person engaged in the business of making sales at retail as defined in this Section.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a retailer hereunder with respect to such sales (and not primarily in a service occupation) notwithstanding the fact that such person designs and produces such tangible personal property on special order for the purchaser and in such a way as to render the property of value only to such purchaser, if such tangible personal property so produced on special order serves substantially the same function as stock or standard items of tangible personal property that are sold at retail.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is a retailer with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the extent of sales

by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. This paragraph does not apply to nor subject to taxation occasional dinners, social or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

A person who is the recipient of a grant or contract under Title VII of the Older Americans Act of 1965 (P.L. 92-258) and serves meals to participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not a retailer under this Act with respect to such transactions.

Persons who engage in the business of transferring tangible personal property upon the redemption of trading stamps are retailers hereunder when engaged in such business.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling such tangible personal property at retail or a sale through a bulk vending machine does not make such person a retailer hereunder. However, any person who is engaged in a business which is not subject to the tax imposed by the "Retailers' Occupation Tax Act" because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business, is a retailer to the extent of the value of the tangible personal property so transferred. If, in such transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purposes of this Act, is the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property.

"Retailer maintaining a place of business in this State", or any like term, means and includes any of the following retailers:

(1) A retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution house, sales house, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State. However, the ownership of property that is located at the premises of a printer with which the retailer has contracted for printing and that consists of the final printed product, property that becomes a part of the final printed product, or copy from which the printed product is produced shall not result in the retailer being deemed to have or maintain an office, distribution house, sales house, warehouse, or other place of business within this State.

(1.1) A retailer having a contract with a person located in this State under which the person, for a commission or other consideration based upon the sale of tangible personal property by the retailer, directly or indirectly refers potential customers to the retailer by providing to the potential customers a promotional code or other mechanism that allows the retailer to track purchases referred by such persons. Examples of mechanisms that allow the retailer to track purchases referred by such persons include but are not limited to the use of a link on the person's Internet website, promotional codes distributed through the person's hand-delivered or mailed material, and promotional codes distributed by the person through radio or other broadcast media. The provisions of this paragraph (1.1) shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers who are referred to the retailer by all persons in this State under such contracts exceed $10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December. A retailer meeting the requirements of this paragraph (1.1) shall be presumed to be maintaining a place of business in this State but may rebut this presumption by submitting proof that the referrals or other activities pursued within this State by such persons were not sufficient to meet the nexus standards of the United States Constitution during the preceding 4 quarterly periods. (B) the retailer provides a commission or other consideration to the person located in this State based upon the sale of tangible personal property to customers in this State under all such contracts.

The provisions of this paragraph (1.2) shall apply only if the cumulative gross receipts from sales of tangible personal property by the retailer to customers in this State under all such contracts exceed $10,000 during the preceding 4 quarterly periods ending on the last day of March, June, September, and December.

The retailer shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold criteria of either subparagraph (A) or (B) of this paragraph (9) for the preceding 12-month period. If the retailer meets the threshold criteria of either subparagraph (A) or (B) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit sales and use taxes on all sales of tangible personal property to purchasers in Illinois from outside of Illinois.

At the end of that one-year period, the retailer shall determine whether he or she met the threshold criteria of either subparagraph (A) or (B) during the preceding 12-month period. If the retailer met the criteria in either subparagraph (A) or (B) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for the subsequent year. If at the end of a one-year period a retailer that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the threshold criteria in either subparagraph (A) or (B) during the preceding 12-month period, the retailer shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold criteria of either subparagraph (A) or (B) for the preceding 12-month period.

Beginning January 1, 2020, neither the gross receipts from nor the number of separate transactions for sales of tangible personal property to purchasers in Illinois that a retailer makes through a marketplace facilitator and for which the retailer has received a certification from the marketplace facilitator pursuant to Section 2d of this Act shall be included for purposes of determining whether he or she has met the thresholds of this paragraph (9).

Sec. 2d. Marketplace facilitators and marketplace sellers.
(a) As used in this Section:
"Affiliate" means a person that, with respect to another person: (i) has a direct or indirect ownership interest of more than 5 percent in the
other person; or (ii) is related to the other person because a third person, or a group of third persons who are affiliated with each other as defined in this subsection, holds a direct or indirect ownership interest of more than 5% in the related person.

"Marketplace" means a physical or electronic place, forum, platform, application, or other method by which a marketplace seller sells or offers to sell items.

"Marketplace facilitator" means a person who, pursuant to an agreement with an unrelated third-party marketplace seller, directly or indirectly through one or more affiliates facilitates a retail sale by an unrelated third party marketplace seller by:

(1) listing or advertising for sale by the marketplace seller in a marketplace, tangible personal property that is subject to tax under this Act; and

(2) either directly or indirectly, through agreements or arrangements with third parties, collecting payment from the customer and transmitting that payment to the marketplace seller regardless of whether the marketplace facilitator receives compensation or other consideration in exchange for its services.

"Marketplace facilitator" means a person who, pursuant to an agreement with a marketplace seller, facilitates sales of tangible personal property by that marketplace seller. A person facilitates a sale of tangible personal property by, directly or indirectly through one or more affiliates, doing both of the following: (i) listing or otherwise making available for sale the tangible personal property of the marketplace seller through a marketplace owned or operated by the marketplace facilitator; and (ii) processing sales or payments for marketplace sellers.

"Marketplace seller" means a person that sells or offers to sell tangible personal property through a marketplace operated by an unrelated third-party marketplace facilitator.

