The Secretary of State must forward in an electronic format the necessary personal information regarding the applicants identified in this subsection (d) to the Selective Service System. PUBLIC ACT 101-0107
(House Bill No. 3247)

AN ACT concerning health.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 1. Short title. This Act may be cited as the Parkinson's Disease Public Awareness and Education Act.
Section 5. Findings. The General Assembly finds the following:
(1) Parkinson's disease is a debilitating, painful, and incurable neurological disorder of unknown origin that disrupts and can end the lives of those who suffer from it.
(2) Parkinson's disease causes diverse symptoms, including rigidity, slowness of movement, poor balance, and tremors, which

New matter indicated by italics - deletions by strikeout
lead to an impaired ability to walk, speak, swallow, and even breathe, so that the end result can be a clear mind trapped inside a body that has lost its ability to function.

(3) The visible symptoms of Parkinson's disease are often mistaken to be a normal part of the aging process.

(4) In addition, many people with the disease encounter precarious legal and personal situations in which they are erroneously thought to be under the influence of illegal or prescription drugs or alcohol due to their movement and gait patterns.

(5) Parkinson's disease takes an enormous emotional, psychological, and physical toll on caregivers and families, potentially overwhelming their lives.

(6) It has been estimated that 1,500,000 Americans have been diagnosed with Parkinson's disease, 50,000 more are diagnosed nationally each year, and another 1,500,000 persons have the disease but have never seen a neurologist.

(7) Parkinson's disease costs Americans $25,000,000,000 per year, including medical treatments, disability payments, and lost productivity.

(8) Medications can only control some of the symptoms of the disease and only for uncertain periods of time.

(9) The federal Morris K. Udall Parkinson's Disease Research Act of 1997 provides federal funding through the National Institutes of Health for Parkinson's disease, and April 11 has been proclaimed to be World Parkinson's Day in order to recognize the need for more research and help in dealing with the devastating effects of this disease.

(10) Increased public awareness and education are needed among health care, social services, judicial, law enforcement, and emergency medical services personnel in order to better respond to the needs of Parkinson's disease patients and their caregivers and families.

(11) It is imperative for Illinois to commit itself to actively support such public awareness and education efforts throughout the State in order to better meet the needs of its citizens who are suffering from Parkinson's disease.

Section 10. Definitions. In this Act:
"Department" means the Department of Public Health.

New matter indicated by italics - deletions by strikeout

Section 15. Parkinson's Disease Public Awareness and Education Program.
(a) Subject to appropriation, the Director shall establish a Parkinson's Disease Public Awareness and Education Program.

The Department may accept for that purpose any special grant of moneys, services, or property from the federal government or any of its agencies, or from any foundation, organization, or medical school.
(c) The Program shall include the following:
   (1) Development of a public education and outreach campaign to promote Parkinson's disease awareness and education, including, but not limited to, the following subjects:

      (B) diagnostic procedures and appropriate indications for their use;
      (C) lifestyle issues relating to how a person copes with Parkinson's disease, including, but not limited to, nutrition, diet, and physical exercise;
      (D) environmental safety and injury prevention; and

   (2) Development of educational materials to be made available to consumers through local physicians, hospitals, clinics, and boards of health.
   (3) Development of professional education programs for health care providers to assist them in understanding research findings and the subjects set forth in paragraph (1) of this subsection.
   (4) Development of educational programs for other personnel, including judicial staff, police officers, fire fighters, and social services and emergency medical service providers, to assist them in recognizing the symptoms of Parkinson's disease and understanding how to respond to the needs of persons with the disease in the course of performing their duties, including
dissemination of the informational booklet prepared under Section 20 of this Act.

(5) Development and maintenance of a list of current providers of specialized services for the diagnosis and treatment of Parkinson's disease. Dissemination of the list shall be accompanied by a description of diagnostic procedures, appropriate indications for their use, and a cautionary statement about the current status of Parkinson's disease research and treatment. The statement shall also indicate that the Department does not endorse specific Parkinson's disease programs or centers in this State.

Section 20. Informational booklet.

(a) The Department, in consultation with the Midwest Chapter of the American Parkinson Disease Association, any public or private university medical school that the Director deems useful, including, but not limited to, Loyola Medical School, and the Department on Aging, shall prepare an informational booklet in English, Spanish, and Mandarin that provides, in a manner easily understandable by a patient or other non-health care professional, information about the symptoms and treatment of Parkinson's disease. The booklet may contain any other information that the Department deems necessary and may be revised by the Department whenever new information about Parkinson's disease becomes available.

(b) The Department shall make a supply of the booklets available to all licensed health care facilities engaged in the diagnosis or treatment of Parkinson's disease and to those personnel described in paragraph (4) of subsection (c) of Section 15 of this Act, as well as to health care professionals, community health centers, and members of the public upon their request. The Department shall publicize and make available the booklet to the maximum extent possible, and shall make available electronically on its website in English and Spanish the information contained in the booklet.

(House Bill No. 3334)

AN ACT concerning gaming.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Horse Racing Act of 1975 is amended by changing Section 26 as follows:

(230 ILCS 5/26) (from Ch. 8, par. 37-26)
Sec. 26. Wagering.
(a) Any licensee may conduct and supervise the pari-mutuel system of wagering, as defined in Section 3.12 of this Act, on horse races

New matter indicated by italics - deletions by strikeout
conducted by an Illinois organization licensee or conducted at a racetrack located in another state or country and televised in Illinois in accordance with subsection (g) of Section 26 of this Act. Subject to the prior consent of the Board, licensees may supplement any pari-mutuel pool in order to guarantee a minimum distribution. Such pari-mutuel method of wagering shall not, under any circumstances if conducted under the provisions of this Act, be held or construed to be unlawful, other statutes of this State to the contrary notwithstanding. Subject to rules for advance wagering promulgated by the Board, any licensee may accept wagers in advance of the day of the race wagered upon occurs.

(b) No other method of betting, pool making, wagering or gambling shall be used or permitted by the licensee. Each licensee may retain, subject to the payment of all applicable taxes and purses, an amount not to exceed 17% of all money wagered under subsection (a) of this Section, except as may otherwise be permitted under this Act.

(b-5) An individual may place a wager under the pari-mutuel system from any licensed location authorized under this Act provided that wager is electronically recorded in the manner described in Section 3.12 of this Act. Any wager made electronically by an individual while physically on the premises of a licensee shall be deemed to have been made at the premises of that licensee.

(c) Until January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be paid to the Illinois Veterans' Rehabilitation Fund of the State treasury, except as provided in subsection (g) of Section 27 of this Act.

(c-5) Beginning January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be evenly distributed to the purse account of the organization licensee and the organization licensee.
(d) A pari-mutuel ticket shall be honored until December 31 of the next calendar year, and the licensee shall pay the same and may charge the amount thereof against unpaid money similarly accumulated on account of pari-mutuel tickets not presented for payment.

(e) No licensee shall knowingly permit any minor, other than an employee of such licensee or an owner, trainer, jockey, driver, or employee thereof, to be admitted during a racing program unless accompanied by a parent or guardian, or any minor to be a patron of the pari-mutuel system of wagering conducted or supervised by it. The admission of any unaccompanied minor, other than an employee of the licensee or an owner, trainer, jockey, driver, or employee thereof at a race track is a Class C misdemeanor.

(f) Notwithstanding the other provisions of this Act, an organization licensee may contract with an entity in another state or country to permit any legal wagering entity in another state or country to accept wagers solely within such other state or country on races conducted by the organization licensee in this State. Beginning January 1, 2000, these wagers shall not be subject to State taxation. Until January 1, 2000, when the out-of-State entity conducts a pari-mutuel pool separate from the organization licensee, a privilege tax equal to 7 1/2% of all monies received by the organization licensee from entities in other states or countries pursuant to such contracts is imposed on the organization licensee, and such privilege tax shall be remitted to the Department of Revenue within 48 hours of receipt of the moneys from the simulcast. When the out-of-State entity conducts a combined pari-mutuel pool with the organization licensee, the tax shall be 10% of all monies received by the organization licensee with 25% of the receipts from this 10% tax to be distributed to the county in which the race was conducted.

An organization licensee may permit one or more of its races to be utilized for pari-mutuel wagering at one or more locations in other states and may transmit audio and visual signals of races the organization licensee conducts to one or more locations outside the State or country and may also permit pari-mutuel pools in other states or countries to be combined with its gross or net wagering pools or with wagering pools established by other states.

(g) A host track may accept interstate simulcast wagers on horse races conducted in other states or countries and shall control the number of signals and types of breeds of racing in its simulcast program, subject to the disapproval of the Board. The Board may prohibit a simulcast program

New matter indicated by italics - deletions by strikeout
only if it finds that the simulcast program is clearly adverse to the integrity of racing. The host track simulcast program shall include the signal of live racing of all organization licensees. All non-host licensees and advance deposit wagering licensees shall carry the signal of and accept wagers on live racing of all organization licensees. Advance deposit wagering licensees shall not be permitted to accept out-of-state wagers on any Illinois signal provided pursuant to this Section without the approval and consent of the organization licensee providing the signal. For one year after August 15, 2014 (the effective date of Public Act 98-968), non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program of horse races conducted at race tracks located within North America upon which wagering is permitted. For a period of one year after August 15, 2014 (the effective date of Public Act 98-968), on horse races conducted at race tracks located outside of North America, non-host licensees may accept wagers on all races included as part of the simulcast program upon which wagering is permitted. Beginning August 15, 2015 (one year after the effective date of Public Act 98-968), non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program upon which wagering is permitted. All organization licensees shall provide their live signal to all advance deposit wagering licensees for a simulcast commission fee not to exceed 6% of the advance deposit wagering licensee's Illinois handle on the organization licensee's signal without prior approval by the Board. The Board may adopt rules under which it may permit simulcast commission fees in excess of 6%. The Board shall adopt rules limiting the interstate commission fees charged to an advance deposit wagering licensee. The Board shall adopt rules regarding advance deposit wagering on interstate simulcast races that shall reflect, among other things, the General Assembly's desire to maximize revenues to the State, horsemen purses, and organizational licensees. However, organization licensees providing live signals pursuant to the requirements of this subsection (g) may petition the Board to withhold their live signals from an advance deposit wagering licensee if the organization licensee discovers and the Board finds reputable or credible information that the advance deposit wagering licensee is under investigation by another state or federal governmental agency, the advance deposit wagering licensee's license has been suspended in another state, or the advance deposit wagering licensee's license is in revocation proceedings in another state. The organization

licensee's provision of their live signal to an advance deposit wagering licensee under this subsection (g) pertains to wagers placed from within Illinois. Advance deposit wagering licensees may place advance deposit wagering terminals at wagering facilities as a convenience to customers. The advance deposit wagering licensee shall not charge or collect any fee from purses for the placement of the advance deposit wagering terminals. The costs and expenses of the host track and non-host licensees associated with interstate simulcast wagering, other than the interstate commission fee, shall be borne by the host track and all non-host licensees incurring these costs. The interstate commission fee shall not exceed 5% of Illinois handle on the interstate simulcast race or races without prior approval of the Board. The Board shall promulgate rules under which it may permit interstate commission fees in excess of 5%. The interstate commission fee and other fees charged by the sending racetrack, including, but not limited to, satellite decoder fees, shall be uniformly applied to the host track and all non-host licensees.

Notwithstanding any other provision of this Act, through December 31, 2020, an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may maintain a system whereby advance deposit wagering may take place or an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may contract with another person to carry out a system of advance deposit wagering. Such consent may not be unreasonably withheld. Only with respect to an appeal to the Board that consent for an organization licensee that maintains its own advance deposit wagering system is being unreasonably withheld, the Board shall issue a final order within 30 days after initiation of the appeal, and the organization licensee's advance deposit wagering system may remain operational during that 30-day period. The actions of any organization licensee who conducts advance deposit wagering or any person who has a contract with an organization licensee to conduct advance deposit wagering who conducts advance deposit wagering on or after January 1, 2013 and prior to June 7, 2013 (the effective date of Public Act 98-18) taken in reliance on the changes made to this subsection (g) by Public Act 98-18 are hereby validated, provided payment of all applicable pari-mutuel taxes are remitted to the Board. All advance deposit wagers placed from

New matter indicated by italics - deletions by strikeout
within Illinois must be placed through a Board-approved advance deposit wagering licensee; no other entity may accept an advance deposit wager from a person within Illinois. All advance deposit wagering is subject to any rules adopted by the Board. The Board may adopt rules necessary to regulate advance deposit wagering through the use of emergency rulemaking in accordance with Section 5-45 of the Illinois Administrative Procedure Act. The General Assembly finds that the adoption of rules to regulate advance deposit wagering is deemed an emergency and necessary for the public interest, safety, and welfare. An advance deposit wagering licensee may retain all moneys as agreed to by contract with an organization licensee. Any moneys retained by the organization licensee from advance deposit wagering, not including moneys retained by the advance deposit wagering licensee, shall be paid 50% to the organization licensee's purse account and 50% to the organization licensee. With the exception of any organization licensee that is owned by a publicly traded company that is incorporated in a state other than Illinois and advance deposit wagering licensees under contract with such organization licensees, organization licensees that maintain advance deposit wagering systems and advance deposit wagering licensees that contract with organization licensees shall provide sufficiently detailed monthly accountings to the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting so that the horsemen association, as an interested party, can confirm the accuracy of the amounts paid to the purse account at the horsemen association's affiliated organization licensee from advance deposit wagering. If more than one breed races at the same race track facility, then the 50% of the moneys to be paid to an organization licensee's purse account shall be allocated among all organization licensees' purse accounts operating at that race track facility proportionately based on the actual number of host days that the Board grants to that breed at that race track facility in the current calendar year. To the extent any fees from advance deposit wagering conducted in Illinois for wagers in Illinois or other states have been placed in escrow or otherwise withheld from wagers pending a determination of the legality of advance deposit wagering, no action shall be brought to declare such wagers or the disbursement of any fees previously escrowed illegal.

(1) Between the hours of 6:30 a.m. and 6:30 p.m. an inter-track wagering licensee other than the host track may supplement the host track simulcast program with additional simulcast races or

race programs, provided that between January 1 and the third Friday in February of any year, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, only thoroughbred races may be used for supplemental interstate simulcast purposes. The Board shall withhold approval for a supplemental interstate simulcast only if it finds that the simulcast is clearly adverse to the integrity of racing. A supplemental interstate simulcast may be transmitted from an inter-track wagering licensee to its affiliated non-host licensees. The interstate commission fee for a supplemental interstate simulcast shall be paid by the non-host licensee and its affiliated non-host licensees receiving the simulcast.

(2) Between the hours of 6:30 p.m. and 6:30 a.m. an inter-track wagering licensee other than the host track may receive supplemental interstate simulcasts only with the consent of the host track, except when the Board finds that the simulcast is clearly adverse to the integrity of racing. Consent granted under this paragraph (2) to any inter-track wagering licensee shall be deemed consent to all non-host licensees. The interstate commission fee for the supplemental interstate simulcast shall be paid by all participating non-host licensees.

(3) Each licensee conducting interstate simulcast wagering may retain, subject to the payment of all applicable taxes and the purses, an amount not to exceed 17% of all money wagered. If any licensee conducts the pari-mutuel system wagering on races conducted at racetracks in another state or country, each such race or race program shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax of that daily handle as provided in subsection (a) of Section 27. Until January 1, 2000, from the sums permitted to be retained pursuant to this subsection, each inter-track wagering location licensee shall pay 1% of the pari-mutuel handle wagered on simulcast wagering to the Horse Racing Tax Allocation Fund, subject to the provisions of subparagraph (B) of paragraph (11) of subsection (h) of Section 26 of this Act.

(4) A licensee who receives an interstate simulcast may combine its gross or net pools with pools at the sending racetracks pursuant to rules established by the Board. All licensees combining their gross pools at a sending racetrack shall adopt the takeout

New matter indicated by italics - deletions by strikeout
take-out percentages of the sending racetrack. A licensee may also establish a separate pool and takeout structure for wagering purposes on races conducted at race tracks outside of the State of Illinois. The licensee may permit pari-mutuel wagers placed in other states or countries to be combined with its gross or net wagering pools or other wagering pools.

(5) After the payment of the interstate commission fee (except for the interstate commission fee on a supplemental interstate simulcast, which shall be paid by the host track and by each non-host licensee through the host track) and all applicable State and local taxes, except as provided in subsection (g) of Section 27 of this Act, the remainder of moneys retained from simulcast wagering pursuant to this subsection (g), and Section 26.2 shall be divided as follows:

(A) For interstate simulcast wagers made at a host track, 50% to the host track and 50% to purses at the host track.

(B) For wagers placed on interstate simulcast races, supplemental simulcasts as defined in subparagraphs (1) and (2), and separately pooled races conducted outside of the State of Illinois made at a non-host licensee, 25% to the host track, 25% to the non-host licensee, and 50% to the purses at the host track.

(6) Notwithstanding any provision in this Act to the contrary, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River may receive supplemental interstate simulcast races at all times subject to Board approval, which shall be withheld only upon a finding that a supplemental interstate simulcast is clearly adverse to the integrity of racing.

(7) Effective January 1, 2017, notwithstanding any provision of this Act to the contrary, after payment of all applicable State and local taxes and interstate commission fees, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain 50% of the retention from interstate simulcast wagers and shall pay 50% to purses at the track from which the non-host licensee derives its license.

(7.1) Notwithstanding any other provision of this Act to the contrary, if no standardbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during that calendar year shall be paid as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be paid to its thoroughbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund and shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. The moneys deposited into the Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with other moneys paid into that Fund. The moneys deposited pursuant to this subparagraph (B) shall be allocated as provided by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board.

(7.2) Notwithstanding any other provision of this Act to the contrary, if no thoroughbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 a.m. and 6:30 p.m. during that calendar year shall be deposited as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be deposited into its standardbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund. Moneys deposited into the Illinois Colt Stakes Purse Distribution Fund.

(12) The Board shall have authority to compel all host tracks to receive the simulcast of any or all races conducted at the Springfield or DuQuoin State fairgrounds and include all such races as part of their simulcast programs.

(13) Notwithstanding any other provision of this Act, in the event that the total Illinois pari-mutuel handle on Illinois horse races at all wagering facilities in any calendar year is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at all such wagering facilities for calendar year 1994, then each wagering facility that has an annual total Illinois pari-mutuel handle on Illinois horse races that is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at such wagering facility for calendar year 1994, shall be permitted to receive, from any amount otherwise payable to the purse account at the race track with which the wagering facility is affiliated in the succeeding calendar year, an amount equal to 2% of the differential in total Illinois pari-mutuel handle on Illinois horse races at the wagering facility between that calendar year in question and 1994 provided, however, that a wagering facility shall not be entitled to any such payment until the Board certifies in writing to the wagering facility the amount to which the wagering facility is entitled and a schedule for payment of the amount to the wagering facility, based on: (i) the racing dates awarded to the race track affiliated with the wagering facility during the succeeding year; (ii) the sums available or anticipated to be available in the purse account of the race track affiliated with the wagering facility for purses during the succeeding year; and (iii) the need to ensure reasonable purse levels during the payment period. The Board's certification shall be provided no later than January 31 of the succeeding year. In the event a wagering facility entitled to a payment under this paragraph (13) is affiliated with a race track that maintains purse accounts for both standardbred and thoroughbred racing, the amount to be paid to the wagering facility shall be divided between each purse account pro rata, based on the amount of Illinois handle on Illinois standardbred and thoroughbred racing respectively at the wagering facility during the previous calendar year. (h) The Board may approve and license the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees subject to the following terms and conditions:

(1) Any person licensed to conduct a race meeting (i) at a track where 60 or more days of racing were conducted during the immediately preceding calendar year or where over the 5 immediately preceding calendar years an average of 30 or more days of racing were conducted annually may be issued an inter-track wagering license; (ii) at a track located in a county that is bounded by the Mississippi River, which has a population of less than 150,000 according to the 1990 decennial census, and an average of at least 60 days of racing per year between 1985 and 1993 may be issued an inter-track wagering license; or (iii) at a track located in Madison County that conducted at least 100 days of live racing during the immediately preceding calendar year may be issued an inter-track wagering license, unless a lesser schedule of live racing is the result of (A) weather, unsafe track conditions, or other acts of God; (B) an agreement between the organization licensee and the associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting; or (C) a finding by the Board of extraordinary circumstances and that it was in the best interest of the public and the sport to conduct fewer than 100 days of live racing. Any such person having operating control of the racing facility may receive inter-track wagering location licenses. An eligible race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River may establish up to 9 inter-track wagering locations, an eligible race track located in Stickney Township in Cook County may establish up to 16 inter-track wagering locations, and an eligible race track located in Palatine Township in Cook County may establish up to 18 inter-track wagering locations. An application for said license shall be filed with the Board prior to such dates as may be fixed by the Board. With an application for an inter-track

wagering location license there shall be delivered to the Board a
certified check or bank draft payable to the order of the Board for
an amount equal to $500. The application shall be on forms
prescribed and furnished by the Board. The application shall
comply with all other rules, regulations and conditions imposed by
the Board in connection therewith.

(2) The Board shall examine the applications with respect
to their conformity with this Act and the rules and regulations
imposed by the Board. If found to be in compliance with the Act
and rules and regulations of the Board, the Board may then issue a
license to conduct inter-track wagering and simulcast wagering to
such applicant. All such applications shall be acted upon by the
Board at a meeting to be held on such date as may be fixed by the
Board.

(3) In granting licenses to conduct inter-track wagering and
simulcast wagering, the Board shall give due consideration to the
best interests of the public, of horse racing, and of maximizing
revenue to the State.

(4) Prior to the issuance of a license to conduct inter-track
wagering and simulcast wagering, the applicant shall file with the
Board a bond payable to the State of Illinois in the sum of $50,000,
executed by the applicant and a surety company or companies
authorized to do business in this State, and conditioned upon (i) the
payment by the licensee of all taxes due under Section 27 or 27.1
and any other monies due and payable under this Act, and (ii)
distribution by the licensee, upon presentation of the winning ticket
or tickets, of all sums payable to the patrons of pari-mutuel pools.

(5) Each license to conduct inter-track wagering and
simulcast wagering shall specify the person to whom it is issued,
the dates on which such wagering is permitted, and the track or
location where the wagering is to be conducted.

(6) All wagering under such license is subject to this Act
and to the rules and regulations from time to time prescribed by the
Board, and every such license issued by the Board shall contain a
recital to that effect.

(7) An inter-track wagering licensee or inter-track wagering
location licensee may accept wagers at the track or location where
it is licensed, or as otherwise provided under this Act.

(8) Inter-track wagering or simulcast wagering shall not be conducted at any track less than 5 miles from a track at which a racing meeting is in progress.

(8.1) Inter-track wagering location licensees who derive their licenses from a particular organization licensee shall conduct inter-track wagering and simulcast wagering only at locations that are within 160 miles of that race track where the particular organization licensee is licensed to conduct racing. However, inter-track wagering and simulcast wagering shall not be conducted by those licensees at any location within 5 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made. In the case of any inter-track wagering location licensee initially licensed after December 31, 2013, inter-track wagering and simulcast wagering shall not be conducted by those inter-track wagering location licensees that are located outside the City of Chicago at any location within 8 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made.

(8.2) Inter-track wagering or simulcast wagering shall not be conducted by an inter-track wagering location licensee at any location within 100 feet of an existing church or existing school; nor within 500 feet of the residences of more than 50 registered voters without receiving written permission from a majority of the registered voters at such residences. Such written permission statements shall be filed with the Board. The distance of 100 feet shall be measured to the nearest part of any building used for worship services, education programs, residential purposes; or conducting inter-track wagering by an inter-track wagering location licensee, and not to property boundaries. However, inter-track wagering or simulcast wagering may be conducted at a site within 100 feet of a church or school or residences of 50 or more registered voters if such church or school has or residences have been erected or established, or such
voters have been registered, after the Board issues the original inter-track wagering location license at the site in question. Inter-track wagering location licensees may conduct inter-track wagering and simulcast wagering only in areas that are zoned for commercial or manufacturing purposes or in areas for which a special use has been approved by the local zoning authority. However, no license to conduct inter-track wagering and simulcast wagering shall be granted by the Board with respect to any inter-track wagering location within the jurisdiction of any local zoning authority which has, by ordinance or by resolution, prohibited the establishment of an inter-track wagering location within its jurisdiction. However, inter-track wagering and simulcast wagering may be conducted at a site if such ordinance or resolution is enacted after the Board licenses the original inter-track wagering location licensee for the site in question.

(9) (Blank).

(10) An inter-track wagering licensee or an inter-track wagering location licensee may retain, subject to the payment of the privilege taxes and the purses, an amount not to exceed 17% of all money wagered. Each program of racing conducted by each inter-track wagering licensee or inter-track wagering location licensee shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax or pari-mutuel tax on such daily handle as provided in Section 27.

(10.1) Except as provided in subsection (g) of Section 27 of this Act, inter-track wagering location licensees shall pay 1% of the pari-mutuel handle at each location to the municipality in which such location is situated and 1% of the pari-mutuel handle at each location to the county in which such location is situated. In the event that an inter-track wagering location licensee is situated in an unincorporated area of a county, such licensee shall pay 2% of the pari-mutuel handle from such location to such county.

(10.2) Notwithstanding any other provision of this Act, with respect to inter-track wagering at a race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River ("the first race track"), or at a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, on races

Illinois race track and simultaneously televised to the first race
track or to a facility operated by an inter-track wagering licensee or
inter-track wagering location licensee that derives its license from
the organization licensee that operates the first race track, those
moneys shall be allocated as follows:

paid to purses shall be paid to purses for standardbred
races.

(B) That portion of all moneys wagered on
thoroughbred racing that is required under this Act to be
paid to purses shall be paid to purses for thoroughbred

(11) (A) After payment of the privilege or pari-mutuel tax,
any other applicable taxes, and the costs and expenses in
connection with the gathering, transmission, and dissemination of
all data necessary to the conduct of inter-track wagering, the
remainder of the monies retained under either Section 26 or
Section 26.2 of this Act by the inter-track wagering licensee on
inter-track wagering shall be allocated with 50% to be split
between the 2 participating licensees and 50% to purses, except
that an inter-track wagering licensee that derives its license from a
track located in a county with a population in excess of 230,000
and that borders the Mississippi River shall not divide any
remaining retention with the Illinois organization licensee that
provides the race or races, and an inter-track wagering licensee that
accepts wagers on races conducted by an organization licensee that
conducts a race meet in a county with a population in excess of
230,000 and that borders the Mississippi River shall not divide any
remaining retention with that organization licensee.

(B) From the sums permitted to be retained pursuant to this
Act each inter-track wagering location licensee shall pay (i) the
privilege or pari-mutuel tax to the State; (ii) 4.75% of the pari-
mutuel handle on inter-track wagering at such location on races as
purses, except that an inter-track wagering location licensee that
derives its license from a track located in a county with a
population in excess of 230,000 and that borders the Mississippi
River shall retain all purse moneys for its own purse account.

The remainder of the monies retained by the inter-track wagering location licensee shall be allocated 40% to the location licensee and 60% to the organization licensee which provides the Illinois races to the location, except that an inter-track wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee that provides the race or races and an inter-track wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee. Notwithstanding the provisions of clauses (ii) and (iv) of this paragraph, in the case of the additional inter-track wagering location licenses authorized under paragraph (1) of this subsection (h) by Public Act 87-110, those licensees shall pay the following amounts as purses: during the first 12 months the licensee is in operation, 5.25% of the pari-mutuel handle wagered at the location on races; during the second 12 months, 5.25%; during the third 12 months, 5.75%; during the fourth 12 months, 6.25%; and during the fifth 12 months and thereafter, 6.75%. (i) If the inter-track wagering licensee, except an inter-track wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is not conducting its own race meeting during the same dates, then the

(12) The Board shall have all powers necessary and proper to fully supervise and control the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees, including, but not limited to the following:

(A) The Board is vested with power to promulgate reasonable rules and regulations for the purpose of administering the conduct of this wagering and to prescribe reasonable rules, regulations and conditions under which such wagering shall be held and conducted. been compliance with the provisions of this Act and the rules and regulations relating to the conduct of such wagering.

(C) The Board, and any person or persons to whom it delegates this power, may eject or exclude from any licensee's facilities, any person whose conduct or reputation is such that his presence on such premises may, in the opinion of the Board, call into the question the honesty and integrity of, or interfere with the orderly conduct of such wagering; provided, however, that no person shall be excluded or ejected from such premises solely on the grounds of race, color, creed, national origin, ancestry, or sex.

(D) (Blank).

(E) The Board is vested with the power to appoint delegates to execute any of the powers granted to it under this Section for the purpose of administering this wagering and any rules and regulations promulgated in accordance with this Act.

(F) The Board shall name and appoint a State director of this wagering who shall be a representative of the Board and whose duty it shall be to supervise the conduct of inter-track wagering as may be provided for by the rules and regulations of the Board; such rules and regulation shall specify the method of appointment and the Director's powers, authority and duties.

Such agreement shall specify the races of the Department of Agriculture's licensed race meeting upon which the licensees will

conduct wagering. In the event that a licensee conducts inter-track pari-mutuel wagering on races from the Illinois State Fair or DuQuoin State Fair which are in addition to the licensee's previously approved racing program, those races shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege or pari-mutuel tax on that daily handle as provided in Sections 27 and 27.1. Such agreements shall be approved by the Board before such wagering may be conducted. In determining whether to grant approval, the Board shall give due consideration to the best interests of the public and of horse racing. The provisions of paragraphs (1), (8), (8.1), and (8.2) of subsection (h) of this Section which are not specified in this paragraph (13) shall not apply to licensed race meetings conducted by the Department of Agriculture at the Illinois State Fair in Sangamon County or the DuQuoin State Fair in Perry County, or to any wagering conducted on those race meetings.

(a) The Planning and Procurement Bureau shall each year, beginning in 2008, develop procurement plans and conduct competitive procurement processes in accordance with the requirements of Section 16-111.5 of the Public Utilities Act for the eligible retail customers of electric utilities that on December 31, 2005 provided electric service to at least 100,000 customers in Illinois. Beginning with the delivery year commencing on June 1, 2017, the Planning and Procurement Bureau shall develop plans and processes for the procurement of zero emission credits from zero emission facilities in accordance with the requirements of subsection (d-5) of this Section. The Planning and Procurement Bureau shall also develop procurement plans and conduct competitive procurement processes in accordance with the requirements of Section 16-111.5 of the Public Utilities Act for the eligible retail customers of small multi-jurisdictional electric utilities that (i) on December 31, 2005 served less than 100,000 customers in Illinois and (ii) request a procurement plan for their Illinois jurisdictional load. This Section shall not apply to a small multi-jurisdictional utility until such time as a small multi-jurisdictional utility requests the Agency to prepare a procurement plan for their Illinois jurisdictional load. For the purposes of this Section, the term "eligible retail customers" has the same definition as found in Section 16-111.5(a) of the Public Utilities Act.

Beginning with the plan or plans to be implemented in the 2017 delivery year, the Agency shall no longer include the procurement of renewable energy resources in the annual procurement plans required by this subsection (a), except as provided in subsection (q) of Section 16-111.5 of the Public Utilities Act, and shall instead develop a long-term renewable resources procurement plan in accordance with subsection (c) of this Section and Section 16-111.5 of the Public Utilities Act.

(1) The Agency shall each year, beginning in 2008, as needed, issue a request for qualifications for experts or expert consulting firms to develop the procurement plans in accordance with Section 16-111.5 of the Public Utilities Act. processes that are under consideration to develop the procurement plans and to serve as the procurement administrator. The Agency shall also provide each qualified expert's or expert consulting firm's response to the request for qualifications. All information provided under this subparagraph shall also be provided to the Commission. The Agency may provide by rule for fees associated with supplying the information to utilities and other interested parties. These parties shall, within 5 business days, notify the Agency in writing if they object to any experts or expert consulting firms on the lists. Objections shall be based on:

(A) failure to satisfy qualification criteria;
(B) identification of a conflict of interest; or

The Agency shall remove experts or expert consulting firms from the lists within 10 days if there is a reasonable basis for an objection and provide the updated lists to the affected utilities and other interested parties. If the Agency fails to remove an expert or expert consulting firm from a list, an objecting party may seek review by the Commission within 5 days thereafter by filing a petition, and the Commission shall render a ruling on the petition within 10 days. There is no right of appeal of the Commission's ruling.

(4) The Agency shall issue requests for proposals to the qualified experts or expert consulting firms to develop a procurement plan for the affected utilities and to serve as procurement administrator.

(5) The Agency shall select an expert or expert consulting firm to develop procurement plans based on the proposals submitted and shall award contracts of up to 5 years to those selected.

(6) The Agency shall select an expert or expert consulting firm, with approval of the Commission, to serve as procurement administrator based on the proposals submitted. (1)(A) The Agency shall develop a long-term renewable resources procurement plan that shall include procurement programs and competitive procurement events necessary to meet the goals set forth in this subsection (c). The initial long-term renewable resources procurement plan shall be released for comment no later than 160 days after June 1, 2017 (the effective date of Public Act 99-906). The long-term renewable resources procurement plans shall be subject to review and approval by the Commission under Section 16-111.5 of the Public Utilities Act.

(B) Subject to subparagraph (F) of this paragraph (1), the long-term renewable resources procurement plan shall include the goals for procurement of renewable energy credits to meet at least the following overall percentages: 13% by the 2017 delivery year; increasing by at least 1.5% each delivery year thereafter to at least 25% by the 2025 delivery year; and continuing at no less than 25% for each delivery year thereafter. For the delivery year beginning June 1, 2019, and for each year thereafter, the procurement plans shall include cost-effective renewable energy resources equal to a minimum percentage of each utility's load for all retail customers as follows: 16% by June 1, 2019; increasing by 1.5% each year thereafter to 25% by June 1, 2025; and 25% by June 1, 2026 and each year thereafter.

For each delivery year, the Agency shall first recognize each utility's obligations for that delivery year under existing contracts. Any renewable energy credits under existing contracts, including renewable energy credits as part of renewable energy resources, shall be used to meet the goals set forth in this subsection (c) for the delivery year.

(C) Of the renewable energy credits procured under this subsection (c), at least 75% shall come from wind and photovoltaic projects. The long-term renewable resources procurement plan described in subparagraph (A) of this paragraph (1) shall include the procurement of renewable energy credits in amounts equal to at least the following:

For purposes of this Section:

"New wind projects" means wind renewable energy facilities that are energized after June 1, 2017 for the delivery year commencing June 1, 2017 or within 3 years after the date the Commission approves contracts for subsequent delivery years.

"New photovoltaic projects" means photovoltaic renewable energy facilities that are energized after June 1, 2017. Photovoltaic projects developed under Section 1-56 of this Act shall not apply towards the new photovoltaic project requirements in this subparagraph (C).

(D) Renewable energy credits shall be cost effective. For purposes of this subsection (c), "cost effective" means that the costs of procuring renewable energy resources do not cause the limit stated in subparagraph (E) of this paragraph (1) to be exceeded and, for renewable energy credits procured through a competitive procurement event, do not exceed benchmarks based on market prices for like products in the region. For purposes of this subsection (c), "like products" means contracts for renewable energy credits from the same or substantially similar technology,
same or substantially similar vintage (new or existing), the same or substantially similar quantity, and the same or substantially similar contract length and structure. Benchmarks shall be developed by the procurement administrator, in consultation with the Commission staff, Agency staff, and the procurement monitor and shall be subject to Commission review and approval. If price benchmarks for like products in the region are not available, the procurement administrator shall establish price benchmarks based on publicly available data on regional technology costs and expected current and future regional energy prices. The benchmarks in this Section shall not be used to curtail or otherwise reduce contractual obligations entered into by or through the Agency prior to June 1, 2017 (the effective date of Public Act 99-906).

(E) For purposes of this subsection (c), the required procurement of cost-effective renewable energy resources for a particular year commencing prior to June 1, 2017 shall be measured as a percentage of the actual amount of electricity (megawatt-hours) supplied by the electric utility to eligible retail customers in the delivery year ending immediately prior to the procurement, and, for delivery years commencing on and after June 1, 2017, the required procurement of cost-effective renewable energy resources for a particular year shall be measured as a percentage of the actual amount of electricity (megawatt-hours) delivered by the electric utility in the delivery year ending immediately prior to the procurement, to all retail customers in its service territory. For purposes of this subsection (c), the amount paid per kilowatthour means the total amount paid for electric service expressed on a per kilowatthour basis. For purposes of this subsection (c), the total amount paid for electric service includes without limitation amounts paid for supply, transmission, distribution, surcharges, and add-on taxes.

Notwithstanding the requirements of this subsection (c), the total of renewable energy resources procured under the procurement plan for any single year shall be subject to the limitations of this subparagraph (E). Such procurement shall be reduced for all retail customers based on the amount necessary to limit the annual estimated average net increase due to the costs of these resources included in the amounts paid by eligible retail

customers in connection with electric service to no more than the greater of 2.015% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007 or the incremental amount per kilowatthour paid for these resources in 2011. To arrive at a maximum dollar amount of renewable energy resources to be procured for the particular delivery year, the resulting per kilowatthour amount shall be applied to the actual amount of kilowatthours of electricity delivered, or applicable portion of such amount as specified in paragraph (1) of this subsection (c), as applicable, by the electric utility in the delivery year immediately prior to the procurement to all retail customers in its service territory. The calculations required by this subparagraph (E) shall be made only once for each delivery year at the time that the renewable energy resources are procured. Once the determination as to the amount of renewable energy resources to procure is made based on the calculations set forth in this subparagraph (E) and the contracts procuring those amounts are executed, no subsequent rate impact determinations shall be made and no adjustments to those contract amounts shall be allowed. All costs incurred under such contracts shall be fully recoverable by the electric utility as provided in this Section.

(F) If the limitation on the amount of renewable energy resources procured in subparagraph (E) of this paragraph (1) prevents the Agency from meeting all of the goals in this subsection (c), the Agency's long-term plan shall prioritize compliance with the requirements of this subsection (c) regarding renewable energy credits in the following order:

(i) renewable energy credits under existing contractual obligations;

(ii-5) funding for the Illinois Solar for All Program, as described in subparagraph (O) of this paragraph (1);

(ii) renewable energy credits necessary to comply with the new wind and new photovoltaic procurement requirements described in items (i) through (iii) of subparagraph (C) of this paragraph (1); and

(iii) renewable energy credits necessary to meet the remaining requirements of this subsection (c).

(G) The following provisions shall apply to the Agency's procurement of renewable energy credits under this subsection (c):

New matter indicated by italics - deletions by strikeout
(i) Notwithstanding whether a long-term renewable resources procurement plan has been approved, the Agency shall conduct an initial forward procurement for renewable energy credits from new utility-scale wind projects within 160 days after June 1, 2017 (the effective date of Public Act 99-906). For the purposes of this initial forward procurement, the Agency shall solicit 15-year contracts for delivery of 1,000,000 renewable energy credits delivered annually from new utility-scale wind projects to begin delivery on June 1, 2019, if available, but not later than June 1, 2021, unless the project has delays in the establishment of an operating interconnection with the applicable transmission or distribution system as a result of the actions or inactions of the transmission or distribution provider, or other causes for force majeure as outlined in the procurement contract, in which case, not later than June 1, 2022. Payments to suppliers of renewable energy credits shall commence upon delivery. Renewable energy credits procured under this initial procurement shall be included in the Agency's long-term plan and shall apply to all renewable energy goals in this subsection (c).

(ii) Notwithstanding whether a long-term renewable resources procurement plan has been approved, the Agency shall conduct an initial forward procurement for renewable energy credits from new utility-scale solar projects and brownfield site photovoltaic projects within one year after June 1, 2017 (the effective date of Public Act 99-906). For the purposes of this initial forward procurement, the Agency shall solicit 15-year contracts for delivery of 1,000,000 renewable energy credits delivered annually from new utility-scale solar projects and brownfield site photovoltaic projects to begin delivery on June 1, 2019, if available, but not later than June 1, 2021, unless the project has delays in the establishment of an operating interconnection with the applicable transmission or distribution system as a result of the actions or inactions of the transmission or distribution provider, or other causes for force majeure as outlined in the procurement contract, in which case, not later than June 1, 2022. The Agency
may structure this initial procurement in one or more discrete procurement events. Payments to suppliers of renewable energy credits shall commence upon delivery. Renewable energy credits procured under this initial procurement shall be included in the Agency's long-term plan and shall apply to all renewable energy goals in this subsection (c).

(iii) Subsequent forward procurements for utility-scale wind projects shall solicit at least 1,000,000 renewable energy credits delivered annually per procurement event and shall be planned, scheduled, and designed such that the cumulative amount of renewable energy credits delivered from all new wind projects in each delivery year shall not exceed the Agency's projection of the cumulative amount of renewable energy credits that will be delivered from all new photovoltaic projects, including utility-scale and distributed photovoltaic devices, in the same delivery year at the time scheduled for wind contract delivery.

(iv) If, at any time after the time set for delivery of renewable energy credits pursuant to the initial procurements in items (i) and (ii) of this subparagraph (G), the cumulative amount of renewable energy credits projected to be delivered from all new wind projects in a given delivery year exceeds the cumulative amount of renewable energy credits projected to be delivered from all new photovoltaic projects in that delivery year by 200,000 or more renewable energy credits, then the Agency shall within 60 days adjust the procurement programs in the long-term renewable resources procurement plan to ensure that the projected cumulative amount of renewable energy credits to be delivered from all new wind projects does not exceed the projected cumulative amount of renewable energy credits to be delivered from all new photovoltaic projects by 200,000 or more renewable energy credits, provided that nothing in this Section shall preclude the projected cumulative amount of renewable energy credits to be delivered from all new photovoltaic projects from exceeding the projected cumulative amount of renewable

energy credits to be delivered from all new wind projects in each delivery year and provided further that nothing in this item (iv) shall require the curtailment of an executed contract. The Agency shall update, on a quarterly basis, its projection of the renewable energy credits to be delivered from all projects in each delivery year. Notwithstanding anything to the contrary, the Agency may adjust the timing of procurement events conducted under this subparagraph (G). The long-term renewable resources procurement plan shall set forth the process by which the adjustments may be made.

(v) All procurements under this subparagraph (G) shall comply with the geographic requirements in subparagraph (I) of this paragraph (1) and shall follow the procurement processes and procedures described in this Section and Section 16-111.5 of the Public Utilities Act to the extent practicable, and these processes and procedures may be expedited to accommodate the schedule established by this subparagraph (G).

(H) The procurement of renewable energy resources for a given delivery year shall be reduced as described in this subparagraph (H) if an alternative retail electric supplier meets the requirements described in this subparagraph (H).

(i) Within 45 days after June 1, 2017 (the effective date of Public Act 99-906), an alternative retail electric supplier or its successor shall submit an informational filing to the Illinois Commerce Commission certifying that, as of December 31, 2015, the alternative retail electric supplier owned one or more electric generating facilities that generates renewable energy resources as defined in Section 1-10 of this Act, provided that such facilities are not powered by wind or photovoltaics, and the facilities generate one renewable energy credit for each megawatthour of energy produced from the facility.

The informational filing shall identify each facility that was eligible to satisfy the alternative retail electric supplier's obligations under Section 16-115D of the Public Utilities Act as described in this item (i).

New matter indicated by italics - deletions by strikeout
(ii) For a given delivery year, the alternative retail electric supplier may elect to supply its retail customers with renewable energy credits from the facility or facilities described in item (i) of this subparagraph (H) that continue to be owned by the alternative retail electric supplier.

(iii) The alternative retail electric supplier shall notify the Agency and the applicable utility, no later than February 28 of the year preceding the applicable delivery year or 15 days after June 1, 2017 (the effective date of Public Act 99-906), whichever is later, of its election under item (ii) of this subparagraph (H) to supply renewable energy credits to retail customers of the utility. Such election shall identify the amount of renewable energy credits to be supplied by the alternative retail electric supplier to the utility's retail customers and the source of the renewable energy credits identified in the informational filing as described in item (i) of this subparagraph (H), subject to the following limitations:

For the delivery year beginning June 1, 2018, the maximum amount of renewable energy credits to be supplied by an alternative retail electric supplier under this subparagraph (H) shall be 68% multiplied by 25% multiplied by 14.5% multiplied by the amount of metered electricity (megawatt-hours) delivered by the alternative retail electric supplier to Illinois retail customers during the delivery year ending May 31, 2016.

For delivery years beginning June 1, 2019 and each year thereafter, the maximum amount of renewable energy credits to be supplied by an alternative retail electric supplier under this subparagraph (H) shall be 68% multiplied by 50% multiplied by 16% multiplied by the amount of metered electricity (megawatt-hours) delivered by the alternative retail electric supplier to Illinois retail customers during the delivery year ending May 31, 2016, provided that the 16% value shall increase by 1.5% each delivery year thereafter to 25% by the delivery year beginning June 1, 2025,

New matter indicated by italics - deletions by strikeout
and thereafter the 25% value shall apply to each delivery year.

For each delivery year, the total amount of renewable energy credits supplied by all alternative retail electric suppliers under this subparagraph (H) shall not exceed 9% of the Illinois target renewable energy credit quantity. The Illinois target renewable energy credit quantity for the delivery year beginning June 1, 2018 is 14.5% multiplied by the total amount of metered electricity (megawatt-hours) delivered in the delivery year immediately preceding that delivery year, provided that the 14.5% shall increase by 1.5% each delivery year thereafter to 25% by the delivery year beginning June 1, 2025, and thereafter the 25% value shall apply to each delivery year.

If the requirements set forth in items (i) through (iii) of this subparagraph (H) are met, the charges that would otherwise be applicable to the retail customers of the alternative retail electric supplier under paragraph (6) of this subsection (c) for the applicable delivery year shall be reduced by the ratio of the quantity of renewable energy credits supplied by the alternative retail electric supplier compared to that supplier's target renewable energy credit quantity. The supplier's target renewable energy credit quantity for the delivery year beginning June 1, 2018 is 14.5% multiplied by the total amount of metered electricity (megawatt-hours) delivered by the alternative retail supplier in that delivery year, provided that the 14.5% shall increase by 1.5% each delivery year thereafter to 25% by the delivery year beginning June 1, 2025, and thereafter the 25% value shall apply to each delivery year.

On or before April 1 of each year, the Agency shall annually publish a report on its website that identifies the aggregate amount of renewable energy credits supplied by alternative retail electric suppliers under this subparagraph (H).

(I) The Agency shall design its long-term renewable energy procurement plan to maximize the State's interest in the health, safety, and welfare of its residents, including but not limited to minimizing sulfur dioxide, nitrogen oxide, particulate matter and

New matter indicated by italics - deletions by strikeout
other pollution that adversely affects public health in this State, increasing fuel and resource diversity in this State, enhancing the reliability and resiliency of the electricity distribution system in this State, meeting goals to limit carbon dioxide emissions under federal or State law, and contributing to a cleaner and healthier environment for the citizens of this State. In order to further these legislative purposes, renewable energy credits shall be eligible to be counted toward the renewable energy requirements of this subsection (c) if they are generated from facilities located in this State. The Agency may qualify renewable energy credits from facilities located in states adjacent to Illinois if the generator demonstrates and the Agency determines that the operation of such facility or facilities will help promote the State's interest in the health, safety, and welfare of its residents based on the public interest criteria described above. To ensure that the public interest criteria are applied to the procurement and given full effect, the Agency's long-term procurement plan shall describe in detail how each public interest factor shall be considered and weighted for facilities located in states adjacent to Illinois.

(J) In order to promote the competitive development of renewable energy resources in furtherance of the State's interest in the health, safety, and welfare of its residents, renewable energy credits shall not be eligible to be counted toward the renewable energy requirements of this subsection (c) if they are sourced from a generating unit whose costs were being recovered through rates regulated by this State or any other state or states on or after January 1, 2017. Each contract executed to purchase renewable energy credits under this subsection (c) shall provide for the contract's termination if the costs of the generating unit supplying the renewable energy credits subsequently begin to be recovered through rates regulated by this State or any other state or states; and each contract shall further provide that, in that event, the supplier of the credits must return 110% of all payments received under the contract. Amounts returned under the requirements of this subparagraph (J) shall be retained by the utility and all of these amounts shall be used for the procurement of additional renewable energy credits from new wind or new photovoltaic resources as defined in this subsection (c). The long-term plan shall provide that
these renewable energy credits shall be procured in the next procurement event.

Notwithstanding the limitations of this subparagraph (J), renewable energy credits sourced from generating units that are constructed, purchased, owned, or leased by an electric utility as part of an approved project, program, or pilot under Section 1-56 of this Act shall be eligible to be counted toward the renewable energy requirements of this subsection (c), regardless of how the costs of these units are recovered.

(K) The long-term renewable resources procurement plan developed by the Agency in accordance with subparagraph (A) of this paragraph (1) shall include an Adjustable Block program for the procurement of renewable energy credits from new photovoltaic projects that are distributed renewable energy generation devices or new photovoltaic community renewable generation projects. The Adjustable Block program shall be designed to provide a transparent schedule of prices and quantities to enable the photovoltaic market to scale up and for renewable energy credit prices to adjust at a predictable rate over time. The prices set by the Adjustable Block program can be reflected as a set value or as the product of a formula.

The Adjustable Block program shall include for each category of eligible projects: a schedule of standard block purchase prices to be offered; a series of steps, with associated nameplate capacity and purchase prices that adjust from step to step; and automatic opening of the next step as soon as the nameplate capacity and available purchase prices for an open step are fully committed or reserved. Only projects energized on or after June 1, 2017 shall be eligible for the Adjustable Block program. For each block group the Agency shall determine the number of blocks, the amount of generation capacity in each block, and the purchase price for each block, provided that the purchase price provided and the total amount of generation in all blocks for all block groups shall be sufficient to meet the goals in this subsection (c). The Agency may periodically review its prior decisions establishing the number of blocks, the amount of generation capacity in each block, and the purchase price for each block, and may propose, on an expedited basis, changes to these previously set values, including but not limited to redistributing these amounts and the available

funds as necessary and appropriate, subject to Commission approval as part of the periodic plan revision process described in Section 16-111.5 of the Public Utilities Act. The Agency may define different block sizes, purchase prices, or other distinct terms and conditions for projects located in different utility service territories if the Agency deems it necessary to meet the goals in this subsection (c).

The Adjustable Block program shall include at least the following block groups in at least the following amounts, which may be adjusted upon review by the Agency and approval by the Commission as described in this subparagraph (K):

(i) At least 25% from distributed renewable energy generation devices with a nameplate capacity of no more than 10 kilowatts.

(ii) At least 25% from distributed renewable energy generation devices with a nameplate capacity of more than 10 kilowatts and no more than 2,000 kilowatts. The Agency may create sub-categories within this category to account for the differences between projects for small commercial customers, large commercial customers, and public or non-profit customers.

(iii) At least 25% from photovoltaic community renewable generation projects.

(iv) The remaining 25% shall be allocated as specified by the Agency in the long-term renewable resources procurement plan.

The Adjustable Block program shall be designed to ensure that renewable energy credits are procured from photovoltaic distributed renewable energy generation devices and new photovoltaic community renewable energy generation projects in diverse locations and are not concentrated in a few geographic areas.

(L) The procurement of photovoltaic renewable energy credits under items (i) through (iv) of subparagraph (K) of this paragraph (1) shall be subject to the following contract and payment terms:

(i) The Agency shall procure contracts of at least 15 years in length.
(ii) For those renewable energy credits that qualify and are procured under item (i) of subparagraph (K) of this paragraph (1), the renewable energy credit purchase price shall be paid in full by the contracting utilities at the time that the facility producing the renewable energy credits is interconnected at the distribution system level of the utility and energized. The electric utility shall receive and retire all renewable energy credits generated by the project for the first 15 years of operation.

(iii) For those renewable energy credits that qualify and are procured under item (ii) and (iii) of subparagraph (K) of this paragraph (1) and any additional categories of distributed generation included in the long-term renewable resources procurement plan and approved by the Commission, 20 percent of the renewable energy credit purchase price shall be paid by the contracting utilities at the time that the facility producing the renewable energy credits is interconnected at the distribution system level of the utility and energized. The remaining portion shall be paid ratably over the subsequent 4-year period. The electric utility shall receive and retire all renewable energy credits generated by the project for the first 15 years of operation.

(iv) Each contract shall include provisions to ensure the delivery of the renewable energy credits for the full term of the contract.

(v) The utility shall be the counterparty to the contracts executed under this subparagraph (L) that are approved by the Commission under the process described in Section 16-111.5 of the Public Utilities Act. No contract shall be executed for an amount that is less than one renewable energy credit per year.