(b) Beginning on January 1, 2020, a marketplace facilitator who meets either of the following thresholds is considered the retailer for each sale of tangible personal property made through its marketplace:

(1) the cumulative gross receipts from sales of tangible personal property to purchasers in Illinois by the marketplace facilitator and by marketplace sellers selling through the marketplace are $100,000 or more; or

New matter indicated by italics - deletions by strikeout
(2) the marketplace facilitator and marketplace sellers selling through the marketplace cumulatively enter into 200 or more separate transactions for the sale of tangible personal property to purchasers in Illinois.

A marketplace facilitator shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold criteria of either paragraph (1) or (2) of this subsection (b) for the preceding 12-month period. If the marketplace facilitator meets the threshold criteria of either paragraph (1) or (2) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for one year. At the end of that one-year period, the marketplace facilitator shall determine whether the marketplace facilitator met the threshold criteria of either paragraph (1) or (2) during the preceding 12-month period. If the marketplace facilitator met the threshold criteria in either paragraph (1) or (2) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and file returns for the subsequent year. If at the end of a one-year period a marketplace facilitator that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the threshold criteria in either paragraph (1) or (2) during the preceding 12-month period, the marketplace facilitator shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the threshold criteria of either paragraph (1) or (2) for the preceding 12-month period.

(c) Beginning on January 1, 2020 a marketplace facilitator considered to be the retailer pursuant to that meets either of the thresholds in subsection (b) of this Section is considered the retailer with respect to each sale made through its marketplace and is liable for collecting and remitting the tax under this Act on all such sales. The marketplace facilitator who is considered to be the retailer under subsection (b) for sales made through its marketplace has all the rights and duties, and is required to comply with the same requirements and procedures, as all other retailers maintaining a place of business in this State who are registered or who are required to be registered to collect and remit the tax imposed by this Act with respect to such sales.

(d) A marketplace facilitator shall:

New matter indicated by italics - deletions by strikeout
(1) certify to each marketplace seller that the marketplace facilitator assumes the rights and duties of a retailer under this Act with respect to sales made by the marketplace seller through the marketplace; and

(2) collect taxes imposed by this Act as required by Section 3-45 of this Act for sales made through the marketplace.

(e) A marketplace seller shall retain books and records for all sales made through a marketplace in accordance with the requirements of Section 11.

(f) A marketplace seller shall furnish to the marketplace facilitator information that is necessary for the marketplace facilitator to correctly collect and remit taxes for a retail sale. The information may include a certification that an item being sold is taxable, not taxable, exempt from taxation, or taxable at a specified rate. A marketplace seller shall be held harmless for liability for the tax imposed under this Act when a marketplace facilitator fails to correctly collect and remit tax after having been provided with information by a marketplace seller to correctly collect and remit taxes imposed under this Act.

(g) If Except as provided in subsection (h), if the marketplace facilitator demonstrates to the satisfaction of the Department that its failure to correctly collect and remit tax on a retail sale resulted from the marketplace facilitator's good faith reliance on incorrect or insufficient information provided by a marketplace seller, it shall be relieved of liability for the tax on that retail sale. In this case, a marketplace seller is liable for any resulting tax due.

(h) (Blank). A marketplace facilitator and marketplace seller that are affiliates, as defined by subsection (a), are jointly and severally liable for tax liability resulting from a sale made by the affiliated marketplace seller through the marketplace.

(i) This Section does not affect the tax liability of a purchaser under this Act.

(j) (Blank). The Department may adopt rules for the administration and enforcement of the provisions of this Section.

(k) A marketplace facilitator required to collect taxes imposed under this Section and this Act on retail sales made through its marketplace shall be liable to the Department for such taxes, except when the marketplace facilitator is relieved of the duty to remit such taxes by virtue of having paid to the Department taxes imposed by the Retailers'
Occupation Tax Act upon his or her gross receipts from the same transactions.

(l) If, for any reason, the Department is prohibited from enforcing the marketplace facilitator's duty under this Act to collect and remit taxes pursuant to this Section, the duty to collect and remit such taxes reverts to the marketplace seller that is a retailer maintaining a place of business in this State pursuant to Section 2.

Section 15-15. The Retailers' Occupation Tax Act is amended by changing Sections 1, 2, and 2-12 as follows:

(35 ILCS 120/1) (from Ch. 120, par. 440)

Sec. 1. Definitions. "Sale at retail" means any transfer of the ownership of or title to tangible personal property to a purchaser, for the purpose of use or consumption, and not for the purpose of resale in any form as tangible personal property to the extent not first subjected to a use for which it was purchased, for a valuable consideration: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing. For this purpose, slag produced as an incident to manufacturing pig iron or steel and sold is considered to be an intentionally produced byproduct of manufacturing. Transactions whereby the possession of the property is transferred but the seller retains the title as security for payment of the selling price shall be deemed to be sales.

"Sale at retail" shall be construed to include any transfer of the ownership of or title to tangible personal property to a purchaser, for use or consumption by any other person to whom such purchaser may transfer the tangible personal property without a valuable consideration, and to include any transfer, whether made for or without a valuable consideration, for resale in any form as tangible personal property unless made in compliance with Section 2c of this Act.

Sales of tangible personal property, which property, to the extent not first subjected to a use for which it was purchased, as an ingredient or constituent, goes into and forms a part of tangible personal property subsequently the subject of a "Sale at retail", are not sales at retail as defined in this Act: Provided that the property purchased is deemed to be purchased for the purpose of resale, despite first being used, to the extent to which it is resold as an ingredient of an intentionally produced product or byproduct of manufacturing.

"Sale at retail" shall be construed to include any Illinois florist's sales transaction in which the purchase order is received in Illinois by a florist and the sale is for use or consumption, but the Illinois florist has a florist in another state deliver the property to the purchaser or the purchaser's donee in such other state.