(vi) If, at any time, approved applications for the Adjustable Block program exceed funds collected by the electric utility or would cause the Agency to exceed the limitation described in subparagraph (E) of this paragraph (1) on the amount of renewable energy resources that may be procured, then the Agency shall consider future uncommitted funds to be reserved for these contracts on a first-come, first-served basis, with the delivery of

New matter indicated by italics - deletions by strikeout
renewable energy credits required beginning at the time that the reserved funds become available.

(vii) Nothing in this Section shall require the utility to advance any payment or pay any amounts that exceed the actual amount of revenues collected by the utility under paragraph (6) of this subsection (c) and subsection (k) of Section 16-108 of the Public Utilities Act, and contracts executed under this Section shall expressly incorporate this limitation.

(M) The Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Adjustable Block program described in subparagraph (K) of this paragraph (1), and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator. The selection of experts and expert consulting firms and the procurement process described in this subparagraph (M) are exempt from the requirements of Section 20-10 of the Illinois Procurement Code, under Section 20-10 of that Code. The Agency shall strive to minimize administrative expenses in the implementation of the Adjustable Block program.

The Agency and its consultant or consultants shall monitor block activity, share program activity with stakeholders and conduct regularly scheduled meetings to discuss program activity and market conditions. If necessary, the Agency may make prospective administrative adjustments to the Adjustable Block program design, such as redistributing available funds or making adjustments to purchase prices as necessary to achieve the goals of this subsection (c). Program modifications to any price, capacity block, or other program element that do not deviate from the Commission's approved value by more than 25% shall take effect immediately and are not subject to Commission review and approval. Program modifications to any price, capacity block, or other program element that deviate more than 25% from the Commission's approved value must be approved by the Commission as a long-term plan amendment under Section 16-111.5 of the Public Utilities Act. The Agency shall consider stakeholder feedback when making adjustments to the Adjustable

New matter indicated by italics - deletions by strikeout
Block design and shall notify stakeholders in advance of any planned changes.

(N) The long-term renewable resources procurement plan required by this subsection (c) shall include a community renewable generation program. The Agency shall establish the terms, conditions, and program requirements for community renewable generation projects with a goal to expand renewable energy generating facility access to a broader group of energy consumers, to ensure robust participation opportunities for residential and small commercial customers and those who cannot install renewable energy on their own properties. Any plan approved by the Commission shall allow subscriptions to community renewable generation projects to be portable and transferable. For purposes of this subparagraph (N), "portable" means that subscriptions may be retained by the subscriber even if the subscriber relocates or changes its address within the same utility service territory; and "transferable" means that a subscriber may assign or sell subscriptions to another person within the same utility service territory.

Electric utilities shall provide a monetary credit to a subscriber's subsequent bill for service for the proportional output of a community renewable generation project attributable to that subscriber as specified in Section 16-107.5 of the Public Utilities Act.

The Agency shall purchase renewable energy credits from subscribed shares of photovoltaic community renewable generation projects through the Adjustable Block program described in subparagraph (K) of this paragraph (1) or through the Illinois Solar for All Program described in Section 1-56 of this Act. The electric utility shall purchase any unsubscribed energy from community renewable generation projects that are Qualifying Facilities ("QF") under the electric utility's tariff for purchasing the output from QFs under Public Utilities Regulatory Policies Act of 1978.

The owners of and any subscribers to a community renewable generation project shall not be considered public utilities or alternative retail electricity suppliers under the Public Utilities Act solely as a result of their interest in or subscription to a community renewable generation project and shall not be required
to become an alternative retail electric supplier by participating in a community renewable generation project with a public utility.

(O) For the delivery year beginning June 1, 2018, the long-term renewable resources procurement plan required by this subsection (c) shall provide for the Agency to procure contracts to continue offering the Illinois Solar for All Program described in subsection (b) of Section 1-56 of this Act, and the contracts approved by the Commission shall be executed by the utilities that are subject to this subsection (c). The long-term renewable resources procurement plan shall allocate 5% of the funds available under the plan for the applicable delivery year, or $10,000,000 per delivery year, whichever is greater, to fund the programs, and the plan shall determine the amount of funding to be apportioned to the programs identified in subsection (b) of Section 1-56 of this Act; provided that for the delivery years beginning June 1, 2017, June 1, 2021, and June 1, 2025, the long-term renewable resources procurement plan shall allocate 10% of the funds available under the plan for the applicable delivery year, or $20,000,000 per delivery year, whichever is greater, and $10,000,000 of such funds in such year shall be used by an electric utility that serves more than 3,000,000 retail customers in the State to implement a Commission-approved plan under Section 16-108.12 of the Public Utilities Act. In making the determinations required under this subparagraph (O), the Commission shall consider the experience and performance under the programs and any evaluation reports. The Commission shall also provide for an independent evaluation of those programs on a periodic basis that are funded under this subparagraph (O).

(2) (Blank).

(3) (Blank).

(4) The electric utility shall retire all renewable energy credits used to comply with the standard.

(5) Beginning with the 2010 delivery year and ending June 1, 2017, an electric utility subject to this subsection (c) shall apply the lesser of the maximum alternative compliance payment rate or the most recent estimated alternative compliance payment rate for its service territory for the corresponding compliance period, established pursuant to subsection (d) of Section 16-115D of the Public Utilities Act to its retail customers that take service pursuant

New matter indicated by italics - deletions by strikeout
to the electric utility's hourly pricing tariff or tariffs. The electric utility shall retain all amounts collected as a result of the application of the alternative compliance payment rate or rates to such customers, and, beginning in 2011, the utility shall include in the information provided under item (1) of subsection (d) of Section 16-111.5 of the Public Utilities Act the amounts collected under the alternative compliance payment rate or rates for the prior year ending May 31. Notwithstanding any limitation on the procurement of renewable energy resources imposed by item (2) of this subsection (c), the Agency shall increase its spending on the purchase of renewable energy resources to be procured by the electric utility for the next plan year by an amount equal to the amounts collected by the utility under the alternative compliance payment rate or rates in the prior year ending May 31.

(6) The electric utility shall be entitled to recover all of its costs associated with the procurement of renewable energy credits under plans approved under this Section and Section 16-111.5 of the Public Utilities Act. These costs shall include associated reasonable expenses for implementing the procurement programs, including, but not limited to, the costs of administering and evaluating the Adjustable Block program, through an automatic adjustment clause tariff in accordance with subsection (k) of Section 16-108 of the Public Utilities Act.

(7) Renewable energy credits procured from new photovoltaic projects or new distributed renewable energy generation devices under this Section after June 1, 2017 (the effective date of Public Act 99-906) must be procured from devices installed by a qualified person in compliance with the requirements of Section 16-128A of the Public Utilities Act and any rules or regulations adopted thereunder.

In meeting the renewable energy requirements of this subsection (c), to the extent feasible and consistent with State and federal law, the renewable energy credit procurements, Adjustable Block solar program, and community renewable generation program shall provide employment opportunities for all segments of the population and workforce, including minority-owned and female-owned business enterprises, and shall not, consistent with State and federal law, discriminate based on race or socioeconomic status.

(d) Clean coal portfolio standard.

(1) The procurement plans shall include electricity generated using clean coal. Each utility shall enter into one or more sourcing agreements with the initial clean coal facility, as provided in paragraph (3) of this subsection (d), covering electricity generated by the initial clean coal facility representing at least 5% of each utility's total supply to serve the load of eligible retail customers in 2015 and each year thereafter, as described in paragraph (3) of this subsection (d), subject to the limits specified in paragraph (2) of this subsection (d). It is the goal of the State that by January 1, 2025, 25% of the electricity used in the State shall be generated by cost-effective clean coal facilities. For purposes of this subsection (d), "cost-effective" means that the expenditures pursuant to such sourcing agreements do not cause the limit stated in paragraph (2) of this subsection (d) to be exceeded and do not exceed cost-based benchmarks, which shall be developed to assess all expenditures pursuant to such sourcing agreements covering electricity generated by clean coal facilities, other than the initial clean coal facility, by the procurement administrator, in consultation with the Commission staff, Agency staff, and the procurement monitor and shall be subject to Commission review and approval.

A utility party to a sourcing agreement shall immediately retire any emission credits that it receives in connection with the electricity covered by such agreement.

Utilities shall maintain adequate records documenting the purchases under the sourcing agreement to comply with this subsection (d) and shall file an accounting with the load forecast that must be filed with the Agency by July 15 of each year, in accordance with subsection (d) of Section 16-111.5 of the Public Utilities Act.

A utility shall be deemed to have complied with the clean coal portfolio standard specified in this subsection (d) if the utility enters into a sourcing agreement as required by this subsection (d).

(2) For purposes of this subsection (d), the required execution of sourcing agreements with the initial clean coal facility for a particular year shall be measured as a percentage of the actual amount of electricity (megawatt-hours) supplied by the electric utility to eligible retail customers in the planning year ending

New matter indicated by italics - deletions by strikeout
immediately prior to the agreement's execution. For purposes of this subsection (d), the amount paid per kilowatthour means the total amount paid for electric service expressed on a per kilowatthour basis. For purposes of this subsection (d), the total amount paid for electric service includes without limitation amounts paid for supply, transmission, distribution, surcharges and add-on taxes.

Notwithstanding the requirements of this subsection (d), the total amount paid under sourcing agreements with clean coal facilities pursuant to the procurement plan for any given year shall be reduced by an amount necessary to limit the annual estimated average net increase due to the costs of these resources included in the amounts paid by eligible retail customers in connection with electric service to:

(A) in 2010, no more than 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009;

(B) in 2011, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2010 or 1% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009;

(C) in 2012, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2011 or 1.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009;

(D) in 2013, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2012 or 2% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009; and

(E) thereafter, the total amount paid under sourcing agreements with clean coal facilities pursuant to the procurement plan for any single year shall be reduced by an amount necessary to limit the estimated average net increase due to the cost of these resources included in the amounts paid by eligible retail customers in connection with electric service to no more than the greater of (i)

2.015% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009 or (ii) the incremental amount per kilowatthour paid for these resources in 2013. These requirements may be altered only as provided by statute.

No later than June 30, 2015, the Commission shall review the limitation on the total amount paid under sourcing agreements, if any, with clean coal facilities pursuant to this subsection (d) and report to the General Assembly its findings as to whether that limitation unduly constrains the amount of electricity generated by cost-effective clean coal facilities that is covered by sourcing agreements.

(3) Initial clean coal facility. In order to promote development of clean coal facilities in Illinois, each electric utility subject to this Section shall execute a sourcing agreement to source electricity from a proposed clean coal facility in Illinois (the "initial clean coal facility") that will have a nameplate capacity of at least 500 MW when commercial operation commences, that has a final Clean Air Act permit on June 1, 2009 (the effective date of Public Act 95-1027), and that will meet the definition of clean coal facility in Section 1-10 of this Act when commercial operation commences. The sourcing agreements with this initial clean coal facility shall be subject to both approval of the initial clean coal facility by the General Assembly and satisfaction of the requirements of paragraph (4) of this subsection (d) and shall be executed within 90 days after any such approval by the General Assembly. The Agency and the Commission shall have authority to inspect all books and records associated with the initial clean coal facility during the term of such a sourcing agreement. A utility's sourcing agreement for electricity produced by the initial clean coal facility shall include:

(A) a formula contractual price (the "contract price") approved pursuant to paragraph (4) of this subsection (d), which shall:

(i) be determined using a cost of service methodology employing either a level or deferred capital recovery component, based on a capital structure consisting of 45% equity and 55% debt, and a return on equity as may be approved by the

Federal Energy Regulatory Commission, which in any case may not exceed the lower of 11.5% or the rate of return approved by the General Assembly pursuant to paragraph (4) of this subsection (d); and

(ii) provide that all miscellaneous net revenue, including but not limited to net revenue from the sale of emission allowances, if any, substitute natural gas, if any, grants or other support provided by the State of Illinois or the United States Government, firm transmission rights, if any, by-products produced by the facility, energy or capacity derived from the facility and not covered by a sourcing agreement pursuant to paragraph (3) of this subsection (d) or item (5) of subsection (d) of Section 16-115 of the Public Utilities Act, whether generated from the synthesis gas derived from coal, from SNG, or from natural gas, shall be credited against the revenue requirement for this initial clean coal facility;

(B) power purchase provisions, which shall:

(i) provide that the utility party to such sourcing agreement shall pay the contract price for electricity delivered under such sourcing agreement;

(ii) require delivery of electricity to the regional transmission organization market of the utility that is party to such sourcing agreement;

(iii) require the utility party to such sourcing agreement to buy from the initial clean coal facility in each hour an amount of energy equal to all clean coal energy made available from the initial clean coal facility during such hour times a fraction, the numerator of which is such utility's retail market sales of electricity (expressed in kilowatthours sold) in the State during the prior calendar month and the denominator of which is the total retail market sales of electricity (expressed in kilowatthours sold) in the State by utilities during such prior month and the sales of electricity (expressed in kilowatthours sold) in the State by alternative retail electric

suppliers during such prior month that are subject to the requirements of this subsection (d) and paragraph (5) of subsection (d) of Section 16-115 of the Public Utilities Act, provided that the amount purchased by the utility in any year will be limited by paragraph (2) of this subsection (d); and

(iv) be considered pre-existing contracts in such utility's procurement plans for eligible retail customers;

(C) contract for differences provisions, which shall:

(i) require the utility party to such sourcing agreement to contract with the initial clean coal facility in each hour with respect to an amount of energy equal to all clean coal energy made available from the initial clean coal facility during such hour times a fraction, the numerator of which is such utility's retail market sales of electricity (expressed in kilowatthours sold) in the utility's service territory in the State during the prior calendar month and the denominator of which is the total retail market sales of electricity (expressed in kilowatthours sold) in the State by utilities during such prior month and the sales of electricity (expressed in kilowatthours sold) in the State by alternative retail electric suppliers during such prior month that are subject to the requirements of this subsection (d) and paragraph (5) of subsection (d) of Section 16-115 of the Public Utilities Act, provided that the amount paid by the utility in any year will be limited by paragraph (2) of this subsection (d);

(ii) provide that the utility's payment obligation in respect of the quantity of electricity determined pursuant to the preceding clause (i) shall be limited to an amount equal to (1) the difference between the contract price determined pursuant to subparagraph (A) of paragraph (3) of this subsection (d) and the day-ahead price for electricity delivered to the regional transmission organization market of the utility that is party to such sourcing agreement

(or any successor delivery point at which such utility's supply obligations are financially settled on an hourly basis) (the "reference price") on the day preceding the day on which the electricity is delivered to the initial clean coal facility busbar, multiplied by (2) the quantity of electricity determined pursuant to the preceding clause (i); and

(iii) not require the utility to take physical delivery of the electricity produced by the facility;

(D) general provisions, which shall:

(i) specify a term of no more than 30 years, commencing on the commercial operation date of the facility;

(ii) provide that utilities shall maintain adequate records documenting purchases under the sourcing agreements entered into to comply with this subsection (d) and shall file an accounting with the load forecast that must be filed with the Agency by July 15 of each year, in accordance with subsection (d) of Section 16-111.5 of the Public Utilities Act;

(iii) provide that all costs associated with the initial clean coal facility will be periodically reported to the Federal Energy Regulatory Commission and to purchasers in accordance with applicable laws governing cost-based wholesale power contracts;

(iv) permit the Illinois Power Agency to assume ownership of the initial clean coal facility, without monetary consideration and otherwise on reasonable terms acceptable to the Agency, if the Agency so requests no less than 3 years prior to the end of the stated contract term;

(v) require the owner of the initial clean coal facility to provide documentation to the Commission each year, starting in the facility's first year of commercial operation, accurately reporting the quantity of carbon emissions from the facility that have been captured and sequestered and report

New matter indicated by italics - deletions by strikeout
any quantities of carbon released from the site or sites at which carbon emissions were sequestered in prior years, based on continuous monitoring of such sites. If, in any year after the first year of commercial operation, the owner of the facility fails to demonstrate that the initial clean coal facility captured and sequestered at least 50% of the total carbon emissions that the facility would otherwise emit or that sequestration of emissions from prior years has failed, resulting in the release of carbon dioxide into the atmosphere, the owner of the facility must offset excess emissions. Any such carbon offsets must be permanent, additional, verifiable, real, located within the State of Illinois, and legally and practicably enforceable. The cost of such offsets for the facility that are not recoverable shall not exceed $15 million in any given year. No costs of any such purchases of carbon offsets may be recovered from a utility or its customers. All carbon offsets purchased for this purpose and any carbon emission credits associated with sequestration of carbon from the facility must be permanently retired. The initial clean coal facility shall not forfeit its designation as a clean coal facility if the facility fails to fully comply with the applicable carbon sequestration requirements in any given year, provided the requisite offsets are purchased. However, the Attorney General, on behalf of the People of the State of Illinois, may specifically enforce the facility's sequestration requirement and the other terms of this contract provision. Compliance with the sequestration requirements and offset purchase requirements specified in paragraph (3) of this subsection (d) shall be reviewed annually by an independent expert retained by the owner of the initial clean coal facility, with the advance written approval of the Attorney General. The Commission may, in the course of the review specified in item (vii), reduce

New matter indicated by italics - deletions by strikeout
the allowable return on equity for the facility if the facility willfully fails to comply with the carbon capture and sequestration requirements set forth in this item (v);

(vi) include limits on, and accordingly provide for modification of, the amount the utility is required to source under the sourcing agreement consistent with paragraph (2) of this subsection (d);

(vii) require Commission review: (1) to determine the justness, reasonableness, and prudence of the inputs to the formula referenced in subparagraphs (A)(i) through (A)(iii) of paragraph (3) of this subsection (d), prior to an adjustment in those inputs including, without limitation, the capital structure and return on equity, fuel costs, and other operations and maintenance costs and (2) to approve the costs to be passed through to customers under the sourcing agreement by which the utility satisfies its statutory obligations. Commission review shall occur no less than every 3 years, regardless of whether any adjustments have been proposed, and shall be completed within 9 months;

(viii) limit the utility's obligation to such amount as the utility is allowed to recover through tariffs filed with the Commission, provided that neither the clean coal facility nor the utility waives any right to assert federal pre-emption or any other argument in response to a purported disallowance of recovery costs;

(ix) limit the utility's or alternative retail electric supplier's obligation to incur any liability until such time as the facility is in commercial operation and generating power and energy and such power and energy is being delivered to the facility busbar;

(x) provide that the owner or owners of the initial clean coal facility, which is the counterparty to such sourcing agreement, shall have the right from time to time to elect whether the obligations of

New matter indicated by italics - deletions by strikeout
the utility party thereto shall be governed by the power purchase provisions or the contract for differences provisions;

(xii) provide that any changes to the terms of the contract, insofar as such changes relate to the power purchase provisions, are subject to review under the public interest standard applied by the Federal Energy Regulatory Commission pursuant to Sections 205 and 206 of the Federal Power Act; and

(xiii) conform with customary lender requirements in power purchase agreements used as the basis for financing non-utility generators.

(4) Effective date of sourcing agreements with the initial clean coal facility. Any proposed sourcing agreement with the initial clean coal facility shall not become effective unless the following reports are prepared and submitted and authorizations and approvals obtained:

(i) Facility cost report. The owner of the initial clean coal facility shall submit to the Commission, the Agency, and the General Assembly a front-end engineering and design study, a facility cost report, method of financing (including but not limited to structure and associated costs), and an operating and maintenance cost quote for the facility (collectively "facility cost report"), which shall be prepared in accordance with the requirements of this paragraph (4) of subsection (d) of this Section, and shall provide the Commission and the Agency access to the work papers, relied upon documents, and any other backup documentation related to the facility cost report.

(ii) Commission report. Within 6 months following receipt of the facility cost report, the Commission, in consultation with the Agency, shall submit a report to the General Assembly setting forth its analysis of the facility cost report. Such report shall include, but not be limited to,
a comparison of the costs associated with electricity generated by the initial clean coal facility to the costs associated with electricity generated by other types of generation facilities, an analysis of the rate impacts on residential and small business customers over the life of the sourcing agreements, and an analysis of the likelihood that the initial clean coal facility will commence commercial operation by and be delivering power to the facility's busbar by 2016. To assist in the preparation of its report, the Commission, in consultation with the Agency, may hire one or more experts or consultants, the costs of which shall be paid for by the owner of the initial clean coal facility. The Commission and Agency may begin the process of selecting such experts or consultants prior to receipt of the facility cost report.

(iii) General Assembly approval. The proposed sourcing agreements shall not take effect unless, based on the facility cost report and the Commission's report, the General Assembly enacts authorizing legislation approving (A) the projected price, stated in cents per kilowatt-hour, to be charged for electricity generated by the initial clean coal facility, (B) the projected impact on residential and small business customers' bills over the life of the sourcing agreements, and (C) the maximum allowable return on equity for the project; and

(iv) Commission review. If the General Assembly enacts authorizing legislation pursuant to subparagraph (iii) approving a sourcing agreement, the Commission shall, within 90 days of such enactment, complete a review of such sourcing agreement. During such time period, the Commission shall implement any directive of the General Assembly, resolve any disputes between the parties to the sourcing agreement concerning the terms of such agreement, approve the form of such agreement, and issue an order finding that the sourcing agreement is prudent and reasonable.

The facility cost report shall be prepared as follows:

(A) The facility cost report shall be prepared by duly licensed engineering and construction firms detailing the
estimated capital costs payable to one or more contractors or suppliers for the engineering, procurement and construction of the components comprising the initial clean coal facility and the estimated costs of operation and maintenance of the facility. The facility cost report shall include:

(i) an estimate of the capital cost of the core plant based on one or more front end engineering and design studies for the gasification island and related facilities. The core plant shall include all civil, structural, mechanical, electrical, control, and safety systems.

(ii) an estimate of the capital cost of the balance of the plant, including any capital costs associated with sequestration of carbon dioxide emissions and all interconnects and interfaces required to operate the facility, such as transmission of electricity, construction or backfeed power supply, pipelines to transport substitute natural gas or carbon dioxide, potable water supply, natural gas supply, water supply, water discharge, landfill, access roads, and coal delivery.

The quoted construction costs shall be expressed in nominal dollars as of the date that the quote is prepared and shall include capitalized financing costs during construction, taxes, insurance, and other owner's costs, and an assumed escalation in materials and labor beyond the date as of which the construction cost quote is expressed.

(B) The front end engineering and design study for the gasification island and the cost study for the balance of plant shall include sufficient design work to permit quantification of major categories of materials, commodities and labor hours, and receipt of quotes from vendors of major equipment required to construct and operate the clean coal facility.

(C) The facility cost report shall also include an operating and maintenance cost quote that will provide the estimated cost of delivered fuel, personnel, maintenance contracts, chemicals, catalysts, consumables, spares, and
other fixed and variable operations and maintenance costs. The delivered fuel cost estimate will be provided by a recognized third party expert or experts in the fuel and transportation industries. The balance of the operating and maintenance cost quote, excluding delivered fuel costs, will be developed based on the inputs provided by duly licensed engineering and construction firms performing the construction cost quote, potential vendors under long-term service agreements and plant operating agreements, or recognized third party plant operator or operators.

The operating and maintenance cost quote (including the cost of the front end engineering and design study) shall be expressed in nominal dollars as of the date that the quote is prepared and shall include taxes, insurance, and other owner's costs, and an assumed escalation in materials and labor beyond the date as of which the operating and maintenance cost quote is expressed.

(D) The facility cost report shall also include an analysis of the initial clean coal facility's ability to deliver power and energy into the applicable regional transmission organization markets and an analysis of the expected capacity factor for the initial clean coal facility.

(E) Amounts paid to third parties unrelated to the owner or owners of the initial clean coal facility to prepare the core plant construction cost quote, including the front end engineering and design study, and the operating and maintenance cost quote will be reimbursed through Coal Development Bonds.

(5) Re-powering and retrofitting coal-fired power plants previously owned by Illinois utilities to qualify as clean coal facilities. During the 2009 procurement planning process and thereafter, the Agency and the Commission shall consider sourcing agreements covering electricity generated by power plants that were previously owned by Illinois utilities and that have been or will be converted into clean coal facilities, as defined by Section 1-10 of this Act. Pursuant to such procurement planning process, the owners of such facilities may propose to the Agency sourcing agreements with utilities and alternative retail electric suppliers required to comply with subsection (d) of this Section and item (5)

New matter indicated by italics - deletions by strikeout
of subsection (d) of Section 16-115 of the Public Utilities Act, covering electricity generated by such facilities. In the case of sourcing agreements that are power purchase agreements, the contract price for electricity sales shall be established on a cost of service basis. In the case of sourcing agreements that are contracts for differences, the contract price from which the reference price is subtracted shall be established on a cost of service basis. The Agency and the Commission may approve any such utility sourcing agreements that do not exceed cost-based benchmarks developed by the procurement administrator, in consultation with the Commission staff, Agency staff and the procurement monitor, subject to Commission review and approval. The Commission shall have authority to inspect all books and records associated with these clean coal facilities during the term of any such contract.

(6) Costs incurred under this subsection (d) or pursuant to a contract entered into under this subsection (d) shall be deemed prudently incurred and reasonable in amount and the electric utility shall be entitled to full cost recovery pursuant to the tariffs filed with the Commission.

(d-5) Zero emission standard.

(1) Beginning with the delivery year commencing on June 1, 2017, the Agency shall, for electric utilities that serve at least 100,000 retail customers in this State, procure contracts with zero emission facilities that are reasonably capable of generating cost-effective zero emission credits in an amount approximately equal to 16% of the actual amount of electricity delivered by each electric utility to retail customers in the State during calendar year 2014. For an electric utility serving fewer than 100,000 retail customers in this State that requested, under Section 16-111.5 of the Public Utilities Act, that the Agency procure power and energy for all or a portion of the utility’s Illinois load for the delivery year commencing June 1, 2016, the Agency shall procure contracts with zero emission facilities that are reasonably capable of generating cost-effective zero emission credits in an amount approximately equal to 16% of the portion of power and energy to be procured by the Agency for the utility. The duration of the contracts procured under this subsection (d-5) shall be for a term of 10 years ending May 31, 2027. The quantity of zero emission credits to be procured under the contracts shall be all of the zero emission credits
generated by the zero emission facility in each delivery year; however, if the zero emission facility is owned by more than one entity, then the quantity of zero emission credits to be procured under the contracts shall be the amount of zero emission credits that are generated from the portion of the zero emission facility that is owned by the winning supplier.

The 16% value identified in this paragraph (1) is the average of the percentage targets in subparagraph (B) of paragraph (1) of subsection (c) of this Section 1-75 of this Act for the 5 delivery years beginning June 1, 2017.

The procurement process shall be subject to the following provisions:

(A) Those zero emission facilities that intend to participate in the procurement shall submit to the Agency the following eligibility information for each zero emission facility on or before the date established by the Agency:

(i) the in-service date and remaining useful life of the zero emission facility;

(ii) the amount of power generated annually for each of the years 2005 through 2015, and the projected zero emission credits to be generated over the remaining useful life of the zero emission facility, which shall be used to determine the capability of each facility;

(iii) the annual zero emission facility cost projections, expressed on a per megawatthour basis, over the next 6 delivery years, which shall include the following: operation and maintenance expenses; fully allocated overhead costs, which shall be allocated using the methodology developed by the Institute for Nuclear Power Operations; fuel expenditures; non-fuel capital expenditures; spent fuel expenditures; a return on working capital; the cost of operational and market risks that could be avoided by ceasing operation; and any other costs necessary for continued operations, provided that "necessary" means, for purposes of this item (iii), that the costs could reasonably be avoided only by ceasing operations of the zero emission facility; and

New matter indicated by italics - deletions by strikeout
(iv) a commitment to continue operating, for the duration of the contract or contracts executed under the procurement held under this subsection (d-5), the zero emission facility that produces the zero emission credits to be procured in the procurement.

The information described in item (iii) of this subparagraph (A) may be submitted on a confidential basis and shall be treated and maintained by the Agency, the procurement administrator, and the Commission as confidential and proprietary and exempt from disclosure under subparagraphs (a) and (g) of paragraph (1) of Section 7 of the Freedom of Information Act. The Office of Attorney General shall have access to, and maintain the confidentiality of, such information pursuant to Section 6.5 of the Attorney General Act.

(B) The price for each zero emission credit procured under this subsection (d-5) for each delivery year shall be in an amount that equals the Social Cost of Carbon, expressed on a price per megawatthour basis. However, to ensure that the procurement remains affordable to retail customers in this State if electricity prices increase, the price in an applicable delivery year shall be reduced below the Social Cost of Carbon by the amount ("Price Adjustment") by which the market price index for the applicable delivery year exceeds the baseline market price index for the consecutive 12-month period ending May 31, 2016. If the Price Adjustment is greater than or equal to the Social Cost of Carbon in an applicable delivery year, then no payments shall be due in that delivery year. The components of this calculation are defined as follows:

(i) Social Cost of Carbon: The Social Cost of Carbon is $16.50 per megawatthour, which is based on the U.S. Interagency Working Group on Social Cost of Carbon's price in the August 2016 Technical Update using a 3% discount rate, adjusted for inflation for each year of the program. Beginning with the delivery year commencing June 1, 2023, the price per megawatthour shall increase

New matter indicated by italics - deletions by strikeout
by $1 per megawatthour, and continue to increase by an additional $1 per megawatthour each delivery year thereafter.

(ii) Baseline market price index: The baseline market price index for the consecutive 12-month period ending May 31, 2016 is $31.40 per megawatthour, which is based on the sum of (aa) the average day-ahead energy price across all hours of such 12-month period at the PJM Interconnection LLC Northern Illinois Hub, (bb) 50% multiplied by the Base Residual Auction, or its successor, capacity price for the rest of the RTO zone group determined by PJM Interconnection LLC, divided by 24 hours per day, and (cc) 50% multiplied by the Planning Resource Auction, or its successor, capacity price for Zone 4 determined by the Midcontinent Independent System Operator, Inc., divided by 24 hours per day.

(iii) Market price index: The market price index for a delivery year shall be the sum of projected energy prices and projected capacity prices determined as follows:

(aa) Projected energy prices: the projected energy prices for the applicable delivery year shall be calculated once for the year using the forward market price for the PJM Interconnection, LLC Northern Illinois Hub. The forward market price shall be calculated as follows: the energy forward prices for each month of the applicable delivery year averaged for each trade date during the calendar year immediately preceding that delivery year to produce a single energy forward price for the delivery year. The forward market price calculation shall use data published by the Intercontinental Exchange, or its successor.

(bb) Projected capacity prices:

New matter indicated by italics - deletions by strikeout
(I) For the delivery years commencing June 1, 2017, June 1, 2018, and June 1, 2019, the projected capacity price shall be equal to the sum of (1) 50% multiplied by the Base Residual Auction, or its successor, price for the rest of the RTO zone group as determined by PJM Interconnection LLC, divided by 24 hours per day and, (2) 50% multiplied by the resource auction price determined in the resource auction administered by the Midcontinent Independent System Operator, Inc., in which the largest percentage of load cleared for Local Resource Zone 4, divided by 24 hours per day, and where such price is determined by the Midcontinent Independent System Operator, Inc.

(II) For the delivery year commencing June 1, 2020, and each year thereafter, the projected capacity price shall be equal to the sum of (1) 50% multiplied by the Base Residual Auction, or its successor, price for the ComEd zone as determined by PJM Interconnection LLC, divided by 24 hours per day, and (2) 50% multiplied by the resource auction price determined in the resource auction administered by the Midcontinent Independent System Operator, Inc., in which the largest percentage of load cleared for Local Resource Zone 4, divided by 24 hours per day, and where such price is determined by the Midcontinent Independent System Operator, Inc.

For purposes of this subsection (d-5):

"Rest of the RTO" and "ComEd Zone" shall have the meaning ascribed to them by PJM Interconnection, LLC.

"RTO" means regional transmission organization.

(C) No later than 45 days after June 1, 2017 (the effective date of Public Act 99-906), the Agency shall publish its proposed zero emission standard procurement plan. The plan shall be consistent with the provisions of this paragraph (1) and shall provide that winning bids shall be selected based on public interest criteria that include, but are not limited to, minimizing carbon dioxide emissions that result from electricity consumed in Illinois and minimizing sulfur dioxide, nitrogen oxide, and particulate matter emissions that adversely affect the citizens of this State. In particular, the selection of winning bids shall take into account the incremental environmental benefits resulting from the procurement, such as any existing environmental benefits that are preserved by the procurements held under Public Act 99-906 and would cease to exist if the procurements were not held, including the preservation of zero emission facilities. The plan shall also describe in detail how each public interest factor shall be considered and weighted in the bid selection process to ensure that the public interest criteria are applied to the procurement and given full effect.

For purposes of developing the plan, the Agency shall consider any reports issued by a State agency, board, or commission under House Resolution 1146 of the 98th General Assembly and paragraph (4) of subsection (d) of Section 1-75 of this Act, as well as publicly available analyses and studies performed by or for regional transmission organizations that serve the State and their independent market monitors.

Upon publishing of the zero emission standard procurement plan, copies of the plan shall be posted and made publicly available on the Agency's website. All interested parties shall have 10 days following the date of

New matter indicated by italics - deletions by strikeout
posting to provide comment to the Agency on the plan. All comments shall be posted to the Agency's website. Following the end of the comment period, but no more than 60 days later than June 1, 2017 (the effective date of Public Act 99-906), the Agency shall revise the plan as necessary based on the comments received and file its zero emission standard procurement plan with the Commission.

If the Commission determines that the plan will result in the procurement of cost-effective zero emission credits, then the Commission shall, after notice and hearing, but no later than 45 days after the Agency filed the plan, approve the plan or approve with modification. For purposes of this subsection (d-5), "cost effective" means the projected costs of procuring zero emission credits from zero emission facilities do not cause the limit stated in paragraph (2) of this subsection to be exceeded.

(C-5) As part of the Commission's review and acceptance or rejection of the procurement results, the Commission shall, in its public notice of successful bidders:

(i) identify how the winning bids satisfy the public interest criteria described in subparagraph (C) of this paragraph (1) of minimizing carbon dioxide emissions that result from electricity consumed in Illinois and minimizing sulfur dioxide, nitrogen oxide, and particulate matter emissions that adversely affect the citizens of this State;

(ii) specifically address how the selection of winning bids takes into account the incremental environmental benefits resulting from the procurement, including any existing environmental benefits that are preserved by the procurements held under Public Act 99-906 and would have ceased to exist if the procurements had not been held, such as the preservation of zero emission facilities;

(iii) quantify the environmental benefit of preserving the resources identified in item (ii) of this subparagraph (C-5), including the following:

New matter indicated by italics - deletions by strikeout
(aa) the value of avoided greenhouse gas emissions measured as the product of the zero emission facilities' output over the contract term multiplied by the U.S. Environmental Protection Agency eGrid subregion carbon dioxide emission rate and the U.S. Interagency Working Group on Social Cost of Carbon's price in the August 2016 Technical Update using a 3% discount rate, adjusted for inflation for each delivery year; and

(bb) the costs of replacement with other zero carbon dioxide resources, including wind and photovoltaic, based upon the simple average of the following:

(I) the price, or if there is more than one price, the average of the prices, paid for renewable energy credits from new utility-scale wind projects in the procurement events specified in item (i) of subparagraph (G) of paragraph (1) of subsection (c) of this Section 1-75 of this Act; and

(II) the price, or if there is more than one price, the average of the prices, paid for renewable energy credits from new utility-scale solar projects and brownfield site photovoltaic projects in the procurement events specified in item (ii) of subparagraph (G) of paragraph (1) of subsection (c) of this Section 1-75 of this Act and, after January 1, 2015, renewable energy credits from photovoltaic distributed generation projects in procurement events held under subsection (c) of this Section 1-75 of this Act.
Each utility shall enter into binding contractual arrangements with the winning suppliers.

The procurement described in this subsection (d-5), including, but not limited to, the execution of all contracts procured, shall be completed no later than May 10, 2017. Based on the effective date of Public Act 99-906, the Agency and Commission may, as appropriate, modify the various dates and timelines under this subparagraph and subparagraphs (C) and (D) of this paragraph (1). The procurement and plan approval processes required by this subsection (d-5) shall be conducted in conjunction with the procurement and plan approval processes required by subsection (c) of this Section and Section 16-111.5 of the Public Utilities Act, to the extent practicable. Notwithstanding whether a procurement event is conducted under Section 16-111.5 of the Public Utilities Act, the Agency shall immediately initiate a procurement process on June 1, 2017 (the effective date of Public Act 99-906).

(D) Following the procurement event described in this paragraph (1) and consistent with subparagraph (B) of this paragraph (1), the Agency shall calculate the payments to be made under each contract for the next delivery year based on the market price index for that delivery year. The Agency shall publish the payment calculations no later than May 25, 2017 and every May 25 thereafter.

(E) Notwithstanding the requirements of this subsection (d-5), the contracts executed under this subsection (d-5) shall provide that the zero emission facility may, as applicable, suspend or terminate performance under the contracts in the following instances:

(i) A zero emission facility shall be excused from its performance under the contract for any cause beyond the control of the resource, including, but not restricted to, acts of God, flood, drought, earthquake, storm, fire, lightning, epidemic, war, riot, civil disturbance or disobedience, labor dispute, labor or material shortage, sabotage, acts of public enemy, explosions, orders, regulations or restrictions imposed by governmental, military, or
lawfully established civilian authorities, which, in any of the foregoing cases, by exercise of commercially reasonable efforts the zero emission facility could not reasonably have been expected to avoid, and which, by the exercise of commercially reasonable efforts, it has been unable to overcome. In such event, the zero emission facility shall be excused from performance for the duration of the event, including, but not limited to, delivery of zero emission credits, and no payment shall be due to the zero emission facility during the duration of the event.

(ii) A zero emission facility shall be permitted to terminate the contract if legislation is enacted into law by the General Assembly that imposes or authorizes a new tax, special assessment, or fee on the generation of electricity, the ownership or leasehold of a generating unit, or the privilege or occupation of such generation, ownership, or leasehold of generation units by a zero emission facility. However, the provisions of this item (ii) do not apply to any generally applicable tax, special assessment or fee, or requirements imposed by federal law.

(iii) A zero emission facility shall be permitted to terminate the contract in the event that the resource requires capital expenditures in excess of $40,000,000 that were neither known nor reasonably foreseeable at the time it executed the contract and that a prudent owner or operator of such resource would not undertake.

(iv) A zero emission facility shall be permitted to terminate the contract in the event the Nuclear Regulatory Commission terminates the resource's license.

(F) If the zero emission facility elects to terminate a contract under this subparagraph (E) ; of this paragraph (1), then the Commission shall reopen the docket in which the Commission approved the zero emission standard

procurement plan under subparagraph (C) of this paragraph (1) and, after notice and hearing, enter an order acknowledging the contract termination election if such termination is consistent with the provisions of this subsection (d-5).

(2) For purposes of this subsection (d-5), the amount paid per kilowatthour means the total amount paid for electric service expressed on a per kilowatthour basis. For purposes of this subsection (d-5), the total amount paid for electric service includes, without limitation, amounts paid for supply, transmission, distribution, surcharges, and add-on taxes.

Notwithstanding the requirements of this subsection (d-5), the contracts executed under this subsection (d-5) shall provide that the total of zero emission credits procured under a procurement plan shall be subject to the limitations of this paragraph (2). For each delivery year, the contractual volume receiving payments in such year shall be reduced for all retail customers based on the amount necessary to limit the net increase that delivery year to the costs of those credits included in the amounts paid by eligible retail customers in connection with electric service to no more than 1.65% of the amount paid per kilowatthour by eligible retail customers during the year ending May 31, 2009. The result of this computation shall apply to and reduce the procurement for all retail customers, and all those customers shall pay the same single, uniform cents per kilowatthour charge under subsection (k) of Section 16-108 of the Public Utilities Act. To arrive at a maximum dollar amount of zero emission credits to be paid for the particular delivery year, the resulting per kilowatthour amount shall be applied to the actual amount of kilowatthours of electricity delivered by the electric utility in the delivery year immediately prior to the procurement, to all retail customers in its service territory. Unpaid contractual volume for any delivery year shall be paid in any subsequent delivery year in which such payments can be made without exceeding the amount specified in this paragraph (2). The calculations required by this paragraph (2) shall be made only once for each procurement plan year. Once the determination as to the amount of zero emission credits to be paid is made based on the calculations set forth in this paragraph (2), no subsequent rate impact determinations shall be made and no adjustments to

those contract amounts shall be allowed. All costs incurred under those contracts and in implementing this subsection (d-5) shall be recovered by the electric utility as provided in this Section.

No later than June 30, 2019, the Commission shall review the limitation on the amount of zero emission credits procured under this subsection (d-5) and report to the General Assembly its findings as to whether that limitation unduly constrains the procurement of cost-effective zero emission credits.

(3) Six years after the execution of a contract under this subsection (d-5), the Agency shall determine whether the actual zero emission credit payments received by the supplier over the 6-year period exceed the Average ZEC Payment. In addition, at the end of the term of a contract executed under this subsection (d-5), or at the time, if any, a zero emission facility's contract is terminated under subparagraph (E) of paragraph (1) of this subsection (d-5), then the Agency shall determine whether the actual zero emission credit payments received by the supplier over the term of the contract exceed the Average ZEC Payment, after taking into account any amounts previously credited back to the utility under this paragraph (3). If the Agency determines that the actual zero emission credit payments received by the supplier over the relevant period exceed the Average ZEC Payment, then the supplier shall credit the difference back to the utility. The amount of the credit shall be remitted to the applicable electric utility no later than 120 days after the Agency's determination, which the utility shall reflect as a credit on its retail customer bills as soon as practicable; however, the credit remitted to the utility shall not exceed the total amount of payments received by the facility under its contract.

For purposes of this Section, the Average ZEC Payment shall be calculated by multiplying the quantity of zero emission credits delivered under the contract times the average contract price. The average contract price shall be determined by subtracting the amount calculated under subparagraph (B) of this paragraph (3) from the amount calculated under subparagraph (A) of this paragraph (3), as follows:

(A) The average of the Social Cost of Carbon, as defined in subparagraph (B) of paragraph (1) of this subsection (d-5), during the term of the contract.
(B) The average of the market price indices, as defined in subparagraph (B) of paragraph (1) of this subsection (d-5), during the term of the contract, minus the baseline market price index, as defined in subparagraph (B) of paragraph (1) of this subsection (d-5). If the subtraction yields a negative number, then the Average ZEC Payment shall be zero.

(4) Cost-effective zero emission credits procured from zero emission facilities shall satisfy the applicable definitions set forth in Section 1-10 of this Act.

(5) The electric utility shall retire all zero emission credits used to comply with the requirements of this subsection (d-5).

(6) Electric utilities shall be entitled to recover all of the costs associated with the procurement of zero emission credits through an automatic adjustment clause tariff in accordance with subsection (k) and (m) of Section 16-108 of the Public Utilities Act, and the contracts executed under this subsection (d-5) shall provide that the utilities' payment obligations under such contracts shall be reduced if an adjustment is required under subsection (m) of Section 16-108 of the Public Utilities Act.

(7) This subsection (d-5) shall become inoperative on January 1, 2028.

(e) The draft procurement plans are subject to public comment, as required by Section 16-111.5 of the Public Utilities Act.

(f) The Agency shall submit the final procurement plan to the Commission. The Agency shall revise a procurement plan if the Commission determines that it does not meet the standards set forth in Section 16-111.5 of the Public Utilities Act.

(g) The Agency shall assess fees to each affected utility to recover the costs incurred in preparation of the annual procurement plan for the utility.

(h) The Agency shall assess fees to each bidder to recover the costs incurred in connection with a competitive procurement process.

(i) A renewable energy credit, carbon emission credit, or zero emission credit can only be used once to comply with a single portfolio or other standard as set forth in subsection (c), subsection (d), or subsection (d-5) of this Section, respectively. A renewable energy credit, carbon emission credit, or zero emission credit cannot be used to satisfy the requirements of more than one standard. If more than one type of credit is
issued for the same megawatt hour of energy, only one credit can be used to satisfy the requirements of a single standard. After such use, the credit must be retired together with any other credits issued for the same megawatt hour of energy.

Section 5. The Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois is amended by changing Section 2310-220 as follows:

(20 ILCS 2310/2310-220) (was 20 ILCS 2310/55.73)
Sec. 2310-220. Findings; rural obstetrical care. The General Assembly finds that substantial areas of rural Illinois lack adequate access to obstetrical care. The primary cause of this problem is the absence of qualified practitioners who are willing to offer obstetrical services. Therefore, the Department, from funds appropriated for that purpose, shall award grants to physicians practicing obstetrics in rural designated shortage areas, as defined in Section 3.04 of the Underserved Physician Workforce Family Practice Residency Act, for the purpose of reimbursing those physicians for the costs of obtaining malpractice insurance relating to obstetrical services. The Department shall establish reasonable conditions, standards, and duties relating to the application for and receipt of the grants. (Source: P.A. 91-239, eff. 1-1-00.)

(755 ILCS 5/11-1) (from Ch. 110 1/2, par. 11-1)

"Administrative separation" means a parent's, legal guardian's, legal custodian's, or primary caretaker's: (1) arrest, detention, incarceration, removal, or deportation in connection with federal immigration enforcement; or (2) receipt of official communication by federal, State, or local authorities regarding immigration enforcement that gives reasonable notice that care and supervision of the child by the parent, legal guardian, legal custodian, or primary caretaker will be interrupted or cannot be provided.

(755 ILCS 5/11-5) (from Ch. 110 1/2, par. 11-5)
Sec. 11-5. Appointment of guardian.
(a) Upon the filing of a petition for the appointment of a guardian or on its own motion, the court may appoint a guardian of the estate or of both the person and estate, of a minor, or may appoint a guardian of the person only of a minor or minors, as the court finds to be in the best interest of the minor or minors.
(a-1) A parent, adoptive parent or adjudicated parent, whose parental rights have not been terminated, may designate in any writing, including a will, a person qualified to act under Section 11-3 to be appointed as guardian of the person or estate, or both, of an unmarried minor or of a child likely to be born. A parent, adoptive parent or adjudicated parent, whose parental rights have not been terminated, or a guardian or a standby guardian of an unmarried minor or of a child likely to be born may designate in any writing, including a will, a person qualified to act under Section 11-3 to be appointed as successor guardian

of the minor's person or estate, or both. The designation must be witnessed by 2 or more credible witnesses at least 18 years of age, neither of whom is the person designated as the guardian. The designation may be proved by any competent evidence. If the designation is executed and attested in the same manner as a will, it shall have prima facie validity. The designation of a guardian or successor guardian does not affect the rights of the other parent in the minor.

(b) The court lacks jurisdiction to proceed on a petition for the appointment of a guardian of a minor if it finds that (i) the minor has a living parent, adoptive parent or adjudicated parent, whose parental rights have not been terminated, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions concerning the minor, unless: (1) the parent or parents voluntarily relinquished physical custody of the minor; (2) after receiving notice of the hearing under Section 11-10.1, the parent or parents fail to object to the appointment at the hearing on the petition; or (3) the parent or parents consent to the appointment as evidenced by a written document that has been notarized and dated, or by a personal appearance and consent in open court; or (4) the parent or parents, due to an administrative separation, are unable to give consent to the appointment in person or by a notarized, written document as evidenced by a sworn affidavit submitted by the petitioner describing the parent's or parents' inability to receive notice or give consent; or (ii) there is a guardian for the minor appointed by a court of competent jurisdiction. There shall be a rebuttable presumption that a parent of a minor is willing and able to make and carry out day-to-day child care decisions concerning the minor, but the presumption may be rebutted by a preponderance of the evidence. If a short-term guardian has been appointed for the minor prior to the filing of the petition and the petitioner for guardianship is not the short-term guardian, there shall be a rebuttable presumption that it is in the best interest of the minor to remain in the care of the short-term guardian. The petitioner shall have the burden of proving by a preponderance of the evidence that it is not in the child's best interest to remain with the short-term guardian.

(b-1) If the court finds the appointment of a guardian of the minor to be in the best interest of the minor, and if a standby guardian has previously been appointed for the minor under Section 11-5.3, the court shall appoint the standby guardian as the guardian of the person or estate, or both, of the minor unless the court finds, upon good cause shown, that the appointment would no longer be in the best interest of the minor.

(c) If the minor is 14 years of age or more, the minor may nominate the guardian of the minor's person and estate, subject to approval of the court. If the minor's nominee is not approved by the court or if, after notice to the minor, the minor fails to nominate a guardian of the minor's person or estate, the court may appoint the guardian without nomination.

(d) The court shall not appoint as guardian of the person of the minor any person whom the court has determined had caused or substantially contributed to the minor becoming a neglected or abused minor as defined in the Juvenile Court Act of 1987, unless 2 years have elapsed since the last proven incident of abuse or neglect and the court determines that appointment of such person as guardian is in the best interests of the minor.

(e) Previous statements made by the minor relating to any allegations that the minor is an abused or neglected child within the meaning of the Abused and Neglected Child Reporting Act, or an abused or neglected minor within the meaning of the Juvenile Court Act of 1987, shall be admissible in evidence in a hearing concerning appointment of a guardian of the person or estate of the minor. No such statement, however, if uncorroborated and not subject to cross-examination, shall be sufficient in itself to support a finding of abuse or neglect.

Sec. 11-5.3. Appointment of standby guardian.

(a) A parent, adoptive parent, or adjudicated parent whose parental rights have not been terminated, or the guardian of the person of a minor may designate in any writing, including a will, a person qualified to act under Section 11-3 to be appointed as standby guardian of the person or estate, or both, of an unmarried minor or of a child likely to be born. A parent, adoptive parent, or adjudicated parent whose parental rights have not been terminated, or the guardian of the person of a minor or a standpoint guardian of an unmarried minor or of a child likely to be born may designate in any writing, including a will, a person qualified to act under Section 11-3 to be appointed as successor standby guardian of the minor's person or estate, or both. The designation must be witnessed by 2 or more credible witnesses at least 18 years of age, neither of whom is the person designated as the standby guardian. The designation may be proved by any competent evidence. If the designation is executed and attested in the same manner as a will, it shall have prima facie validity. The designation of a

standby guardian or successor standby guardian does not affect the rights of the other parent in the minor.

(b) Upon the filing of a petition for the appointment of a standby guardian, the court may appoint a standby guardian of the person or estate, or both, of a minor as the court finds to be in the best interest of the minor.

(c) The court lacks jurisdiction to proceed on a petition for the appointment of a standby guardian of a minor if the minor has a living parent, adoptive parent or adjudicated parent, whose parental rights have not been terminated, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions concerning the minor, unless the parent or parents: (1) consent to the appointment; (2) after receiving notice of the hearing under Section 11-10.1, fail to object to the appointment at the hearing on the petition; or (3) due to an administrative separation, are unable to give consent to the appointment in person or by a notarized, written document as evidenced by a sworn affidavit submitted by the petitioner describing the parent's or parents' inability to receive notice or give consent. There shall be a rebuttable presumption that a parent of a minor is willing and able to make and carry out day-to-day child care decisions concerning the minor, but the presumption may be rebutted by a preponderance of the evidence.

(d) The standby guardian shall take and file an oath or affirmation that the standby guardian will faithfully discharge the duties of the office of standby guardian according to law, and shall file in and have approved by the court a bond binding the standby guardian so to do, but shall not be required to file a bond until the standby guardian assumes all duties as guardian of the minor under Section 11-13.1.

(e) The designation of a standby guardian may, but need not, be in the following form:

Sec. 11-5.4. Short-term guardian.
(a) A parent, adoptive parent, or adjudicated parent whose parental rights have not been terminated, or the guardian of the person of a minor may appoint in writing, without court approval, a short-term guardian of an unmarried minor or a child likely to be born. The written instrument appointing a short-term guardian shall be dated and shall identify the appointing parent or guardian, the minor, and the person appointed to be the short-term guardian. The written instrument shall be signed by, or at the direction of, the appointing parent in the presence of at least 2 credible
witnesses at least 18 years of age, neither of whom is the person appointed as the short-term guardian. The person appointed as the short-term guardian shall also sign the written instrument, but need not sign at the same time as the appointing parent.

(b) A parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent, adoptive parent or adjudicated parent, whose parental rights have not been terminated, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions concerning the minor, unless the nonappointing parent consents to the appointment by signing the written instrument of appointment.