Nonreusable tangible personal property that is used by persons engaged in the business of operating a restaurant, cafeteria, or drive-in is a sale for resale when it is transferred to customers in the ordinary course of business as part of the sale of food or beverages and is used to deliver, package, or consume food or beverages, regardless of where consumption of the food or beverages occurs. Examples of those items include, but are not limited to nonreusable, paper and plastic cups, plates, baskets, boxes, sleeves, buckets or other containers, utensils, straws, placemats, napkins, doggie bags, and wrapping or packaging materials that are transferred to customers as part of the sale of food or beverages in the ordinary course of business.

The purchase, employment and transfer of such tangible personal property as newsprint and ink for the primary purpose of conveying news (with or without other information) is not a purchase, use or sale of tangible personal property.

A person whose activities are organized and conducted primarily as a not-for-profit service enterprise, and who engages in selling tangible personal property at retail (whether to the public or merely to members and their guests) is engaged in the business of selling tangible personal property at retail with respect to such transactions, excepting only a person organized and operated exclusively for charitable, religious or educational purposes either (1), to the extent of sales by such person to its members, students, patients or inmates of tangible personal property to be used primarily for the purposes of such person, or (2), to the extent of sales by such person of tangible personal property which is not sold or offered for sale by persons organized for profit. The selling of school books and school supplies by schools at retail to students is not "primarily for the purposes of" the school which does such selling. The provisions of this paragraph shall not apply to nor subject to taxation occasional dinners, socials or similar activities of a person organized and operated exclusively for charitable, religious or educational purposes, whether or not such activities are open to the public.

participants in the federal Nutrition Program for the Elderly in return for contributions established in amount by the individual participant pursuant to a schedule of suggested fees as provided for in the federal Act is not engaged in the business of selling tangible personal property at retail with respect to such transactions.

"Purchaser" means anyone who, through a sale at retail, acquires the ownership of or title to tangible personal property for a valuable consideration.

"Reseller of motor fuel" means any person engaged in the business of selling or delivering or transferring title of motor fuel to another person other than for use or consumption. No person shall act as a reseller of motor fuel within this State without first being registered as a reseller pursuant to Section 2c or a retailer pursuant to Section 2a.

"Selling price" or the "amount of sale" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits, property, other than as hereinafter provided, and services, but, prior to January 1, 2020, not including the value of or credit given for traded-in tangible personal property where the item that is traded-in is of like kind and character as that which is being sold; beginning January 1, 2020, "selling price" includes the portion of the value of or credit given for traded-in motor vehicles of the First Division as defined in Section 1-146 of the Illinois Vehicle Code of like kind and character as that which is being sold that exceeds $10,000. "Selling price" shall be determined without any deduction on account of the cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include charges that are added to prices by sellers on account of the seller's tax liability under this Act, or on account of the seller's duty to collect, from the purchaser, the tax that is imposed by the Use Tax Act, or, except as otherwise provided with respect to any cigarette tax imposed by a home rule unit, on account of the seller's tax liability under any local occupation tax administered by the Department. Effective December 1, 1985, "selling price" shall include charges that are added to prices by sellers on account of the seller's tax liability under the Cigarette Tax Act, on account of the seller's duty to collect, from the purchasers, the tax that is imposed under the Cigarette Use Tax Act, and on account of the seller's tax liability under any local use tax administrator by the Department.
account of the seller's duty to collect, from the purchaser, any cigarette tax imposed by a home rule unit.

Notwithstanding any law to the contrary, for any motor vehicle, as defined in Section 1-146 of the Vehicle Code, that is sold on or after January 1, 2015 for the purpose of leasing the vehicle for a defined period that is longer than one year and (1) is a motor vehicle of the second division that: (A) is a self-contained motor vehicle designed or permanently converted to provide living quarters for recreational, camping, or travel use, with direct walk through access to the living quarters from the driver's seat; (B) is of the van configuration designed for the transportation of not less than 7 nor more than 16 passengers; or (C) has a gross vehicle weight rating of 8,000 pounds or less or (2) is a motor vehicle of the first division, "selling price" or "amount of sale" means the consideration received by the lessor pursuant to the lease contract, including amounts due at lease signing and all monthly or other regular payments charged over the term of the lease. Also included in the selling price is any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, including, but not limited to, excess mileage charges and charges for excess wear and tear. For sales that occur in Illinois, with respect to any amount received by the lessor from the lessee for the leased vehicle that is not calculated at the time the lease is executed, the lessor who purchased the motor vehicle does not incur the tax imposed by the Use Tax Act on those amounts, and the retailer who makes the retail sale of the motor vehicle to the lessor is not required to collect the tax imposed by the Use Tax Act or to pay the tax imposed by this Act on those amounts. However, the lessor who purchased the motor vehicle assumes the liability for reporting and paying the tax on those amounts directly to the Department in the same form (Illinois Retailers' Occupation Tax, and local retailers' occupation taxes, if applicable) in which the retailer would have reported and paid such tax if the retailer had accounted for the tax to the Department. For amounts received by the lessor from the lessee that are not calculated at the time the lease is executed, the lessor must file the return and pay the tax to the Department by the due date otherwise required by this Act for returns other than transaction returns. If the retailer is entitled under this Act to a discount for collecting and remitting the tax imposed under this Act to the Department with respect to the sale of the motor vehicle to the lessor, then the right to the discount provided in this Act shall be transferred to the lessor with respect to the tax paid by the lessor for any amount received by