(c) The appointment of the short-term guardian is effective immediately upon the date the written instrument is executed, unless the written instrument provides for the appointment to become effective upon a later specified date or event. Except as provided in subsection (e-5) or (e-10) of this Section, the short-term guardian shall have authority to act as guardian of the minor as provided in Section 11-13.2 for a period of 365 days from the date the appointment is effective, unless the written instrument provides for the appointment to terminate upon a different specified date or event as permitted by this Section. Only one written instrument appointing a short-term guardian may be in force at any given time.

(d) Every appointment of a short-term guardian may be amended or revoked by the appointing parent or by the appointing guardian of the person of the minor at any time and in any manner communicated to the short-term guardian or to any other person. Any person other than the short-term guardian to whom a revocation or amendment is communicated or delivered shall make all reasonable efforts to inform the short-term guardian of that fact as promptly as possible.

(d-5) Except as provided in subsection (e-5) or (e-10), a short-term guardian appointed as the result of an administrative separation may renew a short-term guardianship for an additional 365 days from the date the initial appointment expires if the administrative separation is still in effect, unless the written instrument provides for the appointment to terminate upon a different date or event as permitted by this Section.

(e) The appointment of a short-term guardian or successor short-term guardian does not affect the rights of the other parent in the minor. The short-term guardian appointment does not constitute consent for court appointment of a guardian.

(g) The school district or school employee union or both may receive a portion of the grant money for expenses of supporting the work experiences of candidates and providing mentors for graduates. Notwithstanding the provisions of Section 10-20.15 of the School Code, school districts may also use these or other applicable public funds to pay participants in programs under the Initiative for student teaching required by an accredited teacher preparation program.

(i) Grant funds may also be expended to pay directly for required developmental classes for candidates beginning a program.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 14-8.02 as follows:

(105 ILCS 5/14-8.02) (from Ch. 122, par. 14-8.02)
Sec. 14-8.02. Identification, evaluation, and placement of children.

(a) The State Board of Education shall make rules under which local school boards shall determine the eligibility of children to receive special education. Such rules shall ensure that a free appropriate public education be available to all children with disabilities as defined in Section 14-1.02. The State Board of Education shall require local school districts to administer non-discriminatory procedures or tests to English learners coming from homes in which a language other than English is used to determine their eligibility to receive special education. The placement of low English proficiency students in special education programs and facilities shall be made in accordance with the test results reflecting the student's linguistic, cultural and special education needs. For purposes of determining the eligibility of children the State Board of Education shall include in the rules definitions of "case study", "staff conference", "individualized educational program", and "qualified specialist" appropriate to each category of children with disabilities as defined in this Article. For purposes of determining the eligibility of children from homes in which a language other than English is used, the State Board of Education shall include in the rules definitions for "qualified bilingual specialists" and "linguistically and culturally appropriate individualized educational programs". For purposes of this Section, as well as Sections 14-8.02a, 14-8.02b, and 14-8.02c of this Code, "parent" means a parent as defined in the federal Individuals with Disabilities Education Act (20 U.S.C. 1401(23)).

(b) No child shall be eligible for special education facilities except with a carefully completed case study fully reviewed by professional personnel in a multidisciplinary staff conference and only upon the recommendation of qualified specialists or a qualified bilingual specialist, if available. At the conclusion of the multidisciplinary staff conference, the parent of the child shall be given a copy of the multidisciplinary

conference summary report and recommendations, which includes options considered, and be informed of their right to obtain an independent educational evaluation if they disagree with the evaluation findings conducted or obtained by the school district. If the school district's evaluation is shown to be inappropriate, the school district shall reimburse the parent for the cost of the independent evaluation. The State Board of Education shall, with advice from the State Advisory Council on Education of Children with Disabilities on the inclusion of specific independent educational evaluators, prepare a list of suggested independent educational evaluators. The State Board of Education shall include on the list clinical psychologists licensed pursuant to the Clinical Psychologist Licensing Act. Such psychologists shall not be paid fees in excess of the amount that would be received by a school psychologist for performing the same services. The State Board of Education shall supply school districts with such list and make the list available to parents at their request. School districts shall make the list available to parents at the time they are informed of their right to obtain an independent educational evaluation. However, the school district may initiate an impartial due process hearing under this Section within 5 days of any written parent request for an independent educational evaluation to show that its evaluation is appropriate. If the final decision is that the evaluation is appropriate, the parent still has a right to an independent educational evaluation, but not at public expense. An independent educational evaluation at public expense must be completed within 30 days of a parent written request unless the school district initiates an impartial due process hearing or the parent or school district offers reasonable grounds to show that such 30 day time period should be extended. If the due process hearing decision indicates that the parent is entitled to an independent educational evaluation, it must be completed within 30 days of the decision unless the parent or the school district offers reasonable grounds to show that such 30 day period should be extended. If a parent disagrees with the summary report or recommendations of the multidisciplinary conference or the findings of any educational evaluation which results therefrom, the school district shall not proceed with a placement based upon such evaluation and the child shall remain in his or her regular classroom setting. No child shall be eligible for admission to a special class for children with a mental disability who are educable or for children with a mental disability who are trainable except with a psychological evaluation and recommendation by a school psychologist. Consent shall be
obtained from the parent of a child before any evaluation is conducted. If consent is not given by the parent or if the parent disagrees with the findings of the evaluation, then the school district may initiate an impartial due process hearing under this Section. The school district may evaluate the child if that is the decision resulting from the impartial due process hearing and the decision is not appealed or if the decision is affirmed on appeal. The determination of eligibility shall be made and the IEP meeting shall be completed within 60 school days from the date of written parental consent. In those instances when written parental consent is obtained with fewer than 60 pupil attendance days left in the school year, the eligibility determination shall be made and the IEP meeting shall be completed prior to the first day of the following school year. Special education and related services must be provided in accordance with the student's IEP no later than 10 school attendance days after notice is provided to the parents pursuant to Section 300.503 of Title 34 of the Code of Federal Regulations and implementing rules adopted by the State Board of Education. The appropriate program pursuant to the individualized educational program of students whose native tongue is a language other than English shall reflect the special education, cultural and linguistic needs. No later than September 1, 1993, the State Board of Education shall establish standards for the development, implementation and monitoring of appropriate bilingual special individualized educational programs. The State Board of Education shall further incorporate appropriate monitoring procedures to verify implementation of these standards. The district shall indicate to the parent and the State Board of Education the nature of the services the child will receive for the regular school term while waiting placement in the appropriate special education class. At the child's initial IEP meeting and at each annual review meeting, the child's IEP team shall provide the child's parent or guardian with a written notification that informs the parent or guardian that the IEP team is required to consider whether the child requires assistive technology in order to receive free, appropriate public education. The notification must also include a toll-free telephone number and internet address for the State's assistive technology program.

If the child is deaf, hard of hearing, blind, or visually impaired and he or she might be eligible to receive services from the Illinois School for the Deaf or the Illinois School for the Visually Impaired, the school district shall notify the parents, in writing, of the existence of these schools and the services they provide and shall make a reasonable effort to inform the parents of the existence of other, local schools that provide similar services.
services and the services that these other schools provide. This notification shall include without limitation information on school services, school admissions criteria, and school contact information.

In the development of the individualized education program for a student who has a disability on the autism spectrum (which includes autistic disorder, Asperger's disorder, pervasive developmental disorder not otherwise specified, childhood disintegrative disorder, and Rett Syndrome, as defined in the Diagnostic and Statistical Manual of Mental Disorders, fourth edition (DSM-IV, 2000)), the IEP team shall consider all of the following factors:

1. The verbal and nonverbal communication needs of the child.
2. The need to develop social interaction skills and proficiencies.
3. The needs resulting from the child's unusual responses to sensory experiences.
4. The needs resulting from resistance to environmental change or change in daily routines.
5. The needs resulting from engagement in repetitive activities and stereotyped movements.
6. The need for any positive behavioral interventions, strategies, and supports to address any behavioral difficulties resulting from autism spectrum disorder.
7. Other needs resulting from the child's disability that impact progress in the general curriculum, including social and emotional development.

Public Act 95-257 does not create any new entitlement to a service, program, or benefit, but must not affect any entitlement to a service, program, or benefit created by any other law.

If the student may be eligible to participate in the Home-Based Support Services Program for Adults with Mental Disabilities authorized under the Developmental Disability and Mental Disability Services Act upon becoming an adult, the student's individualized education program shall include plans for (i) determining the student's eligibility for those home-based services, (ii) enrolling the student in the program of home-based services, and (iii) developing a plan for the student's most effective use of the home-based services after the student becomes an adult and no longer receives special educational services under this Article. The plans

New matter indicated by italics - deletions by strikeout
developed under this paragraph shall include specific actions to be taken by specified individuals, agencies, or officials.

(c) In the development of the individualized education program for a student who is functionally blind, it shall be presumed that proficiency in Braille reading and writing is essential for the student's satisfactory educational progress. For purposes of this subsection, the State Board of Education shall determine the criteria for a student to be classified as functionally blind. Students who are not currently identified as functionally blind who are also entitled to Braille instruction include: (i) those whose vision loss is so severe that they are unable to read and write at a level comparable to their peers solely through the use of vision, and (ii) those who show evidence of progressive vision loss that may result in functional blindness. Each student who is functionally blind shall be entitled to Braille reading and writing instruction that is sufficient to enable the student to communicate with the same level of proficiency as other students of comparable ability. Instruction should be provided to the extent that the student is physically and cognitively able to use Braille. Braille instruction may be used in combination with other special education services appropriate to the student's educational needs. The assessment of each student who is functionally blind for the purpose of developing the student's individualized education program shall include documentation of the student's strengths and weaknesses in Braille skills. Each person assisting in the development of the individualized education program for a student who is functionally blind shall receive information describing the benefits of Braille instruction. The individualized education program for each student who is functionally blind shall specify the appropriate learning medium or media based on the assessment report.

(d) To the maximum extent appropriate, the placement shall provide the child with the opportunity to be educated with children who do not have a disability; provided that children with disabilities who are recommended to be placed into regular education classrooms are provided with supplementary services to assist the children with disabilities to benefit from the regular classroom instruction and are included on the teacher's regular education class register. Subject to the limitation of the preceding sentence, placement in special classes, separate schools or other removal of the child with a disability from the regular educational environment shall occur only when the nature of the severity of the disability is such that education in the regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. The
placement of English learners with disabilities shall be in non-restrictive environments which provide for integration with peers who do not have disabilities in bilingual classrooms. Annually, each January, school districts shall report data on students from non-English speaking backgrounds receiving special education and related services in public and private facilities as prescribed in Section 2-3.30. If there is a disagreement between parties involved regarding the special education placement of any child, either in-state or out-of-state, the placement is subject to impartial due process procedures described in Article 10 of the Rules and Regulations to Govern the Administration and Operation of Special Education.

(e) No child who comes from a home in which a language other than English is the principal language used may be assigned to any class or program under this Article until he has been given, in the principal language used by the child and used in his home, tests reasonably related to his cultural environment. All testing and evaluation materials and procedures utilized for evaluation and placement shall not be linguistically, racially or culturally discriminatory.

(f) Nothing in this Article shall be construed to require any child to undergo any physical examination or medical treatment whose parents object thereto on the grounds that such examination or treatment conflicts with his religious beliefs.

(g) School boards or their designee shall provide to the parents of a child prior written notice of any decision (a) proposing to initiate or change, or (b) refusing to initiate or change, the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education to their child, and the reasons therefor. Such written notification shall also inform the parent of the opportunity to present complaints with respect to any matter relating to the educational placement of the student, or the provision of a free appropriate public education and to have an impartial due process hearing on the complaint. The notice shall inform the parents in the parents' native language, unless it is clearly not feasible to do so, of their rights and all procedures available pursuant to this Act and the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446); it shall be the responsibility of the State Superintendent to develop uniform notices setting forth the procedures available under this Act and the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446) to be used by all school boards. The notice shall also inform

New matter indicated by italics - deletions by strikeout
the parents of the availability upon request of a list of free or low-cost legal and other relevant services available locally to assist parents in initiating an impartial due process hearing. The State Superintendent shall revise the uniform notices required by this subsection (g) to reflect current law and procedures at least once every 2 years. Any parent who is deaf, or does not normally communicate using spoken English, who participates in a meeting with a representative of a local educational agency for the purposes of developing an individualized educational program shall be entitled to the services of an interpreter. The State Board of Education must adopt rules to establish the criteria, standards, and competencies for a bilingual language interpreter who attends an individualized education program meeting under this subsection to assist a parent who has limited English proficiency.

(g-5) For purposes of this subsection (g-5), "qualified professional" means an individual who holds credentials to evaluate the child in the domain or domains for which an evaluation is sought or an intern working under the direct supervision of a qualified professional, including a master's or doctoral degree candidate.

To ensure that a parent can participate fully and effectively with school personnel in the development of appropriate educational and related services for his or her child, the parent, an independent educational evaluator, or a qualified professional retained by or on behalf of a parent or child must be afforded reasonable access to educational facilities, personnel, classrooms, and buildings and to the child as provided in this subsection (g-5). The requirements of this subsection (g-5) apply to any public school facility, building, or program and to any facility, building, or program supported in whole or in part by public funds. Prior to visiting a school, school building, or school facility, the parent, independent educational evaluator, or qualified professional may be required by the school district to inform the building principal or supervisor in writing of the proposed visit, the purpose of the visit, and the approximate duration of the visit. The visitor and the school district shall arrange the visit or visits at times that are mutually agreeable. Visitors shall comply with school safety, security, and visitation policies at all times. School district visitation policies must not conflict with this subsection (g-5). Visitors shall be required to comply with the requirements of applicable privacy laws, including those laws protecting the confidentiality of education records such as the federal Family Educational Rights and Privacy Act and

New matter indicated by italics - deletions by strikeout
the Illinois School Student Records Act. The visitor shall not disrupt the educational process.

(1) A parent must be afforded reasonable access of sufficient duration and scope for the purpose of observing his or her child in the child's current educational placement, services, or program or for the purpose of visiting an educational placement or program proposed for the child.

(2) An independent educational evaluator or a qualified professional retained by or on behalf of a parent or child must be afforded reasonable access of sufficient duration and scope for the purpose of conducting an evaluation of the child, the child's performance, the child's current educational program, placement, services, or environment, or any educational program, placement, services, or environment proposed for the child, including interviews of educational personnel, child observations, assessments, tests or assessments of the child's educational program, services, or placement or of any proposed educational program, services, or placement. If one or more interviews of school personnel are part of the evaluation, the interviews must be conducted at a mutually agreed upon time, date, and place that do not interfere with the school employee's school duties. The school district may limit interviews to personnel having information relevant to the child's current educational services, program, or placement or to a proposed educational service, program, or placement.

AN ACT concerning safety.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:
Section 5. The Environmental Protection Act is amended by
changing Section 9.4 as follows:
(415 ILCS 5/9.4) (from Ch. 111 1/2, par. 1009.4)
Sec. 9.4. Municipal waste incineration emission standards.
(a) The General Assembly finds:
   (1) That air pollution from municipal waste incineration
   may constitute a threat to public health, welfare and the
   environment. The amounts and kinds of pollutants depend on the
   nature of the waste stream, operating conditions of the incinerator,
   and the effectiveness of emission controls. Under normal operating
   conditions, municipal waste incinerators produce pollutants such as
   organic compounds, metallic compounds and acid gases which
   may be a threat to public health, welfare and the environment.
   (2) That a combustion and flue-gas control system, which is
   properly designed, operated and maintained, can substantially
   reduce the emissions of organic materials, metallic compounds and acid gases from municipal waste incineration.
(b) It is the purpose of this Section to insure that emissions from
new municipal waste incineration facilities which burn a total of 25 tons or
more of municipal waste per day are adequately controlled.
   Such facilities shall be subject to emissions limits and operating
   standards based upon the application of Best Available Control
   Technology, as determined by the Agency, for emissions of the following
categories of pollutants:
   (1) particulate matter, sulfur dioxide and nitrogen oxides;
   (2) acid gases;
   (3) heavy metals; and
   (4) organic materials.
(c) The Agency shall issue permits, pursuant to Section 39, to new
municipal waste incineration facilities only if the Agency finds that such
facilities are designed, constructed and operated so as to comply with the
requirements prescribed by this Section.

New matter indicated by italics - deletions by strikeout
Prior to adoption of Board regulations under subsection (d) of this Section the Agency may issue permits for the construction of new municipal waste incineration facilities. The Agency determination of Best Available Control Technology shall be based upon consideration of the specific pollutants named in subsection (d), and emissions of particulate matter, sulfur dioxide and nitrogen oxides.

Nothing in this Section shall limit the applicability of any other Sections of this Act, or of other standards or regulations adopted by the Board, to municipal waste incineration facilities. In issuing such permits, the Agency may prescribe those conditions necessary to assure continuing compliance with the emission limits and operating standards determined pursuant to subsection (b); such conditions may include the monitoring and reporting of emissions.

(d) Within one year after July 1, 1986, the Board shall adopt regulations pursuant to Title VII of this Act, which define the terms in items (2), (3) and (4) of subsection (b) of this Section which are to be used by the Agency in making its determination pursuant to this Section. The provisions of Section 27(b) of this Act shall not apply to this rulemaking.

Such regulations shall be written so that the categories of pollutants include, but need not be limited to, the following specific pollutants:

(1) hydrogen chloride in the definition of acid gases;
(2) arsenic, cadmium, mercury, chromium, nickel and lead in the definition of heavy metals; and
(3) polychlorinated dibenzo-p-dioxins, polychlorinated dibenzofurans and polynuclear aromatic hydrocarbons in the definition of organic materials.

Section 5. The Real Property Conservation Rights Act is amended by changing Sections 1, 2, 4, and 6 as follows:

Sec. 1. (a) A conservation right is a right, whether stated in the form of a restriction, easement, covenant or condition, or, without limitation, in any other form in any deed, will, plat, or without limitation any other instrument executed by or on behalf of the owner of land or in any condemnation order of taking, appropriate to preserving: (i) the significant physical character and visual characteristics of structures having architectural, historical, or cultural significance, together with any associated real property, whether or not improved; or (ii) land or water areas predominantly in their natural, scenic, open or wooded condition, or as suitable habitat for fish, plants, or wildlife; or (iii) the integrity of archaeological sites and the artifacts or information which they may contain pending properly supervised excavation and investigation. Without limiting the generality of the foregoing, the instrument conveying or reserving a conservation right may, with respect to either the grantor or grantee, require, prohibit, condition, limit or control any or all of the following:

(1) access or public visitation;
(2) affirmative acts of alteration, restoration, rehabilitation, repair, maintenance, investigation, documentation, payment of taxes, or compliance with public law and regulations;
(3) conditions of operation, use, restoration, alteration, repair or maintenance;

(7) the excavation, dredging or removal of loam, peat, gravel, soil, rock or other material substance in such manner as to affect the surface or to otherwise alter the topography of the area;

(9) surface use inconsistent with preservation of water or land areas, or the improvement or appurtenance thereto;

(10) activities affecting drainage, flood control, water conservation, erosion control or soil conservation, or fish and wildlife habitat preservation; or

(11) any other acts or uses having relation to the preservation of structures, sites and water or land areas or the improvements or appurtenances thereto.

A conservation right shall be taken to include a preservation restriction as that term is defined in Section 11-48.2-1A of the "Illinois Municipal Code", as now or hereafter amended, and shall not be unenforceable on account of lack of privity of estate or contract or lack of benefit to particular land or on account of the benefit being assigned or assignable. Conservation rights shall be construed and enforced in accordance with their terms, and shall be transferable and transferred, recorded and indexed, in the same manner as fee simple interests in real property, subject only to the limitations provided herein.

An amendment or modification shall not materially and adversely affect the conservation purposes of the conservation right or facilitate the extinguishment of the conservation right. The consent of any party other than the grantor and grantee is not required for amendment or modification, even if the other party is entitled to enforce an easement under this Act or any other law. The conservation right may contain other requirements for amendment or modification, and such other requirements shall control.

No conveyance of such conservation rights shall take effect until such conveyance is accepted by the grantee. Acceptance of such conservation rights may be conditioned upon any requirements which are deemed proper by the grantee. (b) any not-for-profit corporation or trust which owns the conservation right;
(c) the owner of any real property abutting or within 500 feet of the real property subject to the conservation right. An action to enforce a conservation right may also be brought by any party entitled to enforce the conservation right under this Section against a nonowner who is violating the terms of the conservation right.

If the holder of a conservation right reasonably determines that there is a violation of the right, the holder of the conservation right may record a notice of violation against the property for which the conservation right applies.

Moneys on deposit in the Water Revolving Fund may be used for the creation of reserve funds or pledged funds that secure the obligations of repayment of loans made pursuant to this Section. For the purpose of obtaining capital for deposit into the Water Revolving Fund, the Agency may also enter into agreements with financial institutions and other persons for the purpose of selling loans and developing a secondary market for such loans. The Agency shall have the power to create and establish such reserve funds and accounts as may be necessary or desirable to accomplish its purposes under this subsection and to allocate its available moneys into such funds and accounts. Investment earnings on moneys held in the Water Revolving Fund, including any reserve fund or pledged fund, shall be deposited into the Water Revolving Fund.

(g) Beginning on the effective date of this amendatory Act of the 101st General Assembly, and running for a period of 5 years after that date, the Agency shall prioritize within its annual intended use plan the usage of a portion of the Agency’s capitalization grant for federally authorized set-aside activities. The prioritization is for the purpose of supporting disadvantaged communities and utilities throughout Illinois in building their capacity for sustainable and equitable water management. This may include, but is not limited to, assistance for water rate studies, preliminary engineering or other facility planning, training activities, asset management plans, assistance with identification and replacement of lead service lines, and studies of efficiency measures through utility regionalization or other collaborative intergovernmental approaches.

(705 ILCS 405/2-15) (from Ch. 37, par. 802-15)
Sec. 2-15. Summons.
(1) When a petition is filed, the clerk of the court shall issue a summons with a copy of the petition attached. The summons shall be directed to the minor's legal guardian or custodian and to each person named as a respondent in the petition, except that summons need not be directed to a minor respondent under 8 years of age for whom the court appoints a guardian ad litem if the guardian ad litem appears on behalf of the minor in any proceeding under this Act.
(2) The summons must contain a statement that the minor or any of the respondents is entitled to have an attorney present at the hearing on the petition, and that the clerk of the court should be notified promptly if the minor or any other respondent desires to be represented by an attorney but is financially unable to employ counsel.
(3) The summons shall be issued under the seal of the court, attested in and signed with the name of the clerk of the court, dated on the day it is issued, and shall require each respondent to appear and answer the petition on the date set for the adjudicatory hearing. The summons shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the

filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11.

(4) The summons may be served by any county sheriff, coroner or probation officer, even though the officer is the petitioner. The return of the summons with endorsement of service by the officer is sufficient proof thereof.

(5) Service of a summons and petition shall be made by: (a) leaving a copy thereof with the person summoned at least 3 days before the time stated therein for appearance; (b) leaving a copy at his or her usual place of abode with some person of the family or a person residing there, of the age of 10 years or upwards, and informing that person of the contents thereof, provided the officer or other person making service shall also send a copy of the summons in a sealed envelope with postage fully prepaid, addressed to the person summoned at his usual place of abode, at least 3 days before the time stated therein for appearance; or (c) leaving a copy thereof with the guardian or custodian of a minor, at least 3 days before the time stated therein for appearance. If the guardian or custodian is an agency of the State of Illinois, proper service may be made by leaving a copy of the summons and petition with any administrative employee of such agency designated by such agency to accept service of summons and petitions. The certificate of the officer or affidavit of the person that he has sent the copy pursuant to this Section is sufficient proof of service.

(6) When a parent or other person, who has signed a written promise to appear and bring the minor to court or who has waived or acknowledged service, fails to appear with the minor on the date set by the court, a bench warrant may be issued for the parent or other person, the minor, or both.

(7) The appearance of the minor's legal guardian or custodian, or a person named as a respondent in a petition, in any proceeding under this Act shall constitute a waiver of service of summons and submission to the jurisdiction of the court, except that the filing of a motion authorized under Section 2-301 of the Code of Civil Procedure does not constitute an appearance under this subsection. A copy of the summons and petition shall be provided to the person at the time of his appearance.

(8) Notice to a parent who has appeared or been served with summons personally or by certified mail, and for whom an order of default has been entered on the petition for wardship and has not been set aside shall be provided in accordance with Supreme Court Rule 11. PUBLIC ACT 101-0147
(House Bill No. 2935)

AN ACT concerning courts.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Juvenile Court Act of 1987 is amended by changing Section 1-5 as follows:

(705 ILCS 405/1-5) (from Ch. 37, par. 801-5)

Sec. 1-5. Rights of parties to proceedings.

(1) Except as provided in this Section and paragraph (2) of Sections 2-22, 3-23, 4-20, 5-610 or 5-705, the minor who is the subject of the proceeding and his or her parents, guardian, legal custodian or responsible relative who are parties respondent have the right to be present, to be heard, to present evidence material to the proceedings, to cross-examine witnesses, to examine pertinent court files and records and also, although proceedings under this Act are not intended to be adversary in character, the right to be represented by counsel. At the request of any party financially unable to employ counsel, with the exception of a foster parent permitted to intervene under this Section, the court shall appoint the Public Defender or such other counsel as the case may require. Counsel appointed for the minor and any indigent party shall appear at all stages of the trial court proceeding, and such appointment shall continue through the permanency hearings and termination of parental rights proceedings subject to withdrawal, vacating of appointment, or substitution pursuant to Supreme Court Rules or the Code of Civil Procedure. Following the dispositional hearing, the court may require appointed counsel, other than counsel for the minor or counsel for the guardian ad litem, to withdraw his or her appearance upon failure of the party for whom counsel was appointed under this Section to attend any subsequent proceedings.

New matter indicated by italics - deletions by strikeout
No hearing on any petition or motion filed under this Act may be commenced unless the minor who is the subject of the proceeding is represented by counsel. Notwithstanding the preceding sentence, if a guardian ad litem has been appointed for the minor under Section 2-17 of this Act and the guardian ad litem is a licensed attorney at law of this State, or in the event that a court appointed special advocate has been appointed as guardian ad litem and counsel has been appointed to represent the court appointed special advocate, the court may not require the appointment of counsel to represent the minor unless the court finds that the minor's interests are in conflict with what the guardian ad litem determines to be in the best interest of the minor. Each adult respondent shall be furnished a written “Notice of Rights” at or before the first hearing at which he or she appears.

(1.5) The Department shall maintain a system of response to inquiry made by parents or putative parents as to whether their child is under the custody or guardianship of the Department; and if so, the Department shall direct the parents or putative parents to the appropriate court of jurisdiction, including where inquiry may be made of the clerk of the court regarding the case number and the next scheduled court date of the minor's case. Effective notice and the means of accessing information shall be given to the public on a continuing basis by the Department.

(2) (a) Though not appointed guardian or legal custodian or otherwise made a party to the proceeding, any current or previously appointed foster parent or relative caregiver, or representative of an agency or association interested in the minor has the right to be heard by the court, but does not thereby become a party to the proceeding.

In addition to the foregoing right to be heard by the court, any current foster parent or relative caregiver of a minor and the agency designated by the court or the Department of Children and Family Services as custodian of the minor who is alleged to be or has been adjudicated an abused or neglected minor under Section 2-3 or a dependent minor under Section 2-4 of this Act has the right to and shall be given adequate notice at all stages of any hearing or proceeding under this Act.

Any foster parent or relative caregiver who is denied his or her right to be heard under this Section may bring a mandamus action under Article XIV of the Code of Civil Procedure against the court or any public agency to enforce that right. The mandamus action may be brought immediately upon the denial of those rights but in no event later than 30 days after the foster parent has been denied the right to be heard.

(b) If after an adjudication that a minor is abused or neglected as provided under Section 2-21 of this Act and a motion has been made to restore the minor to any parent, guardian, or legal custodian found by the court to have caused the neglect or to have inflicted the abuse on the minor, a foster parent may file a motion to intervene in the proceeding for the sole purpose of requesting that the minor be placed with the foster parent, provided that the foster parent (i) is the current foster parent of the minor or (ii) has previously been a foster parent for the minor for one year or more, has a foster care license or is eligible for a license or is not required to have a license, and is not the subject of any findings of abuse or neglect of any child. The juvenile court may only enter orders placing a minor with a specific foster parent under this subsection (2)(b) and nothing in this Section shall be construed to confer any jurisdiction or authority on the juvenile court to issue any other orders requiring the appointed guardian or custodian of a minor to place the minor in a designated foster home or facility. This Section is not intended to encompass any matters that are within the scope or determinable under the administrative and appeal process established by rules of the Department of Children and Family Services under Section 5(o) of the Children and Family Services Act. Nothing in this Section shall relieve the court of its responsibility, under Section 2-14(a) of this Act to act in a just and speedy manner to reunify families where it is the best interests of the minor and the child can be cared for at home without endangering the child's health or safety and, if reunification is not in the best interests of the minor, to find another permanent home for the minor. Nothing in this Section, or in any order issued by the court with respect to the placement of a minor with a foster parent, shall impair the ability of the Department of Children and Family Services, or anyone else authorized under Section 5 of the Abused and Neglected Child Reporting Act, to remove a minor from the home of a foster parent if the Department of Children and Family Services or the person removing the minor has reason to believe that the circumstances or conditions of the minor are such that continuing in the residence or care of the foster parent will jeopardize the child's health and safety or present an imminent risk of harm to that minor's life.

(c) If a foster parent has had the minor who is the subject of the proceeding under Article II in his or her home for more than one year on or after July 3, 1994 and if the minor's placement is being terminated from that foster parent's home, that foster parent shall have standing and intervenor status except in those circumstances where the Department of

Children and Family Services or anyone else authorized under Section 5 of the Abused and Neglected Child Reporting Act has removed the minor from the foster parent because of a reasonable belief that the circumstances or conditions of the minor are such that continuing in the residence or care of the foster parent will jeopardize the child's health or safety or presents an imminent risk of harm to the minor's life.

(d) The court may grant standing to any foster parent if the court finds that it is in the best interest of the child for the foster parent to have standing and intervenor status.

(3) Parties respondent are entitled to notice in compliance with Sections 2-15 and 2-16, 3-17 and 3-18, 4-14 and 4-15 or 5-525 and 5-530, as appropriate. At the first appearance before the court by the minor, his parents, guardian, custodian or responsible relative, the court shall explain the nature of the proceedings and inform the parties of their rights under the first 2 paragraphs of this Section.

If the child is alleged to be abused, neglected or dependent, the court shall admonish the parents that if the court declares the child to be a ward of the court and awards custody or guardianship to the Department of Children and Family Services, the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions that require the child to be in care, or risk termination of their parental rights.

Upon an adjudication of wardship of the court under Sections 2-22, 3-23, 4-20 or 5-705, the court shall inform the parties of their right to appeal therefrom as well as from any other final judgment of the court.

When the court finds that a child is an abused, neglected, or dependent minor under Section 2-21, the court shall admonish the parents that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions that require the child to be in care, or risk termination of their parental rights.

When the court declares a child to be a ward of the court and awards guardianship to the Department of Children and Family Services under Section 2-22, the court shall admonish the parents, guardian, custodian, or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions that require the child to be in care, or risk termination of their parental rights.

(4) No sanction may be applied against the minor who is the subject of the proceedings by reason of his refusal or failure to testify in the course of any hearing held prior to final adjudication under Section 2-22, 3-23, 4-20 or 5-705.

(5) In the discretion of the court, the minor may be excluded from any part or parts of a dispositional hearing and, with the consent of the parent or parents, guardian, counsel or a guardian ad litem, from any part or parts of an adjudicatory hearing.

(6) The general public except for the news media and the crime victim, as defined in Section 3 of the Rights of Crime Victims and Witnesses Act, shall be excluded from any hearing and, except for the persons specified in this Section only persons, including representatives of agencies and associations, who in the opinion of the court have a direct interest in the case or in the work of the court shall be admitted to the hearing. However, the court may, for the minor's safety and protection and for good cause shown, prohibit any person or agency present in court from further disclosing the minor's identity. Nothing in this subsection (6) prevents the court from allowing other juveniles to be present or to participate in a court session being held under the Juvenile Drug Court Treatment Act.

(7) A party shall not be entitled to exercise the right to a substitution of a judge without cause under subdivision (a)(2) of Section 2-1001 of the Code of Civil Procedure in a proceeding under this Act if the judge is currently assigned to a proceeding involving the alleged abuse, neglect, or dependency of the minor's sibling or half sibling and that judge has made a substantive ruling in the proceeding involving the minor's sibling or half sibling.

Section 5. The Public Corruption Profit Forfeiture Act is amended by changing Section 10 as follows:

(5 ILCS 283/10)
Sec. 10. Penalties.
(a) A person who is convicted of a violation of any of the following Sections, subsections, and clauses of the Criminal Code of 1961 or the Criminal Code of 2012:

(1) clause (a)(6) of Section 12-6 (intimidation by a public official),
(2) Section 33-1 (bribery),
(3) subsection (a) of Section 33E-7 (kickbacks), or
(4) Section 33C-4 or subsection (d) of Section 17-10.3 (fraudulently obtaining public moneys reserved for disadvantaged business enterprises),
shall forfeit to the State of Illinois:

(A) any profits or proceeds and any property or property interest he or she has acquired or maintained in violation of any of the offenses listed in clauses (1) through (4) of this subsection (a) that the court determines, after a forfeiture hearing under subsection (b) of this Section, to have been acquired or maintained as a result of violating any of the offenses listed in clauses (1) through (4) of this subsection (a); and

(B) any interest in, security of, claim against, or property or contractual right of any kind affording a source of influence over, any enterprise which he or she has established, operated, controlled, conducted, or participated in the conduct of, in violation of any of the offenses listed in clauses (1) through (4) of this subsection (a) that the court determines, after a forfeiture hearing under subsection (b) of this Section, to have been acquired or maintained as a result of violating any of the offenses listed in clauses (1) through (4) of this subsection (a) or used to facilitate a violation of one of the offenses listed in clauses (1) through (4) of this subsection (a).

(b) The court shall, upon petition by the Attorney General or State's Attorney, at any time after the filing of an information or return of an indictment, conduct a hearing to determine whether any property or property interest is subject to forfeiture under this Act. At the forfeiture hearing the people shall have the burden of establishing, by a preponderance of the evidence, that property or property interests are

New matter indicated by italics - deletions by strikeout
subject to forfeiture under this Act. There is a rebuttable presumption at such hearing that any property or property interest of a person charged by information or indictment with a violation of any of the offenses listed in clauses (1) through (4) of subsection (a) of this Section or who is convicted of a violation of any of the offenses listed in clauses (1) through (4) of subsection (a) of this Section is subject to forfeiture under this Section if the State establishes by a preponderance of the evidence that:

1. such property or property interest was acquired by such person during the period of the violation of any of the offenses listed in clauses (1) through (4) of subsection (a) of this Section or within a reasonable time after such period; and

2. there was no likely source for such property or property interest other than the violation of any of the offenses listed in clauses (1) through (4) of subsection (a) of this Section.

(c) In an action brought by the People of the State of Illinois under this Act, wherein any restraining order, injunction or prohibition or any other action in connection with any property or property interest subject to forfeiture under this Act is sought, the circuit court which shall preside over the trial of the person or persons charged with any of the offenses listed in clauses (1) through (4) of subsection (a) of this Section shall first determine whether there is probable cause to believe that the person or persons so charged have committed a violation of any of the offenses listed in clauses (1) through (4) of subsection (a) of this Section and whether the property or property interest is subject to forfeiture pursuant to this Act.

In order to make such a determination, prior to entering any such order, the court shall conduct a hearing without a jury, wherein the People shall establish that there is: (i) probable cause that the person or persons so charged have committed one of the offenses listed in clauses (1) through (4) of subsection (a) of this Section and (ii) probable cause that any property or property interest may be subject to forfeiture pursuant to this Act. Such hearing may be conducted simultaneously with a preliminary hearing, if the prosecution is commenced by information or complaint, or by motion of the People, at any stage in the proceedings. The court may accept a finding of probable cause at a preliminary hearing following the filing of a charge for violating one of the offenses listed in clauses (1) through (4) of subsection (a) of this Section or the return of an indictment by a grand jury charging one of the offenses listed in clauses (1) through
(4) of subsection (a) of this Section as sufficient evidence of probable cause as provided in item (i) above.

Upon such a finding, the circuit court shall enter such restraining order, injunction or prohibition, or shall take such other action in connection with any such property or property interest subject to forfeiture under this Act, as is necessary to insure that such property is not removed from the jurisdiction of the court, concealed, destroyed or otherwise disposed of by the owner of that property or property interest prior to a forfeiture hearing under subsection (b) of this Section. The Attorney General or State's Attorney shall file a certified copy of such restraining order, injunction or other prohibition with the recorder of deeds or registrar of titles of each county where any such property of the defendant may be located. No such injunction, restraining order or other prohibition shall affect the rights of any bona fide purchaser, mortgagee, judgment creditor or other lien holder arising prior to the date of such filing.

The court may, at any time, upon verified petition by the defendant, conduct a hearing to release all or portions of any such property or interest which the court previously determined to be subject to forfeiture or subject to any restraining order, injunction, or prohibition or other action. The court may release such property to the defendant for good cause shown and within the sound discretion of the court.

(d) Prosecution under this Act may be commenced by the Attorney General or a State's Attorney.

(e) Upon an order of forfeiture being entered pursuant to subsection (b) of this Section, the court shall authorize the Attorney General to seize any property or property interest declared forfeited under this Act and under such terms and conditions as the court shall deem proper. Any property or property interest that has been the subject of an entered restraining order, injunction or prohibition or any other action filed under subsection (c) shall be forfeited unless the claimant can show by a preponderance of the evidence that the property or property interest has not been acquired or maintained as a result of a violation of any of the offenses listed in clauses (1) through (4) of subsection (a) of this Section or has not been used to facilitate a violation of any of the offenses listed in clauses (1) through (4) of subsection (a) of this Section.

(f) The Attorney General or his or her designee is authorized to sell all property forfeited and seized pursuant to this Act, unless such property is required by law to be destroyed or is harmful to the public, and, after the deduction of all requisite expenses of administration and sale, shall
distribute the proceeds of such sale, along with any moneys forfeited or seized, in accordance with subsection (g).

(g) All monies and the sale proceeds of all other property forfeited and seized pursuant to this Act shall be distributed as follows:

1. An amount equal to 50% shall be distributed to the unit of local government or other law enforcement agency whose officers or employees conducted the investigation into a violation of any of the offenses listed in clauses (1) through (4) of subsection (a) of this Section and caused the arrest or arrests and prosecution leading to the forfeiture. Amounts distributed to units of local government and law enforcement agencies shall be used for enforcement of laws governing public corruption, or for other law enforcement purposes. In the event, however, that the investigation, arrest or arrests and prosecution leading to the forfeiture were undertaken solely by a State agency, the portion provided hereunder shall be paid into the State Asset Forfeiture Fund in the State treasury to be used by that State agency in accordance with law. If the investigation, arrest or arrests and prosecution leading to the forfeiture were undertaken by the Attorney General, the portion provided hereunder shall be paid into the Attorney General's Whistleblower Reward and Protection Fund in the State treasury to be used by the Attorney General in accordance with law.

2. An amount equal to 12.5% shall be distributed to the county in which the prosecution resulting in the forfeiture was instituted, deposited in a special fund in the county treasury and appropriated to the State's Attorney for use in accordance with law. If the prosecution was conducted by the Attorney General, then the amount provided under this subsection shall be paid into the Attorney General's Whistleblower Reward and Protection Fund in the State treasury to be used by the Attorney General in accordance with law.

3. An amount equal to 12.5% shall be distributed to the Office of the State's Attorneys Appellate Prosecutor and deposited in the State's Attorneys Appellate Prosecutor Anti-Corruption Fund, to be used by the Office of the State's Attorneys Appellate Prosecutor for additional expenses incurred in prosecuting appeals arising under this Act. Any amounts remaining in the Fund after all additional expenses have been paid shall be used by the Office to

reduce the participating county contributions to the Office on a prorated basis as determined by the board of governors of the Office of the State's Attorneys Appellate Prosecutor based on the populations of the participating counties. If the appeal is to be conducted by the Attorney General, then the amount provided under this subsection shall be paid into the Attorney General's Whistleblower Reward and Protection Fund in the State treasury to be used by the Attorney General in accordance with law.

(4) An amount equal to 25% shall be paid into the State Asset Forfeiture Fund in the State treasury to be used by the Department of State Police for the funding of the investigation of public corruption activities. Any amounts remaining in the Fund after full funding of such investigations shall be used by the Department in accordance with law to fund its other enforcement activities.

(h) All moneys deposited pursuant to this Act in the State Asset Forfeiture Fund shall, subject to appropriation, be used by the Department of State Police in the manner set forth in this Section. All moneys deposited pursuant to this Act in the Attorney General's Whistleblower Reward and Protection Fund shall, subject to appropriation, be used by the Attorney General for State law enforcement purposes and for the performance of the duties of that office. The education requirements prescribed by the Department under this Section must allow for the suspension of those requirements in the case of a member of the armed services or reserve forces of the United States or a member of the Illinois National Guard who is on active duty pursuant to an executive order of the President of the United States, an act of the Congress of the United States, or an order of the Governor at the time that the member would otherwise be required to fulfill a particular education requirement. Such a person must fulfill the education requirement within 6 months after his or her release from active duty.

(e) In the event that any rule of the Department or an EMS Medical Director that requires testing for drug use as a condition of the applicable EMS personnel license conflicts with or duplicates a provision of a collective bargaining agreement that requires testing for drug use, that rule shall not apply to any person covered by the collective bargaining agreement.

(f) At the time of applying for or renewing his or her license, an applicant for a license or license renewal may submit an email address to the Department. (3) There is a finding of physical child abuse resulting from the death of any child under Section 2-21 of the Juvenile Court Act of 1987.

No conviction or finding of delinquency pursuant to Article V of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (f).

(g) Failure to protect the child from conditions within his environment injurious to the child's welfare.

(h) Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.

(i) Depravity. Conviction of any one of the following crimes shall create a presumption that a parent is depraved which can be overcome only by clear and convincing evidence: (1) first degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or the Criminal Code of 2012 or conviction of second degree murder in violation of subsection (a) of Section 9-2 of the Criminal Code of 1961 or the Criminal Code of 2012 of a parent of the child to be adopted; (2) first degree murder or second degree murder of any child in violation of the Criminal Code of 1961 or the Criminal Code of 2012; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961 or the Criminal Code of 2012; (4) solicitation to commit murder of any child, solicitation to commit murder of any

There is a rebuttable presumption that a parent is depraved if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is depraved if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 or the Criminal Code of 2012 within 10 years of the filing date of the petition or motion to terminate parental rights.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (i).

(j) Open and notorious adultery or fornication.

(j-1) (Blank).

(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a...
neglected minor under subsection (c) of Section 2-3 of the Juvenile

(l) Failure to demonstrate a reasonable degree of interest,
concern or responsibility as to the welfare of a new born child
during the first 30 days after its birth.

(m) Failure by a parent (i) to make reasonable efforts to
correct the conditions that were the basis for the removal of the
child from the parent during any 9-month period following the
adjudication of neglected or abused minor under Section 2-3 of the
Juvenile Court Act of 1987 or dependent minor under Section 2-4
of that Act, or (ii) to make reasonable progress toward the return of
the child to the parent during any 9-month period following the
adjudication of neglected or abused minor under Section 2-3 of the
Juvenile Court Act of 1987 or dependent minor under Section 2-4
of that Act. If a service plan has been established as required under
Section 8.2 of the Abused and Neglected Child Reporting Act to
correct the conditions that were the basis for the removal of the
child from the parent and if those services were available, then, for
purposes of this Act, "failure to make reasonable progress toward
the return of the child to the parent" includes the parent's failure to
substantially fulfill his or her obligations under the service plan and
correct the conditions that brought the child into care during any 9-
month period following the adjudication under Section 2-3 or 2-4
of the Juvenile Court Act of 1987. Notwithstanding any other
 provision, when a petition or motion seeks to terminate parental
rights on the basis of item (ii) of this subsection (m), the petitioner
shall file with the court and serve on the parties a pleading that
specifies the 9-month period or periods relied on. The pleading
shall be filed and served on the parties no later than 3 weeks before
the date set by the court for closure of discovery, and the
allegations in the pleading shall be treated as incorporated into the
petition or motion. Failure of a respondent to file a written denial
of the allegations in the pleading shall not be treated as an
admission that the allegations are true.

(n) Evidence of intent to forgo his or her parental rights,
whether or not the child is a ward of the court, (1) as manifested by
his or her failure for a period of 12 months: (i) to visit the child, (ii)
to communicate with the child or agency, although able to do so

New matter indicated by italics - deletions by strikeout
and not prevented from doing so by an agency or by court order, or
(iii) to maintain contact with or plan for the future of the child,
although physically able to do so, or (2) as manifested by the
father's failure, where he and the mother of the child were
unmarried to each other at the time of the child's birth, (i) to
commence legal proceedings to establish his paternity under the
Illinois Parentage Act of 1984, the Illinois Parentage Act of 2015,
or the law of the jurisdiction of the child's birth within 30 days of
being informed, pursuant to Section 12a of this Act, that he is the
father or the likely father of the child or, after being so informed
where the child is not yet born, within 30 days of the child's birth,
or (ii) to make a good faith effort to pay a reasonable amount of the
expenses related to the birth of the child and to provide a
reasonable amount for the financial support of the child, the court
to consider in its determination all relevant circumstances,
including the financial condition of both parents; provided that the
ground for termination provided in this subparagraph (n)(2)(ii)
shall only be available where the petition is brought by the mother
or the husband of the mother.

Contact or communication by a parent with his or her child
that does not demonstrate affection and concern does not constitute
reasonable contact and planning under subdivision (n). In the
absence of evidence to the contrary, the ability to visit,
communicate, maintain contact, pay expenses and plan for the
future shall be presumed. The subjective intent of the parent,
whether expressed or otherwise, unsupported by evidence of the
foregoing parental acts manifesting that intent, shall not preclude a
determination that the parent has intended to forgo his or her
parental rights. In making this determination, the court may
consider but shall not require a showing of diligent efforts by an
authorized agency to encourage the parent to perform the acts
specified in subdivision (n).

It shall be an affirmative defense to any allegation under
paragraph (2) of this subsection that the father's failure was due to
circumstances beyond his control or to impediments created by the
mother or any other person having legal custody. Proof of that fact
need only be by a preponderance of the evidence.

New matter indicated by italics - deletions by strikeout
(o) Repeated or continuous failure by the parents, although physically and financially able, to provide the child with adequate food, clothing, or shelter.

(p) Inability to discharge parental responsibilities supported by competent evidence from a psychiatrist, licensed clinical social worker, or clinical psychologist of mental impairment, mental illness or an intellectual disability as defined in Section 1-116 of the Mental Health and Developmental Disabilities Code, or developmental disability as defined in Section 1-106 of that Code, and there is sufficient justification to believe that the inability to discharge parental responsibilities shall extend beyond a reasonable time period. However, this subdivision (p) shall not be construed so as to permit a licensed clinical social worker to conduct any medical diagnosis to determine mental illness or mental impairment.

(q) (Blank).

(r) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated as a result of criminal conviction at the time the petition or motion for termination of parental rights is filed, prior to incarceration the parent had little or no contact with the child or provided little or no support for the child, and the parent's incarceration will prevent the parent from discharging his or her parental responsibilities for the child for a period in excess of 2 years after the filing of the petition or motion for termination of parental rights.

(s) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated at the time the petition or motion for termination of parental rights is filed, the parent has been repeatedly incarcerated as a result of criminal convictions, and the parent's repeated incarceration has prevented the parent from discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant was the

result of medical treatment administered to the mother or the newborn infant, and that the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987, after which the biological mother had the opportunity to enroll in and participate in a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.

E. "Parent" means a person who is the legal mother or legal father of the child as defined in subsection X or Y of this Section. For the purpose of this Act, a parent who has executed a consent to adoption, a surrender, or a waiver pursuant to Section 10 of this Act, who has signed a Denial of Paternity pursuant to Section 12 of the Vital Records Act or Section 12a of this Act, or whose parental rights have been terminated by a court, is not a parent of the child who was the subject of the consent, surrender, waiver, or denial unless (1) the consent is void pursuant to subsection O of Section 10 of this Act; or (2) the person executed a consent to adoption by a specified person or persons pursuant to subsection A-1 of Section 10 of this Act and a court of competent jurisdiction finds that the consent is void; or (3) the order terminating the parental rights of the person is vacated by a court of competent jurisdiction.

F. A person is available for adoption when the person is:
   (a) a child who has been surrendered for adoption to an agency and to whose adoption the agency has thereafter consented;
   (b) a child to whose adoption a person authorized by law, other than his parents, has consented, or to whose adoption no consent is required pursuant to Section 8 of this Act;
   (c) a child who is in the custody of persons who intend to adopt him through placement made by his parents;
   (c-1) a child for whom a parent has signed a specific consent pursuant to subsection O of Section 10;
   (d) an adult who meets the conditions set forth in Section 3 of this Act; or
   (e) a child who has been relinquished as defined in Section 10 of the Abandoned Newborn Infant Protection Act.

A person who would otherwise be available for adoption shall not be deemed unavailable for adoption solely by reason of his or her death.

   (C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally
constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.

(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois
Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.

(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Substance Use Disorder Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent
solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section. A sentence is terminated notwithstanding any outstanding financial legal obligation.

(2) Minor Traffic Offenses. Orders of supervision or convictions for minor traffic offenses shall not affect a petitioner's eligibility to expunge or seal records pursuant to this Section.

(2.5) Commencing 180 days after July 29, 2016 (the effective date of Public Act 99-697), the law enforcement agency issuing the citation shall automatically expunge, on or before January 1 and July 1 of each year, the law enforcement records of a person found to have committed a civil law violation of subsection (a) of Section 4 of the Cannabis Control Act or subsection (c) of Section 3.5 of the Drug Paraphernalia Control Act in the law enforcement agency's possession or control and which contains the final satisfactory disposition which pertain to the person issued a citation for that offense. The law enforcement agency shall provide by rule the process for access, review, and to confirm the automatic expungement by the law enforcement agency issuing the citation. Commencing 180 days after July 29, 2016 (the effective date of Public Act 99-697), the clerk of the circuit court shall expunge, upon order of the court, or in the absence of a court order on or before January 1 and July 1 of each year, the court records of a person found in the circuit court to have committed a civil law violation of subsection (a) of Section 4 of the Cannabis Control Act or subsection (c) of Section 3.5 of the Drug Paraphernalia Control Act in the clerk's possession or control and which contains the final satisfactory disposition which pertain to the person issued a citation for any of those offenses.

(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), (b)(8), (e), (e-5), and (e-6) of this Section, the court shall not order:

(A) the sealing or expungement of the records of arrests or charges not initiated by arrest that result in an order of supervision for or conviction of: (i) any sexual
offense committed against a minor; (ii) Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; or (iii) Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, unless the arrest or charge is for a misdemeanor violation of subsection (a) of Section 11-503 or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a)(1)(G)), unless the petitioner was arrested and released without charging.

(C) the sealing of the records of arrests or charges not initiated by arrest which result in an order of supervision or a conviction for the following offenses:

(i) offenses included in Article 11 of the Criminal Code of 1961 or the Criminal Code of 2012 or a similar provision of a local ordinance, except Section 11-14 and a misdemeanor violation of Section 11-30 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(ii) Section 11-1.50, 12-3.4, 12-15, 12-30, 26-5, or 48-1 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(iii) Sections 12-3.1 or 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012, or Section 125 of the Stalking No Contact Order Act, or Section 219 of the Civil No Contact Order Act, or a similar provision of a local ordinance;

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(1.5) When a petitioner seeks to have a record of arrest expunged under this Section, and the offender has been convicted of a criminal offense, the State's Attorney may object to the expungement on the grounds that the records contain specific relevant information aside from the mere fact of the arrest.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 11-1.50, 12-3.2, or 12-15 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(i-5) Those arrests or charges that resulted in orders of supervision for a misdemeanor violation of subsection (a) of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not be eligible for expungement until the petitioner has reached the age of 25 years.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.

(3) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his or her name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the

aggrieved's name. The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court that finds the petitioner factually innocent of the charge shall enter an expungement order for the conviction for which the petitioner has been determined to be innocent as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961 or the Criminal Code of 2012,
Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Substance Use Disorder Act, or Section 10 of the Steroid Control Act.

(8) If the petitioner has been granted a certificate of innocence under Section 2-702 of the Code of Civil Procedure, the court that grants the certificate of innocence shall also enter an order expunging the conviction for which the petitioner has been determined to be innocent as provided in subsection (h) of Section 2-702 of the Code of Civil Procedure.

(c) Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults. Subsection (g) of this Section provides for immediate sealing of certain records.

(2) Eligible Records. The following records may be sealed:

(C) Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsections (c)(2)(D), (c)(2)(E), and (c)(2)(F) may be sealed 3 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)). Convictions requiring public registration under the Arsonist Registration Act, the Sex Offender Registration Act, or the Murderer and Violent Offender Against Youth Registration Act may not be sealed until the petitioner is no longer required to register under that relevant Act.

(D) Records identified in subsection (a)(3)(A)(iii) may be sealed after the petitioner has reached the age of 25 years.

(E) Records identified as eligible under subsections (c)(2)(C), (c)(2)(D), (c)(2)(E), or (c)(2)(F) may be sealed upon termination of the petitioner's last sentence if the petitioner earned a high school diploma, associate's degree, career certificate, vocational technical certification, or bachelor's degree, or passed the high school level Test of General Educational Development, during the period of his or her sentence, aftercare release, or mandatory supervised release. If a petition for sealing eligible records filed under this subparagraph is denied by

the court, the time periods under subparagraph (B) or (C) shall apply to any subsequent petition for sealing filed by the petitioner.

(4) Subsequent felony convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (c) if he or she is convicted of any felony offense after the date of the sealing of prior felony convictions as provided in this subsection (c). The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.

(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

(d) Procedure. The following procedures apply to expungement under subsections (b), (e), and (e-6) and sealing under subsections (c) and (e-5):

(1) Filing the petition. Upon becoming eligible to petition for the expungement or sealing of records under this Section, the petitioner shall file a petition requesting the expungement or sealing of records with the clerk of the court where the arrests occurred or the charges were brought, or both. If arrests occurred or charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, except no fee shall be required if the petitioner has obtained a court order waiving fees under Supreme Court Rule 298 or it is otherwise waived.

(1.5) County fee waiver pilot program. In a county of 3,000,000 or more inhabitants, no fee shall be required to be paid by a petitioner if the records sought to be expunged or sealed were arrests resulting in release without charging or arrests or charges not initiated by arrest resulting in acquittal, dismissal, or conviction when the conviction was reversed or vacated, unless excluded by subsection (a)(3)(B). The provisions of this paragraph (1.5), other than this sentence, are inoperative on and after January 1, 2019.

(2) Contents of petition. The petition shall be verified and shall contain the petitioner's name, date of birth, current address and, for each arrest or charge not initiated by arrest sought to be sealed or expunged, the case number, the date of arrest (if any), the
identity of the arresting authority, and such other information as the court may require. During the pendency of the proceeding, the petitioner shall promptly notify the circuit court clerk of any change of his or her address. If the petitioner has received a certificate of eligibility for sealing from the Prisoner Review Board under paragraph (10) of subsection (a) of Section 3-3-2 of the Unified Code of Corrections, the certificate shall be attached to the petition.

(3) Drug test. The petitioner must attach to the petition proof that the petitioner has passed a test taken within 30 days before the filing of the petition showing the absence within his or her body of all illegal substances as defined by the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, and the Cannabis Control Act if he or she is petitioning to:

(A) seal felony records under clause (c)(2)(E);

(B) seal felony records for a violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act under clause (c)(2)(F);

(C) seal felony records under subsection (e-5); or

(D) expunge felony records of a qualified probation under clause (b)(1)(iv).

(4) Service of petition. The circuit court clerk shall promptly serve a copy of the petition and documentation to support the petition under subsection (e-5) or (e-6) on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest.

(5) Objections.

(A) Any party entitled to notice of the petition may file an objection to the petition. All objections shall be in writing, shall be filed with the circuit court clerk, and shall state with specificity the basis of the objection. Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, an objection to the petition may not be filed.

(B) Objections to a petition to expunge or seal must be filed within 60 days of the date of service of the petition.

(6) Entry of order.

(A) The Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, if any, shall rule on the petition to expunge or seal as set forth in this subsection (d)(6).

(B) Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency, or the chief legal officer files an objection to the petition to expunge or seal within 60 days from the date of service of the petition, the court shall enter an order granting or denying the petition.

(C) Notwithstanding any other provision of law, the court shall not deny a petition for sealing under this Section because the petitioner has not satisfied an outstanding legal financial obligation established, imposed, or originated by a court, law enforcement agency, or a municipal, State, county, or other unit of local government, including, but not limited to, any cost, assessment, fine, or fee. An outstanding legal financial obligation does not include any court ordered restitution to a victim under Section 5-5-6 of the Unified Code of Corrections, unless the restitution has been converted to a civil judgment. Nothing in this subparagraph (C) waives, rescinds, or abrogates a legal financial obligation or otherwise eliminates or affects the right of the holder of any financial obligation to pursue collection under applicable federal, State, or local law.

(7) Hearings. If an objection is filed, the court shall set a date for a hearing and notify the petitioner and all parties entitled to notice of the petition of the hearing date at least 30 days prior to the hearing. Prior to the hearing, the State's Attorney shall consult with the Department as to the appropriateness of the relief sought in the petition to expunge or seal. At the hearing, the court shall hear evidence on whether the petition should or should not be granted, and shall grant or deny the petition to expunge or seal the records based on the evidence presented at the hearing. The court may consider the following:

(D) the period of time between the petitioner's arrest on the charge resulting in the conviction and the filing of the petition under this Section; and

(E) the specific adverse consequences the petitioner may be subject to if the petition is denied.

(8) Service of order. After entering an order to expunge or seal records, the court must provide copies of the order to the Department, in a form and manner prescribed by the Department, to the petitioner, to the State's Attorney or prosecutor charged with the duty of prosecuting the offense, to the arresting agency, to the chief legal officer of the unit of local government effecting the arrest, and to such other criminal justice agencies as may be ordered by the court.

(9) Implementation of order.

(A) Upon entry of an order to expunge records pursuant to (b)(2)(A) or (b)(2)(B)(ii), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency, the Department, and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order; and

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Department within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for such records from anyone not authorized by law to access such records, the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(iii) the records shall be impounded by the Department within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for these records from anyone not authorized by law to access the records, the court, the Department, or the agency receiving the inquiry shall reply as it does in response to inquiries when no records ever existed.

(C) Upon entry of an order to seal records under subsection (e), the arresting agency, any other agency as ordered by the court, the Department, and the court shall seal the records (as defined in subsection (a)(1)(K)).
response to an inquiry for such records, from anyone not authorized by law to access such records, the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(D) The Department shall send written notice to the petitioner of its compliance with each order to expunge or seal records within 60 days of the date of service of that order or, if a motion to vacate, modify, or reconsider is filed, within 60 days of service of the order resolving the motion, if that order requires the Department to expunge or seal records. In the event of an appeal from the circuit court order, the Department shall send written notice to the petitioner of its compliance with an Appellate Court or Supreme Court judgment to expunge or seal records within 60 days of the issuance of the court's mandate. The notice is not required while any motion to vacate, modify, or reconsider, or any appeal or petition for discretionary appellate review, is pending.

(E) Upon motion, the court may order that a sealed judgment or other court record necessary to demonstrate the amount of any legal financial obligation due and owing be made available for the limited purpose of collecting any legal financial obligations owed by the petitioner that were established, imposed, or originated in the criminal proceeding for which those records have been sealed. The records made available under this subparagraph (E) shall not be entered into the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act and shall be immediately re-impounded upon the collection of the outstanding financial obligations.

(F) Notwithstanding any other provision of this Section, a circuit court clerk may access a sealed record for the limited purpose of collecting payment for any legal financial obligations that were established, imposed, or originated in the criminal proceedings for which those records have been sealed.

(10) Fees. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal

records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the petition to seal or expunge, the circuit court clerk shall deposit $10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. The circuit court clerk shall collect and forward the Department of State Police portion of the fee to the Department and it shall be deposited in the State Police Services Fund. If the record brought under an expungement petition was previously sealed under this Section, the fee for the expungement petition for that same record shall be waived.

(11) Final Order. No court order issued under the expungement or sealing provisions of this Section shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to notice of the petition.

(12) Motion to Vacate, Modify, or Reconsider. Under Section 2-1203 of the Code of Civil Procedure, the petitioner or any party entitled to notice may file a motion to vacate, modify, or reconsider the order granting or denying the petition to expunge or seal within 60 days of service of the order. If filed more than 60 days after service of the order, a petition to vacate, modify, or reconsider shall comply with subsection (c) of Section 2-1401 of the Code of Civil Procedure. Upon filing of a motion to vacate, modify, or reconsider, notice of the motion shall be served upon the petitioner and all parties entitled to notice of the petition.

(13) Effect of Order. An order granting a petition under the expungement or sealing provisions of this Section shall not be considered void because it fails to comply with the provisions of this Section or because of any error asserted in a motion to vacate, modify, or reconsider. The circuit court retains jurisdiction to determine whether the order is voidable and to vacate, modify, or reconsider its terms based on a motion filed under paragraph (12) of this subsection (d).

(14) Compliance with Order Granting Petition to Seal Records. Unless a court has entered a stay of an order granting a petition to seal, all parties entitled to notice of the petition must

(15) Compliance with Order Granting Petition to Expunge Records. While a party is seeking relief from the order granting the petition to expunge through a motion filed under paragraph (12) of this subsection (d) or is appealing the order, and unless a court has entered a stay of that order, the parties entitled to notice of the petition must seal, but need not expunge, the records until there is a final order on the motion for relief or, in the case of an appeal, the issuance of that court's mandate.

(16) The changes to this subsection (d) made by Public Act 98-163 apply to all petitions pending on August 5, 2013 (the effective date of Public Act 98-163) and to all orders ruling on a petition to expunge or seal on or after August 5, 2013 (the effective date of Public Act 98-163).

(e) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of

All records sealed by the Department may be disseminated by the Department only as required by this Act or to the arresting authority, a law enforcement agency, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of sealing, the circuit court clerk shall promptly mail a copy of the order to the person who was granted the certificate of eligibility for sealing.

Upon conviction for any subsequent offense, the Department of Corrections shall have access to all expunged records of the Department pertaining to that individual. Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was granted the certificate of eligibility for expungement.

(f) Subject to available funding, the Illinois Department of Corrections shall conduct a study of the impact of sealing, especially on employment and recidivism rates, utilizing a random sample of those who apply for the sealing of their criminal records under Public Act 93-211. At the request of the Illinois Department of Corrections, records of the Illinois Department of Employment Security shall be utilized as appropriate to assist in the study. The study shall not disclose any data in a manner that would allow the identification of any particular individual or employing unit. The study shall be made available to the General Assembly no later than September 1, 2010.

Section 15. The Juvenile Court Act of 1987 is amended by changing Sections 5-710 and 5-750 as follows:

(705 ILCS 405/5-710)

Sec. 5-710. Kinds of sentencing orders.

New matter indicated by italics - deletions by strikeout
(1) The following kinds of sentencing orders may be made in respect of wards of the court:

(a) Except as provided in Sections 5-805, 5-810, and 5-815, a minor who is found guilty under Section 5-620 may be:

(i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Juvenile Justice under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;

(ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;

(iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;

(iv) on and after the effective date of this amendatory Act of the 98th General Assembly and before January 1, 2017, placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 16 years of age or, pursuant to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. On and after January 1, 2017, placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 15 years of age or, pursuant to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency;

(v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10 years of age or older.

New matter indicated by italics - deletions by strikeout
However, the 30-day limitation may be extended by further order of the court for a minor under age 15 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts. The limitation that the minor shall only be placed in a juvenile detention home does not apply as follows:

Persons 18 years of age and older who have a petition of delinquency filed against them may be confined in an adult detention facility. In making a determination whether to confine a person 18 years of age or older who has a petition of delinquency filed against the person, these factors, among other matters, shall be considered:

(A) the age of the person;
(B) any previous delinquent or criminal history of the person;
(C) any previous abuse or neglect history of the person;
(D) any mental health history of the person; and

(E) any educational history of the person;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act;

(vii) subject to having his or her driver's license or driving privileges suspended for such time as determined by the court but only until he or she attains 18 years of age;

New matter indicated by italics - deletions by strikeout
(viii) put on probation or conditional discharge and placed in detention under Section 3-6039 of the Counties Code for a period not to exceed the period of incarceration permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law;

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body; or

(x) placed in electronic monitoring or home detention under Part 7A of this Article.

(b) A minor found to be guilty may be committed to the Department of Juvenile Justice under Section 5-750 if the minor is at least 13 years and under 20 years of age, provided that the commitment to the Department of Juvenile Justice shall be made only if the minor was found guilty of a felony offense or first degree murder. The court shall include in the sentencing order any pre-custody credits the minor is entitled to under Section 5-4.5-100 of the Unified Code of Corrections. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall also be considered as time spent in custody.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance use disorder treatment program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

New matter indicated by italics - deletions by strikeout
(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act. The court shall include in the sentencing order a limitation on the period of confinement not to exceed the maximum period of imprisonment the court could impose under Chapter 5 Article V of the Unified Code of Corrections.

(7.5) In no event shall a guilty minor be committed to the Department of Juvenile Justice or placed in detention when the act for which the minor was adjudicated delinquent would not be illegal if committed by an adult.

(7.6) In no event shall a guilty minor be committed to the Department of Juvenile Justice for an offense which is a Class 4 felony
under Section 19-4 (criminal trespass to a residence), 21-1 (criminal damage to property), 21-1.01 (criminal damage to government supported property), 21-1.3 (criminal defacement of property), 26-1 (disorderly conduct), or 31-4 (obstructing justice) of the Criminal Code of 2012.

(7.75) In no event shall a guilty minor be committed to the Department of Juvenile Justice for an offense that is a Class 3 or Class 4 felony violation of the Illinois Controlled Substances Act unless the commitment occurs upon a third or subsequent judicial finding of a violation of probation for substantial noncompliance with court-ordered treatment or programming.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 or paragraph (4) of subsection (a) of Section 21-1 of the Criminal Code of 2012 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly
confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961 or the Criminal Code of 2012, a violation of any Section of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the

meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the minor holds a driver's license at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.

(12) If a minor is found to be guilty of a violation of subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may, in its discretion, and upon recommendation by the State's Attorney, order that minor and his or her parents or legal guardian to attend a smoker's education or youth diversion program as defined in that Act if that program is available in the jurisdiction where the offender resides. Attendance at a smoker's education or youth diversion program shall be time-credited against any community service time imposed for any first violation of subsection (a-7) of Section 1 of that Act. In addition to any other penalty that the court may impose for a violation of subsection (a-7) of Section 1 of that Act, the court, upon request by the State's Attorney, may in its discretion require the offender to remit a fee for his or her attendance at a smoker's education or youth diversion program.

For purposes of this Section, "smoker's education program" or "youth diversion program" includes, but is not limited to, a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the health consequences of smoking tobacco products that can be conducted with a locality's youth diversion program.

In addition to any other penalty that the court may impose under this subsection (12):

(a) If a minor violates subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may impose a sentence of 15 hours of community service or a fine of $25 for a first violation.

(b) A second violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a fine of $50 and 25 hours of community service.

(c) A third or subsequent violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a $100 fine and 30 hours of community service.

(d) Any second or subsequent violation not within the 12-month time period after the first violation is punishable as provided for a first violation.

Sec. 5-750. Commitment to the Department of Juvenile Justice.

(1) Except as provided in subsection (2) of this Section, when any delinquent has been adjudged a ward of the court under this Act, the court may commit him or her to the Department of Juvenile Justice, if it finds that (a) his or her parents, guardian or legal custodian are unfit or are unable, for some reason other than financial circumstances alone, to care for, protect, train or discipline the minor, or are unwilling to do so, and the best interests of the minor and the public will not be served by placement under Section 5-740, or it is necessary to ensure the protection of the public from the consequences of criminal activity of the delinquent; and (b) commitment to the Department of Juvenile Justice is the least restrictive alternative based on evidence that efforts were made to locate less restrictive alternatives to secure confinement and the reasons why efforts were unsuccessful in locating a less restrictive alternative to secure confinement. Before the court commits a minor to the Department of Juvenile Justice, it shall make a finding that secure confinement is necessary, following a review of the following individualized factors:

(A) Age of the minor.

(B) Criminal background of the minor.

New matter indicated by italics - deletions by strikeout
(C) Review of results of any assessments of the minor, including child centered assessments such as the CANS.

(D) Educational background of the minor, indicating whether the minor has ever been assessed for a learning disability, and if so what services were provided as well as any disciplinary incidents at school.

(E) Physical, mental and emotional health of the minor, indicating whether the minor has ever been diagnosed with a health issue and if so what services were provided and whether the minor was compliant with services.

(F) Community based services that have been provided to the minor, and whether the minor was compliant with the services, and the reason the services were unsuccessful.

(G) Services within the Department of Juvenile Justice that will meet the individualized needs of the minor.

(1.5) Before the court commits a minor to the Department of Juvenile Justice, the court must find reasonable efforts have been made to prevent or eliminate the need for the minor to be removed from the home, or reasonable efforts cannot, at this time, for good cause, prevent or eliminate the need for removal, and removal from home is in the best interests of the minor, the minor's family, and the public.

(2) When a minor of the age of at least 13 years is adjudged delinquent for the offense of first degree murder, the court shall declare the minor a ward of the court and order the minor committed to the Department of Juvenile Justice until the minor's 21st birthday, without the possibility of aftercare release, furlough, or non-emergency authorized absence for a period of 5 years from the date the minor was committed to the Department of Juvenile Justice, except that the time that a minor spent in custody for the instant offense before being committed to the Department of Juvenile Justice shall be considered as time credited towards that 5 year period. Upon release from a Department facility, a minor adjudged delinquent for first degree murder shall be placed on aftercare release until the age of 21, unless sooner discharged from aftercare release or custodianship is otherwise terminated in accordance with this Act or as otherwise provided for by law. Nothing in this subsection (2) shall preclude the State's Attorney from seeking to prosecute a minor as an adult as an alternative to proceeding under this Act.

(3) Except as provided in subsection (2), the commitment of a delinquent to the Department of Juvenile Justice shall be for an indeterminate term which shall automatically terminate upon the delinquent attaining the age of 21 years or upon completion of that period for which an adult could be committed for the same act, whichever occurs sooner, unless the delinquent is sooner discharged from aftercare release or custodianship is otherwise terminated in accordance with this Act or as otherwise provided for by law.

(3.5) Every delinquent minor committed to the Department of Juvenile Justice under this Act shall be eligible for aftercare release without regard to the length of time the minor has been confined or whether the minor has served any minimum term imposed. Aftercare release shall be administered by the Department of Juvenile Justice, under the direction of the Director. Unless sooner discharged, the Department of Juvenile Justice shall discharge a minor from aftercare release upon completion of the following aftercare release terms:

(a) One and a half years from the date a minor is released from a Department facility, if the minor was committed for a Class X felony;

(b) One year from the date a minor is released from a Department facility, if the minor was committed for a Class 1 or 2 felony; and

(c) Six months from the date a minor is released from a Department facility, if the minor was committed for a Class 3 felony or lesser offense.

(4) When the court commits a minor to the Department of Juvenile Justice, it shall order him or her conveyed forthwith to the appropriate reception station or other place designated by the Department of Juvenile Justice, and shall appoint the Director of Juvenile Justice legal custodian of the minor. The clerk of the court shall issue to the Director of Juvenile Justice a certified copy of the order, which constitutes proof of the Director's authority. No other process need issue to warrant the keeping of the minor.

(5) If a minor is committed to the Department of Juvenile Justice, the clerk of the court shall forward to the Department:

(a) the sentencing order and copies of committing petition;

(b) all reports;

(c) the court's statement of the basis for ordering the disposition;

(g) any medical or mental health records or summaries of the minor;
(h) the municipality where the arrest of the minor occurred, the commission of the offense occurred, and the minor resided at the time of commission;
(h-5) a report detailing the minor's criminal history in a manner and form prescribed by the Department of Juvenile Justice; and
(i) all additional matters which the court directs the clerk to transmit.

(6) Whenever the Department of Juvenile Justice lawfully discharges from its custody and control a minor committed to it, the Director of Juvenile Justice shall petition the court for an order terminating his or her custodianship. The custodianship shall terminate automatically 30 days after receipt of the petition unless the court orders otherwise.

(7) If, while on aftercare release, a minor committed to the Department of Juvenile Justice who resides in this State is charged under the criminal laws of this State, the criminal laws of any other state, or federal law with an offense that could result in a sentence of imprisonment within the Department of Corrections, the penal system of any state, or the federal Bureau of Prisons, the commitment to the Department of Juvenile Justice and all rights and duties created by that commitment are automatically suspended pending final disposition of the criminal charge. If the minor is found guilty of the criminal charge and sentenced to a term of imprisonment in the penitentiary system of the Department of Corrections, the penal system of any state, or the federal Bureau of Prisons, the commitment to the Department of Juvenile Justice shall be automatically terminated. If the criminal charge is dismissed, the minor is found not guilty, or the minor completes a criminal sentence other than imprisonment within the Department of Corrections, the penal system of

any state, or the federal Bureau of Prisons, the previously imposed commitment to the Department of Juvenile Justice and the full aftercare release term shall be automatically reinstated unless custodianship is sooner terminated. Sec. 18.1. Public health dental supervision responsibilities.

(a) When working together in a public health supervision relationship, dentists and public health dental hygienists shall enter into a public health supervision agreement. The dentist providing public health supervision must:

(1) be available to provide an appropriate level of contact, communication, collaboration, and consultation with the public health dental hygienist and must meet in-person with the public health dental hygienist at least quarterly for review and consultation;

(2) have specific standing orders or policy guidelines for procedures that are to be carried out for each location or program, although the dentist need not be present when the procedures are being performed;

(3) provide for the patient's additional necessary care in consultation with the public health dental hygienist;

(4) file agreements and notifications as required; and

(5) include procedures for creating and maintaining dental records, including protocols for transmission of all records between the public health dental hygienist and the dentist following each treatment, which shall include a notation regarding procedures authorized by the dentist and performed by the public health dental hygienist and the location where those records are to be kept.

Each dentist and hygienist who enters into a public health supervision agreement must document and maintain a copy of any change or termination of that agreement.

Dental records shall be owned and maintained by the supervising dentist for all patients treated under public health supervision, unless the supervising dentist is an employee of a public health clinic or federally qualified health center, in which case the public health clinic or federally qualified health center shall maintain the records.

If a dentist ceases to be employed or contracted by the facility, the dentist shall notify the facility administrator that the public health supervision agreement is no longer in effect. A new public health supervision agreement is required for the public health dental hygienist to continue treating patients under public health supervision.

A dentist entering into an agreement under this Section may supervise and enter into agreements for public health supervision with 2 public health dental hygienists. This shall be in addition to the limit of 4 dental hygienists per dentist set forth in subsection (g) of Section 18 of this Act.

(b) A public health dental hygienist providing services under public health supervision may perform only those duties within the accepted scope of practice of dental hygiene, as follows:

1. the operative procedures of dental hygiene, consisting of oral prophylactic procedures, including prophylactic cleanings, application of fluoride, and placement of sealants;
2. the exposure and processing of x-ray films of the teeth and surrounding structures; and
3. such other procedures and acts as shall be prescribed by rule of the Department.

Any patient treated under this subsection (b) must be examined by a dentist before additional services can be provided by a public health dental hygienist. However, if the supervising dentist, after consultation with the public health hygienist, determines that time is needed to complete an approved treatment plan on a patient eligible under this Section, then the dentist may instruct the hygienist to complete the remaining services prior to an oral examination by the dentist. Such instruction by the dentist to the hygienist shall be noted in the patient's records. Any services performed under this exception must be scheduled in a timely manner and shall not occur more than 30 days after the first appointment date.

(c) A public health dental hygienist providing services under public health supervision must:

1. provide to the patient, parent, or guardian a written plan for referral or an agreement for follow-up that records all conditions observed that should be called to the attention of a dentist for proper diagnosis;
2. have each patient sign a permission slip or consent form that informs them that the service to be received does not take the place of regular dental checkups at a dental office and is meant for people who otherwise would not have access to the service;
3. inform each patient who may require further dental services of that need;

(4) maintain an appropriate level of contact and communication with the dentist providing public health supervision; and

(5) complete an additional 4 hours of continuing education in areas specific to public health dentistry yearly.

(d) Each public health dental hygienist who has rendered services under subsections (c), (d), and (e) of this Section must complete a summary report at the completion of a program or, in the case of an ongoing program, at least annually. The report must be completed in the manner specified by the Division of Oral Health in the Department of Public Health including information about each location where the public health dental hygienist has rendered these services. The public health dental hygienist must submit the form to the dentist providing supervision for his or her signature before sending it to the Division.

(e) Public health dental hygienists providing services under public health supervision may be compensated for their work by salary, honoraria, and other mechanisms by the employing or sponsoring entity. Nothing in this Act shall preclude the entity that employs or sponsors a public health dental hygienist from seeking payment, reimbursement, or other source of funding for the services provided.

Sec. 38.2. Death or incapacitation of dentist.

(a) The executor or administrator of a dentist's estate or the legal guardian or authorized representative of a dentist who has become incapacitated may contract with another dentist or dentists to continue the operations of the deceased or incapacitated dentist's practice (if the practice of the deceased or incapacitated dentist is a sole proprietorship, a corporation where the deceased or incapacitated dentist is the sole shareholder, or a limited liability company where the deceased or incapacitated dentist is the sole member) for a period of no more than one year from the time of death or incapacitation of the dentist or until the practice is sold, whichever occurs first, if all the following conditions are met:

(2) Within 30 days after the death or incapacitation of a dentist, the executor, administrator, guardian, or authorized representative shall send notification of the death or incapacitation by mail to the last known address of each patient of record that has seen the deceased or incapacitated dentist within the previous 12 months, with an explanation of how copies of the practitioner's records may be obtained. This notice may also contain any other relevant information concerning the continuation of the dental practice.

Continuation of the operations of the dental practice of a deceased or incapacitated dentist shall not begin until the provisions of this subsection (a) have been met.

If the practice is not sold within the initial one-year period, the provision described in subsection (a) may be extended for additional 12-month periods by the Department. However, if the extension is approved, the extension shall not exceed 3 additional 12-month periods. Each extension must be granted prior to the expiration date of the prior extension and must be accompanied by a petition detailing the reasons for the extension that must be kept on file by the Department.

At least 15 days before the hearing date, the Department (i) must notify, in writing, the executor, administrator, guardian, or authorized representative at the address provided, pursuant to item (C) of subdivision (1) of subsection (a) of this Section, and to the contracting dentist or dentists at the address of the dental practice provided pursuant to item (B) of subdivision (1) of subsection (a) of this Section, of any charges made and of the time and place of the hearing on the charges before the Secretary or hearing officer, as provided in Section 30 of this Act, (ii) direct the executor, administrator, guardian, or authorized representative to file his or her written answer to such charges with the Secretary under oath within 10 days after the service on the executor, administrator, guardian, or authorized representative of the notice, and (iii) inform the executor, administrator, guardian, or authorized representative that if he or she fails to file such answer, a default judgment will be entered against him or her and the operations of the dental practice shall be terminated.

(c) If the Secretary finds that evidence in his or her possession indicates that a violation of this Section or Section 23 or 24 of this Act constitutes an immediate threat to the public health, safety, or welfare, the Secretary may immediately terminate the operations of the dental practice without a hearing. Upon service by certified mail to the executor, administrator, guardian, or authorized representative, at the address provided pursuant to item (C) of subdivision (1) of subsection (a) of this Section, and the contracting dentist or dentists, at the address of the dental practice provided pursuant to item (B) of subdivision (1) of subsection (a) of this Section, of notice of an order immediately terminating the operations of the dental practice, the executor, administrator, guardian, or authorized representative may petition the Department within 30 days for a hearing to take place within 30 days after the petition is filed.

Section 15. The Illinois Living Will Act is amended by changing
Sections 2, 5, and 9 as follows:

(755 ILCS 35/2) (from Ch. 110 1/2, par. 702)
Sec. 2. Definitions:
(a) "Attending physician" means the physician selected by, or assigned to, the patient who has primary responsibility for the treatment and care of the patient.

(b) "Declaration" means a witnessed document in writing, *in a hard copy or electronic format*, voluntarily executed by the declarant in accordance with the requirements of Section 3.

(c) "Health-care provider" means a person who is licensed, certified or otherwise authorized by the law of this State to administer health care in the ordinary course of business or practice of a profession.

(d) "Death delaying procedure" means any medical procedure or intervention which, when applied to a qualified patient, in the judgement of the attending physician would serve only to postpone the moment of death. In appropriate circumstances, such procedures include, but are not limited to, assisted ventilation, artificial kidney treatments, intravenous feeding or medication, blood transfusions, tube feeding and other procedures of greater or lesser magnitude that serve only to delay death. However, this Act does not affect the responsibility of the attending physician or other health care provider to provide treatment for a patient's comfort care or alleviation of pain. Nutrition and hydration shall not be withdrawn or withheld from a qualified patient if the withdrawal or withholding would result in death solely from dehydration or starvation rather than from the existing terminal condition.

(e) "Person" means an individual, corporation, business trust, estate, trust, partnership, association, government, governmental subdivision or agency, or any other legal entity.

(f) "Physician" means a person licensed to practice medicine in all its branches.

(g) "Qualified patient" means a patient who has executed a declaration in accordance with this Act and who has been diagnosed and verified in writing to be afflicted with a terminal condition by his or her attending physician who has personally examined the patient. A qualified patient has the right to make decisions regarding death delaying procedures as long as he or she is able to do so.

(h) "Terminal condition" means an incurable and irreversible condition which is such that death is imminent and the application of death delaying procedures serves only to prolong the dying process.

(755 ILCS 35/5) (from Ch. 110 1/2, par. 705)
Sec. 5. Revocation. (a) A declaration may be revoked at any time by the declarant, without regard to declarant's mental or physical condition, by any of the following methods:

1. By being obliterated, burnt, torn or otherwise destroyed or defaced in a manner indicating intention to cancel;
2. By a written revocation of the declaration signed and dated by the declarant or person acting at the direction of the declarant, regardless of whether the written revocation is in electronic or hard copy format; or
3. By an oral or any other expression of the intent to revoke the declaration, in the presence of a witness 18 years of age or older who signs and dates a writing confirming that such expression of intent was made; or
4. For an electronic declaration, by deleting in a manner indicating the intention to revoke. An electronic declaration may be revoked electronically using a generic, technology-neutral system in which each user is assigned a unique identifier that is securely maintained and in a manner that meets the regulatory requirements for a digital or electronic signature. Compliance with the standards defined in the Electronic Commerce Security Act or the implementing rules of the Hospital Licensing Act for medical record entry authentication for author validation of the documentation, content accuracy, and completeness meets this standard.

(b) A revocation is effective upon communication to the attending physician by the declarant or by another who witnessed the revocation. The attending physician shall record in the patient's medical record the time and date when and the place where he or she received notification of the revocation.

(c) There shall be no criminal or civil liability on the part of any person for failure to act upon a revocation made pursuant to this Section unless that person has actual knowledge of the revocation.

(755 ILCS 35/9) (from Ch. 110 1/2, par. 709)

Sec. 9. General provisions. (a) The withholding or withdrawal of death delaying procedures from a qualified patient in accordance with the provisions of this Act shall not, for any purpose, constitute a suicide.

(b) The making of a declaration pursuant to Section 3 shall not affect in any manner the sale, procurement, or issuance of any policy of life insurance, nor shall it be deemed to modify the terms of an existing policy of life insurance. No policy of life insurance shall be legally

New matter indicated by italics - deletions by strikeout
impaired or invalidated in any manner by the withholding or withdrawal of
death delaying procedures from an insured qualified patient,
notwithstanding any term of the policy to the contrary.

(c) No physician, health care facility, or other health care provider,
and no health care service plan, health maintenance organization, insurer
issuing disability insurance, self-insured employee welfare benefit
plan, nonprofit medical service corporation or mutual nonprofit hospital
service corporation shall require any person to execute a declaration as a
condition for being insured for, or receiving, health care services.

(d) Nothing in this Act shall impair or supersede any legal right or
legal responsibility which any person may have to effect the withholding
or withdrawal of death delaying procedures in any lawful manner. In such
respect the provisions of this Act are cumulative.

(e) This Act shall create no presumption concerning the intention
of an individual who has not executed a declaration to consent to the use
or withholding of death delaying procedures in the event of a terminal
condition.

(f) Nothing in this Act shall be construed to condone, authorize or
approve mercy killing or to permit any affirmative or deliberate act or
omission to end life other than to permit the natural process of dying as
provided in this Act.

(g) An instrument executed before the effective date of this Act
that substantially complies with subsection paragraph (e) of Section 3 shall
be given effect pursuant to the provisions of this Act.

(h) A declaration executed in another state in compliance with the
law of that state or this State is validly executed for purposes of this Act,
and such declaration shall be applied in accordance with the provisions of
this Act.

(i) Documents, writings, forms, and copies referred to in this Act
may be in hard copy or electronic format. Nothing in this Act is intended
to prevent the population of a declaration, document, writing, or form
with electronic data. Electronic documents under this Act may be created,
signed, or revoked electronically using a generic, technology-neutral
system in which each user is assigned a unique identifier that is securely
maintained and in a manner that meets the regulatory requirements for a
digital or electronic signature. Compliance with the standards defined in

(755 ILCS 40/70 new)
Sec. 70. Format. The affidavit, medical record, documents, and forms referred to in this Act may be in hard copy or electronic format. Nothing in this Act is intended to prevent the population of an affidavit, medical record, document, or form with electronic data. A living will, mental health treatment preferences declaration, practitioner orders for life-sustaining treatment (POLST), or power of attorney for health care that is populated with electronic data is operative. Electronic documents under this Act may be created, signed, or revoked electronically using a generic, technology-neutral system in which each user is assigned a unique identifier that is securely maintained and in a manner that meets the regulatory requirements for a digital or electronic signature. Compliance with the standards defined in the Electronic Commerce Security Act or the implementing rules of the Hospital Licensing Act for medical record entry authentication for author validation of the documentation, content accuracy, and completeness meets this standard.

Section 25. The Mental Health Treatment Preference Declaration Act is amended by changing Sections 5, 20, and 50 and by adding Section 23 as follows:

Sec. 20. Signatures required.

(a) A declaration is effective only if it is signed by the principal, and 2 competent adult witnesses. The witnesses must attest that the principal is known to them, signed the declaration in their presence and appears to be of sound mind and not under duress, fraud or undue influence. Persons specified in Section 65 of this Act may not act as witnesses.

(b) The signature and execution requirements set forth in this Act are satisfied by: (i) written signatures or initials; or (ii) electronic signatures or computer-generated signature codes. Electronic documents under this Act may be created, signed, or revoked electronically using a generic, technology-neutral system in which each user is assigned a unique identifier that is securely maintained and in a manner that meets the regulatory requirements for a digital or electronic signature. Sec. 50. Revocation. A declaration may be revoked in whole or in part by written statement at any time by the principal if the principal is not incapable, regardless of whether the written revocation is in an electronic or hard copy format. A written statement of revocation is effective when signed by the principal and a physician and the principal delivers the revocation to the attending physician. An electronic declaration may be revoked electronically using a generic, technology-neutral system in which each user is assigned a unique identifier that is securely maintained and in a manner that meets the regulatory requirements for a digital or electronic signature. Sec. 4-10. Statutory short form power of attorney for health care.

New matter indicated by italics - deletions by strikeout
(a) The form prescribed in this Section (sometimes also referred to in this Act as the "statutory health care power") may be used to grant an agent powers with respect to the principal's own health care; but the statutory health care power is not intended to be exclusive nor to cover delegation of a parent's power to control the health care of a minor child, and no provision of this Article shall be construed to invalidate or bar use by the principal of any other or different form of power of attorney for health care. Nonstatutory health care powers must be executed by the principal, designate the agent and the agent's powers, and comply with the limitations in Section 4-5 of this Article, but they need not be witnessed or conform in any other respect to the statutory health care power.

No specific format is required for the statutory health care power of attorney other than the notice must precede the form. The statutory health care power may be included in or combined with any other form of power of attorney governing property or other matters.

The signature and execution requirements set forth in this Article are satisfied by: (i) written signatures or initials; or (ii) electronic signatures or computer-generated signature codes. Electronic documents under this Act may be created, signed, or revoked electronically using a generic, technology-neutral system in which each user is assigned a unique identifier that is securely maintained and in a manner that meets the regulatory requirements for a digital or electronic signature. Compliance with the standards defined in the Electronic Commerce Security Act or the implementing rules of the Hospital Licensing Act for medical record entry authentication for author validation of the documentation, content accuracy, and completeness meets this standard.

(b) The Illinois Statutory Short Form Power of Attorney for Health Care shall be substantially as follows:

NOTICE TO THE INDIVIDUAL SIGNING
THE POWER OF ATTORNEY FOR HEALTH CARE

No one can predict when a serious illness or accident might occur. When it does, you may need someone else to speak or make health care decisions for you. If you plan now, you can increase the chances that the medical treatment you get will be the treatment you want.

In Illinois, you can choose someone to be your "health care agent". Your agent is the person you trust to make health care decisions for you if you are unable or do not want to make them yourself. These decisions should be based on your personal values and wishes.

New matter indicated by italics - deletions by strikeout
It is important to put your choice of agent in writing. The written form is often called an "advance directive". You may use this form or another form, as long as it meets the legal requirements of Illinois. There are many written and on-line resources to guide you and your loved ones in having a conversation about these issues. You may find it helpful to look at these resources while thinking about and discussing your advance directive.

WHAT ARE THE THINGS I WANT MY HEALTH CARE AGENT TO KNOW?

The selection of your agent should be considered carefully, as your agent will have the ultimate decision-making authority once this document goes into effect, in most instances after you are no longer able to make your own decisions. While the goal is for your agent to make decisions in keeping with your preferences and in the majority of circumstances that is what happens, please know that the law does allow your agent to make decisions to direct or refuse health care interventions or withdraw treatment. Your agent will need to think about conversations you have had, your personality, and how you handled important health care issues in the past. Therefore, it is important to talk with your agent and your family about such things as:

(i) What is most important to you in your life?
(ii) How important is it to you to avoid pain and suffering?
(iii) If you had to choose, is it more important to you to live as long as possible, or to avoid prolonged suffering or disability?
(iv) Would you rather be at home or in a hospital for the last days or weeks of your life?
(v) Do you have religious, spiritual, or cultural beliefs that you want your agent and others to consider?
(vi) Do you wish to make a significant contribution to medical science after your death through organ or whole body donation?
(vii) Do you have an existing advance directive, such as a living will, that contains your specific wishes about health care that is only delaying your death? If you have another advance directive, make sure to discuss with your agent the directive and the treatment decisions contained within that outline your preferences. Make sure that your agent agrees to honor the wishes expressed in your advance directive.

WHAT KIND OF DECISIONS CAN MY AGENT MAKE?

New matter indicated by italics - deletions by strikeout
If there is ever a period of time when your physician determines that you cannot make your own health care decisions, or if you do not want to make your own decisions, some of the decisions your agent could make are to:

(i) talk with physicians and other health care providers about your condition.
(ii) see medical records and approve who else can see them.
(iii) give permission for medical tests, medicines, surgery, or other treatments.
(iv) choose where you receive care and which physicians and others provide it.
(v) decide to accept, withdraw, or decline treatments designed to keep you alive if you are near death or not likely to recover. You may choose to include guidelines and/or restrictions to your agent's authority.
(vi) agree or decline to donate your organs or your whole body if you have not already made this decision yourself. This could include donation for transplant, research, and/or education. You should let your agent know whether you are registered as a donor in the First Person Consent registry maintained by the Illinois Secretary of State or whether you have agreed to donate your whole body for medical research and/or education.
(vii) decide what to do with your remains after you have died, if you have not already made plans.
(viii) talk with your other loved ones to help come to a decision (but your designated agent will have the final say over your other loved ones).

Your agent is not automatically responsible for your health care expenses.

WHOM SHOULD I CHOOSE TO BE MY HEALTH CARE AGENT?

You can pick a family member, but you do not have to. Your agent will have the responsibility to make medical treatment decisions, even if other people close to you might urge a different decision. The selection of your agent should be done carefully, as he or she will have ultimate decision-making authority for your treatment decisions once you are no longer able to voice your preferences. Choose a family member, friend, or other person who:

(i) is at least 18 years old;
(ii) knows you well;

New matter indicated by italics - deletions by strikeout
(iii) you trust to do what is best for you and is willing to carry out your wishes, even if he or she may not agree with your wishes;

(iv) would be comfortable talking with and questioning your physicians and other health care providers;

(v) would not be too upset to carry out your wishes if you became very sick; and

(vi) can be there for you when you need it and is willing to accept this important role.

WHAT IF MY AGENT IS NOT AVAILABLE OR IS UNWILLING TO MAKE DECISIONS FOR ME?

If the person who is your first choice is unable to carry out this role, then the second agent you chose will make the decisions; if your second agent is not available, then the third agent you chose will make the decisions. The second and third agents are called your successor agents and they function as back-up agents to your first choice agent and may act only one at a time and in the order you list them.

WHAT WILL HAPPEN IF I DO NOT CHOOSE A HEALTH CARE AGENT?

If you become unable to make your own health care decisions and have not named an agent in writing, your physician and other health care providers will ask a family member, friend, or guardian to make decisions for you. In Illinois, a law directs which of these individuals will be consulted. In that law, each of these individuals is called a "surrogate".

There are reasons why you may want to name an agent rather than rely on a surrogate:

(i) The person or people listed by this law may not be who you would want to make decisions for you.

(ii) Some family members or friends might not be able or willing to make decisions as you would want them to.

(iii) Family members and friends may disagree with one another about the best decisions.

(iv) Under some circumstances, a surrogate may not be able to make the same kinds of decisions that an agent can make.

WHAT IF THERE IS NO ONE AVAILABLE WHOM I TRUST TO BE MY AGENT?

In this situation, it is especially important to talk to your physician and other health care providers and create written guidance about what you want or do not want, in case you are ever critically ill and cannot express

New matter indicated by italics - deletions by strikeout
your own wishes. You can complete a living will. You can also write your
wishes down and/or discuss them with your physician or other health care
provider and ask him or her to write it down in your chart. You might also
want to use written or on-line resources to guide you through this process.

WHAT DO I DO WITH THIS FORM ONCE I COMPLETE IT?

Follow these instructions after you have completed the form:

(i) Sign the form in front of a witness. See the form for a
list of who can and cannot witness it.
(ii) Ask the witness to sign it, too.
(iii) There is no need to have the form notarized.
(iv) Give a copy to your agent and to each of your successor
agents.
(v) Give another copy to your physician.
(vi) Take a copy with you when you go to the hospital.
(vii) Show it to your family and friends and others who care
for you.

WHAT IF I CHANGE MY MIND?

You may change your mind at any time. If you do, tell someone
who is at least 18 years old that you have changed your mind, and/or
destroy your document and any copies. If you wish, fill out a new form and
make sure everyone you gave the old form to has a copy of the new one,
including, but not limited to, your agents and your physicians.

WHAT IF I DO NOT WANT TO USE THIS FORM?

In the event you do not want to use the Illinois statutory form
provided here, any document you complete must be executed by you,
designate an agent who is over 18 years of age and not prohibited from
serving as your agent, and state the agent's powers, but it need not be
witnessed or conform in any other respect to the statutory health care
power.

If you have questions about the use of any form, you may want to
consult your physician, other health care provider, and/or an attorney.

If the agent I selected is unable or does not want to make health care decisions for me, then I request the person(s) I name below to be my successor health care agent(s). Only one person at a time can serve as my agent (add another page if you want to add more successor agent names):

.................

(Successor agent #1 name, address and phone number)

MY AGENT CAN MAKE HEALTH CARE DECISIONS FOR ME, INCLUDING:

(i) Deciding to accept, withdraw or decline treatment for any physical or mental condition of mine, including life-and-death decisions.

(ii) Agreeing to admit me to or discharge me from any hospital, home, or other institution, including a mental health facility.

(iii) Having complete access to my medical and mental health records, and sharing them with others as needed, including after I die.

(iv) Carrying out the plans I have already made, or, if I have not done so, making decisions about my body or remains, including organ, tissue or whole body donation, autopsy, cremation, and burial.

The above grant of power is intended to be as broad as possible so that my agent will have the authority to make any decision I could make to obtain or terminate any type of health care, including withdrawal of nutrition and hydration and other life-sustaining measures.

I AUTHORIZE MY AGENT TO (please check any one box):

.... Make decisions for me only when I cannot make them for myself. The physician(s) taking care of me will determine when I lack this ability.
(If no box is checked, then the box above shall be implemented.) OR

.... Make decisions for me only when I cannot make them for myself. The physician(s) taking care of me will determine when I lack this ability. Starting now, for the purpose of assisting me with my health care plans and decisions, my agent shall have complete access to my medical and mental health records, the authority to share them with others as needed, and the complete ability to communicate with my personal physician(s) and other health care providers, including the ability to require an opinion of my physician as to whether I lack the ability to make decisions for myself. OR

.... Make decisions for me starting now and continuing after I am no longer able to make them for myself. While I am still able to make my own decisions, I can still do so if I want to.

The subject of life-sustaining treatment is of particular importance. Life-sustaining treatments may include tube feedings or fluids through a tube, breathing machines, and CPR. In general, in making decisions concerning life-sustaining treatment, your agent is instructed to consider the relief of suffering, the quality as well as the possible extension of your life, and your previously expressed wishes. Your agent will weigh the burdens versus benefits of proposed treatments in making decisions on your behalf.

Additional statements concerning the withholding or removal of life-sustaining treatment are described below. These can serve as a guide for your agent when making decisions for you. Ask your physician or health care provider if you have any questions about these statements.

SELECT ONLY ONE STATEMENT BELOW THAT BEST EXPRESSES YOUR WISHES
(optional):

.... The quality of my life is more important than the length of my life. If I am unconscious and my attending physician believes, in accordance with reasonable medical standards, that I will not wake up or recover my ability to think, communicate with my family and friends, and experience my surroundings, I do not want treatments to prolong my life or delay my death, but I do want treatment or care to make me comfortable and to relieve me of pain.

.... Staying alive is more important to me, no matter how sick I am, how much I am suffering, the cost of the procedures, or how
unlikely my chances for recovery are. I want my life to be prolonged to the greatest extent possible in accordance with reasonable medical standards.

SPECIFIC LIMITATIONS TO MY AGENT'S DECISION-MAKING AUTHORITY:

The above grant of power is intended to be as broad as possible so that your agent will have the authority to make any decision you could make to obtain or terminate any type of health care. If you wish to limit the scope of your agent's powers or prescribe special rules or limit the power to authorize autopsy or dispose of remains, you may do so specifically in this form.

(c) The statutory short form power of attorney for health care (the "statutory health care power") authorizes the agent to make any and all health care decisions on behalf of the principal which the principal could make if present and under no disability, subject to any limitations on the granted powers that appear on the face of the form, to be exercised in such manner as the agent deems consistent with the intent and desires of the principal. The agent will be under no duty to exercise granted powers or to

assume control of or responsibility for the principal's health care; but when granted powers are exercised, the agent will be required to use due care to act for the benefit of the principal in accordance with the terms of the statutory health care power and will be liable for negligent exercise. The agent may act in person or through others reasonably employed by the agent for that purpose but may not delegate authority to make health care decisions. The agent may sign and deliver all instruments, negotiate and enter into all agreements and do all other acts reasonably necessary to implement the exercise of the powers granted to the agent. Without limiting the generality of the foregoing, the statutory health care power shall include the following powers, subject to any limitations appearing on the face of the form:

   (1) The agent is authorized to give consent to and authorize or refuse, or to withhold or withdraw consent to, any and all types of medical care, treatment or procedures relating to the physical or mental health of the principal, including any medication program, surgical procedures, life-sustaining treatment or provision of food and fluids for the principal.

   (2) The agent is authorized to admit the principal to or discharge the principal from any and all types of hospitals, institutions, homes, residential or nursing facilities, treatment centers and other health care institutions providing personal care or treatment for any type of physical or mental condition. The agent shall have the same right to visit the principal in the hospital or other institution as is granted to a spouse or adult child of the principal, any rule of the institution to the contrary notwithstanding.

   (3) The agent is authorized to contract for any and all types of health care services and facilities in the name of and on behalf of the principal and to bind the principal to pay for all such services and facilities, and to have and exercise those powers over the principal's property as are authorized under the statutory property power, to the extent the agent deems necessary to pay health care costs; and the agent shall not be personally liable for any services or care contracted for on behalf of the principal.

   (4) At the principal's expense and subject to reasonable rules of the health care provider to prevent disruption of the principal's health care, the agent shall have the same right the principal has to examine and copy and consent to disclosure of all

the principal's medical records that the agent deems relevant to the exercise of the agent's powers, whether the records relate to mental health or any other medical condition and whether they are in the possession of or maintained by any physician, psychiatrist, psychologist, therapist, hospital, nursing home or other health care provider. The authority under this paragraph (4) applies to any information governed by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and regulations thereunder. The agent serves as the principal's personal representative, as that term is defined under HIPAA and regulations thereunder.

(5) The agent is authorized: to direct that an autopsy be made pursuant to Section 2 of the Autopsy Act "An Act in relation to autopsy of dead bodies", approved August 13, 1965, including all amendments; to make a disposition of any part or all of the principal's body pursuant to the Illinois Anatomical Gift Act, as now or hereafter amended; and to direct the disposition of the principal's remains.

(6) At any time during which there is no executor or administrator appointed for the principal's estate, the agent is authorized to continue to pursue an application or appeal for government benefits if those benefits were applied for during the life of the principal.

(d) A physician may determine that the principal is unable to make health care decisions for himself or herself only if the principal lacks decisional capacity, as that term is defined in Section 10 of the Health Care Surrogate Act.

(e) If the principal names the agent as a guardian on the statutory short form, and if a court decides that the appointment of a guardian will serve the principal's best interests and welfare, the court shall appoint the agent to serve without bond or security.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 10-22.31 as follows:

(105 ILCS 5/10-22.31) (from Ch. 122, par. 10-22.31)

Sec. 10-22.31. Special education.

(a) To enter into joint agreements with other school boards to provide the needed special educational facilities and to employ a director and other professional workers as defined in Section 14-1.10 and to establish facilities as defined in Section 14-1.08 for the types of children described in Sections 14-1.02 and 14-1.03a. The director (who may be employed under a contract as provided in subsection (c) of this Section) and other professional workers may be employed by one district, which shall be reimbursed on a mutually agreed basis by other districts that are parties to the joint agreement. Such agreements may provide that one district may supply professional workers for a joint program conducted in another district. Such agreement shall provide that any full-time professional worker who is employed by a joint agreement program and spends over 50% of his or her time in one school district shall not be required to work a different teaching schedule than the other professional worker in that district. Such agreement shall include, but not be limited to, provisions for administration, staff, programs, financing, housing, transportation, an advisory body, and the method or methods to be employed for disposing of property upon the withdrawal of a school district or dissolution of the joint agreement and shall specify procedures for the withdrawal of districts from the joint agreement as long as these procedures are consistent with this Section. Such agreement may be amended at any time as provided in the joint agreement or, if the joint agreement does not so provide, then such agreement may be amended at any time upon the adoption of concurring resolutions by the school boards of all member districts, provided that no later than 6 months after August 28, 2009 (the effective date of Public Act 96-783), all existing agreements shall be amended to be consistent with Public Act 96-783. Such an amendment may include the removal of a school district from or the addition of a school district to the joint agreement without a petition as

New matter indicated by italics - deletions by strikeout
otherwise required in this Section if all member districts adopt concurring resolutions to that effect. A fully executed copy of any such agreement or amendment entered into on or after January 1, 1989 shall be filed with the State Board of Education. Petitions for withdrawal shall be made to the regional board or boards of school trustees exercising oversight or governance over any of the districts in the joint agreement. Upon receipt of a petition for withdrawal, the regional board of school trustees shall publish notice of and conduct a hearing or, in instances in which one or more regional board of school trustees exercises oversight or governance over any of the districts in the joint agreement, a joint hearing, in accordance with rules adopted by the State Board of Education. In instances in which a single regional board of school trustees holds the hearing, approval of the petition must be by a two-thirds majority vote of the school trustees. In instances in which a joint hearing of 2 or more regional boards of school trustees is required, approval of the petition must be by a two-thirds majority of all those school trustees present and voting. Notwithstanding the provisions of Article 6 of this Code, in instances in which the competent regional board or boards of school trustees has been abolished, petitions for withdrawal shall be made to the school boards of those districts that fall under the oversight or governance of the abolished regional board of school trustees in accordance with rules adopted by the State Board of Education. If any petition is approved pursuant to this subsection (a), the withdrawal takes effect as provided in Section 7-9 of this Act. The changes to this Section made by Public Act 96-769 apply to all changes to special education joint agreement membership initiated after July 1, 2009.