the lessor from the lessee for the leased vehicle that is not calculated at the
time the lease is executed; provided that the discount is only allowed if the
return is timely filed and for amounts timely paid. The "selling price" of a
motor vehicle that is sold on or after January 1, 2015 for the purpose of
leasing for a defined period of longer than one year shall not be reduced by
the value of or credit given for traded-in tangible personal property owned
by the lessor, nor shall it be reduced by the value of or credit given for
traded-in tangible personal property owned by the lessee, regardless of
whether the trade-in value thereof is assigned by the lessee to the lessor. In
the case of a motor vehicle that is sold for the purpose of leasing for a
defined period of longer than one year, the sale occurs at the time of the
delivery of the vehicle, regardless of the due date of any lease payments. A
lessor who incurs a Retailers' Occupation Tax liability on the sale of a
motor vehicle coming off lease may not take a credit against that liability
for the Use Tax the lessor paid upon the purchase of the motor vehicle (or
for any tax the lessor paid with respect to any amount received by the
lessee for the leased vehicle that was not calculated at the
time the lease was executed) if the selling price of the motor vehicle at the
time of purchase was calculated using the definition of "selling price" as
defined in this paragraph. Notwithstanding any other provision of this Act
to the contrary, lessors shall file all returns and make all payments required
under this paragraph to the Department by electronic means in the manner
and form as required by the Department. This paragraph does not apply to
leases of motor vehicles for which, at the time the lease is entered into, the
term of the lease is not a defined period, including leases with a defined
initial period with the option to continue the lease on a month-to-month or
other basis beyond the initial defined period.

The phrase "like kind and character" shall be liberally construed
(including but not limited to any form of motor vehicle for any form of
motor vehicle, or any kind of farm or agricultural implement for any other
kind of farm or agricultural implement), while not including a kind of item
which, if sold at retail by that retailer, would be exempt from retailers'
occupation tax and use tax as an isolated or occasional sale.

"Gross receipts" from the sales of tangible personal property at
retail means the total selling price or the amount of such sales, as
hereinbefore defined. In the case of charge and time sales, the amount
thereof shall be included only as and when payments are received by the
seller. Receipts or other consideration derived by a seller from the sale,
transfer or assignment of accounts receivable to a wholly owned subsidiary

will not be deemed payments prior to the time the purchaser makes payment on such accounts.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint adventure, public or private corporation, limited liability company, or a receiver, executor, trustee, guardian or other representative appointed by order of any court.

The isolated or occasional sale of tangible personal property at retail by a person who does not hold himself out as being engaged (or who does not habitually engage) in selling such tangible personal property at retail, or a sale through a bulk vending machine, does not constitute engaging in a business of selling such tangible personal property at retail within the meaning of this Act; provided that any person who is engaged in a business which is not subject to the tax imposed by this Act because of involving the sale of or a contract to sell real estate or a construction contract to improve real estate or a construction contract to engineer, install, and maintain an integrated system of products, but who, in the course of conducting such business, transfers tangible personal property to users or consumers in the finished form in which it was purchased, and which does not become real estate or was not engineered and installed, under any provision of a construction contract or real estate sale or real estate sales agreement entered into with some other person arising out of or because of such nontaxable business, is engaged in the business of selling tangible personal property at retail to the extent of the value of the tangible personal property so transferred. If, in such a transaction, a separate charge is made for the tangible personal property so transferred, the value of such property, for the purpose of this Act, shall be the amount so separately charged, but not less than the cost of such property to the transferor; if no separate charge is made, the value of such property, for the purposes of this Act, is the cost to the transferor of such tangible personal property. Construction contracts for the improvement of real estate consisting of engineering, installation, and maintenance of voice, data, video, security, and all telecommunication systems do not constitute engaging in a business of selling tangible personal property at retail within the meaning of this Act if they are sold at one specified contract price.

A person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail is a person engaged in the business of selling tangible personal property at retail hereunder with respect to such sales (and not primarily in a service

Persons who engage in the business of transferring tangible personal property upon the redemption of trading stamps are engaged in the business of selling such property at retail and shall be liable for and shall pay the tax imposed by this Act on the basis of the retail value of the property transferred upon redemption of such stamps.

"Bulk vending machine" means a vending machine, containing unsorted confections, nuts, toys, or other items designed primarily to be used or played with by children which, when a coin or coins of a denomination not larger than $0.50 are inserted, are dispensed in equal portions, at random and without selection by the customer.

"Remote retailer" means a retailer located outside of this State that does not maintain within this State, directly or by a subsidiary, an office, distribution house, sales house, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent is located here permanently or temporarily or whether such retailer or subsidiary is licensed to do business in this State.

"Marketplace" means a physical or electronic place, forum, platform, application, or other method by which a marketplace seller sells or offers to sell items.

"Marketplace facilitator" means a person who, pursuant to an agreement with an unrelated third-party marketplace seller, directly or indirectly through one or more affiliates facilitates a retail sale by an unrelated third party marketplace seller by:

(1) listing or advertising for sale by the marketplace seller in a marketplace, tangible personal property that is subject to tax under this Act; and

(2) either directly or indirectly, through agreements or arrangements with third parties, collecting payment from the customer and transmitting that payment to the marketplace seller regardless of whether the marketplace facilitator receives compensation or other consideration in exchange for its services.

Sec. 2. Tax imposed.

(a) A tax is imposed upon persons engaged in the business of selling at retail tangible personal property, including computer software, and including photographs, negatives, and positives that are the product of photoprocessing, but not including products of photoprocessing produced for use in motion pictures for public commercial exhibition. Beginning January 1, 2001, prepaid telephone calling arrangements shall be considered tangible personal property subject to the tax imposed under this Act regardless of the form in which those arrangements may be embodied, transmitted, or fixed by any method now known or hereafter developed. Sales of (1) electricity delivered to customers by wire; (2) natural or artificial gas that is delivered to customers through pipes, pipelines, or mains; and (3) water that is delivered to customers through pipes, pipelines, or mains are not subject to tax under this Act. The provisions of this amendatory Act of the 98th General Assembly are declaratory of existing law as to the meaning and scope of this Act.