(b) To either (1) designate an administrative district to act as fiscal and legal agent for the districts that are parties to the joint agreement, or (2) designate a governing board composed of one member of the school board of each cooperating district and designated by such boards to act in accordance with the joint agreement. No such governing board may levy taxes and no such governing board may incur any indebtedness except within an annual budget for the joint agreement approved by the governing board and by the boards of at least a majority of the cooperating school districts or a number of districts greater than a majority if required by the joint agreement. The governing board may appoint an executive board of at least 7 members to administer the joint agreement in accordance with its terms. However, if 7 or more school districts are parties to a joint agreement that does not have an administrative district: (i) at least a
majority of the members appointed by the governing board to the executive board shall be members of the school boards of the cooperating districts; or (ii) if the governing board wishes to appoint members who are not school board members, they shall be superintendents from the cooperating districts.

(c) To employ a full-time director of special education of the joint agreement program under a one-year or multi-year contract. No such contract can be offered or accepted for less than one year. Such contract may be discontinued at any time by mutual agreement of the contracting parties, or may be extended for an additional one-year or multi-year period at the end of any year.

The contract year is July 1 through the following June 30th, unless the contract specifically provides otherwise. Notice of intent not to renew a contract when given by a controlling board or administrative district must be in writing stating the specific reason therefor. Notice of intent not to renew the contract must be given by the controlling board or the administrative district at least 90 days before the contract expires. Failure to do so will automatically extend the contract for one additional year.

By accepting the terms of the contract, the director of a special education joint agreement waives all rights granted under Sections 24-11 through 24-16 for the duration of his or her employment as a director of a special education joint agreement.

(d) To designate a district that is a party to the joint agreement as the issuer of bonds or notes for the purposes and in the manner provided in this Section. It is not necessary for such district to also be the administrative district for the joint agreement, nor is it necessary for the same district to be designated as the issuer of all series of bonds or notes issued hereunder. Any district so designated may, from time to time, borrow money and, in evidence of its obligation to repay the borrowing, issue its negotiable bonds or notes for the purpose of acquiring, constructing, altering, repairing, enlarging and equipping any building or portion thereof, together with any land or interest therein, necessary to provide special educational facilities and services as defined in Section 14-1.08. Title in and to any such facilities shall be held in accordance with the joint agreement.

Any such bonds or notes shall be authorized by a resolution of the board of education of the issuing district. The resolution may contain such covenants as may be deemed necessary or advisable by the district to

New matter indicated by italics - deletions by strikeout
assure the payment of the bonds or notes. The resolution shall be effective immediately upon its adoption.

Prior to the issuance of such bonds or notes, each school district that is a party to the joint agreement shall agree, whether by amendment to the joint agreement or by resolution of the board of education, to be jointly and severally liable for the payment of the bonds and notes. The bonds or notes shall be payable solely and only from the payments made pursuant to such agreement.

Neither the bonds or notes nor the obligation to pay the bonds or notes under any joint agreement shall constitute an indebtedness of any district, including the issuing district, within the meaning of any constitutional or statutory limitation.

As long as any bonds or notes are outstanding and unpaid, the agreement by a district to pay the bonds and notes shall be irrevocable notwithstanding the district's withdrawal from membership in the joint special education program.

(e) If a district whose employees are on strike was, prior to the strike, sending students with disabilities to special educational facilities and services in another district or cooperative, the district affected by the strike shall continue to send such students during the strike and shall be eligible to receive appropriate State reimbursement.

(f) With respect to those joint agreements that have a governing board composed of one member of the school board of each cooperating district and designated by those boards to act in accordance with the joint agreement, the governing board shall have, in addition to its other powers under this Section, the authority to issue bonds or notes for the purposes and in the manner provided in this subsection. The governing board of the joint agreement may from time to time borrow money and, in evidence of its obligation to repay the borrowing, issue its negotiable bonds or notes for the purpose of acquiring, constructing, altering, repairing, enlarging and equipping any building or portion thereof, together with any land or interest therein, necessary to provide special educational facilities and services as defined in Section 14-1.08 and including also facilities for activities of administration and educational support personnel employees. Title in and to any such facilities shall be held in accordance with the joint agreement.

Any such bonds or notes shall be authorized by a resolution of the governing board. The resolution may contain such covenants as may be deemed necessary or advisable by the governing board to assure the

New matter indicated by italics - deletions by strikeout
payment of the bonds or notes and interest accruing thereon. The resolution shall be effective immediately upon its adoption.

Each school district that is a party to the joint agreement shall be automatically liable, by virtue of its membership in the joint agreement, for its proportionate share of the principal amount of the bonds and notes plus interest accruing thereon, as provided in the resolution. Subject to the joint and several liability hereinafter provided for, the resolution may provide for different payment schedules for different districts except that the aggregate amount of scheduled payments for each district shall be equal to its proportionate share of the debt service in the bonds or notes based upon the fraction that its equalized assessed valuation bears to the total equalized assessed valuation of all the district members of the joint agreement as adjusted in the manner hereinafter provided. In computing that fraction the most recent available equalized assessed valuation at the time of the issuance of the bonds and notes shall be used, and the equalized assessed valuation of any district maintaining grades K to 12 shall be doubled in both the numerator and denominator of the fraction used for all of the districts that are members of the joint agreement. In case of default in payment by any member, each school district that is a party to the joint agreement shall automatically be jointly and severally liable for the amount of any deficiency. The bonds or notes and interest thereon shall be payable solely and only from the funds made available pursuant to the procedures set forth in this subsection. No project authorized under this subsection may require an annual contribution for bond payments from any member district in excess of 0.15% of the value of taxable property as equalized or assessed by the Department of Revenue in the case of districts maintaining grades K-8 or 9-12 and 0.30% of the value of taxable property as equalized or assessed by the Department of Revenue in the case of districts maintaining grades K-12. This limitation on taxing authority is expressly applicable to taxing authority provided under Section 17-9 and other applicable Sections of this Act. Nothing contained in this subsection shall be construed as an exception to the property tax limitations contained in Section 17-2, 17-2.2a, 17-5, or any other applicable Section of this Act.

Neither the bonds or notes nor the obligation to pay the bonds or notes under any joint agreement shall constitute an indebtedness of any district within the meaning of any constitutional or statutory limitation.

As long as any bonds or notes are outstanding and unpaid, the obligation of a district to pay its proportionate share of the principal of and interest on the bonds and notes as required in this Section shall be a
general obligation of the district payable from any and all sources of revenue designated for that purpose by the board of education of the district and shall be irrevocable notwithstanding the district's withdrawal from membership in the joint special education program.

(g) A member district wishing to withdraw from a joint agreement may obtain from its school board a written resolution approving the withdrawal. The withdrawing district must then present a written petition for withdrawal from the joint agreement to the other member districts within such timelines designated by the joint agreement. Under no circumstances may the petition be presented to the other member districts less than 12 months from the date of the proposed withdrawal, unless the member districts agree to waive this timeline. Upon approval by school board written resolution of all of the remaining member districts, the petitioning member district shall be withdrawn from the joint agreement effective the following July 1 and shall notify the State Board of Education of the approved withdrawal in writing and must submit a comprehensive plan developed under subsection (g-5) for review by the State Board. If the petition for withdrawal is not approved and the petitioning member district is a part of a Class II county school unit outside of a city of 500,000 or more inhabitants, the petitioning member district may appeal the disapproval decision to the trustees of schools of the township that has jurisdiction and authority over the withdrawing district. If a withdrawing district is not under the jurisdiction and authority of the trustees of schools of a township, a hearing panel shall be established by the chief administrative officer of the intermediate service center having jurisdiction over the withdrawing district. The hearing panel shall be made up of 3 persons who have a demonstrated interest and background in education. Each hearing panel member must reside within an educational service region of 2,000,000 or more inhabitants but not within the withdrawing district and may not be a current school board member or employee of the withdrawing district or hold any county office. None of the hearing panel members may reside within the same school district. The hearing panel shall serve without remuneration; however, the necessary expenses, including travel, attendant upon any meeting or hearing in relation to these proceedings must be paid. Prior to the hearing, the withdrawing district shall (i) provide written notification to all parents or guardians of students with disabilities residing within the district of its intent to withdraw from the special education joint agreement; (ii) hold a public hearing to allow for members of the community, parents or guardians of students with

New matter indicated by italics - deletions by strikeout
disabilities, or any other interested parties an opportunity to review the plan for educating students after the withdrawal and to provide feedback on the plan; and (iii) prepare and provide a comprehensive plan as outlined under subsection (g-5). The trustees of schools of the township having jurisdiction and authority over the withdrawing district or the hearing panel established by the chief administrative officer of the intermediate service center having jurisdiction over the withdrawing district shall convene and hear testimony to determine whether the withdrawing district has presented sufficient evidence that the district, standing alone, will provide a full continuum of services and support to all its students with disabilities in the foreseeable future. If the trustees of schools of the township having jurisdiction and authority over the withdrawing district or the hearing panel established by the chief administrative officer of the intermediate service center having jurisdiction over the withdrawing district approves the petition for withdrawal, then the petitioning member district shall be withdrawn from the joint agreement effective the following July 1 and shall notify the State Board of Education of the approved withdrawal in writing.

(g-5) Each withdrawing district shall develop a comprehensive plan that includes the administrative policies and procedures outlined in Sections 226.50, 226.100, 226.110, 226.180, 226.230, 226.250, 226.260, 226.300, 226.310, 226.320, 226.330, 226.340, 226.350, 226.500, 226.520, 226.530, 226.540, 226.560, 226.700, 226.740, 226.800, and 226.820 and Subpart G of Part 226 of Title 23 of the Illinois Administrative Code and all relevant portions of the federal Individuals with Disabilities Education Act. The withdrawing district must also demonstrate its ability to provide education for a wide range of students with disabilities, including a full continuum of support and services. To demonstrate an appropriate plan for educating all currently enrolled students with disabilities upon withdrawal from the joint agreement, the withdrawing district must provide a written plan for educating and placing all currently eligible students with disabilities.

(h) The changes to this Section made by Public Act 96-783 apply to withdrawals from or dissolutions of special education joint agreements initiated after August 28, 2009 (the effective date of Public Act 96-783).

(i) Notwithstanding subsections (a), (g), and (h) of this Section or any other provision of this Code to the contrary, an elementary school district that maintains grades up to and including grade 8, that had a 2014-2015 best 3 months' average daily attendance of 5,209.57, and that had a
2014 equalized assessed valuation of at least $451,500,000, but not more than $452,000,000, may withdraw from its special education joint agreement program consisting of 6 school districts upon submission and approval of the comprehensive plan, in compliance with the applicable requirements of Section 14-4.01 of this Code, in addition to the approval by the school board of the elementary school district and notification to and the filing of an intent to withdraw statement with the governing board of the joint agreement program. Such notification and statement shall specify the effective date of the withdrawal, which in no case shall be less than 60 days after the date of the filing of the notification and statement. Upon receipt of the notification and statement, the governing board of the joint agreement program shall distribute a copy to each member district of the joint agreement and shall initiate any appropriate allocation of assets and liabilities among the remaining member districts to take effect upon the date of the withdrawal. The withdrawal shall take effect upon the date specified in the notification and statement.

(j) Conduct any special waste transportation operation in violation of any regulations, standards or permit requirements adopted by the Board under this Act. However, sludge from a water or sewage treatment plant owned and operated by a unit of local government which (1) is subject to a sludge management plan approved by the Agency or a permit granted by the Agency, and (2) has been tested and determined not to be a hazardous waste as required by applicable State and federal laws and regulations, may be transported in this State without a special waste hauling permit, and the preparation and carrying of a manifest shall not be required for such sludge under the rules of the Pollution Control Board. The unit of local government which operates the treatment plant producing such sludge shall file an annual report with the Agency identifying the volume of such sludge transported during the reporting period, the hauler of the sludge, and the disposal sites to which it was transported. This subsection (j) shall not apply to hazardous waste.

(k) Fail or refuse to pay any fee imposed under this Act.

(A) the composting facility is operated by the farmer on property on which the composting material is utilized, and the composting facility constitutes no more than 2% of the property's total acreage, except that the Board may allow a higher percentage for individual sites where the owner or operator has demonstrated to the Board that the site's soil characteristics or crop needs require a higher rate;

(A-1) the composting facility accepts from other agricultural operations for composting with landscape waste no materials other than uncontaminated and source-separated (i) crop residue and other agricultural plant residue generated from the production and harvesting of crops and other customary farm practices, including, but not limited to, stalks, leaves, seed pods, husks, bagasse, and roots and (ii) plant-derived animal bedding, such as straw or sawdust, that is free of manure and was not made from painted or treated wood;

(415 ILCS 5/22.59 new)

Sec. 22.59. CCR surface impoundments.
(a) The General Assembly finds that:

(1) the State of Illinois has a long-standing policy to restore, protect, and enhance the environment, including the purity of the air, land, and waters, including groundwaters, of this State;

(2) a clean environment is essential to the growth and well-being of this State;

New matter indicated by italics - deletions by strikeout
(3) CCR generated by the electric generating industry has caused groundwater contamination and other forms of pollution at active and inactive plants throughout this State;

(4) environmental laws should be supplemented to ensure consistent, responsible regulation of all existing CCR surface impoundments; and

(5) meaningful participation of State residents, especially vulnerable populations who may be affected by regulatory actions, is critical to ensure that environmental justice considerations are incorporated in the development of, decision-making related to, and implementation of environmental laws and rulemaking that protects and improves the well-being of communities in this State that bear disproportionate burdens imposed by environmental pollution.

Therefore, the purpose of this Section is to promote a healthful environment, including clean water, air, and land, meaningful public involvement, and the responsible disposal and storage of coal combustion residuals, so as to protect public health and to prevent pollution of the environment of this State.

The provisions of this Section shall be liberally construed to carry out the purposes of this Section.

(b) No person shall:

(1) cause or allow the discharge of any contaminants from a CCR surface impoundment into the environment so as to cause, directly or indirectly, a violation of this Section or any regulations or standards adopted by the Board under this Section, either alone or in combination with contaminants from other sources;

(2) construct, install, modify, operate, or close any CCR surface impoundment without a permit granted by the Agency, or so as to violate any conditions imposed by such permit, any provision of this Section or any regulations or standards adopted by the Board under this Section; or

(3) cause or allow, directly or indirectly, the discharge, deposit, injection, dumping, spilling, leaking, or placing of any CCR upon the land in a place and manner so as to cause or tend to cause a violation this Section or any regulations or standards adopted by the Board under this Section.

(c) For purposes of this Section, a permit issued by the Administrator of the United States Environmental Protection Agency

New matter indicated by italics - deletions by strikeout
under Section 4005 of the federal Resource Conservation and Recovery Act, shall be deemed to be a permit under this Section and subsection (y) of Section 39.

(d) Before commencing closure of a CCR surface impoundment, in accordance with Board rules, the owner of a CCR surface impoundment must submit to the Agency for approval a closure alternatives analysis that analyzes all closure methods being considered and that otherwise satisfies all closure requirements adopted by the Board under this Act. Complete removal of CCR, as specified by the Board's rules, from the CCR surface impoundment must be considered and analyzed. Section 3.405 does not apply to the Board's rules specifying complete removal of CCR. The selected closure method must ensure compliance with regulations adopted by the Board pursuant to this Section.

(e) Owners or operators of CCR surface impoundments who have submitted a closure plan to the Agency before May 1, 2019, and who have completed closure prior to 24 months after the effective date of this amendatory Act of the 101st General Assembly shall not be required to obtain a construction permit for the surface impoundment closure under this Section.

(f) Except for the State, its agencies and institutions, a unit of local government, or not-for-profit electric cooperative as defined in Section 3.4 of the Electric Supplier Act, any person who owns or operates a CCR surface impoundment in this State shall post with the Agency a performance bond or other security for the purpose of: (i) ensuring closure of the CCR surface impoundment and post-closure care in accordance with this Act and its rules; and (ii) insuring remediation of releases from the CCR surface impoundment. The only acceptable forms of financial assurance are: a trust fund, a surety bond guaranteeing payment, a surety bond guaranteeing performance, or an irrevocable letter of credit.

1. The cost estimate for the post-closure care of a CCR surface impoundment shall be calculated using a 30-year post-closure care period or such longer period as may be approved by the Agency under Board or federal rules.

2. The Agency is authorized to enter into such contracts and agreements as it may deem necessary to carry out the purposes of this Section. Neither the State, nor the Director, nor any State employee shall be liable for any damages or injuries

New matter indicated by italics - deletions by strikeout
arising out of or resulting from any action taken under this Section.

(3) The Agency shall have the authority to approve or disapprove any performance bond or other security posted under this subsection. Any person whose performance bond or other security is disapproved by the Agency may contest the disapproval as a permit denial appeal pursuant to Section 40.

(g) The Board shall adopt rules establishing construction permit requirements, operating permit requirements, design standards, reporting, financial assurance, and closure and post-closure care requirements for CCR surface impoundments. Not later than 8 months after the effective date of this amendatory Act of the 101st General Assembly the Agency shall propose, and not later than one year after receipt of the Agency's proposal the Board shall adopt, rules under this Section. The rules must, at a minimum:

(1) be at least as protective and comprehensive as the federal regulations or amendments thereto promulgated by the Administrator of the United States Environmental Protection Agency in Subpart D of 40 CFR 257 governing CCR surface impoundments;

(2) specify the minimum contents of CCR surface impoundment construction and operating permit applications, including the closure alternatives analysis required under subsection (d);

(3) specify which types of permits include requirements for closure, post-closure, remediation and all other requirements applicable to CCR surface impoundments;

(4) specify when permit applications for existing CCR surface impoundments must be submitted, taking into consideration whether the CCR surface impoundment must close under the RCRA;

(5) specify standards for review and approval by the Agency of CCR surface impoundment permit applications;

hearing prior to permit issuance, and a summary and response of the comments prepared by the Agency;

(7) prescribe the type and amount of the performance bonds or other securities required under subsection (f), and the conditions under which the State is entitled to collect moneys from such performance bonds or other securities;

(8) specify a procedure to identify areas of environmental justice concern in relation to CCR surface impoundments;

(9) specify a method to prioritize CCR surface impoundments required to close under RCRA if not otherwise specified by the United States Environmental Protection Agency, so that the CCR surface impoundments with the highest risk to public health and the environment, and areas of environmental justice concern are given first priority;

(10) define when complete removal of CCR is achieved and specify the standards for responsible removal of CCR from CCR surface impoundments, including, but not limited to, dust controls and the protection of adjacent surface water and groundwater; and

(11) describe the process and standards for identifying a specific alternative source of groundwater pollution when the owner or operator of the CCR surface impoundment believes that groundwater contamination on the site is not from the CCR surface impoundment.

(h) Any owner of a CCR surface impoundment that generates CCR and sells or otherwise provides coal combustion byproducts pursuant to Section 3.135 shall, every 12 months, post on its publicly available website a report specifying the volume or weight of CCR, in cubic yards or tons, that it sold or provided during the past 12 months.

(i) The owner of a CCR surface impoundment shall post all closure plans, permit applications, and supporting documentation, as well as any Agency approval of the plans or applications on its publicly available website.

(j) The owner or operator of a CCR surface impoundment shall pay the following fees:

(1) An initial fee to the Agency within 6 months after the effective date of this amendatory Act of the 101st General Assembly of:
$50,000 for each closed CCR surface impoundment; and
$75,000 for each CCR surface impoundment that have not completed closure.

(2) Annual fees to the Agency, beginning on July 1, 2020, of:

$25,000 for each CCR surface impoundment that has not completed closure; and

(l) The Coal Combustion Residual Surface Impoundment Financial Assurance Fund is created as a special fund in the State treasury. Any moneys forfeited to the State of Illinois from any performance bond or other security required under this Section shall be placed in the Coal Combustion Residual Surface Impoundment Financial Assurance Fund and shall, upon approval by the Governor and the Director, be used by the Agency for the purposes for which such performance bond or other security was issued. The Coal Combustion Residual Surface Impoundment Financial Assurance Fund is not subject to the provisions of subsection (c) of Section 5 of the State Finance Act.

(m) The provisions of this Section shall apply, without limitation, to all existing CCR surface impoundments and any CCR surface impoundments constructed after the effective date of this amendatory Act of the 101st General Assembly, except to the extent prohibited by the Illinois or United States Constitutions.

Sec. 39. Issuance of permits; procedures.

(a) When the Board has by regulation required a permit for the construction, installation, or operation of any type of facility, equipment, vehicle, vessel, or aircraft, the applicant shall apply to the Agency for such permit and it shall be the duty of the Agency to issue such a permit upon proof by the applicant that the facility, equipment, vehicle, vessel, or aircraft will not cause a violation of this Act or of regulations hereunder. The Agency shall adopt such procedures as are necessary to carry out its duties under this Section. In making its determinations on permit applications under this Section the Agency may consider prior

adjudications of noncompliance with this Act by the applicant that involved a release of a contaminant into the environment. In granting permits, the Agency may impose reasonable conditions specifically related to the applicant's past compliance history with this Act as necessary to correct, detect, or prevent noncompliance. The Agency may impose such other conditions as may be necessary to accomplish the purposes of this Act, and as are not inconsistent with the regulations promulgated by the Board hereunder. Except as otherwise provided in this Act, a bond or other security shall not be required as a condition for the issuance of a permit. If the Agency denies any permit under this Section, the Agency shall transmit to the applicant within the time limitations of this Section specific, detailed statements as to the reasons the permit application was denied. Such statements shall include, but not be limited to the following:

(i) the Sections of this Act which may be violated if the permit were granted;
(ii) the provision of the regulations, promulgated under this Act, which may be violated if the permit were granted;
(iii) the specific type of information, if any, which the Agency deems the applicant did not provide the Agency; and
(iv) a statement of specific reasons why the Act and the regulations might not be met if the permit were granted.

If there is no final action by the Agency within 90 days after the filing of the application for permit, the applicant may deem the permit issued; except that this time period shall be extended to 180 days when (1) notice and opportunity for public hearing are required by State or federal law or regulation, (2) the application which was filed is for any permit to develop a landfill subject to issuance pursuant to this subsection, or (3) the application that was filed is for a MSWLF unit required to issue public notice under subsection (p) of Section 39. The 90-day and 180-day time periods for the Agency to take final action do not apply to NPDES permit applications under subsection (b) of this Section, to RCRA permit applications under subsection (d) of this Section, or to UIC permit applications under subsection (e) of this Section, or to CCR surface impoundment applications under subsection (y) of this Section.

The Agency shall publish notice of all final permit determinations for development permits for MSWLF units and for significant permit modifications for lateral expansions for existing MSWLF units one time in a newspaper of general circulation in the county in which the unit is or is proposed to be located.

After January 1, 1994 and until July 1, 1998, operating permits issued under this Section by the Agency for sources of air pollution permitted to emit less than 25 tons per year of any combination of regulated air pollutants, as defined in Section 39.5 of this Act, shall be required to be renewed only upon written request by the Agency consistent with applicable provisions of this Act and regulations promulgated hereunder. Such operating permits shall expire 180 days after the date of such a request. The Board shall revise its regulations for the existing State air pollution operating permit program consistent with this provision by January 1, 1994.

After June 30, 1998, operating permits issued under this Section by the Agency for sources of air pollution that are not subject to Section 39.5 of this Act and are not required to have a federally enforceable State operating permit shall be required to be renewed only upon written request by the Agency consistent with applicable provisions of this Act and its rules. Such operating permits shall expire 180 days after the date of such a request. Before July 1, 1998, the Board shall revise its rules for the existing State air pollution operating permit program consistent with this paragraph and shall adopt rules that require a source to demonstrate that it qualifies for a permit under this paragraph.

(b) The Agency may issue NPDES permits exclusively under this subsection for the discharge of contaminants from point sources into navigable waters, all as defined in the Federal Water Pollution Control Act, as now or hereafter amended, within the jurisdiction of the State, or into any well.

All NPDES permits shall contain those terms and conditions, including but not limited to schedules of compliance, which may be required to accomplish the purposes and provisions of this Act.

The Agency may issue general NPDES permits for discharges from categories of point sources which are subject to the same permit limitations and conditions. Such general permits may be issued without individual applications and shall conform to regulations promulgated under Section 402 of the Federal Water Pollution Control Act, as now or hereafter amended.

The Agency may include, among such conditions, effluent limitations and other requirements established under this Act, Board regulations, the Federal Water Pollution Control Act, as now or hereafter amended, and regulations pursuant thereto, and schedules for achieving compliance therewith at the earliest reasonable date.

The Agency shall adopt filing requirements and procedures which are necessary and appropriate for the issuance of NPDES permits, and which are consistent with the Act or regulations adopted by the Board, and with the Federal Water Pollution Control Act, as now or hereafter amended, and regulations pursuant thereto.

The Agency, subject to any conditions which may be prescribed by Board regulations, may issue NPDES permits to allow discharges beyond deadlines established by this Act or by regulations of the Board without the requirement of a variance, subject to the Federal Water Pollution Control Act, as now or hereafter amended, and regulations pursuant thereto.

(c) Except for those facilities owned or operated by sanitary districts organized under the Metropolitan Water Reclamation District Act, no permit for the development or construction of a new pollution control facility may be granted by the Agency unless the applicant submits proof to the Agency that the location of the facility has been approved by the County Board of the county if in an unincorporated area, or the governing body of the municipality when in an incorporated area, in which the facility is to be located in accordance with Section 39.2 of this Act. For purposes of this subsection (c), and for purposes of Section 39.2 of this Act, the appropriate county board or governing body of the municipality shall be the county board of the county or the governing body of the municipality in which the facility is to be located as of the date when the application for siting approval is filed.

In the event that siting approval granted pursuant to Section 39.2 has been transferred to a subsequent owner or operator, that subsequent owner or operator may apply to the Agency for, and the Agency may grant, a development or construction permit for the facility for which local siting approval was granted. Upon application to the Agency for a development or construction permit by that subsequent owner or operator, the permit applicant shall cause written notice of the permit application to be served upon the appropriate county board or governing body of the municipality that granted siting approval for that facility and upon any party to the siting proceeding pursuant to which siting approval was granted. In that event, the Agency shall conduct an evaluation of the subsequent owner or operator's prior experience in waste management operations in the manner conducted under subsection (i) of Section 39 of this Act.

Beginning August 20, 1993, if the pollution control facility consists of a hazardous or solid waste disposal facility for which the
proposed site is located in an unincorporated area of a county with a population of less than 100,000 and includes all or a portion of a parcel of land that was, on April 1, 1993, adjacent to a municipality having a population of less than 5,000, then the local siting review required under this subsection (c) in conjunction with any permit applied for after that date shall be performed by the governing body of that adjacent municipality rather than the county board of the county in which the proposed site is located; and for the purposes of that local siting review, any references in this Act to the county board shall be deemed to mean the governing body of that adjacent municipality; provided, however, that the provisions of this paragraph shall not apply to any proposed site which was, on April 1, 1993, owned in whole or in part by another municipality.

In the case of a pollution control facility for which a development permit was issued before November 12, 1981, if an operating permit has not been issued by the Agency prior to August 31, 1989 for any portion of the facility, then the Agency may not issue or renew any development permit nor issue an original operating permit for any portion of such facility unless the applicant has submitted proof to the Agency that the location of the facility has been approved by the appropriate county board or municipal governing body pursuant to Section 39.2 of this Act.

After January 1, 1994, if a solid waste disposal facility, any portion for which an operating permit has been issued by the Agency, has not accepted waste disposal for 5 or more consecutive calendars years, before that facility may accept any new or additional waste for disposal, the owner and operator must obtain a new operating permit under this Act for that facility unless the owner and operator have applied to the Agency for a permit authorizing the temporary suspension of waste acceptance. The Agency may not issue a new operation permit under this Act for the facility unless the applicant has submitted proof to the Agency that the location of the facility has been approved or re-approved by the appropriate county board or municipal governing body under Section 39.2 of this Act after the facility ceased accepting waste.

Except for those facilities owned or operated by sanitary districts organized under the Metropolitan Water Reclamation District Act, and except for new pollution control facilities governed by Section 39.2, and except for fossil fuel mining facilities, the granting of a permit under this Act shall not relieve the applicant from meeting and securing all necessary zoning approvals from the unit of government having zoning jurisdiction over the proposed facility.

Before beginning construction on any new sewage treatment plant or sludge drying site to be owned or operated by a sanitary district organized under the Metropolitan Water Reclamation District Act for which a new permit (rather than the renewal or amendment of an existing permit) is required, such sanitary district shall hold a public hearing within the municipality within which the proposed facility is to be located, or within the nearest community if the proposed facility is to be located within an unincorporated area, at which information concerning the proposed facility shall be made available to the public, and members of the public shall be given the opportunity to express their views concerning the proposed facility.

The Agency may issue a permit for a municipal waste transfer station without requiring approval pursuant to Section 39.2 provided that the following demonstration is made:

1. the municipal waste transfer station was in existence on or before January 1, 1979 and was in continuous operation from January 1, 1979 to January 1, 1993;
2. the operator submitted a permit application to the Agency to develop and operate the municipal waste transfer station during April of 1994;
3. the operator can demonstrate that the county board of the county, if the municipal waste transfer station is in an unincorporated area, or the governing body of the municipality, if the station is in an incorporated area, does not object to resumption of the operation of the station; and
4. the site has local zoning approval.

(d) The Agency may issue RCRA permits exclusively under this subsection to persons owning or operating a facility for the treatment, storage, or disposal of hazardous waste as defined under this Act. Subsection (y) of this Section, rather than this subsection (d), shall apply to permits issued for CCR surface impoundments.

All RCRA permits shall contain those terms and conditions, including but not limited to schedules of compliance, which may be required to accomplish the purposes and provisions of this Act. The Agency may include among such conditions standards and other requirements established under this Act, Board regulations, the Resource Conservation and Recovery Act of 1976 (P.L. 94-580), as amended, and regulations pursuant thereto, and may include schedules for achieving compliance therewith as soon as possible. The Agency shall require that a

performance bond or other security be provided as a condition for the issuance of a RCRA permit.

In the case of a permit to operate a hazardous waste or PCB incinerator as defined in subsection (k) of Section 44, the Agency shall require, as a condition of the permit, that the operator of the facility perform such analyses of the waste to be incinerated as may be necessary and appropriate to ensure the safe operation of the incinerator.

The Agency shall adopt filing requirements and procedures which are necessary and appropriate for the issuance of RCRA permits, and which are consistent with the Act or regulations adopted by the Board, and with the Resource Conservation and Recovery Act of 1976 (P.L. 94-580), as amended, and regulations pursuant thereto.

The applicant shall make available to the public for inspection all documents submitted by the applicant to the Agency in furtherance of an application, with the exception of trade secrets, at the office of the county board or governing body of the municipality. Such documents may be copied upon payment of the actual cost of reproduction during regular business hours of the local office. The Agency shall issue a written statement concurrent with its grant or denial of the permit explaining the basis for its decision.

(e) The Agency may issue UIC permits exclusively under this subsection to persons owning or operating a facility for the underground injection of contaminants as defined under this Act.

All UIC permits shall contain those terms and conditions, including but not limited to schedules of compliance, which may be required to accomplish the purposes and provisions of this Act. The Agency may include among such conditions standards and other requirements established under this Act, Board regulations, the Safe Drinking Water Act (P.L. 93-523), as amended, and regulations pursuant thereto, and may include schedules for achieving compliance therewith. The Agency shall require that a performance bond or other security be provided as a condition for the issuance of a UIC permit.

Such documents may be copied upon payment of the actual cost of reproduction during regular business hours of the local office. The Agency shall issue a written statement concurrent with its grant or denial of the permit explaining the basis for its decision.

(f) In making any determination pursuant to Section 9.1 of this Act:

(1) The Agency shall have authority to make the determination of any question required to be determined by the Clean Air Act, as now or hereafter amended, this Act, or the regulations of the Board, including the determination of the Lowest Achievable Emission Rate, Maximum Achievable Control Technology, or Best Available Control Technology, consistent with the Board's regulations, if any.

(2) The Agency shall adopt requirements as necessary to implement public participation procedures, including, but not limited to, public notice, comment, and an opportunity for hearing, which must accompany the processing of applications for PSD permits. The Agency shall briefly describe and respond to all significant comments on the draft permit raised during the public comment period or during any hearing. The Agency may group related comments together and provide one unified response for each issue raised.

(3) Any complete permit application submitted to the Agency under this subsection for a PSD permit shall be granted or denied by the Agency not later than one year after the filing of such completed application.

(4) The Agency shall, after conferring with the applicant, give written notice to the applicant of its proposed decision on the application including the terms and conditions of the permit to be issued and the facts, conduct or other basis upon which the Agency will rely to support its proposed action.

(g) The Agency shall include as conditions upon all permits issued for hazardous waste disposal sites such restrictions upon the future use of such sites as are reasonably necessary to protect public health and the environment, including permanent prohibition of the use of such sites for purposes which may create an unreasonable risk of injury to human health or to the environment. After administrative and judicial challenges to such restrictions have been exhausted, the Agency shall file such restrictions of

(h) A hazardous waste stream may not be deposited in a permitted hazardous waste site unless specific authorization is obtained from the Agency by the generator and disposal site owner and operator for the deposit of that specific hazardous waste stream. The Agency may grant specific authorization for disposal of hazardous waste streams only after the generator has reasonably demonstrated that, considering technological feasibility and economic reasonableness, the hazardous waste cannot be reasonably recycled for reuse, nor incinerated or chemically, physically or biologically treated so as to neutralize the hazardous waste and render it nonhazardous. In granting authorization under this Section, the Agency may impose such conditions as may be necessary to accomplish the purposes of the Act and are consistent with this Act and regulations promulgated by the Board hereunder. If the Agency refuses to grant authorization under this Section, the applicant may appeal as if the Agency refused to grant a permit, pursuant to the provisions of subsection (a) of Section 40 of this Act. For purposes of this subsection (h), the term "generator" has the meaning given in Section 3.205 of this Act, unless: (1) the hazardous waste is treated, incinerated, or partially recycled for reuse prior to disposal, in which case the last person who treats, incinerates, or partially recycles the hazardous waste prior to disposal is the generator; or (2) the hazardous waste is from a response action, in which case the person performing the response action is the generator. This subsection (h) does not apply to any hazardous waste that is restricted from land disposal under 35 Ill. Adm. Code 728.

(i) Before issuing any RCRA permit, any permit for a waste storage site, sanitary landfill, waste disposal site, waste transfer station, waste treatment facility, waste incinerator, or any waste-transportation operation, any permit or interim authorization for a clean construction or demolition debris fill operation, or any permit required under subsection (d-5) of Section 55, the Agency shall conduct an evaluation of the prospective owner's or operator's prior experience in waste management operations, clean construction or demolition debris fill operations, and tire storage site management. The Agency may deny such a permit, or deny or revoke interim authorization, if the prospective owner or operator or any employee or officer of the prospective owner or operator has a history of:

(1) repeated violations of federal, State, or local laws, regulations, standards, or ordinances in the operation of waste

management facilities or sites, clean construction or demolition debris fill operation facilities or sites, or tire storage sites; or

(2) conviction in this or another State of any crime which is a felony under the laws of this State, or conviction of a felony in a federal court; or conviction in this or another state or federal court of any of the following crimes: forgery, official misconduct, bribery, perjury, or knowingly submitting false information under any environmental law, regulation, or permit term or condition; or

(3) proof of gross carelessness or incompetence in handling, storing, processing, transporting or disposing of waste, clean construction or demolition debris, or used or waste tires, or proof of gross carelessness or incompetence in using clean construction or demolition debris as fill.

(i-5) Before issuing any permit or approving any interim authorization for a clean construction or demolition debris fill operation in which any ownership interest is transferred between January 1, 2005, and the effective date of the prohibition set forth in Section 22.52 of this Act, the Agency shall conduct an evaluation of the operation if any previous activities at the site or facility may have caused or allowed contamination of the site. It shall be the responsibility of the owner or operator seeking the permit or interim authorization to provide to the Agency all of the information necessary for the Agency to conduct its evaluation. The Agency may deny a permit or interim authorization if previous activities at the site may have caused or allowed contamination at the site, unless such contamination is authorized under any permit issued by the Agency.

(j) The issuance under this Act of a permit to engage in the surface mining of any resources other than fossil fuels shall not relieve the permittee from its duty to comply with any applicable local law regulating the commencement, location or operation of surface mining facilities.

(k) A development permit issued under subsection (a) of Section 39 for any facility or site which is required to have a permit under subsection (d) of Section 21 shall expire at the end of 2 calendar years from the date upon which it was issued, unless within that period the applicant has taken action to develop the facility or the site. In the event that review of the conditions of the development permit is sought pursuant to Section 40 or 41, or permittee is prevented from commencing development of the facility or site by any other litigation beyond the permittee's control, such two-year period shall be deemed to begin on the date upon which such review process or litigation is concluded.

(l) No permit shall be issued by the Agency under this Act for construction or operation of any facility or site located within the boundaries of any setback zone established pursuant to this Act, where such construction or operation is prohibited.

(m) The Agency may issue permits to persons owning or operating a facility for composting landscape waste. In granting such permits, the Agency may impose such conditions as may be necessary to accomplish the purposes of this Act, and as are not inconsistent with applicable regulations promulgated by the Board. Except as otherwise provided in this Act, a bond or other security shall not be required as a condition for the issuance of a permit. If the Agency denies any permit pursuant to this subsection, the Agency shall transmit to the applicant within the time limitations of this subsection specific, detailed statements as to the reasons the permit application was denied. Such statements shall include but not be limited to the following:

1. the Sections of this Act that may be violated if the permit were granted;
2. the specific regulations promulgated pursuant to this Act that may be violated if the permit were granted;
3. the specific information, if any, the Agency deems the applicant did not provide in its application to the Agency; and
4. a statement of specific reasons why the Act and the regulations might be violated if the permit were granted.

If no final action is taken by the Agency within 90 days after the filing of the application for permit, the applicant may deem the permit issued. Any applicant for a permit may waive the 90-day limitation by filing a written statement with the Agency.

The Agency shall issue permits for such facilities upon receipt of an application that includes a legal description of the site, a topographic map of the site drawn to the scale of 200 feet to the inch or larger, a description of the operation, including the area served, an estimate of the volume of materials to be processed, and documentation that:

1. the facility includes a setback of at least 200 feet from the nearest potable water supply well;
2. the facility is located outside the boundary of the 10-year floodplain or the site will be floodproofed;
3. the facility is located so as to minimize incompatibility with the character of the surrounding area, including at least a 200 foot setback from any residence, and in the case of a facility that is

developed or the permitted composting area of which is expanded after November 17, 1991, the composting area is located at least 1/8 mile from the nearest residence (other than a residence located on the same property as the facility);

(4) the design of the facility will prevent any compost material from being placed within 5 feet of the water table, will adequately control runoff from the site, and will collect and manage any leachate that is generated on the site;

(5) the operation of the facility will include appropriate dust and odor control measures, limitations on operating hours, appropriate noise control measures for shredding, chipping and similar equipment, management procedures for composting, containment and disposal of non-compostable wastes, procedures to be used for terminating operations at the site, and recordkeeping sufficient to document the amount of materials received, composted and otherwise disposed of; and

(6) the operation will be conducted in accordance with any applicable rules adopted by the Board.

The Agency shall issue renewable permits of not longer than 10 years in duration for the composting of landscape wastes, as defined in Section 3.155 of this Act, based on the above requirements.

The operator of any facility permitted under this subsection (m) must submit a written annual statement to the Agency on or before April 1 of each year that includes an estimate of the amount of material, in tons, received for composting.

(n) The Agency shall issue permits jointly with the Department of Transportation for the dredging or deposit of material in Lake Michigan in accordance with Section 18 of the Rivers, Lakes, and Streams Act.

(p) (1) Any person submitting an application for a permit for a new MSWLF unit or for a lateral expansion under subsection (t) of Section 21 of this Act for an existing MSWLF unit that has not received and is not subject to local siting approval under Section 39.2 of this Act shall publish notice of the application in a newspaper of general circulation in the county in which the MSWLF unit is or is proposed to be located. The notice must be published at least 15 days before submission of the permit application to the Agency. The notice shall state the name and address of the applicant, the location of the MSWLF unit or proposed MSWLF unit, the nature and size of the MSWLF unit or proposed MSWLF unit, the

nature of the activity proposed, the probable life of the proposed activity, the date the permit application will be submitted, and a statement that persons may file written comments with the Agency concerning the permit application within 30 days after the filing of the permit application unless the time period to submit comments is extended by the Agency.

When a permit applicant submits information to the Agency to supplement a permit application being reviewed by the Agency, the applicant shall not be required to reissue the notice under this subsection.

(2) The Agency shall accept written comments concerning the permit application that are postmarked no later than 30 days after the filing of the permit application, unless the time period to accept comments is extended by the Agency.

(3) Each applicant for a permit described in part (1) of this subsection shall file a copy of the permit application with the county board or governing body of the municipality in which the MSWLF unit is or is proposed to be located at the same time the application is submitted to the Agency. The permit application filed with the county board or governing body of the municipality shall include all documents submitted to or to be submitted to the Agency, except trade secrets as determined under Section 7.1 of this Act. The permit application and other documents on file with the county board or governing body of the municipality shall be made available for public inspection during regular business hours at the office of the county board or the governing body of the municipality and may be copied upon payment of the actual cost of reproduction.

(q) Within 6 months after July 12, 2011 (the effective date of Public Act 97-95), the Agency, in consultation with the regulated community, shall develop a web portal to be posted on its website for the purpose of enhancing review and promoting timely issuance of permits required by this Act. At a minimum, the Agency shall make the following information available on the web portal:

(1) Checklists and guidance relating to the completion of permit applications, developed pursuant to subsection (s) of this Section, which may include, but are not limited to, existing instructions for completing the applications and examples of complete applications. As the Agency develops new checklists and develops guidance, it shall supplement the web portal with those materials.

(2) Within 2 years after July 12, 2011 (the effective date of Public Act 97-95), permit application forms or portions of permit
applications that can be completed and saved electronically, and submitted to the Agency electronically with digital signatures.

(3) Within 2 years after July 12, 2011 (the effective date of Public Act 97-95), an online tracking system where an applicant may review the status of its pending application, including the name and contact information of the permit analyst assigned to the application. Until the online tracking system has been developed, the Agency shall post on its website semi-annual permitting efficiency tracking reports that include statistics on the timeframes for Agency action on the following types of permits received after July 12, 2011 (the effective date of Public Act 97-95): air construction permits, new NPDES permits and associated water construction permits, and modifications of major NPDES permits and associated water construction permits. The reports must be posted by February 1 and August 1 each year and shall include:

(A) the number of applications received for each type of permit, the number of applications on which the Agency has taken action, and the number of applications still pending; and

(B) for those applications where the Agency has not taken action in accordance with the timeframes set forth in this Act, the date the application was received and the reasons for any delays, which may include, but shall not be limited to, (i) the application being inadequate or incomplete, (ii) scientific or technical disagreements with the applicant, USEPA, or other local, state, or federal agencies involved in the permitting approval process, (iii) public opposition to the permit, or (iv) Agency staffing shortages. To the extent practicable, the tracking report shall provide approximate dates when cause for delay was identified by the Agency, when the Agency informed the applicant of the problem leading to the delay, and when the applicant remedied the reason for the delay.

(r) Upon the request of the applicant, the Agency shall notify the applicant of the permit analyst assigned to the application upon its receipt.

(s) The Agency is authorized to prepare and distribute guidance documents relating to its administration of this Section and procedural rules implementing this Section. Guidance documents prepared under this subsection shall not be considered rules and shall not be subject to the
Illinois Administrative Procedure Act. Such guidance shall not be binding on any party.

(t) Except as otherwise prohibited by federal law or regulation, any person submitting an application for a permit may include with the application suggested permit language for Agency consideration. The Agency is not obligated to use the suggested language or any portion thereof in its permitting decision. If requested by the permit applicant, the Agency shall meet with the applicant to discuss the suggested language.

(u) If requested by the permit applicant, the Agency shall provide the permit applicant with a copy of the draft permit prior to any public review period.

(v) If requested by the permit applicant, the Agency shall provide the permit applicant with a copy of the final permit prior to its issuance.

(w) An air pollution permit shall not be required due to emissions of greenhouse gases, as specified by Section 9.15 of this Act.

(x) If, before the expiration of a State operating permit that is issued pursuant to subsection (a) of this Section and contains federally enforceable conditions limiting the potential to emit of the source to a level below the major source threshold for that source so as to exclude the source from the Clean Air Act Permit Program, the Agency receives a complete application for the renewal of that permit, then all of the terms and conditions of the permit shall remain in effect until final administrative action has been taken on the application for the renewal of the permit.

(y) The Agency may issue permits exclusively under this subsection to persons owning or operating a CCR surface impoundment subject to Section 22.59.

All CCR surface impoundment permits shall contain those terms and conditions, including, but not limited to, schedules of compliance, which may be required to accomplish the purposes and provisions of this Act, Board regulations, the Illinois Groundwater Protection Act and regulations pursuant thereto, and the Resource Conservation and Recovery Act and regulations pursuant thereto, and may include schedules for achieving compliance therewith as soon as possible.

The Board shall adopt filing requirements and procedures that are necessary and appropriate for the issuance of CCR surface impoundment permits and that are consistent with this Act or regulations adopted by the Board, and with the RCRA, as amended, and regulations pursuant thereto.
The applicant shall make available to the public for inspection all documents submitted by the applicant to the Agency in furtherance of an application, with the exception of trade secrets, on its public internet website as well as at the office of the county board or governing body of the municipality where CCR from the CCR surface impoundment will be permanently disposed. Such documents may be copied upon payment of the actual cost of reproduction during regular business hours of the local office.

Sec. 40. Appeal of permit denial.

(a)(1) If the Agency refuses to grant or grants with conditions a permit under Section 39 of this Act, the applicant may, within 35 days after the date on which the Agency served its decision on the applicant, petition for a hearing before the Board to contest the decision of the Agency. However, the 35-day period for petitioning for a hearing may be extended for an additional period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period. The Board shall give 21 days' notice to any person in the county where is located the facility in issue who has requested notice of enforcement proceedings and to each member of the General Assembly in whose legislative district that installation or property is located; and shall publish that 21-day notice in a newspaper of general circulation in that county. The Agency shall appear as respondent in such hearing. At such hearing the rules prescribed in Section 32 and subsection (a) of Section 33 of this Act shall apply, and the burden of proof shall be on the petitioner. If, however, the Agency issues an NPDES permit that imposes limits which are based upon a criterion or denies a permit based upon application of a criterion, then the Agency shall have the burden of going forward with the basis for the derivation of those limits or criterion which were derived under the Board's rules.

(2) Except as provided in paragraph (a)(3), if there is no final action by the Board within 120 days after the date on which it received the petition, the petitioner may deem the permit issued under this Act, provided, however, that that period of 120 days shall not run for any period of time, not to exceed 30 days, during which the Board is without

sufficient membership to constitute the quorum required by subsection (a) of Section 5 of this Act, and provided further that such 120 day period shall not be stayed for lack of quorum beyond 30 days regardless of whether the lack of quorum exists at the beginning of such 120-day period or occurs during the running of such 120-day period.

(3) Paragraph (a)(2) shall not apply to any permit which is subject to subsection (b), (d) or (e) of Section 39. If there is no final action by the Board within 120 days after the date on which it received the petition, the petitioner shall be entitled to an Appellate Court order pursuant to subsection (d) of Section 41 of this Act.

(b) If the Agency grants a RCRA permit for a hazardous waste disposal site, a third party, other than the permit applicant or Agency, may, within 35 days after the date on which the Agency issued its decision, petition the Board for a hearing to contest the issuance of the permit. Unless the Board determines that such petition is duplicative or frivolous, or that the petitioner is so located as to not be affected by the permitted facility, the Board shall hear the petition in accordance with the terms of subsection (a) of this Section and its procedural rules governing denial appeals, such hearing to be based exclusively on the record before the Agency. The burden of proof shall be on the petitioner. The Agency and the permit applicant shall be named co-respondents.

The provisions of this subsection do not apply to the granting of permits issued for the disposal or utilization of sludge from publicly-owned sewage works.

(c) Any party to an Agency proceeding conducted pursuant to Section 39.3 of this Act may petition as of right to the Board for review of the Agency's decision within 35 days from the date of issuance of the Agency's decision, provided that such appeal is not duplicative or frivolous. However, the 35-day period for petitioning for a hearing may be extended by the applicant for a period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period. If another person with standing to appeal wishes to obtain an extension, there must be a written notice provided to the Board by that person, the Agency, and the applicant, within the initial appeal period. The decision of the Board shall be based exclusively on the record compiled in the Agency proceeding. In other respects the Board's review shall be conducted in accordance with subsection (a) of this Section and the Board's procedural rules governing permit denial appeals.

(d) In reviewing the denial or any condition of a NA NSR permit issued by the Agency pursuant to rules and regulations adopted under subsection (c) of Section 9.1 of this Act, the decision of the Board shall be based exclusively on the record before the Agency including the record of the hearing, if any, unless the parties agree to supplement the record. The Board shall, if it finds the Agency is in error, make a final determination as to the substantive limitations of the permit including a final determination of Lowest Achievable Emission Rate.

(e)(1) If the Agency grants or denies a permit under subsection (b) of Section 39 of this Act, a third party, other than the permit applicant or Agency, may petition the Board within 35 days from the date of issuance of the Agency's decision, for a hearing to contest the decision of the Agency.

(2) A petitioner shall include the following within a petition submitted under subdivision (1) of this subsection:

(A) a demonstration that the petitioner raised the issues contained within the petition during the public notice period or during the public hearing on the NPDES permit application, if a public hearing was held; and

(B) a demonstration that the petitioner is so situated as to be affected by the permitted facility.

(3) If the Board determines that the petition is not duplicative or frivolous and contains a satisfactory demonstration under subdivision (2) of this subsection, the Board shall hear the petition (i) in accordance with the terms of subsection (a) of this Section and its procedural rules governing permit denial appeals and (ii) exclusively on the basis of the record before the Agency. The burden of proof shall be on the petitioner. The Agency and permit applicant shall be named co-respondents.

(f) Any person who files a petition to contest the issuance of a permit by the Agency shall pay a filing fee.

(g) If the Agency grants or denies a permit under subsection (y) of Section 39, a third party, other than the permit applicant or Agency, may appeal the Agency's decision as provided under federal law for CCR surface impoundment permits.

of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(Text of Section after amendment by P.A. 100-987)

Sec. 5-6-1. Sentences of probation and of conditional discharge and disposition of supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

(1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or

(2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or

(3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

student member. The Governor shall designate one of the student members serving on the Board to serve as the voting student member. Each student member shall be chosen by the respective campuses of Southern Illinois University at Carbondale and Edwardsville. The method of choosing these student members shall be by campus-wide student election; and any student designated by the Governor to be a voting student member shall be one of the students chosen by this method. The student members shall serve terms of one year beginning on July 1 of each year, except that the student members initially selected shall serve a term beginning on the date of such selection and expiring on the next succeeding June 30. To be eligible for selection as a student member and to be eligible to remain as a voting or nonvoting student member of the Board, a student member must be a resident of this State, must have and maintain a grade point average that is equivalent to at least 2.5 on a 4.0 scale, and must be a full-time student enrolled at all times during his or her term of office except for that part of the term which follows the completion of the last full regular semester of an academic year and precedes the first full regular semester of the succeeding academic year at the university (sometimes commonly referred to as the summer session or summer school). If a voting or nonvoting student member serving on the Board fails to continue to meet or maintain the residency, minimum grade point average, or enrollment requirement established by this Section, his or her membership on the Board shall be deemed to have terminated by operation of law. If the Senate is not in session appointments shall be made as in the case of vacancies.

(225 ILCS 46/33)
Sec. 33. Fingerprint-based criminal history records check.
(a) A fingerprint-based criminal history records check is not required for health care employees who have been continuously employed by a health care employer since October 1, 2007, have met the requirements for criminal history background checks prior to October 1, 2007, and have no disqualifying convictions or requested and received a waiver of those disqualifying convictions. These employees shall be retained on the Health Care Worker Registry as long as they remain active. Nothing in this subsection (a) shall be construed to prohibit a health care employer from initiating a criminal history records check for these employees. Should these employees seek a new position with a different health care employer, then a fingerprint-based criminal history records check shall be required.

(b) On October 1, 2007 or as soon thereafter as is reasonably practical, in the discretion of the Director of Public Health, and thereafter, any student, applicant, or employee who desires to be included on the Department of Public Health's Health Care Worker Registry shall authorize the Department of Public Health or its designee to request a fingerprint-based criminal history records check to determine if the individual has a conviction for a disqualifying offense. This authorization shall allow the Department of Public Health to request and receive information and assistance from any State or governmental agency. Each individual shall submit his or her fingerprints to the Department of State Police in an electronic format that complies with the form and manner for...
requesting and furnishing criminal history record information prescribed by the Department of State Police. The fingerprints submitted under this Section shall be checked against the fingerprint records now and hereafter filed in the Department of State Police criminal history record databases. The Department of State Police shall charge a fee for conducting the criminal history records check, which shall not exceed the actual cost of the records check. The livescan vendor may act as the designee for individuals, educational entities, or health care employers in the collection of Department of State Police fees and deposit those fees into the State Police Services Fund. The Department of State Police shall provide information concerning any criminal convictions, now or hereafter filed, against the individual.

(c) On October 1, 2007 or as soon thereafter as is reasonably practical, in the discretion of the Director of Public Health, and thereafter, an educational entity, other than a secondary school, conducting a nurse aide training program shall initiate a fingerprint-based criminal history records check required by this Act prior to entry of an individual into the training program.

(d) On October 1, 2007 or as soon thereafter as is reasonably practical, in the discretion of the Director of Public Health, and thereafter, a health care employer who makes a conditional offer of employment to an applicant for a position as an employee shall initiate a fingerprint-based criminal history record check, requested by the Department of Public Health, on the applicant, if such a background check has not been previously conducted. Workforce intermediaries and organizations providing pro bono legal services may initiate a fingerprint-based criminal history record check if a conditional offer of employment has not been made and a background check has not been previously conducted for an individual who has a disqualifying conviction and is receiving services from a workforce intermediary or an organization providing pro bono legal services.

(e) When initiating a background check requested by the Department of Public Health, an educational entity, or health care employer, workforce intermediary, or organization that provides pro bono legal services shall electronically submit to the Department of Public Health the student's, applicant's, or employee's social security number, demographics, disclosure, and authorization information in a format prescribed by the Department of Public Health within 2 working days after the authorization is secured. The student, applicant, or employee shall
have his or her fingerprints collected electronically and transmitted to the Department of State Police within 10 working days. The educational entity, workforce intermediary, or organization that provides pro bono legal services shall transmit all necessary information and fees to the livescan vendor and Department of State Police within 10 working days after receipt of the authorization. This information and the results of the criminal history record checks shall be maintained by the Department of Public Health's Health Care Worker Registry.

(f) A direct care employer may initiate a fingerprint-based background check required by this Act for any of its employees, but may not use this process to initiate background checks for residents. The results of any fingerprint-based background check that is initiated with the Department as the requester shall be entered in the Health Care Worker Registry.

(g) As long as the employee or trainee has had a fingerprint-based criminal history record check required by this Act and stays active on the Health Care Worker Registry, no further criminal history record checks are required, as the Department of State Police shall notify the Department of Public Health of any additional convictions associated with the fingerprints previously submitted. Health care employers shall check the Health Care Worker Registry before hiring an employee to determine that the individual has had a fingerprint-based record check required by this Act and has no disqualifying convictions or has been granted a waiver pursuant to Section 40 of this Act. If the individual has not had such a background check or is not active on the Health Care Worker Registry, then the health care employer shall initiate a fingerprint-based record check requested by the Department of Public Health. If an individual is inactive on the Health Care Worker Registry, that individual is prohibited from being hired to work as a certified nursing assistant if, since the individual's most recent completion of a competency test, there has been a period of 24 consecutive months during which the individual has not provided nursing or nursing-related services for pay. If the individual can provide proof of having retained his or her certification by not having a 24-consecutive-month break in service for pay, he or she may be hired as a certified nursing assistant and that employment information shall be entered into the Health Care Worker Registry.

(h) On October 1, 2007 or as soon thereafter as is reasonably practical, in the discretion of the Director of Public Health, and thereafter,
if the Department of State Police notifies the Department of Public Health that an employee has a new conviction of a disqualifying offense, based upon the fingerprints that were previously submitted, then (i) the Health Care Worker Registry shall notify the employee's last known employer of the offense, (ii) a record of the employee's disqualifying offense shall be entered on the Health Care Worker Registry, and (iii) the individual shall no longer be eligible to work as an employee unless he or she obtains a waiver pursuant to Section 40 of this Act.

(i) On October 1, 2007, or as soon thereafter, in the discretion of the Director of Public Health, as is reasonably practical, and thereafter, each direct care employer or its designee shall provide an employment verification for each employee no less than annually. The direct care employer or its designee shall log into the Health Care Worker Registry through a secure login. The health care employer or its designee shall indicate employment and termination dates within 30 days after hiring or terminating an employee, as well as the employment category and type. Failure to comply with this subsection (i) constitutes a licensing violation. A fine of up to $500 may be imposed for failure to maintain these records. This information shall be used by the Department of Public Health to notify the last known employer of any disqualifying offenses that are reported by the Department of State Police.

(j) In the event that an applicant or employee has a waiver for one or more disqualifying offenses pursuant to Section 40 of this Act and he or she is otherwise eligible to work, the Health Care Worker Registry shall indicate that the applicant or employee is eligible to work and that additional information is available on the Health Care Worker Registry. The Health Care Worker Registry may indicate that the applicant or employee has received a waiver.

(k) The student, applicant, or employee shall be notified of each of the following whenever a fingerprint-based criminal history records check is required:

(1) That the educational entity, health care employer, or long-term care facility shall initiate a fingerprint-based criminal history record check required by this Act of the student, applicant, or employee.

(2) That the student, applicant, or employee has a right to obtain a copy of the criminal records report that indicates a conviction for a disqualifying offense and challenge the accuracy
and completeness of the report through an established Department of State Police procedure of Access and Review.

(3) That the applicant, if hired conditionally, may be terminated if the criminal records report indicates that the applicant has a record of a conviction of any of the criminal offenses enumerated in Section 25, unless the applicant obtains a waiver pursuant to Section 40 of this Act.

(4) That the applicant, if not hired conditionally, shall not be hired if the criminal records report indicates that the applicant has a record of a conviction of any of the criminal offenses enumerated in Section 25, unless the applicant obtains a waiver pursuant to Section 40 of this Act.

(5) That the employee shall be terminated if the criminal records report indicates that the employee has a record of a conviction of any of the criminal offenses enumerated in Section 25.

(6) If, after the employee has originally been determined not to have disqualifying offenses, the employer is notified that the employee has a new conviction(s) of any of the criminal offenses enumerated in Section 25, then the employee shall be terminated.

(l) A health care employer or long-term care facility may conditionally employ an applicant for up to 3 months pending the results of a fingerprint-based criminal history record check requested by the Department of Public Health.

(m) The Department of Public Health or an entity responsible for inspecting, licensing, certifying, or registering the health care employer or long-term care facility shall be immune from liability for notices given based on the results of a fingerprint-based criminal history record check.

(n) As used in this Section:

"Workforce intermediaries" means organizations that function to provide job training and employment services. Workforce intermediaries include institutions of higher education, faith-based and community organizations, and workforce investment boards.

"Organizations providing pro bono legal services" means legal services performed without compensation or at a significantly reduced cost to the recipient that provide services designed to help individuals overcome statutory barriers that would prevent them from entering positions in the healthcare industry.

Section 5. The Equal Pay Act of 2003 is amended by changing Sections 10 and 30 as follows:

(820 ILCS 112/10)
Sec. 10. Prohibited acts.

(b) It is unlawful for any employer to interfere with, restrain, or deny the exercise of or the attempt to exercise any right provided under this Act. Under no circumstances may the student take the entire driver education course through a distance learning program. Both the classroom instruction part and the practice driving part of a such driver education course shall be open to a resident or non-resident student attending a non-public school in the district wherein the course is offered. Each student attending any public or non-public high school in the district must receive a passing grade in at least 8 courses during the previous 2 semesters prior to enrolling in a driver education course, or the student shall not be permitted to enroll in the course; provided that the local superintendent of schools (with respect to a student attending a public high school in the district) or chief school administrator (with respect to a student attending a non-public high school in the district) may waive the requirement if the superintendent or chief school administrator, as the case may be, deems it to be in the best interest of the student. A student may be allowed to commence the classroom instruction part of such driver education course prior to reaching age 15 if such student then will be eligible to complete the entire course within 12 months after being allowed to commence such classroom instruction.

A school district may offer a driver education course in a school by contracting with a commercial driver training school to provide both the classroom instruction part and the practice driving part or either one without having to request a modification or waiver of administrative rules of the State Board of Education if the school district approves the action during a public hearing on whether to enter into a contract with a commercial driver training school. The public hearing shall be held at a regular or special school board meeting prior to entering into such a contract. If a school district chooses to approve a contract with a commercial driver training school, then the district must provide evidence to the State Board of Education that the commercial driver training school with which it will contract holds a license issued by the Secretary of State under Article IV of Chapter 6 of the Illinois Vehicle Code and that each instructor employed by the commercial driver training school to provide instruction to students served by the school district holds a valid teaching license issued under the requirements of this Code and rules of the State Board of Education. Such evidence must include, but need not be limited to, a list of each instructor assigned to teach students served by the school
district, which list shall include the instructor's name, personal identification number as required by the State Board of Education, birth date, and driver's license number. Once the contract is entered into, the school district shall notify the State Board of Education of any changes in the personnel providing instruction either (i) within 15 calendar days after an instructor leaves the program or (ii) before a new instructor is hired. Such notification shall include the instructor's name, personal identification number as required by the State Board of Education, birth date, and driver's license number. If the school district maintains an Internet website, then the district shall post a copy of the final contract between the district and the commercial driver training school on the district's Internet website. If no Internet website exists, then the school district shall make available the contract upon request. A record of all materials in relation to the contract must be maintained by the school district and made available to parents and guardians upon request. The instructor's date of birth and driver's license number and any other personally identifying information as deemed by the federal Driver's Privacy Protection Act of 1994 must be redacted from any public materials.

AN ACT concerning revenue.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Property Tax Code is amended by changing Sections 11-80.1, 11-85, and 11-90 as follows:

New matter indicated by italics - deletions by strikeout
Sec. 11-80.1. High-speed passenger rail project. Due to the importance of developing high-speed or faster rail service, the General Assembly finds that it should encourage freight railroad owners to participate in State and federal government programs, including cooperative agreements designed to increase the speed of passenger rail service, that participation in those programs should not result in increased property taxes, and that such an increase in property taxes could negatively impact the participation in those programs. Therefore, the Department shall take into consideration any potential increase in a property's overall valuation that is directly attributable to the investment, improvement, replacement, or expansion of railroad operating property on or after January 1, 2010, through State or federal government programs, including cooperative agreements, necessary for higher speed passenger rail transportation. Any such increase in the property's overall valuation that is directly attributable to the investment, improvement, replacement, or expansion of railroad operating property on or after January 1, 2010, through State or federal government programs necessary for higher speed passenger rail transportation, including cooperative agreements, shall be excluded from the valuation of its real property improvements under Section 11-80. This Section applies on and after the effective date of this amendatory Act of the 97th General Assembly and through December 31, 2019.

(Source: P.A. 97-481, eff. 8-22-11.)

It shall describe all improvements and stations located on the right of way, giving the quantity, quality, character and original cost of each. It shall also report all non-operating personalty owned or controlled by the company on January 1, giving the quantity, quality, character and location of the same. The report shall also include any potential increase in the property's overall valuation that is directly attributable to the investment, improvement, replacement, or expansion of railroad operating

New companies shall make the statement on or before the June 1 after the location of their road.

When the statement has once been made, it is not necessary to report the description as required above unless directed to do so by the Department, but the company shall, on or before June 1, annually, report all additions or changes in its property in this State as have occurred.

The return required by this Section should be made by the using company, but all property which is operated under one control shall be returned as provided in this Section.

Sec. 6.1. Decertification of full-time and part-time police officers.

(a) The Board must review police officer conduct and records to ensure that no police officer is certified or provided a valid waiver if that police officer has been convicted of, or entered a plea of guilty to, a felony offense under the laws of this State or any other state which if committed in this State would be punishable as a felony. The Board must also ensure that no police officer is certified or provided a valid waiver if that police officer has been convicted of, or entered a plea of guilty to, on or after the effective date of this amendatory Act of 1999 of any misdemeanor specified in this Section or if committed in any other state would be an offense similar to Section 11-1.50, 11-6, 11-9.1, 11-14, 11-17, 11-19, 12-2, 12-15, 16-1, 17-1, 17-2, 28-3, 29-1, 31-1, 31-6, 31-7, 32-4a, or 32-7 of the Criminal Code of 1961 or the Criminal Code of 2012, to subdivision (a)(1) or (a)(2)(C) of Section 11-14.3 of the Criminal Code of 1961 or the Criminal Code of 2012, or subsection (a) of Section 17-32 of the Criminal Code of 1961 or the Criminal Code of 2012, or to Section 5 or 5.2 of the Cannabis Control Act. The Board must appoint investigators to enforce the duties conferred upon the Board by this Act.

(b) It is the responsibility of the sheriff or the chief executive officer of every local law enforcement agency or department within this State to report to the Board any arrest, or conviction, or plea of guilty of any officer for an offense identified in this Section.

(c) It is the duty and responsibility of every full-time and part-time police officer in this State to report to the Board within 30 days, and the officer's sheriff or chief executive officer, of his or her arrest, or conviction, or plea of guilty for an offense identified in this Section. Any full-time or part-time police officer who knowingly makes, submits, causes to be submitted, or files a false or untruthful report to the Board must have his or her certificate or waiver immediately decertified or revoked.

(d) Any person, or a local or State agency, or the Board is immune from liability for submitting, disclosing, or releasing information of arrests, or convictions, or pleas of guilty in this Section as long as the information is submitted, disclosed, or released in good faith and without malice. The Board has qualified immunity for the release of the information.

(e) Any full-time or part-time police officer with a certificate or waiver issued by the Board who is convicted of, or entered a plea of guilty to, any offense described in this Section immediately becomes decertified or no longer has a valid waiver. The decertification and invalidity of waivers occurs as a matter of law. Failure of a convicted person to report to the Board his or her conviction as described in this Section or any continued law enforcement practice after receiving a conviction is a Class 4 felony.

(f) The Board's investigators are peace officers and have all the powers possessed by policemen in cities and by sheriff's, and these provided that the investigators may exercise those powers anywhere in the State, only after contact and cooperation with the appropriate local law enforcement authorities. An investigator shall not have peace officer status or exercise police powers unless he or she successfully completes the basic police training course mandated and approved by the Board or the Board waives the training requirement by reason of the investigator's prior law enforcement experience, training, or both. The Board shall not waive the training requirement unless the investigator has had a minimum of 5 years experience as a sworn officer of a local, State, or federal law enforcement agency.

(g) The Board must request and receive information and assistance from any federal, state, or local governmental agency as part of the authorized criminal background investigation. The Department of State Police must process, retain, and additionally provide and disseminate information to the Board concerning criminal charges, arrests, convictions, and their disposition, that have been filed before, on, or after the effective date of this amendatory Act of the 91st General Assembly against a basic academy applicant, law enforcement applicant, or law enforcement officer whose fingerprint identification cards are on file or maintained by the Department of State Police. The Federal Bureau of Investigation must provide the Board any criminal history record information contained in its files pertaining to law enforcement officers or any applicant to a Board certified basic law enforcement academy as described in this Act based on fingerprint identification. The Board must make payment of fees to the Department of State Police for each fingerprint card submission in conformance with the requirements of paragraph 22 of Section 55a of the Civil Administrative Code of Illinois.

(h) A police officer who has been certified or granted a valid waiver shall also be decertified or have his or her waiver revoked upon a
determination by the Illinois Labor Relations Board State Panel that he or she, while under oath, has knowingly and willfully made false statements as to a material fact going to an element of the offense of murder. If an appeal is filed, the determination shall be stayed.

(1) In the case of an acquittal on a charge of murder, a verified complaint may be filed:
   (A) by the defendant; or
   (B) by a police officer with personal knowledge of perjured testimony.

The complaint must allege that a police officer, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder. The verified complaint must be filed with the Executive Director of the Illinois Law Enforcement Training Standards Board within 2 years of the judgment of acquittal.

(2) Within 30 days, the Executive Director of the Illinois Law Enforcement Training Standards Board shall review the verified complaint and determine whether the verified complaint is frivolous and without merit, or whether further investigation is warranted. The Illinois Law Enforcement Training Standards Board shall notify the officer and the Executive Director of the Illinois Labor Relations Board State Panel of the filing of the complaint and any action taken thereon. If the Executive Director of the Illinois Law Enforcement Training Standards Board determines that the verified complaint is frivolous and without merit, it shall be dismissed. The Executive Director of the Illinois Law Enforcement Training Standards Board has sole discretion to make this determination and this decision is not subject to appeal.

(i) If the Executive Director of the Illinois Law Enforcement Training Standards Board determines that the verified complaint warrants further investigation, he or she shall refer the matter to a task force of investigators created for this purpose. This task force shall consist of 8 sworn police officers: 2 from the Illinois State Police, 2 from the City of Chicago Police Department, 2 from county police departments, and 2 from municipal police departments. These investigators shall have a minimum of 5 years of experience in conducting criminal investigations. The investigators shall be appointed by the Executive Director of the Illinois Law Enforcement Training Standards Board. Any officer or officers acting in this capacity pursuant to this statutory provision will have statewide
police authority while acting in this investigative capacity. Their salaries and expenses for the time spent conducting investigations under this paragraph shall be reimbursed by the Illinois Law Enforcement Training Standards Board.

(j) Once the Executive Director of the Illinois Law Enforcement Training Standards Board has determined that an investigation is warranted, the verified complaint shall be assigned to an investigator or investigators. The investigator or investigators shall conduct an investigation of the verified complaint and shall write a report of his or her findings. This report shall be submitted to the Executive Director of the Illinois Labor Relations Board State Panel.

Within 30 days, the Executive Director of the Illinois Labor Relations Board State Panel shall review the investigative report and determine whether sufficient evidence exists to conduct an evidentiary hearing on the verified complaint. If the Executive Director of the Illinois Labor Relations Board State Panel determines upon his or her review of the investigatory report that a hearing should not be conducted, the complaint shall be dismissed. This decision is in the Executive Director's sole discretion, and this dismissal may not be appealed.

If the Executive Director of the Illinois Labor Relations Board State Panel determines that there is sufficient evidence to warrant a hearing, a hearing shall be ordered on the verified complaint, to be conducted by an administrative law judge employed by the Illinois Labor Relations Board State Panel. The Executive Director of the Illinois Labor Relations Board State Panel shall inform the Executive Director of the Illinois Law Enforcement Training Standards Board and the person who filed the complaint of either the dismissal of the complaint or the issuance of the complaint for hearing. The Executive Director shall assign the complaint to the administrative law judge within 30 days of the decision granting a hearing.

(k) In the case of a finding of guilt on the offense of murder, if a new trial is granted on direct appeal, or a state post-conviction evidentiary hearing is ordered, based on a claim that a police officer, under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder, the Illinois Labor Relations Board State Panel shall hold a hearing to determine whether the officer should be decertified if an interested party requests such a hearing within 2 years of the court's decision. The complaint shall be assigned to an administrative law judge within 30 days so that a hearing can be scheduled.

At the hearing, the accused officer shall be afforded the opportunity to:

1. Be represented by counsel of his or her own choosing;
2. Be heard in his or her own defense;
3. Produce evidence in his or her defense;
4. Request that the Illinois Labor Relations Board State Panel compel the attendance of witnesses and production of related documents including but not limited to court documents and records.

Once a case has been set for hearing, the verified complaint shall be referred to the Department of Professional Regulation. That office shall prosecute the verified complaint at the hearing before the administrative law judge. The Department of Professional Regulation shall have the opportunity to produce evidence to support the verified complaint and to request the Illinois Labor Relations Board State Panel to compel the attendance of witnesses and the production of related documents, including, but not limited to, court documents and records. The Illinois Labor Relations Board State Panel shall have the power to issue subpoenas requiring the attendance of and testimony of witnesses and the production of related documents including, but not limited to, court documents and records and shall have the power to administer oaths.

The administrative law judge shall have the responsibility of receiving into evidence relevant testimony and documents, including court records, to support or disprove the allegations made by the person filing the verified complaint and, at the close of the case, hear arguments. If the administrative law judge finds that there is not clear and convincing evidence to support the verified complaint that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder, the administrative law judge shall make a written recommendation of dismissal to the Illinois Labor Relations Board State Panel. If the administrative law judge finds that there is clear and convincing evidence that the police officer has, while under oath, knowingly and willfully made false statements as to a material fact that goes to an element of the offense of murder, the administrative law judge shall make a written recommendation so concluding to the Illinois Labor Relations Board State Panel. The hearings shall be transcribed. The Executive Director of the Illinois Law Enforcement Training Standards Board shall be informed of the administrative law judge's recommended findings and decision and the
Illinois Labor Relations Board State Panel's subsequent review of the recommendation.

(l) An officer named in any complaint filed pursuant to this Act shall be indemnified for his or her reasonable attorney's fees and costs by his or her employer. These fees shall be paid in a regular and timely manner. The State, upon application by the public employer, shall reimburse the public employer for the accused officer's reasonable attorney's fees and costs. At no time and under no circumstances will the accused officer be required to pay his or her own reasonable attorney's fees or costs.

(m) The accused officer shall not be placed on unpaid status because of the filing or processing of the verified complaint until there is a final non-appealable order sustaining his or her guilt and his or her certification is revoked. Nothing in this Act, however, restricts the public employer from pursuing discipline against the officer in the normal course and under procedures then in place.

(n) The Illinois Labor Relations Board State Panel shall review the administrative law judge's recommended decision and order and determine by a majority vote whether or not there was clear and convincing evidence that the accused officer, while under oath, knowingly and willfully made false statements as to a material fact going to the offense of murder. Within 30 days of service of the administrative law judge's recommended decision and order, the parties may file exceptions to the recommended decision and order and briefs in support of their exceptions with the Illinois Labor Relations Board State Panel. The parties may file responses to the exceptions and briefs in support of the responses no later than 15 days after the service of the exceptions. If exceptions are filed by any of the parties, the Illinois Labor Relations Board State Panel shall review the matter and make a finding to uphold, vacate, or modify the recommended decision and order. If the Illinois Labor Relations Board State Panel concludes that there is clear and convincing evidence that the accused officer, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense murder, the Illinois Labor Relations Board State Panel shall inform the Illinois Law Enforcement Training Standards Board and the Illinois Law Enforcement Training Standards Board shall revoke the accused officer's certification. If the accused officer appeals that determination to the Appellate Court, as provided by this Act, he or she may petition the Appellate Court to stay the

revocation of his or her certification pending the court's review of the matter.

(o) None of the Illinois Labor Relations Board State Panel's findings or determinations shall set any precedent in any of its decisions decided pursuant to the Illinois Public Labor Relations Act by the Illinois Labor Relations Board State Panel or the courts.

(p) A party aggrieved by the final order of the Illinois Labor Relations Board State Panel may apply for and obtain judicial review of an order of the Illinois Labor Relations Board State Panel, in accordance with the provisions of the Administrative Review Law, except that such judicial review shall be afforded directly in the Appellate Court for the district in which the accused officer resides. Any direct appeal to the Appellate Court shall be filed within 35 days from the date that a copy of the decision sought to be reviewed was served upon the party affected by the decision.

(q) Interested parties. Only interested parties to the criminal prosecution in which the police officer allegedly, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder may file a verified complaint pursuant to this Section. For purposes of this Section, "interested parties" shall be limited to the defendant and any police officer who has personal knowledge that the police officer who is the subject of the complaint has, while under oath, knowingly and willfully made false statements as to a material fact going to an element of the offense of murder.

(r) Semi-annual reports. The Executive Director of the Illinois Labor Relations Board shall submit semi-annual reports to the Governor, President, and Minority Leader of the Senate, and to the Speaker and Minority Leader of the House of Representatives beginning on June 30, 2004, indicating:

(1) the number of verified complaints received since the date of the last report;

If such training is required and not completed within the applicable 6 six months, then the officer must forfeit his or her position, or the employing agency must obtain a waiver from the Board extending the period for compliance. AN ACT concerning regulation.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the In-Office Membership Care Act.

Section 5. Public policy. It is the policy of the State of Illinois to promote personal responsibility for health care and the cost-effective delivery of dental services by encouraging innovative use of in-office membership care practices for dental care. In-office membership care practices utilize a model of periodic fees for provider access and management over time, rather than simply a fee for visit or procedure service model. Some patients and individual dental care providers may wish to establish direct agreements with one another as an alternative to traditional fee-for-service care financed through health insurance. The purpose of this Act is to confirm that in-office membership care agreements that satisfy the provisions of this Act do not constitute insurance and as such are not subject to the Illinois Insurance Code.

Section 10. Definitions. In this Act:
"Dental care provider" means a natural person or persons licensed or otherwise legally authorized to provide health care services in the State of Illinois in the field of dentistry who provides such services either alone or with others at the same location or other location affiliated with the practice in a form and within a scope permitted by such licensure or legal authorization for the provision of such services and who enters into an in-office membership care agreement.

"Direct fee" means an agreed-upon fee charged by a dental care provider as consideration for providing and being available to provide in-office membership care services described in an in-office membership care agreement.

"In-office membership care agreement" means a written contract between a dental care provider or group of providers and an individual patient, the patient's family, or the patient's representative in which the dental care provider agrees to provide in-office membership care services to the patient over a specified period of time for payment of a direct fee.

"In-office membership care services" means services that a dental care provider is licensed or otherwise legally authorized to provide,
including, but not limited to, (i) dental screenings, assessments, diagnoses, and treatments for the purpose of promoting health; (ii) detection, management, and care of disease or injury; and (iii) routine preventive or diagnostic dental treatment.

"Patient" means a person who is entitled to receive in-office membership care services under an in-office membership care agreement.

Section 15. In-office membership care agreement provisions.
(a) An in-office membership care agreement shall identify:
(1) the dental care provider or providers and the patient or patients;
(2) the general scope of services as well as the specific services to be provided by the dental care provider as part of the in-office membership care agreement;
(3) the location or locations where services are to be provided;
(4) the amount of the direct fee and the time interval at which it is to be paid; and
(5) the term of the in-office membership care agreement and the conditions upon which it may be terminated by the dental care provider.
(b) An in-office membership care agreement shall be terminable at will by written notice from the patient to the dental care provider.
(c) If a party provides written notice of termination of the in-office membership care agreement, the dental care provider may refund to the patient all unearned direct fees associated with the covered services under the in-office membership care agreement.

Section 20. Location of in-office membership care services. In-office membership care services may be provided in a dental care provider's office or another location in which a patient visit with the dental care provider needs to occur.

Section 25. Insurance billing prohibited. Neither the patient nor the dental care provider shall submit a bill to an insurer for the services provided under an in-office membership care agreement.

Section 30. In-office membership care agreements not classified as insurance. In-office membership care agreements are not subject to regulation as insurance under the Illinois Insurance Code.

Section 35. Disclaimer. An in-office membership care agreement shall include the following disclaimer: "This agreement does not provide health insurance coverage, including the minimal essential coverage

New matter indicated by italics - deletions by strikeout
required by applicable federal law. It provides only the services described herein. It is recommended that health care insurance be obtained to cover dental services not provided for under this in-office membership care agreement.

Section 40. Restrictions on transfer. An in-office membership care agreement may not be sold or transferred by the dental care provider without the written consent of the patient and may be transferred only to another dental care provider. An in-office membership care agreement may not be sold to a group, employer or group of subscribers because it is an individual agreement between a dental care provider and a patient. These limitations do not prohibit the presentation of marketing materials to groups of potential patients or their representatives.

Section 45. Effect of this Act. This Act does not prohibit dental care providers who are not dental care providers offering in-office membership care agreements from entering into agreements with patients to the extent such agreements do not violate the provisions of the Illinois Insurance Code.

Section 80. The Illinois Insurance Code is amended by changing Section 352 as follows:

(215 ILCS 5/352) (from Ch. 73, par. 964)
Sec. 352. Scope of Article.
(a) Except as provided in subsections (b), (c), (d), and (e), this Article shall apply to all companies transacting in this State the kinds of business enumerated in clause (b) of Class 1 and clause (a) of Class 2 of section 4. Nothing in this Article shall apply to, or in any way affect policies or contracts described in clause (a) of Class 1 of Section 4; however, this Article shall apply to policies and contracts which contain benefits providing reimbursement for the expenses of long term health care which are certified or ordered by a physician including but not limited to professional nursing care, custodial nursing care, and non-nursing custodial care provided in a nursing home or at a residence of the insured.
(b) (Blank).
(c) A policy issued and delivered in this State that provides coverage under that policy for certificate holders who are neither residents of nor employed in this State does not need to provide to those nonresident certificate holders who are not employed in this State the coverages or services mandated by this Article.

New matter indicated by italics - deletions by strikeout
(d) Stop-loss insurance is exempt from all Sections of this Article, except this Section and Sections 353a, 354, 357.30, and 370. For purposes of this exemption, stop-loss insurance is further defined as follows:

1. The policy must be issued to and insure an employer, trustee, or other sponsor of the plan, or the plan itself, but not employees, members, or participants.

2. Payments by the insurer must be made to the employer, trustee, or other sponsors of the plan, or the plan itself, but not to the employees, members, participants, or health care providers.

(e) A policy issued or delivered in this State to the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) and providing coverage, under clause (b) of Class 1 or clause (a) of Class 2 as described in Section 4, to persons who are enrolled under Article V of the Illinois Public Aid Code or under the Children's Health Insurance Program Act is exempt from all restrictions, limitations, standards, rules, or regulations respecting benefits imposed by or under authority of this Code, except those specified by subsection (1) of Section 143, Section 370c, and Section 370c.1. Nothing in this subsection, however, affects the total medical services available to persons eligible for medical assistance under the Illinois Public Aid Code.

(f) An in-office membership care agreement provided under the In-Office Membership Care Act is not insurance for the purposes of this Code.

Sec. 2-1402. Citations to discover assets Supplementary proceedings.

(a) A judgment creditor, or his or her successor in interest when that interest is made to appear of record, is entitled to prosecute citations to discover assets supplementary proceedings for the purposes of examining the judgment debtor or any other person to discover assets or income of the debtor not exempt from the enforcement of the judgment, a deduction order or garnishment, and of compelling the application of non-exempt assets or income discovered toward the payment of the amount due under the judgment. A citation supplementary proceeding shall be commenced by the service of a citation issued by the clerk. The procedure for conducting citation supplementary proceedings shall be prescribed by rules. It is not a prerequisite to the commencement of a supplementary proceeding that a certified copy of the judgment has been returned wholly or partly unsatisfied. All citations issued by the clerk shall have the following language, or language substantially similar thereto, stated prominently on the front, in capital letters: "IF YOU FAIL TO APPEAR IN COURT AS DIRECTED IN THIS NOTICE, YOU MAY BE ARRESTED AND BROUGHT BEFORE THE COURT TO ANSWER TO A CHARGE OF CONTEMPT OF COURT, WHICH MAY BE PUNISHABLE BY IMPRISONMENT IN THE COUNTY JAIL." The court shall not grant a continuance of the citation supplementary proceeding except upon good cause shown.

(b) Any citation served upon a judgment debtor or any other person shall include a certification by the attorney for the judgment creditor or the judgment creditor setting forth the amount of the judgment, the date of the judgment, or its revival date, the balance due thereon, the name of the court, and the number of the case, and a copy of the citation notice required by this subsection. Whenever a citation is served upon a person or party other than the judgment debtor, the officer or person serving the citation shall send to the judgment debtor, within three business days of the service upon the cited party, a copy of the citation and the citation notice, which may be sent by regular first-class mail to the judgment debtor's last known address. In no event shall a citation hearing be held sooner than five business days after the mailing of the citation and citation notice to the judgment debtor, except by agreement of the parties. The citation notice need not be mailed to a corporation, partnership, or association. The citation notice shall be in substantially the following form:

judgment creditor to discover income and assets belonging to the judgment debtor or in which the judgment debtor has an interest.

(c) When assets or income of the judgment debtor not exempt from the satisfaction of a judgment, a deduction order or garnishment are discovered, the court may, by appropriate order or judgment:

(1) Compel the judgment debtor to deliver up, to be applied in satisfaction of the judgment, in whole or in part, money, choses in action, property or effects in his or her possession or control, so discovered, capable of delivery and to which his or her title or right of possession is not substantially disputed.

(2) Compel the judgment debtor to pay to the judgment creditor or apply on the judgment, in installments, a portion of his or her income, however or whenever earned or acquired, as the court may deem proper, having due regard for the reasonable requirements of the judgment debtor and his or her family, if dependent upon him or her, as well as any payments required to be made by prior order of court or under wage assignments outstanding; provided that the judgment debtor shall not be compelled to pay income which would be considered exempt as wages under the Wage Deduction Statute. The court may modify an order for installment payments, from time to time, upon application of either party upon notice to the other.

(3) Compel any person cited, other than the judgment debtor, to deliver up any assets so discovered, to be applied in satisfaction of the judgment, in whole or in part, when those assets are held under such circumstances that in an action by the judgment debtor he or she could recover them in specie or obtain a judgment for the proceeds or value thereof as for conversion or embezzlement. A judgment creditor may recover a corporate judgment debtor's property on behalf of the judgment debtor for use of the judgment creditor by filing an appropriate petition within the citation proceedings.

(4) Enter any order upon or judgment against the person cited that could be entered in any garnishment proceeding.

(5) Compel any person cited to execute an assignment of any chose in action or a conveyance of title to real or personal property or resign memberships in exchanges, clubs, or other entities in the same manner and to the same extent as a court could

New matter indicated by italics - deletions by strikeout
do in any proceeding by a judgment creditor to enforce payment of
a judgment or in aid of the enforcement of a judgment.

(6) Authorize the judgment creditor to maintain an action
against any person or corporation that, it appears upon proof
satisfactory to the court, is indebted to the judgment debtor, for the
recovery of the debt, forbid the transfer or other disposition of the
debt until an action can be commenced and prosecuted to
judgment, direct that the papers or proof in the possession or
control of the debtor and necessary in the prosecution of the action
be delivered to the creditor or impounded in court, and provide for
the disposition of any moneys in excess of the sum required to pay
the judgment creditor's judgment and costs allowed by the court.

(c-5) If a citation is directed to a judgment debtor who is a natural
person, no payment order shall be entered under subsection (c) unless the
Income and Asset Form was served upon the judgment debtor as required
by subsection (b-1), the judgment debtor has had an opportunity to assert
exemptions, and the payments are from non-exempt sources.

(d) No order or judgment shall be entered under subsection (c) in
favor of the judgment creditor unless there appears of record a certification
of mailing showing that a copy of the citation and a copy of the citation
notice was mailed to the judgment debtor as required by subsection (b).

(d-5) If upon examination the court determines that the judgment
debtor does not possess any non-exempt income or assets, then the citation
shall be dismissed.

(e) All property ordered to be delivered up shall, except as
otherwise provided in this Section, be delivered to the sheriff to be
collected by the sheriff or sold at public sale and the proceeds thereof
applied towards the payment of costs and the satisfaction of the judgment.
If the judgment debtor's property is of such a nature that it is not readily
delivered up to the sheriff for public sale or if another method of sale is
more appropriate to liquidate the property or enhance its value at sale, the
court may order the sale of such property by the debtor, third party
respondent, or by a selling agent other than the sheriff upon such terms as
are just and equitable. The proceeds of sale, after deducting reasonable and
necessary expenses, are to be turned over to the creditor and applied to the
balance due on the judgment.

(f)(1) The citation may prohibit the party to whom it is directed
from making or allowing any transfer or other disposition of, or interfering
with, any property not exempt from the enforcement of a judgment

therefrom, a deduction order or garnishment, belonging to the judgment debtor or to which he or she may be entitled or which may thereafter be acquired by or become due to him or her, and from paying over or otherwise disposing of any moneys not so exempt which are due or to become due to the judgment debtor, until the further order of the court or the termination of the proceeding, whichever occurs first. The third party may not be obliged to withhold the payment of any moneys beyond double the amount of the balance due sought to be enforced by the judgment creditor. The court may punish any party who violates the restraining provision of a citation as and for a contempt, or if the party is a third party may enter judgment against him or her in the amount of the unpaid portion of the judgment and costs allowable under this Section, or in the amount of the value of the property transferred, whichever is lesser.

(2) The court may enjoin any person, whether or not a party to the citation supplementary proceeding, from making or allowing any transfer or other disposition of, or interference with, the property of the judgment debtor not exempt from the enforcement of a judgment, a deduction order or garnishment, or the property or debt not so exempt concerning which any person is required to attend and be examined until further direction in the premises. The injunction order shall remain in effect until vacated by the court or until the proceeding is terminated, whichever first occurs.

(g) If it appears that any property, chose in action, credit or effect discovered, or any interest therein, is claimed by any person, the court shall, as in garnishment proceedings, permit or require the claimant to appear and maintain his or her right. The rights of the person cited and the rights of any adverse claimant shall be asserted and determined pursuant to the law relating to garnishment proceedings.

(h) Costs in proceedings authorized by this Section shall be allowed, assessed and paid in accordance with rules, provided that if the court determines, in its discretion, that costs incurred by the judgment creditor were improperly incurred, those costs shall be paid by the judgment creditor.

(i) This Section is in addition to and does not affect enforcement of judgments or citation proceedings supplementary thereto, by any other methods now or hereafter provided by law.

(j) This Section does not grant the power to any court to order installment or other payments from, or compel the sale, delivery, surrender, assignment or conveyance of any property exempt by statute.
from the enforcement of a judgment thereon, a deduction order, garnishment, attachment, sequestration, process or other levy or seizure.

(k) (Blank).

(k-3) The court may enter any order upon or judgment against the respondent cited that could be entered in any garnishment proceeding under Part 7 of Article XII of this Code. This subsection (k-3) shall be construed as being declarative of existing law and not as a new enactment.

(k-5) If the court determines that any property held by a third party respondent is wages pursuant to Section 12-801, the court shall proceed as if a wage deduction proceeding had been filed and proceed to enter such necessary and proper orders as would have been entered in a wage deduction proceeding including but not limited to the granting of the statutory exemptions allowed by Section 12-803 and all other remedies allowed plaintiff and defendant pursuant to Part 8 of Article 12 of this Act.

(k-10) If a creditor discovers personal property of the judgment debtor that is subject to the lien of a citation to discover assets, the creditor may have the court impress a lien against a specific item of personal property, including a beneficial interest in a land trust. The lien survives the termination of the citation proceedings and remains as a lien against the personal property in the same manner that a judgment lien recorded against real property pursuant to Section 12-101 remains a lien on real property. If the judgment is revived before dormancy, the lien shall remain. A lien against personal property may, but need not, be recorded in the office of the recorder or filed as an informational filing pursuant to the Uniform Commercial Code.

(l) At any citation hearing at which the judgment debtor appears and seeks a declaration that certain of his or her income or assets are exempt, the court shall proceed to determine whether the property which the judgment debtor declares to be exempt is exempt from judgment. At any time before the return date specified on the citation, the judgment debtor may request, in writing, a hearing to declare exempt certain income and assets by notifying the clerk of the court before that time, using forms as may be provided by the clerk of the court. The clerk of the court will obtain a prompt hearing date from the court and will provide the necessary forms that must be prepared by the judgment debtor or the attorney for the judgment debtor and sent to the judgment creditor, or the judgment creditor's attorney, regarding the time and location of the hearing. This notice may be sent by regular first class mail. At the hearing, the court shall immediately, unless for good cause shown that the hearing is to be

continued, shall proceed to determine whether the property which the judgment debtor declares to be exempt is exempt from judgment. The restraining provisions of subsection (f) shall not apply to any property determined by the court to be exempt.

(m) The judgment or balance due on the judgment becomes a lien when a citation is served in accordance with subsection (a) of this Section. The lien binds nonexempt personal property, including money, choses in action, and effects of the judgment debtor as follows:

(1) When the citation is directed against the judgment debtor, upon all personal property belonging to the judgment debtor in the possession or control of the judgment debtor or which may thereafter be acquired or come due to the judgment debtor to the time of the disposition of the citation.

(2) When the citation is directed against a third party, upon all personal property belonging to the judgment debtor in the possession or control of the third party or which thereafter may be acquired or come due the judgment debtor and comes into the possession or control of the third party to the time of the disposition of the citation.

The lien established under this Section does not affect the rights of citation respondents in property prior to the service of the citation upon them and does not affect the rights of bona fide purchasers or lenders without notice of the citation. The lien is effective for the period specified by Supreme Court Rule.

This subsection (m), as added by Public Act 88-48, is a declaration of existing law.

(n) If any provision of this Act or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect the provisions or applications of the Act that can be given effect without the invalid provision or application.

(o) The changes to this Section made by this amendatory Act of the 97th General Assembly apply only to citation supplementary proceedings commenced under this Section on or after the effective date of this amendatory Act of the 97th General Assembly. The requirements or limitations set forth in subsections (b-1), (b-5), (b-10), (c-5), and (d-5) do not apply to the enforcement of any order or judgment resulting from an adjudication of a municipal ordinance violation that is subject to Supreme Court Rules 570 through 579, or from an administrative adjudication of such an ordinance violation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Personnel Code is amended by changing Section 8b.1 as follows:

(20 ILCS 415/8b.1) (from Ch. 127, par. 63b108b.1)

Sec. 8b.1. For open competitive examinations to test the relative fitness of applicants for the respective positions.

Tests shall be designed to eliminate those who are not qualified for entrance into or promotion within the service, and to discover the relative fitness of those who are qualified. The Director may use any one of or any combination of the following examination methods which in his judgment best serves this end: investigation of education; investigation of experience; test of cultural knowledge; test of capacity; test of knowledge; test of manual skill; test of linguistic ability; test of character; test of physical fitness; test of psychological fitness. No person with a record of misdemeanor convictions except those under Sections 11-1.50, 11-6, 11-7, 11-9, 11-14, 11-15, 11-17, 11-18, 11-19, 11-30, 11-35, 12-2, 12-6, 12-15, 14-4, 16-1, 21.1-3, 24-3.1, 24-5, 25-1, 28-3, 31-1, 31-4, 31-6, 31-7, 32-1, 32-2, 32-3, 32-4, and 32-8, subdivisions (a)(1) and (a)(2)(C) of Section 11-14.3, and sub-sections 1, 6 and 8 of Section 24-1 of the Criminal Code of 1961 or the Criminal Code of 2012, or arrested for any cause but not convicted thereon shall be disqualified from taking such examinations or subsequent appointment, unless the person is attempting to qualify for a position which would give him the powers of a peace officer, in which case the person's conviction or arrest record may be considered as a factor in determining the person's fitness for the position. The eligibility conditions specified for the position of Assistant Director of Healthcare and Family Services in the Department of Healthcare and Family Services in Section 5-230 of the Departments of State Government Law (20 ILCS

All examinations shall be announced publicly at least 2 weeks in advance of the date of the examinations and may be advertised through the press, radio and other media. The Director may, however, in his discretion, continue to receive applications and examine candidates long enough to assure a sufficient number of eligibles to meet the needs of the service and may add the names of successful candidates to existing eligible lists in accordance with their respective ratings.

The Director may, in his discretion, accept the results of competitive examinations conducted by any merit system established by federal law or by the law of any State, and may compile eligible lists therefrom or may add the names of successful candidates in examinations conducted by those merit systems to existing eligible lists in accordance with their respective ratings. No person who is a non-resident of the State of Illinois may be appointed from those eligible lists, however, unless the requirement that applicants be residents of the State of Illinois is waived by the Director of Central Management Services and unless there are less than 3 Illinois residents available for appointment from the appropriate eligible list. The results of the examinations conducted by other merit systems may not be used unless they are comparable in difficulty and comprehensiveness to examinations conducted by the Department of Central Management Services for similar positions. Special linguistic options may also be established where deemed appropriate.

When an agency requests an open competitive eligible list from the Department, the Director shall also provide to the agency a Successful Disability Opportunities Program eligible candidate list.

Section 99. Effective date. This Act takes effect upon becoming law.

Passed in the General Assembly May 21, 2019.
AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Counties Code is amended by changing Section 5-1121 as follows:

(55 ILCS 5/5-1121)
Sec. 5-1121. Demolition, repair, or enclosure.
(a) The county board of each county may demolish, repair, or enclose or cause the demolition, repair, or enclosure of dangerous and unsafe buildings or uncompleted and abandoned buildings within the territory of the county, but outside the territory of any municipality, and may remove or cause the removal of garbage, debris, and other hazardous, noxious, or unhealthy substances or materials from those buildings. If a township within the county makes a formal request to the county board as provided in Section 85-50 of the Township Code that the county board commence specified proceedings under this Section with respect to property located within the township but outside the territory of any municipality, then, at the next regular county board meeting occurring at least 10 days after the formal request is made to the county board, the county board shall either commence the requested proceedings or decline to do so (either formally or by failing to commence the proceedings within 60 days after the request) and shall notify the township board making the request of the county board's decision. In any county having adopted, by referendum or otherwise, a county health department as provided by Division 5-25 of the Counties Code or its predecessor, the county board of any such county may upon a formal request by the city, village, or incorporated town demolish, repair or cause the demolition or repair of dangerous and unsafe buildings or uncompleted and abandoned buildings within the territory of any city, village, or incorporated town having a population of less than 50,000.

The county board shall apply to the circuit court of the county in which the building is located (i) for an order authorizing action to be taken with respect to a building if the owner or owners of the building, including

New matter indicated by italics - deletions by strikeout
the lien holders of record, after at least 15 days' written notice by mail to
do so, have failed to commence proceedings to put the building in a safe
condition or to demolish it or (ii) for an order requiring the owner or
owners of record to demolish, repair, or enclose the building or to remove
garbage, debris, and other hazardous, noxious, or unhealthy substances or
materials from the building. It is not a defense to the cause of action that
the building is boarded up or otherwise enclosed, although the court may
order the defendant to have the building boarded up or otherwise enclosed.
Where, upon diligent search, the identity or whereabouts of the owner or
owners of the building, including the lien holders of record, is not
ascertainable, notice mailed to the person or persons in whose name the
real estate was last assessed and the posting of such notice upon the
premises sought to be demolished or repaired is sufficient notice under this
Section.

The hearing upon the application to the circuit court shall be
expedited by the court and shall be given precedence over all other suits.

The cost of the demolition, repair, enclosure, or removal incurred
by the county, by an intervenor, or by a lien holder of record, including
court costs, attorney's fees, and other costs related to the enforcement of
this Section, is recoverable from the owner or owners of the real estate or
the previous owner or both if the property was transferred during the 15
day notice period and is a lien on the real estate; the lien is superior to all
prior existing liens and encumbrances, except taxes, if, within 180 days
after the repair, demolition, enclosure, or removal, the county, the lien
holder of record, or the intervenor who incurred the cost and expense shall
file a notice of lien for the cost and expense incurred in the office of the
recorder in the county in which the real estate is located or in the office of
the registrar of titles of the county if the real estate affected is registered
under the Registered Titles (Torrens) Act.

The notice must consist of a sworn statement setting out (1) a
description of the real estate sufficient for its identification, (2) the amount
of money representing the cost and expense incurred, and (3) the date or
dates when the cost and expense was incurred by the county, the lien
holder of record, or the intervenor. Upon payment of the cost and expense
by the owner of or persons interested in the property after the notice of lien
has been filed, the lien shall be released by the county, the person in whose
name the lien has been filed, or the assignee of the lien, and the release
may be filed of record as in the case of filing notice of lien. Unless the lien
is enforced under subsection (b), the lien may be enforced by foreclosure
proceedings as in the case of mortgage foreclosures under Article XV of the Code of Civil Procedure or mechanics' lien foreclosures. An action to foreclose this lien may be commenced at any time after the date of filing of the notice of lien. The costs of foreclosure incurred by the county, including court costs, reasonable attorney's fees, advances to preserve the property, and other costs related to the enforcement of this subsection, plus statutory interest, are a lien on the real estate and are recoverable by the county from the owner or owners of the real estate.

All liens arising under this subsection (a) shall be assignable. The assignee of the lien shall have the same power to enforce the lien as the assigning party, except that the lien may not be enforced under subsection (b).

If the appropriate official of any county determines that any dangerous and unsafe building or uncompleted and abandoned building within its territory fulfills the requirements for an action by the county under the Abandoned Housing Rehabilitation Act, the county may petition under that Act in a proceeding brought under this subsection.

(b) In any case where a county has obtained a lien under subsection (a), the county may enforce the lien under this subsection (b) in the same proceeding in which the lien is authorized.

A county desiring to enforce a lien under this subsection (b) shall petition the court to retain jurisdiction for foreclosure proceedings under this subsection. Notice of the petition shall be served, by certified or registered mail, on all persons who were served notice under subsection (a). The court shall conduct a hearing on the petition not less than 15 days after the notice is served. If the court determines that the requirements of this subsection (b) have been satisfied, it shall grant the petition and retain jurisdiction over the matter until the foreclosure proceeding is completed. The costs of foreclosure incurred by the county, including court costs, reasonable attorneys' fees, advances to preserve the property, and other costs related to the enforcement of this subsection, plus statutory interest, are a lien on the real estate and are recoverable by the county from the owner or owners of the real estate. If the court denies the petition, the county may enforce the lien in a separate action as provided in subsection (a).

All persons designated in Section 15-1501 of the Code of Civil Procedure as necessary parties in a mortgage foreclosure action shall be joined as parties before issuance of an order of foreclosure. Persons
designated in Section 15-1501 of the Code of Civil Procedure as permissible parties may also be joined as parties in the action.

The provisions of Article XV of the Code of Civil Procedure applicable to mortgage foreclosures shall apply to the foreclosure of a lien under this subsection (b), except to the extent that those provisions are inconsistent with this subsection. For purposes of foreclosures of liens under this subsection, however, the redemption period described in subsection (b) of Section 15-1603 of the Code of Civil Procedure shall end 60 days after the date of entry of the order of foreclosure.

(c) In addition to any other remedy provided by law, the county board of any county may petition the circuit court to have property declared abandoned under this subsection (c) if:

1. the property has been tax delinquent for 2 or more years or bills for water service for the property have been outstanding for 2 or more years;
2. the property is unoccupied by persons legally in possession; and
3. the property contains a dangerous or unsafe building.

All persons having an interest of record in the property, including tax purchasers and beneficial owners of any Illinois land trust having title to the property, shall be named as defendants in the petition and shall be served with process. In addition, service shall be had under Section 2-206 of the Code of Civil Procedure as in other cases affecting property.

The county, however, may proceed under this subsection in a proceeding brought under subsection (a). Notice of the petition shall be served by certified or registered mail on all persons who were served notice under subsection (a).

If the county proves that the conditions described in this subsection exist and the owner of record of the property does not enter an appearance in the action, or, if title to the property is held by an Illinois land trust, if neither the owner of record nor the owner of the beneficial interest of the trust enters an appearance, the court shall declare the property abandoned.

If that determination is made, notice shall be sent by certified or registered mail to all persons having an interest of record in the property, including tax purchasers and beneficial owners of any Illinois land trust having title to the property, stating that title to the property will be transferred to the county unless, within 30 days of the notice, the owner of record enters an appearance in the action, or unless any other person

New matter indicated by italics - deletions by strikeout
having an interest in the property files with the court a request to demolish
the dangerous or unsafe building or to put the building in safe condition.

If the owner of record enters an appearance in the action within the
30 day period, the court shall vacate its order declaring the property
abandoned. In that case, the county may amend its complaint in order to
initiate proceedings under subsection (a).

If a request to demolish or repair the building is filed within the 30
day period, the court shall grant permission to the requesting party to
demolish the building within 30 days or to restore the building to safe
condition within 60 days after the request is granted. An extension of that
period for up to 60 additional days may be given for good cause. If more
than one person with an interest in the property files a timely request,
preference shall be given to the person with the lien or other interest of the
highest priority.