(b) Beginning on January 1, 2021 July 1, 2020, a remote retailer is engaged in the occupation of selling at retail in Illinois for purposes of this Act, if:

1. the cumulative gross receipts from sales of tangible personal property to purchasers in Illinois are $100,000 or more; or
2. the retailer enters into 200 or more separate transactions for the sale of tangible personal property to purchasers in Illinois.

Remote retailers that meet or exceed the threshold in either paragraph (1) or (2) above shall be liable for all applicable State retailers' and locally imposed retailers' occupation taxes administered by the Department on all retail sales to Illinois purchasers.

The remote retailer shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) of this subsection for the
preceding 12-month period. If the retailer meets the criteria of either paragraph (1) or (2) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit the tax imposed under this Act and all retailers' occupation tax imposed by local taxing jurisdictions in Illinois, provided such local taxes are administered by the Department, and to file all applicable returns for one year. At the end of that one-year period, the retailer shall determine whether the retailer met the criteria of either paragraph (1) or (2) for the preceding 12-month period. If the retailer met the criteria in either paragraph (1) or (2) for the preceding 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to collect and remit all applicable State and local retailers' occupation taxes and file returns for the subsequent year. If, at the end of a one-year period, a retailer that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the criteria in either paragraph (1) or (2) during the preceding 12-month period, then the retailer shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) for the preceding 12-month period.

(b-5) For the purposes of this Section, neither the gross receipts from nor the number of separate transactions for sales of tangible personal property to purchasers in Illinois that a remote retailer makes through a marketplace facilitator shall be included for the purposes of determining whether he or she has met the thresholds of subsection (b) of this Section so long as the remote retailer has received certification from the marketplace facilitator that the marketplace facilitator is legally responsible for payment of tax on such sales.

(b-10) A remote retailer required to collect taxes imposed under the Use Tax Act on retail sales made to Illinois purchasers shall be liable to the Department for such taxes, except when the remote retailer is relieved of the duty to remit such taxes by virtue of having paid to the Department taxes imposed by this Act in accordance with this Section upon his or her gross receipts from such sales.

(c) Marketplace facilitators engaged in the business of selling at retail tangible personal property in Illinois. Beginning January 1, 2021, a marketplace facilitator is engaged in the occupation of selling at retail tangible personal property in Illinois for purposes of this Act if, during the previous 12-month period:

New matter indicated by italics - deletions by strikeout
(1) the cumulative gross receipts from sales of tangible personal property on its own behalf or on behalf of marketplace sellers to purchasers in Illinois equals $100,000 or more; or
(2) the marketplace facilitator enters into 200 or more separate transactions on its own behalf or on behalf of marketplace sellers for the sale of tangible personal property to purchasers in Illinois, regardless of whether the marketplace facilitator or marketplace sellers for whom such sales are facilitated are registered as retailers in this State.

A marketplace facilitator who meets either paragraph (1) or (2) of this subsection is required to remit the applicable State retailers' occupation taxes under this Act and local retailers' occupation taxes administered by the Department on all taxable sales of tangible personal property made by the marketplace facilitator or facilitated for marketplace sellers to customers in this State. A marketplace facilitator selling or facilitating the sale of tangible personal property to customers in this State is subject to all applicable procedures and requirements of this Act.

The marketplace facilitator shall determine on a quarterly basis, ending on the last day of March, June, September, and December, whether he or she meets the criteria of either paragraph (1) or (2) of this subsection for the preceding 12-month period. If the marketplace facilitator meets the criteria of either paragraph (1) or (2) for a 12-month period, he or she is considered a retailer maintaining a place of business in this State and is required to remit the tax imposed under this Act and all retailers' occupation tax imposed by local taxing jurisdictions in Illinois, provided such local taxes are administered by the Department, and to file all applicable returns for one year. At the end of that one-year period, the marketplace facilitator shall determine whether it met the criteria of either paragraph (1) or (2) for the preceding 12-month period. If the marketplace facilitator met the criteria in either paragraph (1) or (2) for the preceding 12-month period, it is considered a retailer maintaining a place of business in this State and is required to collect and remit all applicable State and local retailers' occupation taxes and file returns for the subsequent year. If at the end of a one-year period a marketplace facilitator that was required to collect and remit the tax imposed under this Act determines that he or she did not meet the criteria in either paragraph (1) or (2) during the preceding 12-month period, the marketplace facilitator shall subsequently determine on a quarterly basis, ending on the last day of March, June, September, and December, whether

he or she meets the criteria of either paragraph (1) or (2) for the preceding 12-month period.

A marketplace facilitator shall be entitled to any credits, deductions, or adjustments to the sales price otherwise provided to the marketplace seller, in addition to any such adjustments provided directly to the marketplace facilitator. This Section pertains to, but is not limited to, adjustments such as discounts, coupons, and rebates. In addition, a marketplace facilitator shall be entitled to the retailers' discount provided in Section 3 of the Retailers' Occupation Tax Act on all marketplace sales, and the marketplace seller shall not include sales made through a marketplace facilitator when computing any retailers' discount on remaining sales. Marketplace facilitators shall report and remit the applicable State and local retailers' occupation taxes on sales facilitated for marketplace sellers separately from any sales or use tax collected on taxable retail sales made directly by the marketplace facilitator or its affiliates.

The marketplace facilitator is liable for the remittance of all applicable State retailers' occupation taxes under this Act and local retailers' occupation taxes administered by the Department on sales through the marketplace and is subject to audit on all such sales. The Department shall not audit marketplace sellers for their marketplace sales where a marketplace facilitator remitted the applicable State and local retailers' occupation taxes unless the marketplace facilitator seeks relief as a result of incorrect information provided to the marketplace facilitator by a marketplace seller as set forth in this Section. The marketplace facilitator shall not be held liable for tax on any sales made by a marketplace seller that take place outside of the marketplace and which are not a part of any agreement between a marketplace facilitator and a marketplace seller. In addition, marketplace facilitators shall not be held liable to State and local governments of Illinois for having charged and remitted an incorrect amount of State and local retailers' occupation tax if, at the time of the sale, the tax is computed based on erroneous data provided by the State in database files on tax rates, boundaries, or taxing jurisdictions or incorrect information provided to the marketplace facilitator by the marketplace seller.

(d) A marketplace facilitator shall:

(1) certify to each marketplace seller that the marketplace facilitator assumes the rights and duties of a retailer under this Act

with respect to sales made by the marketplace seller through the marketplace; and

(2) remit taxes imposed by this Act as required by this Act for sales made through the marketplace.

(e) A marketplace seller shall retain books and records for all sales made through a marketplace in accordance with the requirements of this Act.

(f) A marketplace facilitator is subject to audit on all marketplace sales for which it is considered to be the retailer, but shall not be liable for tax or subject to audit on sales made by marketplace sellers outside of the marketplace.

(g) A marketplace facilitator required to collect taxes imposed under the Use Tax Act on marketplace sales made to Illinois purchasers shall be liable to the Department for such taxes, except when the marketplace facilitator is relieved of the duty to remit such taxes by virtue of having paid to the Department taxes imposed by this Act in accordance with this Section upon his or her gross receipts from such sales.

(h) Nothing in this Section shall allow the Department to collect retailers' occupation taxes from both the marketplace facilitator and marketplace seller on the same transaction.

(i) If, for any reason, the Department is prohibited from enforcing the marketplace facilitator's duty under this Act to remit taxes pursuant to this Section, the duty to remit such taxes remains with the marketplace seller.

(j) Nothing in this Section affects the obligation of any consumer to remit use tax for any taxable transaction for which a certified service provider acting on behalf of a remote retailer or a marketplace facilitator does not collect and remit the appropriate tax.

(k) Nothing in this Section shall allow the Department to collect the retailers' occupation tax from both the marketplace facilitator and the marketplace seller.

Sec. 2-12. Location where retailer is deemed to be engaged in the business of selling. The purpose of this Section is to specify where a retailer is deemed to be engaged in the business of selling tangible personal property for the purposes of this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act, and for the purpose of collecting any other local retailers' occupation tax administered

by the Department. This Section applies only with respect to the particular selling activities described in the following paragraphs. The provisions of this Section are not intended to, and shall not be interpreted to, affect where a retailer is deemed to be engaged in the business of selling with respect to any activity that is not specifically described in the following paragraphs.

(1) If a purchaser who is present at the retailer's place of business, having no prior commitment to the retailer, agrees to purchase and makes payment for tangible personal property at the retailer's place of business, then the transaction shall be deemed an over-the-counter sale occurring at the retailer's same place of business where the purchaser was present and made payment for that tangible personal property if the retailer regularly stocks the purchased tangible personal property or similar tangible personal property in the quantity, or similar quantity, for sale at the retailer's same place of business and then either (i) the purchaser takes possession of the tangible personal property at the same place of business or (ii) the retailer delivers or arranges for the tangible personal property to be delivered to the purchaser.

(2) If a purchaser, having no prior commitment to the retailer, agrees to purchase tangible personal property and makes payment over the phone, in writing, or via the Internet and takes possession of the tangible personal property at the retailer's place of business, then the sale shall be deemed to have occurred at the retailer's place of business where the purchaser takes possession of the property if the retailer regularly stocks the item or similar items in the quantity, or similar quantities, purchased by the purchaser.

(3) A retailer is deemed to be engaged in the business of selling food, beverages, or other tangible personal property through a vending machine at the location where the vending machine is located at the time the sale is made if (i) the vending machine is a device operated by coin, currency, credit card, token, coupon or similar device; (2) the food, beverage or other tangible personal property is contained within the vending machine and dispensed from the vending machine; and (3) the purchaser takes possession of the purchased food, beverage or other tangible personal property immediately.

(4) Minerals. A producer of coal or other mineral mined in Illinois is deemed to be engaged in the business of selling at the
place where the coal or other mineral mined in Illinois is extracted from the earth. With respect to minerals (i) the term "extracted from the earth" means the location at which the coal or other mineral is extracted from the mouth of the mine, and (ii) a "mineral" includes not only coal, but also oil, sand, stone taken from a quarry, gravel and any other thing commonly regarded as a mineral and extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(5) A retailer selling tangible personal property to a nominal lessee or bailee pursuant to a lease with a dollar or other nominal option to purchase is engaged in the business of selling at the location where the property is first delivered to the lessee or bailee for its intended use.

(6) Beginning on January 1, 2021, a remote retailer making retail sales of tangible personal property that meet or exceed the thresholds established in paragraph (1) or (2) of subsection (b) of Section 2 of this Act is engaged in the business of selling at the Illinois location to which the tangible personal property is shipped or delivered or at which possession is taken by the purchaser. July 1, 2020, for the purposes of determining the correct local retailers' occupation tax rate, retail sales made by a remote retailer that meet or exceed the thresholds established in paragraph (1) or (2) of subsection (b) of Section 2 of this Act shall be deemed to be made at the Illinois location to which the tangible personal property is shipped or delivered or at which possession is taken by the purchaser.