If the requesting party proves to the court that the building has been
demolished or put in a safe condition within the period of time granted by
the court, the court shall issue a quitclaim judicial deed for the property to
the requesting party, conveying only the interest of the owner of record,
upon proof of payment to the county of all costs incurred by the county in
connection with the action, including but not limited to court costs,
attorney's fees, administrative costs, the costs, if any, associated with
building enclosure or removal, and receiver's certificates. The interest in
the property so conveyed shall be subject to all liens and encumbrances on
the property. In addition, if the interest is conveyed to a person holding a
certificate of purchase for the property under the Property Tax Code, the
conveyance shall be subject to the rights of redemption of all persons
entitled to redeem under that Act, including the original owner of record.

If no person with an interest in the property files a timely request or
if the requesting party fails to demolish the building or put the building in
safe condition within the time specified by the court, the county may
petition the court to issue a judicial deed for the property to the county. A
conveyance by judicial deed shall operate to extinguish all existing
ownership interests in, liens on, and other interest in the property,
including tax liens.

(d) Each county may use the provisions of this subsection to
expedite the removal of certain buildings that are a continuing hazard to
the community in which they are located.

If the official designated to be in charge of enforcing the county's
building code determines that a building is open and vacant and an
immediate and continuing hazard to the community in which the building is located, then the official shall be authorized to post a notice not less than 2 feet by 2 feet in size on the front of the building. The notice shall be dated as of the date of the posting and shall state that unless the building is demolished, repaired, or enclosed, and unless any garbage, debris, and other hazardous, noxious, or unhealthy substances or materials are removed so that an immediate and continuing hazard to the community no longer exists, then the building may be demolished, repaired, or enclosed, or any garbage, debris, and other hazardous, noxious, or unhealthy substances or materials may be removed, by the county.

Not later than 30 days following the posting of the notice, the county shall do both of the following:

1. Cause to be sent, by certified mail, return receipt requested, a notice to all owners of record of the property, the beneficial owners of any Illinois land trust having title to the property, and all lienholders of record in the property, stating the intent of the county to demolish, repair, or enclose the building or remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials if that action is not taken by the owner or owners.

2. Cause to be published, in a newspaper published or circulated in the county where the building is located, a notice setting forth (i) the permanent tax index number and the address of the building, (ii) a statement that the property is open and vacant and constitutes an immediate and continuing hazard to the community, and (iii) a statement that the county intends to demolish, repair, or enclose the building or remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials if the owner or owners or lienholders of record fail to do so. This notice shall be published for 3 consecutive days.

A person objecting to the proposed actions of the county board may file his or her objection in an appropriate form in a court of competent jurisdiction.

If the building is not demolished, repaired, or enclosed, or the garbage, debris, or other hazardous, noxious, or unhealthy substances or materials are not removed, within 30 days of mailing the notice to the owners of record, the beneficial owners of any Illinois land trust having title to the property, and all lienholders of record in the property, or within 30 days of the last day of publication of the notice, whichever is later, the

county board shall have the power to demolish, repair, or enclose the building or to remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials.

The county may proceed to demolish, repair, or enclose a building or remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials under this subsection within a 120-day period following the date of the mailing of the notice if the appropriate official determines that the demolition, repair, enclosure, or removal of any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials is necessary to remedy the immediate and continuing hazard. If, however, before the county proceeds with any of the actions authorized by this subsection, any person has sought a hearing under this subsection before a court and has served a copy of the complaint on the chief executive officer of the county, then the county shall not proceed with the demolition, repair, enclosure, or removal of garbage, debris, or other substances until the court determines that that action is necessary to remedy the hazard and issues an order authorizing the county to do so.

Following the demolition, repair, or enclosure of a building, or the removal of garbage, debris, or other hazardous, noxious, or unhealthy substances or materials under this subsection, the county may file a notice of lien against the real estate for the cost of the demolition, repair, enclosure, or removal within 180 days after the repair, demolition, enclosure, or removal occurred, for the cost and expense incurred, in the office of the recorder in the county in which the real estate is located or in the office of the registrar of titles of the county if the real estate affected is registered under the Registered Titles (Torrens) Act. The notice of lien shall consist of a sworn statement setting forth (i) a description of the real estate, such as the address or other description of the property, sufficient for its identification; (ii) the expenses incurred by the county in undertaking the remedial actions authorized under this subsection; (iii) the date or dates the expenses were incurred by the county; (iv) a statement by the official responsible for enforcing the building code that the building was open and vacant and constituted an immediate and continuing hazard to the community; (v) a statement by the official that the required sign was posted on the building, that notice was sent by certified mail to the owners of record, and that notice was published in accordance with this subsection; and (vi) a statement as to when and where the notice was published. The lien authorized by this subsection may thereafter be released or enforced by the county as provided in subsection (a).

(e) In any case where a county has obtained a lien under subsection (a), the county may also bring an action for a money judgment against the owner or owners of the real estate in the amount of the lien in the same manner as provided for bringing causes of action in Article II of the Code of Civil Procedure and, upon obtaining a judgment, file a judgment lien against all of the real estate of the owner or owners and enforce that lien as provided for in Article XII of the Code of Civil Procedure.

(f) In addition to any other remedy provided by law, if a county finds that within a residential property of 1 acre or less there is an accumulation or concentration of: garbage; organic materials in an active state of decomposition including, but not limited to, carcasses, food waste, or other spoiled or rotting materials; human or animal waste; debris; or other hazardous, noxious, or unhealthy substances or materials, which present an immediate threat to the public health or safety or the health and safety of the occupants of the property, the county may, without any administrative procedure to bond, petition the court for immediate injunctive relief to abate or cause the abatement of the condition that is causing the threat to health or safety, including an order causing the removal of any unhealthy or unsafe accumulations or concentrations of the material or items listed in this subsection from the structure or property. The county shall file with the circuit court in which the property is located a petition for an order authorizing the abatement of the condition that is causing the threat to health or safety. A hearing on the petition shall be set within 5 days, not including weekends or holidays, from the date of filing. To provide notice of such hearing, the county shall make every effort to serve the property's owners of record with the petition and summons and, if such service cannot be had, shall provide an affidavit to the court at the hearing showing the service could not be had and the efforts taken to locate and serve the owners of record. The county shall also post a sign at the property notifying all persons of the court proceeding. Following the abatement actions, the county may file a notice of lien for the cost and expense of actions taken under this subsection as provided in subsection (a).

The entry of an order by a circuit court establishing that any person
holding a license under this Act is subject to involuntary admission or
judicial admission as provided for in the Mental Health and
Developmental Disabilities Code operates as an automatic suspension of
that license. That person may have his or her license restored only upon
the determination by a circuit court that the patient is no longer subject to
involuntary admission or judicial admission and the issuance of an order

The Department may refuse to issue or renew the license of any

Department. The Department may order the examining physician to

physicians shall be specifically designated by the Department. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of this examination. Failure of an individual to submit to a mental or physical examination, when directed, shall be grounds for suspension of his or her license until the individual submits to the examination if the Department finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause.

If the Department finds an individual unable to practice because of the reasons set forth in this Section, the Department may require that individual to submit to care, counseling, or treatment by physicians approved or designated by the Department, as a condition, term, or restriction for continued, restored, or renewed licensure to practice; or, in lieu of care, counseling, or treatment, the Department may file a complaint to immediately suspend, revoke, or otherwise discipline the license of the individual. An individual whose license was granted, continued, restored, renewed, disciplined or supervised subject to such terms, conditions, or restrictions, and who fails to comply with such terms, conditions, or restrictions, shall be referred to the Secretary for a determination as to whether the individual shall have his or her license suspended immediately, pending a hearing by the Department.

In instances in which the Secretary immediately suspends a person's license under this Section, a hearing on that person's license must be convened by the Department within 30 days after the suspension and completed without appreciable delay. The Department and Board shall have the authority to review the subject individual's record of treatment and counseling regarding the impairment to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

(a) The Behavioral Health Education Center Task Force is created.

(b) The Task Force shall be composed of the following members:

(1) the Executive Director of the Board of Higher Education, or his or her designee;

(2) a representative of Southern Illinois University at Carbondale, appointed by the chancellor of Southern Illinois University at Carbondale;

(3) a representative of Southern Illinois University at Edwardsville, appointed by the chancellor of Southern Illinois University at Edwardsville;

(4) a representative of Southern Illinois University School of Medicine, appointed by the President of Southern Illinois University;

(5) a representative of the University of Illinois at Urbana-Champaign, appointed by the chancellor of the University of Illinois at Urbana-Champaign;

(6) a representative of the University of Illinois at Chicago, appointed by the chancellor of the University of Illinois at Chicago;

(7) a representative of the University of Illinois at Springfield, appointed by the chancellor of the University of Illinois at Springfield;

(8) a representative of the University of Illinois School of Medicine, appointed by the President of the University of Illinois;

(10) a representative of the Division of Mental Health of the Department of Human Services, appointed by the Secretary of Human Services;

(11) 2 representatives of a statewide organization representing community behavioral healthcare, appointed by the President of Southern Illinois University from nominations made by the statewide organization; and

(12) one representative from a hospital located in a municipality with more than 1,000,000 inhabitants that principally provides services to children.

(c) The Task Force shall meet to organize and select a chairperson from the non-governmental members of the Task Force upon appointment of a majority of the members. The chairperson shall be elected by a majority vote of the members of the Task Force.

(e) The members of the Task Force shall receive no compensation for serving as members of the Task Force.

(f) The Task Force shall study the concepts presented in House Bill 5111, as introduced, of the 100th General Assembly. Additionally, the Task Force shall consider the fiscal means by which the General Assembly might most effectively fund implementation of the concepts presented in House Bill 5111, as introduced, of the 100th General Assembly. The Task Force must recognize that the behavioral health workforce is comprised of a broad range of professions providing prevention, treatment, and rehabilitation services for mental health conditions and substance use disorders. To address workforce capacity issues that impact access to care, the Task Force must engage in extensive planning and data collection. Because there is no central data repository that exists for Illinois' behavioral health workforce, the Task Force must identify a data set, which is a foundational step to analyzing and providing recommendations to the concepts presented in House Bill 5111, as introduced, of the 100th General Assembly.

(g) The Task Force shall submit its findings and recommendations to the General Assembly on or before December 31, 2019. The report to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.
(h) The Board of Higher Education shall provide technical support and administrative assistance and support to the Task Force and shall be responsible for administering its operations and ensuring that the requirements of this Act are met.

(b-3) The publication requirement of subsection (a) shall not be required in any application for a change of name involving a person who has received a judgment for dissolution of marriage or declaration of invalidity of marriage and wishes to change his or her name to resume the use of his or her former or maiden name.

(b-5) Upon motion, the court may issue an order directing that the notice and publication requirement be waived for a change of name involving a person who files with the court a written declaration that the person believes that publishing notice of the name change would put the person at risk of physical harm or discrimination. The person must provide evidence to support the claim that publishing notice of the name change would put the person at risk of physical harm or discrimination.

(c) The Director of State Police or his or her designee may apply to the circuit court for an order directing that the notice and publication requirements of this Section be waived if the Director or his or her designee certifies that the name change being sought is intended to protect a witness during and following a criminal investigation or proceeding.

(i) the petitioner is 18 years of age or older; and

(d) The maximum rate charged for publication of a notice under this Section may not exceed the lowest classified rate paid by commercial users for comparable space in the newspaper in which the notice appears and shall include all cash discounts, multiple insertion discounts, and similar benefits extended to the newspaper's regular customers.

A judgment of dissolution of marriage or of legal separation or of declaration of invalidity of marriage is final when entered, subject to the right of appeal. An order requiring maintenance or support of a spouse or a minor child or children entered under this Act or any other law of this State shall not be suspended or the enforcement thereof stayed pending the filing and resolution of post-judgment motions or an appeal.

(b) The clerk of the court shall give notice of the entry of a judgment of dissolution of marriage or legal separation or a declaration of invalidity of marriage:

equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment.
employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:
(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;
(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);
(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;
(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and
(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).
(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. (4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2018, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2018.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the

amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:
   (A) is tangible, whether new or used, including buildings and structural components of buildings;
   (B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the taxable year in a River Edge Redevelopment Zone, provided such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. (4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to
Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2027, January 1, 2022, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to
December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

It is the intent of the General Assembly that the research and development credit under this subsection (k) shall apply continuously for all tax years ending on or after December 31, 2004 and ending prior to January 1, 2027, including, but not limited to, the period beginning on January 1, 2016 and ending on the effective date of this amendatory Act of the 100th General Assembly. All actions taken in reliance on the continuation of the credit under this subsection (k) by any taxpayer are hereby validated.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of
regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted.

New matter indicated by italics - deletions by strikeout
The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed (i) $500 for tax years ending prior to December 31, 2017, and (ii) $750 for tax years ending on or after December 31, 2017. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. Notwithstanding any other provision of law, for taxable years beginning on or after January 1, 2017, no taxpayer may claim a credit under this subsection (m) if the taxpayer's adjusted gross income for the taxable year exceeds (i) $500,000, in the case of spouses filing a joint federal tax return or (ii) $250,000, in the case of all other taxpayers. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and
lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1)

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. (a) The Department of Healthcare and Family Services shall commission a comprehensive study of long-term care trends, future projections, and actuarial analysis of a new long-term services and supports benefit. Upon completion of the study, the Department shall prepare a report on the study that includes the following:

term care programs' utilization and impact on the State budget; out-of-pocket spending and spend-down to qualify for medical assistance coverage, the financial and health impacts of caregiving on the family, wages of paid caregivers and the effects of compensation on the availability of this workforce, the current market for private long-term care insurance, and a brief assessment of the existing system of long-term services and supports in terms of health, well-being, and the ability of participants to continue living in their communities;

(2) an analysis of long-term care costs and utilization projections through at least 2050 and the estimated impact of such costs and utilization projections on the State budget, increases in the senior population; projections of the number of paid and unpaid caregivers in relation to demand for services, and projections of the impact of housing cost burdens and a lack of affordable housing on seniors and people with disabilities;

(3) an actuarial analysis of options for a new long-term services and supports benefit program, including an analysis of potential tax sources and necessary levels, a vesting period, the maximum daily benefit dollar amount, the total maximum dollar amount of the benefit, and the duration of the benefit; and

The report must project under multiple possible configurations the numbers of persons covered year over year, utilization rates, total spending, and the benefit fund's ratio balance and solvency. The benefit fund must initially be structured to be solvent for 75 years. The report must detail the sensitivity of these projections to the level of care criteria that define long-term care need and examine the feasibility of setting a lower threshold, based on a lower need for ongoing assistance in routine life activities.

The report must also detail the amount of out-of-pocket costs avoided, the number of persons who delayed or avoided utilization of medical assistance benefits, an analysis on the projected increased utilization of home-based and community-based services over skilled nursing facilities and savings therewith, and savings to the State's existing

A recipient's eligibility may be reinstated without requiring a new application if the recipient fulfills the requirements for continued eligibility prior to the end of the third month following the last date of coverage (or longer period if required by federal regulations). Nothing in this Section shall prevent an individual whose coverage has been cancelled from reapplying for health benefits at any time.

(3) By no later than July 1, 2011, require verification of Illinois residency.

(b) The Department shall establish or continue cooperative arrangements with the Social Security Administration, the Illinois Secretary of State, the Department of Human Services, the Department of Revenue, the Department of Employment Security, and any other appropriate entity to gain electronic access, to the extent allowed by law, to information available to those entities that may be appropriate for electronically verifying any factor of eligibility for benefits under the Program. (B) An annual mammogram for women 40 years of age or
older.

(C) A mammogram at the age and intervals considered
medically necessary by the woman's health care provider for
women under 40 years of age and having a family history of breast
cancer, prior personal history of breast cancer, positive genetic
testing, or other risk factors.

entire breast or breasts if a mammogram demonstrates

heterogeneous or dense breast tissue, when medically necessary as
determined by a physician licensed to practice medicine in all of its
branches.

(E) A screening MRI when medically necessary, as
determined by a physician licensed to practice medicine in all of its
branches.

All screenings shall include a physical breast exam, instruction on
self-examination and information regarding the frequency of self-
examination and its value as a preventative tool. For purposes of this
Section, "low-dose mammography" means the x-ray examination of the
breast using equipment dedicated specifically for mammography,
including the x-ray tube, filter, compression device, and image receptor,
with an average radiation exposure delivery of less than one rad per breast
for 2 views of an average size breast. The term also includes digital
mammography and includes breast tomosynthesis. As used in this Section,
the term "breast tomosynthesis" means a radiologic procedure that
involves the acquisition of projection images over the stationary breast to
produce cross-sectional digital three-dimensional images of the breast. If,
at any time, the Secretary of the United States Department of Health and
Human Services, or its successor agency, promulgates rules or regulations
to be published in the Federal Register or publishes a comment in the
Federal Register or issues an opinion, guidance, or other action that would
require the State, pursuant to any provision of the Patient Protection and
Affordable Care Act (Public Law 111-148), including, but not limited to,
42 U.S.C. 18031(d)(3)(B) or any successor provision, to defray the cost of
any coverage for breast tomosynthesis outlined in this paragraph, then the
requirement that an insurer cover breast tomosynthesis is inoperative other
than any such coverage authorized under Section 1902 of the Social
Security Act, 42 U.S.C. 1396a, and the State shall not assume any
obligation for the cost of coverage for breast tomosynthesis set forth in this
paragraph.

On and after January 1, 2016, the Department shall ensure that all
networks of care for adult clients of the Department include access to at
least one breast imaging Center of Imaging Excellence as certified by the
American College of Radiology.

On and after January 1, 2012, providers participating in a quality
improvement program approved by the Department shall be reimbursed
for screening and diagnostic mammography at the same rate as the

Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards for mammography.

On and after January 1, 2017, providers participating in a breast cancer treatment quality improvement program approved by the Department shall be reimbursed for breast cancer treatment at a rate that is no lower than 95% of the Medicare program's rates for the data elements included in the breast cancer treatment quality program.

The Department shall convene an expert panel, including representatives of hospitals, free-standing breast cancer treatment centers, breast cancer quality organizations, and doctors, including breast surgeons, reconstructive breast surgeons, oncologists, and primary care providers to establish quality standards for breast cancer treatment.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities. By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site

New matter indicated by italics - deletions by strikeout
shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of having a substance use disorder as defined in the Substance Use Disorder Act, referral to a local substance use disorder treatment program licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under any program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

New matter indicated by italics - deletions by strikeout
Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

1. Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

2. The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

3. Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.
Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect

and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439), the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the effective date of Public Act 98-104), establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall, by July 1, 2016, test the viability of the new system and implement any necessary operational or structural changes to its information technology platforms in order to allow for the direct acceptance and payment of nursing home claims.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after August 15, 2014 (the effective date of Public Act 98-963), establish procedures to permit ID/DD facilities licensed under the ID/DD Community Care Act and MC/DD facilities licensed under the MC/DD Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall have an additional 365 days to test the viability of the new system and to ensure that any necessary operational or structural changes to its information technology platforms are implemented.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program

established under this Article disclose, under such terms and conditions as
the Illinois Department may by rule establish, all inquiries from clients and
attorneys regarding medical bills paid by the Illinois Department, which
inquiries could indicate potential existence of claims or liens for the
Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and
shall be conditional for one year. During the period of conditional
enrollment, the Department may terminate the vendor's eligibility to
participate in, or may disenroll the vendor from, the medical assistance
program without cause. Unless otherwise specified, such termination of
eligibility or disenrollment is not subject to the Department's hearing
process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional
enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in
the medical assistance program, all vendors shall be subject to enhanced
oversight, screening, and review based on the risk of fraud, waste, and
abuse that is posed by the category of risk of the vendor. The Illinois
Department shall establish the procedures for oversight, screening, and
review, which may include, but need not be limited to: criminal and
financial background checks; fingerprinting; license, certification, and
authorization verifications; unscheduled or unannounced site visits;
database checks; prepayment audit reviews; audits; payment caps;
payment suspensions; and other screening as required by federal or State
law.

The Department shall define or specify the following: (i) by
provider notice, the "category of risk of the vendor" for each type of
vendor, which shall take into account the level of screening applicable to a
particular category of vendor under federal law and regulations; (ii) by rule
or provider notice, the maximum length of the conditional enrollment
period for each category of risk of the vendor; and (iii) by rule, the hearing
rights, if any, afforded to a vendor in each category of risk of the vendor
that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim
or bill, either as an initial claim or as a resubmitted claim following prior
rejection, must be received by the Illinois Department, or its fiscal
intermediary, no later than 180 days after the latest date on the claim on
which medical goods or services were provided, with the following
exceptions:

New matter indicated by italics - deletions by strikeout
(1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, within 45 calendar days of receipt by the facility of required prescreening information, new admissions with associated admission documents shall be submitted through the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance with applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of Revenue; the Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department. Notwithstanding any provision of Section 5-5f to the contrary, the Department may, by rule, exempt certain replacement wheelchair parts from prior approval and, for wheelchairs, wheelchair parts, wheelchair accessories, and related seating and positioning items, determine the wholesale price by methods other than actual acquisition costs.

The Department shall require, by rule, all providers of durable medical equipment to be accredited by an accreditation organization approved by the federal Centers for Medicare and Medicaid Services and recognized by the Department in order to bill the Department for providing durable medical equipment to recipients. No later than 15 months after the effective date of the rule adopted pursuant to this paragraph, all providers must meet the accreditation requirement.

In order to promote environmental responsibility, meet the needs of recipients and enrollees, and achieve significant cost savings, the Department, or a managed care organization under contract with the Department, may provide recipients or managed care enrollees who have a prescription or Certificate of Medical Necessity access to refurbished durable medical equipment under this Section (excluding prosthetic and orthotic devices as defined in the Orthotics, Prosthetics, and Pedorthics Practice Act and complex rehabilitation technology products and associated services) through the State's assistive technology program's reutilization program, using staff with the Assistive Technology Professional (ATP) Certification if the refurbished durable medical equipment: (i) is available; (ii) is less expensive, including shipping costs, than new durable medical equipment of the same type; (iii) is able to withstand at least 3 years of use; (iv) is cleaned, disinfected, sterilized, and

safe in accordance with federal Food and Drug Administration regulations and guidance governing the reprocessing of medical devices in health care settings; and (v) equally meets the needs of the recipient or enrollee. The reutilization program shall confirm that the recipient or enrollee is not already in receipt of same or similar equipment from another service provider, and that the refurbished durable medical equipment equally meets the needs of the recipient or enrollee. Nothing in this paragraph shall be construed to limit recipient or enrollee choice to obtain new durable medical equipment or place any additional prior authorization conditions on enrollees of managed care organizations.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1, 2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or changes in benefit packages to effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care; and (v) no later than October 1, 2013, establish procedures to permit long term care providers access to eligibility scores for individuals with an admission date who are seeking or receiving services from the long term care provider. In order to select the minimum level of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The wholesale price of manual and power wheelchairs, durable medical equipment and supplies, and complex rehabilitation technology products and services shall be defined as actual acquisition cost including all discounts.

(d) The Department shall establish benchmarks for hospitals to measure and align payments to reduce potentially preventable hospital readmissions, inpatient complications, and unnecessary emergency room visits. In doing so, the Department shall consider items, including, but not limited to, historic and current acuity of care and historic and current trends in readmission. The Department shall publish provider-specific historical readmission data and anticipated potentially preventable targets 60 days prior to the start of the program. In the instance of readmissions, the Department shall adopt policies and rates of reimbursement for services and other payments provided under this Code to ensure that, by June 30, 2013, expenditures to hospitals are reduced by, at a minimum, $40,000,000.

(e) The Department shall establish utilization controls for the hospice program such that it shall not pay for other care services when an individual is in hospice.

(f) For home health services, the Department shall require Medicare certification of providers participating in the program and implement the Medicare face-to-face encounter rule. The Department shall require providers to implement auditable

(g) For the Home Services Program operated by the Department of Human Services and the Community Care Program operated by the Department on Aging, the Department of Human Services, in cooperation with the Department on Aging, shall implement an electronic service verification based on global positioning systems or other cost-effective technology.

(h) Effective with inpatient hospital admissions on or after July 1, 2012, the Department shall reduce the payment for a claim that indicates the occurrence of a provider-preventable condition during the admission as specified by the Department in rules. The Department shall not pay for services related to an other provider-preventable condition.

As used in this subsection (h):
"Provider-preventable condition" means a health care acquired condition as defined under the federal Medicaid regulation found at 42 CFR 447.26 or an other provider-preventable condition.

"Other provider-preventable condition" means a wrong surgical or other invasive procedure performed on a patient, a surgical or other invasive procedure performed on the wrong body part, or a surgical procedure or other invasive procedure performed on the wrong patient.

(i) The Department shall implement cost savings initiatives for advanced imaging services, cardiac imaging services, pain management services, and back surgery. Such initiatives shall be designed to achieve annual costs savings.

(j) The Department shall ensure that beneficiaries with a diagnosis of epilepsy or seizure disorder in Department records will not require prior approval for anticonvulsants.

Sec. 5-30.1. Managed care protections.
(a) As used in this Section:
"Managed care organization" or "MCO" means any entity which contracts with the Department to provide services where payment for medical services is made on a capitated basis.
"Emergency services" include:

New matter indicated by italics - deletions by strikeout
(1) emergency services, as defined by Section 10 of the
Managed Care Reform and Patient Rights Act;
(2) emergency medical screening examinations, as defined
by Section 10 of the Managed Care Reform and Patient Rights Act;
(3) post-stabilization medical services, as defined by
Section 10 of the Managed Care Reform and Patient Rights Act; and
(4) emergency medical conditions, as defined by Section 10
of the Managed Care Reform and Patient Rights Act.
(b) As provided by Section 5-16.12, managed care organizations
are subject to the provisions of the Managed Care Reform and Patient
Rights Act.
(c) An MCO shall pay any provider of emergency services that
does not have in effect a contract with the contracted Medicaid MCO. The
default rate of reimbursement shall be the rate paid under Illinois Medicaid
fee-for-service program methodology, including all policy adjusters,
including but not limited to Medicaid High Volume Adjustments,
Medicaid Percentage Adjustments, Outpatient High Volume Adjustments,
and all outlier add-on adjustments to the extent such adjustments are
incorporated in the development of the applicable MCO capitated rates.
(d) An MCO shall pay for all post-stabilization services as a
covered service in any of the following situations:
(1) the MCO authorized such services;
(2) such services were administered to maintain the
enrollee's stabilized condition within one hour after a request to the
MCO for authorization of further post-stabilization services;
(3) the MCO did not respond to a request to authorize such
services within one hour;
(4) the MCO could not be contacted; or
(5) the MCO and the treating provider, if the treating
provider is a non-affiliated provider, could not reach an agreement
concerning the enrollee's care and an affiliated provider was
unavailable for a consultation, in which case the MCO must pay
for such services rendered by the treating non-affiliated provider
until an affiliated provider was reached and either concurred with
the treating non-affiliated provider's plan of care or assumed
responsibility for the enrollee's care. Such payment shall be made
at the default rate of reimbursement paid under Illinois Medicaid
fee-for-service program methodology, including all policy

adjusters, including but not limited to Medicaid High Volume Adjustments, Medicaid Percentage Adjustments, Outpatient High Volume Adjustments and all outlier add-on adjustments to the extent that such adjustments are incorporated in the development of the applicable MCO capitated rates.

(e) The following requirements apply to MCOs in determining payment for all emergency services:

(1) MCOs shall not impose any requirements for prior approval of emergency services.

(2) The MCO shall cover emergency services provided to enrollees who are temporarily away from their residence and outside the contracting area to the extent that the enrollees would be entitled to the emergency services if they still were within the contracting area.

(3) The MCO shall have no obligation to cover medical services provided on an emergency basis that are not covered services under the contract.

(4) The MCO shall not condition coverage for emergency services on the treating provider notifying the MCO of the enrollee's screening and treatment within 10 days after presentation for emergency services.

(5) The determination of the attending emergency physician, or the provider actually treating the enrollee, of whether an enrollee is sufficiently stabilized for discharge or transfer to another facility, shall be binding on the MCO. The MCO shall cover emergency services for all enrollees whether the emergency services are provided by an affiliated or non-affiliated provider.

(6) The MCO's financial responsibility for post-stabilization care services it has not pre-approved ends when:

(A) a plan physician with privileges at the treating hospital assumes responsibility for the enrollee's care;

(B) a plan physician assumes responsibility for the enrollee's care through transfer;

(C) a contracting entity representative and the treating physician reach an agreement concerning the enrollee's care; or

(D) the enrollee is discharged.

(f) Network adequacy and transparency.

(1) The Department shall:

New matter indicated by italics - deletions by strikeout
(A) ensure that an adequate provider network is in place, taking into consideration health professional shortage areas and medically underserved areas;

(B) publicly release an explanation of its process for analyzing network adequacy;

(C) periodically ensure that an MCO continues to have an adequate network in place; and

(D) require MCOs, including Medicaid Managed Care Entities as defined in Section 5-30.2, to meet provider directory requirements under Section 5-30.3.

(2) Each MCO shall confirm its receipt of information submitted specific to physician or dentist additions or physician or dentist deletions from the MCO's provider network within 3 days after receiving all required information from contracted physicians or dentists, and electronic physician and dental directories must be updated consistent with current rules as published by the Centers for Medicare and Medicaid Services or its successor agency.

(g) Timely payment of claims.

(1) The MCO shall pay a claim within 30 days of receiving a claim that contains all the essential information needed to adjudicate the claim.

(2) The MCO shall notify the billing party of its inability to adjudicate a claim within 30 days of receiving that claim.

(3) The MCO shall pay a penalty that is at least equal to the timely payment interest penalty imposed under Section 368a of the Illinois Insurance Code for any claims not timely paid.

(A) When an MCO is required to pay a timely payment interest penalty to a provider, the MCO must calculate and pay the timely payment interest penalty that is due to the provider within 30 days after the payment of the claim. In no event shall a provider be required to request or apply for payment of any owed timely payment interest penalties.

(B) Such payments shall be reported separately from the claim payment for services rendered to the MCO's enrollee and clearly identified as interest payments.

(4)(A) The Department shall require MCOs to expedite payments to providers identified on the Department's expedited provider list, determined in accordance with 89 Ill. Adm. Code

New matter indicated by italics - deletions by strikeout
140.71(b), on a schedule at least as frequently as the providers are paid under the Department's fee-for-service expedited provider schedule.

(B) Compliance with the expedited provider requirement may be satisfied by an MCO through the use of a Periodic Interim Payment (PIP) program that has been mutually agreed to and documented between the MCO and the provider, and the PIP program ensures that any expedited provider receives regular and periodic payments based on prior period payment experience from that MCO. Total payments under the PIP program may be reconciled against future PIP payments on a schedule mutually agreed to between the MCO and the provider.

(C) The Department shall share at least monthly its expedited provider list and the frequency with which it pays providers on the expedited list. The Department may establish a process for MCOs to expedite payments to providers based on criteria established by the Department.

(g-5) Recognizing that the rapid transformation of the Illinois Medicaid program may have unintended operational challenges for both payers and providers:

(1) in no instance shall a medically necessary covered service rendered in good faith, based upon eligibility information documented by the provider, be denied coverage or diminished in payment amount if the eligibility or coverage information available at the time the service was rendered is later found to be inaccurate in the assignment of coverage responsibility between MCOs or the fee-for-service system, except for instances when an individual is deemed to have not been eligible for coverage under the Illinois Medicaid program; and

(2) the Department shall, by December 31, 2016, adopt rules establishing policies that shall be included in the Medicaid managed care policy and procedures manual addressing payment resolutions in situations in which a provider renders services based upon information obtained after verifying a patient's eligibility and coverage plan through either the Department's current enrollment system or a system operated by the coverage plan identified by the patient presenting for services:

(A) such medically necessary covered services shall be considered rendered in good faith;

New matter indicated by italics - deletions by strikeout
(B) such policies and procedures shall be developed in consultation with industry representatives of the Medicaid managed care health plans and representatives of provider associations representing the majority of providers within the identified provider industry; and

(C) such rules shall be published for a review and comment period of no less than 30 days on the Department's website with final rules remaining available on the Department's website.

The rules on payment resolutions shall include, but not be limited to:

(A) the extension of the timely filing period;
(B) retroactive prior authorizations; and
(C) guaranteed minimum payment rate of no less than the current, as of the date of service, fee-for-service rate, plus all applicable add-ons, when the resulting service relationship is out of network.

The rules shall be applicable for both MCO coverage and fee-for-service coverage.

If the fee-for-service system is ultimately determined to have been responsible for coverage on the date of service, the Department shall provide for an extended period for claims submission outside the standard timely filing requirements.

(g-6) MCO Performance Metrics Report.

(1) The Department shall publish, on at least a quarterly basis, each MCO's operational performance, including, but not limited to, the following categories of metrics:

(A) claims payment, including timeliness and accuracy;
(B) prior authorizations;
(C) grievance and appeals;
(D) utilization statistics;
(E) provider disputes;
(F) provider credentialing; and
(G) member and provider customer service.

(2) The Department shall ensure that the metrics report is accessible to providers online by January 1, 2017.

(3) The metrics shall be developed in consultation with industry representatives of the Medicaid managed care health plans

New matter indicated by italics - deletions by strikeout
and representatives of associations representing the majority of providers within the identified industry.

(4) Metrics shall be defined and incorporated into the applicable Managed Care Policy Manual issued by the Department.

(g-7) MCO claims processing and performance analysis. In order to monitor MCO payments to hospital providers, pursuant to this amendatory Act of the 100th General Assembly, the Department shall post an analysis of MCO claims processing and payment performance on its website every 6 months. Such analysis shall include a review and evaluation of a representative sample of hospital claims that are rejected and denied for clean and unclean claims and the top 5 reasons for such actions and timeliness of claims adjudication, which identifies the percentage of claims adjudicated within 30, 60, 90, and over 90 days, and the dollar amounts associated with those claims. The Department shall post the contracted claims report required by HealthChoice Illinois on its website every 3 months.

(g-8) Dispute resolution process. The Department shall maintain a provider complaint portal through which a provider can submit to the Department unresolved disputes with an MCO. An unresolved dispute means an MCO's decision that denies in whole or in part a claim for reimbursement to a provider for health care services rendered by the provider to an enrollee of the MCO with which the provider disagrees. Disputes shall not be submitted to the portal until the provider has availed itself of the MCO's internal dispute resolution process. Disputes that are submitted to the MCO internal dispute resolution process may be submitted to the Department of Healthcare and Family Services' complaint portal no sooner than 30 days after submitting to the MCO's internal process and not later than 30 days after the unsatisfactory resolution of the internal MCO process or 60 days after submitting the dispute to the MCO internal process. Multiple claim disputes involving the same MCO may be submitted in one complaint, regardless of whether the claims are for different enrollees, when the specific reason for non-payment of the claims involves a common question of fact or policy. Within 10 business days of receipt of a complaint, the Department shall present such disputes to the appropriate MCO, which shall then have 30 days to issue its written proposal to resolve the dispute. The Department may grant one 30-day extension of this time frame to one of the parties to resolve the dispute. If the dispute remains unresolved at the end of this time frame or the provider is not satisfied with the MCO's written
proposal to resolve the dispute, the provider may, within 30 days, request the Department to review the dispute and make a final determination. Within 30 days of the request for Department review of the dispute, both the provider and the MCO shall present all relevant information to the Department for resolution and make individuals with knowledge of the issues available to the Department for further inquiry if needed. Within 30 days of receiving the relevant information on the dispute, or the lapse of the period for submitting such information, the Department shall issue a written decision on the dispute based on contractual terms between the provider and the MCO, contractual terms between the MCO and the Department of Healthcare and Family Services and applicable Medicaid policy. The decision of the Department shall be final. By January 1, 2020, the Department shall establish by rule further details of this dispute resolution process. Disputes between MCOs and providers presented to the Department for resolution are not contested cases, as defined in Section 1-30 of the Illinois Administrative Procedure Act, conferring any right to an administrative hearing.

(g-9)(1) The Department shall publish annually on its website a report on the calculation of each managed care organization's medical loss ratio showing the following:

(A) Premium revenue, with appropriate adjustments.
(B) Benefit expense, setting forth the aggregate amount spent for the following:
   (i) Direct paid claims.
   (ii) Subcapitation payments.
   (iii) Other claim payments.
   (iv) Direct reserves.
   (v) Gross recoveries.
   (vi) Expenses for activities that improve health care quality as allowed by the Department.

(2) The medical loss ratio shall be calculated consistent with federal law and regulation following a claims runout period determined by the Department.

(g-10)(1) "Liability effective date" means the date on which an MCO becomes responsible for payment for medically necessary and covered services rendered by a provider to one of its enrollees in accordance with the contract terms between the MCO and the provider. The liability effective date shall be the later of:

New matter indicated by italics - deletions by strikeout
(A) The execution date of a network participation contract agreement.

(B) The date the provider or its representative submits to the MCO the complete and accurate standardized roster form for the provider in the format approved by the Department.

(C) The provider effective date contained within the Department's provider enrollment subsystem within the Illinois Medicaid Program Advanced Cloud Technology (IMPACT) System.

(2) The standardized roster form may be submitted to the MCO at the same time that the provider submits an enrollment application to the Department through IMPACT.

(3) By October 1, 2019, the Department shall require all MCOs to update their provider directory with information for new practitioners of existing contracted providers within 30 days of receipt of a complete and accurate standardized roster template in the format approved by the Department provided that the provider is effective in the Department's provider enrollment subsystem within the IMPACT system. Such provider directory shall be readily accessible for purposes of selecting an approved health care provider and comply with all other federal and State requirements.

(g-11) The Department shall work with relevant stakeholders on the development of operational guidelines to enhance and improve operational performance of Illinois' Medicaid managed care program, including, but not limited to, improving provider billing practices, reducing claim rejections and inappropriate payment denials, and standardizing processes, procedures, definitions, and response timelines, with the goal of reducing provider and MCO administrative burdens and conflict. The Department shall include a report on the progress of these program improvements and other topics in its Fiscal Year 2020 annual report to the General Assembly.

(h) The Department shall not expand mandatory MCO enrollment into new counties beyond those counties already designated by the Department as of June 1, 2014 for the individuals whose eligibility for medical assistance is not the seniors or people with disabilities population until the Department provides an opportunity for accountable care entities and MCOs to participate in such newly designated counties.
(i) The requirements of this Section apply to contracts with accountable care entities and MCOs entered into, amended, or renewed after June 16, 2014 (the effective date of Public Act 98-651).

(j) Health care information released to managed care organizations. A health care provider shall release to a Medicaid managed care organization, upon request, and subject to the Health Insurance Portability and Accountability Act of 1996 and any other law applicable to the release of health information, the health care information of the MCO's enrollee, if the enrollee has completed and signed a general release form that grants to the health care provider permission to release the recipient's health care information to the recipient's insurance carrier.

Sec. 5-30.11. Managed care reports; minority-owned and women-owned businesses. Each Medicaid managed care health plan shall submit a report to the Department by March 1, 2020, and every March 1 thereafter, that includes the following information:

(1) The administrative expenses paid to the Medicaid managed care health plan.

(2) The amount of money the Medicaid managed care health plan has spent with Business Enterprise Program certified businesses.

(3) The amount of money the Medicaid managed care health plan has spent with minority-owned and women-owned businesses that are certified by other agencies or private organizations.

(4) The amount of money the Medicaid managed care health plan has spent with not-for-profit community-based organizations serving predominantly minority communities, as defined by the Department.

(5) The proportion of minorities, people with disabilities, and women that make up the staff of the Medicaid managed care health plan.

(6) Recommendations for increasing expenditures with minority-owned and women-owned businesses.

(7) A list of the types of services to which the Medicaid managed care health plan is contemplating adding new vendors.

(8) The certifications the Medicaid managed care health plan accepts for minority-owned and women-owned businesses.

(9) The point of contact for potential vendors seeking to do business with the Medicaid managed care health plan.

The Department shall publish the reports on its website and shall maintain each report on its website for 5 years. In May of 2020 and every May thereafter, the Department shall hold 2 annual public workshops, one in Chicago and one in Springfield. The workshops shall include each Medicaid managed care health plan and shall be open to vendor communities to discuss the submitted plans and to seek to connect vendors with the Medicaid managed care health plans.

Sec. 5-30.12. Managed care claim rejection and denial management.

(a) In order to provide greater transparency to managed care organizations (MCOs) and providers, the Department shall explore the availability of and, if reasonably available, procure technology that, for all electronic claims, with the exception of direct data entry claims, meets the following needs:

(1) The technology shall allow the Department to fully analyze the root cause of claims denials in the Medicaid managed care programs operated by the Department and expedite solutions that reduce the number of denials to the extent possible.

(2) The technology shall create a single electronic pipeline through which all claims from all providers submitted for adjudication by the Department or a managed care organization under contract with the Department shall be directed by clearing houses and providers or other claims submitting entities not using clearing houses prior to forwarding to the Department or the appropriate managed care organization.

(3) The technology shall cause all HIPAA-compliant responses to submitted claims, including rejections, denials, and payments, returned to the submitting provider to pass through the established single pipeline.

(4) The technology shall give the Department the ability to create edits to be placed at the front end of the pipeline that will reject claims back to the submitting provider with an explanation of why the claim cannot be properly adjudicated by the payer.

New matter indicated by italics - deletions by strikeout
(5) The technology shall allow the Department to customize the language used to explain why a claim is being rejected and how the claim can be corrected for adjudication.

(6) The technology shall send copies of all claims and claim responses that pass through the pipeline, regardless of the payer to whom they are directed, to the Department's Enterprise Data Warehouse.

(b) If the Department chooses to implement front end edits or customized responses to claims submissions, the MCOs and other stakeholders shall be consulted prior to implementation and providers shall be notified of edits at least 30 days prior to their effective date.

(c) Neither the technology nor MCO policy shall require providers to submit claims through a process other than the pipeline. MCOs may request supplemental information needed for adjudication which cannot be contained in the claim file to be submitted separately to the MCOs.

(d) The technology shall allow the Department to fully analyze and report on MCO claims processing and payment performance by provider type.

Sec. 5A-4. Payment of assessment; penalty.

(a) The assessment imposed by Section 5A-2 for State fiscal year 2009 through State fiscal year 2018 or as provided in Section 5A-16, shall be due and payable in monthly installments, each equaling one-twelfth of the assessment for the year, on the fourteenth State business day of each month. No installment payment of an assessment imposed by Section 5A-2 shall be due and payable, however, until after the Comptroller has issued the payments required under this Article.

Except as provided in subsection (a-5) of this Section, the assessment imposed by subsection (b-5) of Section 5A-2 for the portion of State fiscal year 2012 beginning June 10, 2012 through June 30, 2012, and for State fiscal year 2013 through State fiscal year 2018 or as provided in Section 5A-16, shall be due and payable in monthly installments, each equaling one-twelfth of the assessment for the year, on the 17th State business day of each month. No installment payment of an assessment imposed by subsection (b-5) of Section 5A-2 shall be due and payable, however, until after: (i) the Department notifies the hospital provider, in writing, that the payment methodologies to hospitals required under Section 5A-12.4, have been approved by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services,
and the waiver under 42 CFR 433.68 for the assessment imposed by subsection (b-5) of Section 5A-2, if necessary, has been granted by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services; and (ii) the Comptroller has issued the payments required under Section 5A-12.4. Upon notification to the Department of approval of the payment methodologies required under Section 5A-12.4 and the waiver granted under 42 CFR 433.68, if necessary, all installments otherwise due under subsection (b-5) of Section 5A-2 prior to the date of notification shall be due and payable to the Department upon written direction from the Department and issuance by the Comptroller of the payments required under Section 5A-12.4.

Except as provided in subsection (a-5) of this Section, the assessment imposed under Section 5A-2 for State fiscal year 2019 and each subsequent State fiscal year shall be due and payable in monthly installments, each equaling one-twelfth of the assessment for the year, on the 17th State business day of each month. No installment payment of an assessment imposed by Section 5A-2 shall be due and payable, however, until after: (i) the Department notifies the hospital provider, in writing, that the payment methodologies to hospitals required under Section 5A-12.6 have been approved by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services, and the waiver under 42 CFR 433.68 for the assessment imposed by Section 5A-2, if necessary, has been granted by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services; and (ii) the Comptroller has issued the payments required under Section 5A-12.6. Upon notification to the Department of approval of the payment methodologies required under Section 5A-12.6 and the waiver granted under 42 CFR 433.68, if necessary, all installments otherwise due under Section 5A-2 prior to the date of notification shall be due and payable to the Department upon written direction from the Department and issuance by the Comptroller of the payments required under Section 5A-12.6.

(a-5) The Illinois Department may accelerate the schedule upon which assessment installments are due and payable by hospitals with a payment ratio greater than or equal to one. Such acceleration of due dates for payment of the assessment may be made only in conjunction with a corresponding acceleration in access payments identified in Section 5A-12.2, Section 5A-12.4, or Section 5A-12.6 to the same hospitals. For the purposes of this subsection (a-5), a hospital's payment ratio is defined as

New matter indicated by italics - deletions by strikeout
the quotient obtained by dividing the total payments for the State fiscal year, as authorized under Section 5A-12.2, Section 5A-12.4, or Section 5A-12.6, by the total assessment for the State fiscal year imposed under Section 5A-2 or subsection (b-5) of Section 5A-2.

(b) The Illinois Department is authorized to establish delayed payment schedules for hospital providers that are unable to make installment payments when due under this Section due to financial difficulties, as determined by the Illinois Department.

(c) If a hospital provider fails to pay the full amount of an installment when due (including any extensions granted under subsection (b)), there shall, unless waived by the Illinois Department for reasonable cause, be added to the assessment imposed by Section 5A-2 a penalty assessment equal to the lesser of (i) 5% of the amount of the installment not paid on or before the due date plus 5% of the portion thereof remaining unpaid on the last day of each 30-day period thereafter or (ii) 100% of the installment amount not paid on or before the due date. For purposes of this subsection, payments will be credited first to unpaid installment amounts (rather than to penalty or interest), beginning with the most delinquent installments.

(d) Any assessment amount that is due and payable to the Illinois Department more frequently than once per calendar quarter shall be remitted to the Illinois Department by the hospital provider by means of electronic funds transfer. The Illinois Department may provide for remittance by other means if (i) the amount due is less than $10,000 or (ii) electronic funds transfer is unavailable for this purpose.

Sec. 11-5.1. Eligibility verification. Notwithstanding any other provision of this Code, with respect to applications for medical assistance provided under Article V of this Code, eligibility shall be determined in a manner that ensures program integrity and complies with federal laws and regulations while minimizing unnecessary barriers to enrollment. To this end, as soon as practicable, and unless the Department receives written denial from the federal government, this Section shall be implemented:

(a) The Department of Healthcare and Family Services or its designees shall:

(1) By no later than July 1, 2011, require verification of, at a minimum, one month's income from all sources required for determining the eligibility of applicants for medical assistance
under this Code. Such verification shall take the form of pay stubs, business or income and expense records for self-employed persons, letters from employers, and any other valid documentation of income including data obtained electronically by the Department or its designees from other sources as described in subsection (b) of this Section.

(2) By no later than October 1, 2011, require verification of, at a minimum, one month's income from all sources required for determining the continued eligibility of recipients at their annual review of eligibility for medical assistance under this Code. Information the Department receives prior to the annual review, including information available to the Department as a result of the recipient's application for other non-Medicaid benefits, that is sufficient to make a determination of continued Medicaid eligibility may be reviewed and verified, and subsequent action taken including client notification of continued Medicaid eligibility. The date of client notification establishes the date for subsequent annual Medicaid eligibility reviews. Such verification shall take the form of pay stubs, business or income and expense records for self-employed persons, letters from employers, and any other valid documentation of income including data obtained electronically by the Department or its designees from other sources as described in subsection (b) of this Section. 

A month's income may be verified by a single pay stub with the monthly income extrapolated from the time period covered by the pay stub. The Department shall send a notice to recipients at least 60 days prior to the end of their period of eligibility that informs them of the requirements for continued eligibility. If a recipient does not fulfill the requirements for continued eligibility by the deadline established in the notice a notice of cancellation shall be issued to the recipient and coverage shall end no later than the last day of the month following the last day of the eligibility period. A recipient's eligibility may be reinstated without requiring a new application if the recipient fulfills the requirements for continued eligibility prior to the end of the third month following the last date of coverage (or longer period if required by federal regulations). Nothing in this Section shall prevent an individual whose coverage has been cancelled from reapplying for health benefits at any time.

New matter indicated by italics - deletions by strikeout
(3) By no later than July 1, 2011, require verification of Illinois residency.

_The Department, with federal approval, may choose to adopt continuous financial eligibility for a full 12 months for adults on Medicaid._

(b) The Department shall establish or continue cooperative arrangements with the Social Security Administration, the Illinois Secretary of State, the Department of Human Services, the Department of Revenue, the Department of Employment Security, and any other appropriate entity to gain electronic access, to the extent allowed by law, to information available to those entities that may be appropriate for electronically verifying any factor of eligibility for benefits under the Program. Data relevant to eligibility shall be provided for no other purpose than to verify the eligibility of new applicants or current recipients of health benefits under the Program. Data shall be requested or provided for any new applicant or current recipient only insofar as that individual's circumstances are relevant to that individual's or another individual's eligibility.

(c) Within 90 days of the effective date of this amendatory Act of the 96th General Assembly, the Department of Healthcare and Family Services shall send notice to current recipients informing them of the changes regarding their eligibility verification.

(d) As soon as practical if the data is reasonably available, but no later than January 1, 2017, the Department shall compile on a monthly basis data on eligibility redeterminations of beneficiaries of medical assistance provided under Article V of this Code. This data shall be posted on the Department's website, and data from prior months shall be retained and available on the Department's website. The data compiled and reported shall include the following:

1. The total number of redetermination decisions made in a month and, of that total number, the number of decisions to continue or change benefits and the number of decisions to cancel benefits.

2. (3) Subject to federal approval, the Department of Healthcare and Family Services must implement an ex parte renewal process for Medicaid-eligible individuals residing in long-term care facilities. Any such request for information shall also be sent to the facility. In deciding whether to grant an extension, the Department of Human Services or the Department of Healthcare and Family Services' Office of the Inspector General shall take into account what is in the best interest of the applicant. The time limits for processing an application shall be tolled during the period of any extension granted under this subsection.

(f) The Department of Human Services and the Department of Healthcare and Family Services must jointly compile data on pending applications, denials, appeals, and redeterminations into a monthly report, which shall be posted on each Department's website for the purposes of monitoring long-term care eligibility processing. (3) the accuracy and completeness of the report required under paragraph (9) of subsection (e);

(4) the efficacy and efficiency of the task-based process used for making eligibility determinations in the centralized offices of the Department of Human Services for long-term care services, including the role of the State's integrated eligibility system, as opposed to the traditional caseworker-specific process from which these central offices have converted; and

(5) any issues affecting eligibility determinations related to the Department of Human Services' staff completing Medicaid eligibility determinations instead of the designated single-state Medicaid agency in Illinois, the Department of Healthcare and Family Services.

The Auditor General's report shall include any and all other areas or issues which are identified through an annual review. If the Department of Healthcare and Family Services' Office of the Inspector General determines that there is a likelihood that a non-allowable transfer of assets has occurred, and the facility in which the applicant resides is notified, an extension of up to 90 days shall be permissible. On or before December 31, 2015, a streamlined application and enrollment process shall be put in place based on the following principles:

(1) Minimize the burden on applicants by collecting only the data necessary to determine eligibility for medical services, long-term care services, and spousal impoverishment offset.

No later than June 30, 2014, the Department of Healthcare and Family Services shall issue vouchers for advance payments not to exceed $50,000,000 to nursing facilities with significant outstanding Medicaid liability associated with services provided to residents with Medicaid applications pending and residents facing the greatest delays. Each facility with an advance payment shall state in writing whether its own recoupment schedule will be in 3 or 6 equal monthly installments, as long as all advances are recouped by June 30, 2015.

Such simplified verification policies shall apply to community cases as well as long-term care cases.

(5) As soon as practicable, but not later than July 1, 2014, the Department of Healthcare and Family Services and the Department of Human Services shall jointly begin a special enrollment project by using simplified eligibility verification policies and by redeploying caseworkers trained to handle long-term care cases to prioritize those cases, until the backlog is eliminated and processing time is within 90 days. Any such request for information shall also be sent to the facility. In deciding whether to grant an extension, the Department of Human Services or the Department of Healthcare and Family Services' Office of the Inspector General shall take into account what is in the best interest of the applicant. (305 ILCS 5/14-13 new)

(a) By October 1, 2019, the Department shall by rule implement a methodology effective for dates of service July 1, 2019 and later to reimburse hospitals for inpatient stays extended beyond medical necessity due to the inability of the Department or the managed care organization in which a recipient is enrolled or the hospital discharge planner to find an appropriate placement after discharge from the hospital.