(7) Beginning January 1, 2021, a marketplace facilitator facilitating sales of tangible personal property that meet or exceed one of the thresholds established in paragraph (1) or (2) of subsection (c) of Section 2 of this Act is deemed to be engaged in the business of selling at the Illinois location to which the tangible personal property is shipped or delivered or at which possession is taken by the purchaser when the sale is made by a marketplace seller on the marketplace facilitator's marketplace.

Section 15-20. The Leveling the Playing Field for Illinois Retail Act is amended by changing Sections 5-5, 5-15, 5-20, 5-25, and 5-30 and by adding Section 5-27 as follows:

(35 ILCS 185/5-5)
Sec. 5-5. Findings. The General Assembly finds that certified service providers and certified automated systems simplify use and occupation tax compliance for remote retailers out-of-state sellers, which fosters higher levels of accurate tax collection and remittance and generates administrative savings and new marginal tax revenue for both State and local taxing jurisdictions. By making the services of certified service providers and certified automated systems available to remote retailers without charge, other than their retailer customer's retail discount, as provided in this Act, the State will substantially eliminate the burden on those remote retailers to collect and remit both State and local taxing jurisdiction use and occupation taxes. While providing a means for remote retailers to collect and remit tax on an even basis with Illinois retailers, this Act also protects existing local tax revenue streams by retaining origin sourcing for all transactions by retailers maintaining a physical presence in Illinois.

(35 ILCS 185/5-15)
Sec. 5-15. Certification of certified service providers. The Department shall, no later than December 31, 2019, establish standards for the certification of certified service providers and certified automated systems and may act jointly with other states to accomplish these ends.

The Department may take other actions reasonably required to implement the provisions of this Act, including the adoption of rules and emergency rules and the procurement of goods and services, which also may be coordinated jointly with other states.

(1) provide and maintain an electronic, downloadable database of defined product categories that identifies the taxability of each category;

(2) provide and maintain an electronic, downloadable database of all retailers' occupation tax rates for the jurisdictions in this State that levy a retailers' occupation tax; and

(2) establish uniform minimum standards that certified automated systems must meet; those minimum standards may include an expedited certification process for automated systems that have been certified in at least 5 other states;

(3) establish a certification process to review the systems of companies wishing to be designated as a certified service provider in this State or of companies wishing to use a certified automated process; this certification process shall provide that companies that meet all required standards and whose systems have been tested and approved by the Department for properly determining the taxability of items to be sold, the correct tax rate to apply to a transaction, and the appropriate jurisdictions to which the tax shall be remitted, shall be certified;

(4) enter into a contractual relationship with each company that qualifies as a certified service provider or that will be using a certified automated system; those contracts shall, at a minimum, provide:

(A) that the certified service provider shall be held liable for the tax imposed under this Act and the Use Tax Act and all applicable local occupation taxes administered by the Department if the certified service provider fails to correctly remit the tax after having been provided with the tax and information by a remote retailer to correctly remit the taxes imposed under this Act and the Use Tax Act and all applicable local occupation taxes administered by the Department; if the certified service provider demonstrates to the satisfaction of the Department that its failure to

(B) the responsibilities of the certified service provider and the remote retailers that contract with the certified service provider or the user of a certified automated system related to record keeping and auditing consistent with requirements imposed under the Retailers' Occupation Tax Act and the Use Tax Act;

(b) The Department may act jointly with other states to establish the minimum standards and process for certification required by paragraphs (1), (2), and (3) of subsection (a).

(c) When the systems of a certified service provider or certified automated systems are updated or upgraded, they must be recertified by the Department. Notification of changes shall be provided to the

Department prior to implementation. Upon receipt of such notification, the Department shall review and test the changes to assess whether the updated system of the certified service provider or the updated certified automated system can properly determine the taxability of items to be sold, the correct tax rate to apply to a transaction, and the appropriate jurisdictions to which the tax shall be remitted. The Department shall recertify updated systems that meet these requirements. The certified service provider or retailer using a certified automated system shall be liable for any tax resulting from errors caused by use of an updated or upgraded system prior to recertification by the Department. In addition to these procedures, the Department may periodically review the system of a certified service provider or the certified automated system used by a retailer to ensure that the system can properly determine the taxability of items to be sold, the correct tax rate to apply to a transaction, and the appropriate jurisdictions to which the tax shall be remitted.

(c) Beginning February 1, 2022 and on or before February 1 of each year thereafter, the Department shall make available to each local taxing jurisdiction the taxing jurisdiction’s boundaries, determined by the Department, for its verification. Jurisdictions shall verify these taxing jurisdiction boundaries and notify the Department of any changes, additions, or deletions by April 1 of each year in the form and manner required by the Department. The Department shall use its best judgment and information to confirm the information provided by the taxing jurisdictions and update its database. The Department shall administer and enforce such changes on the first day of the next following July. The Department shall, to the best of its ability, assign addresses to the proper local taxing jurisdiction using a 9-digit zip code identifier. On an annual basis, the Department shall make available to local taxing jurisdictions the taxing jurisdiction boundaries determined by the Department for their verification. If a jurisdiction fails to verify their taxing jurisdiction boundaries to the Department in any given year, the Department shall assign retailers’ occupation tax revenue from remote retail sales based on its best information. In that case, tax revenues from remote retail sales remitted to a taxing jurisdiction based on erroneous local tax boundary information will be assigned to the correct taxing jurisdiction on a prospective basis upon notice of the boundary error from a local taxing jurisdiction.

No certified service provider or remote retailer using a certified automated system shall be subject to a class action brought on behalf of customers and arising from, or in any way related to, an overpayment of retailers' occupation tax collected by the certified service provider if, at the time of the sale, they relied on information provided by the Department, regardless of whether that claim is characterized as a tax refund claim.

(e) Nothing in this Section affects a customer's right to seek a refund from the remote retailer as provided in this Act.