(b) The methodology shall provide reasonable compensation for the services provided attributable to the days of the extended stay for which the prevailing rate methodology provides no reimbursement. The Department may use a day outlier program to satisfy this requirement. The reimbursement rate shall be set at a level so as not to act as an incentive to avoid transfer to the appropriate level of care needed or placement, after discharge.

(c) The Department shall require managed care organizations to adopt this methodology or an alternative methodology that pays at least as much as the Department's adopted methodology unless otherwise mutually agreed upon contractual language is developed by the provider and the managed care organization for a risk-based or innovative payment methodology.

For services covered by a managed care organization, hospitals shall notify the appropriate managed care organization of an admission within 24 hours of admission. For every 24-hour period beyond the initial 24 hours after admission that the hospital fails to notify the managed care organization of the admission, reimbursement under this subsection shall be reduced by one day.

2. A year of residency, which is a candidate's assignment to a full-time teaching position or as a co-teacher for one full school year. An individual must hold an Educator License with Stipulations with an alternative provisional educator endorsement in order to enter the residency and must complete additional program requirements that address required State and national standards, pass the assessment of professional teaching before entering the second residency year, as required under phase (3) of this subsection (b), and be recommended by the principal or qualified equivalent of a principal, as required under subsection (d) of this Section, and the program coordinator to continue with the second year of the residency.

Section 1-20. Reporting of allegations. No contract, agreement, clause, covenant, waiver, or other document shall prohibit, prevent, or otherwise restrict an employee, prospective employee, or former employee...
from reporting any allegations of unlawful conduct to federal, State, or local officials for investigation, including, but not limited to, alleged criminal conduct or unlawful employment practices.

Section 1-25. Conditions of employment or continued employment.

(a) Any agreement, clause, covenant, or waiver that is a unilateral condition of employment or continued employment and has the purpose or effect of preventing an employee or prospective employee from making truthful statements or disclosures about alleged unlawful employment practices is against public policy, void to the extent it prevents such statements or disclosures, and severable from an otherwise valid and enforceable contract under this Act.

(b) Any agreement, clause, covenant, or waiver that is a unilateral condition of employment or continued employment and requires the employee or prospective employee to waive, arbitrate, or otherwise diminish any existing or future claim, right, or benefit related to an unlawful employment practice to which the employee or prospective employee would otherwise be entitled under any provision of State or federal law, is against public policy, void to the extent it denies an employee or prospective employee a substantive or procedural right or remedy related to alleged unlawful employment practices, and severable from an otherwise valid and enforceable contract under this Act.

(c) Any agreement, clause, covenant, or waiver that is a mutual condition of employment or continued employment may include provisions that would otherwise be against public policy as a unilateral condition of employment or continued employment, but only if the agreement, clause, covenant, or waiver is in writing, demonstrates actual, knowing, and bargained-for consideration from both parties, and acknowledges the right of the employee or prospective employee to:

1. report any good faith allegation of unlawful employment practices to any appropriate federal, State, or local government agency enforcing discrimination laws;

2. report any good faith allegation of criminal conduct to any appropriate federal, State, or local official;

3. participate in a proceeding with any appropriate federal, State, or local government agency enforcing discrimination laws;

(e) Nothing in this Section shall be construed to prevent an employee or prospective employee and an employer from negotiating and bargaining over the terms, privileges, and conditions of employment.

Section 1-30. Settlement or termination agreements.

(a) An employee, prospective employee, or former employee and an employer may enter into a valid and enforceable settlement or termination agreement that includes promises of confidentiality related to alleged unlawful employment practices, so long as:

(1) confidentiality is the documented preference of the employee, prospective employee, or former employee and is mutually beneficial to both parties;

(2) the employer notifies the employee, prospective employee, or former employee, in writing, of his or her right to have an attorney or representative of his or her choice review the settlement or termination agreement before it is executed;

(3) there is valid, bargained for consideration in exchange for the confidentiality;

(4) the settlement or termination agreement does not waive any claims of unlawful employment practices that accrue after the date of execution of the settlement or termination agreement;

(5) the settlement or termination agreement is provided, in writing, to the parties to the prospective agreement and the employee, prospective employee, or former employee is given a period of 21 calendar days to consider the agreement before execution, during which the employee, prospective employee, or former employee may sign the agreement at any time, knowingly and voluntarily waiving any further time for consideration; and

(6) unless knowingly and voluntarily waived by the employee, prospective employee, or former employee, he or she has 7 calendar days following the execution of the agreement to revoke the agreement and the agreement is not effective or enforceable until the revocation period has expired.

(b) An employer may not unilaterally include any clause in a settlement or termination agreement that prohibits the employee,
prospective employee, or former employee from making truthful statements or disclosures regarding unlawful employment practices.

(c) Failure to comply with the provisions of this Section shall render any promise of confidentiality related to alleged unlawful employment practices against public policy void and severable from an otherwise valid and enforceable agreement.

(d) Nothing in this Section shall be construed to prevent a mutually agreed upon settlement or termination agreement from waiving or releasing the employee, prospective employee, or former employee's right to seek or obtain any remedies relating to an unlawful employment practice claim that occurred before the date on which the agreement is executed.

Section 1-35. Costs and attorney's fees. An employee, prospective employee, or former employee shall be entitled to reasonable attorney's fees and costs incurred in challenging a contract for violation of this Act upon a final, non-appealable action in favor of the employee, prospective employee, or former employee on the question of the validity and enforceability of the contract.

Section 1-40. Right to testify. Notwithstanding any other law to the contrary, any agreement, clause, covenant, or waiver, settlement agreement, or termination agreement that waives the right of an employee, prospective employee, or former employee to testify in an administrative, legislative, or judicial proceeding concerning alleged criminal conduct or alleged unlawful employment practices on the part of the other party to the employment contract, settlement agreement, or termination agreement, or on the part of the party's agents or employees, when the employee, prospective employee, or former employee has been required or requested to attend the proceeding pursuant to a court order, subpoena, or written request from an administrative agency or the legislature, is void and unenforceable under the public policy of this State. This Section is declarative of existing law.

Section 1-45. Limitations. This Act shall not be construed to limit an employer's ability to require the following to maintain confidentiality of allegations of unlawful employment practices made by others:

1. employees who receive complaints or investigate allegations related to unlawful employment practices as part of their assigned job duties, or otherwise have access to confidential personnel information as a part of their assigned job duties;

(4) any individual who by law is subject to a recognized legal or evidentiary privilege; or

(5) any third party engaged or hired by the employer to investigate complaints of an unlawful employment practice.

(20 ILCS 2105/2105-15)
Sec. 2105-15. General powers and duties.

Those sums may be advanced to the agent when the Director deems that procedure to be in the public interest. Sums for the purchase of controlled substances, professional services, and equipment necessary for enforcement activities and other activities as set forth in this Section shall be advanced to the agent who is to make the purchase from the Professional Regulation Evidence Fund on vouchers signed by the Director. For the purpose of this Section, "satisfactory repayment record" shall be defined by rule.

In addition, a complaint filed with the Department by the Illinois Department of Revenue that includes a certification, signed by its Director or designee, attesting to the amount of the unpaid tax liability or the years for which a return was not filed, or both, is prima facie evidence of the licensee's failure to comply with the tax laws administered by the Illinois Department of Revenue. Upon receipt of that certification, the Department shall, without a hearing, immediately suspend all licenses held by the licensee. Enforcement of the Department's order shall be stayed for 60 days. The Department shall provide notice of the suspension to the licensee by mailing a copy of the Department's order to the licensee's address of record or emailing a copy of the order to the licensee's email address of record. The notice shall advise the licensee that the suspension shall be effective 60 days after the issuance of the Department's order unless the Department receives, from the licensee, a request for a hearing before the Department to dispute the matters contained in the order.

For individuals licensed under the Medical Practice Act of 1987, the title "Retired" may be used in the profile required by the Patients' Right to Know Act. The use of the title "Retired" shall not constitute representation of current licensure, registration, or certification. Any person without an active license, registration, or certificate in a profession that requires licensure, registration, or certification shall not be permitted to practice that profession.

(i) The Department shall make available on its website general information explaining how the Department utilizes criminal history information in making licensure application decisions, including a list of enumerated offenses that serve as a statutory bar to licensure.

(B) Employment agency. For any employment agency to fail or refuse to classify properly, accept applications and register for employment referral or apprenticeship referral, refer for employment, or refer for apprenticeship on the basis of unlawful discrimination or citizenship status or to accept from any person any job order, requisition or request for referral of applicants for employment or apprenticeship which makes or has the effect of making unlawful discrimination or discrimination on the basis of citizenship status a condition of referral.

(C) Labor organization. For any labor organization to limit, segregate or classify its membership, or to limit employment opportunities, selection and training for apprenticeship in any trade or craft, or otherwise to take, or fail to take, any action which affects adversely any person's status as an employee or as an applicant for employment or as an apprentice, or as an applicant for apprenticeships, or wages, tenure, hours of employment or apprenticeship conditions on the basis of unlawful discrimination or citizenship status.

(D) Sexual harassment. For any employer, employee, agent of any employer, employment agency or labor organization to engage in sexual harassment; provided, that an employer shall be responsible for sexual harassment of the employer's employees by nonemployees or nonmanagerial and nonsupervisory employees only if the employer becomes aware of the conduct and fails to take reasonable corrective measures.

or labor organization to engage in sexual harassment of nonemployees in the workplace. An employer is responsible for sexual harassment of nonemployees by the employer's nonmanagerial and nonsupervisory employees only if the employer becomes aware of the conduct and fails to take reasonable corrective measures. For the purposes of this subdivision (D-5), "nonemployee" means a person who is not otherwise an employee of the employer and is directly performing services for the employer pursuant to a contract with that employer. "Nonemployee" includes contractors and consultants. This subdivision applies to sexual harassment occurring on or after the effective date of this amendatory Act of the 101st General Assembly.

(E) Public employers. For any public employer to refuse to permit a public employee under its jurisdiction who takes time off from work in order to practice his or her religious beliefs to engage in work, during hours other than such employee's regular working hours, consistent with the operational needs of the employer and in order to compensate for work time lost for such religious reasons. Any employee who elects such deferred work shall be compensated at the wage rate which he or she would have earned during the originally scheduled work period. The employer may require that an employee who plans to take time off from work in order to practice his or her religious beliefs provide the employer with a notice of his or her intention to be absent from work not exceeding 5 days prior to the date of absence.

(E-5) Religious discrimination. For any employer to impose upon a person as a condition of obtaining or retaining employment, including opportunities for promotion, advancement, or transfer, any terms or conditions that would require such person to violate or forgo a sincerely held practice of his or her religion including, but not limited to, the wearing of any attire, clothing, or facial hair in accordance with the requirements of his or her religion, unless, after engaging in a bona fide effort, the employer demonstrates that it is unable to reasonably accommodate the employee's or prospective employee's sincerely held religious belief, practice, or observance without undue hardship on the conduct of the employer's business.

(2) for an employer participating in the E-Verify Program, as authorized by 8 U.S.C. 1324a, Notes, Pilot Programs for Employment Eligibility Confirmation (enacted by PL 104-208, div. C title IV, subtitle A) to refuse to hire, to segregate, or to act with respect to recruitment, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges or conditions of employment without following the procedures under the E-Verify Program.

(I) Pregnancy. For an employer to refuse to hire, to segregate, or to act with respect to recruitment, hiring, promotion, renewal of employment, selection for training or apprenticeship, discharge, discipline, tenure or terms, privileges or conditions of employment on the basis of pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth. Women affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth shall be treated the same for all employment-related purposes, including receipt of benefits under fringe benefit programs, as other persons not so affected but similar in their ability or inability to work, regardless of the source of the inability to work or employment classification or status.

New matter indicated by italics - deletions by strikeout
(J) Pregnancy; reasonable accommodations.

(1) If after a job applicant or employee, including a part-time, full-time, or probationary employee, requests a reasonable accommodation, for an employer to not make reasonable accommodations for any medical or common condition of a job applicant or employee related to pregnancy or childbirth, unless the employer can demonstrate that the accommodation would impose an undue hardship on the ordinary operation of the business of the employer. The employer may request documentation from the employee's health care provider concerning the need for the requested reasonable accommodation or accommodations to the same extent documentation is requested for conditions related to disability if the employer's request for documentation is job-related and consistent with business necessity. The employer may require only the medical justification for the requested accommodation or accommodations, a description of the reasonable accommodation or accommodations medically advisable, the date the reasonable accommodation or accommodations became medically advisable, and the probable duration of the reasonable accommodation or accommodations. It is the duty of the individual seeking a reasonable accommodation or accommodations to submit to the employer any documentation that is requested in accordance with this paragraph. Notwithstanding the provisions of this paragraph, the employer may require documentation by the employee's health care provider to determine compliance with other laws. The employee and employer shall engage in a timely, good faith, and meaningful exchange to determine effective reasonable accommodations.

(2) For an employer to deny employment opportunities or benefits to or take adverse action against an otherwise qualified job applicant or employee, including a part-time, full-time, or probationary employee, if the denial or adverse action is based on the need of the employer to make reasonable accommodations to the
known medical or common conditions related to the pregnancy or childbirth of the applicant or employee.

(3) For an employer to require a job applicant or employee, including a part-time, full-time, or probationary employee, affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth to accept an accommodation when the applicant or employee did not request an accommodation and the applicant or employee chooses not to accept the employer's accommodation.

(4) For an employer to require an employee, including a part-time, full-time, or probationary employee, to take leave under any leave law or policy of the employer if another reasonable accommodation can be provided to the known medical or common conditions related to the pregnancy or childbirth of an employee. No employer shall fail or refuse to reinstate the employee affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth to her original job or to an equivalent position with equivalent pay and accumulated seniority, retirement, fringe benefits, and other applicable service credits upon her signifying her intent to return or when her need for reasonable accommodation ceases, unless the employer can demonstrate that the accommodation would impose an undue hardship on the ordinary operation of the business of the employer.

For the purposes of this subdivision (J), "reasonable accommodations" means reasonable modifications or adjustments to the job application process or work environment, or to the manner or circumstances under which the position desired or held is customarily performed, that enable an applicant or employee affected by pregnancy, childbirth, or medical or common conditions related to pregnancy or childbirth to be considered for the position the applicant desires or to perform the essential functions of that position, and may include, but is not limited to: more frequent or longer bathroom breaks, breaks for increased water intake, and breaks for periodic rest; private non-bathroom space for expressing breast milk and breastfeeding; seating; assistance with manual labor; light duty; temporary transfer to a

less strenuous or hazardous position; the provision of an accessible worksite; acquisition or modification of equipment; job restructuring; a part-time or modified work schedule; appropriate adjustment or modifications of examinations, training materials, or policies; reassignment to a vacant position; time off to recover from conditions related to childbirth; and leave necessitated by pregnancy, childbirth, or medical or common conditions resulting from pregnancy or childbirth.

For the purposes of this subdivision (J), "undue hardship" means an action that is prohibitively expensive or disruptive when considered in light of the following factors: (i) the nature and cost of the accommodation needed; (ii) the overall financial resources of the facility or facilities involved in the provision of the reasonable accommodation, the number of persons employed at the facility, the effect on expenses and resources, or the impact otherwise of the accommodation upon the operation of the facility; (iii) the overall financial resources of the employer, the overall size of the business of the employer with respect to the number of its employees, and the number, type, and location of its facilities; and (iv) the type of operation or operations of the employer, including the composition, structure, and functions of the workforce of the employer, the geographic separateness, administrative, or fiscal relationship of the facility or facilities in question to the employer. The employer has the burden of proving undue hardship. The fact that the employer provides or would be required to provide a similar accommodation to similarly situated employees creates a rebuttable presumption that the accommodation does not impose an undue hardship on the employer.

No employer is required by this subdivision (J) to create additional employment that the employer would not otherwise have created, unless the employer does so or would do so for other classes of employees who need accommodation. The employer is not required to discharge any employee, transfer any employee with more seniority, or promote any employee who is not qualified to perform the job, unless the employer does so or would do so to accommodate other classes of employees who need it.

(K) Notice.

(1) For an employer to fail to post or keep posted in a conspicuous location on the premises of the employer...
where notices to employees are customarily posted, or fail to include in any employee handbook information concerning an employee's rights under this Article, a notice, to be prepared or approved by the Department, summarizing the requirements of this Article and information pertaining to the filing of a charge, including the right to be free from unlawful discrimination, the right to be free from sexual harassment, and the right to certain reasonable accommodations. The Department shall make the documents required under this paragraph available for retrieval from the Department's website.

(2) Upon notification of a violation of paragraph (1) of this subdivision (K), the Department may launch a preliminary investigation. If the Department finds a violation, the Department may issue a notice to show cause giving the employer 30 days to correct the violation. If the violation is not corrected, the Department may initiate a charge of a civil rights violation.

(H) This Section is repealed on January 1, 2030.

Sec. 2-109. Sexual harassment prevention training.

(A) The General Assembly finds that the organizational tolerance of sexual harassment has a detrimental influence in workplaces by creating a hostile environment for employees, reducing productivity, and increasing legal liability. The sexual harassment prevention training shall be provided at least once a year to all employees. For the purposes of satisfying the requirements under this Section, the Department's model sexual harassment prevention training program may be used to supplement any existing program an employer is utilizing or develops.

(D) If an employer violates this Section, the Department shall issue a notice to show cause giving the employer 30 days to comply. If the employer does not comply within 30 days, the Department shall petition the Human Rights Commission for entry of an order imposing a civil penalty against the employer pursuant to Section 8-109.1. The civil penalty shall be paid into the Department of Human Rights Training and Development Fund.

6. a prohibition on retaliation for reporting sexual harassment allegations; and
7. a requirement that all employees participate in sexual harassment prevention training.

The policy shall be made available in English and Spanish.

(C) In addition to the model sexual harassment prevention training program produced by the Department in Section 2-109, the Department shall develop a supplemental model training program in consultation with industry professionals specifically aimed at the prevention of sexual harassment in the restaurant and bar industry. Sec. 7-109.1. Federal or State court proceedings. Administrative dismissal of charges.

(1) For charges filed under Article 7A of this Act, if the complainant has initiated litigation in a federal or State court for the purpose of seeking final relief on some or all of the issues that are the basis of the charge, either party may request that the Department administratively dismiss the Department’s charge or portions of the charge. Within 10 business days of receipt of the federal or State court complaint, the Department shall issue a notice of administrative dismissal and provide the complainant notice of his or her right to commence a civil action in the appropriate circuit court or other appropriate court of competent jurisdiction. The Director shall also provide the charging party notice of his or her right to seek review of the notice of dismissal before the Commission. Any review by the Commission of the dismissal shall be filed within 30 days after receipt of the Director’s notice and shall be limited to the question of whether the charge was properly dismissed under this Section.

(2) For charges filed under Article 7B of this Act, if the complainant has initiated litigation in a federal or State court for the purpose of seeking final relief on some or all of the issues that are the basis of the charge, either party may request that the Department administratively dismiss the charge or portions of the charge pending in the federal or State court proceeding if a trial has commenced in the federal or State court proceeding. (3) Nothing in this Section shall preclude the Department from continuing to investigate an allegation in the charge that is not included in the federal or State court proceeding.

For charges filed under this Act, if the charging party has initiated litigation for the purpose of seeking final relief in a State or federal court or before an administrative law judge or hearing officer in an administrative proceeding before a local government administrative agency, and if a final decision on the merits in that litigation or administrative hearing would preclude the charging party from bringing another action based on the pending charge, the Department shall cease its investigation and dismiss the pending charge by order of the Director, who shall provide the charging party notice of his or her right to commence a civil action in the appropriate circuit court or other appropriate court of competent jurisdiction. The Director shall also provide the charging party notice of his or her right to seek review of the dismissal order before the Commission. Any review by the Commission of the dismissal shall be limited to the question of whether the charge was properly dismissed pursuant to this Section. Nothing in this Section shall preclude the Department from continuing to investigate an allegation in a charge that is unique to this Act or otherwise could not have been included in the litigation or administrative proceeding:

Sec. 7A-102. Procedures.

(A) Charge.

(1) Within 300 calendar days after the date that a civil rights violation allegedly has been committed, a charge in writing under oath or affirmation may be filed with the Department by an

New matter indicated by italics - deletions by strikeout
aggrieved party or issued by the Department itself under the signature of the Director.

(2) The charge shall be in such detail as to substantially apprise any party properly concerned as to the time, place, and facts surrounding the alleged civil rights violation.

(3) Charges deemed filed with the Department pursuant to subsection (A-1) of this Section shall be deemed to be in compliance with this subsection.

(1) If a charge is filed with the Equal Employment Opportunity Commission (EEOC) within 300 calendar days after the date of the alleged civil rights violation, the charge shall be deemed filed with the Department on the date filed with the EEOC. If the EEOC is the governmental agency designated to investigate the charge first, the Department shall take no action until the EEOC makes a determination on the charge and after the complainant notifies the Department of the EEOC's determination. In such cases, after receiving notice from the EEOC that a charge was filed, the Department shall notify the parties that (i) a charge has been received by the EEOC and has been sent to the Department for dual filing purposes; (ii) the EEOC is the governmental agency responsible for investigating the charge and that the investigation shall be conducted pursuant to the rules and procedures adopted by the EEOC; (iii) it will take no action on the charge until the EEOC issues its determination; (iv) the complainant must submit a copy of the EEOC's determination within 30 days after service of the determination by the EEOC on complainant; and (v) that the time period to investigate the charge contained in subsection (G) of this Section is tolled from the date on which the charge is filed with the EEOC until the EEOC issues its determination.

(2) If the EEOC finds reasonable cause to believe that there has been a violation of federal law and if the Department is timely notified of the EEOC's findings by complainant, the Department shall notify complainant that the Department has adopted the EEOC's determination of reasonable cause and that complainant has the right, within 90 days after receipt of the Department's notice, to either file his or her own complaint with the Illinois Human Rights Commission or commence a civil action in the...
appropriate circuit court or other appropriate court of competent jurisdiction. This notice shall be provided to the complainant within 10 business days after the Department's receipt of the EEOC's determination. The Department's notice to complainant that the Department has adopted the EEOC's determination of reasonable cause shall constitute the Department's Report for purposes of subparagraph (D) of this Section.

(3) For those charges alleging violations within the jurisdiction of both the EEOC and the Department and for which the EEOC either (i) does not issue a determination, but does issue the complainant a notice of a right to sue, including when the right to sue is issued at the request of the complainant, or (ii) determines that it is unable to establish that illegal discrimination has occurred and issues the complainant a right to sue notice, and if the Department is timely notified of the EEOC's determination by complainant, the Department shall notify the parties, within 10 business days after receipt of the EEOC's determination, that the Department will adopt the EEOC's determination as a dismissal for lack of substantial evidence unless the complainant requests in writing within 35 days after receipt of the Department's notice that the Department review the EEOC's determination.

(a) If the complainant does not file a written request with the Department to review the EEOC's determination within 35 days after receipt of the Department's notice, the Department shall notify complainant, within 10 business days after the expiration of the 35-day period, that the decision of the EEOC has been adopted by the Department as a dismissal for lack of substantial evidence and that the complainant has the right, within 90 days after receipt of the Department's notice, to commence a civil action in the appropriate circuit court or other appropriate court of competent jurisdiction. The Department's notice to complainant that the Department has adopted the EEOC's determination shall constitute the Department's report for purposes of subparagraph (D) of this Section.

(b) If the complainant does file a written request with the Department to review the EEOC's determination, the Department shall review the EEOC's determination and any evidence obtained by the EEOC during its

investigation. If, after reviewing the EEOC's determination and any evidence obtained by the EEOC, the Department determines there is no need for further investigation of the charge, the Department shall issue a report and the Director shall determine whether there is substantial evidence that the alleged civil rights violation has been committed pursuant to subsection (D) of Section 7A-102. If, after reviewing the EEOC's determination and any evidence obtained by the EEOC, the Department determines there is a need for further investigation of the charge, the Department may conduct any further investigation it deems necessary. After reviewing the EEOC's determination, the evidence obtained by the EEOC, and any additional investigation conducted by the Department, the Department shall issue a report and the Director shall determine whether there is substantial evidence that the alleged civil rights violation has been committed pursuant to subsection (D) of Section 7A-102 of this Act.

(4) Pursuant to this Section, if the EEOC dismisses the charge or a portion of the charge of discrimination because, under federal law, the EEOC lacks jurisdiction over the charge, and if, under this Act, the Department has jurisdiction over the charge of discrimination, the Department shall investigate the charge or portion of the charge dismissed by the EEOC for lack of jurisdiction pursuant to subsections (A), (A-1), (B), (B-1), (C), (D), (E), (F), (G), (H), (I), (J), and (K) of Section 7A-102 of this Act.

(5) The time limit set out in subsection (G) of this Section is tolled from the date on which the charge is filed with the EEOC to the date on which the EEOC issues its determination.

(6) The failure of the Department to meet the 10-business-day notification deadlines set out in paragraph (2) of this subsection shall not impair the rights of any party.

(B) Notice and Response to Charge. The Department shall, within 10 days of the date on which the charge was filed, serve a copy of the charge on the respondent and provide all parties with a notice of the complainant's right to opt out of the investigation within 60 days as set forth in subsection (C-1). This period shall not be construed to be jurisdictional. The charging party and the respondent may each file a position statement and other materials with the Department regarding the

New matter indicated by italics - deletions by strikeout
charge of alleged discrimination within 60 days of receipt of the notice of the charge. The position statements and other materials filed shall remain confidential unless otherwise agreed to by the party providing the information and shall not be served on or made available to the other party during pendency of a charge with the Department. The Department may issue a notice of default directed to any respondent who fails to file a response to a charge within 60 days of receipt of the Department's request, unless the respondent can demonstrate good cause as to why such notice should not issue. The term "good cause" shall be defined by rule promulgated by the Department. Within 30 days of receipt of the respondent's response, the complainant may file a reply to said response and shall serve a copy of said reply on the respondent or his or her representative. (4) Upon reasonable notice to the complainant and the respondent, the Department shall conduct a fact finding conference, unless prior to 365 days after the date on which the charge was filed the Director has determined whether there is substantial evidence that the alleged civil rights violation has been committed, the charge has been dismissed for lack of jurisdiction, or the parties voluntarily and in writing agree to waive the fact finding conference. Any party's failure to attend the conference without good cause shall result in dismissal or default. The term "good cause" shall be defined by rule promulgated by the

If the complainant chooses to have the Human Rights Commission review the dismissal order, he or she shall file a request for review with the Commission within 90 days after receipt of the Director's notice. Any such complaint shall be filed within 90 days after receipt of the Director's notice. If the complainant chooses to have the Department file a complaint with the Human Rights Commission on his or her behalf, the complainant must, within 30 days after receipt of the Director's notice, request in writing that the Department file the complaint. If the complainant timely requests that the Department file the complaint, the Department shall file the complaint on his or her behalf. (5) The Department's efforts to conciliate the matter shall not stay or extend the time for filing the complaint with the Commission or the circuit court.

(F) Complaint.

(1) When the complainant requests that the Department file a complaint with the Commission on his or her behalf, the Department shall prepare a written complaint, under oath or affirmation, stating the nature of the civil rights violation substantially as alleged in the charge previously filed and the relief sought on behalf of the aggrieved party. The Department shall file the complaint with the Commission.

The form of the complaint in any such civil action shall be in accordance with the Illinois Code of Civil Procedure.

(G) Time Limit.

(2) If the Department has not issued its report within 365 days after the charge is filed, or any such longer period agreed to in writing by all the parties, the complainant shall have 90 days to either file his or her own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court. If the complainant files a complaint with the Commission, the form of the complaint shall be in accordance with the provisions of paragraph (F)(1). Any final order entered by the Commission under this Section is appealable in accordance with paragraph (B)(1) of Section 8-111. Failure to immediately cease an investigation and dismiss the charge of civil rights violation as provided in this paragraph (3) constitutes grounds for entry of an order by the circuit court permanently enjoining the investigation. Sec. 5. Findings. The General Assembly finds and declares the following:

(1) Domestic, and sexual, and gender violence affects many persons without regard to age, race, educational level, socioeconomic status, religion, or occupation.

(2) Domestic, and sexual, and gender violence has a devastating effect on individuals, families, communities and the workplace.

(3) Domestic violence crimes account for approximately 15% of total crime costs in the United States each year.

(4) Violence against women has been reported to be the leading cause of physical injury to women. Such violence has a devastating impact on women's physical and emotional health and financial security.

(5) According to recent government surveys, from 1993 through 1998 the average annual number of violent victimizations committed by intimate partners was 1,082,110, 87% of which were committed against women.

(6) Female murder victims were substantially more likely than male murder victims to have been killed by an intimate partner. About one-third of female murder victims, and about 4% of male murder victims, were killed by an intimate partner.

(7) According to recent government estimates, approximately 987,400 rapes occur annually in the United States, 89% of the rapes are perpetrated against female victims.

(8) Approximately 10,200,000 people have been stalked at some time in their lives. Four out of every 5 stalking victims are women. Stalkers harass and terrorize their victims by spying on the victims, standing outside their places of work or homes, making unwanted phone calls, sending or leaving unwanted letters or items, or vandalizing property.

(9) Employees in the United States who have been victims of domestic violence, dating violence, sexual assault, or stalking too often suffer adverse consequences in the workplace as a result of their victimization.

(10) Victims of domestic violence, dating violence, sexual assault, and stalking face the threat of job loss and loss of health insurance as a result of the illegal acts of the perpetrators of violence.
(11) The prevalence of domestic violence, dating violence, sexual assault, stalking, and other violence against women at work is dramatic. Approximately 11% of all rapes occur in the workplace. About 50,500 individuals, 83% of whom are women, were raped or sexually assaulted in the workplace each year from 1992 through 1996. Half of all female victims of violent workplace crimes know their attackers. Nearly one out of 10 violent workplace incidents is committed by partners or spouses.

(12) Homicide is the leading cause of death for women on the job. Husbands, boyfriends, and ex-partners commit 15% of workplace homicides against women.

(13) Studies indicate that as much as 74% of employed battered women surveyed were harassed at work by their abusive partners.

(14) According to a 1998 report of the U.S. General Accounting Office, between one-fourth and one-half of domestic violence victims surveyed in 3 studies reported that the victims lost a job due, at least in part, to domestic violence.

(15) Women who have experienced domestic violence or dating violence are more likely than other women to be unemployed, to suffer from health problems that can affect employability and job performance, to report lower personal income, and to rely on welfare.

(16) Abusers frequently seek to control their partners by actively interfering with their ability to work, including preventing their partners from going to work, harassing their partners at work, limiting the access of their partners to cash or transportation, and sabotaging the child care arrangements of their partners.

(17) More than one-half of women receiving welfare have been victims of domestic violence as adults and between one-fourth and one-third reported being abused in the last year.

(18) Sexual assault, whether occurring in or out of the workplace, can impair an employee's work performance, require time away from work, and undermine the employee's ability to maintain a job. Almost 50% of sexual assault survivors lose their jobs or are forced to quit in the aftermath of the assaults.

(19) More than one-fourth of stalking victims report losing time from work due to the stalking and 7% never return to work.
(20) (A) According to the National Institute of Justice, crime costs an estimated $450,000,000,000 annually in medical expenses, lost earnings, social service costs, pain, suffering, and reduced quality of life for victims, which harms the Nation's productivity and drains the Nation's resources. (B) Violent crime accounts for $426,000,000,000 per year of this amount. (C) Rape exacts the highest costs per victim of any criminal offense, and accounts for $127,000,000,000 per year of the amount described in subparagraph (A).

(21) The Bureau of National Affairs has estimated that domestic violence costs United States employers between $3,000,000,000 and $5,000,000,000 annually in lost time and productivity. Other reports have estimated that domestic violence costs United States employers $13,000,000,000 annually.

(22) United States medical costs for domestic violence have been estimated to be $31,000,000,000 per year.

(23) Ninety-four percent of corporate security and safety directors at companies nationwide rank domestic violence as a high security concern.

(24) Forty-nine percent of senior executives recently surveyed said domestic violence has a harmful effect on their company's productivity, 47% said domestic violence negatively affects attendance, and 44% said domestic violence increases health care costs.

(25) Employees, including individuals participating in welfare to work programs, may need to take time during business hours to:

(A) obtain orders of protection or civil no contact orders;
(B) seek medical or legal assistance, counseling, or other services; or
(C) look for housing in order to escape from domestic or sexual violence.

Except as provided in Section 4A-106.1, by May 1 of each year a statement must be filed by each person whose position at that time subjects him to the filing requirements of Section 4A-101 or 4A-101.5 unless he has already filed a statement in relation to the same unit of government in that calendar year.

Statements must also be filed as follows:

(a) A candidate for elective office shall file his statement not later than the end of the period during which he can take the action necessary under the laws of this State to attempt to qualify for nomination, election, or retention to such office if he has not filed a statement in relation to the same unit of government within a year preceding such action.

(b) A person whose appointment to office is subject to confirmation by the Senate shall file his statement at the time his name is submitted to the Senate for confirmation.

(b-5) A special government agent, as defined in item (1) of Section 4A-101 of this Act, shall file a statement within 30 days after making the first ex parte communication and each May 1 thereafter if he or she has made an ex parte communication within the previous 12 months.

(c) Any other person required by this Article to file the statement shall file a statement at the time of his or her initial appointment or employment in relation to that unit of government if appointed or employed by May 1.

If any person who is required to file a statement of economic interests fails to file such statement by May 1 of any year, the officer with whom such statement is to be filed under Section 4A-106 or 4A-106.5 of this Act shall, within 7 days after May 1, notify such person by certified mail of his or her failure to file by the specified date. Except as may be prescribed by rule of the Secretary of State, such person shall file his or her statement of economic interests on or before May 15 with the appropriate officer, together with a $15 late filing fee. Any such person who fails to file by May 15 shall be subject to a penalty of $100 for each
day from May 16 to the date of filing, which shall be in addition to the $15 late filing fee specified above. Failure to file by May 31 shall result in a forfeiture in accordance with Section 4A-107 of this Act.

Any person who takes office or otherwise becomes required to file a statement of economic interests within 30 days prior to May 1 of any year may file his or her statement at any time on or before May 31 without penalty. If such person fails to file such statement by May 31, the officer with whom such statement is to be filed under Section 4A-106 or 4A-106.5 of this Act shall, within 7 days after May 31, notify such person by certified mail of his or her failure to file by the specified date. The Attorney General, with respect to the State, and the several State's Attorneys, with respect to counties, shall take appropriate action to collect the prescribed penalties.

Beginning with statements required to be filed on or after May 1, 2009, the officer with whom a statement is to be filed may, in his or her discretion, waive the late filing fee, the monetary late filing penalty, and the ineligibility for or forfeiture of office or position for failure to file when the person's late filing of a statement or failure to file a statement is due to his or her (i) serious or catastrophic illness that renders the person temporarily incapable of completing the statement or (ii) military service.

(b) The Governor, Attorney General, Secretary of State, Comptroller, and Treasurer shall each appoint an Executive Inspector General, without regard to political affiliation and solely on the basis of integrity and demonstrated ability. Appointments shall be made by and with the advice and consent of the Senate by three-fifths of the elected members concurring by record vote. Any nomination not acted upon by the Senate within 60 session days of the receipt thereof shall be deemed to have received the advice and consent of the Senate. If, during a recess of the Senate, there is a vacancy in an office of Executive Inspector General, the appointing authority shall make a temporary appointment until the next meeting of the Senate when the appointing authority shall make a nomination to fill that office. Sec. 20-50. Investigation reports.

(a) If an Executive Inspector General, upon the conclusion of an investigation, determines that reasonable cause exists to believe that a violation has occurred, then the Executive Inspector General shall issue a summary report of the investigation. The report shall be delivered to the appropriate ultimate jurisdictional authority and to the head of each State agency affected by or involved in the investigation, if appropriate. The appropriate ultimate jurisdictional authority or agency head shall respond to the summary report within 20 days, in writing, to the Executive Inspector General. The response shall include a description of any corrective or disciplinary action to be imposed. If the appropriate ultimate jurisdictional authority does not respond within 20 days, or within an extended time period as agreed to by the Executive Inspector General, an Executive Inspector General may proceed under subsection (c) as if a response had been received.

(b) The summary report of the investigation shall include the following:

1. A description of any allegations or other information received by the Executive Inspector General pertinent to the investigation.
2. A description of any alleged misconduct discovered in the course of the investigation.

New matter indicated by italics - deletions by strikeout
(3) Recommendations for any corrective or disciplinary action to be taken in response to any alleged misconduct described in the report, including but not limited to discharge.

(4) Other information the Executive Inspector General deems relevant to the investigation or resulting recommendations.

c) Within 30 days after receiving a response from the appropriate ultimate jurisdictional authority or agency head under subsection (a), the Executive Inspector General shall notify the Commission and the Attorney General if the Executive Inspector General believes that a complaint should be filed with the Commission. If the Executive Inspector General desires to file a complaint with the Commission, the Executive Inspector General shall submit the summary report and supporting documents to the Attorney General. If the Attorney General concludes that there is insufficient evidence that a violation has occurred, the Attorney General shall notify the Executive Inspector General and the Executive Inspector General shall deliver to the Executive Ethics Commission a copy of the summary report and response from the ultimate jurisdictional authority or agency head. If the Attorney General determines that reasonable cause exists to believe that a violation has occurred, then the Executive Inspector General, represented by the Attorney General, may file with the Executive Ethics Commission a complaint. The complaint shall set forth the alleged violation and the grounds that exist to support the complaint. The complaint must be filed with the Commission within 12 months after the Executive Inspector General's receipt of the allegation of the violation except where there is reasonable cause to believe that fraudulent concealment has occurred. To constitute fraudulent concealment sufficient to toll this limitations period, there must be an affirmative act or representation calculated to prevent discovery of the fact that a violation has occurred. If a complaint is not filed with the Commission within 6 months after notice by the Inspector General to the Commission and the Attorney General, then the Commission may set a meeting of the Commission at which the Attorney General shall appear and provide a status report to the Commission.

c-5) Within 30 days after receiving a response from the appropriate ultimate jurisdictional authority or agency head under subsection (a), if the Executive Inspector General does not believe that a complaint should be filed, the Executive Inspector General shall deliver to the Executive Ethics Commission a statement setting forth the basis for
the decision not to file a complaint and a copy of the summary report and response from the ultimate jurisdictional authority or agency head. An Inspector General may also submit a redacted version of the summary report and response from the ultimate jurisdictional authority if the Inspector General believes either contains information that, in the opinion of the Inspector General, should be redacted prior to releasing the report, may interfere with an ongoing investigation, or identifies an informant or complainant.

(c-10) If, after reviewing the documents, the Commission believes that further investigation is warranted, the Commission may request that the Executive Inspector General provide additional information or conduct further investigation. The Commission may also appoint a Special Executive Inspector General to investigate or refer the summary report and response from the ultimate jurisdictional authority to the Attorney General for further investigation or review. If the Commission requests the Attorney General to investigate or review, the Commission must notify the Attorney General and the Inspector General. The Attorney General may not begin an investigation or review until receipt of notice from the Commission. If, after review, the Attorney General determines that reasonable cause exists to believe that a violation has occurred, then the Attorney General may file a complaint with the Executive Ethics Commission. If the Attorney General concludes that there is insufficient evidence that a violation has occurred, the Attorney General shall notify the Executive Ethics Commission and the appropriate Executive Inspector General.

(d) A copy of the complaint filed with the Executive Ethics Commission must be served on all respondents named in the complaint and on each respondent's ultimate jurisdictional authority in the same manner as process is served under the Code of Civil Procedure.

(e) A respondent may file objections to the complaint within 30 days after notice of the petition has been served on the respondent.

(f) The Commission shall meet, either in person or by telephone, at least 30 days after the complaint is served on all respondents in a closed session to review the sufficiency of the complaint. The Commission shall issue notice by certified mail, return receipt requested, to the Executive Inspector General, Attorney General, and all respondents of the Commission's ruling on the sufficiency of the complaint. If the complaint is deemed to sufficiently allege a violation of this Act, then the Commission shall include a hearing date scheduled within 4 weeks after

the date of the notice, unless all of the parties consent to a later date. If the complaint is deemed not to sufficiently allege a violation, then the Commission shall send by certified mail, return receipt requested, a notice to the Executive Inspector General, Attorney General, and all respondents of the decision to dismiss the complaint.

(g) On the scheduled date the Commission shall conduct a closed meeting, either in person or, if the parties consent, by telephone, on the complaint and allow all parties the opportunity to present testimony and evidence. All such proceedings shall be transcribed.

(h) Within an appropriate time limit set by rules of the Executive Ethics Commission, the Commission shall (i) dismiss the complaint, (ii) issue a recommendation of discipline to the respondent and the respondent's ultimate jurisdictional authority, (iii) impose an administrative fine upon the respondent, (iv) issue injunctive relief as described in Section 50-10, or (v) impose a combination of (ii) through (iv).

(i) The proceedings on any complaint filed with the Commission shall be conducted pursuant to rules promulgated by the Commission.

(j) The Commission may designate hearing officers to conduct proceedings as determined by rule of the Commission.

(k) In all proceedings before the Commission, the standard of proof is by a preponderance of the evidence.

(l) Within 30 days after the issuance of a final administrative decision that concludes that a violation occurred, the Executive Ethics Commission shall make public the entire record of proceedings before the Commission, the decision, any recommendation, any discipline imposed, and the response from the agency head or ultimate jurisdictional authority to the Executive Ethics Commission.

(2) within 5 business days after the Executive Inspector General's decision to open or close an investigation into the complaint or refer the complaint to another appropriate agency, to be notified of the Executive Inspector General's decision; however, if the Executive Inspector General reasonably determines that publicly acknowledging the existence of an investigation would interfere with the conduct or completion of that investigation, the notification may be withheld until public acknowledgment of the investigation would no longer interfere with that investigation;

(3) to review statements and evidence given to the Executive Inspector General by the complainant and the Executive Inspector General's summarization of those statements and evidence, if such summary exists. (8) to file a complaint with the Executive Ethics Commission for any violation of the complainant's rights under this Section by the Executive Inspector General.

(c) The complainant shall have the sole discretion in determining whether to exercise the rights set forth in this Section. All rights under this Section shall be waived if the complainant fails to cooperate with the Executive Inspector General's investigation of the complaint.

Sec. 25-50. Investigation reports.

(a) If the Legislative Inspector General, upon the conclusion of an investigation, determines that reasonable cause exists to believe that a violation has occurred, then the Legislative Inspector General shall issue a summary report of the investigation. The report shall be delivered to the appropriate ultimate jurisdictional authority, to the head of each State agency affected by or involved in the investigation, if appropriate, and the member, if any, that is the subject of the report. The appropriate ultimate jurisdictional authority or agency head and the member, if any, that is the subject of the report, shall respond to the summary report within 20 days, in writing, to the Legislative Inspector General. If the ultimate jurisdictional authority is the subject of the report, he or she may only respond to the summary report in his or her capacity as the subject of the report and shall not respond in his or her capacity as the ultimate jurisdictional authority. The response shall include a description of any
corrective or disciplinary action to be imposed. If the appropriate ultimate jurisdictional authority or the member that is the subject of the report does not respond within 20 days, or within an extended time as agreed to by the Legislative Inspector General, the Legislative Inspector General may proceed under subsection (c) as if a response had been received. A member receiving and responding to a report under this Section shall be deemed to be acting in his or her official capacity.

(b) The summary report of the investigation shall include the following:

(1) A description of any allegations or other information received by the Legislative Inspector General pertinent to the investigation.

(2) A description of any alleged misconduct discovered in the course of the investigation.

(3) Recommendations for any corrective or disciplinary action to be taken in response to any alleged misconduct described in the report, including but not limited to discharge.

(4) Other information the Legislative Inspector General deems relevant to the investigation or resulting recommendations.

(c) Within 30 days after receiving a response from the appropriate ultimate jurisdictional authority or agency head under subsection (a), the Legislative Inspector General shall notify the Commission and the Attorney General if the Legislative Inspector General believes that a complaint should be filed with the Commission. If the Legislative Inspector General desires to file a complaint with the Commission, the Legislative Inspector General shall submit the summary report and supporting documents to the Attorney General. If the Attorney General concludes that there is insufficient evidence that a violation has occurred, the Attorney General shall notify the Legislative Inspector General and the Legislative Inspector General shall deliver to the Legislative Ethics Commission a copy of the summary report and response from the ultimate jurisdictional authority or agency head. If the Attorney General determines that reasonable cause exists to believe that a violation has occurred, then the Legislative Inspector General, represented by the Attorney General, may file with the Legislative Ethics Commission a complaint. The complaint shall set forth the alleged violation and the grounds that exist to support the complaint. Except as provided under subsection (1.5) of Section 20, the complaint must be filed with the Commission within 12 months after the Legislative Inspector General's receipt of the allegation.

To constitute fraudulent concealment sufficient to toll this limitations period, there must be an affirmative act or representation calculated to prevent discovery of the fact that a violation has occurred. If a complaint is not filed with the Commission within 6 months after notice by the Inspector General to the Commission and the Attorney General, then the Commission may set a meeting of the Commission at which the Attorney General shall appear and provide a status report to the Commission.

(c-5) Within 30 days after receiving a response from the appropriate ultimate jurisdictional authority or agency head under subsection (a), if the Legislative Inspector General does not believe that a complaint should be filed, the Legislative Inspector General shall deliver to the Legislative Ethics Commission a statement setting forth the basis for the decision not to file a complaint and a copy of the summary report and response from the ultimate jurisdictional authority or agency head. The Inspector General may also submit a redacted version of the summary report and response from the ultimate jurisdictional authority if the Inspector General believes either contains information that, in the opinion of the Inspector General, should be redacted prior to releasing the report, may interfere with an ongoing investigation, or identifies an informant or complainant.

(c-10) If, after reviewing the documents, the Commission believes that further investigation is warranted, the Commission may request that the Legislative Inspector General provide additional information or conduct further investigation. The Commission may also refer the summary report and response from the ultimate jurisdictional authority to the Attorney General for further investigation or review. If the Commission requests the Attorney General to investigate or review, the Commission must notify the Attorney General and the Legislative Inspector General. The Attorney General may not begin an investigation or review until receipt of notice from the Commission. If, after review, the Attorney General determines that reasonable cause exists to believe that a violation has occurred, then the Attorney General may file a complaint with the Legislative Ethics Commission. If the Attorney General concludes that there is insufficient evidence that a violation has occurred, the Attorney General shall notify the Legislative Ethics Commission and the appropriate Legislative Inspector General.

(f) The Commission shall meet, at least 30 days after the complaint is served on all respondents either in person or by telephone, in a closed session to review the sufficiency of the complaint. The Commission shall issue notice by certified mail, return receipt requested, to the Legislative Inspector General, the Attorney General, and all respondents of the Commission's ruling on the sufficiency of the complaint. If the complaint is deemed to sufficiently allege a violation of this Act, then the Commission shall include a hearing date scheduled within 4 weeks after the date of the notice, unless all of the parties consent to a later date. If the complaint is deemed not to sufficiently allege a violation, then the Commission shall send by certified mail, return receipt requested, a notice to the Legislative Inspector General, the Attorney General, and all respondents the decision to dismiss the complaint.

4. the defendant acted under the compulsion of threat or menace of the imminent infliction of death or great bodily harm;
5. the defendant was not personally present during commission of the act or acts causing death;
6. the defendant's background includes a history of extreme emotional or physical abuse;
7. the defendant suffers from a reduced mental capacity.

Provided, however, that an action that does not otherwise mitigate first degree murder cannot qualify as a mitigating factor for first degree murder because of the discovery, knowledge, or disclosure of the victim's sexual orientation as defined in Section 1-103 of the Illinois Human Rights Act.

(d) Separate sentencing hearing.

Where requested by the State, the court shall conduct a separate sentencing proceeding to determine the existence of factors set forth in subsection (b) and to consider any aggravating or mitigating factors as indicated in subsection (c). The proceeding shall be conducted:

1. before the jury that determined the defendant's guilt; or
2. before a jury impanelled for the purpose of the proceeding if:
   A. the defendant was convicted upon a plea of guilty; or
   B. the defendant was convicted after a trial before the court sitting without a jury; or
   C. the court for good cause shown discharges the jury that determined the defendant's guilt; or

(3) before the court alone if the defendant waives a jury for the separate proceeding.

(e) Evidence and Argument.

During the proceeding any information relevant to any of the factors set forth in subsection (b) may be presented by either the State or the defendant under the rules governing the admission of evidence at criminal trials. Any information relevant to any additional aggravating factors or any mitigating factors indicated in subsection (c) may be presented by the State or defendant regardless of its admissibility under the rules governing the admission of evidence at criminal trials. The State and the defendant shall be given fair opportunity to rebut any information received at the hearing.

(f) Proof.

The burden of proof of establishing the existence of any of the factors set forth in subsection (b) is on the State and shall not be satisfied unless established beyond a reasonable doubt.

(g) Procedure - Jury.

If at the separate sentencing proceeding the jury finds that none of the factors set forth in subsection (b) exists, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections. If there is a unanimous finding by the jury that one or more of the factors set forth in subsection (b) exist, the jury shall consider aggravating and mitigating factors as instructed by the court and shall determine whether the sentence of death shall be imposed. If the jury determines unanimously, after weighing the factors in aggravation and mitigation, that death is the appropriate sentence, the court shall sentence the defendant to death. If the court does not concur with the jury determination that death is the appropriate sentence, the court shall set forth reasons in writing including what facts or circumstances the court relied upon, along with any relevant documents, that compelled the court to non-concur with the sentence. This document and any attachments shall be part of the record for appellate review. The court shall be bound by the jury's sentencing determination.

If after weighing the factors in aggravation and mitigation, one or more jurors determines that death is not the appropriate sentence, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

(h) Procedure - No Jury.
In a proceeding before the court alone, if the court finds that none of the factors found in subsection (b) exists, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

If the Court determines that one or more of the factors set forth in subsection (b) exists, the Court shall consider any aggravating and mitigating factors as indicated in subsection (c). If the Court determines, after weighing the factors in aggravation and mitigation, that death is the appropriate sentence, the Court shall sentence the defendant to death.

If the court finds that death is not the appropriate sentence, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

(h-5) Decertification as a capital case.

In a case in which the defendant has been found guilty of first degree murder by a judge or jury, or a case on remand for resentencing, and the State seeks the death penalty as an appropriate sentence, on the court's own motion or the written motion of the defendant, the court may decertify the case as a death penalty case if the court finds that the only evidence supporting the defendant's conviction is the uncorroborated testimony of an informant witness, as defined in Section 115-21 of the Code of Criminal Procedure of 1963, concerning the confession or admission of the defendant or that the sole evidence against the defendant is a single eyewitness or single accomplice without any other corroborating evidence. If the court decertifies the case as a capital case under either of the grounds set forth above, the court shall issue a written finding. The State may pursue its right to appeal the decertification pursuant to Supreme Court Rule 604(a)(1). If the court does not decertify the case as a capital case, the matter shall proceed to the eligibility phase of the sentencing hearing.

(i) Appellate Procedure.

The conviction and sentence of death shall be subject to automatic review by the Supreme Court. Such review shall be in accordance with rules promulgated by the Supreme Court. The Illinois Supreme Court may overturn the death sentence, and order the imposition of imprisonment under Chapter V of the Unified Code of Corrections if the court finds that the death sentence is fundamentally unjust as applied to the particular case. If the Illinois Supreme Court finds that the death sentence is fundamentally unjust as applied to the particular case, independent of any procedural

grounds for relief, the Illinois Supreme Court shall issue a written opinion explaining this finding.

(j) Disposition of reversed death sentence.

In the event that the death penalty in this Act is held to be unconstitutional by the Supreme Court of the United States or of the State of Illinois, any person convicted of first degree murder shall be sentenced by the court to a term of imprisonment under Chapter V of the Unified Code of Corrections.

In the event that any death sentence pursuant to the sentencing provisions of this Section is declared unconstitutional by the Supreme Court of the United States or of the State of Illinois, the court having jurisdiction over a person previously sentenced to death shall cause the defendant to be brought before the court, and the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

(k) Guidelines for seeking the death penalty.

The Attorney General and State's Attorneys Association shall consult on voluntary guidelines for procedures governing whether or not to seek the death penalty. The guidelines do not have the force of law and are only advisory in nature.