(2) Acquire and hold personal property to be used for the purpose of remedial action.

(3) Purchase, construct, improve, furnish, equip, lease, option, sell, exchange, or otherwise dispose of one or more improvements under the terms it determines. The Council may define "improvements" by rule for purposes of this Act.

(5) Contract for the acquisition or construction of one or more improvements or parts of one or more improvements or for the leasing, subleasing, sale, or other disposition of one or more improvements in a manner the Council determines.

New matter indicated by italics - deletions by strikeout

(7) Except as otherwise provided by law, inspect any document in the possession of an owner, operator, service provider, or any other person if the document is relevant to a claim for reimbursement under this Section or may inspect a drycleaning facility for which a claim for benefits under this Act has been submitted.

(b) The Council shall pre-approve, and the contracting parties shall seek pre-approval for, a contract entered into under this Act if the cost of the contract exceeds $75,000. However, review by the Council or its designee shall not be required when an emergency situation exists. All contracts entered into by the Council shall be awarded on a competitive basis to the maximum extent practical. In those situations where it is determined that bidding is not practical, the basis for the determination of impracticability shall be documented by the Council or its designee.

(c) The Council may prioritize the expenditure of funds from the remedial action account whenever it determines that there are not sufficient funds to settle all current claims. In prioritizing, the Council may consider the following:

(1) the degree to which human health is affected by the exposure posed by the release;

(2) the reduction of risk to human health derived from remedial action compared to the cost of the remedial action;

(3) the present and planned uses of the impacted property; and

(4) other factors as determined by the Council.

The application shall contain documentation of activities, plans, and expenditures associated with the eligible costs incurred in response to a release of drycleaning solvent from a drycleaning facility. Application for remedial action account benefits must be submitted to the Council on or before June 30, 2005.

e) Claimants shall be subject to the following deductible requirements, unless modified pursuant to the Council's authority under Section 75:

the range of usual and customary rates for similar or equivalent goods or services within this State and has found that the goods or services are necessary for the claimant to comply with Council standards or other applicable regulatory standards.

(3) A claimant may appoint the Council as an agent for the purposes of negotiating contracts with suppliers of goods or services reimbursable by the Fund. (4) The Council may require a claimant to obtain and submit 3 bids and may require specific terms and conditions in a contract subject to approval.

(5) The Council may enter into a contract or an exclusive contract with the supplier of goods or services required by a claimant or class of claimants, in connection with an expense reimbursable from the Fund, for a specified good or service at a gross maximum price or fixed rate, and may limit reimbursement accordingly.

(7) Neither the Council nor an eligible claimant is responsible for payment for costs incurred that have not been previously approved by the Council, unless an emergency exists.

(8) The Council may determine the usual and customary costs of each item for which reimbursement may be awarded under this Section. The Council may revise the usual and customary costs from time to time as necessary, but costs submitted for reimbursement shall be subject to the rates in effect at the time the costs were incurred.
(9) If a claimant has pollution liability insurance coverage other than coverage provided by the insurance account under this Act, that coverage shall be primary. Reimbursement from the remedial account shall be limited to the deductible amounts under the primary coverage and the amount that exceeds the policy limits of the primary coverage, subject to the deductible amounts of this Act. (g) The source of funds for the remedial action account shall be moneys allocated to the account by the Council according to the Fund budget approved by the Council.

(h) A drycleaning facility will be classified as active or inactive for purposes of determining benefits under this Section based on the status of the facility on the date a claim is filed.

(i) Eligible claimants shall conduct remedial action in accordance with the Site Remediation Program under the Environmental Protection Act and Part 740 of Title 35 of the Illinois Administrative Code and the Tiered Approach to Cleanup Objectives under Part 742 of Title 35 of the Illinois Administrative Code.

(a) The remedial action account is established to provide reimbursement to eligible claimants for drycleaning solvent investigation, remedial action planning, and remedial action activities for existing drycleaning solvent contamination discovered at their drycleaning facilities.
(b) The following persons are eligible for reimbursement from the remedial action account:

(1) In the case of a claimant who is the owner or operator of an active drycleaning facility licensed under this Act at the time of application for remedial action benefits afforded under the Fund, the claimant is only eligible for reimbursement of remedial action costs incurred in connection with a release from that drycleaning facility, subject to any other limitations under this Act.

(2) In the case of a claimant who is the owner of an inactive drycleaning facility and was the owner or operator of the drycleaning facility when it was an active drycleaning facility, the claimant is only eligible for reimbursement of remedial action costs incurred in connection with a release from the drycleaning facility, subject to any other limitations under this Act.

(c) An eligible claimant requesting reimbursement from the remedial action account shall meet all of the following:

(1) The claimant demonstrates that the source of the release is from the claimant's drycleaning facility.

(A) All drycleaning solvent wastes generated at the drycleaning facility are managed in accordance with applicable State waste management laws and rules.

(B) There is no discharge of wastewater from drycleaning machines, or of drycleaning solvent from drycleaning operations, to a sanitary sewer or septic tank or to the surface or in groundwater.

(C) The drycleaning facility has a containment dike or other containment structure around each machine, item of equipment, drycleaning area, and portable waste container in which any drycleaning solvent is utilized,
which is capable of containing leaks, spills, or releases of drycleaning solvent from that machine, item, area, or container. The containment dike or other containment structure shall be capable of at least the following: (i) containing a capacity of 110% of the drycleaning solvent in the largest tank or vessel within the machine; (ii) containing 100% of the drycleaning solvent of each item of equipment or drycleaning area; and (iii) containing 100% of the drycleaning solvent of the largest portable waste container or at least 10% of the total volume of the portable waste containers stored within the containment dike or structure, whichever is greater.
